Me: It's true. They have over 46+ Years of Power Rangers all in them. And now that have over 50+ Years of Riders added to their arsenal.

Amane: That is amazing!

Eli: It sure is.

Sakuya Tachiibana: Wow!

Nico: Yeah most of the Super Sentai Teams all retired.

Me: The last time they all helped us was during the Battle with Thanos back on December 26th, 2019 and that was one of the most devastating battles ever known.

Amane: Oh man! I've heard so much about that one!

Sakuya Tachibana: Yeah that was awful that happened to you. But you guys destroyed Thanos and saved the entire universe from destruction.

Laney: We sure did.

Hajime: I think you should probably give better official Legendary Mode names to the Sentai teams that don't have a full American counterpart.

Troy: Already ahead of you. Nico and I will start working on that after the Donbrothers complete their adventures.

Me: We still have the Faiz, Revice and Dragon Knight left to meet after you guys. Dragon Knight is the American Kamen Rider Team.

Eli: Yep.

Hajime: Oh wow!

Me: It's a darn shame there were only 2 teams of Riders for America. What a ripoff.

Touma: I know! Darn shame.

Nico: Yeah no kidding.

Amane: I agree.

Sakuya Tachiibana: Considering that you two use the powers of various Ranger teams, I'd say Hiroshi's pretty much screwed.

Kaito: Yeah he sure is.

Me: He has no idea that he will be up against 50+ Years of Rangers, Sentai and Riders altogether on February 12th.

Nico: Yeah.

Me: Oh speaking of which are there any Undead running amok?

Amane: Yeah there sure are. Isaka and the Eagle, Elephant and Wolf Undead are running around and also there is Another Eatle running around.

We gasped!

Me: Whoa I remember the Eagle, Elephant and Wolf Undead and the funny thing is on one of Nico's rescues we faced Isaka and I destroyed him and Banished him to the Warp.

Evelyn: We should increase our chances on the big day by taking out Isaka.

Me: That's exactly what we plan to do. I'm going to give him the Black Gates.

Nico: Yep. He'll be the first of your enemies that we give the black gates.

Evelyn: Without his Undead Form he is powerless.

Me: But he still has those deadly powers of his so he will be a very formidable foe.

Eli: Yeah.

Me: I'll face Isaka and you all handle the rest.

Nico: Fair enough.

Kazuma: Yeah Isaka gave us a lot of problems.

Me: He sure did. But lets not forget that he was also one of those fucking assholes that divided you all and began this whole nightmare for all of you.

Eli: Yeah.

Kazuma: Looks like I'll have to bring out the big guns for this one.

Nico: Your Evolution King form right?

Kazuma: Yep.

Me: Awesome. Now that you and Hajime aren't fighting anymore you're free to use that form whenever without any repercussions.

Kazuma: That's right.

Eiji: This will be awesome to see.

Evelyn: Yep.

Nico: We're going to kick some Undead butt.

Kaito: Where are they right now?

Eli: (Concentrates) They are 25 klicks to the southwest at the abandoned BOARD building.

Me: I know that building. That's where this whole fucking fiasco with you guys all started.

Lola: Yeah no kidding.

Nico: Then lets get a move on.

Evelyn: Also, Kazuma, here's your Legend items.

Me: You'll see who your archenemy is on the big day. But believe me he packs a punch.

Lola: He sure does.

Kazuma: Looking forward to it.

Me: You'll know who it is probably before then.

Kazuma: Yeah.

Nico: Lets head out.

We were off.

---

We arrived at the abandoned BOARD building.

Nico: Here we are.

It was all old and majorly falling apart.

Me: Boy this place has seen better days.

Nico: Looks like no one has been in here for years.

Eli: But they are in there all right.

Me: Either way we're going to make Isaka and his Undead eat shit!

Lola: Big time.

Kazuma: How do we get them out?

Me: The only way I know.

Nico: Lets blast the building. It's a grim reminder of everything that the Blade Team went through.

Me: Yep.

Nico: FIRE!

We fired energy blasts and element blasts and the blasts all hit the building and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire building was blasted into flaming rubble to kingdom come!

It was now a flaming pile of rubble!

Nico: To the Another Eatle, sorry about that! But we had no other options!

Eli: It wasn't in the building. It's actually coming in at 5 klicks to the east.

Me: Good. But look.

We saw 4 figures come out and they were the EAGLE, ELEPHANT AND WOLF UNDEAD AND ISAKA!

Me: There's the Undead we're looking for. Isaka you like that beatdown we gave you?

Isaka: I did not! You will pay for that!

He fired fireball blasts at me and I fired fireball blasts and the blasts collided and then…

KRABBBBBBBBOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMM!

Massive flaming fiery explosions blasted out from each blast and they were intense!

Lola: YEAH

Nico: And for your info Kazuma and his team aren't the only ones with us.

Kaito: Change Zenkai!

Troy: Super Mega Mode!

Kazuma: Henshin!

Kaito went Zenkaiser and Troy turned into Super Megaforce Red and Kazuma transformed.

Kamen Riders: HENSHIN!

They transformed!

Me: Meet 20 years of Riders!

Isaka: WHAT!?

Elephant Undead: Uh oh.

Me: And me too.

I went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon voice) **This wolf is on the prowl.**

Wolf Undead growled ferociously.

Me: **Oh growl yourself To death. Oh wait you're already dead!**

I went at Isaka with incredible speed and kicked him in the face and smashed him down and he got up and fired more fireballs at me and I deflected them back with my scythe and they hit him and exploded!

KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMM!
KRABBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMM!

Nico blasted the Wolf Undead all over with energy blasts.

Kaito: (gets out Kyoryuger gear) Full Power Non Stop!

Kaito got a Dino Charge Blaster!

Kaito fired waves of energy and blasted the Eagle Undead all over.

Laney fired waves of fire and blasted the Elephant Undead all over!

Lori: I'm going to literally turn you all into human pretzels!

She then floated and was enveloped in a swirl of fire and she turned into LORI VOLCANA!

She was ready to burn!

Lori Volcana: Time you you to burn!

She fired a blast of fire and it hit the Wolf Undead and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and Lori threw a card and sealed it.

Eli: Nice one Lori!

Troy: Legendary Ranger Mode: Dino Thunder!

Troy turned into the Red Dino Thunder Ranger!

Twilight Sparkle: Now watch this one.

She got out the Kaos and Heat Gaia Memories.

KAOS! HEAT!

Twilight Sparkle: 10 ELEMENTS OF FIRE!

She fired waves of fire magic of the 10 Elements of Skylands and they hit Elephant Undead and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

Philip: Whoa! Nice one Twilight!

Twilight Sparkle: Thanks. That was cool.

Twilight sealed the Elephant Undead!

Nico: That was genius though. 2 down and 3 to go.

Sunset Shimmer: You'll like this one. (ACTIVATES MONSTONE'S EYECON)

ABD AL-RAHMAN AL SUFI AND MONSTONE!

Kazuma: Who was that?

Sunset Shimmer: Abd Al-Rahman Al Sufi was a Persian Astronomer from 905 A.D. that was known for discovering our sister galaxy the Andromeda Galaxy.

Kazuma: Wow! I didn't know about that.

Nico: Me neither.

Takeshi: The Ghost Team has lots of famous historical figures in Eyecons.

Amane: That is really something.

Sunset Shimmer fired a massive blast of stars and fire and blasted down the Eagle Undead and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Sunset Shimmer: YEAH!

She then sealed it.

Lola: Nice one Sunset!

Nico: That was my favorite part about the legend items in the usual battles. The Eyecons taught us a lot about famous historical figures.

Kazuma: That is amazing.

Nico: It sure is!

Kazuma: Time for me to use Blade King form!

Sakuya: I'll use Garren Jack Form!

Kazuma and Sakuya remove cards from their Rouze Absorbers. Both take out a Queen of their suit, "Absorb Serpent" for the Queen of Diamonds and "Absorb Capricorn" for the Queen of Spades, but Sakuya grabs a Jack of Diamonds while Kazuma goes for the King of Spades, both placing their Queen cards in an empty slot near the top of the Rouze Absorbers.

Rouze Absorbers: Absorb Queen!

Now seeing their opportunity, Sakuya scans his Jack of Diamonds, labelled "Fusion Peacock".

Rouze Absorber (Sakuya): Fusion Jack!

Following suit, no pun intended, Kazuma scans his King of Spades, labelled " Evolution Caucasus"

Rouze Absorber (Kazuma): Evolution King!

With this process complete, the Rouze Absorbers gain a covering unique to their Riders. Sakuya's gains a green and gold diamond plate with a peacock on it, while Kazuma's is a blue and gold spade plate with a giant beetle on it. As these plates form, Sakuya's chest armor and parts of his helmet turn gold, revealing the same peacock design on the chestplate as six prongs resembling peacock feathers appear on his back. Once these prongs settle into a pseudo cape, a bayonette like blade forms on the end of Sakuya's gun. Simultaneously, every card in the Spade suit surrounds Kazuma, turning all of his armor gold while settling themselves into certain points across his body before changing the structure of his helmet to include two crown like points projecting from the sides, in addition to replacing the Blade Rouzer with an absolutely massive blue and gold sword with the signature Spade on it.

Hajime: Time to go Wild Chalice.

With his plan known, Hajime slides the card through the Chalice Rouzer.

Chalice Rouzer: Evolution!

As this happens, all of the cards in the Heart suit consolidate into Hajime, and in a red haze change his armor from black and gold to red and gold, with green replacing his visor, implanting the symbol of his King card onto his chestplate, while giving a spiky quality to his armor and conjuring two small sickle like swords in his hands.

Nico: WHOA!

Eli: AWE-SOME!

Laney: That is so cool!

Lola: I'll say!

Kazuma: It sure is cool.

Hajime: Yep.

I slashed Isaka who smirked.

Isaka: Now I can show you how dangerous it is for you to use those forms.

Me: **Not going to happen!**

I slashed Isaka in his face and burned him and then I kicked him in his stomach. He fired more fireballs at me and I fired more fireballs and they exploded all over.

---

The area was now a really FLAMING INFERNO!

Me: **Had enough Isaka?**

Isaka: I'm still getting warmed up.

Everyone came and helped me out.

Nico: Boy you really burned this place.

Me: **Yeah.**

Troy: (gets out Blizzard's Rouse Card) Chill out!

He activated it and fired a blast of ice and froze Isaka's feet to the ground.

Fluttershy: Time for some Fullbottle Power!

She used the Fullbottles for Another Ginga and Virgo Zodiarts!

ANOTHER GINGA! VIRGO ZODIARTS! BEST MATCH!

Fluttershy: VIRGO GALAXY STAR STORM!

She fired a massive barrage of stars and they smashed him all over and exploded!

* * *

Evelyn: TAKE THAT!

Kazuma: That was awesome Fluttershy!

Me: **Using the Fullbottles was one of my favorites in the usual battles.**

Nico: Yeah it had good and bad results.

Me: **Most of them were funny though.**

Fluttershy: But it was still cool.

Kaito: (gets out Melone's Rouse Card) Have some of this!

He activated Melone's Rouse Card and fired energy blasts and they hit Isaka all over and blasted him big time.

Rarity: That was great darlings! Now here's some Vistamp power.

She activated Duff Killigan and Holy Wing Vistamp!

DUFF KILLIGAN! HOLY WING!

She spread beautiful white angel wings and got a golf club.

Rarity: HOLY GRENADE GOLF BALL BOMB!

She hit a ball while flying and it hit Isaka!

HALLELUJAH!

And then it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blasted him back and slammed him into the rubble of the building with devastating force! He was down but not out!

Nico: WHOA! That was powerful!

Kazuma: Time to peek at my new Rouse Card and see who my archenemy is.

He activated it and it was for PILEDRIVER OF THE WRECKING CREW!

PILEDRIVER!

He went and pulverized and smashed Isaka all over the place and kicked him down.

Kazuma: COOL! Piledriver is my archenemy?

Me: **Yeah we decided to put some of the members of the M.O.E. That were in groups on individual archenemies. The U-Foes, Dark Turtles and Wrecking Crew all have individual archenemies now.**

Kazuma: Very awesome!

Me: **Yep. We're still working on the Power Pack's individual archenemies.**

Nico: And the Kids Next Door already have Individual archenemies so why not have them as a group for one too.

Eli: Yep.

Nico: It was a genius part too.

Pinkie Pie: I think it's amazing! Now lets see how he likes this one.

She activated INSTIGATOR's Gashat!

STAR JET FLIGHT OF INSTIGATOR!

In a game based on Gradius she summoned INSTIGATOR and he was piloting a B.E.S. Covered Core Ship and he fired waves of energy and smashed Isaka all over the place!

Me: **Take that!**

Troy: Legendary Ranger Mode: SPD!

He turned into the Red SPD Ranger!

Nico: Oh yeah!

Rainbow Dash: Time to get the need for Awesome Speed!

She activated her Shift Car for Tchang Zu!

Rainbow Dash: LIGHTNING SPEED FLASH!

She ran fast as lightning and smashed Isaka down with incredible force with the power of Tchang Zu's lightning.

Nico: Electrifying!

Me: **Awesome R.D.!**

Lola: Yeah!

Troy blasted him all over with energy blasts.

Shinnosuke: But that was awesome though.

Me: **Now for my favorite.**

I pulled out the Wonder Ride Book for the Spank Happy Kids Next Door Sector V.

Me: **This is going to REALLY Hurt with the Hand of Justice! (Transylvanian Accent) Prepare to feel the Stingy Wrath of The Spank Happy Kids Next Door! (Reads Verse) "Under the shroud of the darkness of the night, the dark vigilantes of Vampiric Justice prowled through the shadows and brought down the hand of stinging justice to the foe that caused bad pain to so many others and spanked him with the force of intense justice."**

Then…

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Isaka got his butt spanked all over the place with invisible spanks! OUCH!

Isaka was REALLY SORE NOW!

Eli: That must've REALLY hurt him!

Kaito: (gets out Kyuranger Gear) To quote a friend of mine, it's time to test your luck!

He got a Kyuranger Sword!

Me: Here Kaito.

I gave him the Kyutama for Fornax the Furnace.

FORNAX!

He fired blades of fire and blasted down Isaka all over.

Kazuma grabbed Isaka by the throat.

Isaka: You don't need to do this. I'll give you money. Drugs! Guns!

Weapons! Whatever you want. Please. I'll take a plane. Leave Japan. Never show my face again. Anywhere you want! I'll go anywhere!

Kazuma: How about you go to Hell?

Me: **Instead of Hell, How about THE BLACK GATES!**

I gave Kazuma my sword and he channelled Black Gates energy into it and stabbed Isaka through his black heart and then he was obliterated and destroyed and then banished to the black gates forever!

Eli: Good riddance!

Me: **Just wait till we face Hiroshi. We already sealed Isaka's undead form.**

I got my sword back.

Sakuya Tachibana: Wow! Those Legend Items you all have are so cool!

Me: **Many more where those came from.**

Lola: Yep.

Me: **Now all that's left is the Another Alien.**

Eli: It should be here right about now.

Then a figure came out and it was a black version of Eatle! It was ANOTHER EATLE!

Me: **WHOA! Another Eatle!**

Sougo: I hope he says hi to Swartz for us.

Me: **I have a feeling he will. But who is our Oryctini friend?**

Another Eatle: (In a girls voice) )You know me J.D.

Me: (GASP) **Camille Richmond!?**

Another Eatle: That's right.

Nico: Wait you mean THE Camille Richmond, the world famous food critic that had lots of jobs in all sorts of restaurants and traveled the world and ate all kinds of food good and bad?

Another Eatle: Yes that's right.

Nico: Cool!

Me: **Yep. She loves all kinds of great foods. But she loves Spicy foods the most.**

Lola: That is cool!

Another Eatle: I actually went to Lynn's Table when it had all that extra food added to the menu and it was awesome! I loved it all.

Me: **Boy you have one of the biggest appetites I remember.**

Albedo turned into Negative Eatle.

Negative Eatle: Did Swartz promise you anything?

Another Eatle: Just to open my own restaurant where I can pursue my true passion and that's to be a great chef.

Me: **We can easily do that for you. In fact Lynn's Table always has openings for more chefs.**

Nico: Yeah we're always adding more and more food to the menus and Lynn Sr. Is always looking for more help.

Another Eatle: Awesome!

Me: **First lets get you back to normal.**

Nico: (gets out Zexion's Ridewatch) Time for some illusion power!

Me: **Camille was also my guide in some of my travels all over the world and it's how I know and like so much about all kinds of strange and weird foods. Remember how I had all that Icelandic food and the bugs I ate down in Uganda?**

Nico: Wow! So she got you your tastes for many unique foods all over the world.

Me: **Yep.**

Nico: That's interesting. I didn't know about that.

Eli: Me neither bro.

Nico: Now I see why you liked all those bugs and stuff on Total Drama. Now lets do this. (ACTIVATES ZEXION'S RIDEWATCH)

He formed an illusion of Star Ships from Star Trek and they fired lasers and they hit Another Eatle and she was down and I caught the Ridewatch and purified it. I went over to Camille and she was a girl with black hair and beautiful goddess body and had red and blue clothes. I picked her up.

Camille Richmond: (GROANS) What a headache and man I am hungry.

Me: **We'll have plenty to eat for you back home.**

I brought her over.

Kazuma: Evelyn, ever since I met you back on that planet, I've seen you as a little sister.

Evelyn: Really Kazuma? Oh thank you!

She and Kazuma hugged.

Me: **So awesome.**

Amane: I guess that makes me like your little sister right?

Evelyn: It does Amane.

She hugged her too.

Sakuya then bawled in happiness.

Me: **Tears of happiness.**

Rarity: Indeed darlings.

Me: **Kazuma this is not goodbye forever, it's just see ya later. We'll see each other on the 12th of February.**

Kazuma: I know J.D. I know.

Troy: But we're really gonna miss having you around.

Kazuma: I know Troy. But it was awesome helping you guys out.

Me: **It sure was awesome.**

Laney: Yeah but it's not forever.

Evelyn: Yeah.

---

We later came back.

William: Hey guys! How did it go?

Me: Really epic! We finished Evelyn's missions with a bang.

We told them all about it and it was EPIC!

William: WHOA! So Isaka is now in the Black Gates.

Me: Yep. Good riddance.

Qin: That was so awesome!

Me: Yep. Now it's time for Apple Bloom, Sweetie Belle and Scootaloo's missions.

Cutie Mark Crusaders: CUTIE MARK CRUSADERS AMBASSADOR MISSIONS! YAY!

They sure are excited!

May: Girls, for your first mission, Phillip, Shotaro, and 3 Rabbids should go with you.

Apple Bloom: All right!

Sweetie Belle: This is gonna be so fun!

Me: Yep. But just as a safety measure Applejack, Rarity and Rainbow Dash are coming with you for supervisory.

Apple Bloom: Okay then.

Applejack: YEEHAW! This is gonna be so great!

Later we were watching and then we saw Nico going somewhere.

Armada Starscream: Where are you going, Nico?

Nico: To my room. Gotta face facts. I'm in no condition to go on anymore missions until I'm better.

Me: Uh oh.

Qin: Oh no.

Me: Are you sick?

Nico: Yes.

Mallow: Geez! Are you gonna be alright?

Nico: I will be.

Me: Lisa you better run some tests.

Lisa Loud: Affirmative.

Lisa went and did so.

Lisa checked his temperature.

Lisa Loud: Hmm. 99.7˚F. Low grade fever. Say Ahh.

Nico opened his mouth and Lisa looked inside and saw that his throat was normal.

Lisa Loud: Throat is normal.

Lisa checked for pulse, blood pressure and all that.

Me: Diagnosis Lisa?

Lisa Loud: Nico is suffering from the common cold.

Qin: Oh boy.

Lisa Loud: I suggest that Nico gets plenty of rest in his current state. He is in no condition to join us on our next mission.

Xenia: Oh man.

Misfire: Don't you guys think any of the bad guys out there might come to finish Nico off while he's resting?

Me: That's why we're taking him with us on the ship on our next mission. He can watch the next race on whatever planet we're on.

Nico: Good idea.

Lola: But who will watch out for him?

May: I will!

May appeared and she was in a REALLY SEXY White Bikini Nurse Outfit.

Nico: Hubba Hubba!

May: Bikini Nurse May Chan to the rescue!

Lola: Nice outfit!

Nico: Is this the surprise you had in store for me May?

May: Yep.

Me: I guess that makes me temporary leader now.

Maria: J.D., hold on. You were replaced as leader for a good reason. I'm Nico's big sis. So I should be leader.

Lincoln: Look, Maria. If you're not going to let J.D. be leader, at least let me give it a shot. I AM the leader of my sibligns after all.

Tsukasa: Maybe I should be leader instead. I AM considered to be leader of all the Kamen Riders after all.

Tommy Oliver: No offense, Tsukasa. But how about letting me be leader? After all, I AM the leader of all the Power Rangers.

Swerve: (to me) See what you just caused, dude?

Nico: Guys stop! No need to argue. And I made J.D. my second in command for a reason. Whenever I am out of commission he leads. It's part of the chain of command.

Qin: That's right.

Maria: But Nico.

Nico: That's an order.

Maria: Okay okay.

Me: Guys. Nico is coming with on the ship. Besides he won't miss out on the action.

I put on a button camera on my shirt.

Me: This button camera will show him everything on a TV he has in his quarters.

Nico: Cool!

Top Man: Nico, can you still tell us the teams you've made today?

Nico: C'mon, I can still do that even if I'm sick! Sabrina's team will include Sailor Mercury, Lizzie Strong, Yumi Davenport, Captain Spitfire, and Balto. Anakin's team will include Beatrice Portinari, Obi-Wan Kenobi, Yoda, Mace Windu, and Aayla Secura.

Lizzie Strong: Hey that's awesome!

Spitfire: It's an honor to be on a team.

Balto: It sure is.

Yoda: On a team an honor it is.

Nico: Glad you all think so.

Then the Previous M.O.E. Group came.

Mindwipe: Nico, which Gene Slammer do you think you'll meet next?

Nico: Alakazam next.

Me: Magical. Nice.

Nico coughed and sneezed.

Qin: Oh Nico.

King Kai: (Telepathically) Nico, everyone can you hear me?

Nico: King Kai, what's wrong?

King Kai: (Telepathically) I've got bad news, Krampus, The Devil of Christmas, has come back to get revenge on you guys for destroying him two years ago.

We gasped.

Lincoln: I should've known Krampus wouldn't stay dead for long.

Me: That monster still refuses to give up, well, we're going to make him pay for his crimes.

Nico: And show him that taking kids down to Hell is too extreme! If he lays so much as one hand on any of our kids, he deserves to suffer the full wrath of God!

Lincoln: That's for sure!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Drakonis, the Crimson Dragon, from Legend of Mana and he's coming here to kill us and take over the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like this guy one bit: the dark energy signal we sensed belongs to Drakonis, the Crimson Dragon, and he's coming here to kill us and take over the world.

Nicole: Ugh, not that evil dragon again, can't he take a hint?!

Rayman: Obviously not. But, we'll deal with him later.

Lincoln: That's right, we've got to get rid of Krampus once and for all!

Nico: You're right, Christmas is a time for all kids to be together with their parents, and Krampus has been tearing families apart by dragging kids to Hell for thousands of years, well, that ends here and now. Alright, gang, let's go, we got an awesome race on a new food planet that's been discovered.

Lincoln: A new food planet has been discovered, and we're having a race there, awesome. But, after we get done with the race, it'll be time to hunt down Krampus, and make the Devil of Christmas pay for the crimes he's committed for thousands of years, and once we finally get done with putting a permanent end to Krampus, you're next, Drakonis, the Crimson Dragon. But, first.

Lincoln chanted a powerful incantation, and his kids, Nico's kids, my kids, and the other kids were given a powerful protective field to protect them from Krampus.

Lincoln: If Krampus dares to lays a hand on any of my kids, Nico's kids, J.D.'s kids, and the others, he's going to get burned badly.

Videl Chan: That was some quick thinking.

Nico: You said it, sweetie. Lincoln knew that Krampus would try to target all of you because you're related to us, and he'd do anything to get revenge on us.

Me: He's not laying one cloven hoof on any of you!

Lincoln: That's a sworn promise!

Me: That's for sure!

Man Ray: We really are sorry you're sick, Nico.

Swamp Witch: Hope you get better.

Nico: I'll be fine.

Lisa Loud: He will make a full recovery after the mission is finished.

Me: Lets head out.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was seen flying through space.

Me: Stardate 7131.6. Team Loud Phoenix Storm Log U.S.S. Valorous Phoenix, J.D. Knudson commanding. Captain Nico Chan is out of commission due to coming down with a cold and has appointed me as commander for the mission till he gets better. We are on our way to the next planet for another awesome race. But we got word that the Christmas Devil, Krampus has returned and is out for revenge. Our mission is to win the race and destroy him forever.

Eli: Boy of all the rotten luck for Nico to get sick.

Me: I know bro. What rotten luck.

Apple Bloom was squealing with excitement for the crusaders missions.

Qin: Boy Apple Bloom is so excited.

Applejack: She sure is sugarcube.

Qin: And the Cutie Mark Crusaders have been preparing for this ever since Hitch has been teaching them about law enforcement and how to take down bad guys.

Sweetie Belle: I know! We're really excited for this.

Me: But we're really proud of them so far. They got an awesome head start.

Clown Man: Also, Nico originally planned for the next set of missions to be only for Apple Bloom. But he decided that the entire Cutie Mark Crusaders should get said missions.

Me: It's awesome that they all are getting missions like this.

Scootaloo: We are so excited for this!

Moonstone: In that case, all 3 of you should be excited.

Opposite Senshi Leader: Not just Apple Bloom.

Me: Oh they are. All of them have been looking forward to this ever since they found out that their missions were going to involve law enforcement.

Qin: Yeah.

Me: And Applejack, Rainbow Dash and Rarity are going with them for Supervisory Purposes.

Eli: Good reasons.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We saw that it was a brown and multi color planet.

Me: This one looks cool.

Qin: Yep.

Me: Lets get to landing and then talk to Nico before we head out.

We got to landing and we landed.

We then went to Nico's quarters and I knocked on his door.

Nico: Come in.

We went in.

Me: We arrived and landed.

Nico: Awesome.

Me: How is your sexy nurse taking care of you?

Nico: Really great.

May: It's awesome helping Nico like this.

Gyro Man: (to Nico and May) I really am sorry, guys.

Nico: Don't be. I could use a little break for a bit.

Me: Well not like this. Besides you just rest and get better. I'll show you what's going on through me on my camera button.

Nico: Okay. Good luck out there guys.

Eli: Thanks Nico.

We then went and got out and we saw that the planet WAS A PLANET MADE ENTIRELY OUT OF MANY DIFFERENT KINDS OF CAKES! There were mountains and mountains of cakes as far as the eye can see! Many kinds of flavors of cakes!

Me: WHOA!

I turned on my button!

Me: It's a planet made of cakes!

Dogranio Yaboon: A planet full of cakes.

Rojo: Now we're talking!

Me: This is amazing!

Sakura Avalon: Boy Kero is going to…

Kero: CAKE! OH BOY!

Me: Lets have some awesome cake before the race.

Rojo: Good idea.

We went and ate some.

I had a chocolate cake.

Nico: Oh May you sure know how to make me feel good.

May: (Giggles) I do what I love you big lug.

They got to kissing.

Back with us we were eating some cakes.

Trumbipular: Let's eat these for 10 minutes.

Sindbad: Sounds like a plan.

Me: These cakes are so good!

Maria: (Eating Pineapple Upside-Down Cake) DELICIOUS!

Lola: So delicious!

Varie: Boy this is amazing that there is a planet like this.

Xenia: It sure is awesome.

Thrust: Let's get ready for the race now.

Me: You got it Thrust.

We went and got into our cars and drove into the garage.

Me: Boy this is so awesome.

Camie: J.D. can you remind me who Krampus is?

Me: I sure can Camie. I forgot to do so earlier. Krampus is a figure of Alpine Legend and he is known as the Christmas Devil.

I went over who he was.

---

Krampus, also known as The Christmas Devil, is the titular main antagonist of the 2015 supernatural holiday-themed horror-comedy film of the same name, which is based on the mythological creature of the same name.

He's the dark version of Santa Claus who punishes people who have been very naughty on Christmas. Not just children, but adults as well. He has done so for thousands of years, according to Omi in the film. Along with the vast supernatural powers he holds, Krampus is aided by various demonic creatures including his unholy masked Elves that are referred to as his "Helpers".

Physically, he was portrayed by Luke Hawker, while his vocals were done by Gideon Emery.

When the dysfunctional Engel family's clashes cause young Max Engel to become disillusioned with Christmas, his lack of belief and his angry shredding of his note to Santa wishing for his whole family to together incur the wrath of Krampus, who arrives in the neighborhood with his " *helpers* " .

Krampus first brings about a powerful snowstorm surrounding the neighborhood the family lives in **(** most of their neighbors are gone for Christmas and are thus spared, but anyone else in town is attacked or frozen to death **)**, cutting off all power, including heat.

After this happens, Max notices a scary-looking snowman on his front lawn, and the family receives a mysterious bag of toys dumped on the porch. Max's sister Beth leaves for her boyfriend Derek's house to see if he is alright, but on the way, she encounters Krampus, who chases her through the blizzard. She hides underneath a delivery truck, which Krampus circles before apparently leaving. However, he drops a jack-in-the-box, which releases a creature that attacks and captures Beth.

When Beth's father Tom Engle and his brother-in-law Uncle Howard go looking for her, one of Krampus' minions **(** *one that can "swim" through snow like a shark* **)** attacks them, injuring and nearly capturing Howard before Tom shoots it without death as a result, causing it to flee. Meanwhile, the rest of the family hears Krampus on the roof, but play it off as big squirrels fighting over nuts.

Upon arriving home, Tom and Howard try to calm the family, saying they will board up the doors and windows and have a camp out in the living room. Tom's Austrian mother by the name of Omi warns Tom to keep the fire in the fireplace going. However, Howard falls asleep while he is keeping watch, and the fire goes out. Krampus lowers a hook with one of his minions, a living gingerbread man, which captures Howie Jr., despite the rest of the family trying to save them. During this, they accidentally light their Christmas tree on fire. Following this, Omi tells the rest of the family her knowledge on Krampus:

As a little girl in a poor Austrian village in the aftermath of World War II, Omi tried to use Christmas and Santa to keep her spirits up, but the townspeople's cruelty **(** *knocking her down and taking her loaf of bread, which they all fight over* **)**, as well as her parents' constant arguing **(** *during which her own mother rips her Santa doll* **)**, caused her to lose all her Christmas spirit and abandon all hope and faith **.** That Christmas Eve, Krampus came and attacked her entire hometown, dragging everyone to the underworld except Omi, who he left behind as a reminder to never lose her Christmas spirit. He also gave her a bauble (Christmas ornament) with his name on it. Following this, everyone except Howard is shocked silent.

Howard, not believing the story, tries to go out and rescue his son and niece, but stops when he sees more evil-looking snowmen all over the front yard. Behind them, he sees creatures running around, before Tom and their wives pull him back in and lock the door.

The family tries to stay calm, with Aunt Dorothy watching the kids, Howard's wife Linda trying to salvage the presents, and Tom and his wife Sarah trying to come up with a plan. Eventually, they decide Tom will make a run for an abandoned snowplow he and Howard spotted while looking for Beth, then will return and pave way for the rest of the family, who will follow in the car until they find someone who can help. However, when Max's cousins Stevie and Jordan ( *whose cruelty was the direct cause of Max's anger* ) go upstairs to use the bathroom, they hear Beth's voice coming from the attic, and go to investigate. They are attacked, and their screams cause Tom, Sarah, and Linda to run up and investigate, while Howard stays downstairs because of his injured leg.

## Toys

When the trio gets to the attic, they discover a demonic, " *cute* " jester who has taken the form of a human-sized jack-in-the-box swallowing Jordan whole. They try to fight it, but other holiday-themed monsters attack, distracting them long enough for the jack-in-the-box to escape through the vents, though they are able to rescue Stevie.

## Gingerbread Cookies

Meanwhile, Howard hears laughter coming from the kitchen and goes to investigate, where he is attacked by a trio of living gingerbread men using a nail gun as a weapon. After they run out of ammo, Howard manages to set them on fire, with two dying and his dog Rosie eating the third. She is then sent into the vents, where Rosie fights the jack-in-the-box, forcing it through the ceiling into the living room.

## Elves

The other monsters then appear and attack the family, though Aunt Dorothy manages to kill most of them with Howard's shotgun. Before she can shoot the jack-in-the-box, however, Krampus' dark elves break into the house, kidnapping Dorothy, Howard, and Howard's baby girl.

## Krampus' Sleigh

The rest of the family flees the house, but Omi stays behind to confront Krampus and give the others time to escape. Krampus toys with Omi, obviously remembering her, before opening a bag of evil toys that attack her. The family almost makes it to the snowplow, but Tom sacrifices himself to fight the " *snow swimmers* ", which manages to capture him, Linda, and Sarah. Max and Stevie manage to get into the snowplow, only to find it is dead. Stevie is then captured by dark elves, while Krampus confronts Max, giving him a bauble, just like he gave to Omi. Krampus then leaves for his sleigh, and Max knows he alone has to save his family.

Krampus with his screaming human-like mask.

Max confronts Krampus right before take-off as he opens the ground to reveal a pit-like portal to the netherworld, giving back the bauble and offering himself up for the safety of his family. Krampus ponders this but then has his elvish minions shove Stevie into the lava doorway before he picks Max up and drops him in. Before he falls, Max apologizes for losing his Christmas spirit.

Max then wakes up in his own bed. After looking outside and seeing the town back to normal, he goes downstairs and sees his family getting ready to open presents. Believing the whole experience to be a dream, Max tells his family he loves them before everyone exchanges presents. However, Max's first present is the Krampus bauble, and the whole family goes silent when they see it, implying they all remember the Krampus encounter.

## Krampus' Workshop

The house is then revealed to be inside a snow globe in Krampus' lair, among many others, giving two possible implications:

The family either has been physically shrunk down or souls imprisoned in the snow globe and will have to celebrate Christmas forever as a twisted version of Hell.

Krampus believes the family has learned their lesson, the snow globe is only showing surveillance of the house instead of containing it, and he is merely spying on them, to make sure that they do not ever lose their Christmas spirit again. **(** *This hypothesis is seemingly backed up by the prequel comic "Krampus: Shadow of Saint Nicholas".* )

When I was done everyone was SHOCKED. Those that haven't heard about it too.

Qin: Yeah he is pure evil!

Lola: He tried to go after Mitch Mitchelson and we stopped him.

Lana: Yeah.

Camie: That is pure evil! Kids may be naughty but not ALL of them deserve to go to hell!

Beany: Krampus won't be hurting anymore kids.

Bonz: But let's just focus on the race first.

Me: Okay.

We got into our cars and pulled up to the starting line and we were ready.

Billy Natson: And Welcome to another awesome and most exciting race for you all. Hello I'm Billy Natson and welcome to another awesome race and we have quite a treat for you all today. We are on a planet made entirely out of cakes of many kinds. WOW! All my favorite cakes here too. With us we have our very own Team Loud Phoenix Storm and their amazing frenemies in the Masters of Evil. Hey Nico and May aren't with you guys.

Me: Sorry about that Billy. Nico came down with a cold and May is taking care of him so Nico placed me in charge of the team for today till he gets better.

Billy Natson: That's understandable. I hope he gets better.

Me: He will.

Billy Natson: Awesome. You ready for a great race?

Me: You bet we are! We're going to burn rubber and eat awesome cake!

Billy Natson: Love that spirit! Lets get it on!

We got ready!

Krista: RACERS ON YOUR MARKS!

We were ready.

Krista: (RAISES GREEN FLAG) GET SET…

We were really ready for this.

Krista: (WAVES GREEN FLAG) REV UP AND GOOOOOOOOO!

We zoomed out of the garage fast!

Billy Natson: AND THEY'RE OFF!

We were zooming through the cake landscape. The Finish Line was located in the S'Mores Cake Swamps.

Gemini Man: Wonder if my cloning powers applies to my vehicle too.

He tried it and then he made 16 copies of him and his car!

Gemini Man: HEY it works!

Me: It sure does!

Eli: Boy look at all these cakes!

Xenia: I've never seen so many of them.

Lola: Yeah!

Kyd Wykkyd teleported in front of Black Baron.

Black Baron: Did you just teleport in front of me?!

Kyd Wykkyd: I sure did!

Eli: Not for long!

Eli fired a red shell from his car and then…

WHAM!

He bashed Kyd Wykkyd right off the path and he spun into a chocolate molten lava cake wall! Covering himself in chocolate sauce!

Wind Man: You okay?

Kyd Wykkyd: Tasty but yeah.

He got back in his car and got back on the track.

Qin: That was cool Eli!

Me: I remember Mario and the Mario Kart crew doing all that.

Mario: (Italian Accent) Oh it's-a true.

Eli: Yep. Fun games.

Tar Pit: Nico, I hope you're watching.

Sir Toasty: Because we dedicate this race to you!

Me: TO NICO!

All of us: TO NICO!

May and Nico were snuggling in bed and they were watching.

May: That is so awesome Nico.

Nico: Yeah it sure was.

Manterror: How far are we?!

Me: Half way there!

We were racing through the Rum Cake Mountains.

Varie tasted the cake.

Varie: Yummy! Rum cake!

William: You okay, Maria?

Maria: I'm fine. It's just that I'm finding it weird to be without May and Nico.

Me: It'll be all right Maria. They will be better when this is done.

Qin: Yeah Maria it'll be okay.

Maria: Okay then.

Camie: I see the finish line!

It was right in the middle of the S'mores cake swamp!

Maria: Who's going to cross it first?!

Me: We're going to find out!

Billy Natson: AND here comes the winners of the race! It's SUNSET SHIMMER, PINKIE PIE, QIN, MARIA, LINCOLN, J.D., ELI, ZURIA AND CAMIE!

We cheered wildly!

Xenia: YEAH!

Qin: WOOHOO!

Maria: ALL RIGHT!

Camie: That was awesome!

Lola: YEAH!

Kitty: Nice job, Maria.

Me: All of us did it.

Esdeath: But now, the real battle begins.

Qin: Yep.

Eli: Time to deal with Krampus.

Xenia: He will rue the day he messed with the kids!

Camie: That's for sure!

Eli: I sense that he is over in that clearing over there.

He pointed to an island in the middle of a lake made of vanilla frosting!

Me: All the way out there. Wow.

Camie: Lets get him.

Retrax: Entrance time!

Me: Lets go!

We went at the island.

Krampus was really infuriated. Then the spirits of the Toa Nuva and their masks all appeared and swirled around him and then they converged and then a huge Christmas Tree then popped out and it had ornaments and lights and more and then the curtain of the aurora swirled around it and then the ornaments popped and out came us!

Me: That was a Christmas Entrance.

Krampus roared!

Me: Oh Roar yourself goat boy!

P'andor: (Russian Accent) Your days of hurting kids are over, asshole!

Krampus: (laughs evilly) Look in a mirror, lately?

Yost Crimson Dynamo: What are you talking about?

Krampus: Scott. Alejandro. Heather. And Eva. For heroes who stick to a code with not hurting children, you certainly have no problem with ending their existence. So tell me. Who exactly is the biggest monster out of us?

Me: Uhh for your information it was those 4 and they were the monsters. Like you!

Laney: We don't send kids off to hell to be tortured and burn for all eternity! You need to learn that these are innocent children! They may have been naughty but what you are doing is PURE EVIL!

Krampus: And it looks like your new leader and his girl aren't with you all. Pity. Oh well. I'll go after them once I'm done with all of you!

Me: Over our dead bodies you will.

I fired waves of energy and blasted his horns clear off his head!

He bleated in pain!

Qin: You know were just trying to help you.

Me: Yeah you look so much better without those ugly horns on your head.

Then Pyro, Dirty Bubble, Chemistro, Avalanche, KGBeast, Titanium Titan, Abomination, Puff, Spymaster, Griffin, Quillfire, Stinkor, MOE Sinistro, Captain Frightbeard, Megalon, Muggshot, Lego Bane, Stink Bug, Morrigan, and Animal Path appeared.

Nico heard what was said.

Nico: Dammit! If I wasn't sick, I'd be kicking Krampus' ass right now!

May: I know but you heard Lisa. You need rest.

Nico: I know. KICK HIS GOAT ASS GUYS!

Pyro: Kinda weird to have you as leader again and for Nico not to be here.

Me: I know. But it's only temporary.

Dirty Bubble: I bet it wasn't how you wanted to be leader again.

Maria: To be fair, I wanted to get the leader gig.

Chemistro: We're just gonna have to make due with what we have.

Me: Yeah I know.

Avalanche: We heard you went to the mall.

Me: We sure did.

KGBeast: (to Maria) Since Nico and May are absent, you'll need to tell us all about it.

Maria: We did a great shopping spree and also we took down Dark Sarah.

Me: And no it wasn't the Vengeance Express version of Sarah.

Xenia: Yeah. That was awesome though.

Laney: Yeah.

?: Boy that was awesome though.

A figure came out and it was COPYOTTER from episode 21 of Dino Thunder!

Copyotter is sea otter/green pepper/photocopier monster, created by Zeltrax. He could copy Power Rangers's weapons, fighting abilities or even their voices. Copyotter serves as the main antagonist of the episode "Copy That".

He is voiced by Andrew Laing.

Copyotter was created by Zeltrax. Zeltrax dedicated him to Elsa. Zeltrax noted that Copyotter didn't look scary, but he was a powerful monster. Zeltrax wanted to use Copyotter to regain the trust of Mesogog and frame Trent. Copyotter attacked Reefside's warehouse and encountered Power Rangers.

Copyotter could throw peppers and shells and also fire beams from his eyes. He could also copy Rangers's weapons, fighting abilities or even their voices. Copyotter copied Ethan's Tricera Shield, Conner's Tyranno Staff and Kira's Ptera Grips. He was winning the battle but then he left. Copyotter also met Cassidy and created her clones. Then he was attacked by Trent. Trent identified him as a new monster of Zeltrax.

Copyotter copied his Drago Sword. Then monster teleported away. Copyotter brought Drago Sword to Zeltrax. Zeltrax then destroyed Mesogog's laboratory and left Drago Sword there, successfully framing Trent. When Mesogog found Drago Sword, he decided to destroy Trent. Then Rangers followed the signal of the villain and found Copyotter near the road.

Heroes battled him and tried to use Z-Rex Blaster, but Copyotter copied it and used it against rangers. Trent watched the battle, but he was grabbed by Mesogog. Tommy arrived to aid his friends. Tommy used Brachio Staff against the monster, but Copyotter copied this weapon too and then attacked rangers with it.

Meanwhile, Mesogog tried to kill Trent by absorbing energy from him with special device, but Mesogog turned into Anton and freed his son. Beam of device destroyed the evil begging of White Dino Gem and Trent was free. Copyotter was defeating rangers, but Trent arrived and battled the villain. Copyotter copied speed of White Ranger and easily defeated him, but Trent used Super Dino Mode and defeated the monster.

Mesogog revived and enlarged Copyotter and rangers formed Thundersaurus Megazord. Copyotter successfully fought Megazord, but then rangers summoned Ankylo Zord and finally defeated Copyotter with Double Drill Attack of Ankylo Zord formation. But Copyotter's weapon was salvaged and Mesogog used it to create new Evil White Ranger.

---

Connor McKnight: Copyotter!

Copyotter: Been a while rangers.

Me: I remember you! You were sent to destroy the rangers to help Zeltrax regain the trust of Mesogog and like Taskmaster you have the power to copy techniques, fighting styles and powers.

Copyotter: Yep! Awesome memory

Me: Yeah that was awesome.

Trent: I just want to thank you.

Copyotter: For what?

Trent: If it wasn't for your attack, I wouldn't have left Mesogog. So, thanks.

Me: Talk about a big twist of irony wouldn't you say?

Copyotter: I agree..

Me: Lets see if you can do this. KAAAAA MEEE HAAA MEEE HAAAAAAA!

I fired an energy blast and he did the same thing and the blasts all collided and exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

But the explosion from my blast hit him and knocked him down.

Me: Whoa! That blast was not nearly as powerful as mine.

Copyotter: Nope. Yours was far more powerful.

Me: Sorry about that.

We got the battles underway.

Vakama, Sunset Shimmer, Pipsqueak, Fire Skylanders, Ice Man (X-Men) Top Man and Shadow Man VS Pyro - Nico's rescue at the mall and battling Dark Sarah

---

Pyro was first.

Pyro: (to Vakama) Nico's rescue was at the mall. And he battled Dark Sarah.

Vakama: Yeah that was crazy! Dark Sarah came back and beat the living crap out of Ed and she said something REALLY HORRIBLE and Leni was pissed off beyond all forms of imagination and she really let her have it.

Sunset Shimmer: Boy no kidding! Listen to it.

She played it on her phone.

We heard a loud enraged scream, and then, we heard Ed scream.

Ed: Have mercy, Child of The Netherworld!

Leni: Oh no, I'd recognize that enraged scream from anywhere! (Gasps) ED! Come on, guys, Ed's in trouble!

We rushed out, and we saw Ed being viciously attacked by our old enemy, Dark Sarah, who's come back. Leni fired a gravity blast and it hit Dark Sarah and she was lifted off of Ed. Lincoln and I got Ed back to us, and he used one of his potions to cure Ed's wounds.

Ed: Thanks, Lincoln.

Lincoln: You're welcome, Ed.

Eddy: Lumpy, what happened?!

Ed: Dark Sarah attacked Ed! She still hates me!

Dark Sarah: AND I ALWAYS WILL, I ALWAYS HATED YOU EVEN BEFORE I WAS BORN, AND I STILL DO, YOU'VE ALWAYS BEEN NOTHING MORE THAN A STUPID, IDIOTIC, BRAIN-DEAD MORON! HOW I WANTED NOTHING MORE THAN TO MAKE YOUR LIFE A LIVING MISERY, AND FINALLY, KILL YOU AND YOUR STUPID FRIENDS, AND YOUR GIRLFRIEND'S ALSO AN IDIOT, ALONG WITH HER STUPID AND WORTHLESS FAMILY! (LAUGHING DEMONICALLY)

Suddenly, Lori, Luna, Lynn, Laney, Lana, and Lynn Sr. appeared, and they were really pissed off at Dark Sarah's words.

Luna: I ought to hit you hard in the head with a guitar for that, Mammoth Mouth!

Pyro was shocked!

Pyro: That little mammoth mouth brat! How can she be so cruel! Especially to her own big brother!

Pipsqueak: (British Accent) What she did to Ed shows that she is a heartless monster!

Sunburn: Boy no kidding there! She is a monster in EVERY SENSE of the world.

Ice Man: Boy that is true there.

Pyro: Yeah no kidding. Lets do it!

Vakama used his legend items and got a fire sword and made it rain fireballs and blasted him all over with them and they fired waves of fire and ice and smashed him down.

## Nokama, Rarity, Sweetie Belle, Water Skylanders, SpongeBob, Misfire and Mindwipe VS Dirty Bubble - Battling Another Lupus

## Undead Zodiarts and Another Cargill

Dirty Bubble was next.

Dirty Bubble: (to Nokama) Nico, Girl Jordan's team, Cargill's team, and the others did good battling Another Lupus Undead Zodiarts. And Another Cargill as well.

Nokama: Boy they sure did and we were amazed to hear that the Another Lupus Undead Zodiarts was for the planet Felucia. That planet has lots of plants that cause hallucinations.

Rarity: That planet was really amazing hearing about it. And she has amazing powers that make people go mad.

Sweetie Belle: Yeah no kidding there!

Gill Grunt: Yeah that was awesome and cool.

Dirty Bubble: Wow! That is a really amazing power. Lets do it!

Matau: Really awesome! We went to the Magic Sensei Realm and Twilight Sparkle got The Magical Friendship Alicorn Greatsword of The Magic Skylanders and we battled Evil Twilight and made that monster pay.

Rainbow Dash: Boy it was really awesome.

Scootaloo: It sure was. Lincoln and Twilight really let that monster have it.

Whirlwind: It sure was cool! I can't wait to see what other treasures are in store for each of the Sensei Realms.

Iron Man: I have a feeling it will be fun.

Chemistro: I agree there too. Lets do it!

Matau used his Legend Items and got a Wind Sword and he fired waves of lightning and energy and blasted him all over and they fired waves of wind, rainbows and lightning and smashed him down.

Whenua, Applejack, Apple Bloom, Earth Skylanders, Hulk, Gyro Man and Charge Man VS Goliath - Meeting gene-slammers for Ghostrick Stein and Graydle Dragon

---

Goliath was next.

Goliath: (to Whenua) I heard you guys met gene-slammers for Ghostrick Stein and Graydle Dragon. What are their names?

Whenua: Their names are Emilia Frankenstein and Katara Clearwater and they are both really amazing guardian angels for Lincoln.

Applejack: Emilia is from Germany and Katara is from Italy. They are both really amazing.

Apple Bloom: And their stories are awesome too.

---

Emilia Frankenstein: (German Accent) Whoa, I was right that

Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Katara Clearwater: (Italian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emilia Frankenstein: (German Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Emilia, what memories did you have with Lincoln, and Katara, what's the story on why you hated Lynn with a burning passion?

Emilia Frankenstein: (German Accent) Oh, I remembered this one day in Gym, I was teaching Lincoln some proper weightlifting techniques and I also stood by in case he needed help, and I saw him lift a 900,000,000,000-lb barbell with both hands, and I was so proud of him. I knew how much bigger and stronger he'd been getting, but to see it for myself, I was beyond proud of him, and he really gave me a really strong hug, and I also felt just how much physically stronger he's been getting.

Eli: Whoa, and did he really lift up a…?

Nico: I can confirm that one, Eli, and he did.

Me: And we saw Emilia's face turn atomic red when she saw it.

Lincoln: (Embarrassed) Sorry, Emilia.

Emilia Frankenstein: (German Accent) It's okay, Lincoln.

Katara Clearwater: (Italian Accent) It was proof of how much bigger and stronger you've been getting for the last six and a half years, Lincoln. Okay, now it's my turn, this one time, Lincoln and I were doing our swimming practices in the pool at my house, but then, someone started throwing water balloons and balls at us: Lincoln saw who it was that did the dirty deed: it was Lynn, and she was there laughing at us like the animal that she is. This got Lincoln so pissed off, he fired a blast of water at Lynn, and it got her really angry, she was about to throw a bowling ball at him to kill him, so he and I fired blasts of water and entombed that sore loser inside a water prison. We were about to head out of the pool and call Mr. and Mrs. Loud, but Luna got there and she hit Lynn on the head with a baseball bat and knocked her out, but she wasn't alone: Leni, Lana, Laney, Lucy, and Lily were with her. Eventually, after our swimming practice was over, Lynn got grounded for twelve weeks for what she did to me and Lincoln, and I even called her a sore loser who has no chance of getting into any sports competitions with that kind of attitude.

We cheered.

Nico: Sheesh, Lynn really was a sore loser! And she had the nerve to heckle you guys in swimming, that's an athletic sport!

Lincoln: Not to Lynn, she wanted it to be aggressive and violent. But, Katara was right to say that to Lynn, her sports career would've been brought to an end if that animal inside her hadn't been finally removed and obliterated forever. So, yeah, Katara and I had to put her in her place, and show her if she kept this up, she can say goodbye to her sports career.

Me: And hello to life behind bars for her behavior.

FLASHBACK ENDS

Goliath: WHOA! Their stories are really awesome too!

Flashwing: They sure are awesome.

Hulk: Hulk think Ghost and Water girls are great.

Goliath: I agree there too. Lets do it!

Whenua used his legend items and got an earth hammer and made it rain crystal daggers and slashed him all over and they fired waves of rock, crystal, earth, mud, boulders and apples and smashed him down.

---

Tornado Bolt: It was really explosive.

Stealth Elf: It sure was. J.D. really went all out on them.

El Tigre: He sure did and it was epic.

Titanium Titan: Yeah it sure was awesome from what we heard. Well done to them. Lets do it!

Nuju used his Legend Items and got a Life Sword and made fruit rained down onto Titanium Titan and smashed him all over the place and then they fired waves of fruit, grass, flowers and leaves and ice and smashed him down.

---

Onewa, Starlight Glimmer, Cozy Glow, Undead Skylanders, Thor, Thrust and Starscream VS KGBeast - Nico coming down with a head cold

---

KGBeast was next.

KGBeast: (to Onewa) (Russian Accent) Nico came down with a head cold. Now what are you guys supposed to do without him?

Onewa: Well Nico put J.D. in charge of the team while he recuperates and Nico has May looking out for him too. She is in a really sexy Bikini Nurse outfit.

Starlight Glimmer: It's just a head cold though. He'll be better after the mission is done.

Cozy Glow: Yeah. But we will save him some cake for him.

Hex: Yeah he loves all kinds of cakes.

Thor: Indeed he does.

KGBeast: I'm glad May is looking out for him. Lets do it!

Onewa used his Legend Items and got a skull sword and he fired waves of skulls and energy and smashed him all over and they fired waves of skulls, magic, bones, lightning, stars and energy and smashed him down.

---

## Ripster, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, She-Hulk, Gemini Man and Hard Man VS Abomination - A cake Planet is awesome

---

Abomination was next.

Abomination: (to Ripster) A cake Planet is awesome. Too bad Nico isn't here to enjoy them.

Ripster: Yeah but we promised to bring back some cake for Nico. He loves chocolate and cookies and cream cakes.

Pinkie Pie: It's too bad this planet didn't have the Marzipan Mascarpone Meringue Madness cakes. That would be so delicious for everyone and everypony!

Maud Pie: (monotonously) That is a really delicious cake. All the cakes here are delicious.

Featherweight: Yeah they are amazing cakes.

Sprocket: Boy I'll say! They are awesome too.

She-Hulk: Mary is in absolute heaven. Her aura was intensely powerful on this planet too.

Me: You deserve to be nothing more than a forgotten memory, Krampus. Alright, awesome job, guys, but we're not done yet, there's still the matter of Drakonis, The Crimson Dragon to deal with, and he should be arriving… right now!

Lincoln: There's no mistaking that scent from anywhere, you can come out now, Drakonis.

A massive red-scaled menacing dragon appeared, it was Drakonis, The Crimson Dragon. The dragon fired a blast of fire from its mouth at us, but we absorbed the fire and it made us stronger than ever.

Aurora Tamara: Nice try, but for that little stunt you pulled, I'm going to skin you alive for that!

Suddenly, Aurora Tamara's golden yellow eyes turned neon golden yellow, and she was surrounded by a white and golden yellow energy aura with light, magic, suns, healing magic, and dragons, she unholstered her massive Tamara-themed greatsword from her back, and as she approached Drakonis, she left white and golden yellow energy, light, suns, magic, healing magic, and dragons with every step.

Aurora Tamara: I will never forgive you for the crimes that you've committed against Fa'Diel for many years, too many innocent people have died at your hands or through your Faustian deals, Drakonis, and for that, the punishment for your crimes is death.

Suddenly, Aurora Tamara was surrounded by a massive vortex of white and golden yellow energy with light, magic, suns, and healing magic surrounding the vortex, there's an army of dragons and Tamara, the Good Dragon Goddess of Life, Light, and Mercy flying around the vortex, and in the vortex is a golden yellow phoenix. Then, as the vortex faded, Aurora Tamara emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Aurora Tamara grew from 6'5" to 7'4" in height, she has the body of a goddess, she has golden yellow highlights in the bangs of her long flowing white hair, she has neon golden yellow eyes and a white and golden yellow energy aura with light, magic, suns, healing magic, and dragons surrounding her, she has the Sun in the claws of Tamara emblazoned on her forehead and Third Eye with golden yellow iris, she has on dragon earrings with golden yellow gems for eyes and holding the Life, Magic, Healing, and Eternity Kanjis in its claws, she also has Tamara with golden yellow gems for eyes and holding the Life, Magic, Healing, and Eternity Kanjis in her claws on the bottom of her golden yellow dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with white crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Aurora Tamara felt a sharp pain on her back, and then, her massive white angel wings with golden yellow tips on the white feathers grew much bigger for her new body, she now has eleven massive and long white wolf tails, she has on a Ring of The Phoenix with golden yellow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Aurora Tamara's massive Tamara-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of white and golden yellow energy, light, suns, magic, healing magic, and dragons and when it emerged, it was transformed into Tamara's Solar Magic Life Sunlight Greatsword of Solar Healing Sunlight Justice, it's a brand-new massive greatsword with embedded golden yellow gems and Tamara, the Good Dragon Goddess of Life, Light, and Mercy etched on the 7'0" massive, wide, double-edged white blade, large white dragon heads for the crossguard, large golden yellow gem embedded in the rainguard, longer midnight black handle, four large white dragon heads with golden yellow gems for eyes and a large golden yellow gem below the dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with golden yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Tamara's head with golden yellow gems for eyes and a large white gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Aurora Tamara has transformed into SUPER ANGEL-DRAGON GODDESS-SUN-HARMONY CELESTIAL ETERNAL XELNAGA SOLAR CELESTIAL HEALING LIGHT DRAGON GODDESS ANGEL OF DIVINE SOLAR HEALING CELESTIAL SUNLIGHT JUSTICE AND DIVINE SOLAR HEALING SUNLIGHT DRAGON LOVE!

We were amazed by Aurora Tamara's Super Angel-Dragon Goddess-Sun-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Drakonis saw it, the dragon fell into a rage and fired another blast of fire at her, but she absorbed it and it made her stronger than ever, and she fired a powerful white and golden yellow energy blast with magic, suns, light, healing magic, and dragons at Drakonis, and it exploded as it hit him and he was burned badly, and that really pissed him off now.

Me: Wow, Aurora Tamara's transformed, incredible.

Lincoln: You said, the champion of Tamara, the Good Dragon Goddess of Life, Light, and Mercy is about to administer upon this dragon of evil divine punishment, and Aurora, you look beautiful, how do you feel?

Aurora Tamara: (Divine Echoing Cosmic Voice of The Solar Life Healing Magic Dragon and Divine Solar Life Healing Magic Dragon Love) **I feel incredible, Linky, now shall we put an end to this dragon of evil once and for all?**

Lincoln: (Smiles) With pleasure, Aurora.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Aurora Tamara.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You don't deserve to live a second further, Drakonis, and now, it's time for you to die.**

Aurora Tamara and Lincoln went after Drakonis, and they fired extremely powerful blasts of rainbow energy, white and golden yellow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Drakonis and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Aurora Tamara and Lincoln fired blades of golden yellow sunlight at Drakonis, and they slash at him and he was burned by the sunlight, and they also slashed off his wings and he screams in pain.

Me: Ooh, now that's got to hurt.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Aurora Tamara, her hand-cannon Blaster is known as Tamara's Solar Light Dragon Goddess Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's white with golden yellow flames on the blaster and with a Phoenix, Angel, and The Good Dragon Goddess, Tamara, surrounded by sunlight etched on the sides, and a yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Aurora Tamara fired blasts of rainbow energy, white and golden yellow energy, and elemental forces at Drakonis and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln ran at Drakonis and as he bit him hard on the neck with his fangs, Lincoln then began sucking out every last bit of Drakonis' blood and Lincoln was also assimilating Drakonis' incredible dark powers and overwhelming physical strength. Suddenly, Drakonis' color was draining fast and his body began shriveling up as Lincoln continued draining the dragon, and as soon as Lincoln was done, Drakonis was now a desiccated corpse completely drained dry of blood and life, and Lincoln drew the Judgement Kanji on him and Drakonis was erased forever by The Black Gates. We cheered as Aurora Tamara and Lincoln holstered their massive greatswords on their backs and powered down, and Aurora Tamara's new body, clothes, weapons, jewelry, Third Eye, eleven massive white wolf tails, and massive white angel wings are permanent.

Aurora Tamara: That'll teach you, you heartless tyrannical monster. Thanks for helping me destroy Drakonis, Linky.

Lincoln: (Smiles Warmly) You're welcome, Aurora.

Suddenly, Aurora Tamara wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Tamara's face, they kissed passionately as Aurora Tamara's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Tamara flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and light shining down on them and we cheered wildly. Lincoln and Aurora Tamara came back to us as the display and Tamara vanished.

Me: Wow, guys, you really handed down some divine punishment on Drakonis, awesome.

Lincoln: And in the end, I did to him like I did to Malcho.

Eli: Yep, he wound up as food for you, and we know who we're meeting tomorrow, right, Lincoln?

Lincoln: Oh yeah, Isabella Lupa, Gene-Slammer of Ghostrick Warwolf for Day 3 of The Skylands Treasure Hunt.

We went to the winner circle and got a crystal cake trophy and it had a crystal planet on top of it.

Titanium Titan: Looks like it's the end of Krampus.

Puff: We just killed a legendary monster. I think we should be proud of ourselves.

Me: Yep.

Abomination: He definitely wasn't as tough as me!

Spymaster: Let's get these cakes back to Nico.

Griffin: He can eat them tomorrow.

Me: Okay.

We got his favorite cakes: Chocolate and Cookies and Cream.

Sunset Shimmer: (To the viewers) Cakes are so good and they are a favorite for everyone.

Qin: Yes they are.

Me: But great job today everyone. Lets head back.

We went back to the ship. We later told Nico and May everything and just like that he was better after the mission and we went back home to Earth and enjoyed the rest of the day.

Later it was time for the lighting of the first candle of day 1 of Hanukkah. Libby has the honor of lighting it.

Libby: (Speaking in Hebrew) בָּרוּךְ אַתָּה אֱלֹהֵינוּ שׁוֹטֵר הָעוֹלָם, שֶׁמְּקְדְּשֵׁנוּ בְּמִצְווֹתֶיךָ, וּמְצַוָּהֵנוּ לְהַדְלִיק אוֹרוֹת הַחֲנוּכָּה. בָּרוּךְ אַתָּה אֱלֹהֵינוּ, שְׁלִיט הָעוֹלָם, אֲשֶׁר עָשִׂיתָ נסים לאבותינו בימיו בעונה זו. ברוך אתה, אלוהינו, שליט היקום, על שנתת לנו חיים, על כך שאתה מקיים אותנו ועל כך שאפשרת לנו להגיע לעונה זו. בָּרוּךְ אַתָּה אֱלֹהֵינוּ, שְׁלִיט הָעוֹלָם, אֲשֶׁר עָשִׂיתָ נסים לאבותינו בימיו בעונה זו. (Blessed are you, Our God, Ruler of the Universe, who makes us holy through Your commandments, and commands us to light the Hanukkah lights. Blessed are you, Our God, Ruler of the Universe, who performed miracles for our ancestors in their days at this season. Blessed are you, Our God, Ruler of the Universe, for giving us life, for sustaining us, and for enabling us to reach this season.)

She lit the first candle and the first day of Hanukkah was on.

Me: Day 1 of Hanukkah has begun. On December 26th it will be the final day.

Nico: We'll have a double commemoration for that day. But J.D. you did really well commanding in my absence.

Me: Thanks Nico. It was fun. But the best part is we had lots of fun on all these races for the Christmas Season.

Lola: Yeah those were some awesome planets.

Qin: They sure were.

May: Yeah.

And with that we later went to sleep.

and Lily along with Sabrina Mason, Sailor Mercury, Yumi Davenport, Captain Spitfire, and Balto and Dark Laser, Space Kook, Warrada, Aghoul, A Darkside Heartless and Asriel Dremurr and we were there for another awesome and fun rescue. Lizzie Strong was already with the team and she is part of Sabrina's group. Nico was feeling much better now.

Me: How are you feeling Nico?

Nico: Much better. That was a really nasty cold there. But May did a really good job there taking care of me.

May: (Giggles) I'm glad you are better now Nico.

Laney: We're glad and your sexy nurse outfit was really awesome.

Eli: Boy I'll say.

We laughed.

Lizzie Strong: That was so awesome though.

Qin: It sure was. Man those races that we had this entire week were some of the most fun ever.

Applejack: Boy they sure were. We had more fun than a June Bug in a Porch Light Sale.

Xenia: Those were really awesome.

Sabrina Mason: We all had so much fun on all of them.

Camie: I'll say!

Zuria: I've never won any races or anything like that before. So those were my first ever races I won with all of you.

Me: And you're off to an awesome start on your trophy collection Zuria.

Zuria: I sure am.

Nico: Sabrina, I want to thank you, Dark Laser, and your teams for coming today.

Sabrina Mason: No problem Nico. And it is awesome that we're going with you guys.

Spitfire: It sure is. And I'm honored that I get to go with you guys too.

Me: We all are honored to have you with us Captain Spitfire.

Eli: Same here.

Nico: Also J.D. thank you guys for those awesome cakes. I loved them both.

Me: Boy you ate those whole things in one sitting for breakfast. But you earned it.

May: You sure did. Those were both awesome cakes.

Qin: Boy they sure were.

Sailor Mercury: I thought they were absolutely delightful for you.

Lola: We all did.

Nico: Ami, is it true that you've died in the past?

Sailor Mercury: I sure did and that was really awful. I was killed during the battle with Queen Beryl and it was awful.

Me: Queen Beryl is gone now.

Lola: Yeah that witch deserved it.

Xenia: She deserved the Black Gates too.

Camie: Yeah.

Me: We're sorry that happened Ami. But at least you are back now.

Sailor Mercury: Thanks guys.

Takeru: I feel your pain, Ami.

Me: Yeah that was awful. Takeru was killed and he turned into Kamen Rider Ghost as a result. But he is back too.

Qin: Yeah all the Sailors feel the same way. They told me that they too died before in that battle as well.

Laney: Shanan told us that too.

Sailor Mercury: I can tell. But I'm glad that she didn't let us die again.

Me: Thanks to her knowledge and experiences with the creatures that she saw in Beryl's forces as well as her knowledge of every creature in the entire universe you all were able to triumph over her the first time.

Nico: That's for sure.

Sailor Mercury: Indeed and she helped us all greatly.

Xenia: That is true.

Camie: What were those adventures like?

Me: Really epic. My daughter Shanan, Lincoln and the Sailor Soldiers took down all of Queen Beryl's forces and even helped redeem some of them.

Nico: It's true. I wasn't with the team back then but it was great. Can you tell me what it was like?

Me: Sure.

I went over everything that happened from chapters 218 to 226 and it was awesome.

When I was done everyone was amazed.

Nico: WOW! So that's how Shanan helped you guys and man I didn't know about what Lincoln and his sisters did in that one.

Qin: That is cool!

Maria: Those cakes were very tasty.

Me: Boy they sure were. Man those were delicious.

Nico: Boy all the food planets we went to these last few days were delicious and tasty.

Fu: Boy I'll say! Especially the Eggnog and Apple Cider Planets.

Sunny Starscout: My favorites were the Cake and Cookie planets.

Me: Boy those were awesome. I liked the Pancakes and Waffles Planet too.

Nico: Boy so did Nora! She ate lots of Pancakes there.

Lola: Boy those were awesome.

Lana: I'll say!

Zocks: May, just because Nico was sick didn't mean you had to remain behind.

May: I know but it's my vow to help Nico out in his times of sickness and in health.

Zocks: Oh right the Sacred Vow of marriage. That is true devotion there.

Qin: Yeah that is so awesome.

Me: May is a great wife to Nico.

Nico: Aww thanks guys. But stop. (Laughs and blushes) You're embarrassing me.

Me: Sorry. But it's true.

Nico: But J.D., thanks for filling in for me when I was sick.

Me: Aw it was no problem Nico. Besides it was fun. Also we had a really fun time on all those races and all those food planets.

Qin: Boy we sure did and we stopped lots of dangerous villains too.

Xenia: Yeah no kidding.

Luan: Those were really awesome.

Me: I'll say.

Dark Laser: Flipsy, stay close to me so you don't get lost.

Flipsy barked.

Qin: Aww.

Luan: Wow, this is really awesome that we're touring the condiment factory. Just hope it doesn't end in a saucy disaster.

We laughed, but her siblings groaned.

Me: (LAUGHS) That was funny!

Eddy: That was a good one.

Nico: Not for most of us.

Pinkie Pie: Oh come on Nico that was funny!

Nico: Yeah it was.

Lincoln: Yeah, we can't forget the incidents that've occurred here in this factory.

Me: But those may have been messy ones but they were tasty ones.

Suddenly, Eddy was grabbed by someone and he was getting the crap beaten out of him by someone with a shovel!

WHAM! SMASH SMASH SMASH SMASH!

And Luan fired a blast of light that forced the figure off Eddy, and Lincoln gave Eddy a potion he made, and Eddy was cured.

Me: GEEZ!

Eddy: Thanks, Lincoln, but who the hell was that?!

?: You should know, Dorky!

Eddy: Oh, Hell No!

Me: Uh oh!

We then saw who it was that attacked Eddy: it was Dark Kevin, and he was pissed!

Me: Dark Kevin!

Qin: Oh man! First Dark Sarah and now Dark Kevin!

Laney: A Dark version of Shovelchin!

Dark Laser: I got this!

Dark Laser hurled his lightsaber sword like a boomerang at Dark Kevin.

He ducked and it slashed open a vat full of nuclear spicy hot sauce and it poured all over him and BURNED HIM LIKE ACID! He screamed in excruciating agony!

Qin: OOH! OUCH!

Me: That is gonna really sting!

Nico: Yikes!

Me: How about you get lost!

Nico: Yeah!

Me: So piss off shovelchin!

Eddy: Yeah you squareheaded jerk!

Dark Kevin: YOU STUPID MISERABLE LITTLE DORK! I SHOULD'VE FUCKING KILLED YOU BACK IN PEACH CREEK, YOU'RE NEVER GOING TO BE NORMAL, YOU WILL ALWAYS BE A STUPID DORK, AND YOUR GIRLFRIEND IS A METAL-FACED FREAK, AND YOU BOTH DESERVE TO DIE HERE, BECAUSE

THAT'S WHAT FREAKS LIKE YOU DESERVE! (LAUGHING CRUELY)

We gasped and we were BOILING MAD WITH RAGE!

Those things Dark Kevin said about Eddy were so horrible and so disgusting, it really pissed off Luan badly as we saw her face turn red!

Luan: WHY DON'T YOU SHUT THE HELL UP, YOU SHOVELCHINNED SQUAREHEADED JERKFACE!

We gasped.

UH OH!

Eddy: And one more thing!

Eddy blasts Dark Kevin in the face with his blaster. IT BURNED HIS EYES!

Eddy: No one insults my girlfriend and gets away with it!

Space Kook: Now you're in for it!

Eli: Big time!

Suddenly, something within Luan's mind snapped as the memories of what Eddy went through due to Dark Kevin's constant bullying and abuse, along with Dark Sarah's, and Lee Kanker rushed through her head, and her blue eyes turned neon blue and she was surrounded by a rainbow energy aura with light, fairies, and light animals, she unholstered her massive Sulis' Celestial Comedy Rainbow Light Greatsword of Comedic Light Justice from her back, and as she approached Dark Kevin, she left rainbow energy, light, fairies, and light animals with every step.

Luan: I've had it up to hear with you for the last time, it's bad enough that you've bullied and beaten up Eddy for your own sick amusement, but you know what, you don't even care if he died, you're an evil, selfish, garbage-brained, shovel-chinned, square-headed jerk who gets off on bullying others. (SUDDENLY GETTING

EXTREMELY PISSED OFF) But, what you just said about my boyfriend and me, and that you said it with absolutely zero remorse or regard for anyone's feelings… , YOU'VE JUST CROSSED ONE LINE TOO MANY, SHOVEL-CHIN, EDDY'S NOT THE DORK HERE, YOU ARE, AND FOR THAT, I'M GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE! YOU MESS WITH ME AND EDDY, AND YOU WILL PAY BIG TIME!

We gasped at the sheer extent of Luan's rage: Dark Kevin crossed a big line, and that dork's going to pay for it big time.

Lincoln: Oh man, as if what Lee did to really piss Luan off months ago wasn't bad enough, but now, because of what that Dark version of Kevin just did in beating up Eddy and saying some really evil and horrible things about him and her, he's crossed it, and now, Luan's going to kill him! STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Dark Kevin ran at Luan to cruelly kill her and make Eddy suffer, but Luan screamed like a madwoman and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of light and energy and she was surrounded by a massive vortex of rainbow energy with lights surrounding the vortex, and the force of the vortex sent Dark Kevin flying into a nearby vat of ketchup, there are light animals and fairies flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Dark Kevin: the eyes of death. Then, as the vortex faded, Luan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Luan remained tall at 7'4" in height, she had the body of a goddess, the weighted yellow bands on her biceps and thighs with silver phoenixes now had gold metal bands around them, she now has nine large yellow orbs orbiting around her legs, she has yellow highlights in the bangs of her long light brown hair tied in a ponytail, she has neon blue eyes and a rainbow energy aura with light, fairies, and light animals surrounding her, she has a rainbow fairy holding the Light Kanji in their hands and The Sun above her head emblazoned on her forehead with Third Eye and rainbow iris, she has on fairy earrings with yellow gems for eyes and the Light and Eternity Kanjis in her hands and her Crystal Necklace of the Buddha with yellow gems on the Sun-shaped gold links and yellow crystal links and a yellow fairy-shaped Element of Harmony and on the bottom of the Element of Harmony is a fairy with yellow gems for eyes and holding the Light and Eternity Kanji in her hands for the pendant, she has on a sleeveless white shirt with yellow phoenix on it, yellow skirt with light animals on it, white leather ankle-length combat boots with suns for the buckles, and a long white sleeveless trenchcoat with light animals on the coattails and suns on it, and on the back are light animals surrounding The Sun. Suddenly, Luan felt a sharp pain on her back, and then, her massive light brown angel wings with yellow tips on the large light brown feathers, grew much bigger for her new body and she now has eleven massive and long light brown wolf tails, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and her Yellow Lantern Corps ring on her left ring finger, her cutie mark's on her right shoulder, and she has on yellow fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Luan's massive Sulis' Celestial Comedy Rainbow Light Greatsword of Comedic Light Justice and all the swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of rainbow energy, light, rainbow fire, and light animals, and when it emerged, it was transformed into Sulis' Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice, it's a brand-new greatsword with embedded yellow gems and the Celtic Goddess of Light, Sulis, and etched on the 7'0" massive, wide, double-edged golden blade, large white angel heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large gold fox heads with rainbow gems for eyes and in their mouths and on the bottom of the fox heads is a large rainbow gem for the pommel, she has on her brand new gold cuff Bracelets of the Champions of The Universe with large rainbow gems on her wrists, her gold Belt of Elemental Bravery with gold fox head and rainbow gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the light animals surrounding The Sun that said, "Luan Loud, Fourth Born and Fourth Eldest of The Loud Family, Loving Sister of Her Many Siblings, Loving Fourth Eldest Daughter of Rita and Lynn Sr., Loving Girlfriend of Eddy, Loving Mother of Lensay Loud, Descendant of 17th Century Jester Luan of Loch Loud in Scotland, Archenemy of Vypra, Destroyer of Dark Luan, Morag McLaughlin, Lee Kanker, Dark Kevin, and Kyūbi, Amazing Member and Talented Prankster of Team Loud Phoenix Storm, Emissary and Champion of Sulis, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Defender of The Loud House and The Loud Family, and Master of Light and Laughter"

ルアン ラウド、ラウド家の4番目に生まれ、4番目の長男、彼女の多くの兄弟姉妹の愛情深い姉妹、リタとリン シニアの4番目の長女、エディの愛情深いガールフレンド、レンセイ ラウドの愛情深い母、17世紀の道化師ルアン オブ ロックの子孫ラウド イン スコットランド、バイプラの大敵、ダーク ルアンの破壊者、モラグ マクラフリン、リー カンカー、ダーク ケビン、キュービ、チーム ラウド フェニックス ストームの素晴らしいメンバーでありオ能あるいたずら者、スリスの使者でありチャンピオン、悪の破壊者、錯乱した殺人者、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、ラウドハウスとラウドファミリーの擁護者、そして光と笑いの達人

Luan Loud has transformed into SUPER ANGEL-FAIRY-LIGHT ANIMAL-HARMONY CELESTIAL ETERNAL XELNAGA CELESTIAL COMEDIC SOLARSTORM FAIRY ANGEL OF DIVINE CELESTIAL LIGHT COMEDIC JUSTICE AND DIVINE SOLAR COMEDIC LIGHTSTORM LOVE!

We were amazed by Luan's Super Angel-Fairy-Light Animal Harmony Celestial Eternal Xelnaga transformation and when Eddy saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dark Kevin saw it, he went mad and rushed at her to kill her again, but Luan fired a powerful rainbow energy blast with light, light animals, and fairies, and it hit the dork and he hit another vat and mustard spilled on him, and it pissed him off now.

Luan: (Divine Echoing Cosmic Voice of The Celestial Comedic Solar Light Angel of Justice and Divine Celestial Light Comedic Love) **Pissed off, you should be. Now, it's time for you to get your pun-ishment!**

Me: And it's going to be EXCRUCIATINGLY painful!

Space Kook grabbed Dark Kevin by the collar.

Space Kook laughed ominously!

He punched Dark Kevin in the face with powerful brutality!

BLAM BLAM BLAM BLAM BIFF!

He threw him to Luan.

Luan went after Dark Kevin, and she fired powerful blasts of rainbow energy, light, colored lights, light animals, and fairies and they exploded as they hit Dark Kevin, then, she attacked him with slashes from her massive greatsword, leaving scars on him, and it really pissed him off.

He screamed in excruciating pain!

Eli fired waves of Force Lightning and Electrocuted him.

Luan: (low, threatening voice) **You're a bad boy, Dark Kevin.** (Cut to him.)

Dark Kevin: (giddy) I know!

(That was the last straw. Luan screamed in rage and began giving him a massive and brutally painful beating. He lands at Luan's feet; the camera is at floor level next to her.)

Luan: (sounding like Dirty Harry) **What's going on here? What? Huh? Oh, what, you going for something?** (His eyes dart aside;

pan over slightly to Eddy.) **You going for that?** (Back to Dark Kevin.)

Dark Kevin: (moaning) No.

(Cut back and forth between the two.)

Luan: **You want some more, man?**

Dark Kevin: Uh, I wasn't.

Luan: **You do?**

Dark Kevin: No.

Luan: **Yeah?**

Dark Kevin: No.

(Her foot slams down in his face, and the beating resumes. She was MERCILESSLY BEATING HIM UP TO PULP!)

She was REALLY TEARING HIM APART!

Eddy: Time to go for a headshot!

Suddenly, Luan grabbed Dark Kevin by the neck and she tossed him into the air, and she fired a massive Kamehameha wave made of rainbow energy, and it hit Dark Kevin.

Dark Kevin: YOU DORKS HAVEN'T SEEN THE LAST OF MEEEEEE!

The blast exploded and Dark Kevin was sent to The Black Gates. We cheered wildly as Luan holstered her massive greatsword on her back and powered down, and Luan's new body, clothes, weapons, jewelry, Third Eye, and eleven massive light brown wolf tails are permanent.

Dark Kevin was no more!

Qin: WHOA!

Camie: That was awesome!

Lola: Take that Dark Kevin!

Xenia: Yeah!

Lola: Good riddance to that Shovelchinned loser!

Xenia: Yeah no kidding.

Luan: Aw thanks guys. It was nothing.

Me: Now Dark Kevin is nothing but a forgotten memory.

Qin: Yep. But we still have 3 more to face.

Maria: But who will come first?

Then we heard a rolling noise.

Me: I think THAT!

We saw a huge black ball ROLLING AT US!

Nico: DIVE ASIDE!

We did so and it rolled in front of us.

It was a black version of an Arburian Pelorota! It was ANOTHER CANNONBOLT!

Qin: Whoa Another Cannonbolt!

Lola: Wow!

Me: This one will ROLL you down!

Luan: (LAUGHS) Good one J.D.!

Me: Thanks. But who are you?

Another Cannonbolt: (In a girls voice) Eli knows me.

Eli: (GASP) That voice. Rachel Quviasukvik?

Another Cannonbolt: That's right.

J.D. 4: (Through my crest on my forehead) I did not expect Rachel to be Another Alien next.

Me: Do you know her?

J.D. 4: I sure do. And she is Eli's Eskimo Friend from the North Pole. She is someone that loves Christmas dearly and loves it more than any other holiday.

Qin: Wow!

Me: That is really awesome.

Another Cannonbolt: But it's great to see you again Eli.

Eli: Same here Rachel. Just not like this.

Another Cannonbolt: I know.

Albedo turned into Negative Cannonbolt.

Negative Cannonbolt: Did Swartz promise you anything?

Another Cannonbolt: No he didn't. I don't even know what I wanted.

Me: Well he must've figured you wanted something. But Christmas is right around the corner so maybe it has something to do with that.

Another Cannonbolt: Hmm. Yeah I'll think of something.

Me: But we still have to save you.

Eli: I will do it bro.

Nico: Okay.

Lola: Here we go.

Nico: (gets out Carmen Dillo's Ridewatch) Let's roll!

Nico activated it and curled into a tight ball.

Nico: J.D. kick me hard.

Me: Okay. One soccer kick special coming up.

I went and kicked Nico and sent him flying and he smashed into Another Cannonbolt and hit her on her head!

SMASH!

Eli then fired an energy blast and it hit Another Cannonbolt and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Ridewatch and purified it.

Eli went over and Rachel was a girl with brown hair and a black fur parka and black fur pants and boots.

Me: A little too warm in here for those clothes.

Nico: But perfect for her outside.

Eli picked her up and brought her over.

Rachel Quviasukvik: (Groans) What a headache.

Me: But you're back to normal.

Eli: Thank goodness.

Nico: (laughs) Now, I know how to help Lynn with soccer games!

Me: That was cool though! Hope I didn't kick you too hard.

Nico: Nah I'm used to it.

Lola: Good.

Me: We have 2 more to go.

Then the Kyutama for Ursa Major the Great Bear started glowing.

Me: The Kyutama for Ursa Major is glowing.

Nico: That means the next Undead Zodiart is for Ursa Major the Great Bear.

Me: Kotaro Sakuma's constellation.

Qin: Yep.

Nico: Who's up next?

Varie: I'll go next.

Me: First we got to know who we are up against.

Eli: I think that one!

We saw a figure and it was ANOTHER URSA MAJOR UNDEAD ZODIARTS! It looked like a mixture of Polar Bear Fangire, Ka-Ching, Bear Mozoo, Grizzaka and Axe Bear!

Qin: Whoa! This one is interesting!

Me: Another Ursa Major Undead Zodiarts!

Qin: Wow!

Lola: Okay who are you!?

Another Ursa Major Undead Zodiarts: (In a girls voice) I believe you are familiar with me J.D.

Me: (GASP) That voice!

She reverted back and it was a Sailor Soldier in red and green clothes and had blond hair.

Me: (GASP) Natilee Ursus A.K.A. Sailor Wayland!

Nico: Whoa! Wayland's Sailor Soldier!

Eli: Wow! That planet was home to the Battle of Wayland during the Clone Wars. It was home to the Battle between the Galactic Republic and the Confederacy of Independent Systems.

Sailor Wayland: That's right Eli. Good history there.

Eli: Thanks.

Nico: How do you know her?

Me: Natilee Ursus is my friend from science class. She was born on the planet Wayland and she has an amazing power over nature and life and knows so much about plants. She is also the Sailor Soldier for the planet Wayland.

Nico: Wow! That is cool! So she must've been teleported to the future for protection right?

Me: Yep.

Maria: Winter time must not be your strong suit.

Sailor Wayland: Just because bears hibernate this time of year doesn't mean I am one.

Qin: Oh.

Me: Yeah. Are there any other opponents with you?

Sailor Wayland: Actually yes. It's Another version of him.

She pointed to Dark Laser.

Dark Laser: Another version of me!? That's crazy!

Nico: No kidding! But it's likely.

Qin: Yeah.

Varie: Sorry we have to fight like this but it's to save you.

Sailor Wayland: I know. Come at me.

She turned into Another Ursa Major Undead Zodiarts!

Varie fired waves of energy and it hit her and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse card had a picture of a bear on it and the symbol and stars of the constellation of Ursa Major on it.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those marked with the constellation of Ursa Major.

I went over and picked up Sailor Wayland and brought her over.

Sailor Wayland: (GROANS) What a headache.

Me: But you're back to normal.

May: Hostile or friendly?

Sailor Wayland: Friendly. And she used to be a Sith.

Me: Really!? Whoa.

Eli: Right there?

We saw a figure come out and it was a dark version of DARK LASER! It was ANOTHER DARK LASER!

Qin: Whoa man!

Me: Another Dark Laser!

Eli: Whoa!

Nico: And you are?

Another Dark Laser: (In a girls voice) I believe that J.D. knows who I am.

Me: (GASP) Hera Hettera!

Another Dark Laser: That's right.

Me: Boy I didn't expect you to be turned into Another M.O.E. Member.

Qin: You know her?

Me: Yep. Hera is originally from the planet Byss. She was one of Palpatene's apprentice's. She was the youngest ever apprentice he took under his dark clutches. Years ago I went to the planet Mustafar and like Anakin and Obi-Wan we fought with everything we had and I came out on top by pinning her to a wall and I made her listen that Palpatine was using her and I saved her from herself.

Nico: WHOA!

Camie: That's incredible!

Kaito: (Gets out Ex Aid gear) Did Swartz promise you anything?

Zocks: (Gets out Build gear) Because we can grant it instead.

Another Dark Laser: Just to redeem myself for all the bad things I did as a Sith Lord.

Maria: The Redemption Squad can easily help you out with that one.

Qin: Yeah Hera. You are already on the road to redemption thanks to J.D.

Lola: Yeah.

Another Dark Laser: That is true. But save me from this.

Me: You got it.

We got ready. Zocks got a Fullbottle Sword and Kaito got a Gashat sword.

Qin: Cool!

Sougo: (gets out Kiramager Ridewatch) It's like fighting Darth Vader again!

Geiz: (gets out Kyuranger Ridewatch) Which is why I'm using this!

Sougo got KiramaiRedArmor while Geiz got ShishiRedArmor.

Me: It sure feels that way.

Eli: (IGNITES LIGHTSABER) I'll say!

Qin: This is gonna be awesome.

Eli fired waves of Force Lightning and knocked her down.

Sailor Mercury: MERCURY AQUA RHAPSODY!

She fired waves of water and blasted down Another Dark Laser.

Nico: (gets out Dark Laser's Ridewatch) Think you know the power of the Dark Side? Guess again!

Nico activated it and used the Dark Side of the Force and threw numerous boxes at her and smashed her all over.

Me: Nice one!

Nico: And this. (ACTIVATES SPOOKY SPACE KOOK'S RIDEWATCH)

Nico glowed in a scary aura and he laughed ominously in a laugh that would scare the shit out of Shaggy. He then fired waves of energy and smashed her down.

Box Ghost and his team came and it had Box Ghost, Superfriends Scarecrow, Byruit, Dark Troll, Jake Steele/Fred Flintstone And Gravitational Spring.

Nico: Nice team, Box Ghost!

Box Ghost: Thanks Nico.

Qin: Yeah awesome.

Sailor Mercury: My turn!

She activated her Ridewatch for Spooky Space Kook and fired waves of energy and smashed her down.

Qin: Awesome!

Maria: The next gene-slammer should be close.

Nico: She should be here any minute now.

?: How about right now?

An Alakazam appeared.

Nico: Whoa an Alakazam!

Alakazam: (In a girls voice) Not just ANY Alakazam, Nico.

Nico: Melanie Luna!? Whoa!

Alakazam: The one and only. I got this.

She fired a Psybeam and it hit Another Dark Laser and smashed her down and I caught the ridewatch and purified it and it was for Sabrina Mason and Hera was back to normal. I went over to her and she was a girl with orange hair and black clothes and had a red bladed lightsaber. I picked her up.

Hera Hettera: (Groans) My head.

Me: But you're back to normal.

I brought her over.

Dark Laser: You can keep the lightsaber and its' colors.

Hera Hettera: Thanks.

Sailor Mercury: That was amazing though.

Alakazam: Thank you. Also my favorite memory is when me and Nico were at lunch and we saw a kid being picked on and I demonstrated my powers to make people go nuts and insane. I made him go mad by having him see his fears torture and destroy him from the inside and he was taken to an insane asylum. His fears were eating him alive even though they weren't there.

Nico: Yep.

Me: Whoa that is a lethal power.

Nico: Yeah it sure is.

Alakazam: Yeah.

Sailor Mercury: I was just about to ask what your favorite memory was.

Alakazam: Yeah I have the power to read minds. Can you revert me back now? But I'm naked as well.

Nicole: Oh boy. Sure thing. But no peeking boys or else!

I put on my glasses and then snapped my fingers and the boys covered their eyes and she was reverting back.

Nico hugged Melanie as she reverted back.

She was a girl with magenta hair and magenta eyes and had a third eye in the middle of her forehead. The fashion brigade moved in and gave her awesome magenta clothes and they were cool.

Melanie Luna: Cool! This outfit looks great!

Rarity: Oh it sure does darling.

Nico and Melanie hugged.

Nico: I've really missed you.

Melanie Luna: Same here Nico. Same here.

It was an awesome reunion.

Melanie Luna: You're thinking right now about what Poromon and the other Mascots are up to right now.

Nico: I have a right to be concerned, Melanie! I'm sure you probably found out in my mind the last time I left Poromon and Poliwag alone!

Melanie Luna: Yes I am.

Nico: Yeah.

We went back home.

And we're also going to destroy Striker, the secondary antagonist of Helluva Boss, and he's still out to kill the I.M.P. Crew, fat chance of that happening.

Lincoln: Wow, we're here in The Sensei Fire Realm for Day 3 of The Skylands Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the seven girls here, but Sunset Shimmer is going to get a powerful treasure there: a powerful greatsword known as The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders.

Nico: You got that right, plus, we're also going to destroy an assassin named Striker, who's still out to kill the I.M.P. crew.

Loona: (Growls) If that dumbass assassin thinks he can still get away with trying to kill us, he's going to get a bullet lodged in that ugly head of his.

Me: Sheesh, and this guy is really bad news.

Lincoln: Loona told me that Striker was hired by Stella Goetia to kill Stolas Goetia, and also, kill I.M.P. Seems as though she's still full of hatred for us for what happened to the Three Overlords.

Sherlock Hound: (British Accent) She's indeed full of spite towards Blitzo and his organization, but this is sure to anger her even more when we kill her hired assassin and send his headless corpse back to her. But, if it comes to that, I'll gladly remind her of the fate that awaits her.

Lincoln: Excellent idea, Sherlock Hound, and I want to thank you and your team for joining us, Anakin.

Anakin: You're welcome, Lincoln.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Snake Nazca Line and Earthbound Immortal Cuauhcoatl were now glowing, four days ago, the Cat, Heron, Alligator, and Tree Nazca Lines and corresponding Earthbound Immortals Qhoa, Huacachina Kon, Ccomnosuma, and Ccgojuru glowed.

Lincoln: And another day down means that Audrey's life is already growing shorter. Plus, I didn't even bother to check the timer four days ago.

Nico: That's alright, besides, we know what's going to happen to Audrey Madison: death and sent to The Black Gates.

Sunset Shimmer: Yep.

Just then, the rest of the Fire Skylanders arrived.

Eruptor: Mind if we join in and roast that monster?

Sunset Shimmer: You got it, Eruptor.

We then arrived at a red-colored shrine with the symbol of The Fire Skylanders on it, and then, the Magic symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders, a powerful massive greatsword with red and orange gems representing the Fire Skylanders embedded in the 7'0" massive, wide, double-edged red blade, large alicorn heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large orange gem on the bottom of the alicorn heads for the pommel.

Sunset Shimmer: Wow, so that's The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders, it truly is perfect for me, since I'm The Princess of Forgiveness and The Fire Skylanders.

Suddenly, we saw Ghostrick Warwolf and Masterflare Hyperion appear before us, and with them are the seven girls.

Nico: Whoa, Ghostrick Warwolf and Masterflare Hyperion!

Ghostrick Warwolf: (Girl's voice) That's right.

Masterflare Hyperion: (Girl's voice) (Chinese Accent) And we got the girls away from that despicable monster, Striker.

Lincoln: (Gasps) Those voices, Isabella Lupa and Lua Foo, it's so awesome to see you both again, but we'll talk later, we still got Striker to deal with.

?: I hope all of you are ready to die at my hands!

Loona: (Growls) Yep, there's no mistaking that voice, get out here right now, Striker!

We then saw our target, Striker, and he had his guns out.

Striker: Stella Goetia's going to pay me a huge bounty once I deliver her all of your heads!

Suddenly, a raging storm with demonic red lightning appeared, and we saw Sherlock Hound's blood red demon eyes glow even more, and we knew it meant death.

Sherlock Hound: (British Accent) So, the matriarch of The Goetia Family's put out a bounty on our heads?! Sunset Shimmer, grab the greatsword so that way, we can end this lowlife, before I send my message to her… in the cruelest and most violent way imaginable!

Sunset Shimmer: Yep, and you've really crossed it now!

Sunset Shimmer went up and grabbed The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders. Suddenly, Sunset Shimmer's jade green eyes turned neon jade green, and she was surrounded by a red and yellow energy aura with Alicorns, flames, suns, and phoenixes, she unholstered her massive Sunset Shimmer's Firestorm Alicorn Greatsword of The Sun's Forgiveness from her back, and as she approached Striker, she left red and yellow energy, Alicorns, flames, suns, and phoenixes with every step.

Sunset Shimmer: There can be no forgiveness for the crimes that you've committed, Striker, you've plotted with Stella Goetia to kill Stolas Goetia along with I.M.P., but now to find out that she's put out a bounty on our heads for what happened to the Three Overlords, Velvet, Vox, and Valentino, that's indeed an act that can never be forgiven. Striker, as Equestria's Princess of Forgiveness and The Fire Skylanders, I hereby sentence you to death for your crimes.

Suddenly, Sunset Shimmer was surrounded by a massive vortex of red and yellow energy with flames and suns surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is an orange phoenix. Then, as the vortex faded, Sunset Shimmer emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sunset Shimmer grew from 6'11" to 7'4" in height, she has the body of a goddess, she has red and yellow highlights in the bangs of her long red and yellow hair, she has neon light green eyes and a red and yellow energy aura with Alicorns, flames, suns, and phoenixes surrounding her, she has an Alicorn with the Fire Kanji and a Sun on its horn emblazoned on her forehead and Third Eye with jade green iris, she has on Alicorn earrings with red gems for eyes and holding the Fire, Forgiveness, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with red gems for eyes and the Fire, Forgiveness, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Sunset Shimmer is dressed in a sleeveless red blouse with yellow flames on it and a red and yellow phoenix, black pants, gold high-heeled boots, and a long white sleeveless trenchcoat with suns and yellow flames on the coattails, and on the back is an Alicorn surrounded by flames and right on top of its horn is the symbol of The Fire Skylanders. Suddenly, Sunset Shimmer felt a sharp pain on her back, and then, her massive red and yellow angel wings with golden yellow tips grew much bigger for her new body, and her red and yellow tail grew much bigger for her new body, Sunset Shimmer has on her Ring of the Phoenix with large red and yellow gem and heart-shaped gem embedded in it on her left ring finger and Red Lantern ring on her right ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sunset Shimmer's massive Sunset Shimmer's Firestorm Alicorn Greatsword of The Sun's Forgiveness and The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders and all the other swords she'd gotten began to merge together and they're surrounded by a kaleidoscope of red and yellow energy, fire, and suns, and when it emerged, it was transformed into Sunset Shimmer's Firestorm Phoenix Alicorn Greatsword of The Sun's Forgiveness and Fire Skylander Love, it's a brand-new greatsword with embedded red and orange gems and her cutie mark and The Sun etched 7'0" massive, wide, double-edged red and yellow blade, large gold Alicorn heads for the crossguard, large red gem embedded in the rainguard, longer black handle, large gold Alicorn heads with orange gems for eyes and a large orange gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with orange gems on her wrists, her new Belt of Elemental Bravery with an Alicorn for the belt buckle and orange gems for the eyes and a large orange gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Sunset Shimmer has transformed into SUPER ANGEL-PHOENIX ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA FIRESTORM SKYLANDER SUN PHOENIX ALICORN ANGEL OF DIVINE FIRESTORM PHOENIX ALICORN FORGIVENESS AND DIVINE FIRESTORM SKYLANDER SUN PHOENIX ALICORN LOVE!

We were amazed by Sunset Shimmer's Super Angel-Phoenix Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Striker saw it, he fired a bullet at her to kill her, but Sunset Shimmer fired a powerful red and yellow energy blasts with suns, Alicorns, flames, and phoenixes, and it hits Striker and he was sent flying out of the shrine and we followed, but he got up and he was now mega pissed off.

Twilight Sparkle: Incredible, now Sunset Shimmer's transformed.

Nico: The Phoenix Alicorn of Equestria is about to burn the demonic assassin of Stella Goetia, and put an end to his rampage for good.

Sunset Shimmer: (Divine Echoing Cosmic Voice of The Sun Firestorm Phoenix Forgiveness Alicorn and Divine Sun Firestorm Forgiveness Love) Prepare yourself, Striker, your days of killing are over.

Lincoln: Hold on, Sunset, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sunset Shimmer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to be running amok ever again, Striker, now prepare to die!

Sunset Shimmer and Lincoln went after Striker, who tried to fire at them again, but the heat from the Sensei Fire Realm melted all of his guns into molten metal, and they fired extremely powerful blasts of rainbow energy, red and yellow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Striker and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sunset Shimmer, her hand-cannon Blaster is known as Sunset Shimmer's Firestorm Phoenix Forgiveness Alicorn Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's red with flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by flames etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sunset Shimmer fired blasts of rainbow energy, red and yellow energy, and elemental forces at Striker and as they hit him they exploded with incredible power, and he was knocked down.

Then, Lincoln swung his massive greatsword and fired a massive wave of fire at Striker, and it hit the demonic assassin and beheaded him, and his soul was sent to The Black Gates, and Sherlock Hound sent his head back to Stella Goetia, which angered her badly, but he also sent a message to her: and it stated that if she ever sent anymore assassins after Team Loud Phoenix Storm again, there would be very nasty repercussions, and he also made it clear he was also going to get Charlie's dad involved and that wouldn't end well at all. We cheered wildly as Lincoln and Sunset Shimmer holstered their massive greatswords on their backs and powered down, and Sunset Shimmer's new body, clothes, weapons, jewelry, Third Eye, longer red tail, and massive red and yellow angel wings are permanent.

Sunset Shimmer: Your days of causing trouble are over. Thanks for helping me destroy Striker, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sunset.

Suddenly, Sunset Shimmer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sunset Shimmer's face, they kissed passionately as Sunset Shimmer's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Sunset Shimmer came back to us as the display vanished.

Me: Looks like Blitzo and the others are going to be glad to hear we got rid of Striker for good.

Lincoln: And Sherlock Hound already sent his message to Stella Goetia, and he was very clear about it: if she tries that again, he's going to get Charlie's dad involved, along with Alastor. (To Isabella

Lupa and Lua Foo) And it's so good to see you again, Isabella Lupa and Lua Foo.

Isabella Lupa reverted back to normal, and she's a beautiful werewolf girl with short neck-length brown hair and brown wolf ears on top of her head and brown wolf tail, yellow eyes, she was tall at 6'10" in height, she had the body of a goddess, she has massive and beautiful brown angel wings, and she reigned in the power of Ghostrick Warwolf, and she's dressed in a black sleeveless midriff top, black leather pants, black leather knee-high boots, and a long white sleeveless trenchcoat with darkness and wolves on the coattails and Ghostrick Warwolf on the back and holstered on her back is a massive Ghostrick Warwolf-themed greatsword with Ghostrick Warwolf etched etched on the 7'0" massive, wide, double-edged midnight black blade, large wolf heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large wolf heads and large yellow gem on the bottom of the large wolf heads for the pommel.

And Lua Foo reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings, and she reigned in the power of Masterflare Hyperion, and she's dressed in an orange short-sleeved blouse, sleeveless orange midriff top, orange skirt, orange pants, orange knee-high boots, and a long white sleeveless trenchcoat with flames and suns on the coattails and Masterflare Hyperion on the back and holstered on her back is a massive Masterflare Hyperion-themed greatsword with Masterflare Hyperion etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large orange gem on the bottom of the large dragon heads for the pommel.

Isabella Lupa: You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, Ellie, Emilia, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona

Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Ellie Elsher, Emilia Frankenstein, and Tiana Masina: You too, Isabella.

Lua Foo: (Chinese Accent) It's been such a long time since we last met, and it's also good to see you again, Lynn.

Lynn: You too, Lua Foo.

Lincoln went up to Isabella Lupa and Lua Foo and he hugged them, and Isabella Lupa and Lua Foo were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Isabella Lupa: Whoa, holy crap, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Lua Foo: (Chinese Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two, and one of those two girls also knows Lynn?

Lincoln: Indeed I do, Nico, the Ghostrick Warwolf Gene-Slammer is Isabella Lupa, she's my Guardian Angel from Michigan and classmate in Gym, she's a werewolf and she was born with the powers of darkness and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's also a very defensive werewolf who can get pretty pissed off when she sees me getting bullied by the bullies at school and outside and by Lori, Lynn, Lola, Lisa, and Luan, and if anyone dares to anger her, she'll toss them into a dumpster.

Nico: Whoa!

Lincoln: Yep, she's really that strong, and she's also the master of a dark power known as Werewolf's Full Moon Fury, when she uses this dark power, she'll howl and summon an army of werewolves to kill the guilty persons destined to die. This one time, I made her a beautiful necklace with wolf pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates the jerks with a burning passion and she wants nothing more than to kill them.

Brittney gave Isabella Lupa the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Masterflare Hyperion Gene-Slammer is Lua Foo, she's my Guardian Angel from China and classmate in Gym, and she really hates bullies and would protect me from them. When she noticed me bullied by Chandler, his goons, Pablo and Anderson, she and Lynn beat the living crap out of them and left them with broken arms, legs, noses, teeth and even black eyes. To show thanks, kissed Lua Foo on the lips, I also found out she's also the daughter of Hak Foo and she hates Pablo and Anderson with a burning passion.

Me: Whoa, so we got a werewolf girl who hates all the jerks with a burning passion, and the daughter of Hak Foo who hates Pablo and

Anderson with a burning passion, yikes!

Isabella Lupa: Yep, but we do have some awesome memories we had with Lincoln. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Isabella, Lua Foo, are you absolutely sure about this?

Isabella Lupa: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Isabella Lupa and Lua Foo, and he saw that they're really serious, and he smiled as he walks over to Isabella Lupa and Lua Foo, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Isabella Lupa's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Lua Foo.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Isabella Lupa and Lua Foo with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Isabella Lupa: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Lua Foo are now part of my harem and my many future wives, Isabella.

Isabella Lupa and Lua Foo had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Eve, Kureha Yamisaka, and Yui Emelia Mitsukihara from Daemon Bride and Midori Himeno, Erel Plowse, Setsuna Saizuki, and Karin from Evil Zone.

Lincoln: Oh wow, it's Eve, Kureha Yamisaka, and Yui Emelia Mitsukihara from Daemon Bride and Midori Himeno, Erel Plowse, Setsuna Saizuki, and Karin from Evil Zone.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kureha Yamisaka: Yes, we're okay, thanks to you.

Then, when Kureha Yamisaka and the other six girls saw who it was that saved them from Striker, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a

Kureha Yamisaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kureha Yamisaka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eve, Kureha Yamisaka, Yui Emelia Mitsukihara, Midori Himeno, Erel Plowse, Setsuna Saizuki, and Karin with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Sunset Shimmer had gotten The Firestorm Forgiveness Phoenix Alicorn Greatsword of The Fire Skylanders, and they were shocked when they found out the villain we went after was Striker, an assassin in the employ of Stella Goetia.

But, when Lincoln showed what happened such as Sunset Shimmer transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln laid a brutal beatdown on him and it ended with him beheading Striker and sending his spirit to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Isabella Lupa, and Lua Foo have a lot of catching up to do, now that they're back in

town.

Maria: Sheesh, so an enemy from I.M.P.'s past had shown up.

Blitzo: Oh, so that bitch was at it again?!

Lincoln: Easy, Blitzo, we already got rid of Striker, and Sherlock Hound sent his head back to Stella Goetia, and with a warning: if she did this again, he's getting Charlie's dad involved, and if you dare to mess with someone who's the ruler of Hell, bloody consequences are to be expected.

Sherlock Hound: (British Accent) That's indeed right, Lincoln, and I'm also going to consider Alastor's brand of punishment for her if it gets to that point.

Loona: Oh boy.

---

After finally destroying and getting rid of Striker once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Isabella Lupa and Lua Foo saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Isabella Lupa: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lua Foo: (Chinese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Lupa: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Isabella, Lua Foo, what memories did you have with Lincoln?

Isabella Lupa: I remembered this one time, Lincoln and I were training underneath the moonlight and we were both in our werewolf forms for this one, and I was in a black sports bra and black shorts and Lincoln was only in black shorts: Lincoln was training me in hand-to-hand combat and how to control the murderous urges I get when the curse takes hold, and they really worked. Plus, we also did some wrestling, and I was still stunned as to how Lincoln was able to pin me onto the ground, but that, of course, turned into a make-out session with both of us kissing and hugging.

Me: A training session that turned into a make-out session under the moonlight?!

Isabella Lupa: We almost gave into our animalistic urges, but Lincoln showed that he had control over them, which really amazed me.

Lincoln: You can thank Rudina for helping me out with that one, Isabella. She helped me greatly with controlling the werewolf in me.

Lua Foo: (Chinese Accent) That's for sure. Now, for me: I remembered this one time, I was helping Lincoln with some martial arts training, and Lynn was also there to help out as well, but then, we'd heard the sound of shrieking in the air, and we saw who it was that coming after us: it was Lori, and she was out for blood. Lincoln used his martial arts training from me and the other Guardian Angels and he defeated Lori, and Lynn tied Lori up with energy ropes and we dragged her back to The Loud House. Lincoln told Mr. and Mrs. Loud of what Lori tried to do to him, and Lori got grounded for nine weeks, and we soon found out that the reason why Lori was in a nasty bad mood was that her phone screen cracked again, and we soon found out that Lola was the one who did it, she screamed and she ran out of the room.

Lynn: Yeah, and Lola confessed that it was an accident. But, Lori was going to kill her, until Lincoln knocked her hard on the head and knocked her out. Knowing that it was an accident, Lola didn't get punished, but she didn't get any dessert for two days, and she accepted it.

Lincoln: She was learning not to throw any of her temper tantrums, and that was the sign that she too was breaking free from her Dark Side, but Lori, she had a long way to go.

Nico: Oh yeah, now I remembered that day.

Me: Me too, and I was still stunned to find out that Lua Foo is your daughter, Hak Foo.

Hak Foo: True, but you didn't ask. But, I'm still proud of my daughter for what she's achieved, and she's been protecting Lincoln from bullies ever since.

Lua Foo: Thank you, Father, and Lincoln will take good care of me, do not worry.

Amy Rose: That's awesome to hear.

Sticks the Badger: Yep. Oh, hey, Lincoln, it's almost time.

Lincoln: Oh yeah, our first beach date with you and Maggie, Sticks.

Sonic: You know, I'm still surprised at how Lincoln got together with Sticks.

Tails: Same here.

Amy Rose: But, still, it's really sweet that Sticks and Lincoln are now together, and I didn't know that your sister, Maggie, had some feelings for Lincoln as well, Haiku.

Haiku: I've noticed it, but I knew it was only a matter of time.

We got a shower afterwards, and then, Lincoln, Sticks the Badger, and Maggie (Loud House) are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Sticks the Badger and Maggie (Loud House) were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Sticks the Badger and and Maggie (Loud House) each have feelings for Lincoln: Sonic and his friends introduced Lincoln to Sticks the Badger, and almost immediately, it was love at first sight, and Maggie (Loud House) has been having feelings for Lincoln for some time now, and Lincoln saved them from an attack by Trina Riffins who broke out and she still wanted blood to be spilled, but Lincoln saved them, and he smashed that rage-crazy psycho into the dirt before he tied her up again.

Sticks the Badger: Wow, so this is Lake Lamode.

Lincoln: Yep, and I've been here many times with my harem. Shall we?

Lincoln, Sticks the Badger, and Maggie (Loud House) dive into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went inside an indestructible dome and they also had a game of volleyball, and Sticks the Badger and Maggie (Loud House) got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up a 900,000,000,000,000-lb barbells Lincoln summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Sticks the Badger and Maggie (Loud House) and they hugged the girls in their abnormally massive and powerful muscular arms and Sticks the Badger and Maggie (Loud House) placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sticks the Badger and Maggie (Loud House) with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Taylor (Loud House): Looks like we got two new members to Lincoln's harem.

Amy Rose: Alright!

Sonic: I already called it that Sticks was going to be together with

Lincoln, as soon as she saw him.

---

We were watching TV and then we saw the mascots doing a little sword play!

Cybertron Mudflap: POROMON, LOOK ME IN THE OPTICS AND TELL ME YOU AND THE OTHERS AREN'T USING SHARP SWORDS!

Poromon: We're playing Knights.

Me: Oh those are Cardboard Swords. I made it for them with this.

CARDBOARD REPLICA MAGISWORD!

Me: They are just playing.

Qin: It's so cute!

Poromon: Yeah we also made armor from recycled cereal boxes.

Jetfire: (Australian Accent) You guys know that the odds of you using real swords are low, right?

Poromon: We know.

Poliwag: But playing pretend is cool.

Nico: It sure is.

Billy: You know this reminds me of the time I had a really cool suit of armor.

Me: Really Billy? What was that like?

Grim: (Jamaican Accent) I can show you mon.

Nico: Lets see.

Grim slashed the ground and then a castle popped out and the sky clouded up and then a dragon came and breathed fire and it hit Billy and he was in an AWESOME and cool black suit of armor!

Grim: Behold, The Cursed Suit of The Mighty Black Knight!

Qin: Whoa! Billy you look awesome in that armor!

Gwen Lancelot XXXVII: (British Accent) And I know that armor all too well. That is the very armor that the Black Knight wore back when my ancestors were fighting him.

Me: That was back over 1500 years ago. But that is cool!

Scrapper: There was a catch, wasn't it?

Lincoln: Scrapper, I highly doubt-

Scrapper: There's no cursed armor without some kind of curse.

Me: Yeah I have a feeling this armor comes with a cost.

Grim: Oh indeed it does. The Armor can't be removed until you defeat an opponent in a challenge.

Brittney: That explains the Cursed part. As a master of dark magic and the powers of the forces of the Netherworld I do know that kind of curse.

Mandy: That is true.

Billy: And I really had to pee so bad at the time!

Tailgate: Couldn't you pee in that armor?

Luna: Dude!

Tailgate: It's a valid question!

Rhino: Me and my Yost self feel your pain at that time, Billy.

Billy: Really?

Rhino: Yeah.

Brittney: Hmm. I have an idea.

Brittney then chanted an incantation and fired a wave of dark magic and then it removed the curse in the armor.

Brittney: There. Try getting out of it now.

He did so and it came off!

Grim: Whoa!

Me: Brittney used her dark magic to remove the curse and now Billy can put the armor on and off at will.

Lola: Boy Sperg I'd like to see you try and give him a wedgie now.

Sperg: Just watch me!

Billy had his armor on and he stood ready. Sperg then threw a punch and then…

BLANG!

He smashed his hand on the armor and there was a really sickening crunch as his hand broke! OOOH! THAT IS GONNA REALLY HURT!

Sperg cried and wailed in pain from his hand being smashed.

Varie healed his hand up.

Qin: Boy that armor is really tough!

Nico: I'll say!

Me: For an armor suit that's over 1,500 years old that is awesome.

Sperg: To be fair, you did say you'd like to watch me try!

Lola: Yes I did. Sorry about that.

Sperg: It's okay. But that is awesome armor Billy.

Billy: Thanks Sperg.

Me: If we go to the next Medieval Fair next summer you are going to be a shoo-in to win a contest.

Lola: Yep.

Nico: I'll say.

Maria: I know everyone might have forgotten. But the mascots COULD use swords in their human forms.

Nico: They could. But they are not ready for it yet.

Qin: Yeah using cardboard swords is more than enough to practice with.

Fluttershy: Oh the mascots are doing a great job preparing.

Qin: They sure are Fluttershy.

Me: Yep.

Ahsoka: By the way J.D. we are really amazed that you saved a girl from Byss from herself when she became a Sith.

Me: It wasn't easy Ahsoka but yeah it was a good deed.

Bonecrusher: Nico, which teams have you made this time?

Nico: Leon's team will include Maxxine, Mokunai XI, Elemental HERO Avian, Burstinatrix, Sparkman, and Bubbleman. Omi's team will include Natalie, Nicole and Nadine Bernado, Harpie Lady, Harpie Queen, Harpie Girl, and. Harpie Lady Sisters. Peyton's team will include Crimson Fox, Tai, Matt, Izzy, and Mimi Tasogare. And Penny's team will include Viper, Joe, T.K., Vapor Trail, and Sunburst. (PANTS) Get me some water!

Maria gave him some and he gulped it down.

Nico: Ahh! Thanks Maria.

Maria: No problem.

Qin: But those are awesome choices!

Lola: And it's about time the rest of the Digidestined all got put on teams.

Lana: Yeah!

Mai Valentine: And some of my signature monsters will be perfect for the teams.

Valon: (Australian Accent) I agree there. Awesome choices mate.

Nico: Thanks.

Then the previous group of M.O.E. Members came.

Dirty Bubble: Can me, Pyro, Chemistro, Avalanche, KGBeast, Titanium Titan, Abomination, Puff, Spymaster, and Griffin go with you guys?

Stinkor: Stinkor, Quillfire, MOE Sinistro, Captain Frightbeard, Megalon, Muggshot, Lego Bane, Stink Bug, Morrigan, and Animal Path will come too. (LOUD FART)

Me: (Sarcastically) Real nice!

Nico: (COUGHS AND GAGS) Woowee! That was rank! But yes you all can come with us.

Mixmaster: Nico, which Gene Slammer do you think you'll meet next?

Nico: Machamp next.

Qin: Whoa a fighting one next!

Xenia: This one will be brutal!

Lola: I hope it beats up lots of bad guys REALLY bad.

Camie: Boy that would be cool.

Suddenly, we saw snow flurries swirling around, and then, we saw a figure appear: it was Santa Claus.

Nico: Santa, what brings you here?

Me: This is a surprise.

Santa Claus: We've got a big emergency, gang: Toy Santa's on the loose and he's planning on giving the world's children only coal for Christmas.

We gasped.

Lincoln: What?! That'll ruin their Christmas if all they get is coal, we have to stop that monstrosity.

Me: And we will, Lincoln. That toy Santa's going to pay for trying to steal the job of the real Santa. If we don't stop it then no one will ever trust Santa ever again and that will spell big time trouble for the world!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Arachnotaur, the Spider God of Anger, and he's come back from the dead wanting revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and none of us are going to like this guy one bit: the dark energy signal we sensed belongs to our old enemy, Arachnotaur, the Spider God of Anger, and he's come back from the dead wanting revenge on us for destroying him last year.

Nico: Ugh, not again, doesn't that guy know when to quit?!

Me: Apparently not. But, we'll worry about him later, right now, we got to head for The North Pole to help Santa deal with Toy Santa.

Lincoln: And save Christmas for the world's children.

Nico: You and J.D. are right, Lincoln, Arachnotaur can wait, Toy Santa's the real threat we got to worry about. Alright, gang, let's go, we got to head for the North Pole to help Santa.

Lincoln: We'll put a stop to Toy Santa and save the world's children from a bad Christmas, and once we get done with Toy Santa, you're next, Arachnotaur.

Xenia: Yep!

KGBeast: (Russian Accent) Let's get going. (cocks cybernetic gun) I'm dreaming of a (cocks cybernetic gun) red Christmas.

Muggshot: Okay, you only get one gun cock per line, okay? And the lines should really be better than that.

Me: But that was a good one though.

Nico: Yep.

We went and got our fur parkas on and we were off to the North Pole.

Drag Strip: Race you guys there! (transforms to vehicle mode and races ahead of us)

May: You know we're not racing today, right?

Drag Strip: Oops sorry.

Me: I got a story for you guys if you don't mind hearing it. Going to the north pole like this reminds me every time of our book we had made where we fought Princess Morbucks with Superpowers.

Camie: Ooh can we hear it?

Me: Sure.

Nico: You'll love this one.

Titanium Titan: I remember this one.

Megalon: It was a few days after the Guardians joined up.

Me: Yep. This is gonna be awesome.

Lola: Yeah.

Me: It's called Team Loud Phoenix Storm in Twas the Fight Before Christmas. By me.

Everyone was excited.

As everyone was flying I got to reading.

Me: This story takes place in Townsville instead of Gotham Royal York. (Clears Throat) Here we go.

---

Opening scene shows the city skyline and it was snowing and the city was covered in snow.

**Me as the Narrator:** 'Twas the city of Townsville, and all through the town,

All the townsfolk are stirring as snow's falling down.

It's bitter and freezing in the dead of December,

But there's reason for joy, if you can remember.

For it's this time of year that our story unfolds,

When our hearts are the warmest, despite all the cold.

(Pokey Oaks Kindergarten comes into view.)

Yes, it is Christmas, On December 23rd, just two days before,

And all through the town, none can wait anymore…

For the timely arrival of one certain fat guy…

Who brings us all goodies from out of the sky.

Full of anticipation are these urban folks,

None more so than the students at old Pokey Oaks.

(The camera stops pulling back during the last two lines, then cuts to a close-up of Ms. Keane's desk inside. One of her pupils reaches into view and sets an apple on it; the gift has a red ribbon tied around it and a misspelled tag attached: "Mary Krismas Ms Kene.")

**Ms. Keane:** (from o.c.) Thank you, Billy.

(Pull back. She sits behind the desk, which is decorated like a gingerbread house and piled high with apples, and kids are lined up with similar offerings. The blackboard behind her reads, "Homework: Have a happy X-mas!" During the next line, the named kids file past and give her their apples.)

**Ms. Keane:** Well, thank you, Kristen. Thank you, Clara.

(Elsewhere, three kids are stringing popcorn garlands for a small potted Christmas tree. One of them is Julie Bean, but she is eating the materials. Another kid winds up a Santa Claus doll and lets it loose on the floor; camera follows it.)

**Santa doll:** Ho ho ho! Ho ho ho! Ho ho ho!

(Cut to a close-up of drawings taped on a bulletin board and pan across them. They are arranged in a rough line and depict Santa's team of reindeer.)

**Bubbles:** (from o.c., to "Deck the Halls")

Christmas time is in a few days, fa-la-la-la-la-la-la-la-la!

(As she continues, the camera reaches her taping up the sleigh picture and pulls back.)

Santa'll give me lots of toys, yay, fa-la-la-la-la-la-la-la-la!

(She jumps up an octave on the last "la." Turn down to Buttercup at the desk in front of the board. She has pages spread out before her and looks rather annoyed.)

**Buttercup:** Bubbles! I'm trying to concentrate!

**Bubbles:** I'm only trying to spread some Christmas cheer.

(She floats down as Blossom walks over to them with a small gingerbread house in hand.)

Me: I can't wait for Christmas everyone,

Blossom: Me too J.D. Is Christmas your favorite holiday?

Me: Christmas is my Number 1 favorite Holiday Blossom! I love Christmas because not only do we celebrate the birthday of our lord and savior Jesus Christ but also we spread the joy of the love that Christmas brings to the world.

Blossom: I know. It's a magical time and I can't wait.

**Buttercup:** Well, can it! I'm busy. (We now see that her pages are headed "GIMME.")

**Blossom:** Doing what?

**Buttercup:** (stacking them up) Writing my wish list for Santa.

**Bubbles:** Are you crazy? You're only giving him two days to prepare - and that's even if he gets it on time!

**Buttercup:** Oh, yeah? When did you send yours, smarty-pants?

**Bubbles:** December 26.

**Buttercup:** Hah! That's after Christmas.

**Bubbles:** December 26, last year. (She blows a raspberry.)

**Buttercup:** Oh, no! What if I don't get my official Red Raider carbine-action two-hundred-shot range-model air rifle?

Lola: I hope you get it Buttercup.

Lana: Me too. Those guns are cool!

**Princess Morbucks:** (from o.c.) Hah!

(This catches the girls off guard. Pull back to show her standing at a distance, in her civvies and with her back to us.)

**Princess:** Who would want a stupid old BB gun? (They gasp.)

**Girls:** Princess!

Me: (Glares) Princess Morbucks.

**Princess:** That's right. Besides, you'll shoot your eye out. (Cut to her.) Since my daddy buys me anything I want, I only have one thing on my list for Santa: to be a Powerpuff Girl!

[Note: Buttercup's choice of gifts and Princess' response to it are take-offs on Ralph Parker's predicament in A Christmas Story.]

**Blossom:** Don't hold your breath, Princess.

**Princess:** What?! Why?

Me: Because you're a total spoiled brat and you don't care about anyone but yourself. And Santa only gives gifts to good kids. You know why?

**Bubbles:** Because Santa has his own list, and he checks it twice. It says who's naughty and who's nice.

**Princess:** So?

**Bubbles:** Duh! You're naughty. (Princess gasps.)

**Princess:** Nuh-uh!

**Blossom:** Yeah-huh.

**Princess:** Nuh-uh!

**Buttercup:** Yeah-huh.

**Princess:** Nuh-uh!

**Bubbles:** Yeah-huh!

Princess: Nuh-uh!

Me: Mm-hmm!

**Princess:** Prove it! (The girls rise out of their seats in time with the next three lines.)

**Blossom:** You bought the city and legalized crime!

Me: Which nearly destroyed all of society.

**Buttercup:** You hired Mojo to try and destroy us!

Lola: But that didn't work.

**Bubbles:** You gave us a bomb for our birthday!

Lana: Which would've caused a lot of people to get hurt!

**Buttercup:** You teamed up with three felons and went on a crime spree!

Lucy: Which nearly brought all of Townsville to its knees.

**Bubbles:** You tricked our friend Robin into stealing, and then you tattled on her!

Me: No wonder you have no friends at all. (To me in real life) I know that's harsh but it's true.

**Me as the Narrator** : I know. But go on.

[Note: References to "Bought and Scold", "Mo Job", "Birthday Bash", "Meet the Beat Alls", and "Superfriends", in that order.]

(On the next line, zoom in on Princess, putting the girls o.c.)

**Blossom:** You're a spoiled brat who's greedy and jealous, and you don't care who you step on to get what you want! (A beat of silence.)

**Princess:** And your point is…?

(The girls groan disgustedly and drop back into their seats, just ahead of the school bell.)

Me: Time to go home.

(As everyone else heads for the door, Blossom holds her position for a moment before following them.)

**Blossom:** The point, Princess, is that you better change your ways, or all you're ever gonna get from Santa is a big fat lump of coal in your stocking.

Varie: Your next Christmas gift will be your last.

(Close-up of a boiling-over Princess on the end of this. The o.c. sound of the Santa doll snaps her out of it. Pull back to show the toy walking slowly towards her; when it is within striking distance, she boots it hard enough to break it and send springs flying. At the door, Ms. Keane wades through a knot of cheering kids who have put on their cold-weather gear.)

**Ms. Keane:** Okay, kids… ooh! Hold your horses.

(Reaching the knob, she pulls on it and is rewarded with a large drift of snow that spills in through the doorway, burying the kids. She looks out; cut to just outside the door as she pokes her head around the frame for a better view. The entire building is hemmed in by several feet of snow. However, the area nearest her starts to smoke and melt, and after a moment the surface recedes to show Blossom clearing the path with the help of her eye lasers. She is now clad in full winter kit, including a pair of bright red earmuffs.)

(When she stops firing, pull back down the newly cleared sidewalk to the sound of cheering, then cut back to the door. The girls float out, all dressed for the cold - Buttercup sporting a green and white striped cap, Bubbles a scarf and toboggan - and are followed by their classmates at ground level.)

**Ms. Keane:** Bye-bye now. Merry Christmas. Happy holidays. Be nice for Santa.

Me: Have a good Christmas Ms. Keene.

Ms. Keene: You too J.D. Merry Christmas to you all.

Varie: Same to you.

Laney: Bye Ms. Keene.

Lincoln: Merry Christmas to you.

(Close-up of Mitch Mitchelson as he heads out. His coat is the same shade of orange as the shorts he usually wears, and he has on a black hat and scarf. The latter shows the same message as his regular T-shirt: "MITCH ROCKS." After a moment, he approaches another girl who takes no notice of him, stops, and makes a snowball to throw at her hat, which looks like the perfect target - but before he can throw it, Ms. Keane speaks up.)

**Ms. Keane:** Remember: he's watching you.

(The would-be pitcher's face falls and lets the snowball drop to the sidewalk before walking away. Back to the doorway, the camera placed so that Ms. Keane is seen from the waist up. Princess is the last to leave; she is decked out in a white fur coat and hat. As she passes, there is a crunch and the woman recoils in pain.)

**Ms. Keane:** Ooh!

(Pull back; she is standing on one foot - apparently the little brat trod on her toes. As the other kids look on, some in anger, others in muted fear, she walks straight through them to her limousine at the curb. The driver is holding the door open for her. Head-on view of that door, with her directing a vicious look at the camera from the passenger seat; when the door is closed, we see the recipients of that glare: the girls. The limo speeds away; cut to Princess inside.)

**Princess:** Spoiled?! Greedy?! Bratty?! Naughty?! Naughty?! (Pull back to the driver's seat.) Driver! Do you know what those rotten awful Powerpuffs said to me today?

(The driver tries to think of an answer that will not get him fired on the spot.)

**Princess:** They said I was naughty! Can you believe that?

(He coughs a bit, easing the word "yes" into the sound.)

**Princess:** Me? Naughty? I'm not naughty, am I?

**Driver:** (sweating) Well, uh… I'll… oops!

(He jabs at a button on the dashboard. Behind him, a tinted-glass partition slides up and blocks the passenger area from sight and hearing.)

**Driver:** Seems my finger has slipped. (to himself, wiping forehead) Whew. That was close.

(He drives in blissful silence for a moment, but the ringing of the limo's telephone draws his attention. Ever so slowly, he extends his hand downward, picks up the receiver, and lifts it to his ear. The force of the next words causes him to recoil briefly.)

**Princess:** (over phone) Well? You didn't answer my question!

**Driver:** (imitating static) You're-you're-you're breaking up!… I'm going through a… unnel… alk… late…

(The last of this, meant to sound like a cell phone signal dropping out intermittently, would normally go something like this: "I'm going through a tunnel. I'll talk to you later." There is a loud pounding on the partition, after which Princess sticks her head out the rear driver's-side window. She can be seen through the front one now, and she is holding the receiver on her end of the limo.)

**Princess:** (through glass) No, we're not! I'm in the car, you twit!

(Close-up of its rear license plate "MORBUKS" and pull back as it rolls up the drive to Morebucks Manor. Inside, Princess sits at one end of a long dining room table and stirs a bowl of soup. At her elbow is a bell to summon servants; after a moment, she rings it and the camera pulls back to the other end of the table. Delicacies are ranged along its length, and an elderly fellow carrying a tea tray stands with his back to her.)

**Princess:** Servant, tell me. Do you think that I'm naughty?

(His eyes dart nervously about before her next word shakes the entire room.)

**Princess:** WELL?

**Servant:** (stammering) I think my… biscuits are burning.

(He dashes o.c.; his mistress fumes and knocks her soup bowl aside. Cut to the exterior of the manor's upper floors. It is now nighttime, and the snow is still falling. Inside, Princess is tucked in for bed and still quite out of sorts. Pull back to show a hefty woman standing across the bedroom, with her back to the girl: a nanny or governess.)

**Princess:** Nanny!

**Nanny:** Yes? (forcing a smile) Sweetheart?

**Princess:** Am I naughty? (Tense pause.)

**Nanny:** Time for bed! Lights out.

(She runs o.c. The lights go out as the door to the hall slams. Princess glares after her for a moment.)

**Princess:** Wait! I need another pillow! (Pause; silence.) Fine! I'll just go get it myself!

(She jumps down from her bed and crosses the room to the linen closet. When she opens it, however, instead of pillows and blankets, a torrent of coal spills out and fills the room almost to the ceiling. Liberally smudged with its dust, the occupant emerges from the vast heap and spits out a chunk.)

**Princess:** Naughty, huh? I'll show you who's naughty!

(She bats at a piece and sends it flying toward the camera to black out the screen. A door opens, admitting a shaft of light from outside and Princess standing within it - we are now in another dark room. Piece by piece, she dons black clothing, then picks up a piece of coal; extreme close-up of each cheek in turn as she uses it to smudge dust on her face, in the same way that football players apply black pigment beneath each eye to reduce glare. Pull back to show her fully suited up, head to toe, and ready for a little covert action.)

(Cut to a pan down the hallway. Princess, just out of view and following the camera, kicks the coal along in front of herself. Overhead view of her.)

**Princess:** And all these years I thought that coal in my stocking came from Daddy's coal mine!

(The chunk reaches a staircase and bounces down; she follows.)

**Princess:** Who does that blimp think he is, denying me presents?

(Close-up of the bottom steps; the coal tumbles down them and shatters on the floor. She groans from o.c. and descends into view; follow her to the front entrance on the next line.)

**Princess:** Well, this time I am gonna be a Powerpuff Girl! (The manor's exterior; she throws the doors open and steps out.) And I'm sure not gonna let some elf with a weight problem stop me!

(A string of motorized carts - the sort that might be used to ferry passengers and crew around an airport - pulls up at the steps that lead down from the doors to the front walk. She stomps down, climbs into one, and is whisked away. Pull back and follow her along the drive. The procession consists of three connected carts - with the limousine driver piloting the lead one, Princess seated in the center one, and the last one piled high with suitcases. During the following lines, the driver stops near an airplane and she gets out and boards it.)

**Princess:** Hah! Well, I'll show him - and I'll show those Powerpukes who's naughty and who's nice!

**Me as the Narrator:** She entered her jet, to her man gave a yell,

And away Princess went, with a plot, I can tell.

**Princess:** To the North Pole! And step on it!

(She slams the hatch shut. Cut to the manor's exterior and pull back to a long shot as the plane takes off. Pan to the city skyline as the Narrator continues.)

**Me as the Narrator:** And left no one aware of the web she would weave…

(Dissolve to one corner of the exterior of the girls' house and pan to center the structure.)

Not even the girls, preparing for Christmas Eve.

(Close-up of Blossom in the living room. She is braced for a showdown.)

**Blossom:** Okay. On the count of three.

(Cut to Buttercup, also down there and ready to go.)

**Blossom:** (from o.c.) One… (To Bubbles, also ready.)… two…

(Pull back. All three are in a line by the stairs, as if about to run a race.)

**Blossom:**… three!

(They zip off in different directions. In the kitchen, Blossom opens the cabinets in no time flat and stops at the counter with a mixing bowl and some ingredients, which she pours in. Buttercup flashes into a hall closet; a moment later, something crashes through the door and lands on the carpet. It is a large cardboard box labeled "X-mass," and it has left a snowflake-shaped hole in the wood. Buttercup emerges from the box, with a tangle of Christmas lights ensnaring her. However, this does not stop her from zipping o.c. with the lot.)

(Bubbles, meanwhile, is flying in high gear; cut to the exterior of the house as she exits through a bedroom window. Pan to the forest, where her light trail disappears among the trees. The glare of her eye lasers flashes up among the leaves, and a tree falls over - she drew lumberjack duty this year. In the kitchen, Blossom extracts a mound of dough from her bowl, shapes it into a ball, and throws it up near the ceiling twice. It lands on the counter before her and spins in place for a second before she blows gently over its surface to flatten it out.)

(Outside, Buttercup puts lights on the bushes and the frame of the front door. Window frames and wall edges are given the same treatment; when she finishes, the entire house has been outlined in white lights. Bubbles streaks toward the door; inside, it bursts open and we see her holding the tree she cut down. She hurls it across the first floor, adding a bit of spin to make it rotate, and it hits the living room wall with its trunk pointing down and drops neatly into a stand that has been placed there. Another instant, and she has festooned it with ornaments and tinsel. She beams at her accomplishment and zips away.)

(Close-up of a star-shaped cookie cutter held aloft by Blossom. She quickly produces two more - a Christmas tree and a gingerbread man - in the same hand by a small feat of legerdemain. Pull back to show her floating in the kitchen; she starts flinging the cutters as if they were shurikens, and they strike the flattened dough on the counter. The number of projectiles suggests that she was holding entire stacks of cookie cutters. Once they have all hit, she zaps the mass with a quick blast of her eye lasers, then lifts up the entire fully baked sheet with one hand and lets the cookies drop onto a plate in the other. Throwing the scraps aside, she breathes in the aroma.)

(Outside, Buttercup lands in the front yard and throws three giant snowballs off to one side. They land in a stack to form a snowman, which she quickly decorates with coal eyes, mouth, and buttons; carrot nose; stick arms; a scarf; and a top hat. She then zips away. Inside, Bubbles hangs red ribbons on the balcony and garlands on the stair banister in an eyeblink, then scales a wreath toward a painting and gets it to stick up near the top edge. Buttercup flies into view and stops near the top of the tree; Bubbles does likewise a moment later.)

**Bubbles, Buttercup:** I win! I get to put the star on the tree!

**Blossom:** (from o.c.) I don't think so.

(This jolts them out of their glee at having won this decorating competition. Quick pan to her by the fireplace, where a good blaze is going. Three appropriately colored and labeled stockings hang from the mantel, and the cookies sit on a nearby table next to a glass of milk. Blossom's face is the very picture of smugness - she beat them to the punch and she knows it.)

**Buttercup:** Aw, man!

**Bubbles:** No fair!

(Close-up of a star ornament in Blossom's hand and pull back to show her floating up to the topmost branch of the tree. As Bubbles smiles and Buttercup fails to, she sets it in place and then addresses herself o.c.)

**Blossom:** Okay, Professor!

(Cut to him. He is now in the living room as well, and he eagerly clutches the ends of two electrical cords.)

**Professor:** Here we go!

(He connects the cords and voices a stifled little cry of anticipation. Close-up of a group of tree lights, which turn on one at a time, then of the star, which suddenly blazes to life. The family watches the spectacle.)

**Girls, Professor:** Ooooh!

(The wonder is short-lived, however, as the lights flicker and then go out.)

**Girls, Professor:** (crushed) Awwww…

(More flickering, and the lights are back on.)

**Girls, Professor:** Ooooh! (They go out again.) Awwww…

(They come back on, and everyone gasps happily at the good fortune. Once again, though, Murphy's law of electricity asserts itself and the Professor looks as if he might cry this time.)

**Girls:** Awwww…

**Professor:** (moaning) Not again!

(Cut to outside the living room window and pull back slowly on the next line. His silhouette can be seen through the glass.)

**Professor:** Every year it's the same darn thing. I can make three little kids out of seasoning, but I can't get these lights to work!

(Dissolve to a longer shot of the house, seen from a couple of streets away, and pull back slowly into a pan through the neighborhood on the next line. The houses are tricked out with lights.)

**Me as the Narrator:** Ahh, Professor, get to it. You fix up those lights.

Everything must be perfect on this most happy of nights.

(Dissolve to a pan along another street. People wave from their doorsteps and carry trees and presents.)

**Townspeople:** (to the tune of "Deck the Halls")

Public domain Christmas songs, fa-la-la-la-la-la-la-la-la!

(On the end of this, zoom in on one window and dissolve to the living room within that house. Pan across the space as the Narrator continues; a father relaxes with his pipe, while his son plops a party hat on a less-than-enthused dog.)

At the Team Loud Phoenix Storm estate right next door to the Powerpuff Girls home we got everything all over the house ready for Christmas. We hung up lights, ornaments, garlands, decorations, and more. We got an awesome Christmas feast ready for dinner and more.

**Me as the Narrator:** A night so many people throughout the whole city…

Share with brother and sister, Mom, Dad, puppy, and kitty.

(Near the end of this, a cat runs happily toward a Christmas tree at the far end of the room, where the woman of the house is adding some ornaments. The couple's daughter chases the cat into the branches, and it pops out near the mother's head. Everyone has a good laugh at this; the dog remains aloof.)

(At this point, the camera is positioned just behind and to one side of the tree, which is so close that it is seen only as a black silhouette. Pan in its direction until the screen is entirely blacked out. The laughter fades, and the pan continues to show a different room with a tree set up near a blazing fireplace. A small boy walks in and sets some cookies and milk by the grate, then pulls out a note marked "To Santa" and looks eagerly toward the tree on the next line.)

**Me as the Narrator:** And all of the younguns are waiting with glee,

Thinking only of morn and what's under that tree.

(Close-up of the cookies and milk. He sets the note down by them, turning it around to reveal its flip side to the camera. On it is his drawing of a firetruck, labeled "Truck," and stick figure driver labeled "Me." If nothing else, this kid thinks big. He skips happily out of the room, passing his older brother - a big, sour-faced fellow wearing a letter jacket and a healthy crop of pimples - as he goes. When said brother sees he is now alone in the room, his face brightens and he pulls out a note of his own.)

**Me as the Narrator:** And not just the children, the teenagers too.

(He puts it down by the first one; its flip side shows a helmeted stick figure ("Me") holding a football.)

**Me as the Narrator:** Chuck wants a football.

(Cut to outside the window as he too skips out of the room, then turn up to the roof. A girl with long black hair and punk-wannabe clothes sits up there and sulks - Chuck's sister.)

**Me as the Narrator:** Kathleen, a tattoo.

(Cut to another house and zoom in slowly.)

The grownups as well have gifts that they crave.

(Dissolve to the interior: it is Ms. Keane's house, and she is saying a prayer. Zoom in on a picture that hangs behind her. She and some of her kids are outside Townsville Hall; they are all enjoying the day, except for her. She is casting a very worried glance down at Mitch, who is mooning the camera.)

**Narrator:** Ms. Keane only wishes for Mitch to behave.

(Dissolve to a box that holds a My Little Mare doll from the Ponypuffs line of toys; the illustration resembles the pony seen in the kids' show early in "Nano of the North".)

**Me as the Narrator:** A My Little Horsey with combable hair…

Is on the top of the list of our honorable Mayor.

(On the end of this, cut to him in his office and pull back to show Ms. Bellum in the foreground. He is in his pajamas and sprawled on the floor, having fallen asleep over a book.)

**Me as the Narrator:** Ms. Bellum longs for a facial made of sea salt and moss…

To ease stress she endures from her ridiculous boss.

(As he finishes, pull back far enough to leave both of them visible only as silhouettes. She hangs her head and walks away. Pan across the office in that direction, the view fading to black.)

(Snap to a long shot of Mojo Jojo's observatory and zoom in.)

**Me as the Narrator:** And even those foes with hearts full of spite…

(Cut to inside, near the top of a steel Christmas tree, and turn down. Mojo stands placidly by the lowest "branch," ornament in hand.)

Also eagerly await the gifts they'll get tonight.

(He hangs the ornament, but it quickly slides off the steel surface and shatters on the floor. He is irked; pull back to a long shot of him as he stalks away with his cape trailing imperiously as usual. Out in the street, the mail trucks are running even at this late hour.)

**Me as the Narrator:** And beyond the boundaries of this particular town,

(A girl drops a letter to Santa, addressed to 1 North Pole, into a mailbox.)

More hoping and wishing can be found all around.

(A truck pulls up, blocking the view; when it pulls away, the entire mailbox is gone. Follow it as it passes out of sight behind a building and the landscape changes to Egypt. The truck emerges in an area where palm trees and pyramids have been draped with lights - and, incredibly enough, it is still snowing.)

**Me as the Narrator:** The whole world's fallen under the Santa Claus spell.

(Now it drives into Japan and then the Netherlands before finally passing o.c. The snow continues to fall, and those lights are still shining into the night. Close-up of a small girl sitting at the window of one of the Dutch windmills and looking out dreamily as the truck rolls on behind her.)

**Me as the Narrator:** And on this eve of all eves, their hearts start to swell.

(A windmill blade sweeps across the screen. Behind its trailing edge, the view wipes to a map of the world, with various landmarks indicated on the continents. A dotted red line traces its way from one place to the next. As each of the following areas is named, a letter to Santa spins into view from the map and the camera cuts to an appropriately illustrated stamp from that place.)

**Me as the Narrator:** From Paraguay to Paree, from Tucson to Timbuktu,

(Another letter passes across; behind it, wipe to a close-up of an eager kid outside.)

The world's children are hoping their dreams will come true.

(The Timbuktu stamp in the previous sequence shows a rather bewildered fellow looking at a map and trying to figure out where he is. As the Narrator finishes, pull back slowly to show other kids gathered outside, then dissolve to a longer shot of that neighborhood and keep pulling back. Two more such dissolves show the entire subdivision and then the planet from outer space.)

**Me as the Narrator:** But these dreams are about to be foiled…

(Dissolve to Princess' plane in flight. She has bailed out.)

By an evil young girl who's nothing but spoiled.

(The camera follows her as she floats down and deploys a parachute. A signpost in the foreground indicates that this is the North Pole. Turn down to point at the ground and rotate 180 degrees, then turn up to point over a ridge at a large mountain chalet with a fleet of trucks parked outside. There is a smaller building near the trucks, and the main structure has a long, low hangar-like annex at one end. This is Santa's workshop - actually, "full-scale production plant" might be a better term. Princess drifts into view toward the complex.)

(Cut to inside, near the ceiling of one room. A thud marks her touchdown on the roof; turn down to a window, through which her shadow becomes visible among the bushes. She opens a snow-caked pane, looks around - and is rudely interrupted when all that snow falls on her head.)

**Princess:** Stupid snow!

(She is then knocked to the floor by the pane swinging down again.)

**Princess:** Stupid floor!

(Getting to her feet, she looks around. Cut to her perspective, panning slowly across the width of the room - a break area. Coffeepots, first aid kit, sink, a vending machine stocked with Nog Cola, table and chairs, bulletin board with notices tacked up - the sort of thing you might find in any factory. Her gaze focuses on a door set in the far wall and zooms in. Back to her.)

**Princess:** Ahhh! Ho ho ho!

(She somersaults across the floor and makes a leap for the doorknob. Just as she is about to seize it, though, it starts to rattle - someone is coming in from the other side. She drops to the floor and freezes in terror as voices make themselves heard through the wood. Laughing and arguing, they come closer; sweat pours down Princess' face as she looks for a place to hide. Close-up of the door, which finally opens to admit two elves, one fat, the other thin.)

**Fat elf:** And I said, "If you want a wooden duck whittled, that there is your man."

**Thin elf:** The man can whittle. (Overhead view of the room; they head for the vending machine.)

**Fat elf:** Oh, he sure can. Whittle, whittle, whittle, whittle, whittle.

(Cut to the machine, which dispenses two cans of Nog Cola at the press of a button. The elves drink as the camera rotates about 45 degrees counterclockwise and turns up slightly to show the far top corner of the room, where Princess is clinging to the ceiling, her face toward the floor. Close-up of her, still sweating; a drop runs down her cheek and hangs off her chin for some seconds. It finally falls away and hits the floor in the spot where the elves were standing - just after they have headed back the way they came. Neither takes any notice.)

(Cut to the open door, the camera pointing into the break room, as they walk o.c. and return to work. Princess descends into view, hanging from a line attached to the ceiling. When she gets to the floor, she goes into a three-point stance and reels in the line before jumping away to one side. Next she peeks around the doorframe; pull back to show this adjoining area as part of a wide hallway. There is a pile of boxes to one side. She ducks away again, an instant before a muscular, tattooed elf carries a large box into view. Follow him and turn up to the top of his load, from which Princess emerges, having hitched a ride unbeknownst to the worker.)

(Now she pulls out two small suction cups, one from each sleeve, and fires them toward the ceiling. Trailing lines behind them, they stick between two overhead lights; she quickly hauls herself up. Now she brings out two more cups, one on the sole of each boot, and flips her legs up to attach these to the ceiling as well. All four limbs are now anchored, and she begins to crawl along the ceiling, keeping pace with the muscular elf.)

(When he reaches a doorway, she makes her way down the section of wall above it. Cut to inside this new area as he enters and she peeks in; pull back and pan slowly across to reveal this as a production area, with elves working everywhere. Toys are carried on horizontal and vertical conveyor belts, candy canes are being made, a vat full of rubber balls stands amid the machinery, boxes are being filled, and forklifts carry pallets of crates here and there. One elf climbs a staircase at the far end of the room, where tall, closed double doors give onto a balcony overlooking the works - the plant manager's office.)

(Back to Princess, who squints a bit; goggles slide down over her eyes from beneath the brim of her cap. Cut to her perspective "infrared" and zoom in on a sign next to the doors: "Santa's Workshop: PRIVATE." Back to her again; the goggles slide away, and she flips herself over the top edge of the doorframe and climbs up the wall to reach the ceiling. She makes her way among the lights, not raising the suspicions of the elves working at the vertical conveyors.)

(She stops near the candy cane machine to observe it in action. Straight lengths of red and white striped candy emerge from an outlet near its base, and an elf bends one end of each to give it the cane shape. Princess climbs down the side of one feed tank, then up the other, and finally leaps away - but due to the force she exerts, a pipe fitting blows out and starts to leak. A large bubble of liquid candy forms there and grows a second before popping.)

(One drop splatters on the floor, just in front of an elf who is pulling out a pneumatic hose anchored to the ball vat. He steps in it and slips, losing his grip on the nozzle, and balls start to shoot toward the ceiling and stick in it. Princess must hustle along in order to stay ahead of them. Cut to her perspective, approaching the doors - they are framed upside down due to her placement - then back to her. She disengages the suction cups on her hands and feet, flips over, and lands on a light fixture.)

(Now she fires a grappling hook from her belt toward the doors; it embeds itself just above them. A second hook extends from her belt, just above her rear end, and sticks in the fixture as a second anchor. She leaps free and slides toward the door on this makeshift zip line without being noticed. Reaching the other end, she stands atop the frame and reels in the line behind her. The grappling hook strikes her in the rear, causing her to let out a cry of pain that she quickly muffles with both hands.)

(Princess slowly lowers herself headfirst, using the line that is still attached to the wall, and looks cautiously in each direction. The elves on the walkway in front of Santa's office are at a distance and do not see her; she releases the line, drops to the ground, and carefully backs up through the doors, closing them behind herself. Inside, close-up of a blazing fireplace, which she tiptoes past. Pull back to show it in one corner of the room, with a comfortable armchair nearby and a work table cluttered with tools and supplies in the foreground. The room is quite spacious, and its back wall boasts a number of plaques and an "Employee of the Month"-style photograph of an elf. Pan along its length as she sneaks in farther; half-finished toys also take up space on the table. She reaches the far end, which sports bookcases, a Christmas tree, and a framed picture of the big man himself, and stops by a doorway into the next room.)

(Cut to just inside this entrance; she peeks around ever so cautiously. As she speaks, the camera turns down to point at the floor, rotates 180 degrees, and then turns back up to point across the floor, which is littered with rolls of wrapping paper.)

**Princess:** Now, if I were a big fat bearded oaf… (Turn up farther to expose another tree, a drawing board, and a wall calendar.)… where would I keep a stupid list?

(On the end of this, pan right to show a desk in the far corner, with a computer set up on it. She approaches this, climbs into the chair, and peeks up over the edge. A thick pile of printouts catches her eye, and her expression goes sour. Close-up of this; it shows a list of first names and a one-word heading in huge red letters: "NICE." She has found Santa's list. Grabbing the top sheet, she leans back in the chair and the rest of the pages unfold like an accordion - they are still attached to one another, the sort used in dot-matrix printers.)

**Princess:** (reading, looking at page after page) "Nice. Agatha Aarons, Arnold Adams…"

(She mumbles her way through several pages before stopping short on one of them and letting off a contemptuous little snort.)

**Princess:** "Bubbles, Blossom, Buttercup"?

(More mumbling and leafing through the list before she stops again.)

**Princess:** "Mitch Mitchelson"?! You gotta be kidding me! "Team Loud Phoenix Storm"?! Not those numbskulls!

(More mumbling and flipping through, and she reaches the last page.)

**Princess:** "Zachary Zimmerman." Where's my name?

(She groans disgustedly, gathers most of the pages into a stack, and throws the lot across the desk with a scream; it lands in a neat pile, right back where it started. Pan to her, still in the chair, then to the monitor. A Post-It note is stuck there, and it bears the word "NAUGHTY" above a single name: hers. Zoom in on this, then cut to an extreme close-up of her and pull back as she gasps in total shock at the facts. Close-up of each letter of the heading in turn, then pull back to frame all of it.)

**Princess:** (from o.c.) "Naughty." (Turn down to her name.) "Princess Morbucks."

[Note: Though her name has been spelled with an E in these transcripts, the Post-It leaves it out.]

(She reaches into view and removes the note; pull back to show her standing on the edge of the desk. Princess is overcome with sadness, but that soon gives way to boiling rage, and she tries to throw the slip down - but it is stuck to her fingers and does not budge. After waving her hand in a vain attempt to dislodge it, she finally manages to slam it down on the desk and then grabs a pencil. Close-up of it, held aloft in her hand, as she turns it around in preparation to erase and brings it down. Pull back to show only her shadow on the wall, bent over the desk and plying the eraser furiously. When she finishes, she leans back - part of her hair now in view - and laughs in malicious glee. She then leaps away and opens a window to slip out.)

**Me as the Narrator:** She spoke not a word; she had finished her work,

And took leave of her lie with a satisfied smirk.

(She leaves and closes the window. However what she doesn't know is that our names can't be erased at all. Quick pan to the desk, over which a snowy gust of wind blows to rattle the papers. The printout and the Post-It are both back where they started, but Princess has switched their headings. Cut to a long shot of the entire complex and turn up toward the sky, then dissolve to the outer-space view of Earth.)

(Dissolve to a close-up of one ornament on the tree at the girls' house. The lights are out. Pan right to the stairs, where the girls are dressed for bed and floating up to their room.)

**Me as the Narrator:** Meanwhile, three children we know are heading to bed…

(Dissolve to a slow pan across the bed. Buttercup and Blossom are asleep, and Bubbles turns off the lights and sits awake with Octi. Light from the hall shines over her.)

With thoughts of the morning and what lies ahead.

(Silence. Dissolve to an overhead shot of the bed; she closes her eyes after a moment. Another such transition shifts the view to just over the balcony railing, the camera pointing at the bedroom door; turn down to the tree. The lights are back on.)

**Me as the Narrator:** The girls drift off to sleep, their hopes at their heights,

(The Professor keeps fiddling with the electrical cords.)

While their dad is downstairs, still working on the lights.

(Fade to black.)

(Fade in to a long shot of Morebucks Manor.)

**Me as the Narrator:** But there's yet one more little girl filled with anticipation,

(Dissolve to a pan along the trophy room, where the fireplace blazes.)

Not for worldwide rejoicing, but her plot's activation.

(Stop on Princess, standing before the fire, and zoom in. She is back in her street clothes. Dissolve to a close-up; she is shoveling in coal from a pile behind her.)

**Me as the Narrator:** An evil gleam in her eye, this little redhead…

Is the sole one aware there is something to dread.

(Cut to inside the fireplace; Princess looks over the flames and smiles evilly from ear to ear. Now she approaches a window and looks out over the city.)

**Me as the Narrator:** She knows that these fools, content in their sleep,

Will, because of her, awaken and weep.

(Her smile has become a Cheshire Cat grin.)

For tomorrow, the world is in for a big huge surprise…

(Dissolve twice to longer shots of the window and the manor.)

Not candy and presents, but Christmas' demise!

## Act Two

(Dissolve to an overhead view of the girls' house, zooming in slowly, then to their bedroom. Sleigh bells make themselves heard outside, followed by something scraping on the roof and a muffled command - Santa has just arrived. Bubbles wakes up, looks out the window, and hugs Octi joyfully before nudging Blossom.)

**Bubbles:** (softly) Girls! Girls! Girls! Wake up! (Bubbles accidentally smacks Blossom, lightly. Blossom shifts position to get out of reach.) I heard Santa! He's been here!

(She is rather annoyed at their lack of a response, so she takes matters into her own hands. Giggling, she jumps out of bed and tiptoes toward the door. Cut to just outside it; she eases it open and peeks eagerly into the hall. The only sound is that of the Professor's snoring through his bedroom door. She giggles again and zips down the stairs to stop at the tree; its lights are working again, but they then flicker and go out as before and her face falls. She slowly floats down to ground level and discovers, much to her dismay, that there is nothing under the tree but carpeting. The cookies and milk Blossom left for Santa are still untouched by the cold fireplace. Bubbles gasps. She keeps her voice down throughout the following scene.)

**Bubbles:** I know I heard him.

(She looks around herself; cut to her perspective, panning across the living room. Stop on the stockings and zoom in.)

**Bubbles:** What? (Back to her; she brightens.) The stockings!

(She flies over to them, looks around to make sure she is alone, and reaches into hers. What she pulls out is a lump of coal; she gasps and throws it down. On her next word, pull back across the room to behind it.)

**Bubbles:** No!

(She drops to the ground next to the coal and starts crying.)

**Bubbles:** No, no, no, no!… Noooo!

(She gets herself under control in an instant, clapping her hands to her mouth in order to keep from waking everyone else, and eyes her sisters' stockings. The discovery of more coal in Blossom's causes her to gasp, and finding the same in Buttercup's sends her into a fit of hyperventilation. Upon looking o.c. across the room, she gasps weakly and zips in that direction, then flies to the sliding glass doors that lead to the backyard and opens them. Cut to the patio outside them as she takes off.)

(Bubbles stops in midair and, shading her eyes, squints to survey an area. Making up her mind, she flies to a house and stops outside its living room window. She wipes away some of the frost and peers in; cut to inside the room. There are no presents under this family's tree either, and the milk and cookies are still intact. She looks elsewhere, and her eyes glow orange; cut to her perspective of the stockings on the mantel and zoom in. She is focusing on these, and after a moment their contents - pure anthracite - appear. This is her X-ray vision at work. Back to her outside; she shuts it off and recoils in shock at what she has seen.)

(She then flies to another house, clears some frost from its window, and reconnoiters the room. No presents under this tree; milk and cookies not sampled; another stocking X-rayed and found to be stuffed with carbonaceous fossil fuel.)

(Bubbles flies down the street, stops in midair, and trains her X-rays on a random dwelling. Overhead view of it; the roof fades away to show yet another tree bereft of gifts and two more stockings filled with West Virginia black. Her check of another house yields a similar result. Now she aims her gaze in another direction; snap to black, which gives way to three horizontal panels that wipe in from the sides of the screen to show the results of her scan. The top one reveals a lack of presents, the middle one an untouched snack for Santa, the bottom one a pair of coal-laden stockings.)

(Back to Bubbles, who turns her eyes somewhere else. The same snap-and-wipe sequence shows another ignored house, but this time the panels are vertical rather than horizontal. She checks another area; snap to black, which yields to four small views that each fill one quadrant and appear in the following order. Top left: a tree without gifts. Top right: an uneaten snack. Bottom left: X-rayed stockings loaded with solidified peat moss. Bottom right: a shocked Bubbles. Cut to a long shot of her, too stunned to move or speak as snow comes down around her.)

(Dissolve to Buttercup and Blossom, still sound asleep, and pan quickly to the closed bedroom door after a moment. The tranquility is shattered when Bubbles barges in through it.)

**Bubbles:** WAKE UP! (flying around, trying to rouse them) Wake up, wake up, wake up, wake up! (They do so.)

**Buttercup:** Yay! Presents! Let's go, baby!

**Bubbles:** No!

**Blossom:** Whoo-hoo! (They charge out past Bubbles.)

**Bubbles:** (poking her head out) But wait!

(They pay no heed and go right for the stairs. Cut to the top of the tree, with Blossom flying tight circles around it and descending slowly; turn down to follow her. Buttercup is already eyeing the bare space under it with considerable disgust.)

**Buttercup:** What the heck? (Blossom reaches her.)

**Blossom:** Santa hasn't even been here yet! (Bubbles comes partway down.)

**Bubbles:** Yeah-huh. I heard reindeer on the roof. (The others float up to her.)

**Buttercup:** Oh, yeah? Then where are all the presents?

(Bubbles has no immediate response to this. Finally she shakes her head to clear it and finds her tongue.)

**Bubbles:** That's what I've been trying to tell you! THERE ARE NO PRESENTS!

**Blossom, Buttercup:** What?!

(During the following, Bubbles pantomimes to match her words.)

**Bubbles:** (rapid fire) Listen, okay, okay. Me and Octi were dancing with pirates in a pond, when a man in a gorilla suit started yelling. So I woke up, and then I heard Santa on the roof. And I tried to wake you up, but I couldn't, 'cause you wouldn't wake up. So I went down the hallway, and the Professor was snoring… (Cut to her bewildered sisters; she continues o.c.)… so I came downstairs to see what Santa left… (Back to her.)… even though I know I'm not supposed to. But there weren't any presents under the tree, just ornaments hanging! (happily) Like that cute little shoveling-snowman one, which is really my favorite because it's funny that a snowman would be shoveling snow, when he's made of snow! (She giggles, then gets back to business.)So then I looked in my stocking, but there wasn't candy. Instead, there was coal! Can you believe it? Coal! In my stocking! Which is just ridiculous, 'cause why would Santa give me coal? So I looked in your stockings, and there was coal there too! So I looked next door, and they didn't have any gifts either! Only coal in their stockings, and all the other kids on the block!

**Blossom:** (angrily) You went through other kids' stockings?

**Bubbles:** No! I saw through the houses. Duh! X-ray vision!

**Blossom:** Bubbles, you should know better.

**Buttercup:** No wonder you got coal in your stocking.

(They turn away and consider the matter closed, but Bubbles will not let it rest.)

**Bubbles:** (snarling) I already had coal in my stocking before I looked at the other kids' stockings!

**Buttercup:** Oh, really? Then why don't me and Blossom have coal in our stockings?

**Bubbles:** You do!

(It finally hits them like a two-by-four to the back of the head.)

**Blossom:** Me? (Bubbles nods sadly.)

**Buttercup:** You gotta be kidding. (A shake of the head.)

**Blossom:** Really? (Nod.)

**Buttercup:** Nuh-uh.

(Bubbles can barely bring herself to meet her sisters' eyes this time. After a moment, she nods again and they gasp, shivering with fright.)

**Blossom:** Buttercup I can understand, but… me?

**Buttercup:** (incensed) Hey!

(Cut to the stockings. Bubbles flies over, plucks down Blossom's, and dumps the coal out. It lands at her sisters' feet; they both gasp at the sight.)

**Bubbles:** See?

**Blossom:** This can't be right.

**Buttercup:** Um… yeah!

(Cut to the patio. Bubbles floats into view behind the sliding doors.)

**Bubbles:** It-it was a mistake. (Back to her inside.) He must not have checked his list twice like he's supposed to. (She shrugs.)

**Blossom:** We better find Santa and set this straight. (as they assemble into a line) Ho…

**Bubbles:**… ho…

**Buttercup:**… ho!

**Girls:** Let's go!

Me: Girls!

Me and the team all came in.

Me: Girls I sense trouble brewing. And I'm willing to bet that it has something to do with a certain sociopathic spoiled brat.

Blossom: I have a feeling you're right J.D.

Aylene: That brat!

Lola: When I get my hands on her she will be torn limb from limb!

Lori: I will tear that little brat apart!

(They take off and fly straight up the chimney. Up on the roof, they emerge from the vent with soot covering them from head to toe, look at each other, and share a laugh over their disheveled state. They are now in their everyday dresses. The merriment is cut short by a familiar voice from above.)

**Princess:** (from o.c.) Hello, Powerpuffs! (Pull back and up to put her toes in the foreground.) I've come to deliver you your Christmas present: A fourth and more powerful member of your team!

(Cut to her; she floats down toward them and is in her yellow Powerpuff-style outfit.)

**Princess:** Me! Princess! (They shake themselves clean.)

**Girls:** What?!

**Princess:** That's right! You can't deny me any longer! (floating slowly past them) Santa realized that I was the only truly nice kid in the whole world and that you were naughty for not giving me what I want!

(Cut to a slow pan over the rooftops to bring her into view, surveying them with her back to the camera. Stop when she is at center screen.)

**Princess:** So now every kid in the world gets coal! And I get what I've always deserved: (turning around; zoom in) To be a Powerpuff Girl!

(She fires lasers from her eyes; the girls bear the full brunt of this assault and drop like rocks, landing face first in the snow to cut three

Powerpuff snow angels into it. They quickly emerge.)

**Buttercup:** This is so wrong! (Close-up of the other two.)

**Blossom:** How could Santa believe that Princess is nice?

**Bubbles:** Excuse me? How could Santa believe that I am naughty? (Pan slightly to Buttercup.)

**Buttercup:** 'Cause you snooped on other people's presents!

(Bubbles gives her a hard sidelong glance and takes a second or two to get herself under control.)

**Bubbles:** Look. I already told you, I only looked 'cause we didn't have any presents, so I wanted to see if any other kids had any presents.

**Blossom:** Enough chatter, girls. We better find Santa and fast.

Me: Princess Morbucks you are gonna pay dearly for this you wretched freak! We'll hold her off and you 3 go to the North Pole.

Blossom: Right. Lets go!

(They start to take off into the night, but Princess blocks their exit.)

**Princess:** Oh, no, you don't. (Zoom in slowly on her.) I knew you conceited little ingrates wouldn't be able to accept the fact that Santa thinks you're naughty.

(On the end of this, cut to Blossom and Buttercup trading a suspicious look - they are starting to figure out the scam. Princess moves in a bit closer to the girls.)

**Princess:** But I'm not gonna let you spoiled brats ruin my Christmas.

I punch her in the face and kick her in the mouth and knock out one of her teeth.

Me: Princess you ruined Christmas for everyone all over the planet and you will pay for that!

It was a vicious fight that will decide the fate of Christmas. We unleashed a savage and brutal onslaught of attacks and powers on Princess and she was too overwhelmed by our power. Lori fired a blast of wind and blew Princess into a mountain and she crashed into it with incredible force. Lola and Aylene fired a blast of fire and burned her badly. Lana fired a blast of ice lightning and froze her in ice and Laney wrapped her in bramble vines.

Taranee: You don't deserve to be a Powerpuff Girl!

Taranee fired a blast of fire and burned Princess badly.

Irma: You are a heartless monster and you lack the one thing a Powerpuff Girl needs!

Princess: And what's that?

Irma: A pure heart!

Irma fired a blast of water and Will combined a powerful blast of lightning with the water and electrocuted Princess badly.

Lincoln fired a lot of lightning and electrocuted her more.

Lucy fired a blast of black lightning it hit Princess in her eyes.

Lucy: Let fear consume you completely.

Princess saw every dollar bill she made in her entire life burst completely into flames and she screamed in sheer. Horror and Lucy punched her in the face and Brittney kicked her in the mouth and knocked out some more of her teeth.

Lily fired some glowing water and drenched Princess and Lisa splashed her face with acid and she screamed in pain as it burned and Lisa fired a laser and it hit Princess and burned her.

**Me as the Narrator:** More rapid than eagles, the coursers they came, And they screamed and they shouted and called each other names.

(Close-up of the fire in Santa's office.)

But in a toymaker's shop way up ahead,

(Pull back to show the whole room. Santa sits by the fire in his undershirt.)

A jolly old elf was filled up with dread.

(Close-up of a nearby sideboard. A coffee cup labeled "Old Nick" and a sugar bowl sit near an open carton, while a shelf bristles with bottles of stronger stuff.)

**Me as the Narrator:** This one Christmas Eve weighed great on his soul,

(Santa reaches into view and pours eggnog from the carton into the cup.)

Back from his night of delivering coal.

(Team Loud Phoenix Storm and Princess continue their final mad dash. Extreme close-up of a very glum-looking Father Christmas as he chugs down the contents of his cup. He lowers it, groans softly, and burps. We all charge along. Close-up of the cup as it is set down on the sideboard, eggnog splashing out. The midair sprint goes on. A shelf loaded with toys is swept clean by a swing of Santa's arm. The racers home in on the toy factory. Santa trudges passed the tree and kicks aside some of the presents under it. His undershirt is far too small to cover his immense gut, and his red pants are held up by suspenders that look as if they are violating every principle of physics by not breaking under the load.)

(As we all barrel along, Princess grabs Blossom's ponytail. It takes almost no time for this move to bring them all into a full-scale donnybrook; their light trails flash in place and together look like a drawing of an atom. We were hitting Princess with everything we got and the group tumbles out of the sky and crashes into Santa's parked sleigh. It's left in ruins, and the tussling foursome bounces into the air again.)

(Trailing the four-colored streak and still fighting, the girls, Team Loud Phoenix Storm and Princess hurtle through the night sky. Cut to inside a stable, where the reindeer are resting from a hard night's work. The sound of the fight grows from outside; there is a sudden flash, and we are ricocheting all over the place and causing a stampede. Inside the production area, the animals crash through a door and run through the place in a panic.)

(The fight plows in after them and knocks away several crates of toys before sailing up to the rafters and down again. An area in which teddy bears are being packed is reduced to a litter of crushed boxes in an instant. Now we flash off somewhere else - the candy cane line is next to be smashed. Stacked crates of Betty Wetty dolls are next to go - releasing a flood of fake urine in the process. The tank of rubber balls gets a hole smashed through it, and the contents pour out over the floor. Elves run like sixty to keep ahead of the landslide, but to no avail. Finally we all rocket toward the doors of Santa's office; a flash of multiple colors, and we are inside. The panels have been broken through.)

(At the other end of the room, the girls, Team Loud Phoenix Storm and Princess have finally stopped our flight and we are locked in one another's arms on the floor. Amid yelling and cursing from all parties, We all get in as many licks as they can from their respective positions. However, a broad shadow throws itself over us and we stop what they are doing; cut to their perspective: Santa is standing over us and not looking particularly thrilled at all this.)

**Santa:** (angrily) Ho ho ho! (Shift to frame all five.) What's with all the crashing and the smashing, and the smashing and the crashing? Huh? I'm out delivering coal all night long, and I come home to the Smashing-and-Crashing Gang?

Me: Santa.

Santa: Oh J.D. Knudson.

Me: We apologize for coming on such short notice but we have a strong feeling that Princess here is sabotaging Christmas for everyone around the world.

Princess: Nu-uhh!

Varie: Shut up! Princess!

Santa: How can that be?! I's gots the list, baby.

(Close-up of it as he slams it to the floor, across from the girls and Princess.)

**Santa:** (from o.c.) Check it! (Princess perches atop the stack and puts her hands on her hips as Santa already has his arms crossed and looking stern.)

**Princess:** Yeah! Check it!

(She kicks it over, sending a cascade of pages unfolding from the accordion stack toward the girls to bury them. They pop out, inspect different sections, and gasp at what they find: Remember, this is the "nice" list that was falsified.)

**Santa:** Yeah! A million bazillion good-for-nothin's on this list! (holding up Post-It from his monitor) And one little itty bitty, perfect little angel over here.

(Close-up of a beaming Princess on the end of this. She is still in midair, at the point from which she kicked over the list.)

**Princess:** (sticking tongue out) Nyah! (Back to the girls.)

Me: This list is a fraud Santa.

**Bubbles:** Yeah this is not right! (She flies up to Santa.) Maybe you didn't check the list twice! (Pan left; Buttercup flies up behind him.)

**Buttercup:** Yeah! Princess is the naughtiest kid ever! (Pan right; Blossom joins them.)

**Blossom:** She must've snuck up here and switched the lists!

Me: More than that girls. She made a false Naughty List and made everyone in the world Naughty except for her and she doesn't deserve anything.

**Princess:** They're jealous 'cause I'm nicer, I'm smarter, and I'm prettier, and I'm better than them - so they wouldn't let me be a Powerpuff Girl. (fiercely; he cowers again) That makes them naughty! And those numbskulls on Team Loud Phoenix Storm beat me up savagely!

Me: Because you are a spoiled brat and we were just stopping you.

**Santa:** (smiling) You mean, the Powerpuff Girls? (Cut to her, face going slack as she realizes she just spoke the wrong words and ruined her plan; he walks by beneath her.) Not the same Powerpuff Girls who are always helping people and saving the day and being really good? (He stops before the girls.) I mean, really good?

(They nod happily at his appraisal of their work.)

Me: That's them Santa.

**Santa:** Yeah, yeah. See, that explains all the flying and floating and stuff.

(Princess, now out of view, clears her throat loudly to get his attention. He steps aside and turns around, and we see her behind him. Zoom in on her; now it is her turn to steam at having just screwed up and being jealous once more.)

**Princess:** But I should be a Powerpuff Girl! Me! Not them! Me! My daddy says I'm better! My daddy says I'm the best! And if you're too much of a fatheaded fathead to see that, I'll tell my daddy!

(She flies around a corner and out of sight. Cut to inside this area as the girls and Santa cautiously peek in. Pull back to the sound of items being knocked around; silhouettes of various toys are in the foreground, as is that of Princess.

**Princess:** And he'll come and build a parking lot over this cheap little arts-and-crafts popsicle stand of yours!

(During this, cut to her. She kicks and throws several toys all over the place as she speaks, then finishes by grabbing a hobby horse and breaking it over her knee. Close-up of the pieces as they are thrown onto the floor.)

**Princess:** (from o.c.) Got it?!

(Turn up from the debris to Santa and the girls, who look down at the scene with some consternation. Princess rises to face them and slowly backs him up across the room.)

**Princess:** So, you better give me whatever I want for Christmas… (He hits the tree in the corner, knocking off the ornaments.)…'cause my daddy says I get whatever I want, whenever I want it! And if that means all of those lousy, worthless, second-rate, bargain-basement brats in the world don't get anything for Christmas, then that's just the way it's gonna have to be!

(Near the end of this line, cut from her to Santa; back to her after "have to be.")

**Princess:** 'Cause I am better than them! (getting in his face, grabbing Post-It from his hand) And it says so right here!

(On this last word, close-up of him; she reaches into view and shoves the yellow square in his face - giving a clear view of the fraudulent "NICE" heading. That view gets even clearer when the camera shifts to an extreme close-up of the note. She yanks it away after a long pause.)

[Continuity error: Her last name is spelled with an E in the first shot, but not in the close-up.]

**Princess:** So put that in your pipe and smoke it, Santa Clod!

Me: Now you've done it.

(His mouth hangs full open at this display of unbridled avarice, combined with a total lack of emotional control; the girls are similarly dumbstruck. As the seconds tick by, silently and tensely, Princess floats between him and the girls; close-up of her, smirking at them with a confidence born from her belief that she has beaten the system once and for all. Santa gapes up at her, but that smirk never wavers. After nearly fifteen seconds of stillness, his eyebrows lower in determination and he grits his teeth. He has made up his mind at last.)

**Santa:** LIST, SCHMIST! (grabbing Post-It, tearing it up) I don't need no stinkin' list tellin' me who's naughty and who's nice!

(On the end of this, cut to Princess, who watches the shreds float down around her with complete shock as she now realizes she's pushed Santa too far and has to face the consequences. Back to Santa.)

**Santa:** You know why? 'Cause I'm Santa Claus! (throwing down arms) Check it! Princess…

(He grabs her ear, then hauls her across the office as he continues. She yelps in pain under his words.)

**Santa:**… You have gone and worked my last nerve!

(He releases his grip and leaves her floating in midair. Close-up of her; she cries out a bit more and rubs her ear. Pull back to show him looking up at her with no sympathy whatsoever.)

**Santa:** (crossing room) I have no other choice. (Close-up of his back; zoom in on his head.) You are so rotten, so despicable, so naughty… (turning around)… I'm putting you on the…

(Pull back to show him standing by a large red-framed sheet of bronze on the wall - so tall that its upper portion is out of view.)

**Santa:**… Permanent Naughty Plaque!

(Turn up to the top as he speaks. The word "NAUGHTY" is inscribed in enormous red letters, with four names below it: Bill McCracken, Ryan Faust, Adolph Schickelgruber, Stephen Fonti. The upper edge of the frame is carved in the shape of a devil's head. Back to Santa.)

[Note: The first and second names refer to Craig McCracken and Lauren Faust, while the last is that of the storyboard artist for "Catastrophe"; he is also a writer for SpongeBob SquarePants. The third is what Adolf Hitler's name would have been if his father had not changed his own several years before the dictator was born.]

**Santa:** (imitating dramatic horns) Bum-bum-bummm!

(Princess gasps in unmitigated fear, knowing that justice is about to be served. Extreme close-up of Santa's lifted index finger and follow it slowly through the air as he brings it to his nose. He touches the tip; a flash of snowflakes, and Princess' name is now cut into the metal as well, signifying her permanent naughty status for the rest of her life. She screams in horror at the sight; back to Santa, his arms folded in finality.)

**Princess:** (from o.c.) You can't do that! (Cut to her, the girls at a distance.) I'm telling my daddy!

(She takes off and smashes an exit for herself through the office wall. Visible only as a bright speck, she makes a beeline for the distant mountains. Santa, us and the girls move closer to the hole to watch her go. He turns to them, holds up his finger without a word, and touches it to his nose. Cut to the fleeing Princess who, in a flash, suddenly finds herself back in her street clothes. She soars along a few hundred yards more before realizing that she has been stripped of her powers, then loses her forward momentum and drops from sight with a sharp gasp. Screaming, she plummets toward the snowy expanse and plows deep into it. A second later, she slowly emerges from the hole, with snow covering her from head to toe, and forces her eyes open through the covering. Pull back into the office; she cannot be seen from this far away.)

**Princess:** (in distance) NO FAIR!

(Satisfied, Santa turns toward the girls and blows a little dust from his finger; they giggle at the demonstration.)

**Buttercup:** Wow, Santa! We didn't know you could give kids superpowers for Christmas.

**Santa:** (shrugging) Eh. No one's ever asked.

Lori: That is literally amazing.

Me: And to make matters worse for Princess I made sure she never touches another single penny ever again. I called the FBI and the IRS. They arrested the entire Morbucks Family and all of Princess's fortune and assets have been seized and given to us.

Nico: Good riddance.

Rachel: Yep.

**Blossom:** Santa, it's almost morning! What about all the nice children who got coal?

**Santa:** It's all right, everyone. (cracking knuckles) I've pulled rush jobs before. (Cut to outside the hole.) All it takes is…

(The sound of o.c. yelling cuts him off. Pull back as they all look out through the hole, then pan across the landscape. The reindeer were so badly spooked by the stable shakeup that they are completely out of control. Elves try to rein them in and pull them down from roofs, but without any success whatsoever. Others pick up bits of broken wood and inspect the ruins of the sleigh. This stuns Santa and the girls more deeply than Princess' meltdown did; he claps his hands to his face, then pulls them down his cheeks and lets off a long groan before walking away.)

**Bubbles:** (small voice) All those poor boys and girls. (He leans against a wall.)

Me: Yeah.

**Santa:** Hundreds of years of perfect attendance.

(He walks out of sight around the corner; cut to an armchair as he sinks wearily into it.)

**Santa:** (sobbing) A couple of close calls… but we've always made it. But now… (Pull back across the room; this is a different part of the office.)… I'm ruined.

(Close-up of him, self-pity written in big block letters on his face. Turn up to the girls in midair, their heads bowed sadly, then back down to him. Suddenly his eyes pop wide open and he sits up.)

**Santa:** Powerpuff Girls, and Team Loud Phoenix Storm with your streaks and hearts so bright, won't you deliver the Christmas gifts tonight? (Their faces brighten.)

**Blossom:** We'd be honored, Santa, and we'll do our best.

Me: It'll be an honor Santa.

(We take off, the camera following them across the office until they exit through the hole in the wall. He looks around the back of his chair to watch us go, then rubs his forehead. It seems his earlier delivery and what just happened with the Girls, Team Loud Phoenix Storm and Princess has really done a number on his brain.)

**Santa:** (wearily) Good, 'cause my head's killing me.

(Cut to the all of us in flight. We are carrying an enormous sack - the toys that should have gone out earlier.)

**Me as the Narrator:** So all 'round the world the Powerpuffs and Loud Phoenix Storm flew,

With a sack full of toys and a giggle or two.

(We oblige him. Cut to a typical suburban neighborhood.)

They knew that their job was to fly through the skies…

(The girls and Team Loud Phoenix Storm streak into view and over the horizon.)

And deliver the gifts before the sun should arise.

(Cut to a living room.)

They spoke not a word, but took care of their deed,

Delivering gifts at a breakneck speed.

(During the first line of this couplet, we come down the chimney, unload a pile of gifts, stuff the stockings, and exit as we came in. On the second, cut to a pan through the neighborhood; we individually visit one house after another.)

**Me as the Narrator:** Their streaks ribboned the sky, their swiftness severe.

They'd have sure been the envy of eight certain reindeer.

(Quick pan to another area; we keep working.)

In and out of all chimneys, each and every abode,

Gift by gift, they completed the task they were bestowed.

(Snap to white. Gifts appear as they are named.)

Dollies and race cars, horseys, choo-choos, and blocks,

Teddy bears! Puppy dogs! (less enthused) Underwear and socks.

(Cut to a slow pan across the present-laden base of a tree.)

All these items slipped under every child's tree,

Arranged rather nicely by these super girls three.

(Bubbles comes into view on the far side; she nudges a box atop the pile and bugs out. I give her the thumbs up. Cut to the top of a door as the girls stop near it. A balance scale is shown in the glass above the frame, suggesting a location connected with law enforcement or the legal profession.)

**Me as the Narrator:** They were making good time, even though they were rookies,

(Blossom reaches down o.c. and brings up a snack meant for Santa, and we do as described.)

So they stopped once or twice to have milk and some cookies.

(Pull back; they are inside the front entrance of the Townsville police station. The camera has backed across the foyer and into a jail cell in which Princess has been deposited, looking very angry at being locked up once more for her crimes, and this time, condemned to never getting another gift again by Santa. She is wrapped from nose to knees in yellow ribbon tied with a bow, and a tag is attached: "Merry X-mas, TLPS & PPG's." From here, cut to the exterior of the girls' house.)

**Me as the Narrator:** Then at last they were done - whew! - just before dawn.

So they sped back to Townsville, to home with a yawn.

(Weaving back and forth due to fatigue, they fly in through the bedroom windows. Cut to a pan across the room; they float in, yawning and rubbing their eyes, and head straight for bed.)

**Me as the Narrator:** They entered their rooms, for the wear no less worn,

(Buttercup pulls up the blankets, and all three are instantly asleep.)

And snuggled into bed to await Christmas morn.

(Cut to a point near the ceiling. The Professor bounces into view, accompanied by the creaking of bedsprings.)

**Professor:** (excitedly, on separate bounces) Girls! Wake up! Wake up! (Pull back; he is jumping on their bed, annoying them.) It's Christmas! It's Christmas! (He stops jumping and bends down, laughing.) He came! Santa came!

(Close-up of them.)

**Professor:** (from o.c.) Come on, come on! Let's go open the presents, come on, let's go, let's go, let's go! (Back to him.) I think somebody might have gotten that new atom splitter they've been eyeing!

(He moans eagerly, clasps his hands together hard enough to make them quiver and chews his lip in anticipation. Next he starts jumping on the bed again.)

**Professor:** Come on, come on, come on, come on! (He giggles.)

(Finally he gets a response. On the next three lines, each sits up with her eyes still shut tight.)

**Bubbles:** Professor, it's too early!

**Blossom:** We'll open presents later.

**Buttercup:** Go back to bed!

(They lie down again; he sits at the corner of the bed, his head hanging, then shuffles disappointedly out of the room and pulls the door shut. The girls sleep peacefully for a moment before waking up in time with the following lines.)

**Bubbles:** Wait a minute.

**Blossom:** What are we saying?

**Buttercup:** Who cares if we're tired?

**Girls:** It's Christmas!

(Cut to the balcony. The Professor clumps along toward his own room and stops when he gets halfway there. Without warning, the girls streak past, jolting him out of his deep blue funk.)

**Girls:** Presents!

(He breaks into a huge smile and runs toward the stairs. Cut to just outside the lighted living room window; happy chatter is heard from inside, mixed with the sound of wrapping paper being torn off boxes. Pull back slowly to frame the entire house, with all its windows now illuminated, and stop on Santa at the curb. Fully suited up, he looks toward the family and then tips a wink to the camera.)

(A touch of his nose, and the background for the end shot comes up in a flash.)

**Me as the Narrator:** Now all the nice kids of the world won't get stiffed.

They'll look on with pure joy at every wrapped gift.

So paper's torn open and ribbon unfurls,

'Cause Christmas was saved…

(The girls appear in their usual formation and sporting Santa hats. Snow falls behind them instead of gold stars.)

… thanks to Team Loud Phoenix Storm and the Powerpuff Girls!

Scene shifts to the real world.

Me: THE END

Everyone cheered wildly for me.

Rainbow Dash: Awesome story J.D.!

Qin: That is awesome!

Lola: I love that story.

Robin Food: The original Morbucks really was a menace.

Me: Boy she sure was!

Rainbow Dash: Yeah no kidding.

Me: Now she is a permanent resident in the Limburger Cheese mines.

Qin: Very fitting for her. Thank goodness 2016's version of her is not that bad.

Lola: Yeah no kidding.

Me: Nico what are you asking Santa for Christmas?

Nico: Lots of stuff, actually.

Puff: Can't spoil it for us, huh?

Nico: It's a surprise.

Stink Bug: Fair enough.

Me: Well I can't wait though.

Nico: But we got a holiday to save.

We arrived at Santa's village.

Bugly: Everything's quiet so far.

Nico: So far.

Me: Santa what can you tell us about this toy version of you?

Santa Claus: Well I made him to take my place should I ever need some quiet time. But as you all can guess it was a disaster waiting to happen.

He told us all about it.

---

Toy Santa is the main antagonist of The Santa Clause 2.

He was portrayed by Tim Allen, who also voiced Meldar Prime. He is the archenemy of Scott Calvin and Bernard.

The Toy Santa was created by the Keeper of the Book elf, Curtis, to replace Scott Calvin while he was away, against the wishes of Head Elf, Bernard, who reluctantly played along, and told the other elves that Santa had a makeover to keep them from questioning Toy Santa's synthetic appearance. Initially, although he had a considerable edge compared to the real Santa, he seemed to be doing his job decently. However, as he memorized the handbook and rules of being Santa, he began following the handbook too strictly.

He double-checked the naughty-nice list, against Bernard's claims that it was unnecessary to do so, and having no sense of grace or mercy in his plastic heart, he deemed all the children of the world naughty for every occasional misbehavior. Bernard and Curtis both insisted that Toy Santa was holding the children to impossible standards, especially around the holidays, but he refused to listen. Toy Santa then went crazy, creating an army of life-sized toy soldiers and announcing that he planned to give all the children of the world a lump of coal. Bernard attempted to expose Toy Santa as a fraud, but was captured by the Toy Soldiers and locked up.

Curtis managed to escape to inform Scott of Toy Santa's horrible plan. When Scott returned to stop him, the Toy Santa rode off in his sleigh. Then, Scott went for a ride on Chet the Reindeer to go after him. Then, the elves captured him and turned him into a small toy.

---

When he was done we gasped!

Qin: Oh man!

Xenia: That's insane!

Me: Wanting some time away I can understand but what he is doing is just absolutely insane!

Griffin: You should've programmed him better.

Animal Path: Probably with a failsafe.

Me: I don't think he's a robot is he?

Santa Claus: No he's a giant version of a toy.

Nico: Either way we have to stop him or else no one will trust you ever again.

Xenia: Yeah.

Runabout: Wait. Doesn't he have toy soldiers?

Santa Claus: Yes he does.

Me: Tiny ones or human size ones?

Santa Claus: Human Size.

Qin: Uh oh.

Morrigan: (sees said Toy Soldiers) (Scottish Accent) Are those them?

Spymaster: Sure looks like it!

Me: Lets kick some toy soldier butt!

Qin: Yeah!

Nico: You don't need to tell me twice!

Sakura Haruno: I got this! EARTH STYLE: RASENGUN!

She formed a finger gun and fired a brown Rasengan like a shotgun and it hit many of the Soldiers and they exploded all into scrap metal! 75% of the soldiers were all destroyed in one fell swoop!

Naruto: WHOA! Nice job Sakura!

Zhuqiaomon: That was great!

Beastbox: (hears a rumble) Wait. Hear that?

Just then, the wall was ripped off by a dragon made of Lego bricks. The Lego Dragon roared at us!

Me: WHOA A LEGO DRAGON!

Xenia: That is cool!

Lola: Yeah!

Nico: Yeah!

It breathed fire and Nico fired a blast of fire with Nuova Shenron's powers and it overwhelmed the dragon's fire and went down its throat and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

The explosion blew it to pieces!

But then, it regenerated.

Abomination: Nice job, Nico.

Lego Bane: Now, leave it to the two of us!

Nico: Go for it.

They went at it.

Audrey Sauron: Now watch this one.

She used her powers and made a lego lifesized replica of the Tower of Sauron and it shined it's eye on the soldiers and it caused the soldiers to attack and kill each other.

Adagio Dazzle: Lets sing girls.

The Dazzlings sang their song and the soldiers were fighting and killing each other viciously and ferociously and we absorbed all their negative energy.

Buddy Pine: I should probably help kill that Lego Dragon.

Nico: Go for it!

He used his Zero Energy beam and froze it in place.

Captain Frightbeard: Nicely done, lad!

Goliath: Don't worry. I'll just shatter it! Not destroy the Lego Bricks!

Nico: Go for it!

Goliath grew REALLY tall and then SHATTERED It with a massive punch!

Xenia: Take that!

Ashi: Let's scoop up these Lego Bricks.

Nico: Good idea.

We went and did so.

Lola: That was cool though.

Lana: It sure was.

Nico: Now lets go after Toy Santa.

Brawlrus: Entrance time!

We went at the wall of the factory.

Toy Santa was watching the elves make coal.

But then the spirits of the Toa Metru appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the wall and a phoenix cry was heard and Nico came out!

Nico: ALL RIGHT TEAM LOUD PHOENIX STORM! LETS ROOCCCCCKK!

We all ran in and beat the living shit and crap out of toy soldiers and kicked them all into dust! We were REALLY SMASHING THEM INTO DUST!

Toy Santa: Team Loud Phoenix Storm!? STOP THEM!

The Toy Soldiers were being pulverized all over!

BOOT! SOCK KRACK! WHAM SMASH! BLAM!

We were really smashing them into dust!

BLAM SMASH WHAM!

Nico bashed numerous soldiers all over with chairs and kicked a soldier into a bunch of coal of machines.

WHAM! SMASH BLAM BLAM BLAM BLAM BLAM!

Xenia fired arrows and blasted numerous soldiers.

Quillfire: Your scheme will not prevail, tyrant!

Pyro: No nice kids deserve coal!

Toy Santa: Hmmm, NO CAN DO! I got coal to deliver, I want those naughty children to SUFFER!

Nico: Over my dead body!

Nico fired waves of energy and smashed and pulverized him all over.

Qin: YEAH!

Then Steam Smythe, Iron Lung, Bronze Kneecap, Touch & Go, Firebrand, Plastique, Girder, Red Ghost, Lady Shiva, Johnny 13, Sir Raleigh, Windfall, Fracture, Evil Search Man, Comrade Red, Evil Magma Man, Quicksand, Saleen, Kuroto Dan, and Boil Man appeared.

Iron Lung: Wow you guys have been busy!

Qin: All that and more.

Steam Smythe: This is actually the first time hearing about Billy's suit of armor.

Iron Lung: Same with me.

Bronze Kneecap: I hope we get to see it in action in the near future.

Me: You will soon.

Mr. Touch: (to Nico) We heard you went to a condiment factory.

Nico: We sure did.

Firebrand: How was it?

Me: It was awesome and we took down a dark version of Rolf.

Lola: Yeah.

?: Boy that is cool!

A figure came out and it was MORGANA, Emperor Gruumm's daughter!

---

Morgana, also known as Mora, is a major antagonist in Power Rangers S.P.D. and Emperor Gruumm's right-hand henchwoman. Morgana was turned into a ten year old girl with the ability to create real monsters with just her imagination by Grumm. However, mid-way through the season, Grumm reverts her back to her form of Morgana as punishment for failure.

Morgana is portrayed by Josephine Davison, who also played Itassis in Power Rangers Mystic Force, and Arachne in Hercules: The Legendary Journeys, while Mora is portrayed by Olivia James-Baird.

Mora first appears as a 10-year-old girl who is pure evil. She is a pictomancer, being able to create monsters from magic paper drawings. Besides serving Emperor Gruumm, Mora enjoys playing with dolls. She has multiple contacts and reference in the criminal underworld.

As Mora, she is very spoiled and got on Gruumm's nerves. She took advantage of a lonely, young boy called Sam by promising to be his friend if he would use his powers of teleportation to help her monster, Bugglesworth.

Sam finally realized the evil acts that Bugglesworth was committing and helped Z Delgado, the Yellow SPD Ranger, foil Mora's plan to turn people into dolls. After countless defeats, Emperor Gruumm punished Mora by transforming her back into her adult form, Morgana.

After Morgana succeeded in retrieving a powerful plasma from a laboratory, Gruumm granted her wish and turned her back into Mora. However Omni, the true leader of the Troobian Empire, soon forced Mora to pledge allegiance to him under his mind control. As a result of this, Mora's personality underwent a dramatic change.

Near the end of the series, Chief Anubis Doggie Cruger, the SPD Shadow Ranger, confronted Mora on Gruumm's ship. She threw as many monsters as she could of drawn at him, but he destroyed them all. Eventually, she ran out of paper to draw monsters on and Cruger captured her.

---

Jack Landors: Morgana!

Morgana: Been a while since I faced you rangers.

Me: Boy how can I forget you Morgana. Especially those awesome monsters you made.

Xenia: Yeah that was awesome.

Morgana: that was cool.

Sydney Drew: So, you're an adult again.

Morgana: Right now, I am. Vypra gave me the ability to switch into my child form whenever I'm not in battle.

Me: That is amazing.

Qin: Yeah!

Me: And here is your archenemy too.

Catherine came out.

Catherine: (French Accent) My name is Catherine and I am your archenemy. I'm the Digidestined of France.

Morgana: It's a pleasure to meet you Catherine.

Qin: Nice!

We got the usual battles underway

## Sakura Haruno, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Ben Tennyson, Scavenger and Bonecrusher VS Steam Smythe - Nico's rescue and Luan transforming and killing Dark Kevin

---

Steam Smythe was first.

Steam Smythe: (to Sakura) Nico's rescue involved Luan transforming and killing Dark Kevin at that Condiment Factory. Good thing he didn't have a dark version of the WarKevin suit.

Sakura Haruno: Boy that is a good thing or else we would be in serious trouble.

Pinkie Pie: Yeah but thank goodness he didn't have that or who knows what would have happened.

Maud Pie: (monotonously) That would not be a good thing to talk about.

Featherweight: Yeah that would be bad.

Sprocket: That would be a really bad thing.

Ben Tennyson: Yeah no kidding there.

Steam Smythe: No kidding there. Lets do it!

Sakura activated her Legend Items and got a Gear Sword and fired waves of boulders and bashed him down all over and then they fired waves of earth, rock, metal, gears and lightning and smashed him down.

## Tyler Bowman, Starlight Glimmer, Cozy Glow, Undead Skylanders, Turtle Brothers, Robin Food and Mushi VS Touch & Go - Meeting gene-slammers for Ghostrick Warwolf and Masterflare Hyperion

---

Mr. Touch and Go were next.

Mr. Go: (to Tyler) We heard you guys met gene-slammers for Ghostrick Warwolf and Masterflare Hyperion. What are their names?

Tyler Bowman: Their names are Isabella Lupa and Lua Foo and we found out that Lua is the daughter of Hak Foo.

Mr. Touch: Wow! That was unexpected. I didn't know one of Lincoln's Guardian Angels was Hak Foo's daughter.

Starlight Glimmer: We were just as surprised as anyone was.

Cozy Glow: Yeah and their stories are awesome too.

---

Isabella Lupa: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lua Foo: (Chinese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Isabella Lupa: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Isabella, Lua Foo, what memories did you have with Lincoln?

Isabella Lupa: I remembered this one time, Lincoln and I were training underneath the moonlight and we were both in our werewolf forms for this one, and I was in a black sports bra and black shorts and Lincoln was only in black shorts: Lincoln was training me in hand-to-hand combat and how to control the murderous urges I get when the curse takes hold, and they really worked. Plus, we also did some wrestling, and I was still stunned as to how Lincoln was able to pin me onto the ground, but that, of course, turned into a make-out session with both of us kissing and hugging.

Me: A training session that turned into a make-out session under the moonlight?!

Isabella Lupa: We almost gave into our animalistic urges, but Lincoln showed that he had control over them, which really amazed me.

Lincoln: You can thank Rudina for helping me out with that one, Isabella. She helped me greatly with controlling the werewolf in me.

FLASHBACK PAUSES

Mr. Touch: Wow! So Lincoln helped Isabella reign in the strength and power of her werewolf form with her will and power and made it a great power! That's amazing!

Cozy Glow: It sure is. And listen to Lua Foo's story.

FLASHBACK RESUMES

Lua Foo: (Chinese Accent) That's for sure. Now, for me: I remembered this one time, I was helping Lincoln with some martial arts training, and Lynn was also there to help out as well, but then, we'd heard the sound of shrieking in the air, and we saw who it was that coming after us: it was Lori, and she was out for blood. Lincoln used his martial arts training from me and the other Guardian Angels and he defeated Lori, and Lynn tied Lori up with energy ropes and we dragged her back to The Loud House. Lincoln told Mr. and Mrs. Loud of what Lori tried to do to him, and Lori got grounded for nine weeks, and we soon found out that the reason why Lori was in a nasty bad mood was that her phone screen cracked again, and we soon found out that Lola was the one who did it, she screamed and she ran out of the room.

Lynn: Yeah, and Lola confessed that it was an accident. But, Lori was going to kill her, until Lincoln knocked her hard on the head and knocked her out. Knowing that it was an accident, Lola didn't get punished, but she didn't get any dessert for two days, and she accepted it.

Lincoln: She was learning not to throw any of her temper tantrums, and that was the sign that she too was breaking free from her Dark Side, but Lori, she had a long way to go.

Nico: Oh yeah, now I remembered that day.

Me: Me too, and I was still stunned to find out that Lua Foo is your daughter, Hak Foo.

Hak Foo: True, but you didn't ask. But, I'm still proud of my daughter for what she's achieved, and she's been protecting Lincoln from bullies ever since.

Lua Foo: Thank you, Father, and Lincoln will take good care of me, do not worry.

Amy Rose: That's awesome to hear.

Sticks the Badger: Yep. Oh, hey, Lincoln, it's almost time.

Lincoln: Oh yeah, our first beach date with you and Maggie, Sticks.

Sonic: You know, I'm still surprised at how Lincoln got together with Sticks.

Tails: Same here.

Amy Rose: But, still, it's really sweet that Sticks and Lincoln are now together, and I didn't know that your sister, Maggie, had some feelings for Lincoln as well, Haiku.

Haiku: I've noticed it, but I knew it was only a matter of time.

FLASHBACK ENDS

Mr. Go: WHOA! Lincoln's training in Martial Arts from Lua really paid off! I'm proud of him.

Stealth Elf: Billy got the Cursed Armor Suit of the Black Knight from

Grim and he looked great in it.

Iron Man: But the suit was a magical one and it couldn't be removed until he won a challenge.

Firebrand: But Brittney used her magic to remove that curse right?

Iron Man: She sure did. Her magic removed the curse from that armor and Billy can wear it whenever he presses a button on a watch.

Firebrand: Boy I'd like to see Sperg try and punch him in the face or give him a wedgie now. Lets do it!

Johnny 13: Will your Penance Stare work on Toy Santa?

Ghost Rider: No this guy is a machine and he has no soul. It will only work on those that have souls.

Johnny 13: Oh. That makes sense.

Princess Celestia: Yeah but what he is doing is awful!

King Solar: I can't believe he wants to destroy Christmas's good name.

Lincoln: There's no mistaking that scent from anywhere, you can come out now, Arachnotaur.

A muscular cow with a crimson spider body came out, and it was our old enemy, Arachnotaur, The Spider God of Anger.

Grim: (Jamaican Accent) I don't know how you escaped from The Warp, mon, but this ends here and now.

Serena Elma: Time to teach you a lesson.

Suddenly, Serena Elma's pink eyes turned neon pink, and she was surrounded by a pink energy aura with plants, butterflies, flowers, trees, and fairies, she unholstered her massive Guardian Elma-themed greatsword from her back, and as she approached Arachnotaur, she left pink energy, plants, butterflies, flowers, trees, and fairies with every step.

Serena Elma: There can be no forgiveness for the crimes you've committed for eons, Arachnotaur, you've poisoned so many people into fits of anger and so many innocents have died because of that, The Galactic Council was right to have imprisoned you eons ago, but now, I shall see to it that you die here and now, and this time, there's no way you're ever coming back.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Serena Elma was surrounded by a massive vortex of pink energy with flowers, trees, and plants surrounding the vortex, there are butterflies, fairies, and Guardian Elma flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Serena Elma emerged, but she was changed forever.

Serena Elma grew from 6'5" to 7'4" in height, she has the body of a goddess, she has spring green highlights in the bangs of her short neck-length pink hair and green flower barrette in her hair, she has neon pink eyes and a pink energy aura with plants, butterflies, flowers, trees, and fairies surrounding her, she has the Guardian Kanji in the hands of Guardian Elma emblazoned on her forehead and Third Eye with pink iris, she has on fairy earrings with pink gems for eyes and holding the Nature and Eternity Kanjis in its hands, she also has Guardian Elma with pink gems for eyes and holding the Nature and Eternity Kanjis in her hands on the bottom of her pink fairy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Serena Elma has on a sleeveless dark purple midriff top, dark purple mini-skirt, pink shoes, and long white sleeveless trenchcoat with plants, butterflies, flowers, trees, and fairies on the coattails, and on the back is Guardian Elma and she's surrounded by plants. Suddenly, Serena Elma felt a sharp pain on her back, and then, her massive pink flower wings grew much bigger, but then, they were surrounded by light, and when the light faded, the pink flower wings had transformed into massive pink angel wings with purple tips on the feathers and they also have pink flowers that gave off a sweet scent, she now has eleven massive and long pink wolf tails, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Serena Elma's Guardian Elma-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, plants, butterflies, flowers, trees, and fairies and when it emerged, it was transformed into Guardian Elma's Pink Flower Butterfly Greatsword of Nature Guardian Justice, it's a brand-new massive greatsword with embedded pink gems and Guardian Elma etched on the 7'0" massive, wide, double-edged pink blade, large pink fairy heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large pink fairy heads with green gems for eyes and a large purple gem below the fairy heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Guardian Elma's head with pink gems for eyes and a large purple gem in its mouth for the belt buckle, Guardian Elma's dagger, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a pink kanji below Guardian Elma that said, "Serena Elma, Gene-Slammer of Guardian Elma, Powerful Master of Plants, Butterflies, Flowers, Trees, and Nature, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Luan, Despiser of Marybeth Oliver, Archenemy of Madama Butterfly, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Plants, Butterflies, Flowers, Trees, and Nature"

セレナ・エルマ、ガーディアン・エルマのジーン・スラマー、植物、蝶、花、木、自然の強力なマスター、愛するガーディアン・エンジェル、リンカーン・ラウドの将来の妻、ダーク・ルアンのスマッシャー、メアリーベス・オリバーの軽蔑者、マダマ・バタフライの大敵、スレイヤー悪、混乱、殺人、冷酷、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、植物、蝶、花、木、自然のマスター

Serena Elma has transformed into SUPER ANGEL-FAIRY-GUARDIAN ELMA-HARMONY CELESTIAL ETERNAL XELNAGA PINK FLORAL NATURE FLOWERSTORM GUARDIAN ELMA FAIRY ANGEL OF DIVINE PINK FLORAL NATURE GUARDIAN JUSTICE AND DIVINE PINK FLORAL NATURE GUARDIAN LOVE!

We were amazed by Serena Elma's Super Angel-Fairy-Guardian Elma-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Arachnotaur saw it, he charged at her to kill her, but Serena Elma fired a powerful pink energy blast with plants, butterflies, flowers, trees, and fairies at The Spider God of Anger and it sent him flying out of Santa's workshop and into the snow and we all followed, he got up, but he was truly enraged beyond measure.

Bayonetta: (British Accent) Truly smashing, Serena's transformed. Looks like Madama Butterfly is going to enjoy having the chance to fight her in her first usual battle soon.

Lincoln: She sure will, Bayonetta, and Serena, you look beautiful, how do you feel?

Serena Elma: (Divine Echoing Cosmic Voice of The Guardian Elma Nature Fairy Angel and Divine Plant Guardian Elma Love) I feel incredible, Linky, now shall we put an end to the Spider God of Anger once and for all?

Lincoln: (Smiles) With pleasure, Serena.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Serena Elma.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for eons, Arachnotaur, and now, you shall pay for what you've done.

Serena Elma and Lincoln went after Arachnotaur, who tried to hit them with webs, but they dodged them, and they fired extremely powerful blasts of rainbow energy, pink energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Arachnotaur and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Serena Elma and Lincoln threw fruit bombs at Arachnotaur, and they exploded and he was all covered in fruit juice.

Nico: Ooh, fruit bombs, nice one.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Serena Elma, her hand-cannon Blaster is known as Guardian Elma's Nature Guardian Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's pink with green leaves and plants on the blaster and with a Phoenix, Angel, and Guardian Elma surrounded by plants etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Serena Elma fired blasts of rainbow energy, pink energy, and elemental forces at Arachnotaur and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln ran at Arachnotaur and he put the Spider God of Anger into a brutal bear hug, so that he couldn't escape, and as Lincoln sank his fangs into him, Lincoln began sucking out Arachnotaur's blood and absorbing him into his skin and not only was he assimilating his powers, but he was also gaining a really astronomical power boost from all that anger he has. Then, as soon as Lincoln was done, an energy card with Arachnotaur's soul imprisoned inside formed in Lincoln's large left hand and when the Judgement Kanji formed, Arachnotaur's soul was sent to The Black Gates. We cheered as Serena Elma and Lincoln holstered their massive greatswords on their backs and powered down, and Serena Elma's new body, clothes, weapons, jewelry, Third Eye, eleven massive pink wolf tails, and massive pink angel wings are permanent.

Serena Elma: Your days of corrupting people with anger are over. Thanks for helping me destroy Arachnotaur, Linky.

Lincoln: (Smiles Warmly) You're welcome, Serena.

Suddenly, Serena Elma wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Serena Elma's face, they kissed passionately as Serena Elma's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Guardian Elma flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and plants and trees growing around them and we cheered wildly. Lincoln and Serena Elma came back to us as the display and Guardian Elma vanished.

Nico: Wow, guys, you really brutally beat down Arachnotaur.

Lincoln: We knew from Grim of how strong Arachnotaur was, but we were stronger and we showed him that his anger made him weak and blind, and it was eventually his undoing.

Serena Elma: Yeah, when you put him in that brutal bear hug and you did your thing, Lincoln, and we also know who we're meeting tomorrow, right?

Lincoln: Oh yeah, Alecto Shadowcall, Gene-Slammer of Ghostrick Witch for Day 4 of The Skylands Treasure Hunt.

Isabella Lupa: And then, all we have left after Alecto Shadowcall are Thera Amihan, Gene-Slammer of Ghostrick Yeti and Miyuki Shirayuki, Gene-Slammer of Ghostrick Yuki-Onna, and all of the Ghostrick Gene-Slammers will have been found.

Ursula Truaigheaingeal: (Scottish Accent) That's right, Isabella.

Plastique: Now, Santa, what have we learned?

Santa: Never put another version of me in charge of Christmas.

Girder: That's right.

Me: Exactly.

Red Ghost: But I don't blame you for wanting a break.

Shiva: We're still keeping the Legos though.

Johnny 13: It would be a waste to destroy them.

Me: But you have billions of kids all over the world that need you Santa.

Santa Claus: I know. So that's 6 times you saved me.

Qin: Yep.

Nico: But it was awesome. Great job today everyone.

Lola: Thanks.

Rarity: (To the viewers) Hope you darlings all loved this adventure as it was really fun.

Me: It sure was.

Santa: Thanks for helping me out guys.

Me: Anytime Santa.

We later went back home and enjoyed the rest of the day and went to sleep.

THE END.

Laney: They sure are. I think it's all beautiful up here.

Omi: (Tibetan Accent) It is most beautiful up here too.

Camie: It sure is.

Zuria: I'll say.

Nico: Omi, I want to thank you, Box Ghost, and your teams for coming.

Omi: It is a most generous honor to be with you on this rescue Nico.

Me: We're glad you all can come.

Xenia: We sure are.

Lincoln: (to the Bernado sisters) Girls, remember when we first met?

Natalie Bernado: I sure do. That was so awesome.

Nicole Bernado: You had problems in science class and we helped you with making a plasma ball.

Me: That is awesome girls. I didn't know you were that skilled.

Nadine Bernado: It's a hidden talent but yeah.

Me: It's still awesome though.

Lola: Yep.

Maria: And now, you girls are part of Lincoln's harem.

Nicole Bernado: We sure are.

Me: Not just them but numerous others.

Qin: Yep.

Zuria: How did Lincoln call you girls his guardian angels?

Me: That's what I was wondering myself for a long time ever since the whole gene-slammer fiasco began and we were discovering numerous other kinds of gene-slammers too.

Nico: Yeah.

Lincoln: Well I don't know the full extent of the story myself but I guess it was said that Heaven took pity on me because of all the abuse and torment I've had to endure at the hands of so many that they decided to form a massive group of angels for me to protect me.

Me: Hmm. Well we'll find out the full extent of the story someday. But Lincoln you are really lucky to have so many girls not just in your harem but also to protect you and all those you love including your sisters like Leni, Luna, Laney, Lucy, Lana and Lily.

Lola: That is awesome.

Lana: I'll say.

Nadine Bernado: Yeah we were chosen to be something special for him.

Nico: I hope we didn't do too much damage to Santa's place yesterday.

Me: Nah. Besides Toy Santa did most of the damage. But at least we saved all of Christmas from falsely getting only coal.

Xenia: But it was awesome helping him out again.

Camie: And this was how many times? Six?

Me: Yep. Six times we helped him.

Nico: Yep.

Rainbow Dash: But man J.D. that story you told us was really awesome!

Apple Bloom: Boy I'll say!

Me: Glad you guys liked it. I had it made for us on Christmas by the Ghost Writter.

Nico: I remember that. That was so awesome.

May: And we kept all those Lego Bricks.

Me: Boy did we ever.

Lola: Yeah those were so awesome.

Xenia: Yeah those were cool.

Lola: They sure were. And Audrey made an awesome life size lego replica of the tower of Sauron.

Camie: That was cool!

Laney: It sure was.

Nico: And I don't know why. But I feel like on the Ambassador mission today, I'll meet a Victreebel Gene Slammer.

Me: That one will be cool! And it's so funny how James's Victreebel chews on him every time.

We laughed.

Lola: Yeah that is so funny.

Xenia: Yeah that is so awesome.

Zuria: That sure is funny.

Luna: Dudes, it's so awesome that we're here in Switzerland.

Sam: It sure is.

Lincoln: We've been here before on our big trip around the world, and we also can't forget that this place is also where they make chocolate.

The mouths of Lincoln's sisters and the others drooled.

Nico: (Snickers) I might've known you'd say that, Lincoln.

Me: We knew his sisters were chocoholics, and just the smell of chocolate and they go wild.

May: And the same went with the Eds, since they love chocolate, as well as Jawbreakers.

Ed: Yum!

Nico: Alright. Let's keep our eyes out for any trouble.

Me: Right.

Luna: Dudes, it's so awesome that we're here in Switzerland.

Sam: It sure is.

Me: Switzerland is always a beautiful place to visit.

Lincoln: We've been here before on our big trip around the world, and we also can't forget that this place is also where they make chocolate.

The mouths of Lincoln's sisters and the others drooled.

Lola: Mmm chocolate

Nico: (Snickers) I might've known you'd say that, Lincoln.

Me: We knew his sisters were chocoholics, and just the smell of chocolate and they go wild.

May: And the same went with the Eds, since they love chocolate, as well as Jawbreakers.

Ed: Yum!

Suddenly, the Eds were grabbed by someone and they were getting the crap beaten out of him, and Lincoln grabbed the figure and pulled him off the Eds and threw him into a tree, and Lincoln gave the Eds three potions he made, and they were cured.

Eddy: Thanks, Lincoln, but who the hell was that?!

?: ROLF SHALL HAVE SWIFT VENGEANCE UPON YOU, ED BOYS!

Ed: TROUBLE, BAD!

Edd: Oh no.

We then saw the figure whom Lincoln grabbed and pulled off the Eds and tossed into a tree: it was Dark Rolf, and he was out for their heads. This version of Rolf was like Rolf but had red eyes.

Sam: Oh man, first, we had to deal with Dark Sarah, then yesterday, Dark Kevin, and now, Dark Rolf.

Luna: It's like the past of Peach Creek is coming back to haunt the Eds.

Me: Oh boy.

Dark Rolf: ROLF SHALL HAVE THE HEADS OF THE ED BOYS, THEIR TOMFOOLERY HAS ANGERED THE SON OF A SHEPHERD, AND THE SHE-DEVILS OF THE ED BOYS WILL FOLLOW THEM TO THEIR DEATHS FOR BEING WITH THEM!

We knew he also made a death threat to Leni, Luan, and Linka for just being with the Eds, and that really pissed us off!

Lincoln: No one threatens our sisters!

Luna: And gets away with it, dude!

Sam: Now, we'll do to you what Luan did to Dark Kevin!

Whitney: And it's going to hurt!

Box Ghost: BEWARE, ASSHOLE!

Me: Because THIS is going to REALLY HURT! REAL Bad!

Xenia: Big time!

Suddenly, something within Luna, Sam, and Whitney's minds snapped as the memories of the times the Eds were attacked by Rolf for the slightest incursion rushed through their heads, and Luna's blue eyes turned neon blue, Sam's eyes turned neon red, and Whitney's eyes turned neon purple, and Luna was surrounded by a rainbow energy aura with water, ice, ocean waves, snow, ice crystals, sirens, music notes, and mermaids, Sam was surrounded by a rainbow energy aura with lava, fire, music notes, hula girls, and phoenixes, and Whitney was surrounded by a purple energy aura with water, ice, ocean waves, snow, ice crystals, sirens, music notes, lava, fire, hula girls, phoenixes, and mermaids, they unholstered their massive greatswords, and as they approached Dark Rolf, they left rainbow energy, water, ice, ocean waves, snow, ice crystals, sirens, music notes, lava, fire, hula girls, phoenixes, and mermaids with every step.

Luna: I've had it up to hear with you for the last time, it's bad enough that you've beaten up the Eds for the slightest thing that can set you off.

Sam: But, to also say some of the most horrible things about them, that's just going too far, dude!

Whitney: And you need a lesson in manners and true discipline.

Luna, Sam, and Whitney: (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you also said in threatening Leni, Luan, and Linka with death just for being associated with the Eds… , YOU'VE

JUST CROSSED ONE LINE TOO MANY, YOU HORRIBLE SON OF A SHEPHERD, AND FOR THAT, WE'RE GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE! YOU MESS WITH OUR FAMILY AND THE EDS, AND YOU WILL PAY BIG TIME!

We gasped at the sheer extent of Luna, Sam, and Whitney's fury: Dark Rolf went too far, and now, he is going to pay.

Lincoln: Oh man, now it's Dark Rolf's turn to suffer the consequences for what he just did in beating up the Eds, and what he just did in threatening Leni, Luan, and Linka with death just for being with the Eds, now he's really going to get it. STAND YOUR GROUND, GANG, THEY'RE GOING TO EXPLODE!

We stood our ground, but Dark Rolf fell into a homicidal rage and ran at Luna, Sam, and Whitney to kill them, but Luna, Sam, and Whitney screamed like three madwomen and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and they were surrounded by massive vortexes of rainbow and purple energy with water, ice, ocean waves, snow, ice crystals, music notes, lava, and fire surrounding the vortexes, and the force of the vortexes sent Dark Rolf flying into a nearby tree, there are sirens, mermaids, hula girls, and phoenixes flying around the vortexes, and in the vortexes are a purple, teal, and brown phoenix with red eyes glaring at Dark Rolf: the red eyes of death. Then, as the vortexes fade, Luna, Sam, and Whitney emerged, but they were changed forever.

DIVINE MAELSTROM LAVA FIRESTORM PHOENIX LOVE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Luna, Sam, and Whitney, but when Dark Rolf saw it, he ran at them to kill them, but Luna, Sam, and Whitney fired powerful rainbow energy blasts with music notes, lava, fire, hula girls, water, ocean waves, snowflakes, ice crystals, mermaids, sirens, and phoenixes and they hit Dark Rolf and sent him into another tree, he got up, but he was beyond mad now.

Luna: (Divine Echoing Cosmic Voice of The Musical Oceanic Arctic Maelstrom Mermaid Angel and Divine Oceanic Arctic Maelstrom Love) **You're through, you rotten son of a shepherd.**

Sam: (Divine Echoing Cosmic Voice of The Musical Volcanic Firestorm Phoenix Hula Angel and Divine Volcanic Firestorm Love) **You give the real Rolf a really bad name!**

Whitney Loud-Sharp: (Divine Echoing Cosmic Voice of The Musical Ocean Maelstrom Volcanic Firestorm Phoenix Hula Mermaid Angel and Divine Ocean Maelstrom Volcanic Firestorm Love) **And now, we're going to end you once and for all!**

Luna, Sam, and Whitney went after Dark Rolf, and they fired powerful blasts of rainbow energy, fire, water, ice crystals, hula girls, lava, sirens, phoenixes, and mermaids and they exploded as they hit Dark Rolf, and they also attacked him with their massive greatswords and they drew blood. Then, Lincoln came in and he brutally pummeled Dark Rolf badly.

Superfriends Scarecrow: Be afraid. Be VERY afraid!

Dark Rolf: ROLF WILL RELEASE HIS RAGE NOW!

He went at us with the FULL FORCE OF A STAMPEDE OF WILD RABID BULLS!

Dark Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE BACK OF A SEA URCHIN!

I kicked him in the face and then took a shepherd's hook and then…

Me: (YELLS)

BLAM!

Me: (YELLS AGAIN)

SMASH!

Me: (YELLS AGAIN)

KRABLAM!

I bashed Dark Rolf's skull in with brutal fury with the hook! OUCH!

Dark Rolf got up and he was REALLY MAD!

Nico: FUCK, HE'S STRONG!

Me: I got an idea!

Edd: I'm way ahead of you J.D.

He looked up the song That's My Horse.

Edd begins to blow, and Nico and me started dancing.

Nico: "That's my horse!" [smashes a boulder on Dark Rolf's head]

KRASMASH!

Me: "That's my horse!" [Smashes a wheelbarrow on Dark Rolf's head]

Nico: "Yes, that's my horse!" [He slaps Dark Rolf's cheek.]

Me: "That's my horse!" [I hit Dark Rolf, and me and Nico laugh.]

Nico: "That's my horse!" [He breaks a barrel over Dark Rolf's head.]

Zuria: "I like this song."

Me: "My horse! My horse!" [I slams an anvil down on Dark Rolf's head.]

Nico: "Uh-uh-uh."

Ed turned into Edzilla.

Edzilla: NO! THIS IS ED'S HORSE! (throws Dark Rolf against a massive rock)

SMASH!

We laughed hysterically!

Nico: (LAUGHS) SO FUNNY!

Dark Rolf got up and he was MASSIVELY INFURIATED NOW!

Dark Rolf: QUAKE AND QUIVER LIKE A JELLYFISH, DOGGIE DOO-DOO ED-BOY, FOR IN THE NAME OF THE GREAT SHEPHERD ELDERS, ROLF WILL GRILL YOUR STRUDEL UNTIL YOU CRY LIKE A TEENSY WEENSY BABY!

Ed: "Slow down there, chief! Strudel gives me gas. How bout one large pepperoni, no mushrooms, double pickles?"

Maria: A DOG HAS RAISED IT'S HIND LEG ON THE AGE OF NEVERMORE!

Maria punched and pulverized Dark Rolf all over!

Maria: Man, it feels weird saying that!

Nico: I think you learned that one from Carmen and our Rolf.

Qin: Yeah.

Maria: I sure did.

Dark Rolf: YOU HAVE SQUEEZED AN ORANGE RIND IN THE EYE OF ROLF!

Me: Top this!

I then took out two lemons and then squeezed their Juice right into my eyes! My eyes pop and swell, but I am now able to see a dark force that summoned the darkness of the Eds friends. I saw that it was all the work of Mr. Mxyzptlk.

Me: (GASP) So Mr. Mxyzptlk Is behind this!

Nico: I knew it was the work of our mischievous little friend summoning the dark sides of our friends.

Qin: Clever. But that must've stung bad!

Me: It did but it helps.

May: Look, we're still not going to kill Mr. Mxyzptlk. I'm willing to kill scumbags like Joker and Luthor. But people like Mr. Mxyzptlk? No thank you!

Nico: That's true.

Me: Yeah he is funny and gives us a funny laugh! Maria can you wash my eyes out?

Maria: Sure thing.

She did so with her powers.

Me: Ahh. Thanks. Man that hurt! I don't know how Rolf is able to do it but man that stung bad!

Nico: No kidding.

Me: Yeah.

I wiped off my face with a towel.

Me: Now lets see. Where were we? Oh right. I'm going to squeeze THOUSANDS of orange rinds into your eyes Dark Rolfy Boy!

Maria: Like this! (squeezes orange rinds into Dark Rolf's eyes)

SQUIRT!

He got Orange Rinds squirted RIGHT INTO HIS EYES!

Nico: YIKES!

Maria: Time for this.

She put on the Hat of Discipline.

Dark Rolf: The Hat of Discipline?

Maria: Yes the Hat of Discipline! Do you live in a cave!

KRASMASH!

She flattened him flatter than a pancake!

May: Say the word and when we end him!

Lincoln: How about right now!

Maria: May your nose fester with the rage of olives!

Dark Rolf tried to throw a punch at Lincoln only for Lincoln to grab and break his arm, and then, Lincoln sucked out and absorbed Dark Rolf's immense physical strength and made him completely weak.

That allowed Luna, Sam, and Whitney to finish him off by firing blasts of rainbow energy at Dark Rolf and he was destroyed and sent to the Black Gates just like with Dark Kevin. We cheered as Luna, Sam, and Whitney holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long wolf tails, and massive angel wings of Luna, Sam, and Whitney are permanent.

Luna: That'll teach you, you rotten Son of A Shepherd.

Sam: You said it, Luna, and thanks for the assist, Lincoln.

Luna: Yeah, dude, you broke Dark Rolf's arm and you also sucked out and absorbed his immense physical strength and made him completely weak.

Lincoln: And it also increased my already infinite and immense brute superhuman strength.

Me: This was from using Mrrungo-Mu's powers, and you've been getting bigger and stronger in those past six and a half years.

Nico: You got that right.

Me: That was cool.

Eli: We're not done yet. I sense the next Another Undead Zodiarts Gene-slammer coming.

Nico: Who's turn is it?

Boris: I don't.. (Winces)

His mark for Pavo the Peacock glowed.

Boris: Oh my mark for Pavo is glowing.

Me: That means it's Pavo the Peacock next.

Nico: For the Southern Hemisphere. Cool.

Me: And there it is.

We saw a figure come out and it was ANOTHER PAVO UNDEAD ZODIARTS! It looked like a mixture of the Peacock Undead, GuldMirage and Sheerghosts!

Me: Whoa! Another Pavo Undead Zodiarts.

Qin: Colorful and pretty.

Me: Yep. Isaka may be in the Black Gates but the Peacock Undead is now in the servitude of the M.O.E.

Lola: Yep.

Nico: Who are you?

Another Pavo Undead Zodiarts: (In a girls voice) (Crying) I think J.D. knows me.

Nico: Is it crying?

Me: Oh man. I know that crying anywhere.

It reverted back and it was a girl in a sailor soldier uniform and she had blue hair and blue eyes and was crying hard.

Me: (GASP) Kammie Amii A.K.A. Sailor Kamino.

Sailor Kamino: (CRYING) J.D.! I'm sorry!

I went over to her and I hugged her.

Me: Kammie you have nothing to be sorry for.

Sailor Kamino: (CRYING) But I hurt you!

Me: It wasn't your fault.

Maria: J.D. get away from her now.

Nico: Maria! Let him tell us what happened.

Me: Kammie and I had a horrible argument years ago and ever since then she never has forgiven herself for it.

Nico: What happened?

Me: I uh.… I don't really remember. But I forgot what it was we were arguing about and ever since then she never forgave herself.

Kammie was crying hard into my chest and I comforted her.

Maria: Do we even want to know?

Nico: Maria I think it's very personal.

Sailor Kamino: (Crying) I'm sorry J.D.! I should not have hurt you when you and your sister were talking.

Me: It's all right Kammie. But right I remember now. She mistook my sister for my girlfriend.

Nico: Oops.

Qin: That was accidental.

Me: Kammie it's okay. I forgave you for that long ago. It was a case of mistaken identity.

Sailor Kamino: (Crying) But I…

Me: Kammie look at me. It was not your fault. It was all a mistake. I forgave you for that. Now smile.

Sailor Kamino: Okay. I'll try.

Me: Good.

Nico: So, you're the Sailor Soldier of Kamino?

Sailor Kamino: Yes I am.

Eli: That was where the Raid of Kamino took place during the Clone Wars.

Sailor Kamino: That's right. Big battle back then.

Lola: Yeah.

Me: Are there any other opponents with you?

Sailor Kamino: Yes another version of him.

She pointed to Box Ghost.

Box Ghost: Another Box Ghost!? Whoa! Beware!

Nico: Hostile or friendly?

Sailor Kamino: Friendly.

Me: Good. We don't want to meet anymore hostiles till after Christmas.

Qin: Yeah.

Me: Sorry we have to fight like this Kammie.

Boris: I'll face her.

Sailor Kamino: Okay.

She reverted back to Another Pavo Undead Zodiarts and Boris fired waves of Indigo fire and blasted her down and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal and I caught the Rouse Card and Zodiarts switch and purified them. The Rouse Card had a picture of a peacock and the stars and symbol of Pavo the Peacock in the Southern Hemisphere on it.

Me: Beautiful.

The Zodiarts Switch Glowed and turned into armbands for those marked with Pavo the Peacock.

Boris: Oh nice.

Me: Yep.

I went and picked up Sailor Kamino and brought her over.

Nico: You okay now?

Sailor Kamino: Just really dizzy and I have a bad headache.

Varie: You'll be okay.

Qin: Yeah.

Lincoln's Ghost Sense then went off.

Me: Uh oh. Just like Danny Phantom with our Box Ghost.

Then out came a dark version of Box Ghost! It was ANOTHER BOX GHOST!

Me: Whoa!

Qin: Another Box Ghost.

Another Box Ghost: (In a girls voice) But it's cool though.

Me: (GASP) Vanilla Edgarton!

Another Box Ghost: That's right. Good to see you again J.D.

Nico: You know her?

Me: Yep. She is a warehouse worker that I would help out with when she was having trouble with heavy boxes that need lifting.

Nico: Wow!

Me: Box Ghost you were a Shipping Worker weren't you?

Box Ghost: That's right. I was a shipping worker and I got crushed by a box and it killed me. I got turned into the Box Ghost as a result.

Me: That explains it. Ouch.

Qin: Yikes.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Makesty Ridewatch) Because we can confirm it's a lie.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Box Ghost: Actually he didn't promise me anything. He was in a hurry to send me out because of Box Ghost's history of annoyance.

Box Ghost: (Offended) HEY! I have feeling's too!

Me: Well you were pretty much used for comic relief during all your times with Danny Phantom's fights.

Box Ghost: Oh you do have a point and I was pretty much an annoyance. Yeah. Sorry about that.

Me: No worries. But sorry we have to fight like this Vanilla.

Another Box Ghost: No worries. Come at me and don't hold back!

Me: We won't!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Me: Here we go! (ACTIVATES VLAD PLASMIUS'S RIDEWATCH)

I duplicated myself and fired pink ghost rays and blasted her all over the place.

We came back together.

Me: You know funny thing is that 7 years ago in an alternate time, Box Ghost and Lunch Lady ghost had a daughter named BoxLunch. She has all of Box Ghosts powers and Lunch Lady Ghost's powers.

Nico: Really!? Wow.

Me: It's true.

Nico: (gets out Box Ghost's Ridewatch) BEWARE!

He activated it and fired boxes and smashed her all over!

Qin: Nice one!

Box Ghost: Awesome job!

Me: This is gonna be funny. (ACTIVATES LUNCH LADY GHOST'S RIDEWATCH) (Elderly Voice) Lunch anybody?

I used meat and formed a HUGE Swedish Meatball!

Ed: A giant Swedish meatball with a blood-curdling scream grabbed Eddy in its drooling groundchuck. [He makes chewing noises.]

We laughed and the meatball screamed and smashed down Another Box Ghost and chewed her up and spit her out.

Nico: (gets out Superfriends Scarecrow's Ridewatch) Time to show you fear!

Nico activated it and Another Box Ghost turned into another Scarecrow!

Me: How about a little fire Scarecrow!

I formed a ball of fire in my hand and I threw it and it hit her and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Boy that was cool!

Qin: Yeah!

Another Box Ghost: That was one of my favorite scenes from the Wizard of Oz.

Me: That movie is still a timeless and iconic classic even after all these years.

Qin: And right at the end of the Great Depression.

Lola: Yeah.

May: (gets out Byruit's Ridewatch) My turn!

She activated it and fired waves of water and smashed her down.

Me: Nice one! Omi lets use some Shen Gong Wu power.

Omi: It will be an honor. ORB OF TORPEDO! WATER!

He fired a massive blast of water from his own Wu he made and drenched her.

Me: SWORD OF HOSHI!

I swung my sword and fired waves of stars and they hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Zuria: Whoa! That was powerful!

Lola: That's the Shen Gong Wu for you.

May: (gets out Dark Troll's Ridewatch) Time for troll power!

She activated it and got Dark Troll's club and she bashed Another Box Ghost all over the place with intense force! OUCH!

Camie: Ouch!

Tsuyu: That is gonna sting!

Maria: (gets out Jake Steele/Fred Flintstone's Ridewatch) It's weird using Fred's powers

Nico: I still can't believe that he called this version of Fred Flintstone, Jake Steele.

Me: And Fred the weirdest thing was that you were frozen in a block of ice in Billy's backyard for thousands of years.

Fred Flintstone: Yeah that is pretty crazy isn't it?

Me: No kidding.

Maria activated it and got his club and smashed down Another Box Ghost all over.

Maria: (gets out Gravitational Spring's Ridewatch) Now for this!

She fired waves of gravity and blasted her down all over.

Nico: That was awesome and cool.

Kangor and his team came out. It had Evil Star Man, Slyther, Springload, James Nixon McGarfield and Giant Palm in it.

Nico: Nice team, Kangor!

Kangor: (Jamaican Accent) Thanks mon. It's going to be fun having a good team like this.

Me: It sure is.

James Nixon McGarfield: It sure is gonna be cool.

Camie: I'll say!

May: I hope she is!

But then a figure jumped out and it was a Machamp!

Nico: WHOA A Machamp!

Lola: Wow this one looks like it means business.

Machamp: (In a girls voice) You bet I do.

Nico: (GASP) Ellia Halinora!

Machamp: Yep. Good to see you again Nico. I'll take care of this.

She jumped and punched Another Box Ghost in the face and knocked her down and I caught the Ridewatch and purified it. I went over to Vanilla and she was a girl with golden yellow hair and had yellow and purple overalls.

Vanilla: (Groans) What a headache.

Me: But you're back to normal.

I picked her up and brought her over.

Natalie Bernardo: What's your favorite memory of Nico?

Machamp: My favorite was when me and Nico were in Gym class and we saw a bunch of bully girls punching a girl in the face and I jumped in and punched all three of them in their chests and I sent them all to the jailhouse with no ribcages. I have one of the most powerful punches ever and I can smash a bullies ribcage into fine powder with a powerful punch.

We were in awe.

Me: Wow that is incredible!

Qin: Yeah it sure is. I remember seeing that.

Lola: Wow that is intense!

Me: Yeah. Lets get you back to normal now.

Machamp: Okay but I'm naked.

Nicole: At least no towns are anywhere near here. But no peeking boys or else!

I put on my glasses and everyone covered their eyes and I snapped my fingers and Ellia reverted back.

Ellia: (her extra arms vanish into her body) Aww. I liked those arms!

She was back to normal but naked and she had ocean blue hair and blue eyes.

The fashion brigade moved in and gave her aqua green athletic clothes.

Ellia Halinora: Awesome. I feel like I'm in gym class again.

Me: But you sure pack a punch though.

Nico and Ellia hugged.

Nico: I've really missed you.

Ellia Halinora: Me too Nico. Me too.

Me: That sore loser prick just doesn't know when to quit.

Max Goof: He sure doesn't. Well, this time, we're going to defeat him again, and this time, he's going to become the newest humiliation fodder at Lynn's Table.

Lincoln: (Laughs) Now, that's an awesome idea, we could always use some new targets back at the restaurant, and I want to thank you and your team for joining us, Peyton.

Peyton: You're welcome, Lincoln.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Wings Nazca Line and Earthbound Immortal Itzpzpalo were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter.

Rarity: I agree, that little monster deserves every bit of bad karma for her misdeeds.

Just then, the Water Skylanders appeared.

Grave Clobber: Mind if we join in and drown that monster?

Rarity: Of course, Grave Clobber.

We then arrived at a blue-colored shrine with the symbol of The Water Skylanders on it, and then, the Water symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders, a powerful massive greatsword with aqua blue gems representing the Water Skylanders embedded in the 7'0" massive, wide, double-edged aqua blue blade, large alicorn heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large blue gem on the bottom of the alicorn heads for the pommel.

Rarity: My word, so that's The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders, it truly is perfect for me, since I'm The Princess of Generosity and The Water Skylanders.

Suddenly, we saw Ghostrick Witch and Shura, the Combat Star appear before us, and with them are the four girls.

Nico: Wow, that's Ghostrick Witch and Shura, the Combat Star.

Ghostrick Witch: (Girl's voice) That's right.

Shura, the Combat Star: (Girl's voice) And we got them away from that prick, Bradley Uppercrust III.

Lincoln: (Gasps) Those voices, Alecto Shadowcall and Janna Chan, it's so awesome to see you both again, but we'll talk later, I already know that prick, Brad, is already heading for us.

?: You good-for-nothing losers will pay for throwing me back in prison!

Max Goof: Oh, for goodness sakes, when are you ever going to let this go, Brad?! This is getting old!

We then saw our target, Bradley Uppercrust III, and man, he was still extremely pissed off.

Max Goof: I should've known you'd break out again, you just won't quit until I'm dead. Fat chance of that ever happening.

Rarity: Indeed, and now, your punishment awaits you.

Rarity went up and grabbed The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders. Suddenly, Rarity's dark blue eyes turned neon dark blue, and she was surrounded by a purple energy aura with Alicorns, water, magic, and jewels, she unholstered her massive Rarity's Alicorn Greatsword of Magical Generosity and Water Justice from her back, and as she approached Bradley Uppercrust III, she left purple and white energy, water, magic, jewels, and Alicorns with every step.

Rarity: Bradley Uppercrust III, I will never forgive you for the crimes that you've committed against Max Goof, his friends, and his dad. You should've learned how to handle your loss with grace, but you refused to learn your lesson two times in a row, and now, you've left us no other choice but to see to it that you receive your just desserts for your crimes.

Suddenly, Rarity was surrounded by a massive vortex of purple and white energy with water, magic, and jewels surrounding the vortex, there's a group of unicorns and an Alicorn flying around the vortex, and in the vortex is an aqua blue phoenix. Then, as the vortex faded, Rarity emerged, but she was changed forever.

Rarity grew from 6'11" to 7'4' in height, she has the body of a goddess, she has blue highlights in the bangs of her long flowing purple hair and a cutie mark-themed Barret in her hair, she has neon dark blue eyes and a purple and white energy aura with Alicorns, water, magic, and jewels surrounding her, Rarity has an Alicorn with three jewels on its horn emblazoned on her forehead and Third Eye with dark blue iris, she has on Alicorn earrings with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with blue gems for eyes and the Water, Generosity, and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Rarity has on a dark purple sleeveless blouse, short-sleeved blue top with her cutie mark, gems, water, and white phoenix on it, dark blue pants, purple knee-high high-heeled boots with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with jewels and ocean waves on the coattails, and on the back is an Alicorn surrounded by gems and right on top of its horn is the water drop, the symbol of the Water

Suddenly, Rarity felt a sharp pain on her back, and then, her massive purple angel wings with white tips on the large purple feathers with water drops falling from the tips grew much bigger for her new body, and her purple tail also grew longer. Rarity has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder.

Suddenly, Rarity's massive Rarity's Alicorn Greatsword of Magical Generosity and Water Justice and The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of purple and white energy, water, magic, jewels, and Alicorns, and when it emerged, it was transformed into Rarity's Maelstrom Water Alicorn Greatsword of Magical Generosity and Water Skylander Justice, it's a brand-new greatsword with embedded purple and white gems and her cutie mark, water drops, and gems etched on the 7'0" massive, wide, double-edged gold blade, large white Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, large white Alicorn heads with blue gems for eyes and a large purple gem on the bottom of the Alicorn heads for the pommel, she has on her brand-new large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and purple gems for the eyes and a large purple gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on on her right hip and her Eater of Sins revolver holstered on her left hip. We were amazed by Rarity's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Bradley Uppercrust III saw it, he went mad with rage and ran at Rarity to kill her, but Rarity fired a powerful purple and white energy blast with water, gems, magic, and Alicorns at the prick and sent him flying out of the shrine and we followed, Bradley got up, but he was now mega pissed off big time!

Rarity: (Divine Echoing Cosmic Voice of The Jeweled Maelstrom Generosity Alicorn and Divine Jewel Maelstrom Generosity Love) **You're not hurting anyone ever again, you selfish uncouth monster.**

Lincoln: You're heading for a special prison we got set up for you.

Max Goof: And you'll be in for a lot worse than what you've been through in prison.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rarity.

Rarity and Lincoln went after Bradley Uppercrust III, and they fired extremely powerful blasts of rainbow energy, purple and white energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Striker and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Rarity, her hand-cannon Blaster is known as Rarity's Maelstrom Jewel Generosity Alicorn Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's purple with ocean waves on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by ocean waves etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Rarity fired blasts of rainbow energy, purple and white energy, and elemental forces at Bradley Uppercrust III and as they hit him they exploded with incredible power, and he was knocked down.

Suddenly, lights shined down from Heaven and a powerful sword descended from the Heavens and it's right in front of Max Goof: it was the Archangel Sword of Gabriel. Then, as Max grabbed it, his deep blue eyes turned neon deep blue and he was surrounded by a white and red energy aura with crosses, angels, swords, light, and keys, he unholstered his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Keyblade from his back, and as he approached Bradley Uppercrust III, he left white and red energy, crosses, angels, swords, lights, and keys with every step.

Max Goof: This is the absolute last time we'll ever have to deal with you, Brad, for too long, you've caused us a ton of trouble with all of your schemes and your attempts to try and kill me, and now, I will personally see to it that this is your last day of running free.

Suddenly, Max Goof was surrounded by a massive vortex of white and red energy with swords, lights, crosses, and keys surrounding the vortex, there's an army of angels flying around the vortex, and inside the vortex is a gold phoenix as light shined down from the Heavens and a divine choir of Angels sang. Then, as the vortex faded, Max Goof emerged, but he was changed forever.

Max Goof grew from 7'4" to 7'5" in height, he still has massive and powerful muscles and he still retained his eight-pack abs, he has red highlights in the bangs of his long black hair, he has neon deep blue eyes and a white and red energy aura with crosses, angels, swords, light, and Keyblades surrounding him, he has an Angel holding a Keyblade in its right hand and the Light and Eternity Kanjis in its left hand emblazoned on his forehead and Third Eye with deep blue iris, he has on his Crystal Necklace of The Buddha with red gems embedded in the white sun links and deep blue crystal links and a red angel-shaped Element of Harmony and on the bottom of the Element of Harmony is an Angel holding the Light and Eternity Kanjis in its hands for the pendant, he has on a white tank-top, long dark blue jeans, black knee-high leather combat boots, white gloves, and long long-sleeved deep red trenchcoat with angels, light, and Keyblades on the coattails and on the back of the coat is an Angel with a Keyblade in its right hand surrounded by Keyblades and on top is a Hidden Mickey icon, Crown pendant, Keyblade, and the symbol of Kingdom Hearts. Max Goof has transformed into SUPER ANGEL-ARCHANGEL-HARMONY CELESTIAL ETERNAL XELNAGA HEAVENLY LIGHTSTORM KEYBLADE PHOENIX ANGEL OF DIVINE HEAVENLY LIGHT ARCHANGEL JUSTICE AND DIVINE HEAVENLY LIGHT ARCHANGEL HOPE!

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) Now, consider this your last day of freedom, Brad, because you're heading for a brand-new prison, along with a brand-new punishment added to your sentence.

Max Goof went after Bradley Uppercrust III, and he fired powerful white and red energy blasts, lights, angels, swords, and Keyblades at the prick and they exploded as they hit him, and Max Goof attacked him with his new Keyblade, and finally, Max Goof fired white energy chains made from his brand-new Keyblade and it bound Bradley Uppercrust and he couldn't escape. We cheered wildly as Lincoln and Rarity holstered their massive greatswords on their backs and powered down, and Rarity's new body, clothes, weapons, jewelry, Third Eye, longer purple tail, and massive purple and white angel wings are permanent.

Then, Max Goof holstered his massive new Keyblade on his back and powered down, and Max Goof's new body, clothes, weapons, jewelry, Third Eye, and massive white angel wings are permanent.

Rarity: Your days of trying to get revenge on Max, his dad, and his friends are over. Thanks for helping me put this loathesome monster down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rarity.

Suddenly, Rarity wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rarity's face, they kissed passionately as Rarity's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Rarity came back to us as the display vanished.

Nico: Whoa, now that's what I call a two-for-one treasure hunt: Rarity got The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders.

Me: And Max Goof had gotten The Sword of Gabriel, and he also transformed. This was just like when I got The Sword of Michael.

Max Goof: But, that was in Hell, and when you, Lincoln, and Linka were also dealing with Lucifer. But, in a way, Brad was just like The Devil in every way, so in a way, I dealt with The Devil Incarnate who caused us nothing but trouble, and took him down.

Brad was still struggling to get out, only for Lynn to hit him on the head with a baseball bat and he's knocked out.

Lincoln: That'll keep him knocked out for a while until we get back home. (To Alecto Shadowcall and Janna Chan) And it's so good to see you again, Alecto Shadowcall and Janna Chan.

Alecto Shadowcall reverted back to normal, and she's a beautiful werewolf girl with short neck-length purple hair and purple witch's hat on top of her head, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings, and she reigned in the power of Ghostrick Witch, and she's dressed in a black long-sleeved coat, sleeveless midriff top, black leather pants, black leather knee-high boots, and a long white sleeveless trenchcoat with darkness and wolves on the coattails and Ghostrick Witch on the back and holstered on her back is a massive Ghostrick Witch-themed greatsword with Ghostrick Witch etched etched on the 7'0" massive, wide, double-edged midnight black blade, large witch heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large witch heads and large purple gem on the bottom of the large witch heads for the pommel.

And Janna Chan reverted back to normal, and she's a beautiful girl with long flowing brown hair, brown eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings, and she reigned in the power of Shura the Combat Star, and she's dressed in a purple short-sleeved blouse, sleeveless purple midriff top, purple skirt, purple pants, purple knee-high boots, and a long white sleeveless trenchcoat with flames and suns on the coattails and Shura the Combat Star on the back and holstered on her back is a massive Shura the Combat Star-themed greatsword with Shura the Combat Star etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large orange gem on the bottom of the large dragon heads for the pommel.

Alecto Shadowcall: You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, Ellie, Emilia, Isabella, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, and Tiana Masina: You too, Alecto.

Janna Chan: It's indeed been such a long time.

Lincoln went up to Alecto Shadowcall and Janna Chan and he hugged them, and Alecto Shadowcall and Janna Chan were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Alecto Shadowcall: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Janna Chan: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Witch Gene-Slammer is Alecto Shadowcall, she's my Guardian Angel from Salem, Massachusetts and classmate in Gym. She's a witch and she was born with the powers of darkness and dark magic, and she also knew of me being a vampire-werewolf-cyborg hybrid just like the other Ghostrick Gene-Slammers.

Me: Whoa, now that's really awesome, and you said she's good with dark magic?

Lincoln: Yep, she's a very skilled user of dark magic and she knows how to cast very powerful spells with efficiency, and she's also used her skills in the Dark Arts to defend me from the bullies at school and outside and Lori, Lynn, Lola, Lisa, and Luan at home. She's also the master of a dark power known as The Witch's Dark Sabbath, when she uses this dark power, she'll chant a powerful dark incantation to summon the dead to kill the guilty persons destined to die. This one time, I made her a beautiful necklace with witch hat pendant, and she loved it so much, she hugged and kissed me and he returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates the jerks with a burning passion and she wants nothing more than to send their souls to Oblivion.

Brittney gave Alecto Shadowcall the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Shura the Combat Star Gene-Slammer is Janna Chan, she's my Guardian Angel from California and classmate in Math, but she's also an amazing acrobat and capable of wielding just about anything. She and I studied the ways of archaeology, and I made Janna a hat that resembles Indiana Jones's hat. To show thanks, she kissed me on the lips, plus, I found out that she's also the daughter of Jackie Chan and the cousin of Jade Chan, and she hates The Wet Bandits with a burning passion.

Me: Whoa!

Jade Chan: That's right, Uncle Jackie told me all about Janna, and I can't believe it, she's also your Guardian Angel, Lincoln, that's so awesome.

Eli: And she also hates The Wet Bandits, what did those morons do this time?

Janna Chan: You won't like what we're going to tell you. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Alecto, Janna, are you absolutely sure about this?

Alecto Shadowcall: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Alecto Shadowcall and Janna Chan, and he saw that they're really serious, and he smiled as he walks over to Alecto Shadowcall and Janna Chan, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Alecto Shadowcall's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Janna Chan.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alecto Shadowcall and Janna Chan with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Alecto Shadowcall: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Janna are now part of my harem and my many future wives, Alecto.

Alecto Shadowcall and Janna Chan had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Carol Youngfan, Rachel Aiphath, and Honey-B from the Gundam franchise and Aska from Teenage Mutant Ninja Turtles.

Lincoln: Oh wow, it's Carol Youngfan, Rachel Aiphath, and Honey-B from the Gundam franchise and Aska from Teenage Mutant Ninja Turtles.

Me: Oh man, and Aska happens to know the Turtles, she's going to be in for a big reunion when we get back.

Lincoln: You said it. And are you girls okay?

Carol Youngfan: Yes, we're okay, thanks to you.

Then, when Carol Youngfan and the other four girls saw who it was that saved them from Bradley Uppercrust III, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Carol Youngfan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Carol Youngfan: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carol Youngfan, Rachel Aiphath, Honey-B, and Aska with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Rarity had gotten The Maelstrom Generosity Alicorn Greatsword of The Water Skylanders, and they were shocked when they found out the villain we went after was Bradley Uppercrust III, who'd broken out of prison and he still wanted revenge on us for foiling his schemes and getting him expelled and thrown in prison, and when they saw Max drag him in here, they were shocked even more.

But, when Lincoln showed what happened such as Rarity transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln laid a brutal beatdown on him and Max Goof also acquiring The Sword of Gabriel and he also transformed into his Super Angel-Archangel-Harmony form and beat down and tied up Bradley Uppercrust III, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Alecto Shadowcall, and Janna Chan have a lot of catching up to do, now that they're back in town.

Maria: That prick has got a lot of nerve showing his face again, even after he got a beatdown last year.

Lincoln: Yep, but now, we've beaten him down again, and we already got a special place for him and it's with the jerks we got tied up at Dad's restaurant.

Everyone smirked sinisterly, and when Brad saw it, he was in trouble as Max Goof beamed him to the restaurant and he was chained to a post with Neutronium chains lined with rainbow energy, and he's now in for a lifetime of humiliation! UH OH, BAD NEWS FOR BRADLEY UPPERCRUST III!

* * *

After finally taking down Bradley Uppercrust III once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alecto Shadowcall and Janna Chan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alecto Shadowcall: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Janna Chan: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alecto Shadowcall: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Alecto, what memories did you have with Lincoln, and Janna, what's the story on why you hate The Wet Bandits with a burning passion?

Alecto Shadowcall: Oh, I remembered this one time, I've been teaching Lincoln on how to cast some dark magic spells, then, we heard someone crying: it was Lana. She then told me that a rotten little spoiled girl named Lacey St. Claire called her a dirty little mongrel who has no place in being alive and told her to go jump off a cliff. Lincoln hugged Lana and told her not to believe in those words, but Lana just continued to cry even more. That was ultimately the last straw for me, Lacey's been doing this to so many kids for years, and the snob's gotten off for the last time, but I looked to Lincoln for help, he told me to use a spell to cause only trouble for her, and not kill her. So, I went with a spell I used numerous times on Lori, Lynn, Lola, Lisa, and Luan, and after I said the incantation, the spell activated and Lacey went through a ton of mishaps and chaos: first, her dress and clothes got eaten by moths, her mutt, Victoire, was shaved, and it drove her mad.

Lincoln: Eventually, she was forced to confess, and as a result, her parents had her grounded for two months and she had to apologize to everyone that she insulted, and that also included Lana. But, she refused to apologize to Lana and to everyone she insulted, so her grounding got extended to three months and they had to sign her up for classes where she would learn some manners and discipline.

Nico: I can't believe she would say those sorts of words to Lana, that's just disgusting!

Me: Yeah, I was disgusted when Lincoln told me.

Janna Chan: From that day on, Lacey St. Claire was now on our list, and if she messed up for the last time, she was going to be put in reform school. Okay, now for my turn, one day, Lincoln and I once stumbled upon an ancient castle at a beach, and to my surprise: the castle we stumbled upon was Curwood Castle, a historic home built by writer James Oliver Curwood in 1922, but then, we heard rustling in the nearby woods, and we saw two figures come out: it was Harry and Marv, The Wet Bandits, and they were here to rob the castle. Remembering what he and Azula Firebrand did to those boobs long ago, Lincoln fended them off using various illusions that looked like monsters, and he even threw a spider on Marv's face and he screamed like a girl again. But, before they could get away, the cops came and took them away, and we were rewarded with medals for saving the castle from getting robbed by The Wet Bandits.

We cheered.

Nico: Wow, you really saved the castle from the incompetency of The Wet Bandits, Lincoln.

Lincoln: I wasn't going to let the castle get robbed by those two, and while Janna and I were given medals for our bravery, Harry and

Marv were sent to jail, only to bust out of jail a few hours later with the same trick those boobs used to escape from The Uranus Prison.

Me: Sheesh, those two just don't know when to quit, do they?

Lincoln: Unfortunately not, they were just gluttons for punishment, but now, their career of busting out of prison and burglarizing homes is over.

We got a shower afterwards, and then, Lincoln, Relic the Pika, Shear, Zahrah, Elina Vance, and Reese Drake are heading to Emerald Coast, and joining them are Max Taylor, Zoe Drake, and Meena.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and Max Taylor was dressed in red swim shorts, red sandals, and he had his weapons holstered in case of trouble.

And Relic the Pinka, Shear, Zahrah, Elina Vance, Reese Drake, Zoe Drake, and Meena are dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Relic the Pika, Shear, Zahrah, Elina Vance, and Reese Drake also had feelings for Lincoln, and Lincoln also had feelings for them, and he also saved them from a bunch of thugs who were hired by Flip to kidnap and kill them because he still wanted revenge. But, Lincoln saved them and Lincoln hit Flip hard in the head with a mallet.

Relic the Pinka: Ah, Emerald Coast, I haven't been here in a while.

Lincoln: And it's perfect for our date. Shall we?

Lincoln, Relic the Pika, Shear, Zahrah, Elina Vance, Reese Drake, Max Taylor, Zoe Drake, and Meena dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and even did some surfing, and Relic the Pinka, Shear, Zahrah, Elina Vance, Reese Drake, Zoe Drake, and Meena got a massive and extreme deep atomic red blush on their faces when they saw Lincoln and Max Taylor lift up two 900,000,000,000,000-lb barbells Lincoln summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Relic the Pika, Shear, Zahrah, Elina Vance, and Reese Drake and they hugged the girls in their abnormally massive and powerful muscular arms and Relic the Pika, Shear, Zahrah, Elina Vance, and Reese Drake placed their hands on the massive pecs of Lincoln and his clones, and Max Taylor went up to Zoe Drake and Meena and he hugged them in his arms, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs, and Carmen saw that Max Taylor had lipstick marks all over his face.

Carmen: (Snickers) Looks like someone had a good time at Emerald Coast, eh, Max?

Max Taylor: (In Heaven) It was awesome!

Lincoln: (In Heaven) Same here!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Relic the Pinka, Shear, Zahrah, Elina Vance, and Reese Drake with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Sticks the Badger: Looks like we got five new members to Lincoln's harem, nice.

---

Later it was time for the Cutie Mark Crusaders first ever

Ambassador Mission.

Me: This is gonna be so awesome.

Qin: Yeah it is! We're so happy for the Cutie Mark Crusaders.

William: Anyone else want to go with the Cutie Mark Crusaders? Besides Shotaro, Phillip, and 3 Rabbids?

Albedo: I'll be going as well.

Applejack: Well like we said, me, Rainbow Dash and Rarity are going for supervisory purposes.

Rarity: That's right darlings.

Sweetie Belle: Yeah it'll be fun.

Nico: It sure will.

Hitch Trailblazer: And I'll go too just to see how they do.

Me: Okay Hitch.

Nico: Are you girls ready?

Apple Bloom: We're VERY Ready!

Nico: Then lets head out!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS FIRST EVER AMBASSADOR MISSION! YAY!

We were off to Japan.

* * *

We flew over Tokyo and then we saw a bank being robbed!

Me: Uh oh. Looks like we got a 2-11 in progress!

Apple Bloom: Lets show them our awesome entrance girls!

Sweetie Belle: Yeah!

Scootaloo: Lets do it!

We went at the bank.

Natsumi Tsujimoto and Miyuki Kobayakawa were facing the robbers who were armed with knives only.

Robber 1: Try and take us alive!

But then the 3 Shield Cutie Marks of the Cutie Mark Crusaders appeared and swirled around the ceiling and then converged and then…

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMM

The Cutie Mark Crusaders came out of a massive fiery explosion and they were ready for action!

Apple Bloom: Apple Bloom!

Sweetie Belle: Sweetie Belle!

Scootaloo: Scootaloo!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS READY FOR ACTION! YOU ROBBERS ARE UNDER ARREST!

They jumped in and punched the robbers and smashed their faces in and knocked them out cold!

Nico: YEAH! Nice job girls!

Eli: That was great!

Natsumi Tsujimoto: Whoa!

Philip: That was great!

Natsumi: (to Shotaro and Philip) Aren't you two Kamen Rider W?

Philip: That's us.

Me: And don't forget us.

Miyuki Kobayakawa: Wow Team Loud Phoenix Storm! What an honor.

Me: Same here officers.

Shotaro: Time for these 2 to count up their sins.

Me: Yep. In the slammer.

The Cutie Mark Crusaders arrested the robbers.

Nazz: Nice job, you 3.

Apple Bloom: Thanks. That was a great entrance.

Sweetie Belle: And these two have failed this city.

Nico: (LAUGHS) Well said and well done girls.

Miyuki Kobayakawa: That was great! But it's an honor to meet the famous Team Loud Phoenix Storm. I'm Miyuki Kobayakawa.

Natsumi Tsujimoto: And I'm Natsumi Tsujimoto.

Me: Pleasure to meet you.

We introduced ourselves.

Natsumi Tsujimoto: Wow it's an honor to meet you guys and Apple Bloom, Sweetie Belle and Scootaloo are our ambassadors for us?

Nico: Yep.

Eli: It's part of a special diplomatic mission program we made.

Eddy: Yeah that's right.

Natsumi Tsujimoto: But that was so awesome

Nadeshiko Tsujimoto: Also I was helping them too. I'm Nadeshiko Tsujimoto, Natsumi's little Sister.

Ayeka Kobayakawa: And I'm Ayeka Kobayakawa, Miyuki's little sister.

Me: Pleasure to meet you too.

Nico: Is there any place we can talk further?

Natsumi Tsujimoto: Lets head over to the station.

Nico: Okay.

We went to the police station.

We arrived at the police station and it was awesome.

Nico: Wait until Sheila sees this place!

Apple Bloom: Boy this is a nice station.

Natsumi Tsujimoto: Thanks. It's what we do here.

Eddy: It's great.

We went in.

Miyuki Kobayakawa: You guys have done a great job. Those 2 were the most notorious bank robbers in all of Japan. We were after them for years.

Nico: Boy they really eluded you quite some time.

Ayaka Kobayakawa: They sure did and we were trying to find them for a long time.

Nico: Well now they are going to have a lot of time to think about their crimes.

Rainbow Dash: From Jail!

Natsumi: As you can probably tell, we really don't have any big bad guys in our part of Japan.

Me: Well all criminals to you guys are bad guys. And as superheroes ourselves we go after ALL kinds of bad guys.

Apple Bloom: We sure do and it's so awesome.

Me: Yep. But with great power comes great responsibility.

Applejack: That is for sure.

Rarity: But it is so awesome darlings.

Miyuki Kobayakawa: I agree too. But your sisters all did a great job busting those robbers.

Hitch Trailblazer: And they learned so much from me. As an officer of the law, one must always be prepared for whatever the scum of villainy has to throw at you.

Nico: Well said Hitch.

The Rabbids gibbered.

Shotaro: (sighs) And these are Rabbids.

Ayaka Kobayakawa: Oh they are so cute!

Me: They are cute aren't they.

Scootaloo: But they are dumber than a sack of doornails.

Eli: Bro was just going to say that. Also they are not the brightest lightbulbs in the closet.

Natsumi: Oh they are brainless idiots that are used to make you laugh?

Me: Bingo. They are really funny.

One of the Rabbids tried to eat some nearby bullets.

Miyuki: No! You do not eat those! (the Rabbid blows a raspberry at her) Did you just raspberry me?!

We laughed.

Me: That's going to be the line of the day when they come with us first mission.

May: (LAUGHS) That is funny.

Shotaro: Yeah.

Me: See they are not bright.

Ayaka Kobayakawa: But I'm glad they are with you. Also we heard about what was happening with the Dark Eddy problems you were having.

Nico: You have been watching many of our adventures.

Ayaka Kobayakawa: Yep.

Miyuki Kobayakawa: But we'll be ready for Dark Eddy.

Me: Good.

Natsumi: How is it that you guys were able to destroy Dark Rolf this morning but not Dark Eddy yet?

Kevin: Because Dark Eddy has a fucking blaster of his own.

Me: And Dark Eddy has a curse on him.

Nico: Yep. He is going to the black gates after 24 first ambassador missions passed.

Me: And its already 7 times. So this is number 8. We'll be 1 third of the way done after this mission.

Ayaka Kobayakawa: Oh I get it! So you're roughing him up all the way through those missions before he kicks the bucket.

Applejack: That's right.

Apple Bloom: Yeah it'll be fun and awesome.

Shotaro: Yep.

The robbers were brought in.

Robber: LET US GO! We're innocent I tell ya!

Me: Tell it to the judge bub!

Natsumi: (sighs) You know, I wish we could have powers of our own.

Nico: (thinks of something) Do you wanna get Gene Slammed through injection?

Natsumi: Really? You can do that.

I pulled out a kit and it had 4 syringes and gene-slammer formulas.

Me: We have 4 powers here for you.

Eli: Yep. Electric Eel, Giant Squid, Lobster and Swordfish.

Nazz: But don't expect it to happen right away.

Me: It's a delay transformation formula and it will activate the transformations when Dark Eddy appears.

Nico: He's in the Book of Vile Darkness dimension and he will come.

Apple Bloom: But it will hurt really bad.

Me: Just want to give you a warning on that. But many gene-slammers we have all on the team can revert and change back and forth at will.

Ayaka Kobayakawa: That is cool!

May: It sure is.

Nico: You pick what you want to be Gene Slammed with.

Natsumi: Okay.

Natsumi - Electric Eel

Miyuki - Giant Squid

Ayaka - Lobster

Nadeshiko - Swordfish.

Me: Perfect.

Nico: Now, this is gonna sting a bit.

Natsumi Tsujimoto: Okay.

Me: Here we go.

We injected them.

Ayaka Kobayakawa: Ouch.

Nadeshiko Tsujimoto: That wasn't too bad. But it will hurt bad later on.

Me: Just be ready for it okay?

Philip: Guys? You might want to look outside.

We looked outside and saw a black version of Tyrannopede in the park!

Me: WHOA! Another Tyrannopede!

Nico: I was wondering when the next Another Alien would show up.

Me: Me too!

The my Kyutama for Tucana the Toucan started glowing.

Me: My Kyutama for Tucana the Toucan is reacting to something. That means the next Undead Zodiarts is not far behind too.

Sweetie Belle: Wow! That makes 2 in one day.

Me: It sure does.

Nico: Ready to kick some butt guys?

Natsumi: You bet we are!

Albedo: Wait. Is that Snotty Boy?

We then saw that it was indeed Snotty Boy!

Me: Oh great! What's he doing here!?

Eli: Well we better find out.

We went to face him.

Me: HEY!

He saw us.

Nico: Snotty Boy, whatever you're up to, you better cut it out.

Snotty Boy: You don't tell me what to do! (fires heat vision but Nico dodged it) I do what I want! (He dodged heat vision again) When I want! (He dodged Heat Vision again) Because I want to do it!

Me: Heat Vision!? How the hell did you get Superpowers!?

Then my dark orb radar went off.

It showed that there was a dark orb inside Snotty Boy!

Me: There's a Dark Orb in you!

Albedo turned into Negative Tyrannopede.

Negative Tyrannopede: Time for boy tipping. The sequel!

Snotty Boy: Not if I have anything to say about it!

I fired waves of energy and blasted him down and the Another Tyrannopede grabbed him and smashed him into the ground.

Me: Yeah!

Another Tyrannopede: (In a girls voice) Take that you chubby buttface! I can't believe I was your driving teacher!

Me: Wait that voice. Olivia Luff?

Another Tyrannopede: That's right J.D. Good to see you again.

Nico: Am I missing something? You know her?

Me: I sure do. Olivia Luff is a driving teacher and she is Snotty Boy's teacher. But like what happened with SpongeBob, he got her in trouble with the law more times that anyone can count. Because of him, she has a rap sheet that is over a thousand pages thick.

Nico: HOLY SHIT!

May: That is crazy!

Sweetie Belle: No kidding!

Me: I think it's obvious what Swartz promised you Olivia and that's to make Snotty Boy here pay for all the times he got you in trouble with the law.

Another Tyrannopede: That's right! I want his crimes to be on him!

Me: I think we can work something out.

Apple Bloom: Did Snotty Boy fail Driving School as many times as SpongeBob did?

Another Tyrannopede: He sure did. He failed 7,982,973 times.

Me: Whoa! Nice way of keeping track. But he failed school that many times!? That's crazy!

Another Tyrannopede: No kidding there.

Me: But lets do it!

CYCLONE! JOKER!

Shotaro and Phillip: Henshin!

They turned into W!

Nico: YEAH!

May: I got Shotaro's body.

She went and put him on a bench.

Eli: (Senses something) He's here!

Natsumi heard the powering up of a blaster. She turned around to see Dark Eddy pointing his blaster at her.

Dark Eddy: (smirks) This is too easy. You don't even have powers!

Me: It begins!

Suddenly, Natsumi, Miyuki, Nadeshiko, and Ayeka doubled over in pain.

Natsumi: (grins despite the pain) It's starting!

Natsumi's legs fused and her brown hair fell out and her clothes ripped and she had a black bra on and that ripped off and she had ugly teeth. She turned into an ELECTRIC EEL!

Miyuki had 8 extra arms grow out of back and her head turned into that of a giant squid and her mouth turned into a REALLY powerful beak and her muscles grew and her black hair fell out and her clothes ripped and so did her white bra and underwear. She turned into A GIANT SQUID!

Ayaka lost her purple hair and her clothes ripped as she got a red shell and her hands turned into claws and she lost her blue bra and underwear and turned into A LOBSTER!

Nadeshiko lost her blue hair and her nose grew into a long sword and her clothes ripped and she lost her purple bra and underwear. She turned into a SWORDFISH!

Me: WHOA!

Nadeshiko: OUCH! That hurt!

Me: I did warn you girls.

Dark Eddy: You think that'll scare me?! (Fires blaster at Natsumi)

She dodged it and fired a blast of lightning and electrocuted him.

Nico: Top this one!

POW!

Nico punched Dark Eddy into a tree and it crashed onto him!

CRASH!

Dark Eddy: I'm hurt now!

I fired waves of energy and blasted Snotty Boy all over and the Dark Orb came out of him.

Me: Time for the Black Gates for this dark orb.

I threw the Dark Orb into the Warp.

Me: If I wasn't going to end Xehanort at the end of next year I would do this now.

Jamesdean5842: Yeah I agree. Nico when are you going to be done with Xehanort for good? This has to end right now.

Nicochan11: All in due time my friend. All in due time.

Jamesdean5842: (GRUMBLES)

Miyuki: Look at us!

Me: You girls look awesome.

Nadeshiko: We sure do.

Dark Eddy got up and the Cul-De-Sac kids went at him and beat the living shit out of him! IT WAS A VICIOUS AND BRUTALLY

FEROCIOUS BEATDOWN!

CAT YOWLS! SEALS BARK! PIGS SQUEAL! COW MOOS! VARIOUS ANIMAL NOISES!

Shotaro: (gets out Titanium Titan's Gaia Memory Don't leave us out!

Nico: Shotaro, feel free to use any Gaia Memory you can think of with Titanium Titan's Gaia Memory.

Shotaro: With pleasure!

Me: First this.

I put Snotty Boy's face in my butt and then…

LOUD FART HONK!

I tooted Garby style and made him really sick!

He was throwing up from the stench!

Nico: NICE! Garby would be proud!

Me: Yep. Now for this.

HEAT DOPANT!

I threw fireballs and they hit Dark Eddy and burned him all over!

TITANIUM TITAN! HEAT!

He turned into TITANIUM HEAT!

He fired molten metal and blasted Dark Eddy and Another Tyrannopede down.

Apple Bloom: Time for us to join in on the Gaia Memory fun, girls!

May: Like Nico said, said Gaia Memories can be used with any others you can think of.

Apple Bloom: Lets do it!

CYCLONE! FROZEN FRIGHT!

She fired an Ice Tornado Blast and it hit Dark Eddy and froze him.

Then I caught the ridewatch of Tyrannopede and purified it and I went over to Olivia and she was a girl with a teacher school uniform on and had blue hair.

I picked her up.

Olivia Luff: (GROANS) What a headache.

Me: But you're back to normal.

I put her on a bench.

Me: One down.

Nico: (Gets out Vulkanus' Ridewatch) And now, for some good ol fisticuffs!

Scootaloo: I'll use my own Gaia Memory with you!

Miyuki: Let me help out as well!

Nico activated it and smashed Dark Eddy down with Vulkanus's strength from his suit!

MAGMA GLOOM! HEAT!

She fired waves of fire and blasted Dark Eddy all over and he ran around screaming on fire and in excruciating pain!

Then the Another Tucana Undead Zodiarts appeared and it looked like a mixture of Turkey Jerk, Goldar and Hatchasaurus!

Me: WHOA!

May: Another Tucana Undead Zodiarts.

Me: Yep. And you are?

Another Tucana Undead Zodiarts: (In a girls voice) I believe you know me J.D.

She reverted back and it was a sailor soldier with orange hair and had an orange uniform on.

Me: (GASP) Lola Vordranakova A.K.A. Sailor Vodran!

Nico: WHOA!

Sailor Vodran: I see you guys are having fun.

Nico: We sure are.

Lola gave me the Zodiarts Switch and Rouse Card and I purified them. The Rouse card had a picture of a toucan and the stars and symbol of Tucana the Toucan in the Southern Hemisphere on it. The Zodiarts Switch turned into armbands for those of us marked by Tucana.

Nadeshiko: Ready, Sweetie Belle?

Ayaka: Because we are!

Sweetie Belle: I got my Gaia Memory ready!

THUNDER TERROR! TRIGGER!

She fired a wave of lightning and it hit Dark Eddy and blasted him all over and Ayaka and Nadeshiko slashed and snipped Dark Eddy all over.

Nico: While we're still fighting, what's your story, Lola?

Sailor Vodran: I have a good memory but my story is that me and J.D. went to science class together. I was born on the planet Vodran and I helped face numerous bullies in the past. I threw many of the jerks into garbage dumps where the Dianoga would eat them.

Nico: Whoa!

Applejack: Wow that is amazing!

Eli: Yeah no kidding!

Nico: What are you girls going to name these forms?

Nadeshiko: I have good ones.

Natsumi - Thunderscale

Ayeka - Strongpinch

Nadeshiko - Spearscale

Miyuki - Inkburster

Nico: Good names!

Me: Yep.

But then…

CHOMP!

A Victreebel came in and started chewing on Nico.

Victreebel: (In a girls voice) I missed you so much Nico!

Thunderscale: (laughs) You know her?!

Nico: (LAUGHS) Yeah I do.

We were introduced to Camille Victoria - Nico's friend from nature class, she loves all plants and also like all grass Pokemon do to James, she loves Nico with incredible passion and loves making his life happy. She will do anything to help him and protect him..

Me: Boy that is strong love right there.

Nico: (LAUGHS) Yep!

Victreebel: I got this.

She fired a Solar Beam and blasted Dark Eddy back into the Book of Vile Darkness dimension.

Victreebel: Good riddance.

Inkburster: What's your favorite memory of Nico?

Victreebel: I have a lot of them but my favorite is when me and Nico were making out under the bleachers in the stadium. So cute.

Me: Well Nico is always on the market now.

Victreebel: Awesome!

Me: Also Lets get you back to normal.

I put my glasses on.

Me; No peaking guys.

The boys covered their eyes.

I snapped my fingers and she was reverting back.

Miyuki: (to the Cutie Mark Crusaders) You three did a nice job.

Apple Bloom: Thanks! This was so fun!

Sweetie Belle: Yeah it was!

Snotty Boy was tiptoeing away.

Me: Where do you think you're going!?

Scootaloo and the Crusaders jumped him and cuffed him.

Eli: Take that!

---

We came back.

William: Hey guys! How did it go?

Me: Really awesome!

We told everyone what happened.

William: Whoa! Snotty Boy was back!?

Me: Yep. Now he is in jail.

Lola: Good riddance.

May: Next time, Cheese, Frozen Fright, Magma Gloom, and Thunder Terror should go with you girls.

Applejack: YEEHAW! That is gonna be great!

Diamond Tiara: Me and Silver Spoon and Toxic Horror and Louie PoisonSea can come with too.

Me: Awesome idea.

---

We were having lunch and Rolf made ALL kinds of great meals for us.

Gaara: This is a lot of food, Rolf. What's the occasion?

Rolf: Well, Sand Gaara boy, Rolf thought it would be a nice reward for helping to vanquish the imposter who tried to soil the good name of the Son of a Shepherd!

Eli: Boy it all looks delicious.

Rolf: Enough about Rolf. Please, let us fill our faces.

[The Eds and Rolf are seated at a table. On the table are many meats, cheeses, and fishy dishes.]

Ed: "Hello!" [He pokes an octopus.] "Cool. I saw this movie!"

Rolf: [with a squid on the end of his fork] "Movie bad. Food is good!" [He drops his fork.] "Ed! You are disgracing yourself!" [Ed is wearing the octopus on his head.] "Tell me how good

my fish sticks are, please."

[Edd has a plate of fish on sticks in front of him. Rolf signals for him to eat.]

Edd: "Curse my polite ways." [biting into one, his eyes watering] "A gastronomic coup, Rolf."

Nicole ate the fish sticks and they were delicious.

Nicole: Mmm! Delicious!

A sausage in front of me. It explodes into ground meat!

SPLAT!

I ate my sausage and man was it tasty.

Me: Mmm! Delicious!

G1 Inferno: Honestly, Rolf, this stuff is pretty good!

Rolf: Thank you Inferno.

We all had lots of good meat and it was all really good.

Evelyn had a sandwich with many meats.

Evelyn: Mmm! Really good sandwiches.

Nicole: Boy I'll say. (Eating squids)

The previous group of M.O.E. Members came.

Steam Smythe, Iron Lung, Bronze Kneecap, Touch & Go, Firebrand, Plastique, Girder, Red Ghost, Lady Shiva, Johnny 13, Sir Raleigh, Windfall, Fracture, Evil Search Man, Comrade Red, Evil Magma Man, Quicksand, Saleen, Kuroto Dan, and Boil Man Came.

Steam Smythe: Boy Look at all that meat.

Me: Rolf made this lunch for us as a token of gratitude for destroying the dark side of him.

Bronze Kneecap: Boy it all looks great.

Me: Have some. More than enough.

Bronze Kneecap: Don't mind if we do.

We were all eating.

Cutthroat: Look! A plate of baloney!

Me: Rolf you love baloney right?

Rolf: Oh yes. Rolf ate more than enough baloney to bloat me up.

Tracks: You don't mind if we eat it, do you?

Rolf: Rolf gladly will give it to you.

Me: Thanks Rolf.

We got to eating it and it was awesome.

When it was done we were STUFFED!

Me: Ahh. Man that was great!

Evil Magma Man: Man I'm stuffed!

Lola: Me too! (BURPS!)

Xenia: (BELCHES) Man that was all so delicious!

Rolf: Thank you Xerneas Archer Girl.

Nico: was in deep thought.

Jamesdean5842: You okay, Nico? If this is about me being impatient with Xehanort getting destroyed permanently, I'm sorry. It's just that I'm just concerned about when this can be all over.

Nico: What? No, it's not that. (laughs) But I'm glad my Fanfiction self exists alongside you.

Jamesdean5842: Me too.

May: What are you thinking about, honey?

Nico: Natsumi says her teams don't have any big bad guys of their own. That means ANY of our bad guys can be the main target.

Maria: Who do you think it is?

Nico: I got a bad feeling about who it might be. (to William) William, tell the Saturn Prison Guards to keep watch on Lila's cll. And tell them to inform me the minute she escapes. I have a bad feeling about what she might have planned on February.

William: Right.

Me: But if she is the main target she is definitely going to finally get the black gates.

Scrap Shooter: Nico, what teams have you made this time, see?

Nico: Randy's team will include Lyna, Choji, Chocho, Tayuya, and Matatabi the 2-Tailed Wraith Cat. Yae's team will include Hanon Hōshō, Iris, Auriana, Carissa, and Talia

Tayuya: Fucking A!

Chocho: Awesome!

Lyna: Cool!

Lola: Yeah this will be cool!

Bronze Kneecap: Can me, Steam Smythe, Iron Lung, Touch & Go, Firebrand, Plastique, Girder, Red Ghost, Lady Shiva, and Johnny 13 go with you guys?

Fracture: Me, Sir Raleigh, Fracture, Evil Search Man, Comrade Red, Evil Magma Man, Quicksand, Saleen, Kuroto Dan, and Boil Man will come too.

Nico: Yes you all can come with us.

Qin: I'm ready for an awesome meat fueled mission!

Nico: Me too!

Bruiser Cruiser: Nico, which Gene Slammer do you think you'll meet next?

Nico I think Tentacool will like this one.

Tentacool: Tentacruel next?

Nico: Bingo.

Qin: Awesome!

Varie: That will be a good one

Suddenly, we saw snow flurries swirling around, and then, we saw a figure appear: it was Santa Claus.

Nico: Santa, what brings you here?

Santa Claus: We've got a big emergency, gang: B.Z. has returned, and he intends to oust me and create a second Christmas in March.

We gasped.

Me: What?!

Lincoln: If he thinks he's going to oust you and create a second Christmas in March, he's already got himself in really big trouble. Don't worry, Santa, we'll stop this fiend.

Me: And we will, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than an old enemy of Scrooge and his family, Merlock the Magician, and he's coming here to destroy Scrooge and his family again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Scrooge, you and you family aren't going to like it: the dark energy signal I sensed belongs to your old enemy, Merlock the Magician, and he's coming here to destroy you all again.

Scrooge McDuck: (Scottish Accent) Not that vile black-magic using fiend again, he just doesn't know when to quit.

Donald Duck: He needs to be stopped for good.

Janet Kinsington: And he will, guys, we'll be the ones to stop him for good.

Lincoln: Yeah, he'll regret the day he ever threatened your family, Scrooge.

Nico: And as an old friend to the Disney characters and heroes, that's a promise he's going to fulfill. Alright, gang, let's go, we got to stop B.Z. from ousting Santa Claus and creating a second Christmas in March.

Lincoln: He needs to be taught a serious lesson about trying to oust Santa Claus, and once we get done with teaching him a lesson, you're next, Merlock The Magician.

Me: Yep. But wait. B.Z. That name is familiar. (GASP) I heard of him!

Nico: What can you tell us about him?

Me: You will not like this guy!

I went over his history.

---

B.Z. is the main antagonist in Santa Claus: The Movie.

He's a stingy, ungenerous, sleazy and unscrupulous toy manufacturer who manipulates one of Santa's elves Patch to help him take over Christmas.

He was portrayed by John Lithgow, who also played Lord John Whorfin in The Adventures of Buckaroo Banzai Across the 8th Dimension, Earl Talbot Blake in Ricochet, Eric Qualen in Cliffhanger, Arthur Mitchell in Dexter, Burke in Blow Out, Lamar Blackburn in The Accountant, Glenn Motch in The Campaign, Lord Farquaad in Shrek, and Jean-Claude in Rugrats in Paris.

Not much is known about him except that he is known as Cornelia's "step-uncle". This suggests that he is Cornelia's uncle by marriage, not blood. Cornelia lives with B.Z., which also suggests he is her legal guardian. As Cornelia's parents are not seen in the movie, it is likely that they both died prior to the events of the film and was made to live with her aunt, who was her only living blood relative. After the death of Cornelia's aunt, the courts required B.Z. to care for Cornelia, having now been made a widower from Cornelia's legal guardian. While B.Z. feeds and shelters Cornelia, he seems to have little involvement in her upbringing otherwise.

B.Z. was first seen with his head of market research Dr. Eric Towzer, where they are subject to a government investigation. His company B.Z. Toys was under investigation due to unsafe products including a flammable doll and a panda filled with broken glass and nails amongst it's stuffing. B.Z. claims they are isolated incidents that will not happen again, to which a senate chairman answers "Oh, you had better do better than that, Sir. You had better withdraw every toy you have on the market or I will see to it personally that your license to manufacture and distribute in the United States is revoked!"

B.Z. leaves the hearing in a rotten mood, whereas Dr. Towzer is doubtful of the factory, citing multiple news reports about the negative publicity. Whereas Dr. Towzer is put upon by B.Z., he does seemed to have a more realistic output. Meanwhile, while Patch is wandering New York City after leaving the North Pole in disgrace, he passes by a toy store with a display of B.Z. and some of his toys. An employee is seen removing the toys on display due to the recall, but Patch mistakes this for thinking that the toys are so popular they are selling like hotcakes, so he introduces himself to B.Z., considering him a toymaker on par with Santa Claus.

Together they make lollipops powered by special feed that makes Santa's reindeer fly, he also gives Patch the materials he needs to build the Patchmobile so he can make his deliveries just like Santa. Even though B.Z. was reluctant at first for Patch giving away the items free, he saw this as an opportunity to rebuild his image, but he still had something selfish in mind.

With Christmas being over, B.Z. gets more greedier when he announces "Christmas 2" for March 25, asking Patch to increase the reindeer flying formula and make candy canes before he heads back to the North Pole.

B.Z. is telling Dr. Towzer how he has now beaten Santa Claus and will now be the new icon of Christmas. However an orphan named Joe and Cornelia overhear their conversation. But Joe accidently sneezes and gives their position away. B.Z. then captures Joe and ties him up in his toy factory basement.

He later discovers from Dr. Towzer that the candy canes are unstable and will explode if in contact with heat. He decides to flee to Brazil and let Patch take the fall. However Cornelia hears their conversation and writes to Santa for help.

Meanwhile Joe is rescued by Patch and thanks to the quick thinking of Cornelia and Santa, he and Joe are saved when the candy canes explode while they're driving to the North Pole in the Patchmobile.

B.Z.'s crimes are uncovered when Cornelia calls the police. The police arrest Dr. Towzer and his chauffeur Grizzard. Before they can arrest B.Z., he craftily eats some of the unstable candy canes to fly out of his office to escape the police, but ends up flying up high into the sky after eating too many.

At the end of the film, B.Z., in spite of his pleas for help, is doomed to float off into the depths of space among the equally effected remains of the Patchmobile for eternity. As there is no air in space, it is presumed that he eventually suffocated and died.

When I was done everyone was shocked!

Qin: He wants to oust Santa!? That's insane!

Xenia: No way in hell are we going to let that happen!

Camie: And creat Christmas 2 on March 25th!? No way! One Christmas is plenty.

Steam Smythe: Tentacool, you, Jirachi, and the other mascots can go on Nico's next rescue.

Tentacool: Really? But I'm not usually involved in their antics.

Sir Raleigh: You and Jirachi are still mascots nonetheless.

Tentacool: Awesome!

Jirachi: Aw yeah!

Xenia: Yep.

Nico: Lets get going guys. I know where his headquarters is at.

Me: New York City.

We were off.

We were flying to New York City.

Trolling Thunder: Christmas in March sounds promising. But there are only 8 major holidays per year.

Qin: But it would mess with the natural order if there was a Christmas 2.

Xenia; Yeah it sure would.

Lola: That would not be good.

Camie: Yeah no kidding.

Lola: But no one ousts Santa on our watch.

Tsuyu: Yeah no kidding! B.Z. has to be stopped.

Firebrand: Does he have any henchmen?

Comrade Red: (Russian Accent) If so, we can take them out easily.

Nico: We'll be ready for them.

Me: There's his tower over there.

We saw that it was the B.Z. Toy Company.

Nico: B.Z. Toy Company.

Qin: I remember that his toys were really unsafe.

Lola: Yeah.

Me: Well his license to sell and manufacture toys is now revoked.

Lana: I can't wait to hit BZ with my snowflake blades!

Coconuts: Did you just invent that today?

Lana: I sure did.

Me: And we'll show him the safe kinds of toys.

Lola: His toys are all weapons of destruction.

Nico: Well he died once so this time he is going to prison.

We landed and went into his building.

Quicksand: Isn't that a pile of them right there?

Girder: Careful! They might be dangerous.

Me: Those are stuffed toys filled with nails and broken glass.

Eli: He's right.

I fired waves of fire and incinerated the stuffed toys into dust and I was right.

Nico: Whoa! Those are bad toys.

Strut: What about that pile over there?

Maria: Each of these piles must contain a different type of dangerous toy.

Lola picked up a doll and then she squeezed it and then it fired a burst of fire from it's mouth and we ducked!

Me: HOLY SHIT!

Shiva: Jesus!

Kuroto Dan: What kind of kid would want that?!

Me: Someone who has a death wish that's who!

Nico: And I thought the toys of the Joker were this bad.

Laney: No kidding there.

We continued on and saw grenade teddy bears and more. B.Z. was like an arms dealer for bad toy makers.

Doofenshmirtz: Wait. Look over there.

We saw Towzer and Grizzard.

Me: Towser and Grizzard.

Lola: Lets tie them up and arrest them before going after B.Z.

Nico: Good idea.

Me: I know just how to do it.

I threw a couple of balls and they formed into claw clamps and they latched onto their legs and then…

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

It electrocuted them!

And numbed them to where they can't move.

Nico: Nice one!

Johnny 13: Alright, dirtbags. Tell us more about BZ's full plan!

Boil Man: I'd answer honestly if I were you.

Towzer: He's trying to finish what he started in the past.

Grizzard: Yeah. He returned to finish it. But when he died his company fell into disrepair and declared chapter 7.

Nico: Good. His toys were unsafe anyway.

Lola: Yeah.

Me: Where is he now?

Towzer: In his office! Top floor.

Luminous: Anything else you want to share?!

Towzer: No that's it.

Me: Fair enough.

We got them tied up and ready to deliver to the cops.

Nico: Time for us to make B.Z. wish he never returned.

Lola: Yep.

Nico: Entrance time guys.

Towzer: You can't just leave us like this!

Red Ghost: You're right.

Saleen: We'll call the cops to come pick you up.

Nico: Lets go.

We went to face B.Z.

Burst Man: So, this is what his company looks like on the inside, huh?

We saw the factory.

Me: Whoa.

Qin: This is sick.

We saw lots of flamethrower fuel drums, grenades, weapons of all kinds and more!

Me: This ia a weapons shop.

Camie: Not good. But where is his office?

I looked around.

Me: Up there.

We saw a door on the top platform and it had a lavish flare to it.

Nico: NOW it's time for the entrance.

We went over and flew up to it and then went in and we saw a fountain and then saw the door to his office.

We went at it.

B.Z. was working hard and then the spirits of the Elemental Christmas Elves and Toys of Christmas swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted the door down and a phoenix cry was heard and we flew in!

Me: B.Z. You are under arrest!

B.Z.: Team Loud Phoenix Storm!?

Me: That's right! And we're here to stop you. You are never going to be allowed to do toys ever again!

Nico: That's right!

B.Z.: You don't have any idea what this is like!

Me: Oh I believe I know.

B.Z.: What!?

Me: The real reason you went into the toy business was to make weapons of destruction right? So you can take over the world. That's probably why you were so fixated on Santa.

B.Z.: Don't play psychoanalyst with me, boy!

Me: Oh, I don't need a degree to figure you out. The real reason you kept came back was because you never got a good amount of money from your toy sales.

B.Z.: I'm not hearing this…

Me: Get a clue, Old Man! Your toys aren't worth squat! You wouldn't know how to make good toys if it came up and kicked you in the balls. Not that you ever could make toys

B.Z.: [really getting angry] Shut up… Shut up!

Batman: I mean, flamethrower dolls, nail stuffed animals? Lame! Where's the "A" material? Make good toys like action figures, Board Games, something!

B.Z.: How dare you talk to me this way!?

Me: You make me laugh. But only 'cause I think you're kinda pathetic. [mimics the Joker's laugh]

Emma: Their names are Alecto Shadowcall and Janna Chan and they are both really awesome.

Twilight Sparkle: Yeah we found out that Janna is Jackie Chan's daughter.

Starshine Sparkle: And their stories are cool too.

Alecto Shadowcall: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Janna Chan: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alecto Shadowcall: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Alecto, what memories did you have with Lincoln, and Janna, what's the story on why you hate The Wet Bandits with a burning passion?

Alecto Shadowcall: Oh, I remembered this one time, I've been teaching Lincoln on how to cast some dark magic spells, then, we heard someone crying: it was Lana. She then told me that a rotten little spoiled girl named Lacey St. Claire called her a dirty little mongrel who has no place in being alive and told her to go jump off a cliff. Lincoln hugged Lana and told her not to believe in those words, but Lana just continued to cry even more. That was ultimately the last straw for me, Lacey's been doing this to so many kids for years, and the snob's gotten off for the last time, but I looked to Lincoln for help, he told me to use a spell to cause only trouble for her, and not kill her. So, I went with a spell I used numerous times on Lori, Lynn, Lola, Lisa, and Luan, and after I said the incantation, the spell activated and Lacey went through a ton of mishaps and chaos: first, her dress and clothes got eaten by moths, her mutt, Victoire, was shaved, and it drove her mad.

Lincoln: Eventually, she was forced to confess, and as a result, her parents had her grounded for two months and she had to apologize to everyone that she insulted, and that also included Lana. But, she refused to apologize to Lana and to everyone she insulted, so her grounding got extended to three months and they had to sign her up for classes where she would learn some manners and discipline.

Nico: I can't believe she would say those sorts of words to Lana, that's just disgusting!

Me: Yeah, I was disgusted when Lincoln told me.

Janna Chan: From that day on, Lacey St. Claire was now on our list, and if she messed up for the last time, she was going to be put in reform school. Okay, now for my turn, one day, Lincoln and I once stumbled upon an ancient castle at a beach, and to my surprise: the castle we stumbled upon was Curwood Castle, a historic home built by writer James Oliver Curwood in 1922, but then, we heard rustling in the nearby woods, and we saw two figures come out: it was Harry and Marv, The Wet Bandits, and they were here to rob the castle. Remembering what he and Azula Firebrand did to those boobs long ago, Lincoln fended them off using various illusions that looked like monsters, and he even threw a spider on Marv's face and he screamed like a girl again. But, before they could get away, the cops came and took them away, and we were rewarded with medals for saving the castle from getting robbed by The Wet Bandits.

We cheered.

Nico: Wow, you really saved the castle from the incompetency of The Wet Bandits, Lincoln.

Lincoln: I wasn't going to let the castle get robbed by those two, and while Janna and I were given medals for our bravery, Harry and Marv were sent to jail, only to bust out of jail a few hours later with the same trick those boobs used to escape from The Uranus Prison.

Me: Sheesh, those two just don't know when to quit, do they?

Lincoln: Unfortunately not, they were just gluttons for punishment, but now, their career of busting out of prison and burglarizing homes is over.

We were Janet Kinsington's Super Angel-Infernalqueen Archfiend-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Merlock the Magician saw it, he fired a blast of magic at her to kill her, but Janet Kinsington fired a powerful red and black energy blast with fire, darkness, fiends, and Queen chess pieces at Merlock the Magician, and it sent him flying into the snow and we follow out, Merlock the Magician got up, but he was now angry.

Layla Thomas: Whoa, Janet Kinsington's transformed, awesome! (Feels her Power Rising) Uh oh, I'm also going to transform too!

Suddenly, Layla Thomas' dark purple eyes turned neon dark purple, and she was surrounded by a dark purple energy aura with fiends, Rook chess pieces, darkness, shadows, and demons, she unholstered her massive Desrook Archfiend's Demonic Broadsword of Archfiend Justice from her back, and as she approached Merlock the Magician, she left dark purple energy, fiends, Rook chess pieces, darkness, shadows, and demons with every step.

Layla Thomas: Just like Janet Kinsington, I'm also never going to forgive you, Merlock, and you know what, you've had this coming for a very long time, and now, it's time for you to die.

Suddenly, Layla Thomas was surrounded by a massive vortex of dark purple energy with darkness, shadows, demons, and fiends surrounding it, there's Desrook Archfiend flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Layla Thomas emerged, but she was changed forever.

Layla Thomas has transformed into SUPER ANGEL-DESROOK ARCHFIEND-HARMONY CELESTIAL ETERNAL XELNAGA DEMONIC DARKNESS DESROOK ARCHFIEND ANGEL OF DIVINE DARKNESS DEMONIC FIEND GOTHIC JUSTICE AND DIVINE DARK DESROOK ARCHFIEND LOVE!

We were amazed by Layla Thomas' Super Angel-Desrook Archfiend-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Merlock saw it, he went mad again, but Lincoln fired a blast of darkness and hit Merlock again.

Nico: Whoa, so not only did Janet Kinsington transform, but Layla Thomas also transformed, so cool!

Natalia Nefaria: You did tell me that Nina and Nikita weren't the only ones who got Gene-Slammed into Desrook Archfiend and Infernalqueen Archfiend, Nico, but I've got a feeling they're not the only ones.

Lincoln: We'll have to find out about that later on, and Janet, Layla, you two look beautiful, how do you feel?

Janet Kinsington: (Divine Echoing Cosmic Voice of The Darkness Demon Infernalqueen Archfiend and Divine Infernal Dark Gothic

Love) I feel incredible, Linky.

Layla Thomas: (Divine Echoing Cosmic Voice of The Darkness Demonic Desrook Archfiend and Divine Dark Archfiend Gothic Love) Along with me, now, shall we put an end to Merlock the Magician once and for all?

Lincoln: (Smiles) With pleasure, girls.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Janet Kinsington and Layla Thomas.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for a very long time, Merlock, now, it's time for you to die!

Janet Kinsington, Lincoln, and Layla Thomas went after Merlock the Magician, who continued firing blasts of magic at them, but they deflected them, and they fired extremely powerful blasts of rainbow energy, red and black energy, dark purple energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Merlock the Magician and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Janet Kinsington, Lincoln, and Layla Thomas fired blasts of red energy which hit Merlock and they sucked out all of his powers and they made them their own.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Janet Kinsington, her hand-cannon Blaster is known as Infernalqueen Archfiend's Inferno Queen Fiend Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark red with purple flames on the blaster and with a Phoenix, Angel, and Infernalqueen Archfiend surrounded by flames etched on the sides, and a red gem on the top of the blaster.

And another beam of light descended and a hand-cannon Blaster appeared for Layla Thomas, her hand-cannon Blaster is known as Desrook Archfiend's Dark Rook Fiend Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark purple with darkness on the blaster and with a Phoenix, Angel, and Desrook Archfiend surrounded by darkness etched on the sides, and a dark purple gem on the top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Janet Kinsington, and Layla Thomas fired blasts of rainbow energy, red and black energy, dark purple energy, and elemental forces at Merlock and as they hit him, they exploded with incredible power, and he was destroyed and his evil spirit was sent to The Black Gates. We cheered as Janet Kinsington, Lincoln, and Layla Thomas holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive wolf tails, and massive angel wings of Janet Kinsington and Layla Thomas are permanent.

Janet Kinsington: That'll teach you, you power-hungry warlock! Thanks for helping us with getting rid of Merlock, Linky.

Layla Thomas: Yeah, we all taught that warlock a very painful lesson.

Lincoln: (Smiles Warmly) You're welcome, Janet and Layla.

Suddenly, Janet Kinsington and Layla Thomas wrapped their arms around Lincoln's wider and muscular back, as their chests pressed against Lincoln's massive pecs and their stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around their waists, which took them by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Janet Kinsington's and Layla Thomas' faces, they kissed passionately as their left and right arms were still wrapped around Lincoln's wider and muscular back, but they moved their right and left arm and their right and left hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Infernalqueen Archfiend, and Desrook Archfiend flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness around them and we cheered wildly. Then, Lincoln, Janet Kinsington, and Layla Thomas came back to us as the display and Infernalqueen Archfiend and Desrook Archfiend vanished.

Nico: Whoa, now that's what I call an awesome three-against-one battle against that vengeful and spiteful warlock, awesome job, guys.

Lincoln: And we're glad to finally be rid of that evil warlock once and for all.

Janet Kinsington: You said it, and we overheard what Natalia said, and I think she may be right that there's more Archfiend Gene-Slammers, and they're also Guardian Angels of Lincoln as well.

Layla Thomas: But, we'll tell you about them in the future. Plus, we know who we're meeting for the next rescue tomorrow, right, Lincoln?

Lincoln: Oh yeah, Thera Amihan, Gene-Slammer of Ghostrick Yeti for Day 5 of The Skylands Treasure Hunt.

Isabella Lupa: And after she's been found, all that's left is Miyuki Shirayuki, Gene-Slammer of Ghostrick Yuki-Onna, and all of the

Ghostrick Gene-Slammers will have been found.

Ursula Truaigheaingeal: (Scottish Accent) That's right, Isabella.

Then police sirens were heard.

Chief of Police: This is the New York City Police Department! B.Z. You are surrounded. Come out with your hands up.

We came out with him and he was in straitjacket and we had guns pointed to his head.

Me: He's all yours officers. Get this douchebag outta here.

They did so.

Mr. Mittens: Looks like Christmas is saved again.

Santa: I can't thank you all enough for helping me once more.

Angel: It was our pleasure.

Me: That makes 7 times.

Santa: I insist on owing you all something for all your help these last few days.

Xiao Fung: You don't owe use anything.

See More: We just do it to protect Christmas.

Evil Lyn: And with no deadly toys.

Me: And to make sure the natural order is still maintained.

Xenia: Yep.

Nico: That is for sure. Great job everyone!

Rarity: Oh this was so fun darlings. (To the viewers) Christmas will always be on the 25th of December and never on any other day.

Qin: That's right.

Lola: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw two figure who was hiding out and living in the streets of Telluride, Colorado. But, they were no ordinary two figure, their were, Toby Loud and Rochelle Loud, non-identical twin son and daughter of Lincoln's future wife, Ronnie Anne Santiago. Lincoln woke up from the dream, but he wasn't the only one, Ronnie Anne Santiago, Lori Loud, Nico, and me also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: We sure did, bro.

Ronnie Anne: And it also means that we found out where our kids at.

Me: They're at Telluride, Colorado.

Nico: Oh man, that's not good. It's the same place when we found Charice and The Berry Force 7 in Telluride, Colorado, and is not a good place for a little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Ronnie Anne Santiago, Me, and Nico were heading to Telluride, Colorado. Then, Lincoln saw a Half-Human and Half-Cyborg 12-year-old boy who has fair skin, short white hair, brown eyes, a prominent chipped front tooth, noticeable bags around his eyes, and freckles on his cheeks. He wears a a purple hooded jacket, dark blue jean pants, a white tank top, and purple sneakers. And a Half-Human and Half Cyborg 12-year-old girl who has fair skin, black hair worn in a low ponytail, blue eyes, freckles on her cheeks, and two buck teeth that stick out of her mouth. She wears a orange polo shirt, blue skirt, white knee-high socks, and red sneakers. Lincoln saw who they are, they are Toby Loud and Rochelle Loud.

Lincoln: Excuse me, are you Toby and Rochelle?

Toby Loud: Yes, we are, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Ronnie Anne came out, and when Toby Loud and Rochelle Loud saw her, they were stunned.

Rochelle Loud: Mom, is that you?

Ronnie Anne: Yes, el cariño, it's me.

Toby Loud and Rochelle Loud ran up to Ronnie Anne, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Ronnie Anne, your mother is one of my many future wives.

Toby Loud and Rochelle Loud: That means… you're are father.

Lincoln smiled, and that filled Toby Loud and Rochelle Loud with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Toby Loud and Rochelle Loud to the rest of his siblings, who are now there aunts. We were proud of what Lincoln did in reuniting Ronnie Anne Santiago with her kids, and they now has a loving, strong, brave, and caring father in their life.

Me: That is a great idea Lyna.

Lola: I agree there. Stories always cheered me up whenever I got sick.

Twilight Sparkle: No kidding. One time all of Ms. Cheerilee's class came down with the horsey hives and the hospital needed my help to make them feel better.

Xenia: Boy that sucks.

Me: That's like Equestria's version of chickenpox isn't it?

Twilight Sparkle: Yeah it sure is.

Nico: Poor things.

Qin: Yeah.

Lyna: But it'll be awesome helping out kids like that. I have so many adventures from with you guys that I want to share with everyone.

Nico: I think that's an awesome idea Lyna.

Maria: The hospital is a great idea.

Horsea: Yeah I agree there.

Me: Same here. You'll do great there.

Lyna: Thanks guys.

Nico: You're welcome.

Lola: Boy that makes 7 times we helped out Santa Claus.

Me: I know and in just over the course of 3 years.

Juran: When you think about it, Christmas in March doesn't actually sound too bad.

Me: Well for some maybe. But Christmas in March doesn't seem to make much sense. Christmas In July is the more accurately put term.

Juran: That does sound better.

Qin: Yeah it sure is.

Zuria: But that was an awesome mission though. And you guys did really amazingly well helping out Santa all those times.

Me: Those were some of the most fun and awesome we've had.

Kevin: They sure were.

Nico: Yep. First time was back in Thanksgiving of 2019.

Me: When we destroyed Santa's brother Satan Claus who was going to turn Santa's Workshop into a weapons factory to destroy the world.

Eli: GEEZ!

Lola: I know. That was crazy.

Nico: Don't forget those "toys".

Me: Yeah those "toys" are actually something that the Joker would make. Remember all those toys he made like that?

Nico: Yeah that is very reminiscent of it. But J.D. that was so awesome using what Terry said on the joker when he returned. That was genius.

Lola: It sure was.

Me: Thanks guys. That was awesome getting on B.Z.'s nerves like that.

Lola: Not only that but seeing those bad toys like that reminded me of what we saw in that universe where Santa was a weapons dealer. Remember that Nico?

Nico: Now that you mention it yes I sure do!

Xenia: Yeah that was nuts!

Varie: It sure was.

May: If we didn't get him to stand down back then, I feel we would've been trying to hit him and his reindeer in the sky.

Nico: Yeah no kidding. We'll call that version of Santa, Universe 502 Santa. Stewie said that universe we were in was Universe #502.

Me: Whoa that is crazy. But I'm glad it didn't turn out that way.

Qin: Yeah.

Camie: Yeah no kidding there.

Nico: Lets load up on jawbreakers for everyone before we get to work.

Kangor: That's a great idea mon.

We got to work on collecting tons and tons of jawbreakers.

Tentacool: And I became Varie's Pokemon.

Varie: You sure did.

Lola: That was so awesome.

Luan: And we also met my heroes the Three Stooges as ponies.

Qin: I know. That was awesome.

Nico: After all these years we did not expect them to be reincarnated as ponies.

Zuria: Boy that is so awesome.

Qin: Yep.

Me: Also back then we found out that the Dino Fury Rangers were starting out and that was the start of the almost 2 year wait for meeting the Dino Fury Rangers.

Lola: That's right.

Nico: It was worth the wait though.

Me: Yep after 600+ Days.

Qim: Yeah that was almost 2 years.

Me: They started on February 20th, 2021 and finished up on September 29th, 2022. So yeah that's a little over a year and a half.

Nico: Boy that was a long time but worth the entire wait.

Eli: You got that right.

Camie: That was so awesome. What was your favorite mission with them during Cornelia's missions?

Me: That's an easy one. My favorite was with Tombtress. That was when we saw Fluttershy turn into the happiest ever and I got to meet the emoticlone of my hope.

Nico: That was a cool one.

Lola: Yeah that was awesome.

Fluttershy: I didn't realize I could be that happy.

Lincoln: But you looked awesome that way Flutters.

Nico: And during the wait, we met lots of new friends.

Me: We sure did and the team grew exponentially fast during that whole wait.

Nico: Yep.

We got done collecting jawbreakers.

Laney: This is so awesome that Nico's rescue is here at the Peach Creek Jawbreaker Factory.

Nico: You bet, and Lincoln, that was awesome that you invited the rest of the Cul-De-Sac kids here.

Lincoln: After we told them of this whole mess that was caused by that mischief-maker, Mr. Mxyzptlk, it only makes sense that I also get them involved.

Nazz: When we found out that little mischief-maker was the one who made the Dark Sides of Sarah, Kevin, and Rolf, we were stunned.

Jimmy (Ed Edd N Eddy): He sure is a mischief-maker, but for Dark Jimmy, we really need to be on the alert. He's still out for revenge on the Eds for the wedgie.

Nico: Again?! Ugh!

Me: He still bent out of shape after all that. What a whiner. No offense.

Jimmy: None taken.

Me: But I did not expect that mischief-making funny guy Mr. Mxyzptlk to be behind this.

Eli: Yeah no kidding.

Me: Yeah.

Suddenly, the Eds were grabbed by someone and they were getting the crap beaten out of him, and Lincoln grabbed the figure and pulled him off the Eds and threw him into a tree, and Lincoln gave the Eds three potions he made, and they were cured.

Eddy: Thanks, Lincoln, but who the hell was that?!

Me: I think I know.

?: You will pay for what you did in ruining my revenge, you big brute!

Eddy: Oh, great, not him!

We then saw the figure whom Lincoln grabbed and pulled off the Eds and tossed into a tree: it was Dark Jimmy, and he was out for the Eds' heads. UH OH!

Laney: Should've guessed it. When are you ever going to stop trying to get revenge on the Eds, and for something as stupid as a wedgie?!

Me: Yeah quit being a big baby!

Dark Jimmy: SHUT UP! SHUT UP! SHUT UP! WHAT WOULD YOU KNOW?! YOU'RE JUST A STUPID GIRL WHO WOULD SHOW MERCY TO A DUMB MORON WHO'S TRIED TO KILL YOU AND YOUR BROTHER MANY TIMES OVER, YOU'RE A LOSER JUST LIKE THE EDS, AND I'M GOING TO ENJOY KILLING YOU IN FRONT OF YOUR STUPID BOYFRIEND AND KIDS, AND THEY, ALONG WITH YOUR FAMILY, ARE NEXT!

That really pissed Laney off, and we saw her face and body turn red, and steam blew out of her ears as she growled really angrily!

Sarah: I still can't believe Jimmy could be diabolical!

Lincoln: You heartless little twerp, no one threatens the lives of my sister, her boyfriend, her kids, or her family!

Laney: You… are… so… DEAD!

Me: Uh oh!

Maria: Are you talking about Chandler? Because if you are, then Laney did the right thing. Maybe you've heard of what mercy means?

Me: I don't think he is talking about Chandler or knows what Mercy is.

Suddenly, something within Laney's mind snapped when memories of what that heartless little twerp did in trying to exact revenge on the Eds for a stupid wedgie rushed through her mind, and her green eyes turned neon green and she was surrounded by a rainbow energy aura with leaves, animals, fairies, and rainbow fire, she unholstered her Gaia's Fiery Nature Jungle Greatsword of Nature Jungle Fiery Justice and Jungle Plant Love from her back, and as she approached Dark Jimmy, she left rainbow energy, leaves, animals, fairies, and rainbow fire with every step.

Laney: I've had it up to hear with you, you heartless little twerp, you just refuse to let go of a little thing like a wedgie, and you tried to set up the Eds, that's going too far. (SUDDENLY GETTING REALLY PISSED OFF) But, what you just did in insulting and threatening to kill me, my boyfriend, my kids, and my family… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU HORRIBLE LITTLE BRACES- WEARING MONSTER, AND FOR THAT, I'M GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE! YOU MESS WITH MY FAMILY AND THE EDS, AND YOU WILL PAY BIG TIME!

We gasped at the sheer extent of Laney's fury: Dark Jimmy went way too far, and now, he's going to pay.

Lincoln: Oh man, now it's Dark Jimmy's turn to suffer the consequences for what he just did in beating up the Eds for a petty revenge, and what he just did in threatening Laney, her kids, Joey, and all of us with death, now he's really going to get it. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Dark Jimmy fell into a homicidal rage and we took the battle to the planet Glaren and Dark Jimmy ran at Laney to kill her, but Laney screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of leaves, flowers, fire and energy and she was surrounded by a massive vortex of rainbow energy with leaves, plants, and rainbow fire surrounding the vortex, and the force of the vortex blew Dark Jimmy away and he hit a wall, there are animals, leaves, and fairies flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Dark Jimmy: the red eyes of death. Then, as the vortex faded, Laney emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Laney remained tall at 7'4" in height, she has the body of a goddess, and the weighted green bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands, and she still has the eight large brown orbs orbiting around her legs, she has green highlights in the bangs of her long flowing brown hair, she has neon green eyes and a rainbow energy aura with leaves, animals, fairies, and rainbow fire surrounding her, she has a rainbow fairy holding the Nature Kanji in its hands and a leaf emblazoned on her forehead and Third Eye with rainbow iris, she has on fairy earrings with green gems for eyes and holding the Nature, Fire, and Eternity Kanjis in their hands and her Crystal Necklace of the Buddha with green gems on the gold leaf links and green crystal links and a green fairy-shaped Element of Harmony and below the Element of Harmony is a fairy with green gems for eyes and holding the Nature, Fire, and Eternity Kanjis in its hands for the pendant, she has on a sleeveless black shirt with green phoenix and her red scarf, black skirt with leaves and animals on it, black pants with leaves, black leather ankle-length combat boots with leaves for the buckles, and long white sleeveless trenchcoat with leaves, animals, and rainbow fire on the coattails, and on the back is a fairy with leaves and plants surrounding them. Suddenly, Laney felt a sharp pain on her back and then, her massive brown angel wings with green tips on the large brown feathers, grew much bigger for her new body and she now has eleven massive and long brown wolf tails, she has on a Ring of The Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Indigo Lantern Corps ring on her left ring finger, and she has on brown fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded in her left hand.

Suddenly, Laney's massive Gaia's Fiery Nature Jungle Greatsword of Nature Jungle Fiery Justice and Jungle Plant Love and all the swords she'd gotten began merging and they were surrounded by a kaleidoscope of leaves, animals, fairies, and rainbow fire, and when it emerged, it was transformed into Gaia's Fiery Nature Jungle Plant Greatsword of Nature Jungle Fiery Justice and Jungle Plant Love, it's a brand-new large greatsword with embedded green gems and the Goddess of Earth, Gaia etched on the 7'0" massive, wide, double-edged green blade, large angel heads for the crossguard, large green gem embedded in the rainguard, longer black handle, four large angel heads with green gems for eyes and a large green gem on the bottom of the angel heads for the pommel, she has on her large gold cuff Bracelets of the Champions of The Universe with large green gems on her wrists, Belt of Elemental Bravery with large gold angel head with green gems for eyes and a large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the fairy that said, "Laney Loud, Youngest of The Loud Family, Loving Sister of Her Many Siblings, Loving Youngest Daughter of Rita and Lynn Sr., Loving Girlfriend of Joey, Loving Daughter of Many Kids, Amazing and Talented Artist, Spice Demon, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Descendant of 17th Century Laney of Loch Loud in Scotland, Archenemy of Bane, Destroyer of Morag McLaughlin and Hades Izanami, Founder of Team Loud Phoenix Storm, Emissary and Champion of Gaia, Defender of The Loud House and The Loud Family, Master of Nature, Animals, and Fire"

レイニー・ラウド、ラウド・ファミリーの末っ子、彼女の多くの兄弟姉妹の愛情深い姉妹、リタとリン・シニアの愛情深い末娘、ジョーイの愛情深いガールフレンド、多くの子供たちの愛情深い娘、驚くべき才能のあるアーティスト、スパイス・デーモン、悪の破壊者、混乱した、殺人的で冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、スコットランドのロックラウドの17世紀レイニーの子孫、ベインの大敵、モラグマクラフリンとハデスイザナミの破壊者、チームラウドフェニックスストームの創設者、使者ガイアのチャンピオン、ラウドハウスとラウドファミリーの擁護者、自然、動物、火のマスター

Laney Loud has transformed into SUPER ANGEL-FAIRY-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA RAINBOW GAIA FIRESTORM FAIRY NATURE ANGEL OF DIVINE NATURE FIRESTORM LOVE AND DIVINE ARTISTIC NATURE FIRE JUSTICE!

We were amazed by Laney Loud's Super Angel-Fairy-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Joey saw her, he had an atomic red blush on his face, hearts in his eyes, and blood coming out of his nose, but when Dark Jimmy saw it, he went mad and tried to kill her, but Laney fired a powerful rainbow energy blast with leaves, animals, fairies, and rainbow fire, and it hits the heartless twerp and sent him flying into another wall, he got back up, but now, he was pissed off now.

Laney: (Divine Echoing Cosmic Voice of The Firestorm Artistic Jungle Fairy Angel and Divine Nature Jungle Firestorm Compassion) **There's plenty more where that came from, you little twerp!**

Me: Lets get this Retainer wearing curly headed freak!

Eddy: Wait! Look, Dark Jimmy. I admit getting mad over a wedgie was stupid. But I also admit it was wrong of me to give you that. And for that, I'm really sorry.

Dark Jimmy: I forgive you.

Eddy: Really?

Dark Jimmy: That is, my original self forgives you. BUT I'LL NEVER FORGIVE YOU!

Me: Why you RETAINER WEARING LITTLE RAT!

I pulled a Homer Simpson and strangled Dark Jimmy like how Homer strangles Bart.

Me: I'LL TEACH YOU TO NOT FORGIVE PEOPLE! (GRUNTING)

Everyone laughed!

Lily: (LAUGHS) That is funny! Better villains than Bart.

I let Dark Jimmy go.

Springload: (to Dark Jimmy) Foolish Unworthy! You will not block our path to Doradus!

He smashed and pulverized Dark Jimmy all over.

Me: Uh what is Doradus?

Nico: Oh it's like Cybertron's version of the Lost City of Atlantis. It is said to be home to the Fountain of Energon and it can grant eternal power. Springload according to the Aligned Bumblebee's data has been obsessed with finding it for years and he went mad trying to find it.

Me: Oh right I remember hearing about that.

Qin: Yeah that is crazy.

Springload: But if we ever find it, I'll be glad to share its' treasures with you guys.

Me: Thanks Springload.

Nico: Yeah.

Laney went after Dark Jimmy, and she fired powerful blasts of rainbow energy, rainbow fire, animals, plants, leaves, and fairies at him, and they exploded as they hit him, and she attacked him with her massive new greatsword and left nasty scars on him. Then, she also mangled him up badly and his retainer was also bent and mangled up.

Lincoln: Whoa, she's really mangling him up. Let me add in some extra damage! WINGS OF TANABI!

Lincoln used the Wings of Tanabi, and they gave him a bigger set of armored angel wings, and he charged out leaving a rainbow trail and it was beautiful, but that rainbow trail was also riddled with elemental forces and rainbow super lightning, and it hits Dark Jimmy and he got mangled up even more!

Luna: Whoa, nice one, dude.

Me: Whoa! That was awesome! I didn't know the Shen Gong Wu can do that too.

Xenia: That was a first.

Lola: Yeah!

Camie: Beautiful. If the Shen Gong Wu can do that to Lincoln then they must be capable of doing much more with our powers.

Dark Jimmy tried to punch Springload but hit his acid skin.

It burned his hand!

Qin: OOH! Ouch!

Xenia: That must've hurt!

Me: Sarah from what I recall, Jimmy always was getting hurt right?

Sarah: That's right.

Me: Hmm. I got an idea!

I pulled out my Wonder Ride Book.

Me: Lets see here. I know! (Read Verse) "And then a goofy clown swooped in from out of nowhere and smashed the mad enemy down on his head with a stop sign and left the bad foe squished into a pulpy pancake."

A clown appeared and he had a stop sigh that he pulled out of a street and then he laughed and then…

KRABLANG!

OOOHH! THAT IS GONNA LEAVE A SERIOUS BRUISE!

Me: Here's a funny one. (Reads another verse) "And then a tree sprout out of the ground and the foe ground his teeth against it and all his teeth were ripped out of his mouth by the tough bark of the tree as he crashed into the ground!

Then a tree grew and Dark Jimmy did everything I said.

OUCH!

Dark Jimmy: (In pain) Job Related owee!

Maria: Say the word on when we end him!

Nico: Lets do it!

Then, Laney and Lincoln fired powerful rainbow energy blasts with the Judgement Kanji, and they hit Dark Jimmy and he was sent to The Black Gates. We cheered as Laney holstered her massive brand-new greatsword on her back and powered down, and Laney's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Suddenly, Laney ran up to her brother, and she hugged him, and Lincoln held onto his sister.

Lincoln: (Soothing Voice) Shh, shh, it's okay, Laney, it's okay.

Joey: (British Accent) Is Laney…?

Girl Jordan: She's going to be okay.

Me: Yeah.

Nico: But, that Mr. Mxyztlplik isn't going to stop causing trouble.

Anna Anyanova: He's already made Dark versions of Sarah, Kevin, Rolf, and Jimmy, and the only ones left are dark versions of Jonny 2x4 and Nazz, so we'll be ready for them.

Lincoln: We will, Anna.

Me: But that was good that we got rid of another Dark Self of the Ed's friends.

Qin: Thank goodness.

Nico: Let's get back to the factory.

Me: Good idea. I didn't want the factory to be destroyed by that burst of power.

Nico: Smart thinking there.

We teleported back.

Me: That was cool. Now lets see here.

Albedo's Omnitrix: Corrupted Crabdozer DNA Detected.

Me: That can only mean one thing. The next Another Omnitrix Alien is a Crabdozer.

Lola: Yeah.

Nico: I hope it wasn't waiting long.

Me: Me too.

Then a black version of a Crabdozer appeared and it was ANOTHER CRABDOZER!

Me: Whoa Another Crabdozer!

Nico: Whoa another predator alien.

Lola: Yep.

Another Crabdozer: (In a girls voice) (Irish Accent) Ah but it's good that you all are here too.

Me: (GASP) Rhonda Finnigan!? Whoa!

Another Crabdozer: It's good to see you again J.D. me lad.

Me: You too Rhonda.

Nico: You know her?

Me: I sure do. Rhonda is from Ireland and she is the owner of an awesome restaurant called the Irish Gold Clover Bar. It's a restaurant that serves Guinness Beer and cooks it in everything. Even French Onion Soup and their mashed potatoes and gravy and even Shepherd's Pie.

Luna: That's rockin dudes and Shepherd's pie is Mick Swagger's favorite.

Another Crabdozer: Ah yes it is and J.D. is one of the best customers in Ireland at the restaurant.

Me: I go to Ireland on some of my dates with my harem and we eat lots of great food there.

Camie: We sure do and it's awesome.

Nico: That's really awesome.

Albedo turned into Negative Crabdozer.

Albedo: Did Swartz promise you anything?

Another Crabdozer: Just to make my restaurant the best in the world.

Me: We can easily do that. Your restaurant can be part of the Lynn's Table menu too and we can add all your great food to the menu.

Lincoln: Yeah my family owns a really great restaurant and it would be awesome.

Another Crabdozer: I would like that lads. I knew that Swartz was lying to me.

Me: He lied to everyone. But he is gone now.

Qin: Yeah.

Another Crabdozer: That's good lads.

Me: But lets get you back to normal.

Nico: (gets out Mumbo's Ridewatch) This is where the magic happens!

Nico activated it and fired waves of energy and smashed down Another Crabdozer!

Me: Nice shot!

Varie: Me and Tentacool will face you.

Varie fired a blast of water and Tentacool fired a red energy beam from its jewel on her head and the blasts hit Another Crabdozer and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the ridewatch and purified it and I went over to her. Rhonda was in a green shirt and had a green skirt and white pants and brown shoes and she had red curly hair.

I picked her up and brought her over.

Maria: Two to go.

Me: Yep.

But then my Argo Navis Kyutama started glowing.

Me: The Argo Navis Kyutama is glowing.

Nico: Whoa. But is it for 1, 2 or 3 of them?

Me: Hmm.

Then 3 figures came out and it was THE ANOTHER UNDEAD ZODIARTS for the ARGO NAVIS CONSTELLATIONS! They were each for the constellations of Vela the Sail, Puppis the Stern and Carina the Keel! They looked like mixtures of Ship Org, Trawler and Junkalo!

Me: WHOA! The 3 Undead Zodiarts of the Argo Navis Constellations.

Nicole: Vela the Sail, Puppis the Stern and Carina the Keel! This will be interesting.

Maria: I must've miscounted!

Me: Well Argo Navis is one huge constellation composed of 3 of them.

Maria: Oh.

Me: But who are our three guests?

Another Vela Undead Zodiarts: (In a girls voice) You know us J.D.

Another Carina Undead Zodiarts: (In a girls voice) And it's awesome to see you again.

Another Puppis Undead Zodiarts: (In a girls voice) It sure is.

Me: (GASP) Those voices.

They reverted back and they were three Sailor Soldiers! One was with orange hair and had red and orange clothes, the 2nd had purple hair and purple and orange clothes and the third one had green hair and yellow and gold clothes.

Me: (GASP) Selena, Kira and Brittany Quincy A.K.A. Sailors Geonosis, Byss and Aeten II!

Nico: WHOA!

Sailor Geonosis: It's great to see you again J.D.

Me: You too Selene.

Nico: So we get 3 this time

Me: Yep. The Quincy Sisters were born at the same time and their mother died and were raised on 3 different planets. Planets Geonosis, Byss and Aeten II.

Eli: That is cool! Geonosis is where the Battle of Geonosis took place, Byss was destroyed when R2-D2 rammed a ship into it and Aeten II was where the Battle of Aeten II took place.

Sailor Aeten II: That's right Eli.

Sailor Byss: You sure know your history of the battles of the Jedi.

Eli: I learned all about the ways of the force as well as the history of everything that happened.

Nico: He sure has.

Me: We did not expect all 3 of you girls to be the individual constellations for the Argo Navis Stars.

Sailor Geonosis: That is a big surprise isn't it.

Maria: We're not complaining!

Me: But that is still so cool.

Sailor Byss: It sure is.

Me: Any other opponents with you by any chance?

Sailor Aeten II: Actually yes. Another version of him.

She pointed to Kangor.

Kangor: Another version of me mon? That is gonna be amazing to see.

Qin: It sure is.

Me: I'll say. You know out of all the constellations we know, Only Linka of the Planeteers is the only one that is marked by the constellation of Vela the Sail.

Nico: Boy that sucks.

Qin: Yeah.

Applejack: Yeah.

Apple Bloom: But I will face all of you.

Sailor Geonosis: You will Apple Bloom?

Apple Bloom: Sure. I think it will be great.

Me: Go for it Apple Bloom.

Apple Bloom: Here we go.

She was ready. The three sailors reverted back

Apple Bloom then fired waves of energy and blasted all three of them down and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded and were back to normal and I caught their zodiarts switches and Rouse Cards and purified them! They had 4 Rouse Cards and they each had the symbols and stars of the constellations of Vela, Carina, Puppis and Argo Navis and pictures of the Keel, Stern, Sail and a whole ship.

Me: Wow.

The Zodiarts Switches glowed and turned into armbands for those marked for said constellations and Apple Bloom got the Argo Navis Armband.

I brought the three sailors over.

Maria: Hostile or friendly?

Sailor Geonosis: (Groans) Oh right friendly.

Qin: Oh good.

Me: Yeah.

Zocks: Better get ready. Zenkaiju Gear!

He donned his Zenkaiju armor!

But then…

KRABOOOM!

A massive thunderous seismic rumble was felt!

Me: WHOA!

Nico: GEEZ!

Me: An Earthquake!?

Eli: No there wasn't an earthquake.

Me: Wait I think it was from that!

We saw a figure come out and it was ANOTHER KANGOR!

Me: Whoa!

Nico: Another Kangor!

Eli: This one has a strong rumble and a wallop!

Camie: Yep.

May: And you are?

Another Kangor: (In a girls voice) (Jamaican accent) J.D. knows me mon.

Me: (GASP) Latoria Anderson!

Another Kangor: It's great to see you again mon.

Me: You too.

Nico: You know her?

Me: I sure do. Latoria is from Jamaica and she and I went scuba diving for treasure down in the underwater wreckage of Port Royal and we found lots of great stuff down there.

Kangor: That is amazing mon. The wreckage of Port Royal is steeped in history.

Me: It sure is. After it was sunk by a tremendous earthquake in 1692.

Nico: Yep.

Sougo: (gets out Revice Ridewatch) Did Swartz promise you anything?

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo got ReviceArmor while Geiz became Geiz Majesty.

Another Kangor: Just to be a great treasure hunter mon.

Nicole: I can do that for you. I can teach you how to be an awesome treasure hunter like myself and Daring Do here.

Nico: Yep and we go on awesome treasure hunts and they are cool.

Another Kangor: I am looking forward to that one mon.

Qin: Awesome.

Me: Sorry we have to fight like this though.

Another Kangor: No worries mon. Just come at me with everything you got.

Nico: Okay then.

Me: And I know just the thing to start us off. (ACTIVATES GRODD'S RIDEWATCH)

(DAY O BY HARRY BELAFONTE PLAYS)

I danced crazily and silly and fired waves of bananas and smashed her all over the place.

Kaito: (gets out Donbrothers' gear) I can't wait for the Donbrothers mission next year.

Me: We're all excited for that one.

Qin: We sure are.

Nico: Yep.

Kaito got a Donbrothers Sword and he fired waves of energy and smashed her down.

Lola: YEAH!

Nico: (gets out Kangor's Ridewatch) Time to stomp you!

He activated it and got Kangor's big feet and then..

KRASMASH!

He smashed the ground and knocked her down!

Kangor: That was great mon!

Nico: Thanks.

Me: Earthshaking!

Nico: (gets out Evil Star Man's Ridewatch) This will make you see stars!

He activated it and fired stars at her and smashed her all over.

Me: Hope you like the awesomeness of stardom.

We laughed.

May: (gets out Slyther's Ridewatch) Wonder what this will do.

She activated it and donned an awesome disguise! She was a flight attendant.

Me: Whoa! May you look great!

Ed: Oh hello miss. Have you seen May?

Eddy: Shut up Ed.

Me: That is May. She is in disguise. That ridewatch will make an awesome and great infiltration tool.

Nico: Yep.

May: Not much of an attack Ridewatch but it's cool.

May: (gets out Springload's Ridewatch) None will stand in our way to Doradus!

Springload: Well said May!

She activated it and threw globs of acid from her skin and it hit Another Kangor and burned her and I fired waves of lightning and smashed her down.

Maria: (gets out James Nixon McGarfield's Ridewatch) Just like old times, huh, Kangor?

Kangor: Indeed it is mon.

Maria activated it and fired waves of energy and smashed her down!

Qin: Oh yeah!

Xenia: Awesome!

Maria: (gets out Giant Palm's Ridewatch) I have you in the palm of my hand!

She activated it and grew her hands and smashed her down like a bug!

SQUISH!

Another Kangor: (Stupid and dazed talk) But mommy I don't want to go to school today. I want to stay home and bake cookies with you.

Nico: That's funny.

Then Avalanche and his team consisting of Avalanche, Lexaeus, Aligned Chop Shop, Clampdown, Flying Fish (Hero 108) And Armadeevil came.

Nico: Nice team, Avalanche!

Avalanche: Hey thanks. It's gonna be awesome having a team.

Qin: It sure is.

Lyna: Now it's my turn for some fun!

She activated Evil Star Man's Ridewatch and fired waves of stars and smashed Another Kangor down!

Edzilla: ED SMASH!

Edzilla smashed Another Kangor all over.

Qin: YEAH! Take that!

Me: Yeah!

But then a figure jumped out and it was a Tentacruel!

Me: Whoa a Tentacruel!

Nico: Whoa!

Tentacruel: (In a girls voice) Looks like the action has started.

Nico: Lillian Van Damme!? Whoa!

Tentacruel: Awesome to see you again Nico.

Me: Wait are you related to…

Tentacruel: (LAUGHS) Everyone thinks I'm related to Jean Claude Van Damme. But no I'm not. I got this.

She fired a blast of energy and blasted down Another Kangor and I caught the ridewatch and purified it.

I went over to Latoria and she was a girl with a green top and yellow skirt and had black hair and I picked her up.

Latoria Anderson: Oh man. That really hurt mon.

Me: But at least you're back to normal.

I brought her over.

Tentacool: (to Tentacruel) Tentacool. Tenta. Tenta. (Do you understand me?)

Tentacruel: Yes I do understand you.

Tentacool: Oh. Thank goodness.

Me: But that is awesome.

Nico: Yep.

Lyna: What's your favorite memory of Nico?

Tentacruel: I have a lot of them but my favorite is when me and Nico blasted an entire building full of terrorists into oblivion over in Sudan and really reduced them to nothing.

Me: WHOA!

Nico: Yeah that was fun.

Lola: It sure sounded like it.

Tentacruel: Yep.

Me: Lets get you back to normal now.

Tentacruel: Okay but I'm naked.

Nicole: Uh oh. No peaking guys or I will kill you!

I put on my glasses and everyone covered their eyes and I snapped my fingers.

As Lillian was reverting back, Tentacool comforted her by cuddling up to her.

Varie: Aw that is sweet.

When she was back to normal, the Fashion Brigade moved in and she was given awesome aqua blue clothes. And Lillian had blue angel wings and she also had a red jewel imbedded in the middle of her forehead.

Lillian Van Damme: (Groan) Man that was intense. But man these clothes I have are awesome.

Rarity: Oh why thank you darling.

Varie: Tentacool helped comfort you as you reverted back.

Tentacool: It's true.

Nico: So cool.

Nico and Lillian hugged.

Nico: I really missed you.

Lillian Van Damme: Me too Nico. Me too.

Me: But this was an awesome rescue.

Tentacool hopped on Lillian's head.

Tentacool: But that was awesome though.

Nico: Yeah it sure was. Lets go home guys.

We did so.

We later got back.

Camille Victoria: NICO!

She then ran at him and turned into her Victreebel form and then…

CHOMP!

She glomped him by chewing on his head!

Me: Camille I know you love Nico but please don't chew on his brains.

Victreebel: Huh?

She reverted back.

Camille Victoria: Sorry. But I just missed him.

Me: I know.

But, we also got bad news: Jedah, the High Priest of the Duma Faithful and servant of Dumah, has come back and he wants revenge.

Lincoln: Wow, we're here in the Sensei Air Realm for Day 5 of the Skylands Treasure Hunt, and I know what we're going to do here, not only am I going to rescue the five girls here, but Rainbow Dash is going to get a powerful treasure here: a powerful greatsword known as The Hurricane Lightningstorm Loyalty Alicorn Greatsword of The Air Skylanders.

Nico: You got that right, but, we also got bad news: Jedah, the High Priest of the Duma Faithful and servant of Dumah, has come back and he wants revenge.

Celica (Fire Emblem): (Growls) That bastard, he just doesn't know when to quit!

Me: Well, this is going to be the absolute last time we ever have to deal with him, Celica.

Lincoln: Yeah, we're going to send him straight to The Black Gates, and this time, he's never coming back, and I want to thank you and your team for joining us, Yae.

Yae: You're welcome, Lincoln.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Spiral Nazca Line and Earthbound Immortal Rorccon were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter.

Just then, the Air Skylanders arrived.

Jet Vac: (British Accent) Mind if we all join in?

Rainbow Dash: Not at all, Jet Vac.

We then arrived at a sky blue-colored shrine with the symbol of The Air Skylanders on it, and then, the Water symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Hurricane Lightningstorm Loyalty Alicorn Greatsword of The Air Skylanders, a powerful massive greatsword with cyan blue gems representing the Air Skylanders embedded in the 7'0" massive, wide, double-edged cyan blue blade, large alicorn heads for the crossguard, large cyan blue gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large cyan blue gem on the bottom of the alicorn heads for the pommel.

Rainbow Dash: Whoa, that's The Hurricane Lightningstorm Loyalty Alicorn Greatsword of The Air Skylanders, it truly is perfect for me, since I'm The Princess of Loyalty and The Air Skylanders.

Suddenly, we saw Ghostrick Yeti and Flower Cardian Lightflare appear before us, and with them are the five girls.

Nico: Whoa, Ghostrick Yeti and Flower Cardian Lightflare!

Ghostrick Yeti: (Girl's voice) That's right.

Flower Cardian Lightflare: (Girl's voice) And we got them away from Jedah who was going to sacrifice them to Duma.

Lincoln: (Gasps) Those voices, Thera Amihan and Jessica Twilightblade, it's so awesome to see you both again, but we'll talk later, I already know that Jedah is already heading for us.

?: I will have my revenge on you all for what you did in destroying me, Team Loud Phoenix Storm!

Celica (Fire Emblem): (Growls) I knew there's no mistaking that voice from anywhere. Get out here right now, Jedah!

We then saw our target, Jedah, and man, he was pissed off.

Celica (Fire Emblem): I always knew you'd one day return.

Rainbow Dash: Too bad it's about to be your last day alive.

Rainbow Dash went up and grabbed The Hurricane Lightningstorm Loyalty Alicorn Greatsword of The Air Skylanders. Suddenly, Rainbow Dash's purple eyes turned neon purple, and she was surrounded by a rainbow energy aura with rainbow super lightning, rainbow flames, winds, magic, and Alicorns, she unholstered her massive Rainbow Dash's Rainbow Lightning Magical Alicorn Greatsword of True Athletic Loyalty and Friendship and Friendship from her back, and as she approached Jedah, she left rainbow energy, rainbow super lightning, rainbow flames, magic, winds, and Alicorns with every step.

Rainbow Dash: I've had it up to hear with you, Jedah, your insane loyalty to Duma has caused more than enough trouble for the last time, and what you did in constantly trying to make Celica suffer so you can kill her and sacrifice her to Duma, has crossed one line too many, and for that, you shall pay the price for your crimes with your life.

Suddenly, Rainbow Dash was surrounded by a massive vortex of rainbow energy with rainbow fire, rainbow lightning, winds and magic surrounding it, there's a group of Pegasi and an Alicorn flying around the vortex, and inside the vortex is a blue phoenix with red eyes glaring at Jedah: the red eyes of death. Then, as the vortex faded, Rainbow Dash emerged, but she was changed forever.

(DANGER ZONE BY KENNY LOGGINS PLAYS)

Rainbow Dash remained tall at 7'4" in height, she has the body of a goddess, she has weighted gold bands over the weighted rainbow bands on her biceps and thighs, and she now has nine large rainbow orbs orbiting around her legs, she has rainbow highlights in the bangs of her long rainbow colored hair, she has neon purple eyes and a rainbow energy aura with rainbow super lightning, rainbow fire, magic, winds, and Alicorns surrounding her, she has an Alicorn with the Rainbow Kanji above its horn emblazoned on her forehead and Third Eye with purple iris, she has on Alicorn earrings with the Rainbow and Eternity Kanjis in its hooves, she also has an Alicorn with rainbow gems for eyes and the Rainbow and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, she has on a rainbow shirt with rainbow phoenix on it, blue pants with rainbow lightning on them, blue knee-high combat boots with Alicorns for the belt buckle, and multi-colored long sleeveless trenchcoat with Alicorns, rainbow fire, winds, and rainbow super lightning on the coattails, and on the back is an Alicorn with rainbow lightning surrounding it. Suddenly, Rainbow Dash felt a sharp pain on her back, and then, her massive rainbow angel wings with blue highlights on the large rainbow feathers, grew much bigger for her new body, she has on a Ring of The Phoenix with rainbow gem and heart-shaped gem embedded in it on her right ring finger and Green Lantern Ring on her left ring finger and Stone of Gelel embedded in her left hand and her rainbow tail grew longer.

Suddenly, Rainbow Dash's massive Rainbow Dash's Rainbow Lightning Magical Alicorn Greatsword of True Athletic Loyalty and Friendship and The Hurricane Lightningstorm Loyalty Alicorn Greatsword of The Air Skylanders and all the other swords that she'd gotten began to merge together and they were surrounded by a kaleidoscope of rainbow energy, rainbow lightning, rainbow flames, magic, and Alicorns and when it emerged, it was transformed into Rainbow Dash's Hurricane Air Skylander Rainbow Super Lightningstorm Magical Alicorn Greatsword of True Athletic Loyalty and Friendship, it's a brand-new massive greatsword with embedded rainbow gems and her cutie mark etched on the 7'0" massive, wide, double-edged rainbow blade, large gold Alicorn heads for the crossguard, large rainbow gem embedded in the rainguard, longer black handle, four large gold Alicorn heads with blue gems for eyes and a large rainbow gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and blue gems for the eyes and a large rainbow gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Rainbow Dash's transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA ATHETIC AIR SKY STORM SKYLANDER PRINCESS RAINBOW LIGHTNING ALICORN ANGEL OF DIVINE AWESOME RAINBOW ALICORN

## SKY LOYALTY AND DIVINE ALICORN RAINBOW SKYSTORM ATHLETIC LOVE!

We were truly amazed by Rainbow Dash's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Jedah saw it, he went mad and rushed at her to kill her, but Rainbow Dash fired a powerful rainbow energy blast with rainbow super lightning, rainbow fire, magic, winds, and Alicorns, and it hit Jedah and forced him out of the shrine and we followed, he got up, but now, he was mega pissed off.

Rainbow Dash: (Divine Echoing Cosmic Voice of The Elemental Harmony Loyal Rainbow Lightning Sky Storm Alicorn and Divine Rainbow Sky Storm Athletic Love) Consider yourself dead, Jedah, your days of causing trouble and despair are finally over.

Lincoln: Hold on, Rainbow Dash, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rainbow Dash.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to be running amok ever again, Jedah, and now, it's time for you to disappear forever!

Rainbow Dash and Lincoln went after Jedah, and they fired extremely powerful blasts of rainbow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Evil Sperg and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more, and Lincoln fired a powerful red energy blast at Jedah, and Lincoln sucked out and absorbed all of Jedah's magic powers and he not only made them his own, but he rendered Jedah powerless.

Rainbow Dash got out her Rainbow Dash's Athletic Rainbow Lightning Alicorn Angel Fury hand-cannon Blaster and Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Rainbow Dash fired blasts of rainbow energy, rainbow energy, and elemental forces at Jedah and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln fired a powerful blast of black energy with the Judgement Kanji in it, and it hits Jedah and it exploded with incredible power killing him forever and sending his soul to The Black Gates for eternity. We cheered wildly as Lincoln and Rainbow Dash holstered their massive greatswords on their backs and powered down, and Rainbow Dash's new body, clothes, weapons, jewelry, Third Eye, longer rainbow tail, and massive blue angel wings are permanent.

Rainbow Dash: That'll teach you, you religious fanatic. Thanks for helping me destroy Jedah for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rainbow Dash.

Suddenly, Rainbow Dash wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rainbow Dash's face, they kissed passionately as Rainbow Dash's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Rainbow Dash came back to us as the display vanished.

Nico: I certainly wasn't expecting Jedah to make a return from the dead, but it was to be expected.

Lincoln: But, the important thing is we got rid of Jedah once and for all, and this time, he's never coming back from the dead. (To Thera Amihan and Jessica Twilightblade) And it's so good to see you again, Thera Amihan and Jessica Twilightblade.

Thera Amihan reverted back to normal, and she's a beautiful girl with long flowing white hair, ice blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings, and she reigned in the power of Ghostrick Yeti, and she's dressed in a black long-sleeved winter coat, sleeveless midriff top, black leather pants, black leather knee-high boots, and a long white sleeveless trenchcoat with darkness and yetis on the coattails and Ghostrick Yeti on the back and holstered on her back is a massive Ghostrick Witch-themed greatsword with Ghostrick Yeti etched etched on the 7'0" massive, wide, double-edged midnight black blade, large yeti heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large yeti heads and large ice blue gem on the bottom of the large yeti heads for the pommel.

And Jessica Twilightblade reverted back to normal, and she's a beautiful girl with long flowing brown hair, brown eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings, and she reigned in the power of Flower Cardian Lightflare, and she's dressed in a dark blue short-sleeved blouse, sleeveless dark blue midriff top, dark blue skirt, dark blue pants, dark blue knee-high boots, and a long white sleeveless trenchcoat with flowers and blades on the coattails and Flower Cardian Lightflare on the back and holstered on her back is a massive Flower Cardian Lightflare-themed greatsword with Flower Cardian Lightflare etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large dark blue gem on the bottom of the large dragon heads for the pommel.

Thera Amihan: You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, Ellie, Alecto, Emilia, Isabella, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, and Tiana Masina: You too, Thera.

Jessica Twilightblade: It's indeed been such a long time.

Lincoln went up to Thera Amihan and Jessica Twilightblade and he hugged them, and Thera Amihan and Jessica Twilightblade were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Thera Amihan: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Jessica Twilightblade: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Yeti Gene-Slammer is Thera Amihan, she's my Guardian Angel from Michigan and classmate in Gym. She's a yeti and she was born with the powers of darkness and snow, and she also knows of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers.

Me: That's really awesome.

Lincoln: It gets even more awesome, she's also a skilled expert in camoflage and it also works to her advantage when Winter hits, and she's also an incredibly strong girl who'll knock any dumbass villain flat on their butt, and she's also defended me from the bullies at school and outside and Lori, Lynn, Lola, Lisa, and Luan at home. She's also the master of a dark power known as Yeti's Winter Storm Fury, when she uses this dark power, she'll summon a powerful snowstorm to kill the guilty persons destined to die as they freeze to death. This one time, I made her a beautiful necklace with yeti pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates Ophelia Shroud with a burning passion and she wants nothing more than to end her.

Brittney gave Thera Amihan the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Flower Cardian Lightflare Gene-Slammer is Jessica Twilightblade, she's my Guardian Angle from Japan and classmate in French, but she's also a capable wielder of blades. She and I would train in wielding various blades, and during training, we kissed each other on the lips, and we even had lunch together.

Nico: Really awesome.

Lincoln: And it gets even more awesome: I found out from her that she's an actual descendant of Date Masamune.

We gasped.

Nico: Whoa, she's also the descendant of Date Masamune, that's really incredible!

Lincoln: I suspected that she was his descendant, because only she would know his history and skills with a sword, and she hates Lila Rossi with a burning passion, so much she wants her dead as bad as all of us.

Nico: I don't even blame her, after all the shit she's caused, I think death would be too kind for her.

Thera Amihan: Yeah, there's a lot of fates much crueler than death. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Thera, Jessica, are you absolutely sure about this?

Jessica Twilightblade: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Thera Amihan and Jessica Twilightblade, and he saw that they're really serious, and he smiled as he walks over to Thera Amihan and Jessica Twilightblade, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Thera Amihan's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Jessica Twilightblade.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Thera Amihan and Jessica Twilightblade with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Thera Amihan: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Jessica are now part of my harem and my many future wives, Thera.

Thera Amihan and Jessica Twilightblade had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Benten, Chi-Chi and Nene, Seena, and Igret from Ragnagard.

Lincoln: Oh wow, it's Benten, Chi-Chi and Nene, Seena, and Igret from Ragnagard.

Nicole: Awesome.

Lincoln: Are you girls okay?

Benten: Yes, we're okay, thanks to you.

Then, when Benten and the other four girls saw who it was that saved them from Jedah, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous

Benten: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Benten: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Benten, Chi-Chi and Nene, Seena, and Igret with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Rainbow Dash had gotten The Hurricane Lightningstorm Loyalty Alicorn of The Air Skylanders, and they were shocked when they found out the villain we went after was Jedah, the servant of Duma, and he came back for revenge on us for destroying him last year.

But, when Lincoln showed what happened such as Rainbow Dash transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln brutally beat that madman down and they sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Thera Amihan, and Jessica Twilightblade have a lot of catching up to do, now that they're back in town.

Maria: At least, that's the last time Jedah dares to show his face again.

Lincoln: After all the trouble he's caused in his devotion to Duma, he more than deserves to get sent to The Black Gates.

Me: You said it.

Celica (Fire Emblem): Yeah.

---

After finally destroying Jedah and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Thera Amihan and Jessica Twilightblade saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Thera Amihan: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Jessica Twilightblade: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Thera Amihan: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Thera, Jessica, what memories did you have with Lincoln?

Thera Amihan: Oh, I remembered this one time at Gym Class, Lincoln and I were both paired up with Girl Jordan, Mollie and Brunhilde Ildsverd for dodgeball, and we went up against Lynn, who made an alliance with Chandler, Pablo, and Anderson to kill Lincoln again. I always knew Lynn was trouble, but for that violent animal to make an alliance with three more people to kill her little brother again, we decided to put that bitch in her place, and also, knock down those three other morons. When Coach Keck blew the whistle, Girl Jordan, Lincoln, Brunhilde, Mollie, and I grabbed all the dodgeballs so that way, Lynn, Chandler, Pablo, and Anderson couldn't have any, and then, we let them have it as we let our fury out on them. We pelted Chandler, Pablo, and Anderson and got them out, and then, we pelted Lynn, and we made her confess her crimes, and when she was done, let's just say Paula, Polly Pain, and Margo wanted Lynn's head on a pike for what she did, but we decided to let Coach Keck deal with her. Lynn was dragged to the office and put under suspension for three weeks, but she also got grounded for three weeks as well, and she couldn't go to a basketball game that time, and as for Chandler, Pablo, and Anderson: four week suspension and they also got sent to jail.

We cheered.

Nico: Honestly, Lynn just didn't know when to give up on trying to kill her brother.

Jessica Twilightblade: She was a really dumb animal who didn't give a damn about anyone except for herself and she always wanted Lincoln to suffer and/or die. Okay, now it's my turn, one day, I was training with Lincoln, and we were using broadswords, katanas, greatswords, and every blade known to history, but then, we heard a loud belch in the distance, and when Lincoln heard it, only he knew of one person who could make that belch: it was Lynn, and she was out for blood. She ran to attack us and she had a knife, but Lincoln and I used our training in swordfighting, and we really outfought her, and Lincoln also used an indestructible metal for the forging of the swords that we used for our training. We defeated her and Lincoln tied her up with red energy ropes fired from his white angel wings, and we dragged her back to The Loud House and after we told the parents of what that animal tried to do, Lynn was grounded for fifteen weeks for her attack, and Lincoln threw her in a cage and he made sure she was all tied up in a straitjacket and he muzzled her.

We cheered wildly.

Nico: Sheesh, that's two memories of you guys stopping Lynn dead in her tracks and stopping her from trying to kill Lincoln again.

Me: Yep, and those two I remembered all too well.

Lincoln: Lynn went way too far on those two days, and it was going to take a long time for me to even forgive her, because she was too stubborn, hard-headed, and completely driven by rage and revenge due to Dark Lynn's hatred of me. I swear, if she tried to kill me one more time, I'd let my Guardian Angels kick her butt and send her to the hospital!

Janet Kinsington: In a full-body cast!

We got a shower afterwards, and then, Sherlock Hound was preparing to head to Pentagram City yet again, specifically the Goetia Palace to recruit Stolas and Octavia Goetia for Team Loud Phoenix Storm and Verosika Mayday's posse for The Masters of Evil, and he's going with Ardyn Izunia and Muzan Kibutsuji, since he sent Striker's severed head back to Stella Goetia along with a warning, but she refuses to back off and she still wants revenge. The portal opened, and Sherlock Hound, Ardyn Izunia, and Muzan Kibutsuji were here in Pentagram City.

Sherlock Hound: (British Accent) So, we're finally back in Pentagram City, but for another recruiting mission: to recruit Stolas and Octavia Goetia for Team Loud Phoenix Storm.

Ardyn Izunia: And Verosika Mayday's posse for The Masters of Evil, but we need to watch ourselves for this one, Hound. Stella Goetia is still very miffed at you for sending her Striker's head and that warning you and Sparda gave her.

Muzan Kibutsuji: Seems as though she hasn't learned her lesson, and she'll do anything to get her revenge.

Sherlock Hound: (British Accent) Let her try, because the second she does, I will show her just who she is dealing with.

Sherlock Hound unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Ardyn Izunia had his Rakshasa Blade out, and Muzan made a sword of darkness, and they head for the Goetia Palace.

Sherlock Hound: (British Accent) Here we are, the Goetia Palace. Stolas and his daughter, Octavia, are here, but Stella's not. But, we should still be on guard.

Sherlock Hound, Ardyn Izunia, and Muzan Kibutsuji went inside, and they met up with Stolas Goetia and Octavia Goetia, and Sherlock Hound explained why he's here: to recruit him and Octavia to the team, and they'll be put under their protection.

Stolas Goetia: Thank you. Now, we need to hurry.

Octavia Goetia: Dad's right, there's no telling when Mom's going to be back.

Sherlock Hound, Ardyn Izunia, Muzan Kibutsuji, Stolas Goetia, and Octavia Goetia left the place, but not before Sherlock Hound left a bloody message to Stella Goetia: telling her if she dares to go after Stolas and Octavia and threatens to kill Team Loud Phoenix Storm, he would come after her and he's also bringing The Radio Demon with him, along with Charlie's dad, Lucifer Morningstar, and that really pissed her off badly.

Sherlock Hound: (British Accent) (Laughing Sinisterly) Looks like Stella Goetia didn't take kindly to the message I left her.

Ardyn Izunia: I though the message you left her was quite genius, Hound.

Muzan Kibutsuji: And you'll make good on your threat, even if you have to let Sparda take over.

Sparda: (Through the Large Red Jewel) I've already had my fun with making Mundus and his minions quite enraged at me, it's now Sherlock Hound's turn, and I must say, he's doing quite an excellent job in making Hell's powerful Overlords really mad.

Just then, Verosika Mayday's posse arrived: Josh, Coco, Apple, Kat, Milky, Kiki, and Ace, a group of Succubi Demons who are friends with Verosika Mayday.

Sherlock Hound: (British Accent) Just the demons we were looking for, I suppose you heard that your boss, Verosika Mayday, is now part of The Masters of Evil, correct?

Josh: Yes, and we also want in, and Stella Goetia's already out for your head.

Sherlock Hound: (British Accent) (Sighs) I should've known. Then, let her try, the one thing that'll await her is death by my hand.

They eventually came back home, and Stolas and Octavia Goetia were now part of the team and they are under our protection from Stolas' spiteful wife, Stella, and Verosika's posse were sent to join her in The Masters of Evil as they went with Ardyn Izunia and Muzan Kibutsuji.

Me: That was an awesome recruitment mission.

Nico: Yeah, whenever something's up in Pentagram City, Sherlock Hound will go down there, but he'll also have Ardyn Izunia and Muzan Kibutsuji with him.

Lincoln: And we already got the news: looks like Stella Goetia's now out for your blood.

Sherlock Hound: (British Accent) Let her try, Lincoln, like I said, the only thing awaiting her will be a cruel death by my hand.

Alastor: But, her punishment, my dear man, shall be decided by Charlie's father.

Nico: That's right, only Lucifer Morningstar can decide on Stella Goetia's punishment, and if he does decide that death is her punishment, then, we'll send Sherlock Hound to be her executioner, and Sparda's right, you've really been doing quite an excellent job in making Hell's powerful Overlords really mad.

Dante (Devil May Cry): Just like my father before me, nice one.

---

Me and Nico and some of the team were at a house.

Nico had called Dark Spicer, Shiv, Firefly, Snake, Robo Blaze, and Electro over to a nearby house.

Dark Spicer: Nico, why did you call us over here?

Nico: Because guys. We're going into the house of one of the world's most evil scumbags.

DCSHG Poison Ivy: (facepalms) Nico, that's the house of Poromon's preschool teacher.

Nico: I know but he told us that this teacher was really hurting him and biting him in the butt! NO WAY IN HELL AM I GOING TO LET HIM GET AWAY WITH THIS!

Me: Poromon had really nasty bite wounds on hit butt and they looked like animal bite marks.

Dark Spicer: Ouch.

We went up to the door.

Little did we know that this was the house of one of Charles Darwin Middle School's most tyrannical staff members: PRINCIPAL/ SUPERINTENDENT WOLVERINE!

---

Vice Principal Wolverine is a recurring villain from the classic Cartoon Network series, My Gym Partner's a Monkey. He is the bossy, loud-mouthed, domineering, and quick-to-anger substitute principal of Principal Pixiefrog. He'd later get promoted to superintendent in "Lonely Lyon", giving him authority over Principal Pixiefrog. His go-to threat for misbehaving students is "Do I have to bite you on the buttocks?" He first appeared in "Leaf of Absence".

He was voiced by Chris Edgerly.

In "Leaf of Absence", Principal Pixiefrog quit his job in shame, after losing his first lawsuit, so Principal Wolverine had to step in. Wolverine ran the school like he was a drill sergeant and the students and even the other teachers were his soldiers. He lashed out at Adam and Jake for being late to school and threatened to bite their respective buttocks if they continued to be late and disobeyed his unreasonable, arbitrary rules.

Throughout the school day, Wolverine forbade avian students from flying. He ripped the nose ring off of a bull, which tore her nose open, and Wolverine claimed to have done it in the name of his "no jewelry" policy. He removed the headset of Bull Sharkowski, telling him that he's not allowed to listen to music at school. Bull assured him that his headset dispensed water into his gills, to help him breathe, but Wolverine didn't care, forcing Bull to dive into the Aquatic Wing, just to keep himself alive. Worst of all, he forced his secretary, Mrs. Warthog to actually do her work.

Adam and Jake went to Principal Pixiefrog's pad and begged him to return, but he refused. They turned to Mr. Mandrill for spiritual guidance, which gave Adam the idea to plant elephant grass on the school's front lawn. The grass blocked the students from entering the school, making for a lawsuit-worthy denial on the school's accessibility. Principal Pixiefrog saw this on the news and his lawsuit-avoiding senses kicked in, and he knew he had to spring into action.

Pixiefrog arrived on the scene and gathered together a herd of herbivores, getting them all to eat the elephant grass into oblivion. Wolverine realized that Pixiefrog was a better teacher than he was and agreed that he should go to a school, where the students are more compliant. He then took out his magical Mary Poppins umbrella and flew off to London.

In "Lonely Lyon", Wolverine's higher ups, had recently promoted him from second in command principal, to the CDMS superintendent, giving him power over Pixiefrog and the ability to hire and fire faculty members of his choosing. He fired Nurse Gazelle for not having a proper education, deeming her unfit to be a school nurse. She was then forced to return to CDMS as a student, until she graduated. In her place, he sad Principal Pixiefrog become the new nurse and made Adam and Jake the new principals. During Adam and Jake's principal job, an office fire destroyed all the files, that proved that Jacqueline Gazelle didn't graduate, and Wolverine let it slide, giving Jacqueline her old job back.

In "Robo Frog 3000", he lost his job, after being replaced by a more-competent and less expensive Robit. He got a new job, monitoring the Car'l Wash. Like with his old job, Wolverine was loud, bossy, and disrespectful to his workers. Principal Pixiefrog and the other inferiors at Charles Darwin Middle School had also been fired and they showed up at the Car'l Wash, all working for him. Despite them sharing his current strife, he continued to treat them like crap. When they, as Car'l wash employees were replaced, Wolverine proved to be cold and heartless to the end, as he rudely fired everyone, even including himself.

---

We knocked on the door and went in.

Karura: Hi. You must be Poromon's preschool teacher.

Principal Wolverine: Team Loud Phoenix Storm!? What brings you here!?

Me: Wait a second aren't you Principal Wolverine, the Vice Principal of Charles Darwin Middle School?

Principal Wolverine: That's right! DO I HAVE TO BITE YOU ON THE BUTTOCKS!?

Me: (ENRAGED) HOW ABOUT I BITE YOU ON YOUR NOSE YOU LITTLE PIPSQUEAK!

Me and Principal Wolverine got in each others faces and growled extremely ferociously at each other!

Me and Principal Wolverine: (GROWLING FEROCIOUSLY)

Realistic fire burned ferociously in the background!

Dark Spicer: Whoa man! I've heard about Principal Wolverine and Jake told me that he has one helluva nasty temper.

Karura: That doesn't surprise me one bit since Wolverines are very territorial.

Nico: Jake Spidermonkey and friends told me all about Principal Wolverine and his nasty reputation. But I had no idea that he was teaching Poromon's school.

Nico grabbed Principal Wolverine by the collar.

Nico: WHY DO YOU HATE MY PARTNER?!

Apeface: (groans) This is off to a good start so far.

Nico: WHY ARE YOU FAILING MY PARTNER?! ANSWER ME, DIRTBAG!

Me: Better do what he says Wolverine! You don't want to make my boss mad!

Principal Wolverine: BECAUSE I DON'T ALLOW PETS IN SCHOOL!

Nico: Poromon is not a PET! All the mascots are just as human as all of us are!

Principal Wolverine: DO I HAVE TO BITE YOU ON THE BUTTOCKS!?

Nico: Don't get me started!

Broadside: I think we should have him replaced with someone else.

Nico: Not needed. Poromon's teacher is out visiting her family for the Christmas week. She'll be back on Monday.

Broadside: Oh. I see.

Me: Yeah. I don't know how Principal Pixiefrog was able to put up with this guy. Jake and Windsor told me that he wanted to rule Charles Darwin Middle School with an iron fist. One time he took Bull's water muffs away because he thought they were music.

Broadside: Man what a jerk!

Me: Yeah.

Principal Wolverine: HE KNOWS THAT MUSIC IS NOT ALLOWED!

Me: He's a bull shark you idiot! And he needs water!

Principal Wolverine: DO I HAVE TO BITE YOU ON THE BUTTOCKS!?

Me: (ENRAGED) HOW ABOUT I BITE YOU ON THE BUTT AND SEE HOW YOU LIKE IT!

We got in our faces and GROWLED EXTREMELY FEROCIOUSLY AS MORE FIRE BURNED FEROCIOUSLY!

Dark Spicer: Boy this guy PISSES me off!

Electro: Say the word and I'll zap him!

Nico: Do it.

Electro fired a blast of lightning and electrocuted him!

Then…

CHOMP!

I BIT HIM IN HIS BUTT WITH THE FORCE OF A BEAR TRAP!

Principal Wolverine Screamed in pain from that! OUCH!

Me: BLECH! That tasted awful! (SPITS)

Nico: I think I should tell Superintendent Chen about this!

Me: You do that.

Principal Wolverine gasped in fear and shock.

Apeface: Just like killjoy Huggins. He is afraid of Chen too.

Me: Yep.

---

Later we came back and Varie was giving Poromon a bunch of shots for rabies.

Poromon: How did it go?

Me: We gave him a good talking to.

Down on the surface we heard SUPERINTENDENT CHEN RAISING VERBAL HELL on him!

INCOHERENT YELLING AND SCREAMING!

Jake Spidermonkey: GEEZ! That is some brutal yelling!

MORE YELLING!

Jake Spidermonkey: Well I never! (HOOT)

Windsor Gorilla: But that was good thinking to confront Principal Wolverine on that.

Slips: We did not expect Principal Wolverine to be Poromon's teacher for the time being.

Nico: No kidding there. Geez.

Me: Yeah. I'll be right back. I got to go to the bathroom.

I went to the bathroom and gargled mouthwash.

I spit and came back.

Me: Ahh that's better.

Maria: You okay now, Poromon?

Poromon: I sure am. Thanks guys.

Nico: No problem.

Karura: It was really a surprise to see that though.

Qin: Boy no kidding.

Camie: But that was nuts. Also Principal Pixiefrog I think having him on the school board as principal or vice principal was a really bad idea.

Principal Pixiefrog: Yeah I agree there.

Lola: No kidding there.

Buzzerbeak squawked.

Nico: Buzzerbeak, if you're wondering which teams I made this time, Onewa's team will include Adagio Dazzle, Rena, Zoey Drake, Rebecca Hawkins, and Mai Valentine. Pohatu's team will include Wendy Marvell, Eclair, Princess Celestia, Princess Luna, and Starlight Glimmer.

Me: Cool!

Qin: Awesome choices!

Eclair: It'll be an honor to be on a team with you guys.

Rena: We're really looking forward to this one.

Zoey Drake: I agree there.

Mai Valentine: Same here.

Me: Yeah that will still be cool.

Then the previous group came.

Captain Boomerang: (Australian Accent) Can me, Billy Numerous, Absorbing Man, Dayu, Mirror Master, Mr. Mittens, Angel, Xiao Fung, See-More, and Evil-Lyn go with you guys this time?

Yost Domino: Me, Grand Duke's Minions, Platinum Princess, Dahlia Hawthorne, Quark, Superfriends Cheetah, Fairy Tail Angel, Evil Wing Man, Rainbow Raider, and Mouth of Sauron will go too.

Nico: Yes you all can come with. We're going to Lynn's Table for a good meal and an awesome humiliation session on the jerks.

Qin: Nice!

Lola: YEAH!

Tornado Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm going for Golem and Rapidash next. Golem for my rescue and Rapidash for the Ambassador Mission.

Qin: Awesome!

Xenia: This will be awesome and fun!

Me: Yep.

Lincoln: Yeah!

Nico: Lets go have fun and get some grub.

We were off.

* * *

The jerks were grumbling in anger and rage, but then, a tornado of humiliating gags accompanied by a blast of cold air hit the jerks and they were pelted by an assortment of rotten fruits and veggies, along with getting hit with blunt objects and also the spirits of the Elemental Force of Techno Angels appeared and swirled around them and pulverized the jerks and they converged and Then

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

An explosion erupted out above them and the phoenix cry and thunderbird screech was heard, and we came out.

Nico: Good morning, Lynn's Table crew!

Lynn Sr.: Hey, guys, usual orders?

Me: You bet, Mr. Lynn.

Lynn Sr.: Coming right up!

We then saw Flip snoring, and the other jerks were really pissed off.

Rachel Emperyous: There's that moron, Flip, snoring and ignoring us?! Well, I'll see about that!

Rachel Emperyous formed a paddle made of wind, and she tip-toed towards Flip, lifted up his shirt to expose his hairy belly, and then, she struck!

---

She paddled him a ton of times, and she ran towards us, and that really set Flip off. When he saw the Guardian Angels with weapons and such, he screamed and roared in rage. Lincoln slapped him and smashed him down.

Lincoln: Ah, shut up, you fat hairy mutant cheapskate! Girls, let's get him and the jerks!

Lincoln's Guardian Angels: YEAH!

Max Goof: But, leave Brad for me and my friends. I've got my own brand of payback to deliver unto that jerk.

Nico: Fair enough.

Absorbing Man: Who wants to go first?

Platinum Princess: I got a good one.

She placed a record player in front of the jerks.

Flip: Huh?

She played the record.

THE MAN IN GAUZE PLAYS!

IT WAS THE PLAGUE OF HORRIBLE MUSIC!

The jerks were screaming holding their ears in pain as the horrible music was playing.

Lincoln's Guardian Angels proceeded to attack the jerks with some of their best and funniest pranks ever.

Maria Garcia and The Fabled Gene-Slammers put funnels into the mouths of Flip, Lewis Travolta, Billy McLean, Pablo, Anderson, and Bubble Bass and then, they unloaded tons of truckfuls of the hottest hot peppers in Mexico and crammed them into the throats of Flip, Lewis Travolta, Billy McLean, Pablo, Anderson, and Bubble Bass, and those peppers were so hot, they spat out the funnels and they all screamed in pain as he screamed, belched, and farted out massive fire blasts, along with tons of gold and jewels, and we absorbed the fire blasts and it made us even stronger than ever.

Nico: Whoo! Now, that's-a spicy meatball!

We laughed hysterically!

Lincoln: Nice one, Maria. Alright, who's up next?

Stella Seraphina: We're up next, girls.

The Seraphina Sisters went up, and they fired blasts of superhot fire at Amy, Icky Vicky, Peggy Bundy, and Trina Riffins, and they exploded and that caused more gold and jewels to explode out of them, but the biggest kicker was that their hair was burned off, and when they saw it in the mirror, they screeched and screamed: they were now a bunch of baldos.

Nico: (LAUGHING HYSTERICALLY) Oh, that was a good one!

Me: YEAH!

Trixie: The Great and Powerful Trixie has a good one!

She placed a spring underneath the jerks.

She had them lifted up and put on it and it sent them fling and then they smashed into the ceiling and then smashed onto the ground! OUCH!

Me: Nice one Trixie!

Luna Rodriguez: (Spanish Accent) We also got a good one.

Luna and Sol whispers in Mr. Casagrande's ears.

Hector Casagrande: (Spanish Accent) Three belly-buttons?! (Laughs) That's the best chisme I've ever heard, I got to tell someone!

Ronnie Anne: Uh, what did you and Sol say to Abuelo, Luna?

Hector Casagrande: (Spanish Accent) (Gets on intercom) Attention, customers, hot Chisme in Aisle 1, Flip has three belly-buttons!

Raiden: Their names are Thera Amihan and Jessica Twilightblade and they are amazing guardian angels for Lincoln.

Rarity: Oh they sure are darlings and they have an amazing story.

Sweetie Belle: They sure do and it was great.

---

Thera Amihan: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Jessica Twilightblade: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Thera Amihan: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Thera, Jessica, what memories did you have with Lincoln?

Thera Amihan: Oh, I remembered this one time at Gym Class, Lincoln and I were both paired up with Girl Jordan, Mollie and Brunhilde Ildsverd for dodgeball, and we went up against Lynn, who made an alliance with Chandler, Pablo, and Anderson to kill Lincoln again. I always knew Lynn was trouble, but for that violent animal to make an alliance with three more people to kill her little brother again, we decided to put that bitch in her place, and also, knock down those three other morons. When Coach Keck blew the whistle, Girl Jordan, Lincoln, Brunhilde, Mollie, and I grabbed all the dodgeballs so that way, Lynn, Chandler, Pablo, and Anderson couldn't have any, and then, we let them have it as we let our fury out on them. We pelted Chandler, Pablo, and Anderson and got them out, and then, we pelted Lynn, and we made her confess her crimes, and when she was done, let's just say Paula, Polly Pain, and Margo wanted Lynn's head on a pike for what she did, but we decided to let Coach Keck deal with her. Lynn was dragged to the office and put under suspension for three weeks, but she also got grounded for three weeks as well, and she couldn't go to a basketball game that time, and as for Chandler, Pablo, and Anderson: four week suspension and they also got sent to jail.

We cheered.

Nico: Honestly, Lynn just didn't know when to give up on trying to kill her brother.

Jessica Twilightblade: She was a really dumb animal who didn't give a damn about anyone except for herself and she always wanted Lincoln to suffer and/or die. Okay, now it's my turn, one day, I was training with Lincoln, and we were using broadswords, katanas, greatswords, and every blade known to history, but then, we heard a loud belch in the distance, and when Lincoln heard it, only he knew of one person who could make that belch: it was Lynn, and she was out for blood. She ran to attack us and she had a knife, but Lincoln and I used our training in swordfighting, and we really outfought her, and Lincoln also used an indestructible metal for the forging of the swords that we used for our training. We defeated her and Lincoln tied her up with red energy ropes fired from his white angel wings, and we dragged her back to The Loud House and after we told the parents of what that animal tried to do, Lynn was grounded for fifteen weeks for her attack, and Lincoln threw her in a cage and he made sure she was all tied up in a straitjacket and he muzzled her.

We cheered wildly.

Nico: Sheesh, that's two memories of you guys stopping Lynn dead in her tracks and stopping her from trying to kill Lincoln again.

Me: Yep, and those two I remembered all too well.

Lincoln: Lynn went way too far on those two days, and it was going to take a long time for me to even forgive her, because she was too stubborn, hard-headed, and completely driven by rage and revenge due to Dark Lynn's hatred of me. I swear, if she tried to kill me one more time, I'd let my Guardian Angels kick her butt and send her to the hospital!

Janet Kinsington: In a full-body cast!

I started acting this way in middle school when I entered puberty. When puberty started for me I started to develop very fast and in less than a year I had a figure that not even most high school girls had which made a lot of the girls in my school jealous. Then there was the fact that I was really smart which made them even more jealous to the point where I started getting bullied heavily.

We gasped!

Me: Oh man!

Lindsey: They did all sorts of mean things to me like throwing my things in the bathroom toilet, putting tacks in my gym shoes, cutting my gym uniform, isolating me leaving me with no friends, and so on.

(Wipes tears) By the end of the first semester of 6th grade I couldn't take it anymore and thought about committing suicide but decided against it since that would only let them win. Instead I decided to take up a mask of an airhead and blonde stereotype and as a result my grades dropped significantly and my bullies stopped harassing me however there was the side effect of many of the boys in school trying to date me for my body thinking I was stupid and could be manipulated into having sex with them.

She broke down crying.

I went over and hugged her.

Lindsey: (Sniffles) Really?

Me: I know you are Lindsey. Don't let ANYONE tell you otherwise.

Nico: Yeah and if Amy or anyone of the jerks or those bullies tell you otherwise then tell them to go fuck off.

Lola: That's right!

Lindsey: You're right! Thanks guys. Thanks J.D. Now it's time for me to show my true self instead of hiding behind a mask.

Me: I always knew there's no mistaking that voice from anywhere, you can come out of the darkness now, Blackheart.

A figure came out of the darkness, and it was none other than our old enemy, Blackheart.

Blackheart: No words can even describe how much I hate every last one of you, you have ruined all of my plans to finally rule this pathetic world and you've killed me twice! I HATE ALL OF YOU SO MUCH!

Our energy auras flared up and we gained a massive power boost from Blackheart's hatred.

Leona Bānāasurīto: (Japanese Accent) That was your fault, not ours, and now, we're going to see to it you never come back.

Suddenly, Leona Bānāasurīto's pink eyes turned neon pink and she was surrounded by a neon red hot energy aura with neon red hot flames, darkness, chaos energy, and dragons, she unholstered her massive Hot Red Dragon Archfiend King Calamity-themed greatsword from her back, and as she approached Blackheart, she left neon red hot energy, neon red hot flames, darkness, chaos energy, and dragons with every step.

Leona Bānāasurīto: (Japanese Accent) I've had it up to hear with you for the last time, Blackheart, you and your minions have instigated nothing but chaos and destruction both on Earth and in Hell, and all for your sick powerhungry desires to take over the world. Well, that ends here and now, I hope you've enjoyed your last day alive!

Suddenly, Leona Bānāasurīto was surrounded by a massive vortex of neon red hot energy with neon red hot flames, darkness, and chaos energy surrounding the vortex, there's an army of dragons and Hot Red Dragon Archfiend King Calamity flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Blackheart: the red eyes of death. Then, as the vortex faded, Leona Bānāasurīto emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Leona Bānāasurīto grew from 6'5" to 7'4" in height, she has the body of a goddess, she has neon red highlights in the bangs of her long flowing orange hair, she has neon pink eyes and a neon red hot energy aura with neon red hot flames, darkness, chaos energy, and dragons surrounding her, she has Hot Red Dragon Archfiend King Calamity emblazoned on her forehead and Third Eye with red iris, she has on dragon earrings with red gems for eyes and holding the Fire, Darkness, and Eternity Kanjis in its claws, she also has Hot Red Dragon Archfiend King Calamity with red gems for eyes and holding the Fire, Darkness, and Eternity Kanjis in his hands on the bottom of her red dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Leona Bānāasurīto has on a sleeveless closed purple blouse, sleeveless purple top, long ankle-length purple skirt with black designs, purple pants, purple sneakers, and long white sleeveless trenchcoat with neon red hot flames, darkness, chaos energy, and dragons on the coattails, and on the back is Hot Red Dragon Archfiend King Calamity and he's surrounded by fire and darkness. Suddenly, Leona Bānāasurīto felt a sharp pain on her back, and then, her massive orange angel wings grew much bigger for her new body, and the orange feathers now have purple tips, she now has eleven massive and long orange wolf tails, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Leona Bānāasurīto's massive Hot Red Dragon Archfiend King Calamity-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of neon red hot energy, neon red hot flames, darkness, chaos energy, and dragons, and when it emerged, it was transformed into Hot Red Dragon Archfiend King Calamity's Red Hot Inferno Darkness Calamitous Greatsword of Red Hot Infernal Darkness Archfiend Justice, it's a brand-new massive greatsword with embedded neon red gems and Hot Red Dragon Archfiend King Calamity etched on the 7'0" massive, wide, double-edged neon red blade, large black dragon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large black dragon heads with red gems for eyes and a large neon red gem below the fiend heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with neon red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Hot Red Dragon Archfiend King Calamity's head with red gems for eyes and a large purple gem in its mouth for the belt buckle, Guardian Elma's dagger, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a neon red kanji below Hot Red Dragon Archfiend King Calamity that said, "Leona Bānāasurīto, Gene-Slammer of Hot Red Dragon Archfiend King Calamity, Powerful Master of Kung Fu and Tae Kwan Do, Powerful and Talented Athlete, Amazing Sportswoman and Good Sport, Powerful Master of Fire and Darkness, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lynn and The Bullies, Despiser of Dark Chandler, Archenemy of Lion Inves, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Infernal Fire, Darkness, Calamities, Chaos, and Dragons"

レオナ・バーナースリート、ホット・レッド・ドラゴンの大悪魔キング・カラミティのジーン・スラマー、カンフーとテコンドーのパワフルなマスター、パワフルで才能のあるアスリート、素晴らしいスポーツウーマンでスポーツ万能、火と闇の強力なマスター、愛情深い守護天使、そしてリンカーンの未来の妻ラウド、ダーク リンといじめっ子のスマッシャー、ダーク チャンドラーの軽蔑者、ライオン インベスの大敵、悪の殺し屋、混乱した殺人的、無慈悲でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして地獄の火の達人、闇、災難、混沌、そして龍

Leona Bānāasurīto has transformed into SUPER ANGEL-DRAGON-ARCHFIEND-HARMONY CELESTIAL ETERNAL XELNAGA RED HOT INFERNAL DARKNESS CALAMITOUS DRAGON ARCHFIEND ANGEL OF DIVINE RED HOT INFERNAL DARKNESS DRAGON CALAMITY JUSTICE AND DIVINE RED HOT INFERNO DARKNESS DRAGON CALAMITOUS LOVE!

We were amazed by Leona Bānāasurīto's Super Angel-Dragon-Archfiend-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Blackheart saw it, he was about to use his Sulfur Touch to kill her and right in front of Lincoln, but Leona Bānāasurīto fired a powerful neon red hot energy blast with neon red hot flames, darkness, chaos energy, and dragons, and it hit Blackheart and forced him out of the restaurant and we followed, Blackheart got up, but he was now beyond pissed off with us.

Nico: Whoa, Leona's transformed, now things are really going to get hot!

Lincoln: You got that right, and Leona, you look beautiful, how do you feel?

Leona Bānāasurīto: (Divine Echoing Cosmic Voice of The Red Hot Infernal Dark Dragon Archfiend and Divine Red Hot Infernal Darkness Dragon Love) (Japanese Accent) I feel incredible, Linky. Now, shall we put an end to this monster once and for all?

Lincoln: (Smiles) With pleasure, Leona.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Leona Bānāasurīto.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for a very long time, and for what you just tried to do to Leona, you've just made your death even more slow and painful, you heartless bastard!

Leona Bānāasurīto and Lincoln went after Blackheart, and they fired extremely powerful blasts of rainbow energy, neon red energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Blackheart and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Leona Bānāasurīto and Lincoln fired neon red hot red energy blasts at Blackheart, and he was being burned badly as they hit him.

Nico: Whoa!

Me: That's also the added effect of eating 900,000,000,000,000,000,000,000,000 Tears of Zephos, awesome!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Leona Bānāasurīto, her hand-cannon Blaster is known as Hot Red Dragon Archfiend King Calamity's Dark Inferno Dragon King Calamity Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark red with red flames on the blaster and with a Phoenix, Angel, and Hot Red Dragon Archfiend King Calamity surrounded by flames etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Leona Bānāasurīto fired blasts of rainbow energy, neon red and black energy, and elemental forces at Blackheart and as they hit him, they exploded with incredible power, and he was destroyed and his evil spirit was sent to The Black Gates. We cheered as Leona Bānāasurīto and Lincoln holstered their massive greatswords on their backs and powered down, and Leona Bānāasurīto's new body, clothes, weapons, jewelry, Third Eye, eleven massive orange wolf tails, and massive orange angel wings are permanent.

Leona Bānāasurīto: (Japanese Accent) May you never return to plague humanity again, you bastard. Thanks for helping me destroy Blackheart, Linky.

Lincoln: (Smiles Warmly) You're welcome, Leona.

Suddenly, Leona Bānāasurīto wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Leona Bānāasurīto's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Hot Red Dragon Archfiend King Calamity flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness and red hot flames raged around them and we cheered wildly. Then, Lincoln and Leona Bānāasurīto absorbed the flames and they came back to us as the display and Hot Red Dragon Archfiend King Calamity vanished.

Nico: Whoa, now that's what I call a red-hot infernal battle against Blackheart, awesome job, guys.

Lincoln: Thanks, Nico.

Ronnie Anne: Plus, what those peppers did, Blackheart sure got burned badly.

Me: Big time, and he paid for his crimes in full. But, this means Gressil, Wallow, and Abigor will find out about Blackheart's death, and they'll do anything to get revenge.

Lincoln: But, we'll be ready for those bastards, and they'll suffer the same fate as Blackheart.

Girl Jordan: That's right, and you know who we're meeting tomorrow on your rescue, right, Linky?

Lincoln: Oh yeah, the last of the Ghostrick Gene-Slammers, Miyuki Shirayuki, Gene-Slammer of Ghostrick Yuki-Onna for Day 6 of The Skylands Treasure Hunt.

Copperhead: Another day of humiliations ended.

Brass Knuckles: It's probably the last one of the year.

Titanium Toenail: I think you're right.

Gentleman Ghost: But more will come next year.

Control Freak: They sure will.

Me: Yeah but we'll always have some good fun.

Qin: Yep.

Nico: But great job today everyone.

Qin: (To the viewers) This was so awesome and fun and I hope you all loved this fun time with us before Christmas.

Me: I know we did.

Nico: Yep.

We went back to the estate and enjoyed the rest of the day and went to sleep.

Nico: I love a good treasure hunt.

Qin: Me too!

Nicole: You guys will love our quarry. It's called the Staff of Refafu, the God of the Rainforest in Kombai Myth.

Qin: That is cool!

Pohatu: I'll say!

Nico: Pohatu, I want to thank you, Avalanche, and your teams for coming today.

Pohatu: It's truly an honor Nico.

Nico: Wendy, do you really like cute animals?

Wendy Marvell: I sure do and all animals are so adorable.

Fluttershy: Oh you and I both have so much in common Wendy. We both love all kinds of animals.

Qin: That is so awesome.

Lola: Yeah it sure is.

Lana: I love all kinds of animals. It's how I know so many of them.

Me: That is so cool. Can you talk to all animals like how Fluttershy and Lana can?

Wendy Marvell: No I can't sorry. I wish I could.

Nico: You're still an important part of Fairy Tail.

Wendy Marvell: I'm so glad you think so Nico.

Me: You have awesome wind powers as a Sky Dragon Slayer and you are a strong member of the team.

Qin: That's for sure.

Nico: Yep.

Varie: I think it's awesome.

We landed in the jungles of Borneo and we were trekking through the jungle.

Maria: That was a good humiliation yesterday.

Me: That was so awesome and so funny.

Xenia: Yeah it sure was!

Camie: I've never laughed so hard before!

Lola: Yeah that was so funny.

Lana: And the way Tai did all those yo mama jokes was hilarious!

Nico: It sure was! And Mimi's insults were awesome!

Tsuyu: They sure were funny!

Toru: I'll say!

May: We also used gags based on the Cursed Phone.

Me: Those were so awesome!

Qin: Yeah they sure were!

Varie: Yeah and some new ones that we haven't used at all.

Lola: Those were so awesome and funny.

Camie: Yeah!

Sirius: But having those humiliations is always fun.

Me: We should include Edward's brothers to the mix.

Nico: Good idea! Edward will love to dish out some payback on them.

Maria: I got a feeling we'll run into them sooner then we think.

Me: Yeah. But Those insults that were given to Lila were awesome and funny.

Nico: Lila is a bitch but she had it coming. But man I did not expect Icky Vicky to do a villainous breakdown like that.

Me: And our power is now stronger than ever.

We arrived at the temple.

Nicole: There it is!

Daring Do: At long last. The Temple of Refafu.

Xenia: It's amazing!

We saw that it was a green temple covered in a number of plants.

Xenia: Whoa!

Aligned Chop Shop: Lemme have Lefty scout out the place for traps.

Chop Shop then detached his left arm, which turned into a spider like component.

Nico: Okay then.

Nicole: This is gonna be awesome.

The Lefty component kept checking for traps.

It came back.

Nico: Anything?

Aligned Chop Shop: Nothing. All clear.

We went in and it was a beautiful temple.

Xenia: Wow look at this temple.

Nico: It's magnificent.

Qin: It sure is.

The Left component reattached to Chop Shop.

Nico: The Chop Shop we know doesn't have separate components.

Aligned Chop Shop: It sure is cool.

I saw a mural on a wall.

Me: Wow look at this.

I went over and saw that it was a story.

Me: Wow look at this.

Nico: What does this mural say?

Me: It's a story about the Staff of Refafu. It says "Long ago the evil Demon, Shuggoth came and unleashed his evil minions upon the land and they turned all of the lands people into savage primal bloodthirsty cannibals as they ate and dismembered the people of Borneo. The Great King made a pact with the god of the rainforest Refafu and he gave him the Staff of Refafu and using its enormous power was able to destroy the Minions of Shuggoth and purify his people and free them from the terrible curse that was befallen on them. But news of Shuggoth's minions defeat reached nearby lands and fearing that the staff would be used for evil the king hid the staff in the jungles here in this temple. Only one soul that is pure of heart can use the staff for good and use its mighty power."

Nico: WHOA!

Qin: That is amazing!

Brittney: Shuggoth from the H.P. Lovecraft World. That is crazy scary.

Maria: Who gets it?

Zuria: I will use it.

Nico: Okay. Lets go find it.

Daring Do: And be careful guys.

We went into the temple and watched for hidden traps. Then in a big room we saw THE STAFF OF REFAFU! It was a beautiful plant staff with flowers and symbols on it.

Nicole: There it is! The Staff of Refafu!

Xenia: Wow!

Nicole: At long last we found it.

Nico: It's beautiful.

May: Go for it, Zuria.

Zuria went up to the staff and gulped and then she grabbed it and then she succeeded in pulling it out and it glowed in an intense light! Then she underwent a huge and powerful transformation!

(ESCAFLOWNE (FOX KIDS) EXTENDED THEME PLAYS)

She had her aqua blue hair get green highlights in it and she green spring green angel wings and had flowers in them and had the beautiful and amazing powers of nature in them and she had birds and nature swirl around her. She got taller and really beautiful! Then she emerged and was forever changed.

Nico: WHOA!

Me: WHOA! Zuria you look beautiful and amazing!

Camie: Wow! How do you feel?

Zuria: I feel amazing! It's incredible.

Nico: Boy it sure is.

Maria: You earned it!

Zuria: Yeah!

Lana: Wow, that's one incredible treasure, but we're so not done yet: that mischief-maker's probably got the next of the dark versions of The Eds out there.

Lincoln: And I think I know who it is.

Suddenly, the Eds were grabbed by someone and they were getting the crap beaten out of him, and Lincoln grabbed the figure and pulled him off the Eds and threw him into a tree, and

Lincoln gave the Eds three potions he made, and they were cured.

Eddy: Thanks, Lincoln, but who the hell was that?!

?: Me and Plank will make you three pay for what you've done, you big bullies!

Eddy: Oh, great, I knew we'd be running into him!

We then saw our target, an evil version of Jonny 2x4, and he was really mad and furious.

Lana: Uh oh, an evil version of Jonny 2x4, not good. Looks like we'll have to really mess you up.

Me: Time for this Melonheaded Bozo to be squished!

Nico: Dude, Simone fights Gourd on her turn. You're gonna be easy.

Dark Jonny: YOU SHUT UP!

Lana: DON'T YOU DARE TELL NICO TO SHUT UP!

Dark Jonny 2x4: YOU WILL PAY FOR GETTING IN MY WAY, YOU DISGUSTING, BUTT-SNIFFING, UGLY, GROSS PIG, AND YOUR BOYFRIEND'S ALSO NEXT FOR GETTING IN MY WAY!

This really pissed Lana off, and we saw her face and body turn red, and steam blew out of her ears as she growled really angrily!

UH OH!

Lincoln: You bubble-headed baboon, no one threatens my little sister and her boyfriend and gets away with it!

Lana: You… are… so… DEAD!

Lola: Oh no, now he's really done it!

Nico: Do you even have a dark version of Plank with you?

Me: Uhh we're looking at it.

We saw a dark version of Plank. It had AN ANGRY FACE ON!

Suddenly, something within Lana's mind snapped when memories of what that melon-headed freak had done to the Eds and what he just did in threatening her and Skippy with death rushed through her mind, and her blue eyes turned neon blue and she was surrounded by a rainbow energy aura with snowflakes, ice crystals, and owls, she unholstered her massive Khione's Arctic Icestorm Ice Owl Greatsword of Divine Arctic Justice and Arctic Love from her back, and as she approached Dark Jonny 2x4, she left rainbow energy, snowflakes, ice crystals, and owls with every step.

Lana: I've had it up to hear with you, you melon-headed freak, what you've done to the Eds for no apparent reason, that's just quite petty if you ask me. (SUDDNELY GETTING EXTREMELY PISSED OFF) But, what you just did in calling me those horrible words and threatening me and Skippy with death for stopping you from hurting the Eds… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU EVIL, MELON-HEADED BABOON, AND FOR THAT, I'M GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE! YOU MESS WITH MY FAMILY AND THE EDS, AND YOU WILL PAY BIG TIME!

We gasped at the sheer extent of Lana's fury: Dark Jonny 2x4 went way too far, and now, he's going to pay.

Lincoln: Oh man, now it's Dark Jonny 2x4's turn to suffer the consequences for what he just did in beating up the Eds for no reason, and what he just did in threatening Lana and Skippy with death, now he's really going to get it. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Dark Jonny 2x4 fell into a homicidal rage and ran at Lana to kill her, but Lana screamed like a madwoman and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and power and she was surrounded by a massive vortex of rainbow energy with snowflakes and ice crystals surrounding the vortex, and the force of the vortex blew Dark Jonny 2x4 away and he hit a wall, there are owls flying around the vortex, and in the vortex is a marine blue phoenix with red eyes glaring at Dark Jonny 2x4: the red eyes of death. Then, as the vortex faded, Lana emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lana remained tall at 7'4" in height, she has the body of a goddess, and the weighted marine blue bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands, and she now has nine large marine blue orbs orbiting around her legs, she has marine blue highlights in the bangs of her now long flowing blonde hair reaching the bottom of her neck and she still has on her red hat, she has neon blue eyes and a rainbow energy aura with snowflakes, ice crystals, and owls surrounding her, she has a rainbow owl holding the Ice Kanji in its claws emblazoned on her forehead and Third Eye with rainbow iris, she has on owl earrings holding the Ice and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with marine blue gems on the gold snowflake links and marine blue crystal links and a marine blue owl-shaped Element of Harmony and below the Element of Harmony is an owl with marine blue gems for eyes and holding Ice and Eternity Kanjis in its antlers for the pendant, she has on a a sleeveless marine blue shirt with ice phoenix on it, blue pants with ice crystals and snowflakes on the legs of the pants, marine blue knee-high combat boots with owls on them for the buckles, and long white sleeveless trenchcoat with ice crystals, snow, and snowflakes on the coattails, and on the back is an owl with ice crystals surrounding it. Suddenly, Lana felt a sharp pain on her back and then, her massive blond angel wings with marine blue tips on the large blond feathers, grew much bigger for her new body and she now has eleven massive and long blonde wolf tails, she has on a Ring of The Phoenix with large marine blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger, and she has on marine blue fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded in her left hand.

Suddenly, Lana's massive Khione's Arctic Icestorm Ice Owl Greatsword of Divine Arctic Justice and all the swords she'd gotten began merging and they're surrounded by a kaleidoscope of rainbow energy, ice, snowflakes, ice crystals, and owls, and when it emerged, it was transformed into Khione's Arctic Ice Snowstorm Ice Owl Greatsword of Divine Arctic Snow Justice and Arctic Snow Love, it's a brand-new large greatsword with embedded ice blue gems and the Goddess of Snow, Khione, etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue angel heads for the crossguard, large marine blue gem embedded in the rainguard, longer black handle, four large angel heads with marine blue gems for eyes and a large marine blue gem on the bottom of the angel heads for the pommel,, she has on her large gold cuff Bracelets of the Champions of The Universe with large marine blue gems on her wrists, Belt of Elemental Bravery with large gold owl head with marine blue gems for eyes and a large marine blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a marine blue kanji below the owl that said, "Lana Loud, Third Youngest of The Loud Family, Loving Sister of Her Many Siblings and Loving Twin Sister of Lola Loud, Loving Youngest Daughter of Rita and Lynn Sr., Loving Girlfriend of Skippy, Mud-Loving Grease Monkey of Gotham Royal York, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful

Lana's transformed into SUPER ANGEL-OWL-HARMONY CELESTIAL ETERNAL XELNAGA SUB-ZERO SNOWFLAKE OWL ANGEL OF DIVINE ARCTIC ICESTORM JUSTICE AND DIVINE ARCTIC SUBZERO HOPE!

We were amazed by Lana's Super Angel-Owl-Harmony Celestial Eternal Xelnaga transformation, but when Dark Jonny 2x4 saw it, he went mad and tried to kill her, but Lana fired a powerful rainbow energy blast with snowflakes, ice crystals, and owls, and it hits the baboon and sent him flying into another wall, he got back up, but now, he was pissed off now.

Lana: (Divine Echoing Cosmic Voice of The Arctic Icestorm Owl Angel and Divine Arctic Icestorm Snow Hope) **There's plenty more where that came from, you bubble-headed baboon!**

Me: And it's going to hurt! REALLY BAD!

Nico: Yeah you Melonheaded Cueball!

Aligned Chop Shop: Righty, get rid of Dark Plank!

Chop Shop's Right Arm detached and turned into another Spider like component.

Me: Boy that is cool!

Nico: It sure is.

Aligned Chop Shop: Thanks. Watch this.

He fired waves of energy and blasted Dark Plank into ASHES!

Dark Jonny: PLANK! NO!

Eddy: I wish that would have been Ed that smashed him when he was in a bad mood.

Me: Get a REAL friend Dark Jonny!

Righty attacked Dark Jonny.

He blasted and smashed Dark Jonny all over!

Lana went after Dark Jonny 2x4, and she fired powerful blasts of rainbow energy, snowflakes, ice crystals, snow, ice, and owls at him, and they exploded as they hit him, and she attacked him with her massive new greatsword and left nasty scars on him. Then, she also mangled him up badly and she also threw mud at him.

Lincoln: Whoa, Lana's really mangling Dark Jonny 2x4 up!

Nico: YEAH SHE IS!

Zuria: Lets see what this staff can do.

She fired waves of energy and leaves and blasted him all over the place with incredible force.

Me: WHOA!

Eli: That is awesome and powerful!

Dark Jonny tried to attack Righty but he reattached to Chop Shop.

Aligned Chop Shop: Sorry, mate. But after how the Autobots of my world locked me up before, I've learned to keep myself attached quickly.

Nico: You sure did! Nice job Chop Shop.

Aligned Chop Shop: Thanks boss. You don't mind if I call you that because you are the new leader of the Decepticons right?

Nico: Not at all.

Qin: Awesome!

Avalanche: But don't forget Dark is the leader of the Decepticons in the Masters of Evil.

Nico: I know. But to me, ALL the Decepticons are members of the team as well as members of the family.

Avalanche: Oh Nico that is so sweet and awesome.

May: It sure is.

Qin: Boy many versions of Megatron never treated them like that.

Laney: That is awesome. And also he only thought of them as his lackeys and minions.

Xenia: Yeah I don't think they liked that.

Nico: But lets end this.

Maria: You read my mind.

Lincoln charged at Dark Jonny 2x4, and he really laid a brutal beatdown on that little monster. Then, he picked him up by the collar of his shirt, and he threw him hard where he crashed back-first into a tree and was really dazed. Then, Lana and Lincoln fired powerful rainbow energy blasts with the Judgement Kanji, and they hit Dark Jonny 2x4 and he was sent to The Black Gates. We cheered as Lana holstered her massive brand-new greatsword on her back and powered down, and Lana's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Suddenly, Lana ran up to her brother, and she hugged him, and Lincoln held onto his sister.

Lincoln: (Soothing Voice) Shh, shh, it's okay, Lana, it's okay.

Skippy: Is Lana…?

Girl Jordan: She's going to be okay.

Me: Yeah.

Nico: But, that Mr. Mxyztlplik isn't going to stop causing trouble.

Anna Anyanova: And now, the only one left is a dark version of Nazz, so we'll be ready for her.

Lincoln: We will, Anna.

Maria: We're not done yet.

Spiderman: I have a feeling… (WINCES)

Spiderman's mark for Vulpecula the Fox glowed.

Spiderman: My mark for Vulpecula is glowing.

Me: That means the next Another Undead Zodiarts is for Vulpecula the Fox in the Northern Hemisphere.

Qin: Yep.

Nico: Looks like you're up next, Pete.

Spiderman: Yep.

Me: And here it comes!

A figure came out and it was ANOTHER VULPECULA UNDEAD ZODIARTS! It looked like a mixture of 9-Tailed Kitsune from Zyuranger, Fox Rinshi, Fox Evo from Dynaman and Vulpes from

Samurai!

Qin: WHOA! This one is all foxes!

Me: Yeah!

Nico: Who are you?

Another Vulpecula Undead Zodiarts: (In a girls voice) I do believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a Sailor Soldier that had blond hair and purple and blue clothes.

Me: (GASP) Gina Jakkura A.K.A. Sailor Jakku!

Nico: Jakku's Sailor Soldier! Whoa!

Sailor Jakku: It's good to see you again J.D.

Me: Same here Gina.

Nico: Jakku is Rey's planet.

Me: Yeah that planet is a total junkyard now.

Nico: At least it's still being honored.

Me: Yeah. It was the last spot that served as the Last Battle with the Galactic Empire and the Rebellion.

Nico: Yep. It was a decisive battle that lead to the fall of the Empire.

Laney: Countless ships litter the ground all over the place and the people are there living on a desert to survive.

Sailor Jakku: I know. That was crazy.

Eli: It sure was.

Spiderman: Looks like I get to have my shot.

Me: First any other opponents with you?

Sailor Jakku: Actually yes. Another version of him.

She pointed to Avalanche.

Avalanche: Another me!? Whoa!

Me: This will be interesting.

Lola: Yeah!

Spiderman: Lets get it done and it'll be fun for your friendly neighborhood Spiderman.

Sailor Jakku: Lets do it.

She changed back and Spiderman blasted her down and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had pictures of the stars and symbol of Vulpecula the Fox and a fox on it.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those marked with Vulpecula.

Spiderman: Cool!

I picked up Sailor Jakku and brought her over.

Sailor Jakku: What a headache.

Me: But you're back to normal. Now for the Another Avalanche.

Nico: Hostile or friendly?

Sailor Jakku: Friendly.

Me: Good.

Then we felt a rumble!

Qin: WHOA!

Nico: Earthquake!?

I looked at my seismographic radar and it showed that the epicenter was moving right at us.

Me: It's coming at us. But it's a a small spot earthquake.

Xenia: Weird.

Nico: Yep. Definitely friendly. Otherwise, that would've been big.

Me: Yeah!

Then a figure came out and it was a dark version of Avalanche! It was ANOTHER AVALANCHE!

Me: WHOA! Another Avalanche!

Avalanche: That one definitely is like me!

Qin: Yeah!

Another Avalanche: (In a girls voice) (Russian Accent) I think it's fun to shake this way.

Me: (GASP) Nadezhda Solovyova!

Another Avalanche: It's good to see you again Comrade J.D.

Me: You too.

Nico: You know her?

Me: I sure do. She is from my science class in Earth Science and is an amazing Seismologist and Volcanologist. She studies Earthquakes and Volcanoes.

Nicole: She and I definitely have something in common.

Me: Yep. She wants to invent a warning system that can detect volcanic eruptions and earthquakes long before they strike in advance so people can get a chance to get to safety.

Nico: That is very interesting.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Avalanche: Just to make my warning system.

Me: Well we can easily do that. With the kinds of technology we have that's thousands of years more advanced than anything we have, we can easily do all that for you.

Another Avalanche: That's true. I knew Swartz was lying.

Nico: He lied to everyone.

Qin: Yeah.

Me: But we'll save you from this.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armors.

Me: Time to smash and crumble!

Qin: YEAH!

Nico: First lets rumble! (ACTIVATES AVALANCHE'S RIDEWATCH)

He punched the ground and shook the land and smashed her down.

Nico: (Gets out Lexaeus's Ridewatch) I'll show you true power!

Nico activated it and got Lexaeus's Axe Sword and smashed the ground and shook her down!

Qin: YEAH!

May: Time for this one! (ACTIVATES ALIGNED CHOP SHOP'S RIDEWATCH)

She got his gadgets and tools and fired laser blasts and blasted her all over!

Nico: Nice one May!

May: I'll turn this one into Crab stew! (ACTIVATES CLAMPDOWN'S RIDEWATCH)

She fired waves of energy and smashed her all over.

Maria: (gets out Flying Fish's Ridewatch) I can't wait to meet First Squad!

Me: Me too!

Maria fired waves of water and sent NUMBEROUS Flying Fish and they smashed and pulverized Another Avalanche all over!

Maria: YEAH! Time to ROLL! (Activates Armadeevil's ridewatch)

She curled up and like Cannonbolt, she rolled and then she smashed Another Avalanche down!

BOWLING PIN CRASH!

OUCH!

Ranamon and her team came! She had Mz. Ruby, Puffer, Sharkyonara, Steam Demon And Rip Van Fish with her.

Nico: Nice team, Ranamon!

Ranamon: Thank's y'all. This is gonna be fun.

Qin: It sure is!

Nicole: And you have Puffer from Yoshi's Story and Rip Van Fish from Super Mario. Awesome.

Ranamon: It sure is y'all.

Nico: Yep.

Laney: He sure is a sleepy guy.

Lola: Yep.

Maria: Hey, sleepy or not, he shouldn't be underestimated.

Nico: Nope.

Nicole: Yeah like Rip Van Winkle he always is cranky when he doesn't get sleep.

Qin: Yep.

Wendy: My turn! (ACTIVATES LEXAEUS'S RIDEWATCH)

She got Lexaeus's axe sword!

She fired waves of rock and wind and smashed her down!

Qin: Whoa! That was awesome Wendy!

Then a huge boulder rolled in and it smashed down Another Avalanche and she was down and I caught the ridewatch and purified it. I went over to Nadezhda Solovyova and she was a girl dressed in a Florida red Summer Shirt and Blue Shorts and I picked her up.

Nadezhda Solovyova: (GROANS) What a headache.

Me: But you're back to normal.

Nico: Nice job Armadeevil.

Armadeevil: Uh that wasn't me.

We saw that the boulder was a GOLEM!

Me: Whoa a Golem!

Nico: Cool!

Golem: (In a girls voice) (Czech Accent) That was so fun though.

Nico: Mina Stazni! Wow!

Me: Wow you're from the Czech Republic no doubt. And this is very fitting too.

Golem: It sure is.

Armadeevil: You can turn into a ball like me? Guess it's a good thing I joined Avalanche's team then!

Nico: Well Golem can roll like boulders.

Armadeevil: That does make sense.

Golem: But yes that is true.

Nico: Yep.

Wendy Marvell: What's your favorite Memory of Nico?

Golem: I have a lot of them but my favorite is when me and Nico did a lot of history about the legend of the Golem and it was really fun. We got A+'s on those.

Nico: That was cool.

Me: The Golem is definitely real. And it's amazing too.

Maria: I can't believe you rolled into Nadezhda.

Golem: I know. But that's what a Golem can do.

Nico: She's right on that.

Maria: Oh.

Nico: Lets get you back to normal.

Golem: Okay but I'm naked.

Qin: Oh boy.

Nicole: No peeking boys or I will kill you!

I put on my blind man glasses and everyone covered their eyes. I snapped my fingers and Mina reverted back.

Mina groaned as her skin was the last to change. She was a brown hair girl with brown eyes.

She was back to normal but naked and the fashion brigade moved in and gave her new clothes. She had brown clothes on.

Mina Stazni: (GROANS) Wow these clothes are amazing.

Rarity: They sure are darling.

Varie: You look great in them.

Nico and Mina hugged.

Nico: I've really missed you.

Mina Stazni: Me too Nico. Me too.

Me: But this was both an awesome treasure hunt and a great rescue.

Qin: Yep.

Nico: Lets go home.

We went back home and told everyone what happened and it was awesome

Well, we're not going to show him any mercy, this time, the House of Damaskinos dies here and now, and I want to thank you and your team for joining us, Onewa.

Onewa: You're welcome, Lincoln.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Llama Nazca Line and Earthbound Immortal Llamaca Pacuilla were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter.

Just then, the other Life Skylanders arrived.

Stealth Elf: Mind if we join you, Fluttershy?

Fluttershy: Of course, Stealth Elf.

We then arrived at a green-colored shrine with the symbol of The Life Skylanders on it, and then, the Life symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Nature Plant Jungle Kindness Alicorn Greatsword of The Life Skylanders, a powerful massive greatsword with green gems representing the Life Skylanders embedded in the 7'0" massive, wide, double-edged green blade, large alicorn heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large green gem on the bottom of the alicorn heads for the pommel.

Ghostrick Yuki-Onna: (Girl's voice) (Japanese Accent) That's right.

Infinitrack Fortress Megaclops: (Girl's voice) (Greek Accent) And we got the three girls away from that vampire, Eli Damaskinos.

Lincoln: (Gasps) Those voices, Miyuki Shirayuki and Lila Mechmaker, it's so awesome to see you girls again, but we'll talk later, we've still got Eli Damaskinos to deal with.

?: I will have my revenge on you and the Daywalker for destroying us, J.D. Knudson and Lincoln Loud!

Lincoln: Yep, there's no mistaking that voice or that scent from anywhere, you can come out now, Eli Damaskinos.

We then saw our target, Eli Damaskinos, and he was indeed furious when he saw me and Lincoln.

Me: I always knew you'd come back, Damaskinos.

Fluttershy: But, now, you must be punished for the crimes that you've caused to mankind.

Suddenly, Fluttershy went up and grabbed The Nature Plant Jungle Kindness Alicorn Greatsword of the Life Skylanders. Suddenly, Fluttershy's green eyes turned neon light green, and she was surrounded by a yellow and pink energy aura with butterflies, leaves, plants, and animals, she unholstered her massive Fluttershy's Alicorn Greatsword of Nature Kindness and Animal Kindness from her back, and as she approached Eli Damaskinos, she left yellow and pink energy, butterflies, plants, leaves, and animals with every step.

Fluttershy: There can be no forgiveness for the crimes that you've committed against mankind and every living thing in the world, Eli Damaskinos, and like Lincoln said, today, The House of Damaskinos shall be destroyed here and now.

Suddenly, Fluttershy was surrounded by a massive vortex of yellow energy with leaves, animals, and plants surrounding the vortex, there are butterflies flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Fluttershy emerged, but she was changed forever.

Fluttershy has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA ATHETIC LIFE JUNGLE SKYLANDER PRINCESS KINDNESS ALICORN ANGEL OF DIVINE ANIMAL LIFE ALICORN KINDNESS AND DIVINE ALICORN LIFE JUNGLE SKYLANDER LOVE!

We were truly amazed by Fluttershy's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Eli Damaskinos saw it, he flew into a rage and tried to attack her, but Fluttershy fired a powerful pink and yellow energy blast with butterflies, animals, leaves, and plants, and it hit Eli Damaskinos and forced him out of the shrine and we followed, he got up, but now, he was mega pissed off.

Fluttershy: (Divine Echoing Cosmic Voice of The Elemental Harmony Kindness Animal Jungle Alicorn and Divine Jungle Animal Kingdom Love) **You must be stopped once and for all, Damaskinos, along with your plan to destroy mankind and all life on Earth.**

Lincoln: Hold on, Fluttershy, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Fluttershy.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to be running amok ever again, Damaskinos, and now, it's time for you to disappear forever!

Fluttershy and Lincoln went after Eli Damaskinos, and they fired extremely powerful blasts of rainbow energy, pink and yellow energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Eli Damaskinos and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Fluttershy, her hand-cannon Blaster is known as Fluttershy's Kindness Animal Jungle Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's yellow with pink accents and green leaves on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by leaves etched on the sides, and a spring green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Fluttershy fired blasts of rainbow energy, pink and yellow energy, and elemental forces at Eli Damaskinos, and they exploded as they hit him, knocking him down.

Then, Lincoln drove a silver stake with Black Gate energy in it into Eli Damaskinos' black heart, and his spirit was sent to The Black Gates and his body turned to ash. We cheered wildly as Lincoln and

Fluttershy holstered their massive greatswords on their backs and powered down, and Fluttershy's new body, clothes, weapons, jewelry, Third Eye, longer pink tail, and massive yellow angel wings are permanent.

Fluttershy: Your days of causing terror and destruction are over. Thanks for helping me destroy Eli Damaskinos forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Fluttershy.

Suddenly, Fluttershy wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Fluttershy's face, they kissed passionately as Fluttershy's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Fluttershy came back to us as the display vanished.

Nico: Yikes, I certainly wasn't expecting Eli Damaskinos to come back, but now, we made sure that he's finally gone forever.

Lincoln: Yep, and this'll also serve as a warning to the rest of Blade's enemies, they dare to cause terror and havoc, we're coming for them. (To Miyuki Shirayuki and Lila Mechmaker) And it's so good to see you again, Thera Amihan and Jessica Twilightblade.

Miyuki Shirayuki reverted back to normal, and she's a beautiful girl with long flowing marine blue hair, marine blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful marine blue angel wings, and she reigned in the power of Ghostrick Yuki-Onna, and she's dressed in a long-sleeved marine blue kimono, sleeveless midriff top, black leather pants, black leather knee-high boots, and long white sleeveless trenchcoat with darkness and yuki-onnas on the coattails and Ghostrick Yuki-Onna on the back and holstered on her back is a massive Ghostrick Yuki-Onna-themed greatsword with Ghostrick Yuki-Onna etched etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and large ice blue gem on the bottom of the large angel heads for the pommel.

And Lila Mechmaker reverted back to normal, and she's a beautiful girl with long flowing brown hair, brown eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful brown angel wings, and she reigned in the power of Infinitrack Fortress Megaclops, and she's dressed in a red short-sleeved blouse, sleeveless red midriff top, red skirt, dark blue pants, black knee-high boots, and a long white sleeveless trenchcoat with flowers and blades on the coattails and Infinitrack Fortress Megaclops on the back and holstered on her back is a massive Infinitrack Fortress Megaclops-themed greatsword with Infinitrack Fortress Megaclops etched etched on the 7'0" massive, wide, double-edged blade, large dragon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and a large dark blue gem on the bottom of the large dragon heads for the pommel.

Miyuki Shirayuki: (Japanese Accent) You too, Lincoln, and it's also good to see you, Claire, Ramona Alucard, Aisha, Sarah, Winter, Ramona Qingzhao, Autumn, Mary, Dina, Makoto, Morrigan, Lydia, Rachel, Ellie, Alecto, Emilia, Isabella, Thera, and Tiana again, Ursula.

Ursula Truaigheaingeal, Rachel Truaigheaingeal, Ramona Alucard, Sarah Dullahan, Claire Allaire, Aisha Arian, Winter Icyin, Ramona Qingzhao, Autumn Aluma, Mary Adelberte, Dina Mabrouk, Thera Amihan, Makoto Haruki, Morrigan Dabria, Lydia Anahita, Ellie Elsher, Emilia Frankenstein, Isabella Lupa, Alecto Shadowcall, and Tiana Masina: You too, Miyuki.

Lila Mechmaker: (Greek Accent) It's indeed been such a long time.

Lincoln went up to Miyuki Shirayuki and Lila Mechmaker and he hugged them, and Miyuki Shirayuki and Lila Mechmaker were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Miyuki Shirayuki: (Japanese Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Lila Mechmaker: (Greek Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Ghostrick Yuki-Onna Gene-Slammer is Miyuki Shirayuki, she's my Guardian Angel from Japan and classmate in Art. She's a Yuki-Onna and she was born with the powers of darkness and snow and she also knew of me being a vampire-werewolf-cyborg hybrid, just like the other Ghostrick Gene-Slammers. She's a very talented ice-skater and she's trained a lot in this sport, and combined with her powers of snow, she knows how to put on a winter wonderland show.

Nico: Really cool!

Lincoln: It sure is, and she's also defended me from the bullies at school and outside and Lori, Lynn, Lola, Lisa, and Luan at home. She's also the master of a dark power known as Yuki-Onna's Winter Storm Fury, when she uses this dark power, she'll summon a powerful snowstorm to kill the guilty persons destined to die as they freeze to death. This one time, I made her a beautiful necklace with a snow woman pendant, and she loved it so much, she hugged and kissed me and I returned it. She's also good friends with Lucy and The Young Morticians' Club, and she hates Ophelia Shroud with a burning passion and she wants nothing more than to end her.

Brittney gave Miyuki Shirayuki the ring for The Goths of Darkness, and she put it on her right ring finger.

Lincoln: And the Infinitrack Fortress Megaclops Gene-Slammer is Lila Mechmaker, she's my Guardian Angel from Greece and classmate in Cooking, but she's also an incredible builder as well she and I would build and improve construction vehicles making them better faster and stronger. We even made a stronger version of concrete which, in addition to drying up instantly, it makes even foundations of buildings much more durable. She even made me a bracelet based on his favorite construction vehicle. To show thanks, I kissed Lila on the lips. She's also the cousin of Domon Kasshu and she hates Billy McLean with a burning passion.

Nicole: Whoa, so she's also Domon's cousin, wait until Jared and the others hear about this, and she also hates Billy McLean with a burning passion, yikes!

Miyuki Shirayuki: (Japanese Accent) Now, we've finally been reunited once again. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Miyuki, Lila, are you absolutely sure about this?

Miyuki Shirayuki: (Japanese Accent) (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Miyuki Shirayuki and Lila Mechmaker, and he saw that they're really serious, and he smiled as he walks over to Miyuki Shirayuki and Lila Mechmaker, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Miyuki Shirayuki's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Lila Mechmaker.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miyuki Shirayuki and Lila Mechmaker with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Miyuki Shirayuki: (Japanese Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Lila are now part of my harem and my many future wives, Miyuki.

Miyuki Shirayuki and Lila Mechmaker had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Kaori Hakase, Up Nana, and Peko from Cap Revolution Bottleman DX.

Lincoln: Oh wow, it's Kaori Hakase, Up Nana, and Peko from Cap Revolution Bottleman DX.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kaori Hakase: Yes, we're okay, thanks to you.

Then, when Kaori Hakase and the other two girls saw who it was that saved them from Eli Damaskinos, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin,

Kaori Hakase: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kaori Hakase: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaori Hakase, Up Nana, and Peko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Fluttershy had gotten The Nature Plant Jungle Kindness Alicorn Greatsword of The Life Skylanders, and they were shocked when they found out the villain we went after was Eli Damaskinos, and the vampire overlord came back for revenge on me and Lincoln for destroying him.

But, when Lincoln showed what happened such as Fluttershy transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln brutally beat that vampire down and they sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Miyuki Shirayuki, and Lila Mechmaker have a lot of catching up to do, now that they're back in town.

Maria: Oh man, so Eli Damaskinos came back for revenge?!

Lincoln: Yep, but Fluttershy and I destroyed him and sent him to The Black Gates for good.

Me: And this serves as a message to any of Blade's enemies, they dare to cause trouble, we're coming for them.

Nico: We already got rid of Deacon Frost and his goons, and now, we got rid of Eli Damaskinos, we're really causing trouble for them.

Lincoln: Big time.

---

After finally destroying Eli Damaskinos and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Miyuki Shirayuki and Lila Mechmaker saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Miyuki Shirayuki: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lila Mechmaker: (Greek Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Miyuki Shirayuki: (Japanese Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Miyuki, Lila, what memories did you have with Lincoln?

Miyuki Shirayuki: (Japanese Accent) I remembered this one time Lincoln and I were doing some ice-skating at a frozen lake and we were having fun, but then, we heard a loud belch, and when we knew Lynn was on the rampage: the surprise snowstorm combined with milder temperatures made it a Packing Day: a day the Louds dreaded, because whenever Patchy Drizzle declares it a Packing Day, Lynn goes full Beast-Mode and she lurks in the snow waiting to hunt down her siblings and pummel them with snowballs, she's an out of control animal! We saw her heading for us, she had dark circles around her eyes, her eyes were red, and she was roaring like a wild animal and beating her chest like a gorilla. Lynn threw tons of snowballs at me, and I wasn't able to defend myself in time, then, she was about to attack Lincoln, but then, I saw Lincoln's eyes turn blood red, his nails grew into claws, and his fangs grew longer, and he pounced on Lynn and he was brutally beating her up, he even left some claw marks on her stomach, and he wasn't stopping: I knew what it was, all those past Packing Day nightmares have finally broken loose and Lincoln now wants one thing: to break Lynn in half for all those times she's attacked him and his siblings. I ran over and got him off Lynn, and he also had Lynn's blood on him and when he saw he was in my arms, he just broke down and cried really hard on my chest. I then had Lynn tied up in an ice straitjacket and I dragged her butt home. I then told Mr. and Mrs. Loud of what Lynn did to me, and it drove Lincoln berserk and he really beat her up, but then, when I told them of the trauma that Lynn's attack caused, they ran up to Lincoln and hugged him, and he just broke down again.

Lori: Eventually, Mom ended Packing Day for good by grounding Lynn for nineteen weeks, but Lynn being the stubborn animal that she is swore she'd have her revenge on Lincoln for ruining her fun, but Lincoln literally grabbed her by her coat, and he made her look him in the eye and as he said his threat right into her face, his eyes turned blood red.

Nico: (Gulp) What did he say to Lynn?

Lori: Lincoln said, "If you ever come after me, the rest of the family, my friends, or my Guardian Angels ever again, Lynn, I will hunt you down, and I will make you pay for everything you've ever done!" That angered Lynn and she ran up the stairs like the gorilla that she is, but not before she roared in anger again. Lincoln was about to get after her and rip her to shreds, but Miyuki fired a blast of ice at her, and she ran off to her room.

Me: Whoa!

Rita: We were really stunned and frightened by what Lincoln said to Junior that day, but he was really serious: he'd had it with Lynn's out-of-control behavior, and Lynn was really pushing Lincoln too far that day.

Lila Mechmaker: (Greek Accent) That's why we've hated Lynn: she's always done stuff like this and driving people insane, and we always hunt her down like the animal that she is. Okay, now for me, one time, Lincoln and I were working with creating a stronger version of concrete, and Lincoln also found some volcanic sand to add to the mixture. But, then, we heard a loud roar, and we saw who it was: it was Lynn and she was going to attack us. I'd had it up to hear with that animal, so I grabbed her and had her body put into a block of our special concrete, and she couldn't move, and it was so durable, Lynn couldn't break out of it, no matter how hard she tried. We then told Mr. and Mrs. Loud of what that gorilla tried to do to us, and Lynn got her butt grounded for eighteen weeks. Then, after Lynn was put into her cage, Lana used her chisel and mallet to get her out.

Nico: Whoa, so that's two more times Lynn's tried to attack Lincoln again?! What an animal!

Lincoln: She'd been pushing her luck around me and my Guardian Angels for the last time, and we'd been keeping an eye out for her, and if she tried to attack again, we'd be ready for her.

We got a shower afterwards, and then, Ed Cowart, Cattleya, Nabiki Tendo, Aosaka Natsumi, Konami Hatano, Chiwa Amano Chiwa, Shino Ebizuka, Sana Kaizu, Yuno Kawakami, Wakana Shimazu, Wako Agemaki Wako, Atari Kou, Sarina Endou, Kei Madoka, Ruri Makina, Keito Nichi, Midori Okamoto, Sakana-Chan, Simone Aragon, Kinu Fukushima, Sarasa Honda, Asa Katou, Rinzu Kuroda, Momen Sanada, Sumi Ichijouji, Rasha, Saten, Sophia, Aiko, Audrey, Beli, Celeste, Jessie, Kyanna, Kyu the Love Fairy, Lola, Momo the Cat Girl, Nikki, Tiffany, Venus, Brooke, Candy Crush, Lailani, Lillian, Marlena, Nadia, Nora, Renee, Sarah, Zoey, Abia, Ashley, and Polly were heading to Aquatic Ruin Zone.

Cattleya: Wow, so this is Aquatic Ruin Zone.

Ed Cowart: Yep, and Lincoln, J.D., Nico, and Clyde have been here before with their harems, and now, it's our turn. Shall we?

Ed Cowart and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they see the marine life that live there, and they went back to the beach and they had a game of volleyball, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Ed Cowart lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, as the sun was starting to set, Ed Cowart made clones of himself, and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls placed their hands on the massive wide and muscular left pecs of Ed Cowart and his clones. Then, as the sun turns orange, Ed Cowart and his clones kissed the girls passionately on their lips and they also returned it. They returned home to The World Tree Estate and in their original clothes, and we saw that Ed Cowart had lipstick marks on his face, massive muscular body, and eight-pack abs, and he had a lovestruck look on his face.

Nico: Hey, Ed, how was your date?

Ed Cowart: (In Heaven) In two words: really awesome.

Cattleya: We went to Aquatic Ruin Zone for our date.

Me: You all sure had fun there.

Lincoln: And judging from the lovestruck look on Ed's face and kiss marks on his body and face, he really had an awesome beach date.

---

Later it was time for the Cutie Mark Crusaders 2nd Ambassador Mission.

Nico: I'm ready to bust more bad guys!

William: Anyone else wanna go with the Cutie Mark Crusaders? Besides, Cheese, Magma Gloom, Thunder Terror, and Frozen Fright?

Qin: Me and the other Quantum Girls will go as well.

Diamond Tiara: Me and Silver Spoon and Toxic Horror and Louie PoisonSea will go.

Touma: And me and the Saber Team will go too.

Nico: COOL!

Me: Awesome! I have this feeling that we're going to encounter someone very special on this one.

Nico: Neat! Are you all ready?

Me: We're ready!

Nico: Lets head out!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS SECOND AMBASSADOR MISSION! YAY!

Nico: They sure are excited.

We were off!

---

We arrived and saw Natsumi, Miyuki and Aoi kicking butt by smashing muggers butts!

The Cutie Mark Crusaders Cutie Marks and the Fearful 5 appeared and swirled around and then converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out of an explosion came the Cutie Mark Crusaders and the Fearful Five!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS!

Fearful Five: AND FEARFUL FIVE!

All: HOOOOOO!

They landed and dogpiled onto the muggers and pinned them down!

Natsumi: Hey nice job guys!

Qin: That was awesome guys!

Eli: I'll say!

Sweetie Belle: Natsumi, meet our archenemies.

Frozen Fright: We are the Fearful 5. I'm Frozen Fright.

Thunder Terror: Name's Thunder Terror.

Magma Gloom: I'm Magma Gloom.

Toxic Horror: Toxic Horror.

Louie PoisonSea: I'm Louie PoisonSea.

Miyuki: Awesome to meet you guys

Apple Bloom: And these are 2 more of our members.

Diamond Tiara: I'm Diamond Tiara.

Silver Spoon: And I'm Silver Spoon.

Me: They are 2 members of the Redemption Squad.

Aoi: Oh wow! Awesome to meet you girls.

Me: And these are Nico's friends The Quantum Girls.

Qin: Awesome to meet you guys.

They introduced themselves.

Natsumi: Wow it's awesome to meet you girls.

Erica Haddock: Same here.

Me: And these are the Saber Team.

Touma: Awesome to meet you all.

They introduced themselves.

Natsumi: It's truly an honor.

Olivia Houou: Same here. I'm the new Kamen Rider Falchion because we have one in the Masters of Evil.

Brittney: And I'm the new Caliber because we have one in the M.O.E. Too.

Natsumi: That is amazing.

Aoi: I'm Aoi. Sorry I didn't get to meet you guys before.

Me: No problem. Awesome to meet you Aoi.

Aoi: You too.

Natsumi: We were trying to bust these muggers for a long time.

Me: Looks like we did that for you guys.

Thunder Terror: That was awesome busting them though.

Nico: It sure was.

Cheese: (reaches for Natsumi's gun) I use the things! I use the things!

Natsumi: No way. You'll shoot your eyes out!

Me: Oh don't mind him. That's Cheese. He's an idiot.

Ellie Singh: Yeah he's got a brain the size of an amoeba.

Eli: But he makes a great annoyance tool.

Me: He's funny too.

Miyuki: Oh I see. So he is a braindead guy.

Me: He's an Imaginary Friend but he is really funny.

Nico: Yep.

Miyuki: Nadeshiko and Ayeka are at the station trying out dresses for our next assignment.

Apple Bloom: Who are we going after?

Natsumi: We're going after the Capprianno Family.

We gasped!

Me: Oh man! They are here in Japan!?

Qin: Oh man! We met their daughters on one of Nico's rescues!

Nico: Oh boy!

Natsumi: How do you know the Capprianno Family?

Me: They are the most ruthless Mafia Family in the entire history of the world and they have terrorized the entire planet for years and I've been trying to bust them for a long time. But every time I was hot on them they would always escape. But not this time. I will make sure NONE of them escape.

Nico: Same here. We met their daughters on one of my rescues.

Qin: Yeah. It's an ugly story.

Natsumi: Well then we better get ready.

We went to the station.

---

We arrived.

Ayeka: Hey, guys!

Nadeshiko: Like our dresses?

Ayeka had a beautiful purple dress and Nadeshiko had a dazzling blue jeweled dress.

Me: Wow your dresses are beautiful girls.

Rarity: Oh those dresses are amazing darlings.

Ayeka: Thanks Rarity.

Me: What's the occasion?

Nico: You girls going out on a date?

Ayeka: No I wish.

Natsumi: More like we got invited to the Capprianno Family party.

Me: Oh I get it! Going undercover and then when the time comes, BAM! We hit them hard and arrest them.

Aoi: Exactly.

Nico: We know this one.

Me: Yep. We did this kind of tactic before. We used it to arrest the Northwest Family.

Nico: Yep.

Eli: I'll have to hear about that soon.

Me: Yep.

Natsumi: It's going to be fun.

Miyuki: (to the Quantum Girls and Natsumi) How about the 6 of us put on our own dresses?

Qin: Good idea.

Me: What will the signal be to attack?

Natsumi: Cheese being a stupid idiot.

Me: I like it. I've been trying to bust these guys for ten years.

Miyuki, Natsumi, and the Quantum Girls put on their dresses.

Miyuki's was black, Natsumi's was red, Qin's was green, Erica's was red with yellow and orange flames, Missy's was purple with galaxies and Ellie's was blue with lightning.

Me: You girls look great.

Natsumi: Thanks J.D.

Nico: You know I feel like I'm doing a stunt Sly Cooper would have done.

Qin: Me too and this will be so awesome.

Me: I'll have the team bring everyone from INTERPOL, Scotland Yard, The C.I.A., The FBI and the biggest law enforcement agencies come. I have a plan.

Nico: Lay it on me.

My plan was to have everyone wait outside in Mail Delivery trucks that are disguised as bases of operations for the cops. Then on the signal, everyone will move in and I'll put up a force field to prevent the Capprianno family from escaping.

Nico: That's brilliant.

Qin: I like it. A Total ambush.

Natsumi: They won't know what hit them.

Me: No they won't.

Nico: Originally, it was just gonna be Apple Bloom for these missions. But I decided to have ALL the Cutie Mark Crusaders for these missions instead.

Apple Bloom: We talked into it.

Sweetie Belle: Yeah it wouldn't be the same without all of us there.

Natsumi: Good reason.

Rainbow Dash: We all thought it would be awesome.

Erica: If any mobster slaps my ass, I'm going T Rex out of this dress!

Natsumi: Erica, we're ALL going to be transforming out of these dresses anyway.

Nico: Nice.

Reika Shindai: So will I.

Natsumi: You're a gene-slammer too Reika?

Me: During Megan's big day mission we gave her the power to turn into a gene-slammer. She can turn into Protecting Spirit Loagaeth.

Natsumi: Wow!

Miyuki: That is cool!

Nico: Yep.

Me: Where is the party being held?

Natsumi: At the Tokyo Convention Center.

We looked and saw the upside-down pyramid buildings.

Nico: I know that buiilding.

Eli: That's perfect and convenient.

Me: But save the dresses, we don't want them to be destroyed.

Natsumi: Okay.

Nico: And we'll probably see the next Another Omnitrix Alien.

Me: Yep. And I sense that someone very special is coming too.

Nico: Who is it?

Me: I don't know. But it's immensely powerful.

Nico: Shall we get ready?

Me: Lets do it. (Eyes glow red) Capprianno Family, it's time for all of you to be locked away behind bars.

We were off.

---

We arrived at The Big Sight or the Tokyo Convention Center.

Natsumi: Here we are.

Nico: Just like old times.

Me: Nico was here many times before.

Nico: Long story.

Me: I'm gonna have to go under an assumed name to avoid suspicion.

Nico: Good idea.

Me: (Clears throat) (Italian Accent) Don Cammicola at-a your service.

Nico: Good name.

Me: (Winks)

Eli: This is gonna be good.

Me: Jared don't send them all in till we give the signal

Jared: Roger that dad.

We went into the party.

The team had an army of cops waiting outside.

We got into the party and saw lots of people. They were all dressed in nice suave clothes and beautiful dresses.

Miyuki: Lots of people in here.

Me: Really swank party.

Nico: It sure is.

We went in.

A woman came up to me and it was a black hair girl with an orange dress.

Woman: Glad you are here mister?

Me: Don Cammicola, leader-a of the Sicilian Mafia family of-a the Cammicola clan. And-a you are?

Natalia Falchion: Natalia Falchion. Professor of Anthropology and Archaeology in the study of the Kamen Rider Legend Items. (Winks at me)

Me: Pleasure to meet-a you fair señora. (Kisses her hand)

Natsumi: I'm getting some punch.

She went and did so.

Me: (In my head) So far so good.

Natsumi got some punch.

Me: (Whispers to Nico) Nico don't arouse suspicion too.

Nico nodded.

Then a beautiful woman in a blue dress with black hair came up to Nico.

Woman: (Arabic Accent) You are a strong force.

Nico: (British Accent) Oh why thank you madam. And you are?

Serena Neptune Durendal: Serena Neptune Durendal, Marine Biologist and Professor of Archaeology and Anthropology for the Kamen Rider Legend Items of the Water.

Nico: Pleasure to meet you madam. (Kisses her hand)

Serena Neptune Durendal: And you are sir?

Nico: Sir Nicholas Torrington. British Lion Guard.

Serena Neptune Durendal: Pleasure. (Winks at Nico)

Cheese: I like chocolate milk.

Eli: (Whispers) Patience Cheese. Hold on.

Cheese: (Static noise) Okay.

Then out came the leader of the Capprianno family, VINCENT OCTAVIO CAPPRIANNO, one of my most dangerous enemies.

Vincent Capprianno: (Italiano Accent) Welcome-a friends and-a guests. Thank-a you all for coming. Today I give-a my latest proposal. I won't be just known-a as the man that-a slayed all the mafias, I will-a be known as the supreme ruler of crime.

Eli: (In his head) That's what he thinks.

Vincent Capprianno: And-a with Team Loud Phoenix Storm miles behind, no one will-a be able to stop me.

Me: (In my head) We'll see about that.

Nico: (Telepathically to me) Shall we get to work?

Me: (Telepathically to Nico) Lets do it.

Cheese released a silent fart.

Cheese: I pooted.

Eli: Cheese go wild.

Cheese: I LIKE CHOCOLATE MILK!

He went bonkers!

Cheese: GOT TO GO! GOT TO GO! GOT TO GO!

Nico: Now guys!

Then the cops rushed in and I put a force field up!

Me: Capprianno, You are under arrest!

I took off my disguise!

Me: SURPRISE!

Vincent Capprianno: KNUDSON!

Me: For 10 years you have eluded me! NO MORE!

Vincent Capprianno: BLAST HIM!

The men unsheathed their weapons and I blasted their guns with lightning and melted them and burned their hands!

Natsumi: Time to take off our dresses!

They did so! Natsumi had red underwear, Miyuki had black underwear, Ayeka's was purple, Nadeshiko's was blue, Qin's was green, Erica's was red, Missy's was orange and Ellie's was blue.

Me: Lets get him guys!

Touma: You read my mind!

The Saber Riders were ready!

Saber Team: HENSHIN!

They transformed and were ready!

Me: Vincent Capprianno, you're under arrest!

Natsumi lost her boobs.

Same with Miyuki and the Quantum Girls and they transformed into their gene-slammer forms and their underwear ripped off! Qin turned into SCALEBREATH, Erica was a Tyrannosaurus, Missy was a Mewtwo and Ellie was a Kineceleran!

Nico: YEAH!

Me: Time for this to start us off!

I pulled out my Eternal Phoenix Wonder Ride Book!

Me: (Read's Verse) "The Fire of the Eternal Phoenix was so strong for the force of good that it overwhelmed the evils within the hearts of the villains that were around it and it caused their hearts to convulse and fall over in flaming messes as the love it had was too strong to overcome."

Then many of the men of Capprianno bursted into flames and exploded!

Me: YUCK!

Nico: NICE!

Natalia Falchion: (Gasp) He's the one. The one I was searching for all these eons.

Nico: (to the police girls) Why don't you 4 show what your Gene Slammed forms can do?

Natsumi: With pleasure!

She fired a wave of lightning and it hit numerous men and electrocuted them.

Miyuki fired numerous blasts of ink and drenched them and it burned them like acid and melted them.

OUCH!

Natalia Falchion: I will help too!

Me: Natalia? But you'll…

Natalia Falchion: I'm more than you think J.D.

Then she had the symbol of Kamen Rider Falchion glow in the middle of her forehead and then she was enveloped in a powerful vortex of flames and huge wings of fire grew out of the vortex and the vortex faded and she emerged forever changed! She was a girl with orange hair and had orange eyes and had a tiara on her forehead with the Falchion Symbol on it and she had orange and black clothes and had her own Unmarked Sword Nothingness and she had the Eternal Phoenix Wonder Ride Book and she had fire angel wings and phoenix tail feathers!

I gasped in shock and sheer amazement!

Nico: WHOA!

Me: I don't believe it!

Natalia Falchion: That's right. I am the Embodiment of Kamen Rider Falchion.

Nico: That is amazing!

Olivia Houou: Wow!

She told us her story. Natalia is the the embodiment of Kamen Rider Falchion of the Saber Team and she is the Eternal Phoenix itself. She has intense fire powers, wings of fire and the Sword of Falchion and her power is infinitely more powerful than all the Kamen Riders all over the entirety of the course of 50 years all combined. She has lived ever since the beginning of time from when the universe was in its infancy and for over 13.4 billion years she has given life to all planets and loved all life to the fullest. With the intense flames of life and love her eternal giving was neverending and she gave the power of life to planets filled with joy and love. But when hate and fear and evil took hold of much of the universe, that lead to her believing that the universe was unworthy. But one light brought that love and joy back into her heart and that light was me and it cleansed her of all the darkness in her and purified her and she flew out searching for the one person that brought that love to her.

We were in awe and amazement!

Nico: Wow!

Eli: That is amazing!

Me: For 13.4 billion years you were giving life to all the planets?

Rainbow Dash: That is amazing!

Me: And my light saved you from the darkness inside you? That's incredible.

Natalia Falchion: That's right. You saved me from the darkness inside me and I will always be forever grateful.

Me: Are there anymore like you?

Natalia Falchion: One is already here and she is closer than you think.

Nico: I have a feeling I know who she is.

Nadeshiko: Save some for me and Ayeka!

Nico: Go for it.

Nadeshiko snipped a man's leg off and Ayeka stabbed a man in his leg!

Nico: YEAH!

Natalia Falchion: Watch what I can do.

She spread her wings of fire and incinerated numerous mobsters all lover in an instant and slashed them and they exploded in blasts of fire!

Nico: YEAH!

Me: Wow!

Olivia Houou: Wow! Her power is incredible!

Nico: They're dropping like flies!

Eli: They sure are!

Nico: Lets see how they like this. Ryoga do you mind?

Ryoga Shindai: Go for it Nico!

Nico used the Ocean History Wonder Ride Book.

Nico: (Reads Verse) "From the Carboniferous Period in the Ocean's History came a pod of Edestus Sharks and they ate their prey in a bloody fashion with scissor-toothed might and turned their prey into their dinner."

Nico summoned a wave of water and it turned into a pod of Carboniferous Edestus Sharks from 313 million years ago and they mauled numerous mafia men all over and splattered their blood and guts all over the place.

YUCK!

The team all came in.

Nicole: WHOA!

She saw what Nico unleashed.

Nicole: WHOA! Those were Edestus Sharks from 313 million years ago!

Serena Neptune Durendal: (Gasp) Nico is the one.

Nicole: Huh? Serena?

Nico: Say what now?

Serena Neptune Durendal: Nico you are the one.

Then she had the symbol of Durendal appear in the middle of her forehead and she was then enveloped in a vortex of water and she spread wings made of water! She emerged and had ocean blue hair and blue eyes and a tiara with the symbol of Durendal on it and she had blue and black and aqua blue clothes on and had a trident like the one Ryoga has and the Wonder Ride Books he had.

Nico: WHOA! You're the Embodiment of Kamen Rider Durendal!

Serena Neptune Durendal: That's right.

Nico: Whoa!

Me: This will be interesting to hear about.

Nico: Explanations can come later!

Eli: I agree!

I fired waves of fire and incinerated numerous members of the mafia!

Toxic Horror: Taste radiation!

He fired waves of atomic energy and blasted them all over.

Jared fired waves of energy and blasted them down.

Then we saw Vincent Capprianno making a run for it!

Varie: He's getting away!

Me: Not this time!

I teleported and appeared in front of him!

Me: Running away like a coward I see.

He took out his gun and I grabbed all his bullets in mid air with lightning fast speed! He ran out of ammo.

Me: I believe these are yours.

I flicked them back and knocked him out and Inspector Fox fired a lightning blast from her shock pistol and electrocuted him and stunned him and she slapped the cuffs on him.

Inspector Fox: (Spanish Accent) Time you to face up to your crimes.

Then lightning struck most of the mafia men all over.

Lincoln: WHOA! That wasn't from me!

Nico: I think it was from that!

We saw a dark version of Feedback!

Scalebreath: Whoa Another Feedback!

Lola: This is gonna be a shocker!

Nico: Yeah it sure will be!

Another Feedback: (In a girls voice) That was an awesome battle guys!

Me: Whoa! Amelia Da Vinci!

Another Feedback: Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: I sure do and she is an awesome artist and she is also the descendent of the great Leonardo Da Vinci and like her ancestor she is someone that likes to draw and is also an inventor, artist and scientist.

Nico: COOL!

Natsumi: Wow that is awesome!

Miyuki: Did Swartz promise you anything?

Me: You're catching on really fast girls.

Miyuki: I know.

Another Feedback: Just to be a great artist like you guys.

Laney: We can easily do that for you Amelia.

Xenia: Yeah.

Another Feedback: I knew that Swartz lied to me.

Me: He lied to everyone but we gave him the black gates.

Nico: Yep.

Me: Amelia you are what's called a Conductoid, they come from the Teslavorr Nebula and they are energy absorbing alilens.

Another Feedback: That is interesting.

Nico: (gets out Electro's Ridewatch) Shocking, isn't it?

Nico activated it and fired waves of lightning and Lincoln and Linka fired waves of lightning and Natsumi fired a powerful blast of lightning and the blasts all hit her and knocked her down and I caught the ridewatch and purified it.

I went over to Amelia and she was a girl with black hair and had an artist beret on and had a black shirt and a black skirt and black pants on and I picked her up.

Amelia Da Vinci: (GROANS) What a headache.

Nico: And now for the next Gene Slammer to finish off the rest of these guys.

Me: Yep.

Then we heard a horse winnie.

Nico: A horse?

Me: No look!

We saw a Rapidash come in!

Nico: Cool a Rapidash!

Xenia: This one is hot!

Natsumi: But awesome!

Rapidash: (in a Girls Voice) Looks like the fun is here.

Me and Nico: (In unison) Lillith Cheyenne Bohdi! (DOINK) You know her!? She went to my horseback riding classes! GET OUT! That's cool!

Me: That is cool that we both know her!

Nico: What are the odds of that!

Rapidash: It's awesome to see you both again. I got this.

She fired a blast of fire and smashed down the rest of the mafia. We later had them all arrested and most of them were all dead.

Natsumi: What's your favorite memory of Nico?

Me: Catching up fast.

Rapidash: I have a lot of them but my favorite was when me and Nico were over in Wyoming and we rescued 5 girls sinking in a tar pit over by Yellowstone.

Nico: That was awesome and cool.

Lola: It sure is.

Rapidash: My favorite memory with J.D. was when we were over in the Valley of Little Bighorn and we found a bunch of graverobbers stealing from a memorial and we stopped them.

Me: That was fun.

Nico: Yeah it sure was.

Me: Lets have you all revert back.

I snapped my girlsWe covered our eyes and the girls reverted back and they were naked.

The 9 girls were naked while bracing themselves on the table.

Natsumi: (laughs) Keep your valence, Lillith!

Lillith Cheyenne Bohdi: I know.

Nicole: Sorry you girls had to meet the team all like this so early but when dad told us that it was to bring down the Capprianno family we had to spring into action to help.

Natsumi: I know.

The Fashion brigade all gave them new clothes and they looked awesome and Lillith got awesome new red clothes.

Lillith Cheyenne Bohdi: I look awesome.

Nico: You sure do.

Nico and Lillith and me hugged.

Nico: I missed you Lillith:

Lillith Cheyenne Bodhi: I missed you guys too.

Nico: How do you feel?

Lillith Cheyenne Bodhi: I feel awesome.

Me: But this was awesome.

Natsumi: That was awesome big time.

Me: And now I'm finally rid of the Capprianno Family and their reign of terror.

Nico: Yep.

Natsumi: Good riddance.

---

We later all came back.

May: Next time, Troy, Tyler Bowman, and the Underground Girls should go with you girls.

Nico: Good idea!

Apple Bloom: Yeah that will be awesome!

Scootaloo: It sure will!

Diamond Tiara: Yeah!

---

We were watching TV and then Twilight came in and she was looking a little strange.

Buffo: Are you okay, Twilight?

Twilight Sparkle: I'll be okay. Just a little… (STOMACH GRUMBLES) UH OH!

She ran to a trashcan and threw up loudly in in.

Varie and Maria looked her over.

Varie: Boy that was bad. Twilight how long has this been going on?

Twilight Sparkle: I've been throwing up for two days straight and I've been eating weird things.

Varie: Hmm.

She scanned her over.

Varie: Well I'll be. Twilight you are…

Twilight Sparkle: (GASP) CAN IT BE!? AM I…

Varie: Yep you are pregnant.

Roshi: Really?! Near Christmas?!

Varie: Yep.

Twilight Sparkle: I'm… I'm… I'm pregnant? (GASP) (ECSTATIC AND EXCITED) LINCOLN YOU AND I ARE HAVING KIDS!

They hugged and were overjoyed!

We cheered wildly for them both!

Xenia: WAY TO GO TWILIGHT!

Lola: YEAH!

Starshine Sparkle: I'm gonna be an awesome aunt!

Thunder Sparkle: YEAH! And I'm gonna have new siblings!

Shining Armor and Cadance hugged her.

Qin: Congratulations Twilight!

Rainbow Dash: This is gonna be so awesome!

Darkwing: You're still going on the mission with us.

Twilight Sparkle: I know. But this is so awesome!

Qin: Yeah it sure will be great!

Rainbow Dash: But we'll watch out for the stuff people go through like this.

Princess Celestia: I agree but we're still happy for you Twilight. I'm so proud of you.

Nico: We all are.

Me: But after the mission we'll go to the doctor and see if you are expecting boys or girls and find out how many babies there are.

Qin: Yeah.

Lola: It will be awesome though.

Punch: I really hope you give birth tomorrow.

Twilight Sparkle: Me too.

Qin: Yeah.

Slugslinger: Nico, which teams have you made this time?

Nico: Sage's team will include Fujiko Mine, Optimus Primal, Rhinox, Cheetor, and Rattrap. Ren's team will include Kalolo, Ophanimon, Angewomon, Universe 666 Lucemon, and Seraphimon.

Kalolo: Hey that will be awesome!

Qin: It sure will!

Rhinox: It's going to be an honor to be part of a group.

Cheetor: Boy it sure will be awesome!

Rattrap: Just as long as I'm not teamed up with choppa face.

Dinobot: (Growls) Well excuse me rodent unlike you I find the notion of being on a team quite enjoyable!

Rhinox: Hey! Not now!

Qin: Geez you two act like you were just built fresh off the assembly line.

Nico: No kidding.

Then the previous group came.

Tri Klops: Can me, Vortex, Evilseed, Aqueduct, Selene, Copperhead, Brass Knuckles, Titanium Toenail, Gentleman Ghost, and Control Freak go with you guys?

MMPR Eye Guy: Me, Teen Tornado, Evil Mushroom Man, Pisces Zodiarts, Copperhead, Usari, Evil Crash Man, Rambling Ghost, Wolvertoon, and Pericles will come as well.

Nico: Yes you all can come with us.

Qin: We're really looking forward to this one.

Xenia: Yep. I hope it's a good one.

But then…

(WOMAN SCREAMING)

KRABLAM!

MAN SCREAMING!

Nicole: OH BROTHER! Looks Jiraiya is at it again.

Naruto: I swear that Pervy Sage never learns does he.

Nico: Nope.

Nicole: Lady Tsunade needs to keep a REALLY Tight leash on him.

Proto Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Slowbro next.

Qin: Awesome!

Nico: Yep. This will be awesome too.

Twilight Sparkle: And the next rescue is going to be my baby shower right?

Nico: Yep.

Titanium Toenail: Wow! Twilight is pregnant!?

Varie: Yep. She sure is.

They cheered for her.

Titanium Toenail: Congratulations to you Twilight!

Twilight Sparkle: Thanks.

Suddenly, we saw snow flurries swirling around, and then, we saw a figure appear: it was Santa Claus.

Nico: Santa, what brings you here?

Santa Claus: We've got a big emergency, gang: Jack Frost, the evil personification of Winter and the one I know, is here to destroy me again!

We gasped.

Jack Frost: That guy has got some nerve, I would never do that to Santa.

Elsa: That's right, oh, we're so going to make that monster pay for his crimes.

Winter Icyin: (British Accent) Right you are, Elsa, I may be a Jack Frost, but that monster gives us all a bad name!

Lincoln: You bet he does, Winter. Don't worry, Santa, we'll stop this fiend.

Me: And we will, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Gressil, The Earth Demon, and he's coming for revenge on us for what we did to Blackheart yesterday. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're so not liking this one bit: the dark energy signal we just sensed belongs to our old enemy, Gressil, The Earth Demon, and he's coming for revenge on us for what we did to Blackheart yesterday.

Max Goof: Just as I thought.

Lincoln: Yep, but I've been thinking about this: maybe we can have him, Wallow, and Abigor put into The Masters of Evil, now that Blackheart's gone forever, those three will have a new job there.

Nico: Good idea, Lincoln.

Mira Hurricanecloud: It sure is. But, what if Gressil, Wallow, and Abigor flat out refuse?

Lincoln: Oh, I don't think they want to refuse the offer, because if they do, the only thing waiting for them is the very same fate that befell Blackheart, but I'm hoping it won't come to that.

Nico: It won't, I have a good feeling about this. Alright, gang, let's go, we've got to head back to The North Pole and help Santa battle that monster personification of Winter, Jack Frost.

Lincoln: That guy gives the Jack Frost we know, along with Elsa, Winter Icyin, and all ice wielders a very bad name, and once we put an end to that monster, you're next, Gressil.

Nico: Lets head out!

We got on our fur parkas and we were off to the North Pole!

* * *

We were flying over the North Pole and it was cold.

Evil Seed: This is gonna be fun.

Evil Mushroom Man: Won't you and I freeze out here?

Evil Seed: Nah. Vypra put a magic spell on me that made me impervious to the cold.

Me: That's good she did.

Mallow: Yeah thank goodness.

Me: At least this version of Jack Frost is not that psychotic snowman serial killer we destroyed.

Nico: Thank goodness.

Camie: What is this one like?

Me: This Jack Frost is the personification of Winter.

I went over his history.

---

Jack Frost is the main antagonist in The Santa Clause 3: The Escape Clause.

He was portrayed by Martin Short, who also played the Jester and The Appraiser in Legends Of Oz: Dorothy's Return, Mr. Willoughby in The Willoughbys, Sebastian Ballentine in Law & Order: Special Victims Unit, Preminger in Barbie as The Princess and the Pauper and Huy in The Prince of Egypt.

Though he's a member of the Council of Legendary Figures, Jack Frost was extremely jealous of the current Santa Claus (Scott Calvin) because of his popularity with little children and even desired his own holiday called "Frostmas" (even he also obnoxiously conducted ridiculous ideas of his own other holidays, "Frostgiving", the "Frost of July" and "Frosthog Day".).

The Council have taken disciplinary action against Frost and charged him with 273 counts of crime against the Legendary Figures ethical code of conduct including attempted upstaging of Santa Claus, freezing of a volcano in Hawaii and snowing in the Amazon, and frosting of all Mexico which sends all of the geese north for the winter (with 270 cut-out figures of himself wearing his Frostmas sash found in every shopping mall all over the Northwest as evidence).

And so after causing trouble in the North Pole, he finally stole his magic snow globe, tricked him to active the classified Escape Clause by saying "I wish I have never been Santa at all", and went 12 years back in time to the year 1994 where Santa accidentally killed the original Kris Kringle. Frost put on the coat, took over the North Pole and turned it into a Frost-themed amusement park named "North Pole Resort".

After Scott Calvin undo the wrongful changes and returned the North Pole back to normal, Jack Frost, who quickly arrested by the North Pole's Elfficers for freezing both Dr. Neil Miller and Charlie Calvin's mother Laura, later he was turned good when Scott Calvin's niece Lucy transformed him with a warm hug, unfroze her parents and decided that he liked his new look.

---

When I was done everyone that hadn't heard about it was shocked!

Qin: WHOA MAN!

Xenia: No kidding!

Nico: And this version of Jack Frost wants to turn the North Pole into an Amusement Park!? That's insane!

Me: And he wants all the holidays to be for him!? That is madness! Total destruction of the natural order!

Lola: I can't wait to hit him with my blaze shurikens!

Pain Yatta: Did you just invent that today?

Lola: I sure did. Fire is going to win.

Fire Lori: As long as I literally burn him too.

Me: He may have a heart of ice, But Fire will thaw that dark heart out.

Xenia: That is for sure.

Sunstorm: In my opinion, he would make a terrible Santa.

Me: I agree there too.

Qin: Yeah who ever heard of Jack Frost Claus. No offense Santa.

Santa Claus: None taken Qin.

Xenia: But no way are we going to let the holidays be turned into ice theme holidays.

Camie: Yeah.

Me: We're here.

Nico: And look what it turned into.

We saw that THE NORTH POLE WAS TURNED INTO A MASSIVE AND HUGE ICE CASTLE!

Me: WHOA! It's a castle made of pure ice!

Elsa: Amazing! Just as breathtaking as my castle near Arendelle.

Brass Knuckles: Don't be fooled, Elsa.

Evil Crash Man: This is the lair of a madman.

Elsa: It's still an amazing castle.

Me: But it still has to be melted.

Nico: Time to unleash the fire. I have an idea.

Nico turned his arm computer into a satellite control device.

Nico: Watch this.

A satellite in orbit was ready and they it fired a powerful concentrated beam of sunlight and it hit the castle and was melting it!

Me: WHOA!

Qin: WHOA THAT IS BRIGHT!

Xenia: INTENSE!

Laney: WHOA! That beam is hot!

Nico: It's a beam of concentrated sunlight. It's coming from a solar satellite that uses sunlight as a weapon and it fires sunlight to destroy missiles from the sky.

Me: That is amazing!

Nico: Yep.

Dreadwind: The North Pole doesn't need that much ice.

The castle was melted into pure water in seconds.

The beam vanished.

Gentleman Ghost: There. All melted.

Pericles: (German Accent) I think that's much better.

Me: Yeah. Hope he likes swimming in an ice cold swimming pool.

Nico: Nice.

Dark Jack Frost: (SCREAMING IN RAGE) NO! MY CASTLE! WHO IS RESPONSIBLE FOR THIS!? I WILL FREEZE THEM AND SHATTER THEM FOR THIS!

Crankcase: Hold on. Before our entrance, we need to discuss what We learned yesterday.

Lindsey: Is it really necessary?

Beth: Considering that you hid your true self from us, I'd say it is!

Nico: I think we already learned that. Those bullies were a bunch of mean jerks.

Control Freak: Heather we understand because she's a bitch.

Wolvertoon: But why didn't you tell us before? We wouldn't have judged you.

Me: Guys she was scared. She didn't know what to do. She was so beautiful that everyone in school was jealous of her and they picked on her for it.

Lori: Oh Lindsey. We literally wouldn't think that about you.

Eli: Yeah.

Xenia: I agree there.

Beth: I'm not mad. Mostly hurt because you couldn't trust me.

Chow: Lindsey, are you sure there's nothing else you're hiding from us?

Nico: Guys I think Lindsey opened up more than enough.

Eli: He's right. Lindsey was scared and you all know that fear makes us do crazy things.

Titanium Toenail: Beth, Lindsey didn't mean to keep secrets from you.

Rambling Ghost: But with Heather still around at the time, can you really blame her?

Me: Not really.

Lindsey: Yeah. Heather would ruin my life.

Me: Heather deserved the Black Gates. And everyone in Canada is glad she is gone.

Qin: Yeah.

Lindsey: She is a mean girl. She is a twofaced backstabbing lying little motherfucking bitch from hell.

Me: Nice one Lindsey. And you are right. She got what she deserved. And thanks to Chris and Billy, EVERYONE in Canada and even the world now knows all about Heather the Terrible. They don't want her back at all.

Nico: Yeah.

Me: Also I'm glad that Spawn of Satan got what she deserved.

Lindsey: Me too.

Beth: It's not that. Lindsey, we were best friends since we first met each other on the show.

Grier: That's true. But she didn't want to take any chances.

Me: I'm not surprised.

Beth: Yeah.

Qin: Lindsey you shouldn't pay attention to what those jerkwads have to say.

Beth: Yeah Lindsey. We can ALWAYS be Best Friends.

Me: And I will not let ANYONE hurt you.

Ushari: For the record, I'm glad you opened up about this.

Copperhead: So am I.

Me: We all are.

Lindsey: Thanks guys.

Qin: Have you talked to your mom and dad about it?

Lindsey: No I was scared to tell them and afraid how they would react.

Princess Rose: We'll be there to back you up.

Me: When the time comes.

Nico: Yep.

Lindsey: Oh thank you guys.

Nico: No problem.

Aqueduct: What are friends for?

Pisces Zodiarts: THAT isn't a lie.

Nico: THAT is for sure. Glad we got that done.

Dark Jack Frost: (SCREAMING IN RAGE) NO! MY CASTLE! WHO IS RESPONSIBLE FOR THIS!? I WILL FREEZE THEM AND SHATTER THEM FOR THIS!

Nico: NOW Lets get him. Entrance time!

We went at him.

Dark Jack Frost: THIS WILL NOT STAND!

Then the spirits of the elemental spirits of demonic Christmas appeared and swirled around him and they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and fireballs rained down onto him and then a phoenix cry was heard and we came out.

Me: Time to BURN Jack Frost.

Leozack: Sorry for the wait. Had to get something out of the way.

Me: Taste the fire!

I fired a blast of fire and it hit Dark Jack Frost and he screamed in pain.

Nico: That burned you up!

He got up.

Dark Jack Frost: YOU ASSHOLE!

He fired a wave of ice and I fired a wave of fire and the blasts collided and my fire overwhelmed him and it hit him again and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

Qin: Take that!

Vortex: You give winter a bad name!

Teen Tornado: Hope you like getting melted into a puddle!

Me: And that will be from the fires of hell!

I fired more blasts of fire and it hit Dark Jack Frost and burned him all over.

Control Freak: And here is the next monster for it.

He summoned the MAN OF FIRE from Metal Gear Solid 5! It was really called Yevgeny Borisovitch Volgin or THUNDERBOLT!

Nicole: Whoa that's Yevgeny Borisovitch Volgin or Thunderbolt from Metal Gear Solid 5! Perfect choice.

---

Swordsman was next.

Swordsman (to Captain Marvel): I heard you guys met gene-slammers for Infinitrack Fortress Megaclops and Ghostrick Yuki-Onna. What are their names?

Captain Marvel: Their names are Miyuki Shirayuki and Lila Mechmaker.

Pinkie Pie: They are really talented and awesome angels for Lincoln.

Maud Pie: (monotonously) Their story is really amazing too.

---

Miyuki Shirayuki: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lila Mechmaker: (Greek Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Miyuki Shirayuki: (Japanese Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Miyuki, Lila, what memories did you have with Lincoln?

Miyuki Shirayuki: (Japanese Accent) I remembered this one time Lincoln and I were doing some ice-skating at a frozen lake and we were having fun, but then, we heard a loud belch, and when we knew Lynn was on the rampage: the surprise snowstorm combined with milder temperatures made it a Packing Day: a day the Louds dreaded, because whenever Patchy Drizzle declares it a Packing Day, Lynn goes full Beast-Mode and she lurks in the snow waiting to hunt down her siblings and pummel them with snowballs, she's an out of control animal! We saw her heading for us, she had dark circles around her eyes, her eyes were red, and she was roaring like a wild animal and beating her chest like a gorilla. Lynn threw tons of snowballs at me, and I wasn't able to defend myself in time, then, she was about to attack Lincoln, but then, I saw Lincoln's eyes turn blood red, his nails grew into claws, and his fangs grew longer, and he pounced on Lynn and he was brutally beating her up, he even left some claw marks on her stomach, and he wasn't stopping: I knew what it was, all those past Packing Day nightmares have finally broken loose and Lincoln now wants one thing: to break Lynn in half for all those times she's attacked him and his siblings. I ran over and got him off Lynn, and he also had Lynn's blood on him and when he saw he was in my arms, he just broke down and cried really hard on my chest. I then had Lynn tied up in an ice straitjacket and I dragged her butt home. I then told Mr. and Mrs. Loud of what Lynn did to me, and it drove Lincoln berserk and he really beat her up, but then, when I told them of the trauma that Lynn's attack caused, they ran up to Lincoln and hugged him, and he just broke down again.

Lori: Eventually, Mom ended Packing Day for good by grounding Lynn for nineteen weeks, but Lynn being the stubborn animal that she is swore she'd have her revenge on Lincoln for ruining her fun, but Lincoln literally grabbed her by her coat, and he made her look him in the eye and as he said his threat right into her face, his eyes turned blood red.

Nico: (Gulp) What did he say to Lynn?

Lori: Lincoln said, "If you ever come after me, the rest of the family, my friends, or my Guardian Angels ever again, Lynn, I will hunt you down, and I will make you pay for everything you've ever done!" That angered Lynn and she ran up the stairs like the gorilla that she is, but not before she roared in anger again. Lincoln was about to get after her and rip her to shreds, but Miyuki fired a blast of ice at her, and she ran off to her room.

Me: Whoa!

Rita: We were really stunned and frightened by what Lincoln said to Junior that day, but he was really serious: he'd had it with Lynn's out-of-control behavior, and Lynn was really pushing Lincoln too far that day.

Lila Mechmaker: (Greek Accent) That's why we've hated Lynn: she's always done stuff like this and driving people insane, and we always hunt her down like the animal that she is. Okay, now for me, one time, Lincoln and I were working with creating a stronger version of concrete, and Lincoln also found some volcanic sand to add to the mixture. But, then, we heard a loud roar, and we saw who it was: it was Lynn and she was going to attack us. I'd had it up to hear with that animal, so I grabbed her and had her body put into a block of our special concrete, and she couldn't move, and it was so durable, Lynn couldn't break out of it, no matter how hard she tried. We then told Mr. and Mrs. Loud of what that gorilla tried to do to us, and Lynn got her butt grounded for eighteen weeks. Then, after Lynn was put into her cage, Lana used her chisel and mallet to get her out.

Nico: Whoa, so that's two more times Lynn's tried to attack Lincoln again?! What an animal!

Lincoln: She'd been pushing her luck around me and my Guardian Angels for the last time, and we'd been keeping an eye out for her, and if she tried to attack again, we'd be ready for her.

FLASHBACK ENDS

Swordsman: Goodness! Lincoln really let Lynn have it!

Sprocket: Boy they sure did!

We threw blasts of fire at Dark Jack Frost, and he melted into water and he was sent to The Black Gates for his crimes.

Lincoln: You've caused Santa enough trouble for the last time, Dark Jack Frost!

Nico: This time, Fire wins against Ice. Awesome job, gang, but we're not done yet, there's still the matter of Gressil to deal with, and that Earth demon should be arriving… right now!

?: You fools are going to pay for what you did to Blackheart!

Me: I always knew there's no mistaking that voice from anywhere, you can come out now, Gressil.

A figure appeared from a tornado of rocks, and it was our old enemy, the Earth demon, Gressil.

Gressil: No words can even describe how much I hate every last one of you, you have ruined all of Blackhearts plans to finally rule this pathetic world and you've killed me twice! I HATE ALL OF YOU SO MUCH!

Our energy auras flared up and we gained a massive power boost from Gressil's hatred.

Mira Hurricanecloud: That was your fault, not ours, and now, you're going to get it.

Suddenly, Mira Hurricanecloud's neon purple eyes turned neon purple and she was surrounded by a neon purple energy aura with clouds, water, dragons, and lightning, she unholstered her Eye of The Typhoon-themed greatsword from her back, and as she approached Gressil, she left neon purple energy, clouds, water, dragons, and lightning with every step.

Mira Hurricanecloud: I've had it up to hear with you for the last time, Gressil, you, Wallow, and Abigor have instigated nothing but chaos and destruction both on Earth and in Hell, and all for Blackheart's sick powerhungry desires to take over the world. Well, that ends here and now, I hope you like being electrocuted into nothing but rubble!

Suddenly, Mira Hurricanecloud was surrounded by a massive vortex of neon purple energy with clouds, water, and lightning surrounding the vortex, there's an army of dragons and Eye of The Typhoon flying around the vortex, and in the vortex is a dark blue phoenix. Then, as the vortex faded, Mira Hurricanecloud emerged, but she was changed forever.

(ROCK YOU LIKE A HURRICANE BY THE SCORPIONS PLAYS)

Mira Hurricanecloud grew from 6'5" to 7'4" in height, she has the body of a goddess, she has dark blue highlights in the bangs of her long flowing neon purple hair, she has neon purple eyes and a neon purple energy aura with clouds, water, dragons, and lightning surrounding her, she has The Thunder Kanji in the hands of Eye of The Typhoon emblazoned on her forehead and Third Eye with neon purple iris, she has on dragon earrings with purple gems for eyes and holding the Thunder and Eternity Kanjis in its claws, she also has Eye of The Typhoon with a red gems for the eye and holding the Thunder and Eternity Kanjis in his hands on the bottom of her neon purple dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with neon purple crystal links from her merged Crystal Necklace of the Buddha and neon purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mira Hurricanecloud has on a sleeveless open dark blue blouse, sleeveless dark blue midriff top, dark blue skirt, dark blue pants, dark purple legwarmers, dark purple sneakers, and long white sleeveless trenchcoat with clouds, water, dragons, and lightning on the coattails, and on the back is Eye of The Typhoon and he's surrounded by storms. Suddenly, Mira Hurricanecloud felt a sharp pain on her back, and then, her massive neon purple angel wings grew much bigger for her new body, and the neon purple feathers now have dark blue tips, she now has eleven massive and long neon purple wolf tails, she has on a Ring of The Phoenix with neon purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Mira Hurricanecloud's massive Eye of The Typhoon-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of neon purple energy, clouds, water, dragons, and lightning, and when it emerged, it was transformed into Eye of The Typhoon's Typhoon Storm Greatsword of Storm Typhoon Justice, it's a brand-new massive greatsword with embedded neon purple gems and Eye of The Typhoon etched on the 7'0" massive, wide, double-edged neon purple blade, large aqua blue dragon heads for the crossguard, large neon purple gem embedded in the rainguard, longer midnight black handle, four large aqua blue dragon heads with red gems for eyes and a large neon purple gem below the dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with neon purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Eye of The Typhoon's head with a red gem for the eye and a large neon purple gem in its mouth for the belt buckle, Guardian Elma's dagger, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Eye of The Typhoon that said, "Mira Hurricanecloud, Gene-Slammer of Eye of The Typhoon, Cousin of Dew Gayl, Aspiring Meteorologist, Powerful Master of Storms, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lola, Archenemy of Deadeye, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and

Powerful Teachers, and Master of Storms, Typhoons, and Dragons"

ミラ ハリケーン クラウド、台風の目のジーンスラマー、デュー ゲイルのいとこ、意欲的な気象学者、嵐の強力なマスター、愛情深い守護天使、リンカーン ラウドの未来の妻、ダーク ローラのスマッシャー、デッドアイの大敵、悪のスレイヤー、ディレンジド、殺人的で冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、嵐、台風、およびドラゴンのマスター

Mira Hurricanecloud has transformed into SUPER ANGEL-DRAGON-TYPHOON-HARMONY CELESTIAL ETERNAL XELNAGA AQUA TYPHOON HURRICANESTORM DRACONIC ANGEL OF DIVINE AQUA STORM TYPHOON JUSTICE AND DIVINE AQUA TYPHOON HURRICANE DRACONIC AQUA LOVE!

We were amazed by Mira Hurricanecloud's Super Angel-Dragon-Typhoon-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Gressil saw it, he went mad with rage and ran at her to kill her, but Mira Hurricanecloud fired a powerful neon purple energy blast with lightning, clouds, aqua, and dragons at Gressil and sent him flying out and we followed, he got up, but he was pissed off now.

Nico: Whoa, Mira's transformed, now the storm is about to get even stronger!

Lincoln: You got that right, and Mira, you look beautiful, how do you feel?

Mira Hurricanecloud: (Divine Echoing Cosmic Voice of The Aqua Typhoon Storm Dragon and Divine Aqua Typhoon Storm Dragon Love) **I feel incredible, Linky. Now, shall we put a stop to Gressil once and for all?**

Lincoln: (Smiles) With pleasure, Mira.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and

strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mira Hurricanecloud.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've had this coming for a very long time, Gressil, I hope you're ready to take on the storm!**

Mira Hurricanecloud and Lincoln went after Gressil, who fired rocks at them, but they fired blasts of lightning at them and destroyed them, and they fired extremely powerful blasts of rainbow energy, neon purple energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Gressil and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Mira Hurricanecloud, her hand-cannon Blaster is known as Eye of the Typhoon's Hurricane Draconic Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's neon purple with lightning bolts on the blaster and with a Phoenix, Angel, and Eye of The Typhoon surrounded by lightning bolts etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Mira Hurricanecloud fired blasts of rainbow energy, neon purple energy, and elemental forces at Gressil and as they hit him, they exploded with incredible power, and he was knocked down, tied up, and sent to The Masters of Evil. We cheered as Mira Hurricanecloud and Lincoln holstered their massive greatswords on their backs and powered down, and Mira Hurricanecloud's new body, clothes, weapons, jewelry, Third Eye, eleven massive neon purple wolf tails, and massive neon purple angel wings are permanent.

Mira Hurricanecloud: One down, and two to go. Thanks for helping me take down Gressil, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mira.

Suddenly, Mira Hurricanecloud wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Mira Hurricanecloud's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Eye of The Typhoon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lightning raged around them and we cheered wildly. Then, Lincoln and Mira Hurricanecloud absorbed the lightning and they came back to us as the display and Eye of The Typhoon vanished.

Nico: Whoa, now that's what I call a stormy battle against Gressil, awesome job, guys.

Lincoln: Thanks, Nico.

Me: Now, all that's left is Wallow and Abigor.

Lincoln: Yep, and they'll join The Masters of Evil right after they cool off in their prison.

Nico: You got that right, we don't want them pissed off badly at us.

Roxy Rocket: Another Evil Jack Frost gone.

Black Manta: Thank goodness

Dodgeball Wizard: I hope there's no more Christmas trouble.

Red X: I'm sure there won't be.

Pterodactyl Ghost: Let's celebrate!

Me: Yeah!

Santa Claus: This makes 8 times.

Me: It sure does. I'm just glad that many of your enemies have been silenced.

Nico: Yep. No one is coming after Christmas on our watch.

Lola: Yeah.

Nico: But great job today everyone!

Sunset Shimmer: (To the viewers) This was an awesome adventure guys. Hope you loved it.

Me: I know I did.

Nico: Yep.

We went back home and had a good meal at Lynn's table and then we enjoyed the rest of the day and went to sleep.

Me: You said it Kaos.

Camie: Yeah.

Stacy: But this is a radical party guys.

Nico: Stacy, I want to thank you, Ranamon, and your teams for coming.

Stacy: It was no problem Nico. I think it's so awesome to be here.

Ranamon: All of us are happy to be with y'all.

Lincoln: It's so awesome too.

Me: How are you feeling Twilight?

Twilight Sparkle: Really heavy. Boy this is gonna be so awesome though.

Me: After everything you have accomplished Twilight you more than deserve to have an awesome family.

Aria Blaze: I really agree there too.

Twilight Sparkle: Well I have all of you guys to thank for it all.

Xenia: It was our pleasure Twilight.

Sunny Starscout: That's why you will be my hero Twilight because of everything you did for not just everyone in Equestria but all over the world with your teachings of friendship.

Twilight Sparkle: I'm truly honored Sunny.

Lola: That is a fact.

Aria Blaze: I agree there.

Nico: Aria, now, we know it was Opaline who was the cause of you and your sisters turning evil.

Aria Blaze: I know. That is just really shocking.

Me: Who would have thought that over the course of the millennia that Opaline can cause so much damage in her insatiable lust for power?

Misty Brightdawn: Yeah no kidding. I don't know what I was thinking working for her.

Xenia: No kidding.

Zuria: But we are glad she is gone.

Me: And we have Universe 666's version with us now.

Universe 666 Opaline: That is true J.D. I can't believe that the prime universe version of me was that evil.

Adagio Dazzle: I know.

Nico: But you 3 became good even before we found out the truth.

Me: You sure did. And I found out because of a dream I had.

Princess Luna: The dreams you all have had since we joined you all have been amazingly powerful and helpful to everyone.

Me: Boy they sure have. During many of our most amazing adventures. Especially during the 20 Days of Darkness.

Qin: Yeah and they have brought so many people and ponies all back together.

Xenia: That is so awesome.

Twilight Sparkle: I think it's great.

Mallow: Me too.

Sonata Dusk: I agree there too. And now the L-Ementals have the Universe 666 versions of some of the Doomsday 23 as their archenemies.

Me: That's is so awesome.

Aria: I agree there too.

Camie: Yep.

Kaos: But still those were great adventures back then.

Glumshanks: I agree there too Lord Kaos.

Lola: I do too. It's amazing.

Me: Also these missions we had this month in helping Santa have been awesome.

Lola: They sure were.

Zuria: I'll say.

Natalia Falchion: I think it's so awesome that you would helping him out.

Nico: I hope that's the last of the bad guys threatening Christmas.

Eli: Don't worry Nico, I did a scan and it shows that it's all smooth sailing from here on out.

Nico: Good. Christmas is now safe.

Me: Yep. Boy that is 8 times we saved Santa.

Natalia Falchion: That is so awesome and cool.

Nico: That Dark Jack Frost is not like the one we know and love.

Me: No he wasn't. But at least we gave that monster the Black Gates.

Qin: Yeah we sure did.

Misty Tredwell: Thank goodness.

Varie: Yeah no kidding.

Maria: And we melted his handiwork.

Me: We sure did. And that satellite we have is amazing.

Qin: It sure is.

Nico: Yep.

Applejack: But it was great battling him. And we learned a really crazy truth from Lindsey.

Lindsey: And I'm sorry I kept it from you all.

Me: It's all right Lindsey. You were just scared. At least Ushari was able to see what was on your mind.

Lola: Yeah.

Me: But either way, Heather got what she deserved. That snake in the grass deserved the black gates for everything she did.

Lola: Yeah no kidding.

Camie: Yeah.

Lindsey: You got that right. She was a lying, backstabbing, twotiming…

I covered her mouth.

Me: Lindsey not here it's Twilight's baby shower.

Lindsey: (Muffled) Oh sorry.

May: You already said that the first time around anyway.

Lindsey: I know.

Me: But you really told her off back then.

Qin: Yep. Once is enough.

Lindsey: Okay.

Twilight Sparkle: But I'm glad that Christmas is safe now.

Me: So is everyone all over the world. Boy this December has been MASSIVELY eventful.

Misty Tredwell: It sure has.

Ranamon: It sure has y'all.

Nico: Yep.

Me: But also Nico the biggest achievement yesterday during the ambassador missions was the Cutie Mark Crusaders and all of us bringing an end to the Capprianno Family for good.

Qin: Yep. They did a great job.

Scootaloo: Thanks Qin. It was so awesome.

Me: You girls did great yesterday. And you helped me and the team complete a task that has eluded me for over a decade.

Apple Bloom: Aw shucks. It was nothing.

Sweetie Belle: We all did a great job too.

Eli: Yep we sure did.

Inspector Fox: (Spanish Accent) You sure did. And the world is now a much safer place without the Capprianno Family running around.

Me: Yep.

Sly Cooper: That's for sure.

Nico: I just hope we meet Frosty the Snowman on Christmas.

Qin: That would be so awesome. I love Frosty the Snowman.

Rarity: Oh he is so great darlings.

Me: An awesome timeless classic for Christmas.

Nico: Twilight, you stay here when we fight the next Another MOE member.

Twilight Sparkle: Okay.

Me: First we have to face the next and last member of our resident mischief making 5th dimensional imp friend.

Twilight Sparkle: Yep.

Lola: Wow, but still this is awesome that we get to have Twilight's Baby Shower now, but we're so not done yet: that mischief-maker's probably got the last of the dark versions of The Eds' friends out there.

Lincoln: And I think I know who it is.

Suddenly, the Eds were grabbed by someone and they were getting the crap beaten out of them, and Lincoln grabbed the figure and pulled him off the Eds and threw her into a wall, and Lincoln gave the Eds three potions he made, and they were cured.

Eddy: Thanks, Lincoln, but who the hell was that?!

?: You three are going to pay for all the trouble you've caused us!

Me: Right on cue. Showtime everyone and everypony!

Eddy: Oh no, not her!

We then saw our target, Dark Nazz, and man, she was really out for the Eds' blood.

Lola: (Gasps) Dark Nazz, the last Dark Side of the Eds' friends and the last of Mr. Mxyztplik's tricks, it looks like we'll have to really mess you up.

Dark Nazz: YOU WILL PAY FOR GETTING IN MY WAY, YOU UGLY, TACKY, LITTLE BRAT, YOU WILL DIE ALONG WITH THE EDS, AND ONCE YOU'RE DEAD, YOUR BOYFRIEND'S ALSO NEXT FOR GETTING IN MY WAY!

WE GASPED!

Me: Uh oh!

This really pissed Lola off, and we saw her face and body turn red, and steam blew out of her ears as she growled really angrily! Then, she roared as her hair turned into living flame!

WHOOSH! OH BOY! SHE IS IN FOR IT NOW!

Lincoln: You heartless she-devil, no one threatens my little sister and her boyfriend and gets away with it!

Lola: You… are… so… DEAD!

Lana: Oh no, now she's really done it! You know what happens when you make Lola really mad?!

Zuria: What happens?

Me: Lola has been known for having a really volatile and fiery personality. Anyone that displeases her will pay the price. I've known Lola for over 6 and a half years and she had that vicious of a temper. She popped Lynn's Soccer ball when Lynn ate the last pudding, destroyed Laney's art supplies, Destroyed Lori's phone, and MANY other things. It's not pretty. And all this was BEFORE her dark side was removed.

Zuria: JEEZ!

Qin: Yeah no kidding!

Lincoln: It's what my guardian angels have been defending me from.

Lana: Yeah.

Suddenly, something within Lola's mind snapped when memories of what that heartless Dark Nazz had done to the Eds and what she just did in threatening her and Winston with death rushed through her mind, and her blue eyes turned neon blue and she was surrounded by a rainbow energy aura with orange flames, rainbow flames, dragons, and phoenixes, she unholstered her massive Gabja's Inferno Firestorm Draconic Phoenix Greatsword of Divine Inferno Justice and Fiery Love from her back, and as she approached Dark Nazz, she left rainbow energy, orange flames, rainbow flames, dragons, and phoenixes with every step.

I put a force field around the room to protect the castle.

Lola: I've had it up to hear with you, you heartless, out-of-control monster, what you've done to the Eds for no apparent reason, that's just quite petty if you ask me. (SUDDNELY GETTING EXTREMELY PISSED OFF) But, what you just did in calling me those horrible words and threatening me and my Winston with death for stopping you from hurting the Eds… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU HEARTLESS, EVIL, MISERABLE CLOD, AND FOR THAT, I'M GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE! YOU MESS WITH MY FAMILY AND THE EDS, AND YOU WILL PAY BIG TIME!

We gasped at the sheer extent of Lola's fury: Dark Nazz went way too far, and now, she's going to pay.

Lincoln: Oh man, now it's Dark Nazz's turn to suffer the consequences for what she just did in beating up the Eds for no reason, and what she just did in threatening Lola and Winston with death, along with calling her those names, now she's really going to get it. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, but Dark Nazz fell into a homicidal rage and ran at Lola to kill her, but Lola screamed like a madwoman, and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

There was an incredibly massive fiery explosion of fire and energy and she was surrounded by a massive vortex of rainbow energy with orange flames and rainbow flames surrounding the vortex, and the force of the vortex blew Dark Nazz away and she hit a wall, there are dragons and phoenixes flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Dark Nazz: the red eyes of death. Then, as the vortex faded, Lola emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lola remained tall at 7'4" in height, she has the body of a goddess, and the weighted pink bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands, and she still has the eight large pink orbs orbiting around her legs, she has pink highlights in the bangs of her now long flowing blonde hair reaching the bottom of her neck and she still has on her tiara, she has neon blue eyes and a rainbow energy aura with orange flames, rainbow flames, dragons, and phoenixes surrounding her, she has a rainbow phoenix and rainbow dragon holding the Fire Kanji in its claws emblazoned on her forehead and a Third Eye with rainbow iris, she has on phoenix earrings with pink gems for eyes and holding the Fire and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with pink gems on the gold flame links and pink crystal links and a pink phoenix-shaped Element of Harmony and below the Element of Harmony is a phoenix with pink gems for eyes and holding the Fire and Eternity Kanjis in its claws for the pendant, she has on a sleeveless pink shirt with orange phoenix on it, along with her sash, pink pants with rainbow flames on the legs of the pants, white knee-high combat boots with phoenixes on them for the buckles, and long white sleeveless trenchcoat with orange flames and rainbow flames on the coattails, and on the back is a phoenix and dragon with flames and rainbow flames surrounding it. Suddenly, Lola felt a sharp pain on her back and then, her massive blond angel wings with pink tips on the large blond feathers grew much bigger for her new body and she now has eleven massive and long blonde wolf tails, she has on a Ring of The Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Orange Lantern Corps ring on her left ring finger, and she has on pink fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded in her left hand.

Suddenly, Lola's massive Gabja's Inferno Firestorm Draconic Phoenix Greatsword of Divine Inferno Justice and Fiery Love and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of rainbow energy, orange flames, rainbow flames, dragons, and phoenixes, and when it emerged, it was transformed into Gabja's Rage Inferno Firestorm Draconic Phoenix Greatsword of Divine Inferno Justice and Fiery Love, it's a brand-new large greatsword with embedded pink gems and the Goddess of Fire, Gabja, etched on the 7'0" massive, wide, double-edged pink blade, large pink dragon heads for the crossguard, large orange gem embedded in the rainguard, longer black handle, four large phoenix heads with pink gems for eyes and a large pink gem on the bottom of the phoenix heads for the pommel, she has on her large gold cuff Bracelets of the Champions of The Universe with large pink gems on her wrists, Belt of Elemental Bravery with large gold phoenix head with pink gems for eyes and a large pink gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip and she now has nine large pink orbs orbiting around her legs. There's a pink kanji below the dragon and phoenix that said, "Lola Loud, Fourth Youngest of The Loud Family, Loving Sister of Her Many Siblings and Loving Twin Sister of Lana Loud, Loving Youngest Daughter of Rita and Lynn Sr., Loving Girlfriend of Winston, Sassy Fiery Pageant Queen of Gotham Royal York, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Descendant of 17th Century Lola of Loch Loud in Scotland, Archenemy of Garfield Lynns Also Known as Firefly, Destroyer of Morag McLaughlin and Ice Sword: Yukianesa, Founder of Team Loud Phoenix Storm, Emissary and Champion of Gabja, Defender of The Loud House and The Loud Family, and Master of Flames and Phoenixes"

Lola's transformed into SUPER ANGEL-PHOENIX-DRAGON CELESTIAL ETERNAL XELNAGA PAGEANT QUEEN INFERNO STORM DRACONIC PHOENIX ANGEL OF DIVINE FIERY DRACONIC PHOENIX JUSTICE AND DIVINE DRACONIC PHOENIX FIRESTORM INFERNO LOVE!

We were amazed by Lola's Super Angel-Phoenix-Dragon-Harmony Celestial Eternal Xelnaga transformation, but when Dark Nazz saw it, she went mad and tried to kill her, but Lola fired a powerful rainbow energy blast with rainbow flames, orange flames, dragons, and phoenixes, and it hits Dark Nazz and sent her flying out of the mall and into a nearby tree and we followed, she got back up, but now, she was pissed off now.

Lola: (Divine Echoing Cosmic Voice of The Draconic Phoenix Firestorm Pageant Angel and Divine Draconic Phoenix Firestorm Love) I hope you like getting ripped to shreds, you clod!

Lola went after Dark Nazz, and she fired powerful blasts of rainbow energy, rainbow flames, orange flames, dragons, and phoenixes at her, and they exploded as they hit her, and she attacked her with her massive new greatsword and left nasty scars on her. Then, she also mangled Dark Nazz up badly and she also fired a blast of fire at Dark Nazz's head and she burned her hair off.

Nico: Now she's bald!

SpongeBob: (SCREAMS) BALD BALD BALD BALD!

Fish: BALD BALD BALD BLAD!

Fred: MY EYES!

Their eyes burned from the intense brightness of her scalp!

Me: SHOWTIME!

Lily: Boy I haven't seen anyone freak out over baldness like that since the time Plankton stole King Neptune's crown and he was bald as a cucumber.

Qin: Whoa.

Maria: Let's end this now before more eyes get burned!

Lola REALLY Mangled her up!

Lincoln: Whoa, Lola's really mangling Dark Nazz up!

Nico: YEAH! GET HER!

Lincoln charged at Dark Nazz, and he really laid a brutal beatdown on that little monster. Then, he picked her up by the collar of her shirt, and he threw her hard where she crashed back-first into a wall and was really dazed. Then, Lola and Lincoln fired powerful rainbow energy blasts with the Judgement Kanji, and they hit Dark Nazz and she was sent to The Black Gates. We cheered as Lola holstered her massive brand-new greatsword on her back and powered down, and Lola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Suddenly, Lola ran up to her brother, and she hugged him, and Lincoln held onto his sister.

Lincoln: (Soothing Voice) Shh, shh, it's okay, Lola, it's okay.

Winston: Is Lola…?

Girl Jordan: She's going to be okay.

Me: Yeah.

?: You always have to ruin my fun, don't you?!

We then saw Mr. Mxyztlplk appear.

Me: There's our resident 5th Dimensional Mischief Making imp.

Nico: Mr. Mxyztlplk himself.

Qin: So he is Mr. Mxyztlplk.

Me: Yep. Don't let his size deceive you. He is really crazy and funny.

Cosmo: Just like the April Fool. He is the funniest guy in the universe.

Anna Anyanova: It's over, Mr. Mxyztlplk, we've gotten rid of the dark versions of Sarah, Rolf, Nazz, Kevin, Jonny 2x4, and Nazz, and your holiday mischief is done!

Sabrina Lorelai: And so are you!

Just then, the rest of Lincoln's Guardian Angels appeared, and they were extremely pissed off big time.

Me: Now time for Lincoln's guardian angels to give him a taste of his own medicine.

Eman Reynolds: And don't think we forgot what you did to Linky with that Telephone of Doom and that stupid boomerang prank, you twisted little imp!

Mr. Mxyztlplk: Oh, come on, can't you take a joke?!

Anna Anyanova: WHY, YOU LITTLE IMP!

Anna Anyanova pulled a Homer Simpson and began choking him!

Anna Anyanova: I'LL TEACH YOU TO PULL PRANKS AND MAKE OUR MAN SUFFER! (GRUNTING)

Lily: Yikes, looks like none of Lincoln's Guardian Angels have forgotten what that imp did to him.

We laughed at that.

Homer: (LAUGHS) Better him than me.

Then, Winter Icyin coldly approached the imp.

Winter Icyin: (British Accent) I'm only going to say this once: if you ever ever try any sort of prank aimed at making Lincoln suffer, I will freeze your soul solid and send you straight to the coldest depths of the Ninth Circle of Hell, from where the demons will feast on your flesh!

WE GASPED!

That made Mr. Mxyztlplik freak out with cartoon wild takes, and we had literal chills running down our spines: we had no idea of how dark and icy Winter Icyin can truly get when Lincoln's safety and life are threatened.

Mr. Mxyztlplk: Yikes!

Lincoln: Winter, it's okay, it's okay.

Me: GULP!

Nico: I think that's enough.

Winter Icyin: (Clears throat) Sorry.

But then a force was lifting up Camie!

Camie: What the!? Get me down from here!?

Me: What the!?

Eli: Camie you're not doing this are you?

Camie: No I'm not even doing anything.

I flew and grabbed her hand and then the force stopped and then…

Me: Uh oh.

We fell and CRASHED RIGHT ON TOP OF NICO!

CRASH!

Nico: Ow!

Me: Sorry Nico.

Qin: Boy what was that?

Me: Some kind of gravity flux.

Qin: Weird.

Camie: Ouch. Good thing Nico broke our falls.

Nico: Guys as much as I love having you guys make love on me but GET OFF OF ME!

Me: Oops sorry.

We got up.

Nico: Who's the wiseass?!

Then a figure came out and it was a black version of a Galilean! It was ANOTHER GRAVATTACK!

Me: Whoa Another Gravattack!

Eli: No wonder.

Qin: Geez that was intense power from that.

Me: No kidding.

Natalia Falchion: Yeah.

May: And you are?

Another Gravattack: (In a girls voice) I believe J.D. knows me based on the fun polynomials study of the neutrons mass.

My head then was sparking and I had smoke coming out of my ears and I had red crash screens on my eyes and I was drooling.

Eli: Uh oh.

Eli kicked me on my butt.

Me: (BLUBBERS) Wow! I knew it had to be you. But it's awesome to see you again Celine. Everyone meet Celine Keplar. She is the descendant of the great Johannes Kepler and is a physics student that is specializing in gravity.

Camie: That is cool!

Xenia: It sure is.

Another Gravattack: Yeah it sure is. Sorry I dropped in like this.

Me: No worries.

Nicole: Also your ancestor was one of the greatest astrophysicists of all and he was known for discovering that Earth and the planets all orbit around the sun.

Another Gravattack: That's right.

Albedo turned into Negative Gravattack.

Negative Gravattack: Did Swartz promise you anything?

Another Gravattack: Just to be as great as my ancestor and like many great astrophysicists.

Nico: That can easily be done.

Lisa Loud: Indeed and I can gladly help you with that.

Xenia: Yeah.

Me: Sorry we have to fight like this.

Nico: (gets out Avalanche's Ridewatch) Let's Rock N Roll!

He activated it and fired Rock blasts and smashed her down.

Lola: Take this!

She fired waves of fire and smashed her down.

Nico: YEAH!

Me: I got this.

I fired a wave of energy and smashed down Another Gravattack and she was back to normal and I caught the ridewatch and purified it. I went over to Celine and she was a girl with braided brown hair and she had a green shirt and red pants and a white lab coat.

I picked her up and brought her over.

Maria: One down.

Me: Yeah.

But then laughter was heard and it was coming from nowhere? What the?

Laney: Okay who is laughing?

Me: Sounds like it's coming from everywhere.

Nico: Where is she?

But then….

AN INVISIBLE FORCE PULLED DOWN NICO'S PANTS!

Nico: What the!?

He saw that he was in his underwear!

Nico: HEY!

Me: DON'T YOU DARE laugh at him!

Nico: (pulls up his pants) What is today? Make Fun of Nico Day?

Me: No. But we have some very mischievous ones.

Nico: BUT WHO IS THE WISEASS!?

Then a figure came out and it was ANOTHER CHAMELEON UNDEAD ZODIARTS! It looked like a mixture of the Chameleon Warrior, Chameleon Nezire, Chameleon Undead and Chameliacon!

Me: Whoa Another Chameleon Undead Zodiarts!

Qin: I didn't even see this one!

Xenia: Yeah!

Camie: Boy that was a sneaky one.

Maria: Who are you?

Then she reverted back and it was a sailor soldier with green hair and purple clothes.

Me: (GASP) Camille Chameleous A.K.A. Sailor Corellia!

Nico: Corellia's Sailor Soldier! Wow!

Lola: Awesome!

Sailor Corellia: It's good to see you again J.D.

Me: You too. Always as mischievous as ever. Also that was REALLY sneaky and clever.

Luan: Boy you sure beat the Pants off Nico. (LAUGHS) Get it?

We laughed at her joke.

Me: (LAUGHS) That was a good one.

Eddy: (LAUGHS) Good one!

Sailor Corellia: Thanks guys.

Nico: You know her?

Me: I sure do. Camille was born on Corellia and she is also the Sailor Soldier for it. She was beamed here to Earth for protection and she is also one of the funniest girls I know and she literally has this power to beat the pants off of anyone. All she has to do is rip their belts off.

Edward: That's like how I did it in Camp Kidney.

Me: Yep. Also she is great with other pranks too.

Qin: That is crazy funny.

Sailor Corellia: I agree too. Sorry about that Nico.

Nico: That was funny though.

Qin: Yeah.

Me: But who gets to face her?

Davis: I will. My mark for Chameleon is glowing.

Me: Go for it Davis. But also is there anymore opponents with you?

Sailor Corellia: Yeah there sure are. Another version of Kamen Rider Falchion and Another version of her.

She pointed to Ranamon.

Ranamon: Another version of me!? That will be interesting to see.

Olivia Houou: And Another Falchion!?

Me: That is unusual! But in Swartz's notes I did read that he had made Another Riders for all the other riders. Not just the Secondary Riders but also the ALL the riders.

May: Hostile or friendly?

Sailor Corellia: Both are friendly.

Me: Good.

Nico: Pull my pants down will you!?

Davis: I got this!

Sailor Corellia: Lets dance.

She went Another Undead Zodiarts and Davis fired waves of lightning and it hit her and she exploded! She was back to normal and I caught the rouse card and the zodiarts switch and purified them. The Rouse Card had pictures of the stars and symbol of Chamaeleon the Chameleon in the Southern Hemisphere and a Chameleon on it.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those marked with Chamaeleon the Chameleon.

Nico: Awesome.

I went and picked Sailor Corellia up.

I brought her over.

May: Two to go.

Me: Yep.

Then a massive vortex of fire exploded out from the floor!

Qin: WHOA!

Me: That is hot!

Out came a figure and it was a scary version of Kamen Rider Falchion! It was ANOTHER FALCHION!

We gasped!

Olivia Houou: WHOA Another Falchion!

Me: Wow! This is the scariest version of Falchion I've ever seen!

May: Boy no kidding!

Nico: Yeah.

Eli: But that sword it has is really scary!

Natalia Falchion: (GROWLS IN RAGE) Swartz REALLY Pisses me off!

Me: He pissed EVERYONE off. MOSTLY Me!

Nico: What about the Another Ranamon?

Another Falchion: (In a girls voice) That's next after me.

Me: (GASP) That voice!

She reverted back and it was a girl that had black hair, an orange summer shirt and an orange skirt and no shoes and she had wings made entirely out of pure fire and she had a dark scary version of the Falchion Sword.

Me: (GASP) Alani Kilauea!

Nico: Whoa!

Alani Kilauea: Good to see you again J.D.

Me: Same to you.

Nico: You know her?

Me: Alani is one of my friends from Hawaii. She is a hula dancer that I met in a luau and she knows how to really dance beautifully. She also has amazing fire powers and she is said to have been given the power of the volcanoes themselves. It's how she got the designation called Mōʻī o ke akua lua pele 'o Pele.

Kanaloa: (Hawaiian Accent) That means the Monarch of The Volcano Goddess, Pele.

Nico: Whoa that is amazing.

Alani Kilauea: That sure is.

Sam S.L.: It sure is and I was chosen by Pele as her champion.

Luna: It's true dudes.

Maria: Did Swartz promise you anything?

Alani Kilauea: Just to live in my own Hawaiian Paradise away from home.

Me: We can easily do that. At the estate we can do that.

Alani Kilauea: That is true. And I would like that.

Me: Cool.

Natalia Falchion: Sorry we have to fight you like this though.

Me: Boy I can't remember when we fought the last Another Rider.

Nico: Me neither.

Alani Kilauea: Come at me guys.

Me: (Pulls out Eternal Phoenix Wonder Ride Book) With pleasure.

She turned into Another Falchion!

Maria fired water blasts at her.

She drenched her

Me: (Reads a verse) "With a fiery flap of its eternal immortal flame wings, the Immortal Phoenix fired waves of fire that rained down fireballs of intense flames and they hit the evil foe all over with an incredible blazing shower of renewing flames."

Natalia Falchion rained down fireballs and blasted down Another Falchion and she exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the ridewatch and it was an orange Falchion Ridewatch with fire wings on the sides. I purified it.

I went over to Alani and she still had her sword and I purified it and I picked her up and the sword too.

Alani Kilauea: (GROAN) What a headache.

Me: But you're back to normal.

I brought her over.

Me: One left.

Nico: Yep.

Nico: I hope the Another Ranamon is next.

But then…

KRASPLASH!

Nico got drenched in a huge wave of water and knocked down and then out of the water came a dark version of Ranamon! It was ANOTHER RANAMON!

Qin: WHOA! That is a splashing entrance!

Nico: (SPITS) Okay you wiseass! YOU ASKED FOR THIS!

Maria: And you are?

Another Ranamon: (In a girls voice) Sorry about that y'all. I wanted to make that funny.

Me: I had a feeling it was you Sally Mae Hutchinson.

Another Ranamon: Well it's great to see y'all again J.D.

Ranamon: Boy she sounds so much like me.

Me: Well she is a girl I know from Alabama.

Nico: How do you know her?

Me: Sally Mae is from the Louisiana Bayou and she comes from a swamp clan family, the Hutchinson Clan. She and her family have been going at a massively dangerous and brutal Hatfields & McCoys caliber feud with the Scroggins family for defending the Beauregard family.

Shaggy: Like wow! They are defending my family? That is amazing.

Another Ranamon: It sure is Shaggy and it's great that I get to defend y'all.

Me: I'll say.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~!

GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Ranamon: Just for my family to stop fighting with the Scroggins.

Me: That's easier said than done. Ever since the American Civil War ended both the Beauregard and Scroggins Families have been out for blood ever since in a brutal and terrible feud. Its been going on for over 150 years.

Nico: Yeah.

Qin: There's no stopping it.

Xenia: Yeah.

Another Ranamon: It's never easy with them.

Me: No it isn't. And my ancestral uncle was good friends with Colonel Beauregard back in those times. Sorry we have to fight like this.

Another Ranamon: Come at me and don't hold back y'all.

Me: With pleasure.

Stacy Bolton: Time to strike with lightning!

THUNDERCLAP!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Kari Kamiya: I will start us off. (ACTIVATES ARBORMON'S RIDEWATCH)

(DREAMS TO DREAM BY SARAH LASKO PLAYS)

Kari Kamiya: (SINGING DIVINELY AS LEAVES AND FRUIT SWIRLED AROUND HER)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me that always come true

Inside you and me that always come true

She floated and spread wings of leaves and light and she fired waves of fruit and energy and smashed her down.

Me: Nice one Kari!

Qin: That was beautiful!

Nico (gets out Ranamon's Ridewatch): Time for a water fight!

Stacy Bolton: Lets make this a Triple Date! (Gets out Ranamon's Ridewatch)

Ranamon: (Activates Another Faiz's Ridewatch) This is gonna be fun y'all.

They activated their ridewatches and Nico, Stacy and Ranamon fired waves of water and lightning.

Nico. Stacy and Ranamon: LIGHTNING SEASTORM BURST!

They fired a massive wave of lightning and water and smashed her down!

Lola: YEAH!

Nico: That's for getting me all wet!

Stacy Bolton: But that was radical!

Me: Time for some scary power!

T.K.: I got just the song for it. Ready Kari?

Kair: Ready T.K.!

T.K.: (ACTIVATES SUNROID SOLAR'S RIDEWATCH)

Kari: (ACTIVATES ARBORMON'S RIDEWATCH)

(THE PHANTOM OF THE OPERA PLAYS)

Christine (Sarah)

In sleep he sang to me

In dreams he came

That voice which calls to me

And speaks my name

And do I dream again

For now I find

The phantom of the opera is there

Inside my mind

The phantom (Michael)

Sing once again with me

Our strange duet

My power over you

Grows stronger yet

And though you turn from me

To glance behind

The phantom of the opera is there

Inside your mind

Christine

Those who have seen your face

Draw back in fear

I am the mask you wear

The phantom

It's me they hear

Christine (in duet with the phantom)

Your spirit and my voice in one combined

The phantom (in duet with Christine)

My spirit and your voice in one combined

Both

The phantom of the opera is there

Christine (in duet)

Inside my mind

The phantom (in duet)

Inside your mind

Choir (very, very soft)

He's there,

The phantom of the opera

Beware,

The phantom of the opera

The phantom

In all your fantasies

You always knew

That man and mystery

Christine

Were both in you

Both

And in this labyrinth

Were night is blind

The phantom of the opera is

Christine (in duet)

Here

The phantom (in duet)

There

Christine

Inside my mind

The phantom

Sing! My angel of music

Christine

He's there

The phantom of the opera

Christine starts wailing

The phantom

Sing…

Christine continues wailing,

and keeps on wailing after every

sentence the Phantom sings

The phantom

Sing for me…

Sing, my angel of music!

Sing for me!

They danced and fired waves of light and darkness and when that scream at the end was heard I got shivers down my spine from it as she was knocked down.

Everyone cheered for both T.K. And Kari!

Qin: That was great guys!

Eli: YEAH!

Nico: (gets out Mz Ruby's Ridewatch) Now for this!

He activated it.

(IT'S MY LIFE BY BON JOVI PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS AND VOODOO SYMBOLS SWIRLED AROUND HIM)

This ain't a song for the broken-hearted

No silent prayer for faith-departed

And I ain't gonna be just a face in the crowd

You're gonna hear my voice when I shout it out loud

It's my life

It's now or never

But I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

It's my life

Yeah, this is for the ones who stood their ground

For Tommy and Gina, who never backed down

Tomorrow's getting harder, make no mistake

Luck ain't even lucky, got to make your own breaks

It's my life

And it's now or never

I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

'Cause it's my life

Better stand tall when they're calling you out

Don't bend, don't break, baby, don't back down

It's my life

And it's now or never

'Cause I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

And it's now or never

I ain't gonna live forever

I just want to live while I'm alive

(It's my life)

My heart is like an open highway

Like Frankie said, "I did it my way"

I just want to live while I'm alive

'Cause it's my life

He danced and fired waves of darkness and smashed her all over the place!

Nico: YEAH!

Qin: LOVE Bon Jovi!

Joe Kido: Here's one for us. (Activates Liquidroid Wateru's ridewatch)

(QUESTION OF LUST BY DEPECHE MODE PLAYS)

Joe Kido: (SINGING DIVINELY AS WATER SWIRLED AROUND HIM)

Fragile, like a baby in your arms

Be gentle with me, I'd never willingly do you harm

Apologies are all you seem to get from me

But just like a child, you make me smile when you care for me

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Independence is still important for us though

(We realise)

It's easy to make the stupid mistake of letting go

(Do you know what I mean?)

My weaknesses, you know each and every one

(It frightens me)

But I need to drink more than you seem to think before I'm anyone's

And you know

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

Kiss me goodbye when I'm on my own

But you know that I'd rather be home

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

That keep us together

It's a question of lust, it's a question of trust

It's a question of not letting what we've built up crumble to dust

It is all of these things and more

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Mimi Tachikawa: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRLED AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She danced and fired waves of leaves, grass and flowers and smashed her down.

(IT'S THE END OF THE WORLD AS WE KNOW IT BY R.E.M. PLAYS)

Izzy: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HIM)

That's great, it starts with an earthquake

Birds and snakes, and aeroplanes

And Lenny Bruce is not afraid

… Eye of a hurricane, listen to yourself churn

World serves its own needs

Don't mis-serve your own needs

Speed it up a notch, speed, grunt, no, strength

The ladder starts to clatter

With a fear of height, down, height

Wire in a fire, represent the seven games

And a government for hire and a combat site

Left her, wasn't coming in a hurry

With the Furies breathing down your neck

… Team by team, reporters baffled, trumped, tethered, cropped

Look at that low plane, fine, then

Uh oh, overflow, population, common group

But it'll do, save yourself, serve yourself

World serves its own needs, listen to your heart bleed

Tell me with the Rapture and the reverent in the right, right

You vitriolic, patriotic, slam fight, bright light

Feeling pretty psyched

… It's the end of the world as we know it

It's the end of the world as we know it

It's the end of the world as we know it and I feel fine

… Six o'clock, T.V. hour, don't get caught in foreign tower

Slash and burn, return, listen to yourself churn

Lock him in uniform, book burning, bloodletting

Every motive escalate, automotive incinerate

Light a candle, light a motive, step down, step down

Watch your heel crush, crush, uh oh

This means no fear, cavalier, renegade and steering clear

A tournament, a tournament, a tournament of lies

Offer me solutions, offer me alternatives and I decline

… It's the end of the world as we know it (I had some time alone)

It's the end of the world as we know it (I had some time alone)

It's the end of the world as we know it and I feel fine (time I had
some time alone)

I feel fine (I feel fine)

It's the end of the world as we know it (time I had some time alone)

It's the end of the world as we know it and I feel fine (time I had some time alone)

… The other night I drifted nice continental drift divide

Mountains sit in a line, Leonard Bernstein

Leonid Brezhnev, Lenny Bruce and Lester Bangs

Birthday party, cheesecake, jellybean, boom

You symbiotic, patriotic, slam but neck, right, right

… It's the end of the world as we know it (time I had some time alone)

It's the end of the world as we know it (time I had some time alone)

It's the end of the world as we know it and I feel fine (time I had some time alone)

Nico: That was great Izzy!

May: (gets out Sharkyonara's Ridewatch) Shark Attack!

She activated it.

May: Kisame would love this one. WATER STYLE: SUPER SHARK BOMB!

She fired a massive blast of water and it formed into a huge shark and then it hit Another Ranamon and exploded with incredible power!

EXTREMELY MASSIVE EXPLOSION OF WATER!

Nico: WHOA!

Qin: That was awesome!

Me: Using a ridewatch with a technique is a great combo!

Sora Takenouchi: It sure was! Time for the fire! (ACTIVATES EVIL FIRE MAN'S RIDEWATCH)

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Sora Takenouchi: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

She fired waves of fire and smashed her down.

Nico: OH YEAH!

Eli: I'll say! Watch this guys. I would unleash the fire of Armageddon on Frollo like this. (ACTIVATES MEGIDRAMON'S RIDEWATCH)

(HELLFIRE BY TONY JAY PLAYS)

Eli: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM ALONG WITH HELLFIRE GIRLS DANCING)

Beata Maria, you know I am a righteous man

Of my virtue I am justly proud (Et tibi, Pater)

Beata Maria, you know I'm so much purer than

The common, vulgar, weak, licentious crowd (Quia peccāvī nimis)

Then tell me, Maria, why I see her dancing there

Why her smoldering eyes still scorch my soul (Cōgitātiōne)

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control (Verbō et opere)

Like fire, hellfire

This fire in my skin

This burning desire

Is turning me to sin

It's not my fault (Mea culpa)

I'm not to blame (Mea culpa)

It is the gypsy girl

The witch who sent this flame (Mea maxima culpa)

It's not my fault (Mea culpa)

If in God's plan (Mea culpa)

He made the devil so much

Stronger than a man (Mea maxima culpa)

Protect me, Maria

Don't let this siren cast her spell

Don't let her fire sear my flesh and bone

Destroy Esmeralda

And let her taste the fires of hell

Or else let her be mine and mine alone

Hellfire, dark fire

Now gypsy, it's your turn

Choose me or your pyre

Be mine or you will burn

God, have mercy on her

(Κύριε, ἐλέησον) God, have mercy on me

(Κύριε, ἐλέησον) But she will be mine

Or she will BUUUUURRRRRNN!

He fired a massive blast of fire and smashed down Another Ranamon.

Qin: YEAH!

Me: WHOA! That was awesome bro!

Maria: (gets out Steam Demon's Ridewatch) Running out of steam?

She activated it and her hands glowed red hot and she teleported and Another Ranamon jumped out of the way as Maria slapped the ground on her and left a really nasty scorch mark on the floor!

They're far, they're near, they're gone, they're here

They're quick and slick, they're insincere

Beware, Beware, Be a very wary bear

A Heffalump or Woozle, is very confusel

A Heffalump or Woosel's very sly

- sly - sly - sly

They come in ones and twoosels

But if they so choosels

Before your eyes you'll see them multiply

They're extra-ordinary, so better be wary

Because they come in every shape and size

If honey's what you covet, you'll find that, they love it

Because they'll guzzle up the thing you prize

They're green they're blue they're pink they're white

They're round they're square they're a terrible sight

Nico: YIKES!

Qin: That was a great one!

Me: Boy glad Pooh didn't hear that one.

Maria: (gets out Rip Van Fish's Ridewatch) And now, for this!

She activated it and fell asleep!?

Me: Hey hey hey! Sleep time is over, Action time is now!

I pulled out a bugle.

Me: (PLAYS REVILLE!)

She woke up and blasted Another Ranamon all over and blasted her down.

Nico: YEAH!

Me: Thank goodness Chris Griffin isn't here to hear that or who knows what he would do.

Nico: Yep.

Tai Kamiya: Time for this. (ACTIVATES JAMES NIXON MCGARFIELD'S RIDEWATCH)

(STRANGELOVE BY DEPECHE MODE PLAYS)

Tai Kamiya: (SINGING DIVINELY AS FIRE SWIRLED AROUND HIM)

Strangelove

Strange highs and strange lows

Strangelove

That's how my love goes

Strangelove

Will you give it to me?

There'll be times

When my crimes

Will seem almost unforgivable

I give in to sin

Because you have to make this life livable

But when you think I've had enough

From your sea of love

I'll take more than another river full

Yes, and I'll make it all worthwhile

I'll make your heart smile

Strangelove

Strange highs and strange lows

Strangelove

That's how my love goes

Strangelove

Will you give it to me?

Will you take the pain

I will give to you?

Again and again

And will you return it?

There'll be days

When I'll stray

I may appear to be

Constantly out of reach

I give in to sin

Because I like to practice what I preach

I'm not trying to say

I'll have it all my way

I'm always willing to learn

When you've got something to teach

And I'll make it all worthwhile

I'll make your heart smile

Pain, will you return it?

I'll say it again, pain

Pain, will you return it?

I'll say it again, pain

Pain, will you return it?

I'll say it again, pain

Pain, will you return it?

I won't say it again

Strangelove

Strange highs and strange lows

Strangelove

That's how my love goes

Strangelove

Will you give it to me?

Strangelove

Strange highs and strange lows

Strangelove

That's how my love goes

Strangelove

Will you give it to me?

Strangelove

Strange highs and strange lows

Strangelove

That's how my love goes

Strangelove

Will you give it to me?

He danced and fired waves of fire and smashed her down!

Qin: OH YEAH!

Me: Love that one!

Evilseed and his team came. They were Evil Seed, Evil Mushroom Man, Monster Dandelion, Cataslisma, Plant Undead and Savage Noble.

Me: Cool!

Nico: Nice team, Evil Seed!

Evilseed: Thanks. It's gonna be awesome.

Aria Blaze: You ready girls?

Adagio Dazzle: Always ready.

Sonata Dusk: Yeah lets do it!

Another Ranamon: Watch this one y'all.

She summoned an ARMY of water nobodies!

Irma: WHOA! Demyx's nobodies!

Me: Impressive.

Adagio, Aria and Sonata activated their ridewatches for Sir Raleigh, Muggshot and Mz. Ruby and they sang their song and unleashed their spell on the nobodies as lightning and thunder struck and they killed each other all over and we absorbed their negative energy and it made us all more powerful!

Qin: WHOA! That was awesome!

Xenia: Wow!

Me: Never underestimate the song of the Sirens. Or else hatred will overpower you.

Nico: Let's we what happens when I use both Raven Branwen and Jet's Ridewatches together!

Me: Go for it.

He activated them both and got 2 swords for Raven Branwen and Jet.

Nico: Cool! I hope Universe 666's Scar will love this.

(BE PREPARED PLAYS)

Nico: (SINGING DIVINELY AS DARKNESS AND FIRE SWIRLED AROUND HIM)

I never thought hyenas essential

They're crude and unspeakably plain

But maybe they've a glimmer of potential

If allied to my vision and brain

I know that your powers of retention

Are as wet as a warthog's backside

But thick as you are, pay attention

My words are a matter of pride

It's clear from your vacant expressions

The lights are not all on upstairs

But we're talking kings and successions

Even you can't be caught unawares

So prepare for a chance of a lifetime

Be prepared for sensational news

A shining new era

Is tiptoeing nearer

And where do we feature?

Just listen to teacher

I know it sounds sordid

But you'll be rewarded

When at last I am given my dues

And injustice deliciously squared

Be prepared!

It's great that we'll soon be connected

With a king who'll be all-time adored

Of course, quid pro quo, you're expected

To take certain duties on board

The future is littered with prizes

And though I'm the main addressee

The point that I must emphasize is

You won't get a sniff without me!

So prepare for the coup of the century

Be prepared for the murkiest scam

Meticulous planning

Tenacity spanning

Decades of denial

Is simply why I'll

Be king undisputed

Respected, saluted

And seen for the wonder I am

Yes, my teeth and ambitions are bared

Be prepared!

Yes, our teeth and ambitions are bared

Be prepared!

(EVIL LAUGHTER)

He fired waves of energy and darkness and smashed her down!

Qin: AWESOME!

Me: Boy that was a great song!

Eli: Yeah!

Aria: My turn! (ACTIVATES MZ. RUBY'S RIDEWATCH) Time for the Voodoo Punch!

She danced and fired waves of Voodoo Symbols and smashed her all over the place.

Mz. Ruby: OH YEAH!

Qin: Can you see the future because it's defeat!

Maria: I think the next Gene Slammer is overdue for appearing

Me: Nonetheless we are having an awesome party.

Twilight Sparkle: You all sure are.

?: I'll say!

We then saw a Slowbro!

Me: Hey a Slowbro!

Xenia: Cool!

Slowbro: (In a girls voice) I think this party is amazing.

Qin: Emiko Vallentina! Wow!

Nico: Wow! This is a surprise!

Slowbro: It's great to see you again Nico and you too Qin.

Qin: Boy it's great having you here too.

Slowbro: Yep. I got this.

She fired a blast of energy from her mouth and it hit Another

Ranamon and smashed her down.

I caught the ridewatch and purified it and went over to Sally Mae and she was a girl with braided blue hair in pigtails and she had hillbilly midriff shirt and torn shorts and the shirt revealed her ample chest.

I picked her up.

Me: Boy that was awesome.

She was all wet.

We saw the spirits of water.

Me: The Spirits of Water.

Zuria: I'll get those.

She then got her own Digivice and got the spirits.

Nico: Cool!

I picked up Sally.

Me: Boy what a mess.

Maria sucked up all the water like a sponge.

Sally Mae Hutchinson: (Groans) What a nasty headache.

Me: But you're back to normal.

I brought her over.

Me: Boy this was awesome though.

Aria: What's your favorite memory of Nico?

Slowbro: I have a lot of them but my favorite is when me and Nico busted numerous pearl poachers over in Okinawa.

Me: The great Pearl Poaching Ring Raid. That was awesome!

Qin: It sure was. That was a big multibillion dollar pearl poaching ring where poachers were stealing billions of dollars in pearls from rare clams.

Nico: Yep.

Me: Lets get you back to normal.

Nicole: And NO PEEKING or I will kill you!

I put on my blind man glasses and everyone covered their eyes and I snapped my fingers and Emiko reverted back.

Emiko winced as her tail went back into her butt.

She was back to normal and naked and the fashion brigade moved in and gave her an awesome pink kimono.

Emiko got up.

Emiko Vallentina: Wow I look great in this.

Rarity: Oh you sure do darling.

Nico and Qin hugged her.

Nico: We missed you.

Qin: Same here.

Emiko Vallentina: Same here guys.

We later went back home.

But, we also got bad news: The Platypus Brothers have broken out of prison, and they still want revenge on us. But, we're going to defeat them again, and they'll also be added in as humiliation fodder.

Lincoln: Wow, we're here in The Sensei Earth Realm, and I know what we're going to do here, not only am I going to rescue the four girls here, but Applejack is going to get a powerful treasure here: a powerful greatsword known as The Earthquake Apple Honesty Alicorn Greatsword of The Earth Skylanders.

Nico: You got that right, but, we also got bad news: Edward's brothers have broken out of prison, and they still want revenge on us. But, we're going to defeat them again, and they'll also be added in as humiliation fodder.

Me: I always knew it was a matter of time before those three dirtbags would break out to come after us. Well, now we got some fresh meat for the humiliations.

Max Goof: First, Brad, and now, Edward's rotten older brothers, this is too good to be true!

Lincoln: Well, it is, Max, and I want to thank you, Optimus Primal, Rhinox, Cheetor, and Rattrap for joining us, Sage.

Sage: You're welcome, Lincoln.

Fujiko Mine: Oh, we're going to make those jerks pay, and make them cry like little babies.

Suddenly, Lincoln saw the timer on his right large gold cuff Bracelet of The Champion of the Universe, and we saw that the Dog Nazca Line and Earthbound Immortal Ccoshobar were now glowing.

Lincoln: And another day down means that Audrey's life is already growing shorter.

Just then, the Earth Skylanders arrived.

Golden Queen: Applejack, you don't mind if we also join in?

Applejack: Not at all, my Queen.

We then arrived at a brown-colored shrine with the symbol of The Earth Skylanders on it, and then, the Earth symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Earthquake Apple Honesty Alicorn Greatsword of The Earth Skylanders, a powerful massive greatsword with brown gems representing the Earth Skylanders embedded in the 7'0" massive, wide, double-edged brown blade, large alicorn heads for the crossguard, large brown gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large brown gem on the bottom of the alicorn heads for the pommel.

Applejack: Woowee, so that's The Earthquake Apple Honesty Alicorn Greatsword of The Earth Skylanders, it truly is perfect for me, since I'm The Princess of Honesty and The Earth Skylanders.

Suddenly, we saw Demise, Supreme King of Armageddon and Ruin, Supreme Queen of Oblivion appear before us, and with them are the four girls.

Fujiko Mine: Whoa, that's Demise, Supreme King of Armageddon and Ruin, Supreme Queen of Oblivion.

Demise, Supreme King of Armageddon: (Girl's voice) That's right.

Ruin, Supreme Queen of Oblivion: (Girl's voice) And we got the girls away from those jerks, Cheesly, Alpine, Fancy Pants, and Phillip.

Lincoln: (Gasps) Those voices, Alana Crushsmasher and Relena Crushsmasher, I knew it was you two, it's so awesome to see you girls again, but we'll talk later, we've still got Cheesly, Alpine, Fancy Pants, and Phillip to deal with.

?: You jerks are going to pay for ruining our attempted revenge on Edward!

Lincoln: Yep, I knew there's no mistaking that voice from anywhere, you and your nimrod brothers get your behinds out here right now, Cheesly!

We then saw our targets, Cheesly, Alpine, Fancy Pants, and Phillip, and man, they were really mad.

Applejack: I always knew you rotten monsters would show up again,

Lincoln: Now, it's time to hogtie you four and run you out of town on a rail!

Applejack went up and grabbed The Earthquake Apple Honesty Alicorn Greatsword of The Earth Skylanders. Suddenly, Applejack's eyes turned neon green, and she was surrounded by an orange energy aura with Earth, Alicorns, and Apples, she unholstered her massive Applejack's Alicorn Greatsword of Honest Apple Bravery, and as she approached Edward's former older brothers, she left orange energy, Earth, Alicorns, and Apples with every step.

Applejack: You four ornery monsters make me sick to my stomach, as if what you've done to Edward wasn't bad enough, but what you four have also done in terrorizing the camp through intimidation, brute force, and bullying, that ain't going to fly with me, and for that, you four must pay the price for your brutal behavior!

Suddenly, Applejack was surrounded by a massive vortex of orange energy with Earth, rocks, and apples surrounding it, there are Earth ponies and an Alicorn flying around the vortex, and inside the vortex is an apple green phoenix. Then, as the vortex faded, Applejack emerged, but she was changed forever.

(CRAVING YOU BY THOMAS RHETT PLAYS)

Applejack grew from 6'11" to 7'4" in height, she has the body of a goddess, she has apple red and green highlights in the bangs of her long braided blonde hair and her cowboy hat with green apple hat buckle on it, she has neon green eyes and an orange energy aura with Alicorns, Earth, and Apples surrounding her, she has an Alicorn with the Earth Kanji and an Apple on its horn emblazoned on her forehead, she has on Alicorn earrings with green gems for eyes and holding the Earth, Honesty, and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with green gems for eyes and the Earth, Honesty, and Eternity Kanjis in its horn for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with spring green crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Applejack's dressed in a sleeveless green blouse with apples on it and a red phoenix, brown gloves with green gems on the back, green pants, brown cowboy boots with green apple gems on the side, and a long orange sleeveless trenchcoat with Earth and Apples on the coattails, and on the back is an Alicorn surrounded by Earth and Apples and right on top of its horn is the symbol of The Earth Skylanders. Suddenly, Applejack felt a sharp pain on her back, and then, her massive orange angel wings with yellow tips on the feathers grew much bigger for her new body. Applejack has on her Ring of the Phoenix with large orange gem on her left ring finger and Green Lantern ring on her right ring finger and Stone of Gelel embedded in her left hand and her blonde tail grew longer.

Suddenly, Applejack's massive Applejack's Alicorn Greatsword of Honest Apple Bravery and The Earthquake Apple Honesty Alicorn

Greatsword of The Earth Skylanders and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, Earth, and apples, and when it emerged, it was transformed into Applejack's Earthquake Skylander Apple Alicorn Greatsword of Earthquake Honest Apple Bravery, it's a brand-new greatsword with embedded red and green gems and her cutie mark and apples etched on the 7'0" massive, wide, double-edged golden blade, large gold Alicorn heads for the crossguard, large red and green gem embedded in the rainguard, longer black handle, large gold Alicorn heads with orange gems for eyes and a large green gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with green gems on her wrists, her new Belt of Elemental Bravery with an Alicorn for the belt buckle and green gems for the eyes and a large green gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Applejack has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA EARTHQUAKE APPLE ORCHARD FARMER SKYLANDER PRINCESS HONESTY ALICORN ANGEL OF DIVINE APPLE ORCHARD EARTH ALICORN KINDNESS AND DIVINE ALICORN APPLE ORCHARD EARTH SKYLANDER LOVE!

We were amazed by Applejack's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Cheesly, Alpine, Fancy Pants, and Phillip saw it, they went berserk and tried to attack her, but Applejack fired four powerful energy blasts with magic, earth, apples, and Alicorns at the brothers and forced them out of the shrine and we followed, they got up, but they were mega angry now!

Applejack: (Divine Echoing Cosmic Voice of The Elemental Harmony Honesty Apple Earth Alicorn and Divine Earth Apple Orchard Love) Now, we're really going to hogtie you varmints up!

Lincoln: Hold on, A.J., you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Applejack.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You four don't deserve to be running amok ever again, now take your punishments like men!

Applejack and Lincoln went after Edward's brothers, and they fired extremely powerful blasts of rainbow energy, orange energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, apples, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Platypus Brothers and they exploded with incredible power as they hit them, and they attacked them with powerful slashes from their massive greatswords, and they left nasty scars on them, along with scratches from Lincoln's claws, and they were angering them even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Applejack, her hand-cannon Blaster is known as Applejack's Honesty Apple Earth Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's orange with apples on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by apples etched on the sides, and a red-green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Applejack fired blasts of rainbow energy, orange energy, and elemental forces at the Platypus Brothers, and they exploded as they hit them, knocking them down.

Then, Lincoln tied them up with neutronium chains lined with rainbow energy and Max Goof fired a beam of white energy from his Gabriel's Eternal Unbreakable Bonds of Friends and Angels

Archangel Keyblade which locked the chains forever. We cheered wildly as Lincoln and Applejack holstered their massive greatswords on their backs and powered down, and Applejack's new body, clothes, weapons, jewelry, Third Eye, longer blonde tail, and massive orange angel wings are permanent.

Applejack: That'll teach you varmints. Thanks for helping me take down Edward's brothers, Linky.

Lincoln: (Smiles Warmly) You're welcome, Applejack.

Suddenly, Applejack wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Applejack's face, they kissed passionately as Applejack's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Applejack came back to us as the display vanished.

Nico: I always knew those four wouldn't stay in prison for much longer.

Lincoln: But, we finally took them down, and we're finally going to have them added into our roster for humiliations.

Me: You got that right. Plus, Max, I didn't know your Keyblade could do what we just saw.

Max Goof: I've been discovering some brand-new abilities that my Archangel Keyblade has acquired, plus, this is one of the Keyblade's main powers: to seal or open the barriers between worlds, as well as "lock" a world's Keyhole, preventing the Heartless from attacking that world's heart. But, in this one, preventing those four jerks from escaping.

Lincoln: The Keyblades are really awesome, and everyone's trained us on how to use them. (To Alana Crushsmasher and Relena Crushsmasher) And it's so good to see you again, Alana Crushsmasher and Relena Crushsmasher.

Alana Crushsmasher reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, dark blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Demise, Supreme King of Armageddon, and she's dressed in a sleeveless grey open blouse, sleeveless grey top, long ankle-length dark blue skirt with black designs, black pants, barefoot, and long white sleeveless trenchcoat with darkness and fiends on the coattails and Demise, Supreme King of Armageddon on the back and holstered on her back is a massive Demise, Supreme King of Armageddon-themed greatsword with Demise, Supreme King of Armageddon etched etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and large dark blue gem on the bottom of the large angel heads for the pommel.

And Relena Crushsmasher reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, dark blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Ruin, Supreme Queen of Oblivion, and she's dressed in a sleeveless grey open blouse, sleeveless grey top, dark blue skirt, grey bellbottom pants, barefoot, and long white sleeveless trenchcoat with light and fairies on the coattails and Ruin, Supreme Queen of Oblivion on the back and holstered on her back is a massive Ruin, Supreme Queen of Oblivion-themed greatsword with Ruin, Supreme Queen of Oblivion etched etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and large dark blue gem on the bottom of the large angel heads for the pommel.

Alana Crushsmasher: You too, Lincoln.

Relena Crushsmasher: Yeah, it's been a long time.

Lincoln went up to Alana and Relena Crushsmasher and he hugged them, and Alana and Relena Crushsmasher were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Alana Crushsmasher: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Relena Crushsmasher: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Demise, Supreme King of

Armageddon Gene-Slammer is Alana Crushsmasher and the Ruin, Supreme Queen of Oblivion is her twin sister, Relena Crushsmasher, they're my Guardian Angels from New York and classmates in French. We would often read comics in their underwear and they also love to swim and they have their own swimming pool and they also would swim in the pool in only their underwear.

Nico: Just like with Sakura's cousin, Lara.

Lincoln: And a few other Guardian Angels I know. Plus, they also hate bullies, so when they found Pablo and Anderson bullying me, they beat the crap out of them and left with broken arms, legs, noses, black eyes and they even kicked Pablo and Anderson in the crotches really hard. To show thanks, I kissed both Alana and Relena on the lips while we're in the pool with only our underwear while underwater. Plus, Alana and Relena are the twin sisters of Tron Bonne, and they hate Pablo and Anderson with a burning passion.

Nicole: Whoa, they're also the twin sisters of Tron Boone?! That's really awesome.

Alana Crushsmasher: It sure is. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Alana, Relena, are you absolutely sure about this?

Relena Crushsmasher: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Alana and Relena Crushsmasher, and he saw that they're really serious, and he smiled as he walks over to Alana and Relena Crushsmasher, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Alana Crushsmasher's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Relena Crushsmasher.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alana and Relena Crushsmasher with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Alana Crushsmasher: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Relena are now part of my harem and my many future wives, Alana.

Alana and Relena Crushsmasher had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Tiana, Curran, Kizuna, and Agate from Apparently, Disillusioned Adventurers Will Save The World.

Lincoln: Oh wow, it's Tiana, Curran, Kizuna, and Agate from Apparently, Disillusioned Adventurers Will Save The World.

Nicole: Awesome.

Lincoln: Are you girls okay?

Tiana: Yes, we're okay, thanks to you.

Then, when Tiana and the other three girls saw who it was that saved them from the Platypus Brothers, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch

Tiana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Tiana: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tiana, Curran, Kizuna, and Agate with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Applejack had gotten The Earthquake Apple Honesty Alicorn Greatsword of The Earth Skylanders, and they were also shocked when they found out the villains we went after were Edward's brothers, who broke out of prison and they wanted revenge on us, and when they saw Max drag them in here.

But, when Lincoln showed what happened such as Applejack transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln brutally beat those bullies down and tie them up, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Alana, and Relena Crushsmasher have a lot of catching up to do, now that they're back in town.

Maria: I always knew we'd run into those four bullies again.

Max Goof: Yeah, but now, they're officially added into the humiliation roster.

Max Goof beamed Cheesly, Alpine, Fancy Pants, and Phillip to Lynn's Table, where they're chained to their new posts, and are now part of the humiliation roster for Life.

---

After finally taking down The Platypus Brothers and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alana and Relena Crushsmasher saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alana Crushsmasher: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Relena Crushsmasher: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alana Crushsmasher: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right.

Max Goof: If you'll pardon me if I ask the question, but Alana, Relena, what memories did you have with Lincoln? And I'm standing by, in case if you've got a memory of what Pablo and Anderson tried to do to him.

Alana Crushsmasher: You're so not going to like it one bit, Max, along with all of you. One day, we were heading home with Lincoln after our day at school, but then, we heard two bellowing yells in the air, and we saw who they were: it was Pablo and Anderson, the heartless butt-face psychopathic bullies and they were out to kill Lincoln again.

Relena Crushsmasher: But, Alana and I brutally beat the crap out of them and left them with broken arms, legs, noses, black eyes, and we even kicked them hard in the crotches. We then called the police and those two were taken straight to jail.

Nico: Why, those stupid butt-faced jerks!

Max Goof: Yep, I knew they were bad. Now, to deliver unto them a little punishment, courtesy of the Infernal Demons.

Bayonetta: (British Accent) Now, you're talking. Linky, you're in for a show.

Suddenly, the skies turned black and red and a portal appeared at Lynn's Table right near Pablo and Anderson, along with the other jerks.

Bayonetta: (Speaking in Ancient Enochian) DO O IA BAYONETTA. CNILA D COMSELHA ODO ANANAEL. MALPRG ROR MICAOLI IALPON ILS. (Clenches her hand hard and causes blood to come out) FAFEN NIIS!

Suddenly, we saw the fire spider demon, Phantasmaraneae, Twister of Flame, appear from a portal, and when a drop of Bayonetta's blood was anointed on Phantasmaraneae, it evolved into it's true form, The Phantom, Igniter of Creation. Then, it attacked Pablo and Anderson and the jerks, and when the fight was done, The Phantom exploded, and tons of gold and jewels exploded from the jerks, and it was collected.

Eli: Whoa, what was…?!

Lincoln: What you saw was the transformation of one of Bayonetta's Infernal Demons that's achieved through her use of The Deadly Sin Ritual, a forbidden practice of the Umbra Witches that allows the Infernal Demons to reach new heights of strength, and by using their own heart and blood as an offering to anoint the chosen demon with the magic energies within, the witch performing the ritual can transform any summoned demon into a reflection of their true uninhibited strength with all new powers.

Me: Whoa!

Bayonetta: (British Accent) That's correct, but for this one, Lincoln showed me how to do the Deadly Sin ritual without having to rip my own heart out of my chest, and I'm not the only one who knows how to use the Deadly Sin ritual: since I allowed Linky to feed on my blood, he also acquired my powers as well, along with some The Infernal Demons that I have contracts with, but not Madama Butterfly, she's my main contract.

Nicole: Holy cow!

Lincoln: Yep. But, I'll show you guys later.

We got a shower afterwards, and then, Lincoln, Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine(Pokemon), Elesa (Pokemon), and Korrina (Pokemon) are dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) also had feelings for Lincoln, and Lincoln also had feelings for them, and he also saved them from a bunch of thugs who were hired by Flip to kidnap and kill them because he still wanted revenge. But, Lincoln saved them and Lincoln hit Flip hard in the head with a mallet.

Skyla (Pokemon): Wow, so we're here in Bubblaine.

Lincoln: Yep, and it's for our first date, Skyla. Shall we?

Lincoln, Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they had a game of volleyball, and even did some surfing, and Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up two 900,000,000,000,000-lb barbells Lincoln summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) and they hugged the girls in their abnormally massive and powerful muscular arms and Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Bubblaine, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miss Martian (DC Superhero Girls 2015), Lorelei (Pokemon), Skyla (Pokemon), Janine (Pokemon), Elesa (Pokemon), and Korrina (Pokemon) with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Sticks the Badger: Looks like we got five new members to Lincoln's harem, nice.

---

Later we were watching TV and Twilight was sitting with me on the sofa and she was really heavy.

Me: How are you feeling Twilight?

Twilight Sparkle: Really heavy. But I'll be okay.

Qin: Good Twilight.

Varie: You'll be all right as long as you take it easy.

Lincoln gave her a sundae made with Brussels Sprouts, Onions and Celery covered in chocolate and marshmallow sauce. YUCK!

Qin: Boy that is the most grossest part of the natural process.

Me: It's something we have to put up with.

Flurry Heart: But I'm really excited to meet my new cousins.

Lola: We all are.

After Twilight was done we got back to watching TV. But then…

SCREAM!

Twilight Sparkle screamed and then water poured out onto the floor!

Qin: OH NO!

Sandman: Fuck! Twilight, don't tell me you're going into labor!

Twilight Sparkle: (In pain) I am!

Me: It's time guys! LETS GET HER TO THE HOSPITAL!

Nico: All right lets get her to the hospital! LETS GO! LETS GO! DOUBLE TIME! LETS GO!

We went and loaded her into Ratchet and went to the Hospital.

Varie: Okay Twilight start your breathing.

She did so.

Courage: Oh, man! What do we do?! What do we do?!

Me: Don't panic Courage. Twilight will be all right.

Francesca: Yeah Courage, Twilight is strong.

We got to the hospital and Twilight was rushed into the Delivery room with Flurry Heart and Lincoln and Starshine Sparkle with her.

Nico: Now we wait and brace for the labor pains.

Kaos came in.

Kaos: I, KAOS, got your texts and I can't wait to meet Twilight's kids.

Me: We all can't wait.

Rainbow Dash: Boy this is gonna be awesome.

Octane: And cue the labor pains in 3… 2… 1…

Twilight Sparkle: (IN A SCREAMING BOOMING VOICE) LINCOLN LOUD THIS IS ALL YOUR FAULT! IF YOU GET ME PREGNANT AGAIN I WILL RIP OUT YOUR INTESTINES AND MAKE YOU TAKE A DUMP INSIDE YOUR OWN STOMACH AND THEN MAKE YOU EAT YOUR OWN BRAIN AND THEN DUMP YOUR BODY IN

A LANDFILL ON THE SUN!

We had our ears covered from that!

Me: HOLY CRAP!

Nico: MAN THAT WAS LOUD!

Lola: That was REALLY LOUD!

Xenia: That was the Canterlot Voice!

Nico: Yep.

Sandstorm: (to Luna and Celestia) Did you two use the Canterlot voice when you got pregnant?

Princess Celestia: Unfortunately yes. It was painful.

Princess Luna: It sure was sister.

Qin: Yikes.

Later Twilight Sparkle, Lincoln, Flurry Heart and Starshine Sparkle came out and they had 7 baby girls and they all had hair for each of the 7 colors of the rainbow.

Me: Oh Twilight they are so adorable.

Twilight was exhausted and tired.

Lola: They are so cute.

Nico: And they have hair for each color of the rainbow.

Lola: That is so cute.

Rainbow Dash: That is so awesome.

Lincoln: But look at what they also are.

We saw that they all had wings.

Me: That means they are Alicorns too.

Flurry Heart: Just like me too.

Me: What are you gonna name them?

Twilight Sparkle: The one with the red hair is Crimson Ruby Sparkle, The orange one is Amber Topaz Sparkle, The yellow one is Sunlight Quartz Sparkle, The green one is Green Emerald Sparkle, The blue one is Ocean Sapphire Sparkle, the Indigo one is Midnight Cobalt Sparkle and the purple one is Violet Amethyst Sparkle.

Qin: The Seven Colors of the Crystal Rainbow.

Lola: Awesome theme.

Supernova Zap: Nico, which teams have you made this time?

Nico: Mallow's team will include Panty & Stocking, Moss Man, Number 87: Queen of The Night, Chirubimé, Princess of Autumn Leaves, Mariña, Princess of Sunflowers, Talaya, Princess of Cherry Blossoms, Tytannial, Princess of Camellias, Serena, Princess of Rafflesias and Tonasu, Princess of Pumpkins. Sunset's team will include Kairi Yano, Fireball, Alejandra Jones (Lady Ghost Rider), Flamebird, and Firestar.

Me: Ooh! The Flower Princesses and plant team.

Lola: Yeah!

Nico: And Sunset will have a backup team for an emergency and for stealing from criminals. It will have Sunset Shimmer, Kairi Yano, Sly Cooper, Bentley, Murray, Guru, Penelope, Panda King, Dimitri and Inspector Fox.

Lola: Yeah that is awesome!

Brittney: That's a great idea Nico!

Qin: It sure is.

Lola: Yeah!

---

We went back home and Pickle Barrel and Barley Barrel were placed in charge of Twilight's kids for the time being.

The previous group of M.O.E. Members came.

Mr. Fizz: Can me, Beautiful Gorgeous, The Wrecking Crew, Swordsman, DC Enchantress, Roxy Rocket, Black Manta, Dodgeball Wizard, Red X, and Pterodactyl Ghost go with you guys?

Ed Bighead: Me, Lipsyncher the lipstick monster, Bulldozer Org, Spatula Girl, Lillith, Astronema, Skeleton Men, Hot Rodney, Burnertron, and Droog will go as well.

Thunderball: And nice job giving birth, Twilight.

Twilight Sparkle: Thanks guys.

Me: Twilight is gonna be all right.

Qin: But we're really happy for you.

Nico: Yep. And her baby shower was fun. Also yes you all can come with us.

Lana: Yeah!

The previous group of M.O.E. Members came.

Octopunch: Nico, which Gene Slammer do you think you'll meet next?

Piledriver: It'll probably be more than one.

Nico: Yep. Magneton and Farfetch'd next.

Qin: Cool! Good choices.

Me: Boy Magneton will have an ATTRACTIVE Personality! (RIMSHOT)

We laughed at my joke.

Nico: (LAUGHS) That was a good one!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) Good one!

King Kai: (Telepathically) Nico, everyone, I've got some bad news.

Nico: King Kai, what's wrong?

King Kai: (Telepathically) That stupid fraudulent scoutmaster, Lumpus, has broken out of the Saturn Insane Asylum, and he's still out for revenge on you guys. He's waiting for you at a new food planet.

We gasped.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed and it showed that Lumpus has indeed broken out of the Saturn Insane Asylum yet again.

Lincoln: King Kai's right: Lumpus has broken out of The Saturn Insane Asylum yet again, and he's still out for revenge on us.

Eli: That stupid, brain-dead moose, doesn't he know when to quit?!

Nico: Clearly not, he certainly is a glutton for punishment.

Lincoln: He's got a rotten brain if he thinks he's going to get Camp Kidney back, when it clearly was not his in the first place. Looks like he needs yet another round of punishment yet again.

Me: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Wallow, the Water Demon, and he's coming for revenge on us for what we did to Blackheart. When we saw it, we knew it meant

trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're so not liking this one bit: the dark energy signal we just sensed belongs to our old enemy, Wallow, the Water Demon, and he's coming for revenge on us for what we did to Blackheart.

Max Goof: Just as I thought.

Lincoln: Yep, but just like Gressil, Wallow's going to be put into The Masters of Evil, but not after we give him a beatdown for what he's done in Blackheart's name.

Mira Michaels: That's right, we'll make that water demon pay, he's going to know the true meaning of fear.

Nico: The Gene-Slammer of Castle of Illusions against a Water Demon, this is one battle that'll end with Wallow knowing the true meaning of fear. Alright, gang, let's go, we got a new food planet that's waiting to be discovered, and we're also going to hunt down Lumpus.

Lincoln: That fraudulent excuse for a scoutmaster just doesn't know when to give up, well, now he's left us no other choice but to get even rougher with him, and once we get done with roughing him up again, you're next, Wallow.

Beautiful Gorgeous: (to King Kai) King Kai, I don't know how but we'll get you a Christmas present.

Lipsyncher the lipstick monster: How are we gonna get it to him?

Bulldozer: We can always have it teleported to him.

Me: We'll think of something.

King Kai: Thank you guys. I am excited to see what you have for me soon.

Qin: You'll love it.

Nico: Lets get moving.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix Was flying through space.

Nico: Captain's Log, Stardate 7144.7: The U.S.S. Valorous Phoenix is en route to a new food planet to investigate what it is like as well as deal a massive and incredible beatdown on our resident and insane moose friend Lumpus. Our mission is to bring that bad moose back to prison.

G1 Chop Shop: The next 3 days after today should include no usual battles.

Nico: Good idea. Christmas Weekend is perfect for it.

Qin: Yeah.

Lola: I agree too.

Xenia: Yeah.

Swordsman: This has a been a festive week, hasn't it?

Spatula Girl: It sure has.

Me: This has been a really awesome and festive month.

Qin: Yep.

Lola: It sure has.

Nico: Yeah and it was great.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

It showed the planet.

Spinster: I see the planet.

Me: Looks like a really awesome one. From up here it looks like a mountain world.

Qin: Yep.

Xenia: Cool though.

Nico: Lets get to landing.

We got to landing and we landed and got out and then we saw that the planet was A WORLD OF HAMBURGERS! IT WAS A BURGER WORLD!

Me: WHOA! A burger planet!

Nico: OH BOY!

Red X: Didn't we already go to a burger world?

Burnertron: Who cares? I'm cooking them!

Me: Yeah! LETS EAT!

We got to checking it out and also eating burgers all over.

Me: (EATING A BURGER) Mmm! Delicious!

Xenia: (Eating a burger) Delicious!

Bitstream: There's even Big Macs!

Me: Boy those are awesome!

Qin: Yeah! (Eating burgers)

Squidward was eating TONS AND TONS of burgers all over the place.

Xenia: (LAUGHS) Squidward.

Roxy Rocket: What's difference between hamburgers and cheeseburgers?

Astronema: I've been wondering the same thing.

Me: Well they are the same thing. Just one has cheese on it.

Qin: Yeah.

Roxy Rocket: That does make sense.

Xenia: It sure does.

Astronema: That is true.

Ren Krawler: They're tasty all the same.

Limehalt: They sure are.

Me: That's for sure.

Qin: Yep.

Laney: All delicious too.

Xenia: Yep.

Camie: Yeah they sure are.

Pterodactyl Ghost: You guys keep eating.

Droog: Me and Pterodactyl Ghost will find Lumpus

Nico: Okay.

We were eating and eating.

Xenia: Delicious.

Jake Spidermonkey: Boy I'll say.

Poromon: Yeah!

Needle nose: Poromon, how many have you eaten so far?

Poromon: 10. (BELCH)

Qin: You sure are stuffed.

Xenia: Yep.

Me: How's your butt doing?

Poromon: I'll be all right.

Mallow: That's a relief.

Sunset Shimmer: Yeah.

Acid Storm: What's the name of Poromon's actual teacher?

Nico: Ms. Lillian Krabappel.

Edna Krabappel: Ha! My polar opposite sister is their teacher.

Bart: Mrs. Krabappel I didn't know you had a sister.

Edna Krabappel: You never asked Bart. She is a beautiful and amazingly nice sister. Whereas I am a smoking bimbo bitch that tries to get in others pants. Also I do love children and also Lillian is an angel.

Skeleton Man: You two aren't completely opposites.

Black Manta: You two are ultimately good people.

Edna Krabappel: That's true.

Me: She wasn't caught in the crossfire when Springfield was at war was she?

Edna Krabappel: No she wasn't. She got out of there before that entire town went to hell.

Me: Thank goodness.

Lola: Yeah. At least she escaped Springfield's corruption before that town got what it deserved.

Pterodactyl Ghost and Droog came back.

Flywheels: Any sign of the crazy moose?

Pterodactyl Ghost: He's over in that forest grove over there.

He pointed to a grove located 75 klicks to the west.

Eli: He's there all right.

Naruto: I smell his foul stench anywhere.

Qin: Yeah he smells like burnt ham and rotten meat.

All of us: EW!

Lola: That's him all right.

Lillith: What are you doing?

Nico: Putting a bomb in one of the hamburgers.

DC Enchantress: I get it. You're gonna give it as a token of a false apology.

Nico: Something like that.

Qin: Ooh. I like it.

Lola: Cool.

Me: That is clever.

Xenia: Yeah it will blow his antlers and teeth out. But won't he suspect anything with a fuse?

Nico: Nope it's remote detonation.

Me: Oh.

Xenia: Nice.

Terrorsaur: Entrance time!

Me: Lets do it.

We went at the clearing.

Lumpus was really infuriated and he was also eating burgers all over. It was better than what he was eating in the Saturn Nuthouse forever. All he was eating was creamed corn and cabbage, garlic and onion stew. Farting up storms like you wouldn't believe. The spirits of the elements of Subzero Christmas appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Lumpus: I WANT MY CAMP BACK!

Nico: Wait have this as an apology.

He gave him the burger.

Lumpus: I don't want your apology!

Wrecker: We know that. But this hamburger is a sign of good sportsmanship. Take it or leave it.

Lumpus: (shrugs) Oh, what the Hell? Can't kill you all on an empty stomach.

Lumpus was about to eat the burger.

Bulldozer Org: Everyone, hit the deck!

We ran for cover and then he took a bite and then Nico pressed the detonator and then..

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded in his face!

His teeth and antlers all fell off!

Camie: Nice!

Then Dr. Destiny, Top, Gearhead, Abra Kadabra, Ragdoll, Trapster, Grizzly, Batroc the Leaper, Shade, Dark Turtles, Owl (One Night At Humpty's), Lord Stratosfear, Frictor, Queen of the Black Puddle, Yost X 23, Indigestible Wad, Grizzaka, Cyborg Rangers, Owl (Stellaluna), and Flotsam & Jetsam appeared.

Dr. Destiny: After this is a 3 day usual battle break.

Gearhead: We sure have.

Me: Yep.

Abra Kadabra; (to Twilight) Congrats on giving birth, Twilight.

Twilight Sparkle: Thanks guys.

Trapster: What are your kids' names?

Twilight Sparkle: You'll hear them during the battles.

Trapster: Okay.

Me: But we had an awesome day.

Lola: Yep.

Hammer Attack Bot then came.

Me: Hammer Attack Bot. Back for another round?

Hammer Attack Bot: Yep.

Me: Cool cool.

Hammer Attack Bot: You should invite Edna's sister on Christmas Eve.

William: Now, there's an idea!

Me: I agree there too.

Nico: Yeah.

Qin: Yep.

We got the battles underway.

## Anakin, Starlight Glimmer, Cozy Glow, Undead Skylanders, Martian Manhunter, Supernova Zap, and Pharaoh Atem VS Dr. Destiny - Nico's rescue being Twilight Sparkle's Baby Shower and Dark Nazz Appearing with Lola Going Ballistic

Dr. Destiny was first.

Dr. Destiny: (to Anakin) Nico's rescue involved Dark Nazz appearing during Twilight Sparkle's Baby Shower. And with Lola Going Ballistic.

Anakin: Yeah you should have seen it. It was intense.

Starlight Glimmer: Lola really let loose the fires of Hell on Dark Nazz and Winter and Lincoln's guardian angels really laid down the law on Mr. Mxyztplk for everything he did to Lincoln and his sisters.

Cozy Glow: Boy she sure did! She threatened to send him to the lowest level of the 9th Circle of Hell and have the demons feast on him forever.

Hex: Boy no kidding! Winter really made sure to not let him do that anymore.

Martian Manhunter: I agree there. It was a well deserved threat.

Supernova Zap: Yeah no kidding there.

Dr. Destiny: That is amazing and intense. Lets do it!

Ant Man: They sure did and also they did some silly pranks on Nico. Another Gravattack lifted up Cammie and dropped her and J.D. onto Nico, then Another Chameleon Undead Zodiarts pantsed Nico and then Another Ranamon drenched him with water.

Top: (LAUGHS) Boy that must've been a crazy one.

Pinkie Pie: But they were all really funny!

Maud Pie: (monotonously) I'm bursting with laughter.

Thor: Finding a vehicle of transport is not going to be easy here.

Rainbow Dash: Luckily I thought ahead.

She unsealed an F117 Nighthawk Fighter Jet.

Gearhead: An F117 Nighthawk! Good choice.

Thor: Indeed. Also yes Lincoln and everyone faced the Platypus Brothers and now we have them as part of the Humiliation Roster.

Rainbow Dash: Edward is gonna get some well deserved payback on those blockheads.

Scootaloo: After all the pain and suffering they put him through I am not surprised.

Hawkeye, Rarity, Sweetie Belle, Water Skylanders, Green Arrow, Spinister and Julio Santana VS Abra Kadabra - Meeting gene-slammers for Demise, Supreme King of Armageddon and Ruin, Supreme Queen of Oblivion

---

Abra Kadabra was next.

Abra Kadabra: (to Hawkeye) I heard you guys met gene-slammers for Demise, Supreme King of Armageddon and Ruin, Supreme Queen of Oblivion. What are their names?

Hawkeye: Their names are Alana and Relena Crushsmasher and they are powerful guardian angels that put a lot of world of hurt on people they hate.

Rarity: Indeed they did and you should have seen what they did.

Sweetie Belle: It was amazing!

---

Alana Crushsmasher: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Relena Crushsmasher: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alana Crushsmasher: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right.

Max Goof: If you'll pardon me if I ask the question, but Alana, Relena, what memories did you have with Lincoln? And I'm standing by, in case if you've got a memory of what Pablo and Anderson tried to do to him.

Alana Crushsmasher: You're so not going to like it one bit, Max, along with all of you. One day, we were heading home with Lincoln after our day at school, but then, we heard two bellowing yells in the air, and we saw who they were: it was Pablo and Anderson, the heartless butt-face psychopathic bullies and they were out to kill Lincoln again.

Relena Crushsmasher: But, Alana and I brutally beat the crap out of them and left them with broken arms, legs, noses, black eyes, and we even kicked them hard in the crotches. We then called the police and those two were taken straight to jail.

Nico: Why, those stupid butt-faced jerks!

Max Goof: Yep, I knew they were bad. Now, to deliver unto them a little punishment, courtesy of the Infernal Demons.

Bayonetta: (British Accent) Now, you're talking. Linky, you're in for a show.

Suddenly, the skies turned black and red and a portal appeared at Lynn's Table right near Pablo and Anderson, along with the other jerks.

Bayonetta: (Speaking in Ancient Enochian) DO O IA BAYONETTA. CNILA D COMSELHA ODO ANANAEL. MALPRG ROR MICAOLI IALPON ILS. (Clenches her hand hard and causes blood to come out) FAFEN NIIS!

Suddenly, we saw the fire spider demon, Phantasmaraneae, Twister of Flame, appear from a portal, and when a drop of Bayonetta's blood was anointed on Phantasmaraneae, it evolved into it's true form, The Phantom, Igniter of Creation. Then, it attacked Pablo and Anderson and the jerks, and when the fight was done, The Phantom exploded, and tons of gold and jewels exploded from the jerks, and it was collected.

Eli: Whoa, what was…?!

Lincoln: What you saw was the transformation of one of Bayonetta's Infernal Demons that's achieved through her use of The Deadly Sin Ritual, a forbidden practice of the Umbra Witches that allows the Infernal Demons to reach new heights of strength, and by using their own heart and blood as an offering to anoint the chosen demon with the magic energies within, the witch performing the ritual can transform any summoned demon into a reflection of their true uninhibited strength with all new powers.

Me: Whoa!

Bayonetta: (British Accent) That's correct, but for this one, Lincoln showed me how to do the Deadly Sin ritual without having to rip my own heart out of my chest, and I'm not the only one who knows how to use the Deadly Sin ritual: since I allowed Linky to feed on my blood, he also acquired my powers as well, along with some The Infernal Demons that I have contracts with, but not Madama Butterfly, she's my main contract.

Nicole: Holy cow!

Lincoln: Yep. But, I'll show you guys later.

FLASHBACK ENDS

Abra Kadabra: Wow! That was amazing that Bayonetta did that to those jerks! That is an amazing power!

Gill Grunt: we were amazed seeing it.

Abra Kadabra: That is amazing. Lets do it!

Fluttershy: Oh it was a most amazing feast for him.

Tornado Bolt: It sure was.

Lincoln: You're never getting free ever again, Lumpus.

Nico: This time, you're staying in prison forever. Awesome job, gang, but we're not done yet, there's still the matter of Wallow to deal with, and that water demon should be arriving… right now!

Me: I always knew there's no mistaking that voice from anywhere, you can come out now, Wallow.

A figure appeared from a stream of water, and it was our old enemy, Wallow.

Wallow: No words can even describe how much I hate every last one of you, you have ruined all of Blackheart's plans to finally rule this pathetic world and you've killed me twice! I HATE ALL OF YOU SO MUCH!

Our energy auras flared up and we gained a massive power boost from Wallow's hatred.

Mira Michaels: That was your fault, not ours, and now, you're going to get it.

Suddenly, Mira Michaels' dark purple eyes turned neon dark purple and she was surrounded by a black and dark purple energy aura with darkness, shadows, creatures of darkness, illusions, and castles, she unholstered her massive Castle of Illusions-themed greatsword from her back, and as she approached Wallow, she left black and dark purple energy, darkness, shadows, creatures of darkness, illusions, and castles with every step.

Mira Michaels: I've had it up to hear with you for the last time, Wallow, you, Gressil, and Abigor have instigated nothing but chaos and destruction both on Earth and in Hell, and all for Blackheart's sick powerhungry desires to take over the world. Well, that ends here, and now, I will teach you the true meaning of fear!

Suddenly, Mira Michaels was surrounded by a massive vortex of black and dark purple energy with darkness, shadows, and castles surrounding the vortex, there are illusions and creatures of darkness and Castle of Illusions flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Mira Michaels emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mira Michaels grew from 6'5" to 7'4" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long flowing midnight black hair, she has neon dark purple eyes and a black and dark purple energy aura with darkness, shadows, creatures of darkness, illusions, and castles surrounding her, she has The Dark Kanji in the center of Castle of Illusions emblazoned on her forehead and Third Eye with dark purple iris, she has on demon earrings with dark purple gems for eyes and holding the Dark and Eternity Kanjis in its claws, she also has Castle of Illusions with red gems for the windows and holding the Dark and Eternity Kanjis in its towering spires on the bottom of her dark purple dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mira Michaels has on a sleeveless dark purple blouse, sleeveless dark purple top, long dark purple frilled skirt with jewels around the waist, dark purple pants with stars, purple sneakers, and long white sleeveless trenchcoat with darkness, shadows, creatures of darkness, illusions, and castles on the coattails, and on the back is Castle of Illusions and it's surrounded by darkness. Suddenly, Mira Michaels felt a sharp pain on her back, and then, her massive midnight black angel wings grew much bigger for her new body, and the midnight black feathers now have dark purple tips, she now has eleven massive and long midnight black wolf tails, she has on a Ring of The Phoenix with dark purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Mira Michael's massive Castle of Illusions-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and dark purple energy, darkness, shadows, creatures of darkness, illusions, and castles, and when it emerged, it was transformed into Castle of Illusions' Dark Illusionary Fiend Castle Greatsword of Dark Illusionary Justice, it's a brand-new massive greatsword with embedded black and dark purple gems and Castle of Illusions etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large midnight black dragon heads with red gems for eyes and a large dark purple gem below the dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Castle of Illusions with red gems in the windows and a large dark purple gem in the center for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Mira Michaels has transformed into SUPER ANGEL-DARK CASTLE-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS ILLUSIONARY CASTLE DARKNESS ANGEL OF DIVINE DARK ILLUSIONARY CASTLE FEAR JUSTICE AND DIVINE DARK CASTLE ILLUSION LOVE!

We were amazed by Mira Michaels' Super Angel-Dark Castle-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Wallow saw it, he went mad with rage and ran at her to kill her, but Mira Michaels fired a powerful black and dark purple energy blast with darkness, shadows, creatures of darkness, illusions, and castles at Wallow and sent him into a hamburger wall, he got out, but he was pissed off now.

Nico: Whoa, Mira Michaels has transformed!

Lincoln: Now, Wallow's about to know the true meaning of fear, and Mira, you look beautiful, how do you feel?

Mira Michaels: (Divine Echoing Cosmic Voice of The Dark Illusionary Fiend Castle and Divine Darkness Castle Illusionary Love) I feel incredible, Linky. Now, shall we put a stop to Wallow once and for all?

Lincoln: (Smiles) With pleasure, Mira.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mira Michaels.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for a very long time, Wallow, now prepare to face true fear!

Mira Michaels and Lincoln went after Wallow, who fired water blasts at them, but Lincoln absorbed the water blasts and it made him even more stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Wallow and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Mira Michaels and Lincoln fired two powerful dark energy blasts at Wallow, and they made his worst fear come to life: getting boiled alive, and he screamed in fright.

Eli: Whoa, was that…?

Nicholette Torrington: Yep, Mira Michaels brought Wallow's fear to life with that dark energy blast, and it looks like Lincoln also has that power as well, thanks to him feeding on Mira Michaels' blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Mira Michaels, her hand-cannon Blaster is known as Castle of Illusions' Dark Illusionary Fiend Castle Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with dark purple flames on the blaster and with a Phoenix, Angel, and Castle of Illusions surrounded by darkness etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Mira Michaels fired blasts of rainbow energy, black and dark purple energy, and elemental forces at Wallow and as they hit him, they exploded with incredible power, and he was knocked down, tied up, and sent to The Masters of Evil. We cheered as Mira Michaels and Lincoln holstered their massive greatswords on their backs and powered down, and Mira Michaels' new body, clothes, weapons, jewelry, Third Eye, eleven massive midnight black wolf tails, and massive midnight black angel wings are permanent.

Mira Michaels: Now, all that's left is Abigor to recruit. Thanks for helping me take down Wallow, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mira.

Suddenly, Mira Michaels wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Mira Michaels's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Castle of Illusions flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness around them and we cheered wildly. Then, Lincoln and Mira Michaels absorbed the darkness and they came back to us as the display and Castle of Illusions vanished.

Nico: Whoa, now that's what I call a battle of illusionary fear, awesome job.

Lincoln: Thanks, Nico. Now, all that's left is the Wind Demon, Abigor.

Me: And we'll have The Hidden as new members of The Masters of Evil. But, be careful, guys, Abigor will no doubt be a tougher challenge than Gressil and Wallow.

Lincoln: Don't worry, J.D., when we face Abigor, he'll be in for a big surprise.

Ragdoll: If I ever see Lumpus out of jail again, it's gonna be too soon.

Grizzly: No kidding.

Batroc: At least we've got these hamburgers.

Shade: We sure have.

Dark Leo: Let's start packing several of them.

Dark Don: Already on it.

We did so and it was awesome.

Nico: But it was awesome too. Great job today everyone.

Pinkie Pie: It was amazing! (To the viewers) I love good burgers and now we have a good break ahead of us.

Me: We sure do.

Qin: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Nico: Yeah how can we forget.

King Kai: Well we have an Aparoid Zombie Problem. But this one is someone that Eli is familiar with and you are not going to like it. You got to check it out.

Nico: Okay!

We went to the food court and to our shock we saw that it was MASTER ASIA, THE UNDEFEATED OF THE EAST AND DOMON KASSHU AND ELI'S GUNDAM TEACHER!

---

Master Asia, also known as the Undefeated of the East, is a major antagonist in Mobile Fighter G Gundam. He was a martial artist and Gundam Champion. He was also an honorable warrior. *Mobile Fighter G Gundam: 7th Fight*

Master Asia, or rather Shuuji Kurosu fought in the 7th Gundam Fight as the Gundam Fighter for Neo-Japan using Yamato Gundam as seen in the manga of the same name. Shuuji fought the individual members of the-then-to-be Shuffle Alliance in the Gyuana Highlands. After his battles with them, they become friends and came to the rescue of Neo-Germany's Gundam Fighter, Wolf Heinrich, who was being unfairly attacked by both Delos Argos and Hell Snake's Gundams at once. After they were defeated, Shuuji faced off with Heinrich and ultimately failed to defeat him due to the mirage-like abilities of Wolf's Gundam. Afterwards, Wolf Heinrich and Shuuji went to the Gyuana Highlands to train and compete. Here, Shuuji refined Tohoufuhai and developed the Sekiha Tenkyoken. Wolf and Shuuji had an exchange as friendly rivals and promised to face each other in the Gundam Fight Finals.

A man by the name of Dr. Chaos, leading a terrorist force of the same name, created a force of Death Army machines and gigantic Mobile Armor which he attempted to use to disrupt the Gundam Fight. The Shuffle Alliance, with the newfound power of their Shuffle Crests, fought against him and he was defeated by Shuuji. Unfortunately, as that happened right in the middle of the finals, Shuuji and company were de facto disqualified due to their failure to reach the designated country by the appointed time, and Wolf Heinrich became the champion of the Gundam Fight. Because of that, Shuuji was dismissed as the Gundam Fighter of Neo-Japan, chose to leave, instead became the Gundam Fighter of Neo-Hong Kong, and assumed the name of Master Asia.

Meeting Domon Kasshu and the 12th Gundam Fight

In the Gundam Fights that followed, Master Asia perfected his style and in F.C. 48, he adopted the eight year-old boy, Domon Kasshu, as his student. Domon had run away from home and sneaked on board a ship that carried Master Asia, who admired him and sought to learn his skills. Master Asia decided to shelter Domon and agreed to teach him Tohoufuhai.

The Champion of the 9th through 11th Gundam Fight was Neo-England's, Gentle Chapman. Dismayed by the shift from martial arts to beam weapons as a result of Gentle Chapman's victories, Master Asia used GF13-001NH Kowloon Gundam and Tohoufuhai and succeeded in proving the power of martial arts with his victory in the 12th Gundam Fight. In his years as a Gundam Fighter, Master Asia watched the Earth continue to decay and battles between the Gundam Fighters inflict unprecedented damage upon the planet. He resolved that mankind's influence must be removed in order to purify the Earth. Because of that, and possibly because of the mental power of the Devil Gundam, he came to the conclusion that humanity must be destroyed so that the Earth might return to its natural environment.

### *Mobile Fighter G Gundam*

Master Asia first appeared assisting Domon and Rain Mikamura in Shinkjuku from a pair of Death Army Suits. Master Asia briefly appeared veiled in a tanish grey cloak and face wrap which hid his identity, but after he revealed his skills, Domon quickly identified him as Master Asia. He then exchanged with Domon their traditional litany: "Look the East is burning red!"

Master Asia explained that he had been coordinating the defense of Shinjuku, but that it went badly. In a counterattack, Domon launched Master Asia in his Kowloon Gundam's Chokyu Haoh Den'iedan Super Attack. That blasted him through most of the Death Army, and caused them to retreat. Domon, Rain, and Master Asia returned and planned further defense. Master Asia, however, was working in secret with the Death Army. Rain discovered that and he captured her. He carefully hinted to Domon about Rain's disappearance, but Domon did not realize what happened. Eventually, after he followed Master Asia, Domon discovered that he was the one who was responsible. Master Asia attempted to recruit Domon into the Death

Army, but his persuasions failed. Master Asia sent Chibodee Crocket, George de Sand, Sai Saici, and Argo Gulskii to fight Domon, as they have all had been converted to his service by DG Cells. Master Asia attacked in his Master Gundam, and he and Domon battled. Master Asia's victory seemed assured, however, his efforts were thwarted by the Shuffle Alliance, who appeared and attacked him. While initially, they were unsuccessful in defeating Master Asia, the Shuffle Alliance opted to sacrifice themselves in a Kamikaze Attack in order to stop him and purify the DG Cells from Chibodee and company, and, in doing so, they passed on their Shuffle Crests to the four and they became the new Shuffle Alliance. Master Asia showed some sadness at the loss of his former comrades, and fearing his loss, summoned the Devil Gundam to attack. The battle was fierce, and Domon nearly defeated the Devil Gundam, but the image of his smiling brother's face appears in his mind, and prevented him from finishing it. Master Asia then retreated along with the Devil Gundam and Kyoji Kasshu.

Master Asia appeared again in his old training grounds, the Guyana Highlands as the Shuffle Alliance and Domon trained there. They clashed with the Devil Gundam several times, and upon realizing that he was the true master of the Devil Gundam, Domon denounced Master Asia, and proclaimed that he was no longer his master. Once again, Master Asia and the Devil Gundam battled Domon, and, once again, Domon would have been defeated were it not for the intervention of an outsider, in that case, Schwarz Bruder. After Domon was rescued, Master Asia and the Devil Gundam traveled to the designated country for the Gundam Fight's Finals, Neo-Hong Kong.

At Neo-Hong Kong, Master Asia appeared dramatically as one of the Final Gundam Fighters in the Tournament's lineup. Chairman Wong Yunfat, whom Master Asia worked with, declared that it was up to Domon and Master Asia to performing the opening to the Gundam Fight. In a tense moment, the two shared the litany once again, and opened the Gundam Fight with the final lines: "Look, the East is burning red!"

Despite his altered viewpoint, Master Asia continued to respect Domon, and, while he and Wong schemed in order to defeat him, Master Asia was determined to do so in an honorable way. While Master Asia would not hesitate to throw tough odds against Domon, he did so only to test Domon's resolve and ability to win. When Domon was set up to fight Schwarz Bruder, Master Asia feared that he was not ready, and he summoned Domon to a devastated area of Neo-Hong Kong in order to further train him. By that time, Wong and Master Asia had an increased falling out as Master Asia more and more regarded Wong's tactics as unfair and dishonorable. Wong had thus decided that Master Asia had fulfilled his role in his plans and thus sent Gundam Heads to kill both of them as they fought. Master Asia saved Domon, but the two fell into an underground cavern and Master Asia's leg was injured. The two managed to escape from their predicament and Master Asia finally explained to Domon the reason for his actions. He told Domon that the Gundam Fight was what was destroying the Earth. The blatant disregard for the land on which it took place, the outright exemption of damage to cities, buildings, and the environment from being in any way criminal, as long as it was due to the Gundam Fight. He cited the vast city ruins around them as an example of that. Master Asia then taught Domon his ultimate technique, the Sekiha Tenkyoken.

Master Asia and Domon engaged in a final battle on Lantau island. There, Master Asia said that he wanted Domon to be the core of the Devil Gundam, and explained that he had used the Finals in order to make him strong enough for that role. Domon could not accept that. Instead, when Schwarz pulled Kyoji out of the Devil Gundam, Domon killed him, and thus stopped the Devil Gundam. Master Asia said that was unforgivable, attacked, and ultimately paralyzed the God Gundam with a new technique, the Juuni Ouhouhai. While Domon was paralyzed, Master Asia gave his full conclusion, that humanity was destroying the Earth and that the Devil Gundam would remove man's detrimental influence, and then regenerate the planet. He then explained how the Ultimate Gundam evolved into the Devil Gundam. Domon sensed Master Asia's sadness and reminded him that humanity was a part of nature and that to destroy it, was to destroy nature's balance. The two clashed with their Sekiha Tenkyoken's. Domon's overwhelmed Master Asia enough to knock him back, then Domon finished the battle, and defeated Master Asia by combining the Sekiha Tenkyoken with his own God

Finger (Erupting Burning Finger) for the Sekiha Tenkyo God Finger attack.

After Master Asia was defeated, Domon held in his arms. Master Asia revealed that he had a terminal illness (which also prevented him from being able to replace Kyoji as the Devil Gundam's life core unit) and opened his shirt to reveal that he never once had any DG Cells in his body and that everything that he did was through his own will. Master Asia said that he learned what a terrible mistake that he was going to make, and that mankind was indeed a necessary part of nature. Master Asia declared Domon the only true King of Hearts and then he asked him to recite the litany once again: "Look, the East is burning red!" They finished reciting it, and, as the sun rose, Master Asia remarked on its beauty, then died.

Master Asia made one last appearance after his death during the battle with Grand Master Gundam. He appeared and encouraged Domon to fight on, alongside all of those whom Domon loved that had fallen, Kyoji, Schwarz, and his mother, Mikino Kasshu.

---

We gasped!

Me: Wait are you Master Asia!?

Eli: It can't be! I saw you die right in front of our eyes in my universe!

Qin: So you are Master Asia!

Nico: Domon Kasshu told us so much about you. You taught him everything you know.

Master Asia: That's right Nico and it's an honor to meet the famous Team Loud Phoenix Storm. Eli it's good to see you again.

Eli: I did not expect you to be brought back like this. Especially after how you made a heroic sacrifice to help Domon and save the universe from the wrath of the Dark Gundam.

Me: Me neither. I heard many terrible things that happened because of both Ulube and so many others. You were an unwitting pawn in all of it.

Zocks: How many people have you infected today?!

Master Asia: None. Because I'm only here for one thing. Freedom and to atone for what I did.

Nico: How?

He showed us that he had ANOTHER DURENDEL RIDEWATCH, A DARK ORB, NUMBER 90: GALAXY EYES PHOTON LORD, AND WAS INFECTED BY THE APAROIDS!

WE GASPED!

Me: He has a Quadruple Whammy!

Xenia: WHOA MAN!

Me: Another Durendel, A Number Card, A Dark Orb and infection from the Aparoids!

Eli: This is awful!

Me: We haven't had this happen to us since before the April 12th War last year!

Nico: Go for it!

Nico: (gets out Kangor and Avalanche's Ridewatches) I need you to hold still. This will only hurt if you move.

Eli: NO NICO!

Nico: What?

Eli: This is my fight! I will handle this. I have a lot of catching up to do with Master Asia. I haven't had a good fight with him in so long. Now it's time to do it my way and that is with our Gundams.

Me: But not here it's far too cramped. Lets take those where we have more room.

I snapped my fingers and we were on the planet Glaren.

Nico: Much better.

Eli: Now for the fun to begin. (ECHOING) RISE! BURNING GUNDAM! (SNAPS FINGERS)

Eli got into the Burning Gundam and he was ready for action! Master Asia had his Gundam ready!

Nico: WHOA! This is gonna be awesome and cool!

Me: I'll have some fun with this too. (ACTIVATES GOLIATH'S RIDEWATCH)

I grew the size of Eli's Gundam.

Nico: Go for it!

Master Asia: You don't have any idea what you are up against you two!

Me: Oh we don't huh?

Eli: This is just like when we fought before Master Asia. But unlike you I have gotten much stronger over the years. Thanks my friends and family and everyone I love I've gotten far more powerful than ever.

Master Asia: You know when I realized this myself, I could no longer stand aside and watch the Earth remain in its present state.

Me: What are you getting at!?

Master Asia: I made a solemn oath, no matter what happens, I will do whatever is necessary to restore Earth to it's original state.

Me: What the fuck are you talking about!?

Master Asia: You don't know what I have been through! Listen, I have only ONE Objective: TO WIPE OUT ALL HUMANITY ON EARTH!

We gasped!

Me: YOU MOTHERFUCKING BASTARD!

Nico: NOT GOING TO HAPPEN ASIA!

Laney: NO WAY ARE WE GOING TO LET YOU DO THAT!

Master Asia: It's the Desire of the Dark Gundam!

Lola: YOU'RE INSANE!

Master Asia: J.D., Eli, I'm sure that Jared and Domon told you all about the Dark Gundam. It was initially created as a means to revive Earth.

Me: Until we found out IT'S TRUE Purpose!

Master Asia: But let me explain. However after it descended to Earth, the impact caused it to malfunction. It pushed forward with its three great theories to revive Earth and it came to a conclusion and that was to wipe out humanity!

Me: THAT IS ABSOLUTELY FUCKING CRAZY! But Yeah we already knew about that when we killed Ulube! We banished him and the Dark Gundam to the Black Gates forever and erased all traces of it from existence for all eternity!

Master Asia: Don't you get it? By eliminating humanity, which is ruining the Earth, nature will restore the Earth itself. And as long as the Dark Gundam remains on Earth no human will ever set foot on the planet again. (LAUGHS LIKE A FUCKED UP LUNATIC!) THAT'S IT! THERE'S THE SOLUTION! THE BEST SOLUTION! TO MAKE IT A REALITY HUMANITY SHALL VANISH! (LAUGHS INSANELY)

Me: YOU'RE FUCKING INSANE!

Juran: Is he serious?!

Nico: HE IS DEAD SERIOUS!

Eli: No guys! It's the Aparoids! They are poisoning his mind with lies.

Nico: Oh man.

Eli: That doesn't give him the right to wipe out Humanity!

Me: And we won't that happen!

Eli: To you Master Asia the Gundam Fight is a game but to us it's a purpose for victory!

Me: And it's a whole lot better than wasting tons of lives!

Master Asia: That's why you're such a fool!

Me: WELL FUCK YOU!

Eli and him clasped hands.

Master Asia: (ECHOING) DARKNESS…

Eli: (ECHOING) BURNING…

Both: FINGER!

Eli fired a blast of energy and blasted him down and he got up. Master Asia flew into the air and I flew after him and kicked him in the face and I fired waves of energy and smashed him down.

Me: What you plan is nothing but total annihilation! And it will NEVER HAPPEN!

I kicked him down.

Nico: You guys sure you don't want any help?

May: Nico this is Eli's fight and J.D. and Eli did this in Eli's universe before he joined us. Let them do it.

Nico: You're right May. I have to respect that wish.

Master Asia: Haven't you any brains between those ears!?

Me: You should be asking yourself that question!

Eli: That's right Undefeated of the East! You are VERY MISTAKEN!

Master Asia: That line?

Eli: And I'll tell you why. Domon said this to you before and I'll say it too. The humans who you are trying to eliminate were created on Earth and are all part of nature too and therefore are part of the Earth. Tell me how you plan to revive the Earth if you have forgotten this crucial fact.

Me: That's right Asia. Like it or not, humans are part of the Earth and you are not going to destroy us!

Eli: Talking about an ideal world without huamns who have lived on Earth and always will live on the Earth is DOOMED TO FAIL!

Me: That's right Asia! But it's going to take some brute force to make you listen to reason!

Eli: (Echoing) IN THE NAME OF THE KING OF HEARTS!

He powered up to Super and turned Golden and I went Super Angel Wolf Moon Xelnaga! Both Eli and Asia went SUPER!

Nico: WHOA! WHAT POWER!

Camie: INCREDIBLE!

Me: **KAAAAAAAAAA MEEEEEEEEEEE HAAAAAAAAAAAA!**

Eli and Asia: SCHOOL OF THE UNDEFEATED OF THE EAST! ULTIMATE! SECRET TECHNIQUE!

Me: **MEEEEEEEEEEEEEE!**

Eli and Asia: SEKIHA TENKYOKEN!

Me: **HAAAAAAAAAAAAAAAAAAAAAAAAAA!**

Me and Eli fired a massive and incredible blast of energy and fire and Asia fired a massive blast of energy and the blasts collided and a massive and incredibly fiery and incredible explosion blasted out!

INTENSELY MASSIVE AND INCREDIBLY FIERY EXPLOSION!

The explosion was so massive, so powerful and so incredibly devastating that it shook the entire planet all over the place with intense fury!

Nico: UNBELIEVABLE!

Qin: WHAT POWER!

Camie: INCREDIBLE!

Me and Eli: WOLF MOON HEAT END!

We fired a massive blast of energy and fire and it obliterated Master Asia's Gundam and destroyed the Dark Orb and the Aparoids on him!

Gaon: Tell me he's down!

There was AN INTENSELY MASSIVE AND INCREDIBLE EXPLOSION! Nico then caught Asia and he was cleansed of the Aparoids and I caught the Ridewatch and purified it. I went down to my normal size and then we saw Master Asia back to normal.

Eli: Is he?

Varie: He'll be all right. But he was brutally mangled up from that intense battle.

Nico: WHOA! That was intense!

Qin: It sure was!

Laney: That was awesome guys!

Eli: But the good news is that Master Asia is back.

Lola: Yeah. Domon and everyone will be happy.

Nico: Now, let's head back to Earth.

We were back in the mall.

Master Asia was badly beaten up and hurt.

Varie: Hang on Asia, the medical van is on the way.

Master Asia: (Groans) What happened to me?

Me: You were poisoned by a quadruple whammy of a Ridewatch, Number Card, Dark Orb and the Aparoids.

Eli: It's true Master Asia. But you are safe now.

Master Asia: Eli? You have changed a lot.

Eli: A lot doesn't cover it.

J.D. 4: The important thing is that you are back with us.

Maria Santiago and Robot Lori came in with a gurney and they put him on it.

Master Asia: Wait. Eli you have grown into an amazing Gundam Pilot and I am really proud of you and you saved me from myself.

Eli: The Dark Gundam is forever destroyed now thanks to all of us.

Xenia: We destroyed a mistake.

Lola: We sure did.

Camie: Yeah.

Master Asia smiled and then a tear rolled down his face and he gave us the thumbs up.

I gave him the thumbs up and we all did too.

They took him up to the infirmary at the estate.

Maria: Well, that was something.

Qin: It sure was.

Nico: Epic way to kick off our Christmas Break.

Evilseed: Boy I'll say.

Me: Nico I had to take the fight to Glaren to avoid having people get hurt.

Nico: That was a good call there.

Lola: It sure was.

Me: We're not done yet though.

Nico: Nope. We have two more to face.

Me: Yep,

Then we heard harp music and it was beautiful.

Qin: Wow who is playing a harp?

Nico: No idea but it's awesome.

We saw a figure and then out came ANOTHER LYRA UNDEAD ZODIARTS! It looked like a mixture of Mantis Fangire, Guitardo, and Another Kabuto!

Me: Whoa! The Undead Zodiarts for Lyra the Harp!

I pulled out my Kyutama for Lyra the Harp and it was glowing.

Me: Yep that's right. We're facing this one.

Qin: Cool!

May: Who are you?

Another Lyra Undead Zodiarts: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a sailor soldier with red hair and green eyes with green sclera and she had purple clothes on.

Me: (GASP) Bianca Tamaranna A.K.A. Sailor Tamaran!

Nico: Whoa! Tamaran's Sailor Soldier!

Sailor Tamaran: That's right guys.

Me: Starfire and Blackfire are gonna be amazed to hear about this.

Qin: Boy they sure are.

Maria: You know her?

Me: I sure do and she was born on Tamaran but raised here on Earth. She has all the same kinds of powers as Starfire and Blackfire do and she is a strong and powerful fighter. Also she and I went to Astronomy Class together and we studied all about the stars and the planets at Space Camp. We did it all there.

Sailor Tamaran: That was really awesome too.

Lola: That is so awesome.

Nico: Yeah.

Me: So who will volunteer?

Wednesday Addams: I will do it.

Me: Go for it Wednesday. But also are there anymore opponents with you?

Sailor Tamaran: There sure are and it's a dark version of him.

She pointed to Evilseed.

Evilseed: Another me!? Wow this is gonna be awesome.

Nico: Yeah it sure will be awesome.

May: Hostile or friendly?

Sailor Tamaran: Friendly.

Me: Good.

Wednesday: This is gonna be fun

Sailor Tamaran: It sure will be.

She transformed and Wednesday fired a blast of darkness and it hit Another Lyra Undead Zodiarts and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal and I caught the ridewatch and rouse card and purified them. The rouse card had pictures of the stars and symbol of Lyra the Harp on it as well as a harp.

Me: Awesome.

The Zodiarts Switch Glowed and turned into armbands for those marked with Lyra.

I went and picked up Sailor Tamaran and brought her over.

Varie: That was awesome.

Me: Now for Another Evilseed.

Nico: Shouldn't be too hard to spot

We saw a tree grow and it was a scary dark tree and then out of it came ANOTHER EVILSEED!

Me: WHOA! Another Evilseed!

Lola: Wow!

Laney: This one has a scary black thumb.

Another Evilseed: (In a girls voice) But it's not supposed to be like this for me.

Me: (GASP) That voice. Tarra Figgington!

Another Evilseed: It's good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: I sure do. Tarra is a gardener that I know from a huge greenhouse and she knows so much about plants and nature. She even has amazing plant powers and knows how to grow all kinds of plants and flowers and can even grow flowers and plants from other planets.

Nico: That is cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Another Evilseed: Just to be a great gardener and help cure many diseases with my plants.

Me: We can easily help with that.

Another Evilseed: I knew he was lying.

Me: Yeah but he is gone forever now. Sorry we have to fight.

Another Evilseed: No worries. Come at me and don't hold back.

Me: With pleasure.

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor.

Qin: YEAH!

Nico: Shall we get started?

Evilseed: We shall!

Nico: (ACTIVATES EVILSEED'S RIDEWATCH) This one has a green thumb!

He grew a huge plant hydra and it fired sap blasts from its mouth and stuck her to the floor!

Nico: Nice one!

Qin: Sticky.

Nico: Now hope you like mushrooms. (Activates Evil Mushroom Man's ridewatch)

He fired mushroom bombs and smashed her all over.

May: (gets out Monster Dandelion's Ridewatch) Dandelion time!

Me: Hope you don't have allergies.

May activated it and fired dandelion seeds and smashed her all over the place.

Qin: Nothing is more fun than picking dandelions and blowing the seeds into the wind.

Nico: Yep.

May: That is for sure. Now for this. (ACTIVATES CATACLISMA'S RIDEWATCH)

She fired waves of energy and grew vines and tangled her up.

She activated it and fired plant vines and lashed her all over the place.

Evelyn: Yeah! Boy Kazuma would love to see that one.

Qin: He sure would!

Xenia: Yep.

Maria: (gets out Savage Noble's Ridewatch) We can always tell him when we see him again.

Me: Good idea.

She activated it and fired a fireball blast and it hit Another Evilseed and exploded in a powerful fiery explosion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Me: That was powerful!

Nico: Yeah! That is what stumps me. Noble how are you able to do that despite being organic?

Noble: I am not really sure myself. But it's part of who I am.

Then Golden Glider and her team came. She had Pink Ranger Slayer, Blandy, Blizzaru, Doll (Growl/Runark) and Auric Goldfinger.

Nico: Nice team, Golden Glider!

Golden Glider: Thanks Nico.

Eli: Whoa is that Blizaru from Hurricanger?

Blizaru: Yep. The very same.

Eli: Boy I remember seeing you in the movie. You were hired by Jakanja to abduct Laiina from Astrom. The Zaru Clan wanted her essence to take for their own to become immortal.

Blizaru: That's right Eli. Good memory.

Me: Also you are a monster we haven't faced before in our usual battles.

Blizaru: That's true.

Nico: Yep.

Panty: Lets kick some fucking ass.

Stocking: Yeah less talk more fucking ass kicking.

Panty: It's our turn!

They activated their ridewatch for Evil Mushroom Man and fired more mushroom bombs and blasted her all over.

Qin: YEAH!

But then a blast of lightning hit Another Evilseed from out of nowhere and she was down and back to normal and I caught the ridewatch and purified it and it was for Mallow.

Me: Whoa!

I went over to Tarra and she was a girl with magenta overalls and gardening clothes and she had pink hair and blue eyes.

I picked her up.

Tarra: (Groans) What a headache.

Me: But you're back to normal.

Nico: Who did that?

Lincoln: It wasn't me.

?: It was from me.

We saw a Magneton!

Me: Whoa a Magneton!

Eli: Really awesome.

Magneton: (In a girls voice) Looks like I made a great entrance.

Nico: Eileen Teslator! Whoa!

Qin: Awesome! Great to see you again Eileen.

Magneton: Same to you guys as well.

Me: Boy that was awesome though.

Eileen's other bodies vanished.

And merged into one and she became a girl with neon blue hair and blue eyes. She was back to normal and naked and then the fashion brigade moved in and gave her awesome blue clothes. She got up.

Eileen Teslator: Whoa. That was crazy. But man these clothes are great.

Rarity: Oh they sure are darling.

Qin: It sure is.

Nico hugged her.

Nico: I've really missed you.

Eileen Teslator: Me too Nico.

Nico: How do you feel?

Eileen Teslator: Much better than ever.

Qin: Great.

Lola: Awesome.

Me: Well that was awesome.

Nico: Lets head home.

We went back home.

Nico: This is going to be awesome, but we also got bad news: Tira, the bloodthirsty psychotic assassin and major antagonist from Soul Calibur, has come back from the dead, and she's out for blood and revenge.

Ivy Valentine: (Sighs) I should've known that bloodthirsty psychopath would come back yet again, she doesn't know when to stay dead.

Lincoln: Same here, Ivy, but this time, Tira's going to stay dead forever, and this time, she's never coming back.

Eli: Black Gates?

Lincoln: Black Gates, Eli, and I want to thank you and your team for joining us, Tara.

Tara: You're welcome, Lincoln.

Just then, the Tech Skylanders arrived.

Mags: Pinkie, mind if we all join in as well?

Pinkie Pie: Not at all, Mags.

We then arrived at a gold-colored shrine with the symbol of The Tech Skylanders on it, and then, the Earth symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Technological Laughter Alicorn Greatsword of The Tech Skylanders, a powerful massive greatsword with gold, silver, metallic red, and royal blue gems representing the Tech Skylanders embedded in the 7'0" massive, wide, double-edged gold blade, large alicorn heads for the crossguard, large metallic red gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large silver gem on the bottom of the alicorn heads for the pommel.

Pinkie Pie: Wow, so that's The Technological Laughter Alicorn Greatsword of The Tech Skylanders, it truly is perfect for me, since I'm The Princess of Laughter and The Tech Skylanders.

Suddenly, we saw Underworld Goddess of the Closed World and Firewall Dragon Singularity appear before us, and with them are the four girls.

Nico: Whoa, that's Underworld Goddess of the Closed World and Firewall Dragon Singularity!

Underworld Goddess of the Closed World: (Girl's voice) (Italian Accent) That's right.

Firewall Dragon Singularity: (Girl's voice) (Japanese Accent) And we got the girls away from that psycho, Tira.

Lincoln: (Gasps) Those voices, Beatrice Shadowhold and Zoey Ryōshidoragon, I knew it was you two, it's so awesome to see you girls again, but we'll talk later, we've still got Tira to deal with.

?: (LAUGHING INSANELY) I can't wait to hear your screams of pain echoing in my ears!

Ivy Valentine: (Growls) There's no mistaking that voice from anywhere, get out here right now, Tira!

We then saw our target, Tira, and she was still completely insane! Tira tried to attack us with her ringblade, only for Lincoln to fire a magnetic blast at the ringblade and suspend it and Tira in the air.

Lincoln: Nice try, psycho!

Pinkie Pie: But, your days of killing are over!

Pinkie Pie went up and grabbed The Technological Laughter Alicorn Greatsword of The Tech Skylanders. Suddenly, Pinkie Pie's light blue eyes turned neon light blue and she was surrounded by a pink energy aura with confetti, balloons, magic, and Alicorns, she unholstered her massive Pinkie Pie's Alicorn Greatsword of Comedic Laughter and Magical Friendship from her back, and as she approached Tira, she left behind pink energy, balloons, confetti, magic, and Alicorns with every step.

Pinkie Pie: You really are crazy, you know that, Tira. You've shown absolutely no remorse for any of your crimes, nor for the victims that you've killed. This is going to be the absolute last time we ever have to deal with you, you basket-case.

Suddenly, Pinkie Pie was surrounded by a massive vortex of pink and blue energy with balloons, magic, and confetti surrounding the vortex, there's an alicorn flying around the vortex, and inside the vortex is a light blue phoenix. Then, as soon as the vortex faded, Pinkie Pie emerged, but she was changed forever.

Pinkie Pie grew from 6'11" to 7'4" in height, she has the body of a goddess, she has light blue highlights in the bangs of her long pink curly hair, she has neon light blue eyes and a pink and blue energy aura with balloons, confetti, magic, gears, and Alicorns surrounding her, Pinkie Pie has an Alicorn with balloons and gears emblazoned on her forehead and Third Eye with light blue iris, she has on Alicorn earrings with pink gems for eyes and the Laughter and Eternity Kanjis in its hooves, she also has an Alicorn with blue gems for eyes and the Laughter and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, she has on a pink short-sleeved blouse, light yellow short-sleeved shirt with balloons on it, pink skirt, light pink pants, pink high-heeled shoes with blue gem balloons on it, and long pink sleeveless trenchcoat with Alicorns, balloons, and confetti on the coattails, and on the back is an Alicorn with balloons surrounding it. Suddenly, Pinkie Pie felt a sharp pain on her back, and then, her massive pink angel wings with light blue highlights on the large pink feathers grew much bigger for her new body and her pink tail also grew longer, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Orange Lantern Ring on her left ring finger and Stone of Gelel embedded in her left hand and her blonde tail grew longer.

Suddenly, Pinkie Pie's massive Pinkie Pie's Alicorn Greatsword of Comedic Laughter and Magical Friendship and The Technological Laughter Alicorn Greatsword of The Tech Skylanders and all the other swords that she'd gotten began to merge together and they were surrounded by a kaleidoscope of pink energy, balloons, confetti, magic, and Alicorns, and when it emerged, it was transformed into Pinkie Pie's Tech Skylander Alicorn Greatsword of Comedic Laughter and Magical Tech Friendship, it's a brand-new massive greatsword with embedded gold, silver, metallic red, and royal blue gems and her cutie mark etched on the 7'0" massive, wide, double-edged pink blade, large gold Alicorn heads for the crossguard, large light blue gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with blue gems for eyes and a large pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and light blue gems for the eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the alicorn that said, "Pinkie Pie, Alicorn Princess of Laughter and The Tech Skylanders, Amazing and Fun Party Planner of Ponyville, Baker of Sweets and Desserts, Emissary of Laughter, Loving Future Wife of Lincoln Loud, Loving Mother of Little Cheese and Many Children, Cousin of Maud Pie, Marble Pie, and Limestone Pie, Friend of Many, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Archenemy of INSTIGATOR, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, and Master of Laughter, Parties, and Technology"

Pinkie Pie has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA HILARITY TECH SKYLANDER ALICORN ANGEL OF DIVINE LAUGHTER TECH SKYLANDER JUSTICE AND DIVINE TECH SKYLANDER LAUGHTER LOVE!

We were really amazed by Pinkie Pie's Super Angel-Alicorn-

Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Tira saw it, she fell into another insane rage and tried to attack, but thanks to Lincoln's magnetic blast suspending her and her weapon, she can't, and that allowed Pinkie Pie to fire a powerful pink and blue energy blast with confetti, balloons, magic, and Alicorns, and it hit Tira and sent her flying out of the shrine and we followed, she got up, but now, she was beyond insane now.

Pinkie Pie: (Divine Echoing Cosmic Voice of The Elemental Harmony Laughter Balloon Tech Alicorn and Divine Laughter Tech Balloon Love) Now, it's time to put you down, you basket-case!

Lincoln: Hold on, Pinkie, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Pinkie Pie.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to be running amok ever again, Tira, now, it's time for you to die for good.

Pinkie Pie and Lincoln went after Tira, and they fired extremely powerful blasts of rainbow energy, pink energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, apples, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers,

Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Tira and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her, along with scratches from Lincoln's claws, and they were angering her even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Pinkie Pie, her hand-cannon Blaster is known as Pinkie Pie's Laughter Tech Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's pink with gears on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by balloons etched on the sides, and a pink gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Pinkie Pie fired blasts of rainbow energy, pink energy, and elemental forces at Tira, and they exploded as they hit her, knocking her down.

Then, Lincoln fired a rainbow energy blade from his massive greatsword and it pierced Tira's black heart and it exploded and sent Tira's spirit to The Black Gates. We cheered wildly as Lincoln and Pinkie Pie holstered their massive greatswords on their backs and powered down, and Pinkie Pie's new body, clothes, weapons, jewelry, Third Eye, longer pink tail, and massive pink angel wings are permanent.

Pinkie Pie: That'll teach you, you nutcase. Thanks for helping me take down Tira for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Pinkie.

Suddenly, Pinkie Pie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Pinkie Pie's face, they kissed passionately as Pinkie Pie's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Pinkie Pie came back to us as the display vanished.

Nico: To be honest, I was so not expecting Tira to come back from the dead.

Lincoln: Me neither, Nico. But, Ivy and the others felt it, Tira came back and she wanted revenge, but we put her down like the mad lunatic that she is, and she's never coming back. (To Beatrice Shadowhold and Zoey Ryōshidoragon) And it's so good to see you again, Beatrice Shadowhold and Zoey Ryōshidoragon.

Beatrice Shadowhold reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Underworld Goddess of the Closed World, and she's dressed in a short-sleeved long midnight black dress, black pants, midnight black high-heeled knee-high boots, and long white sleeveless trenchcoat with darkness and fiends on the coattails and Underworld Goddess of the Closed World on the back and holstered on her back is a massive Underworld Goddess of the Closed World-themed greatsword with Underworld Goddess of the Closed World etched etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large angel heads and large red gem on the bottom of the large angel heads for the pommel.

And Zoey Ryōshidoragon reverted back to normal, and she's a beautiful girl with long flowing blue hair, dark blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings, and she reigned in the power of Firewall Dragon Singularity, and she's dressed in a short-sleeved long dark blue dress, black pants, midnight black high-heeled knee-high boots, and long white sleeveless trenchcoat with dragons and darkness on the coattails and Firewall Dragon Singularity on the back and holstered on her back is a massive Firewall Dragon Singularity-themed greatsword with Firewall Dragon Singularity etched etched on the 7'0" massive, wide, double-edged midnight black blade, large dragon heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large dragon heads and large dark blue gem on the bottom of the large dragon heads for the pommel.

Beatrice Shadowhold: (Italian Accent) You too, Lincoln.

Zoey Ryōshidoragon: (Japanese Accent) Yeah, it's been a long time.

Lincoln went up to Beatrice Shadowhold and Zoey Ryōshidoragon and he hugged them, and Beatrice Shadowhold and Zoey Ryōshidoragon were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Beatrice Shadowhold: (Italian Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Zoey Ryōshidoragon: (Japanese Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these two?

Lincoln: Indeed I do, Nico, the Underworld Goddess of the Closed World Gene-Slammer is Beatrice Shadowhold, she's my Guardian Angel from Italy and classmate in Art, but she's also a passionate poet and a fan of dark magic. She, Lucy, and I would often practice dark sorcery and even learn to control demons and even summon supernatural creatures.

Nico: Wicked.

Lucy: It sure is, and to show thanks, I took Lincoln and Beatrice to a park after where Beatrice kissed Lincoln on the lips during the new moon.

Lincoln: Plus, we found out she's also the twin sister of Sheena Fujibayashu, and Beatrice knew that Sheena had a crush on Lloyd Irving, and she hates Flip with a burning passion, and the Firewall Dragon Singularity Gene-Slammer named Zoey Ryōshidoragon, she's my Guardian Angel from Japan and classmate in Science, but she's also an incredible technomancer and can even enhance machinery and surprisingly loves dragons, and her last name, Ryōshidoragon, means Quantum Dragon in Japanese.

Me: Now, that's really awesome.

Lincoln: It sure is, and she and I would play Dungeons and Dragons with the other siblings, and we even cosplayed as the Dungeons and Dragons characters, and while they were cosplaying, Zoey kissed me on the lips, and Nico, you're going to like this part: she's also the cousin of Mimi Tachikawa and she's known that both Tai and Mimi are dating.

Nico: Whoa, Tai and Mimi are literally in for a family reunion when we get back, the same with Beatrice and Sheena and Lloyd.

Lincoln: You bet, and she hates Lewis Travolta and Bubble Bass with a burning passion.

Eli: So, we got two Guardian Angels who hate the two biggest gluttons in Michigan and Bikini Bottom and Michigan's smelly mutant cheapskate.

Beatrice Shadowhold: (Italian Accent) That's right. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Beatrice, Zoey, are you absolutely sure about this?

Zoey Ryōshidoragon: (Japanese Accent)(Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Beatrice Shadowhold and Zoey Ryōshidoragon, and he saw that they're really serious, and he smiled as he walks over to Beatrice Shadowhold and Zoey Ryōshidoragon, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Beatrice Shadowhold's neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Zoey Ryōshidoragon.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Beatrice Shadowhold and Zoey Ryōshidoragon with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Beatrice Shadowhold: (Italian Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and Zoey are now part of my harem and my many future wives, Beatrice.

Beatrice Shadowhold and Zoey Ryōshidoragon had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Shareena Wickett and Lemonjella and Orangejella LaBelle from Detention and Hitomi Rinmuro from The Reason I Made a Sexfriend.

Lincoln: Oh wow, it's Shareena Wickett and Lemonjella and Orangejella LaBelle from Detention and Hitomi Rinmuro from The Reason I Made a Sexfriend.

Nicole: Awesome.

Lincoln: Are you girls okay?

Shareena Wickett: Yes, we're okay, thanks to you.

Then, when Shareena Wickett and the other three girls saw who it was that saved them from Tira, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shareena Wickett, Lemonjella and Orangejella LaBelle, and Hitomi Rinmuro with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Pinkie Pie had gotten The Technological Laughter Alicorn Greatsword of The Tech Skylanders, and they were shocked when they found out the villain we went after was Tira, who had come back from the dead to get revenge on us for killing her last year.

But, when Lincoln showed what happened such as Pinkie Pie transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln brutally beat that psycho down and sent her to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Beatrice Shadowhold, and Zoey Ryōshidoragon have a lot of catching up to do, now that they're back in town, and Sheena was reunited with Beatrice and Mimi was reunited with Zoey.

Maria: Oh damn, I certainly wasn't expecting to find out that Tira came back from the dead, she sure doesn't know when to quit.

Lincoln: She sure doesn't, but we made sure she was put down for good, and now, she's never ever coming back.

May: Thank goodness.

After finally getting rid of Tira and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Beatrice Shadowhold and Zoey Ryōshidoragon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Beatrice Shadowhold: (Italian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Zoey Ryōshidoragon: (Japanese Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Beatrice Shadowhold: (Italian Accent) That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Beatrice, Zoey, what memories did you have with Lincoln?

Beatrice Shadowhold: (Italian Accent) I remembered this one time, I was walking home with Lincoln and Lucy after her meeting with The Young Morticians' Club, but then, we heard the sound of a yell in the air and the smell of an unwashed cheapskate, and we saw who it was coming after us: it was Flip, and he was still out to kill Lincoln and his sisters, but we summoned an army of demons, and they all viciously attacked Flip and he was badly mangled up, and the cops came and took Flip back to jail, as he got another Life Sentence added to the multitude of Life Sentences he's racked up.

We cheered.

Nico: Flip made a big mistake in messing with you three who happen to be masters of dark sorcery and summoning demons.

Me: Yep, and I remember that day all too well. That cheapskate really deserved it big time.

Zoey Ryōshidoragon: (Japanese Accent) He sure did. Okay, now for me, I was hanging out with Lincoln in his room, but then, our newly upgraded security system sounded, and we saw who triggered the alarm: it was Lewis Travolta and Bubble Bass, and those two gluttons were still out for revenge. But, my security system deployed security robots that trashed those two, tied them up, and sent them flying back to their prisons: Lewis Travolta at Lynn's Table and Bubble Bass at The Uranus Prison's Underwater Criminal Wing.

We cheered.

Me: That's some impressive work, Zoey.

Mimi: You said it.

Nico: Yeah, Zoey was known as The Tech Wizard, because her Technomancy Powers have enhanced so many gadgets on an unprecedented level and gave them some awesome hack-proof upgrades.

Lincoln: You bet, and the hack-proof upgrades she added to my room for security made it so that Lisa couldn't hack it when her Dark Side takes over to try and get revenge on me, and it also attacked Lori, Lynn, Lola, and Luan as well when their dark sides take over as well.

Eli: Yikes, never mess with a Technomancer and expect to get out alive.

We got a shower afterwards, and then, Lincoln, Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura are dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura also had feelings for Lincoln, and Lincoln also had feelings for them, and he also saved them from Icky Vicky who broke out and tried to kill them with a chainsaw, but Lincoln came in and saved them and he broke Icky Vicky's back and chained her back up to her post with Neutronium Chains lined with rainbow energy.

Ami Onuki: Wow, we're here in Lake Lamode, awesome.

Lincoln: And it's perfect for our first beach date. Shall we?

Lincoln, Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went into an indestructible dome and they had a game of volleyball, and even did some surfing, and Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift up two 900,000,000,000,000-lb barbells Lincoln summoned, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and

Yumi Yoshimura and they hugged the girls in their abnormally massive and powerful muscular arms and Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny(Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lu Lingqi, Diao Chan, Geeta (Pokemon), Nemona (Pokemon), Iono (Pokemon), Penny (Pokemon), Rosa (Pokemon), Juliana (Pokemon), Miriam (Pokemon), Ami Onuki, and Yumi Yoshimura with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Sticks the Badger: Looks like we got five new members to Lincoln's harem, nice.

After Lincoln's beach date, he and his harem went off to the mall to do some final Christmas shopping.

Applejack: Alright, looks like we need to hightail it.

Lincoln: Yeah, we got some final Christmas shopping to take care of. But, we also to keep our guard up, after what happened last year with Giselle Razor, we can't take any chances.

Lindsay Oropendola: Especially with Abigor still running loose.

Lincoln: Exactly, Lindsay.

Yumi Yoshimura: That wind demon's not going to stop until he gets revenge for what you did to Blackheart, Lincoln.

Lincoln: He's not getting any chances at all when we get after him after our main mission, Yumi. Alright, ladies, let's get shopping!

Lincoln and Lincoln's Harem: CHAAAAAARRRRRRGEEEEEEE!

Lincoln and his entire harem charged out, and they were buying everything from the stores: video games, comic books, clothes, cell phones, guitars, joke books, comedy gags, sports equipment, art supplies, dark magic books, tools, dresses, tea sets, tiaras, chemistry sets, cameras, coloring books, cooking supplies, paper and pens, and everything they can find. Lincoln and his harem paid for all the things they've bought, and they came back home. When we saw the bags they had, our jaws dropped to the floor.

Nico: YOWZERS! You guys literally cleaned out the mall!

Lincoln: This is all for some final Christmas shopping, Nico.

Me: (Whistles)

May: You said it, it's like the many Christmas shopping sprees we've had, along with The Black Friday Shopping spree we went on weeks ago, wow.

Girl Jordan: We really cleaned up the mall, and we've had no trouble, especially from Abigor.

Lincoln: But, we'll run into him on our main mission, Girl Jordan, and we'll take him down.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Abigor, the Wind Demon, and he's coming for revenge on us for what we did to Blackheart. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're so not liking this one bit: the dark energy signal we just sensed belongs to our old enemy, Abigor, the Wind Demon, and he's coming for revenge on us for what we did to Blackheart.

Max Goof: Just as I thought.

Lincoln: Yep, but just like Gressil and Wallow, Abigor is going to be put into The Masters of Evil, but not after we give him a beatdown for what he's done in Blackheart's name.

Lindsey Oropendola: That's right, we'll make that wind demon pay, and if he so much as brings up my painful past, it's on.

Lincoln: My thoughts exactly, Lindsey.

Nico: Yep. Say, Lincoln, would you like to do the honors?

Lincoln: Wait, really, you're…?!

Nico: (Smiles) Of course, after all, it's Christmas Eve.

Lincoln: Thanks, Nico. (Hugs Nico) Alright, team, let's go hunt down Abigor and take that malignant Wind Demon down!

Me: That fucker's not getting out of this!

Nico: Let's get this bastard!

We went out of The World Tree Estate to confront the last of The Hidden, the Wind Demon, Abigor.

We arrived at the park.

?: You fools are going to pay for what you did to Blackheart!

Me: I always knew there's no mistaking that voice from anywhere, you can come out now, Abigor.

A gust of wind descended onto the ground, and a figure took shape, it was our old enemy, Abigor, the Wind demon and the last of The Hidden.

Abigor: No words can even describe how much I hate every last one of you, you have ruined all of Blackheart's plans to finally rule this pathetic world and you've killed me twice! I HATE ALL OF YOU SO MUCH!

Our energy auras flared up and we gained a massive power boost from Abigor's hatred.

Lindsey Oropendola: That was your fault, not ours, and now, you're going to get it.

Suddenly, Lindsey Oropendola's pink eyes turned neon pink and she was surrounded by a pink energy aura with water, darkness, mucus yolks, and phoenixes, she unholstered her massive Mucus Yolk-themed greatsword from her back, and as she approached Abigor, she left pink energy, water, darkness, mucus yolks, and phoenixes with every step.

Lindsey Oropendola: I've had it up to hear with you for the last time, Abigor, you, Gressil, and Wallow have instigated nothing but chaos and destruction both on Earth and in Hell, and all for Blackheart's sick powerhungry desires to take over the world. Well, that ends here, and now, you will pay!

Suddenly, Lindsey Oropendola was surrounded by a massive vortex of pink energy with water and darkness surrounding the vortex, there are phoenixes and Mucus Yolk flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Lindsey Oropendola emerged, but she was changed forever.

Lindsey Oropendola grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a pink energy aura with water, darkness, mucus yolks, and phoenixes surrounding her, she has Mucus Yolk emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Dark, Water, and Eternity Kanjis in its claws, she also has Mucus Yolk with a red gem in the center and holding the Dark, Water, and Eternity Kanjis around its nucleus on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Lindsey Oropendola has on a short-sleeved pink blouse, sleeveless pink top, pink skirt, pink pants, dark purple heeled sneakers, and long white sleeveless trenchcoat with water, darkness, mucus yolks, and phoenixes on the coattails, and on the back is Mucus Yolk and it's surrounded by darkness. Suddenly, Lindsey Oropendola felt a sharp pain on her back, and then, her massive pink angel wings grew much bigger for her new body, and the pink feathers now have purple tips, she now has eleven massive and long pink wolf tails, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Lindsey Oropendola's massive Mucus Yolk-themed greatsword and all the swords that she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, water, darkness, mucus yolks, and phoenixes, and when it emerged, it was transformed into Mucus Yolk's Maelstrom Darkness Aqua Grudge Greatsword of Darkness Maelstrom Grudge Justice, it's a brand-new massive greatsword with embedded black and red gems and Mucus Yolk etched on the 7'0" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large black and red gem embedded in the rainguard, longer midnight black handle, four large pink phoenix heads with red gems for eyes and a large black and red gem below the phoenix heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Mucus Yolk with a large red-pink gem in the center for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a pink kanji below Mucus Yolk that said, "Lindsey Oropendola, Gene-Slammer of Mucus Yolk, Survivor of A Rough Life and A Dark Past, Powerful Master of Water and Darkness, Loving Future Wife of Lincoln Loud, Archenemy of Caribou the Swamp Pirate, Former Daughter of Mrs. Oropendola, Despiser and Destroyer of Scoots, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Water, Mucus Yolks, and Phoenixes"

リンジー・オロペンドラ、粘液卵黄のジーン・スラマー、荒れた人生と暗い過去の生存者、水と闇の強力なマスター、リンカーン・ラウドの愛する未来の妻、カリブー・ザ・スワンプ・パイレーツの大敵、オロペンドラ夫人の元娘、デスパイザーとスクートの破壊者、悪のスレイヤー、混乱した殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、闇、水、粘液の黄身、フェニックスのマスター

Lindsey Oropendola's transformed into SUPER ANGEL-PHOENIX-MUCUS YOLK-HARMONY CELESTIAL ETERNAL XELNAGA MAELSTROM DARKNESS GRUDGE MUCUS YOLK PHOENIX ANGEL OF DIVINE DARK WATER GRUDGE MUCUS YOLK JUSTICE AND DIVINE DARK WATER GRUDGE MUCUS YOLK LOVE!

We were amazed by Lindsey Oropendola's Super Angel-Phoenix-

Mucus Yolk-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Abigor saw it, he went mad with rage and ran at her to kill her, but Lindsey Oropendola fired a powerful pink energy blast with water, darkness, mucus yolks, and phoenixes at Abigor, and it hit the Wind demon and sent him flying back, he got up, and he was now pissed off.

Nico: Wow, Lindsey's transformed, that's so awesome!

Lincoln: That's really awesome, and now, Abigor is about to pay for his crimes, and Lindsey, you look beautiful, how do you feel?

Lindsey Oropendola: (Divine Echoing Cosmic Voice of The Maelstrom Darkness Mucus Yolk Grudge Phoenix Angel and Divine Maelstrom Darkness Mucus Yolk Love) I feel incredible, Linky. Now, shall we put a stop to Abigor once and for all?

Lincoln: (Smiles) With pleasure, Lindsey.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Lindsey Oropendola.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've had this coming for a very long time, Abigor, now, it's time for you to pay!

Lindsey Oropendola and Lincoln went after Abigor, who fired blasts of wind at them, but Lincoln fired counter-clockwise wind blasts and destroyed Abigor's wind blasts, and they fired extremely powerful blasts of rainbow energy, pink energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Abigor and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Lindsey Oropendola, her hand-cannon Blaster is known as Mucus Yolk's Dark Water Grudge Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black and red with ocean waves on the blaster and with a Phoenix, Angel, and Mucus Yolk surrounded by darkness etched on the sides, and a pink gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Lindsey Oropendola fired blasts of rainbow energy, pink energy, and elemental forces at Abigor and as they hit him, they exploded with incredible power, and he was knocked down, tied up, and sent to The Masters of Evil. We cheered as Lindsey Oropendola and Lincoln holstered their massive greatswords on their backs and powered down, and Lindsey Oropendola's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, and massive pink angel wings are permanent.

Lindsey Oropendola: And now, The Hidden have been taken down. Thanks for helping me take down Abigor, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lindsey.

Suddenly, Lindsey Oropendola wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Lindsey Oropendola's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Mucus Yolk flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness around them and we cheered wildly. Then, Lincoln and Lindsey Oropendola absorbed the darkness and they came back to us as the display and Mucus Yolk vanished.

Nico: Whoa, now that's what I call a battle against the wind, awesome job.

Lincoln: Thanks, Nico. Now, The Hidden are now new members of The Masters of Evil, but that'll be after they cool down.

Me: You got that right.

Nico: Yep, plus, we don't have any main missions since we're nearing Christmas, but we still had to put a stop to Abigor.

Eli: Yeah, otherwise, he was going to continue to cause havoc.

Lincoln: So, it's good we took him down before Christmas, whew.

---

Me: Yeah it sure was. You guys helped me bust a bad guy that has eluded me for over 10 years.

Applejack: Yeah that guy was slippery.

Rainbow Dash: He sure was. But it was awesome facing him.

Natsumi: But now, we've got a new assignment.

Me: What is it?

Natsumi: We got reports of a massive drug operation in the city.

Me: Uh oh.

Nicole: What kind of drug operation?

Miyuki gave us a wanted poster and it showed a huge number of men and women.

Me: Whoa man! I know this group. The Vikkingston Cartel. They are a notorious drug cartel that is from Uruguay and they are known for smuggling countless huge amounts of cocaine, heroin, meth and ecstasy all over the world and selling it all over the world for huge amounts of money. The top dog law enforcement agencies have been after them for years but never have been able to find them or catch them.

Natsumi: That's right. We have evidence that shows that they are here in Japan in an abandoned airport terminal.

Himiko: Sounds like these guys are really bad news.

Me: They sure are Himiko.

Camie: But we're not going to let them get away.

Me: Not with us on the job.

Tyler Bowman: Maybe we can give some cocaine to Roger as a Christmas Present when we're done here.

Me: Not gonna happen Tyler.

Nico: Yeah you would have to be out of your mind to do that.

Eli: Yeah you would have to be crazy to do that.

Tyler Bowman: Okay okay okay. Jeez.

Me: We have this idiot back home named Roger Smith and he Loves cocaine and wants more of it.

Natsumi: Geez you need to keep a leash on him.

Me: We're trying.

Nanette: Yeah but he wants more and more and more Cocaine.

Ochaco: We won't let him have anymore.

Me: Yeah.

---

We saw intense yellow lightning streaking across the sky and it was amazing!

Me: WOW!

Eli: That is powerful lightning.

Me: I have a feeling the next Embodiment is for Kamen Rider Espada.

Kento Fukamiya: I have that feeling too. That will be cool.

Natsumi: How about we get changed into jumpsuits?

Me: Good idea.

Natsumi: Oh correction. They are actually over at the Hachijō-jima Royal Hotel.

Nico: I remember seeing that island and that hotel. That was home to the Hachijō Royal Hotel and it was shut down in 2006 due to bankruptcy.

Me: It's really odd that they are using a hotel that has all that historical value as their hideout.

Eli: It sure is.

Me: Oh please excuse us.

We turned our backs to them so they would change.

Nicole kept an eye out to make sure no perverts would see them.

Nico: Remember when I would spray pepperspray into my eyes so I wouldn't be a pervert?

Me: I sure do Nico. That was stupid. Go blind that way.

Nico: I know. But not when you have Sabretooth's accelerated healing factor.

Eli: Still hurts you though.

Izuku: Yeah it sure does.

Bakugo: That is crazy to do that though.

Camie: Yeah.

Natsumi: Nicole how did the battle with All For One go?

Nicole: That was easily one of our most awesome battles ever. During Sheila and Eric's Big Day mission which was also their amazing wedding, Izuku and his friends all helped us with one of Lupin's enemies and it was awesome. Then on April 7th we really delivered an epic and awesome full scale assault on All For One and banished him to the Black Gates forever.

Nanette: It was so awesome.

Sheila Castille Loud: 2 really awesome adventures for us.

Nicole: Yep.

They were later changed into their jumpsuits.

Sheila's was green, Nanette, Maxxine, Rice and Georgina's were red, Sydney's was blue, Kendra's was brown, Irina's was blue, Julie's was black, Evelyn's was blue, Reika's was magenta, Kita's was green, Natalia's was orange, Natsumi's was black, Miyuki's was Green, Ayeka's was purple and Nadeshiko's was blue.

Nico: Now, we're ready.

Me: (Eyes Glow Red) Lets go bust us a drug operation.

We were off to Hachijō-jima Island. Which was about 50 miles south of Tokyo.

We saw the island and saw the hotel.

Eli: Boy it sure is a nice hotel. I can't believe it would be abandoned like that.

Nicole: I know. It was left to rot there.

Me: Geez.

Eli: But they are all in there. I sense it.

Natsumi: Looks like no one has been here for years.

Me: It was shut down 16 years ago.

Nico: Think we should renovate it afterwards?

Me: That's not a bad idea. With the kind of money we have we can make this place a really fun and great vacation spot.

Eli: I agree.

Nico: Lets get them.

Apple Bloom: Lets do it guys.

Nico: And no, I'm not gonna use cocaine to go berserk on them. I swear it was an accident that one time.

Me: Good. That was an accident.

Eli: Yeah.

Apple Bloom: Entrance time!

We went at the hotel.

The people were really making drugs all across the board.

Then the spirits of the Hamburgers of the Elements appeared and they swirled around them and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them all and then force fields appeared and blocked off all their escape routes and then a phoenix cry was heard and then we came out.

Me: Okay you Cocaine-Braindead Scumbags are all under arrest!

Drug Man: Team Loud Phoenix Storm! GET THEM!

Troy: Go go Megaforce!

He transformed!

Troy: FURY OF THE DRAGON! MEGAFORCE RED!

He was ready!

I fired waves of fireballs and smashed their chemical gear and burned it all into ashes.

Nico: You druggies have failed this world!

Eli fired waves of lightning and electrocuted them all over.

Saber Riders: HENSHIN!

They transformed and were ready!

They fired waves of energy and elements and smashed them all over.

The Underground Girls and the Cop Girls groaned as their jumpsuits got tight.

And they ripped and they all transformed into their Underground Monster and Gene-slammer forms!

Me: YEAH!

Eli: Lets do it!

Natsumi fired waves of lightning and electrocuted many druggies!

In the sky above the hotel, yellow lightning streaked across the sky more. Then it saw the battle going on.

Troy: (gets out Blizzard's Gaia Memory) Chill out!

BLIZZARD!

He fired waves of ice and froze them.

Then…

LOUD THUNDERCLAP!

Yellow Lightning blasted through the hotel roof and then electrocuted many Druggies all over and burned them and also they were knocked out. Then it formed into a golden hair girl with yellow clothes and angel wings and she had the symbol of Espada on a tiara she had on her forehead as well as on her shirt and she had a Thunderclap Sword Yellow Thunder sword! And her own Wonder Ride Book for Lamp do Alangina.

Me: WHOA!

Nico: Nice entrance!

Eli: Electrifying.

Vicky Ann Jupiter Espada: Glad you liked it. My name is Vicky Ann Jupiter Espada, Embodiment of Kamen Rider Espada.

Kento: Wow! This is amazing!

Vicky Ann Jupiter Espada: It sure is. I'll explain why I'm here later.

She fired more waves of lightning and electrocuted them all over.

Tyler Bowman: (gets out Touch and Go's Gaia Memory) Two for the price of one!

TOUCH & GO!

He ran fast with incredible speed and smashed and pulverized the druggies all over.

Vicky Ann Jupiter Espada fired blasted a bunch of lightning and electrocuted them all over.

Natsumi fired waves of lightning and electrocuted them all over.

Miyuki: Save some for me!

Miyuki fired waves of ink and squirted it into their eyes.

OUCH!

Me: Nothing hurts worse than getting ink into your eyes. But so does this. Kento do you mind?

Kento: Go for it!

I got out the Lamp do Alangina Wonder Ride Book.

Me: (Reads Verse) "Unleashing the force of lightning from the vastness of the heavens, the mighty genie let loose the full force of the storms of Zeus upon his enemies and brought them down to the darkest pits of Tartarus to burn forever with indiscriminate fury."

Lightning struck the Druggies and sent many of them all down to Tartarus.

Me: YEAH!

Vicky Ann Jupiter Espada: That was well done!

Ayeka: My turn!

Ayeka snipped and slashed numerous chemical sets and Nadeshiko stabbed numerous druggies and immobilized them.

The Cutie Mark Crusaders all blasted the Druggies all over.

Nicole bashed the druggies with a hammer made of stars.

Nico: How many are left?

We looked around.

Me: All that's left is their ringleader.

We saw him.

Me: Joze Alesandro Gutierrez. Wanted in 20 countries for everything you did over the years.

Joze Alesandro Gutierrez: (Uruguayan Accent) You will NEVER TAKE ME ALIVE!

I fired waves vines and captured him.

Me: Oh yes we will.

The big organizations of law enforcement in the world loaded up the entire drug gang.

Nico: Here are some towels for you girls.

Natsumi: Thanks.

Nicole formed a dome of darkness and they changed under it and then they knocked on it and came out.

Natsumi's was black, Miyuki's was green, Ayeka's was purple and Nadeshiko's was blue.

Nico: Awesome.

Camie: But that was an awesome arrest.

Apple Bloom: Yeah it was!

Sweetie Belle: We all had a lot of fun with that one.

Vicky Ann Jupiter Espada: You all sure did and that was awesome.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone what happened and it was awesome.

May: Whoa that is awesome!

Eli: It sure was awesome.

May: Next time, Tyson and Eli Shane can come.

Me: Good idea!

Apple Bloom: This will be awesome and great!

Qin: It sure will.

Poliwag: Oh boy. Cookies!

Me: Lets taste them.

We got to eating.

We had lots of many cookies. We had chocolate chip, Kiwipia Crystal Unicookie, royal banana nut bites, Old Fashioned Marshmallow Citrus Crumblies and so many more.

Qin: (Eating a Kiwi Cookie) MMM!

Xenia: (Eating a Royal Banana Nut Bite) MMM!

Horsea: I want some!

She got some awesome cookies.

Nico: Mmm!

May: Boy these are awesome and delicious!

Laney: And they go awesome with milk.

We got to having milk too.

Camie: (EATING) MMM!

Manaphy: I want some cookies too!

Me: Now now guys. Plenty for everyone.

Nico: Yeah.

Laney: (Eating more cookies) So good!

Maria: Nico, which teams have you made?

Nico: Jeri's team will include Shirley the Loon, Aslan (Narnia), Shishido, Samson the Lion, and Sekhmet. Vinyl's team will include Rui, Sirenmon, Ariel's Sisters, Athena, and Melody

Me: Awesome choices Nico!

Qin: Hey those are great! All lions for Jeri and mermauds for Vinyl. Good call.

Lillian Krabappel then came in.

Poromon: Hello, Lillian Krabappel!

Lillian Krabappel: Hey Poromon, hello everyone.

Me: Awesome to have you with us.

Lola: Yeah.

Edna Krabappel: Hello Lill. Ha!

Lillian Krabappel: Edna it's awesome to see you.

Nico: So, you're Poromon's actual preschool teacher

Lillian Krabappel: Yes I sure and I do apologize for all the pain Principal Wolverine did.

Me: It's not your fault. But at least you're back now.

Eli: Is everything all right?

Lillian Krabappel: Yes I am fine now.

Poliwag: I hope you're aware that he bit Poromon on the butt.

Lillian Krabappel: I know and I'm sorry. That guy was an absolute nightmare.

Me: He was. Superintendent Chen laid down the law on him.

Qin: Yeah she sure did.

Camie: It was brutal.

Manaphy: How do you feel having Poromon as a student?

Lillian Krabappel: I love having him as a student and he is a great learner and more.

Me: He sure is.

Qin: Yep. All the mascots are.

Horsea: Thank God you got out of Springfield.

Me: Yeah we blew that entire nightmarish hellhole into kingdom come.

Lillian Krabappel: That's what I was hearing. I'm glad you did.

Qin: So is the world. Everyone is happy that both Quahog and Springfield are both gone.

Lola: Yeah no kidding.

Nico: All right, guys. Time for bed. We have presents to open tomorrow.

Me: Good idea.

We looked at the clock and it was 9:35 PM.

Evilseed: Before we go to sleep, Vypra told me to give you these.

He pulled out a bunch of weapons for the Rainbow Dominion of The Mekk-Knights, it's a massive collection of Mekk-Knight-themed spellbooks that also have some Weapon Fusion spells that also have the same effects as The Atlantis Sisters Gene-Slammers' Weapon Fusion spells. Once in hand, they'll get a massive power and energy increase.

Nico: Thanks Evilseed.

Maria: Nico, the Farfetch`d Gene Slammer will probably appear tomorrow. But which one do you think you'll meet on tomorrow's rescue?

Nico: I'm going for Dodrio next.

Qin: Cool! The Three Headed Bird Pokemon.

Lola: That one is really fast.

Nico: Yep.

We went and got ready and went to sleep.

Packing Day nightmares the Louds have suffered for years. And we're going to meet three Gene-Slammers there as well. They are:

Evelyn Nicholas, Gene-Slammer of Yool, she's Lincoln's Guardian Angel from The North Pole and his classmate in Art, but she's also a beautiful fashionista, but she also hates naughty people notably the jerks, such as NO MA'AM, Billy McLean, Lila Rossi, Flip, Lewis Travolta, Pablo, Anderson, Amy, and even Scoots. The reason why, because she's the great granddaughter of Saint Nicholas A.K.A. Santa Claus himself. She, like her great-grandfather, makes a list of who's naughty or nice, and Lincoln is one of the nicest people she met, in fact, she fell in love with him. and she even loathed the Dark Sides of Lori, Luan, Lynn, Lola, and Lisa, and she even made the jerks part of the Permanently Naughty List. She and lincoln would do Christmas activities together, and during their caroling, Evelyn kissed Lincoln on the lips while they were under the mistletoe. She hates the jerks with a burning passion, hence her Permanently Naughty List.

Angelina Kalā, Gene-Slammer of Fire Hand, she's Lincoln's Guardian Angel from Hawaii and classmate in Math, her last name, Kalā, means Sunshine in Hawaiian, she's also the cousin of Batch, and elder twin sister of Elsa Snjóstormur, and like Lola and Lana, while Elsa prefers to wear pants, Angelina wears dresses, but thankfully unlike the original Snow Miser and Heat Miser, Angelina and Elsa never fought each other, but they do have disputes, but luckily, Lincoln was there to diffuse them. Angelina and Lincoln would often help Leni with with fashion, and whenever Lincoln was busy, Angelina and Elsa would also help out the Loud Sisters. To show thanks, Lori, Leni, Luna, Luan, and Lynn took Lincoln and Angelina to a hot spa, where while relaxing, Angelina kissed Lincoln on the lips. Plus, both she and Elsa really hated the jerks with an extreme passion, and she, Elsa, and Lincoln love to sing together.

And Elsa Snjóstormur, Gene-Slammer of Ice Hand, she's Lincoln's Guardian Angel from Iceland and classmate in Math, her last name, Snjóstormur, means Blizzard in Icelandic. She's also the cousin of Gluko and younger twin sister of Angelina Kalā, and like Lola and Lana, while Elsa prefers to wear pants, Angelina wears dresses, but thankfully unlike the original Snow Miser and Heat Miser, Angelina and Elsa never fought each other, but they do have disputes, but luckily, Lincoln was there to diffuse them. Elsa and Lincoln often helped Luan with coming up with new pranks, and whenever Lincoln was busy, Elsa and Angela would also help out the Loud Sisters. To show thanks, Lucy, Lola, Lana, Lisa, and Lily took Lincoln and Elsa to an ice skating rink, where while skating, Elsa kissed Lincoln on the lips. Plus, both she and Angelina really hated the jerks with an extreme passion, and she, Angelina, and Lincoln love to sing together.

Tomorrow for Christmas we're going to watch the awesome movie The Nutcracker from 2010 and we're going to love watching the musical for it and love the songs for christmas.

See you all next time.

**Dr. George Claw** (also known as **Sanford Scolex** in the first live action film, **George Claw** in *Gadget and the Gadgetinis*, and **Irving Balonious Claw, Jr.** in the 2015 series) is the main antagonist of the *Inspector Gadget* franchise. He is the unseen crime lord of M.A.D., who is obsessed with destroying the titular main protagonist and taking over the world. His face and full body is never seen throughout any of the franchises, except for his clawed hands, hence his name.

Judging by the elements of the franchise, he was loosely inspired by the classic spy movie villain Ernst Stavro Blofeld, the archenemy of James Bond.

He was voiced by Frank Welker and the late Don Francks (who also voiced Mok Swagger in *Rock & Rule*, Kybo Ren in *Star Wars: Droids- the Adventures of C3P0 & R2D2*, Sabretooth in *X-Men: The Animated Series*, Gmork in *The Neverending Story* 's animated series, Dr. Greed in *Journey to the Center of the Earth* and D. D. Kovet in *An Angel for Christmas* ) in the original 1983-1988 series and the late Tony Jay in the 1989-2000 TV series, who also voices Monsieur D'Arque in *Beauty and the Beast* and Judge Claude Frollo in *The Hunchback of Notre Dame* ; Brian Drummond in the 2001-2005 TV series, Corey Burton in the 2006-2014 TV series, and Martin Roach in the 2015 TV series, who also voices Malco in *Di-Gata Defenders* and portrays Daniel Mutuku's Demon in *Locke & Key* .

Dr. Claw is much smarter than Inspector Gadget, who is extremely idiotic and gullible, and is unable to identify a disguised criminal as a MAD agent. If it was not for Gadget's dog, Brain (who is often accused by Gadget as either a MAD agent or is just chasing him for carrying information paper that is precious to MAD), and his niece, Penny, then Dr. Claw would have easily succeeded quickly in only one mission, as every episode follows a very similar story, a recurring trait in superhero cartoons.

He runs a criminal syndicate called M.A.D., whose mascot is an evil pet cat named MAD Cat (whom he keeps by his side). His hideout is usually in an old castle first seen in the episode " *Winter Olympics* ". Even though he destroyed his own castle in "Winter Olympics," it is assumed the M.A.D. agents reconstructed it. In "Gadget and the Gadgetinis," Dr. Claw's hideout is a beachside mansion with a fancy futuristic design. Dr. Claw's plans would be foiled in every episode, forcing him to flee in his versatile black and red vehicle called the Clawmobile - also known as the M.A.D. Mobile (which could fire missiles and change into a car, jet, or submarine).

While escaping he would yell his catch phrase: "I'll get you next time, Gadget!… Next time!" -,or some variation, which was followed by MAD Cat's signature yowl and hiss. Even though Dr. Claw has seemingly unlimited resources and riches he still tries to rob banks on occasion, and in one episode he teamed up with his Japanese counterpart, Iji Waruda-san, to steal all the jewelry in the world with Waruda's weapon, the "Fuji Ray". In " *Gadget and the Gadgetinis* " Dr. Claw states that he hates children and doesn't want his nephew William to stay with him.

When I was done everyone that hadn't heard about it was shocked!

Camie: Oh man! I can't believe he is that evil!

Xenia: We won't let him get away with this!

Me: No we sure won't! But we killed him twice so we'll have him put into the Masters of Evil this time. Vypra will keep him in check.

Pink Ranger Slayer: That's for sure J.D. We sure will.

Me: Great.

Nico: Flash, I want to thank you, Golden Glider, and your teams for coming.

Flash: Not a problem Nico.

Golden Glider: But this is perfect because we're over my favorite environment and that is ice.

Me: I agree.

Nico: J.D. has a really bad history with Dr. Claw.

Me: Yep. Also Dr. Claw gave me this.

I showed a MAD Symbol Scar on the back of my left hand.

Me: This is my mark from Dr. Claw that he gave me when I was closing in on his operation years ago.

Camie: Geez! That must've hurt.

Me: It REALLY Hurt.

Eli: Ouch.

Me: Yeah and we were killing and arresting Many of his MAD Agents left and right and it was a brutally crazy process.

Laney: Yep. It was awesome taking them down for a while.

Nico: Fiona, remember when we first met?

Fiona Hernandez: I sure do Nico. We met for the first time at Church and you and I became great friends after that. We went on so many awesome treasure hunts.

Ibara: That is so amazing that you and Nico are church buddies Fiona.

Fiona Hernandez: I agree there. He met me and my sisters too. It was really awesome.

Lola: You and your sisters are all amazing Fiona.

Maria Hernandez: We all think so too.

Nicole Hernandez: I think it's really awesome that we all met Nico.

Nico: It sure is.

Me: Yeah.

Nico: And now, you 3 are part of my harem.

Me: They sure are. 4 actually. Don't forget Natasha.

Qin: Yeah that's true.

Lola: I think it's awesome.

Nico: It sure is.

Me: Yeah it is so amazing.

Nico: So, Flash. What did you get for Christmas?

Flash: Awesome super fast speed boots.

He got red rainbow lightning speed boots.

Qin: Those are great Barry.

Flash: Thanks Qin. They sure are awesome.

Nico: I think so too.

Lola: We all had fun.

Nico: What about you, Golden Glider? Did you get anything for Christmas?

Golden Glider: I got awesome lightning thunder skates. I can strike my enemies with lightning from them when I skate.

Qin: Those are awesome Lisa!

Golden Glider: They sure are. And it will be so cool to see what they can do.

Xenia: Yeah it sure will.

Laney: We all got some really awesome gifts for Christmas.

Twilight Sparkle: We all sure did.

Me: What did you and your friends all do for Hearthswarming Eve Twilight?

Twilight Sparkle: We had a great party and had apple cider and cakes and desserts and even so many awesome stories.

Me: Glad you guys all had fun.

Varie: We all are.

Nico: I honestly didn't expect Kazuma to give Evelyn a Christmas Gift.

Me: Well he told me to give it to her for Christmas since we don't visit Kazuma till February 12th.

Evelyn: That was really awesome of him.

Me: He gave me very specific instructions not to give it to her till Christmas.

Qin: And it's good you followed them.

Xenia: Yeah but that was so thoughtful.

Me: It sure was.

Nico: I'll say.

Camie: Boy all our presents were great.

Nico: Before we go after Claw, we need to make a stop.

Me: What is it Nico?

Nico: You'll see.

We landed and Nico walked towards a seemingly ordinary snowman.

Maria: Wait. I think I know what he's doing.

Me: Yep.

Nico went over and sang the great song Frosty the Snowman.

Nico: (SINGING DIVINELY)

Frosty the Snowman, was a jolly happy soul,

With a corn cob pipe and a button nose, and two eyes made of coal.

Frosty the Snowman, is a fairytale, they say.

He was made of snow, but the children know he came to life one day.

There must have been some magic in that old silk hat they found,

For when they placed it on his head, he began to dance around!

Oh, Frosty, the Snowman, was alive as he could be;

and the children say he could laugh and play,

just the same as you and me.

Thumpety thump, thump, thumpety thump, thump,

look at Frosty go.

Thumpety thump, thump, thumpety thump, thump,

over the hills of snow.

Frosty the Snowman, knew the sun was hot that day,

so he said, "Let's run, and we'll have some fun now, before I melt away."

Down to the village, with a broomstick in his hand,

Running here and there, all around the square,

sayin', "Catch me if you can."

He led them down the streets of town, right to the traffic cop;

and only paused a moment, when he heard him holler, "Stop!"

For Frosty, the Snowman, had to hurry on his way,

But he waved goodbye, sayin' "Don't cry, I'll be back again some day."

Nico sang it and greatly and then the SNOWMAN came Alive! It was FROSTY THE SNOWMAN!

Me: AWESOME!

Flash: Hey there, Frosty!

Frosty the Snowman: Oh wow! Team Loud Phoenix Storm it's an honor.

Me: You too Frosty. You are an awesome legend!

Frosty the Snowman: I'm so happy to finally meet you guys. I heard so much about all your adventures and they are great.

Me: We get that a lot. But for over 72 years you've been an iconic and timeless classic.

Frosty the Snowman: I am so honored to be remembered for so long.

Nico: Wanna help us save Christmas?

Frosty the Snowman: I would be honored. But I would melt in warm rooms.

Me: Not anymore.

I used my magic and like how Elsa did with Olaf, I gave him the ability to live in any environment no many what kind warm or cold.

Frosty the Snowman: Awesome!

Me: Cool!

We were off.

Flash: What did you get for Christmas, Maria?

Maria: My own Elemental Sword that can turn into any kind of element blade and an awesome blaster like Williams. Carmen and Liam both got the same things.

Qin: That is cool Maria!

Carol: It sure is! We're so happy too.

Camie: We all got so many awesome gifts.

Me: There it is.

We saw Santa's Village.

Nico: Santa's village ho!

May: I hope it's still intact.

Me: Looks all right to me.

Eli: But it isn't. I sense that Dr. Claw is there. He has Santa in the prison underneath and all the elves are under Dr. Claw's control.

Nico: We can't let him know we're here.

Me: Hmm. I've got a plan.

We were going to bust the Real Santa Claus out by burrowing into the prison first.

Juran: I got the shovels!

Nico: Perfect. Lets dig!

We got digging.

Inspector Gadget was pulling on the Real Santa's beard.

Inspector Gadget: Your eyes don't twinkle, your dimples aren't merry and this phony beard wouldn't fool anyone!

Santa Claus: Ouch! Doh!

Then a rumble came and then…

POP!

We came out underneath Gadget.

Me: Gadget don't pull on the real Santa's beard! That's the Real Santa you dimwit!

Nico: Sorry to drop in like this. But we came to help.

We got up and out of the hole.

Gadget: Wait. If this is Santa, who did I just talk to half an hour ago?

Me: That was Dr. Claw!

Nico: He was impersonating the real Santa and the one you were talking too in here is the real thing!

Eli: That's right! He is controlling all the elves here and he is going to destroy Christmas.

Gadget: Santa, I hope you can forgive me!

Santa Claus: Oh I do Inspector Gadget.

Me: I guess this makes Number 9 in us helping you out.

Qin: Yeah.

Camie: But we won't let Dr. Claw hurt you.

Me: Lets give Dr. Claw a Christmas battle like no other! (Eyes glow red) I have an old score to settle with him.

Nico: First, we need to free the elves!

Eli: Leave that to me.

Me: Fluttershy you help tame Mad Cat.

Fluttershy: Okay. I will.

We got out of the cell and headed up to the factory.

We saw that the elves were all messing up the toys and breaking them so that the kids all over the world will never trust Santa Claus ever again. Dr. Claw's objective: If he couldn't have a Christmas, NO ONE COULD!

I used my X-Ray Vision and saw that the Elves had MIND CONTROL CHIPS in their hats!

Me: They have mind control chips in their hats.

Nico: Eli?

Eli: A little Force Lightning should do the trick.

Eli fired a blast of Force Lightning and it hit the chips and destroyed them in one blast.

The Elves were BACK TO NORMAL! They were singing and were back to normal.

Me: Yes!

Dr Claw: WHAT!? NO! Their control has been destroyed! HOW!?

Nico: NOW!

We went at Dr. Claw!

Me: DR. CLAW!

Dr. Claw saw me!

Me: I have a score to settle with you!

Nico: And we brought Frosty the Snowman too!

Frosty the Snowman: That's right!

Dr. Claw: You ruined everything!

Me: Too bad for you!

He jumped down and came at me and I punched him in the face and then punched him down.

Me: It will be a lot easier without this on.

I took off my parka and tied it around my waist.

Nico: Good idea. It's nice and warm in here.

We did the same thing.

Dr. Claw came at me and he was INFURIATED!

I kicked him in the face!

Nico: (gets out Kangor and Avalanche's Ridewatches) I didn't get to use these yesterday.

Eli: Sorry about that.

Nico: No worries.

He activated them and then smashed the floor and then Dr. Claw tumbled down and smashed onto the floor.

Me: No one is going to ruin Christmas on our watch.

Nico: That's right!

I went at Dr. Claw and punched him in the face and kicked him in the stomach and punched him in the face again!

Me: That was for giving me this scar on my hand!

I showed the scar he gave me.

Nico: Santa, you can get some shots in.

Santa Claus: Don't mind if I do.

PEPPERMINT CANDY CANE MAGISWORD!

He used his own Magisword!

Me: You use Magiswords too Santa?

Santa Claus: I sure can.

Me: Cool! Ryo do you mind?

Ryo Ogami: Go for it J.D.

I pulled out his Wonder Ride Book called Black Turtle Legend.

Dr. Claw: AGENTS STOP THEM!

He sent NUMEROUS MAD Agents to come at us.

Me: (Reads Verse) "Through the beautiful forests of legend came the mighty Genbu, the Black Tortoise of the North and with a powerful look from his everwatching eyes he fired a stream of black hail from the tree on his shell and bashed down numerous foes with hail the size of minivans."

NUMEROUS Black Hailstones the size of minivans appeared and bashed the MAD Agents and splattered their blood and guts EVERYWHERE!

Me: YUCK!

Nico: That was gross!

Me: Sorry you had to see that Santa.

Santa Claus: No worries.

Nico: NOW, you can get some shots in.

Santa slashed Numerous MAD Agents all over and fired peppermint sticks and bashed numerous MAD Agents all over and knocked Dr. Claw down.

Qin: Take that!

?: HIYAH!

Then a figure jumped in and it was a girl with brown hair and brown clothes and she had brown angel wings and her own version of the Earth Master Sword Fierce Earth and the Black Turtle Legend Wonder Ride Book. She also had a tiara with the emblem of Kamen Rider Buster on a tiara and her shirt.

Me: Whoa! Who are you?

Andromeda Buster: Sorry to drop in like this but my name is Andromeda Buster and I'm the Embodiment of Kamen Rider Buster for Saber.

Ryo Ogami: Wow! That is awesome!

Lola: I'll say!

Andromeda Buster: I got this.

She slashed the ground and entombed ALL of the MAD Agents in Crystal!

Nico: WHOA!

Xenia: Her power is incredible!

Me: Now all that's left is Dr. Claw.

I kicked him in the face.

Nico: Let's end this!

But then a black version of TOEPICK came! It was ANOTHER TOEPICK!

Me: Whoa Another Toepick!

Qin: Oh boy! Now Dr. Claw is in for it!

Dr. Claw: You think I'm scared of this cretin?

Another Toepick: (In a girls voice) You should be scared of THIS!

Her faceplate opened and then he TURNED WHITE as a ghost! And HE SCREAMED AND WAS SCARED OUT OF HIS MIND!

Dr. Claw: NO YOU STAY AWAY FROM ME!

(DEMONIC LAUGHTER)

Dr. Claw: GET AWAY FROM ME! NO NO NOOOOOO!

HE WAS SCARED BAD TO THE POINT THAT HE FAINTED!

Albedo turned into Negative Toepick.

Negative Toepick: That's even scarier than death!

Me: You got that right! Thanks for scaring him.

Another Toepick: No problem.

Me: And I thought that voice sounded familiar. Gina Liechtenstein.

Another Toepick: Awesome to see you again J.D.

Me: Same here.

Nico: You know her?

Me: Yep. She's a computer programmer and she also is a Halloween Costume Designer.

Nico: Very fitting for her.

Me: Yep.

Maria: What did Swartz promise you?

Another Toepick: Just to make scary video games as well as awesome costumes that can scare the crap out of anyone.

Me: You already are a great programmer. You made one of my daughter Brittney's favorite games.

I pulled out a game and it was called NIGHTMARE OF THE PHANTASMAGORIC RIDDLE!

Brittney: Your game is perfect for me because of my style for the gothic subculture and my love of nightmares and darkness and all that.

Another Toepick: I'm glad you like it Brittney.

Me: Also you make great costumes for Halloween.

Another Toepick: I knew that Swartz was lying to me.

Me: He lied to everyone. Any other Opponents besides you?

Another Toepick: Just another version of her.

She pointed to Golden Glider.

Golden Glider: Awesome! This will be cool to see.

Me: Yep.

Nico: Sorry we have to fight like this.

Nico: (gets out Stinky Butt's Ridewatch) Before, I thought Toepick was gross. Now, I know he's scary as fuck!

Me: Nico language! We're in Santa's village.

Nico: Sorry.

Nico activated it and farted and knocked down Another Toepick and she was back to normal and I caught the ridewatch and purified it and then I held my breath and picked up Gina. She was a girl with black hair and a blue shirt and pants and I brought her over.

Me: (Breathes out) (Panting)

Gina Liechtenstein: (GROANS) What a headache and who ripped one? It smells like someone dipped their butt in bat guano.

Nico chuckled nervously.

Maria: (changing the subject) Hostile or friendly?

Gina Liechtenstein: Oh. Friendly.

Me: Good.

Then a figure came in and skated really gracefully and she was REALLY skating well. We saw her do moves that even Kristy Yamaguchi would be proud of. We saw that it was a dark version of Golden Glider! It was ANOTHER GOLDEN GLIDER!

Qin: Wow! She is great!

Me: She sure is!

Rarity: Oh she skates amazingly well darlings.

She stopped and we cheered for her.

Another Golden Glider: Thank you thank you!

Me: That was awesome and I knew it was you Tina Yakuzuna.

Another Golden Glider: It's awesome to see you again J.D.

Me: You too Tina and that was a great performance as always.

Andromeda Buster: I take it you two know each other?

Me: Yep. She is an Olympic Gold Medal Figure Skater for the United States and I rooted her on in the 2010 Vancouver Olympics. She is the youngest ever in the sport and won 10 Gold Medals.

Nico: Wow! I remember seeing that all over. That was so awesome.

Another Golden Glider: My hero Kristy Yamaguchi would be really proud of me.

Me: She sure would.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Golden Glider: Just to become the greatest ice skating champion of all.

Me: You already are like that. You went to Both the Vancouver and Sochi Olympics and you won 20 gold medals in both sports. You are the greatest Olympian ever for the Winter Games.

Another Golden Glider: That is true.

Qin: I love the Winter Olympics. I've always wanted to be a great downhill skiing champion.

Me: That is my favorite event because of going down that mountain.

Another Golden Glider: It sure is a great event. And I know that Swartz lied to me.

Me: He lied to everyone. But he is gone and given the Black Gates.

Qin: Yep.

Me: Sorry we have to fight like this.

Another Golden Glider: No worries. Come at me and don't hold back.

Nico: (Gets out Golden Glider's Ridewatch) All that glitters is gold!

Me: And it always shines bright. Ice me J.D.

Me: Coming at you.

I fired a wave of ice and made an ice obstacle course Nico activated it and got Golden Gliders skates and he skated and he went over loops and spikes and more and then jumped and shredded ice and buried Another Golden Glider in snow.

Nico: (gets out Pink Ranger Slayer's Ridewatch) And now, for this!

Fiona Hernandez: Lets do it together Nico! (ACTIVATES PINK RANGER SLAYER'S RIDEWATCH)

Nico activated the ridewatch too.

Nico and Fiona fired fire arrows and they smashed down Another Golden Glider!

Qin: YEAH!

May: Now lets see what this one does. (ACTIVATES BLANDY'S RIDEWATCH)

She used Shapeshifting Powers and turned into a Female Elf and pulverized her all over!

Qin: WHOA! That is awesome!

Blandy: That was really well done May.

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Qin: Oh yeah!

May: Time to feel the wrath of the stars. (Activates Blizaru's ridewatch)

She fired waves of energy and smashed her all over the place.

Maria: (gets out Doll's Ridewatch) My turn now!

She activated it but it was NOT WHAT she was expecting! Maria glowed and she was a now a voluptuous girl in an aqua blue bikini and she was really SMOKING HOT!

Qin: WHOA MAN!

William in the control room saw Maria in that and then he blasted off with a powerful nosebleed and smashed into the wall! OUCH!

William also had hearts swirling around him.

William: Oh wow! Maria you look so beautiful in a bikini.

Carmen: Boy my sister needs to stop wearing a one piece swimsuit.

Maria: (gets out Auric Goldfinger's Ridewatch) That's the only time I'm using a bikini!

Me: Okay that one we'll use to WEED OUT perverts.

Nicole: It will make a great tool for it.

Maria: True.

Maria activated her ridewatch and was back to her normal clothes and then she got out a golden gun and fired energy blasts and smashed down Another Golden Glider!

Qin: Yeah!

Kite Man and his team came out and he had Yost Vulture, Doktor Frogg, Bubbles (Pony Life), Batty And Count Fang.

Nico: Nice team, Kite Man!

Kite Man: Thanks. I think it's cool.

Me: Having a good Christmas?

Kite Man: You bet I am.

They fired waves of energy and smashed her all over.

Maria: I hope the next Gene Slammer's near.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Another Golden Glider was getting whacked in the head all over by a Farfetch'd!

Qin: WHOA! A Farfetch'd!

Me: Boy that little one is really hitting her hard!

Camie: And with a leek of all things!

Farfetch'd: (In a girls voice) (British Accent) TAKE THAT! AND THAT! AND THAT!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Farfetch'd: You like that you baddie!

Nico: (GASP) Minerva Arthur!? Whoa!

She jumped back.

Farfetch'd: It's good to see you again Nico. I got this.

She fired a Razor Leaf Storm and knocked down Another Golden Glider and she was back to normal and I caught the ridewatch and purified it and then I went over to Tina and picked her up. She was a girl with black hair and had a yellow ice skating uniform on.

Tina Yakuzuna: (GROANS) What a headache,

Me: She also hit you hard on your head.

I brought her over.

Me: Also weren't you also knighted by the Queen of England?

Farfetch'd: I sure was.

Me: That is cool!

Flash: What's your favorite memory of Nico?

Fiona: I was gonna ask that but it would be a little too weird.

Farfetch'd: No worries but my favorite is when me and Nico found the legendary sword Excalibur and I succeeded in pulling it out. I'm a direct descendent of King Arthur and me and Nico did all kinds of heroic adventures in England. It's how I was knighted by the Queen as Dame Minerva Arthur of Withermarsh.

Nico: Yep.

Me: Wow that is cool! And you are a direct descendent of King Arthur himself? Wow! He lived back over 1,500 years ago.

Laney: Yeah.

Nicole: That is so cool! And we know King Arthur too. Long story.

Me: Lets get you back to normal.

Farfetch'd: Okay but I'm naked.

Me: Uh oh.

Nicole: No one peak!

I put on my blind man glasses and everyone covered their eyes.

Frosty: I can tell this happens a lot.

Nico: It sure does.

I snapped my fingers and she was reverting back.

The leek vanished.

Dame Minerva Arthur: Aww! I liked that leek!

She was back to normal and was a girl with blue hair and she was naked and she had the mighty and legendary sword Excalibur on her back. The fashion brigade moved in and gave her new clothes and she had a neon pink Japanese School Girl uniform on.

Dame Minerva Arthur: Wow! I look smashing in the Japanese School Academy uniform.

Me: You sure do.

Nico and Minerva hugged.

Nico: I've really missed you and Merry Christmas.

Dame Minerva Arthur: Me too Nico. Me too.

Nico: The Dodrio Gene Slammer is here somewhere.

Then a Dodrio swooped in and jumped over Nico and landed!

Me: WHOA! It's a Dodrio!

Xenia: Wow!

Dodrio: (In three girls voices) (In Acapella) Hello, hello, hello!

Dodrio left head: Awesome to see you again Nico.

Nico: The Avianna Triplets! Awesome!

Me: Nice acapella girls.

Nico: Guys meet Alliyah, Adrienne and Anna Avianna.

Dodrio right head: Wait. Where is here again?

Me: You're in the North Pole. You're at Santa's Village.

Qin: Yeah but it's awesome to see you girls again.

Dodrio Middle head: Same here Qin.

Maria: Yeah, there was no two Gene Slammers yesterday. This makes up for it.

Nico: Yep.

Dodrio Right Head: I agree.

Me: What are your favorite memories of Nico?

Dodrio Right Head: We have many of them.

Dodrio Middle Head: But our favorites are all mostly in gym class.

Dodrio Left Head: Yeah we were the fastest girls ever known in the class.

Dodrio Right Head: We remember this one time that we sent a bully to prison for hurting a bunch of kids and he regretted it.

Qin: I remember that.

Nico: Yep.

Me: Lets get you girls back to normal.

Dodrio Middle Head: Okay then. But we're naked.

Me: Okay.

I put on my blind man glasses again and snapped my fingers and everyone covered their eyes.

Two more blobs came out of the Dodrio body.

And they formed into 3 girls and they had brown hair and orange eyes and were naked. The fashion brigade moved in and gave them all orange clothes and awesome hair styles.

Alliyah Avianna: That was rough.

Adrienne Avianna: It sure was.

Anna Avianna: Yeah but at least we're back to normal. And the clothes we have are awesome.

Alliyah Avianna: Yep.

Nico hugged them.

Nico: I missed you girls.

Avianna Triplets: We missed you too Nico.

We later went back home and it was awesome.

Vert, Jet Vac, Guardian Elma, Fortune Lady Fire, Fortune Lady Water, and Fortune Lady Earth are heading to The Skylands, specifically the Sensei Undead Realm, and not only is Lincoln going to rescue the four girls here, but Starlight Glimmer is going to get a powerful treasure here: a powerful greatsword known as The Undead Empathy Alicorn Greatsword of The Undead Skylanders.

But, we're also going to take down a feral version of Lynn: this version of her becomes a dangerous wild animal whenever Packing Day is declared, and it's a day the Louds have dreaded for years, but payback is coming for her for all of the Packing Day nightmares the Louds have suffered for years.

Lincoln: Wow, we're here in The Sensei Undead Realm, and I know what I'm going to do here, not only am I going to rescue the four girls here, but Starlight Glimmer is going to get a powerful treasure here: a powerful greatsword known as The Undead Empathy Alicorn Greatsword of The Undead Skylanders.

BBBBBBUUUUUUUURRRRPPPPPPP!

Lynn: Oh man, and I know that thunderous belch from anywhere, we're also going to take down a feral version of me.

Lana: Yeah, remember Miyuki's story?

Nico: Yeah, I remember. But, give us a run-down of it again, just to be safe, Lincoln.

Lincoln: Got it. Whenever Patchy Drizzle declares it a Packing Day, Lynn goes Full Beast Mode and she turns into a wild and more dangerous feral animal, she lurks in the snow waiting to pummel us with snowballs, no one is safe.

Lana: And even worse, she cleans out the fridge and takes our sack lunches as well, meaning she'd have enough fuel for hours, and whenever she lets out those thunderous belches, it's like the call of death!

Luan: When we see that her coat is gone, that's the first of the signs, the second was what Lana just told us. For years, we've suffered so many Packing Day nightmares because of Lynn, and on that day, when Lincoln went ballistic and attacked Lynn after she attacked Miyuki, he basically ended Packing Day, and after Miyuki told Mom and Dad everything, they ended Packing Day altogether, and Lynn got grounded for nineteen weeks, but she still acted like an animal and wanted revenge.

Lincoln: But, this time, we're going to put an end to the years of Packing Day nightmares that we've had to endure for years, and I want to thank you and your team for joining us, Vert.

Vert: You're welcome, Lincoln, and isn't today…?

Lincoln: Yep, today's not only Christmas, but it's also the day Audrey Madison finally dies, but I put a delay on the curse, so after our workout in the gym, we're heading to The Uranus Prison to finally see Audrey Madison meet her doom.

Just then, the other Undead Skylanders arrived.

Chop Scotch: Mind if we also join in?

Starlight Glimmer: Not at all, gang.

Suddenly, we heard a thunderous belch in the air.

Lucy: She's here!

Lincoln: Let's make a run for the shrine!

We ran and dodged incoming snowballs, and we arrived at a purple-colored shrine with the symbol of The Undead Skylanders on it, and then, the Undead symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Undead Empathy Alicorn Greatsword of The Undead Skylanders, a powerful massive greatsword with purple gems representing the Undead Skylanders embedded in the 7'0" massive, wide, double-edged gold blade, large alicorn heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large dark purple on the bottom of the alicorn heads for the pommel.

Starlight Glimmer: Whoa, so that's The Undead Empathy Alicorn Greatsword of The Undead Skylanders, it's perfect for me since I'm the Princess of Empathy and The Undead Skylanders.

Suddenly, we saw the My Singing Monster, Yool, and the Duel Monsters, Fire Hand and Ice Hand, and with them are the four girls.

Nico: Whoa, that's the My Singing Monster Christmas-themed monster, Yool, and the Duel Monsters, Fire Hand and Ice Hand.

Yool: (Girl's voice) That's right, Nico Chan.

Fire Hand: (Girl's voice) (Hawaiian Accent) And we got the four girls away from that feral version of Lynn.

Ice Hand: (Girl's voice) (Icelandic Accent) Now, we can take her down for good.

Lincoln: (Gasps) Those voices, Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur, I knew it was you three, it's awesome to see you again, but we'll talk later, we've got Feral Lynn to deal with. Let's put that animal on ice!

Starlight Glimmer went up and grabbed The Undead Empathy Alicorn Greatsword of The Undead Skylanders and we exited the shrine. Suddenly, we heard another thunderous belch, and then, we saw a figure running on all fours and she's grunting like a gorilla: it was Feral Lynn, and she matches the description Miyuki Shirayuki gave us.

Nico: Yikes, so that's… !

Lincoln: Lynn whenever Packing Day is declared, get her!

Lincoln fired a blast of ice and made the road slippery, and she slipped and hit a tree. She then got up from the ground, and she roared and beat her chest like a gorilla.

Starlight Glimmer: What an animal, okay, now you've really done it.

Suddenly, Starlight Glimmer's light purple eyes turned neon light purple, and she's surrounded by a purple and cyan blue energy aura with stars, nebulae, magic, Alicorns, and bones, as she unholstered her massive Starlight Glimmer's Nebula Greatsword of Magical Undead Empathy and Starlight Magic Empathy from her back, and as she approached Feral Lynn, she left purple and cyan blue energy, stars, nebulae, magic, Alicorns and bones with every step.

Starlight Glimmer: You really are a wild animal, you know that? You've caused my future husband and his family nothing but nightmares ever year when Packing Day is declared, well, that ends here and now, Packing Day ends here and now.

Suddenly, Starlight Glimmer was surrounded by a massive vortex of purple energy with stars, bones, and nebulae surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a cyan blue phoenix. Then, as the vortex faded, Starlight Glimmer emerged, but she was changed forever.

(IT'S THE FEAR BY WITHIN TEMPTATION PLAYS)

Starlight Glimmer grew from 6'11" to 7'4" in height, she has the body of a goddess, she has cyan blue highlights in the bangs of her long purple hair with cyan blue streaks, she has neon light purple eyes and a purple and cyan blue energy aura with stars, bones, nebulae, magic, and Alicorns surrounding her, she has an Alicorn with a star and bones emblazoned on her forehead and Third Eye with cyan blue iris, she has on Alicorn earrings with cyan blue gems for eyes and the Empathy and Eternity Kanjis in its hooves on her ears, she also has an Alicorn with cyan blue gems for eyes and the Empathy and Eternity Kanjis in its hooves for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with cyan blue crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Starlight Glimmer has on a sleeveless cyan blue blouse with stars, nebulae, bones, and magic on it, sleeveless light purple blouse with cyan blue swirls, short-sleeved purple shirt, blue pants, dark purple leather knee-high boots with cyan blue armor on the toes, and long sleeveless white trenchcoat with stars, magic, nebulae, and bones on the coattails, and an Alicorn on the back surrounded by stars and nebulae and right on top of its horn is the symbol of the Undead Skylanders. Suddenly, Starlight Glimmer felt a sharp pain on her back, and then, her massive dark purple angel wings with cyan blue tips on the dark purple feathers with bones, stars, and magic falling from the tips grew much bigger for her new body, along with her dark purple and cyan blue streak tail. Starlight Glimmer has on her Ring of the Phoenix with large purple and cyan blue gem on her left ring finger and Star Sapphire Corps ring on her right ring finger, and she has her cutie mark on her left shoulder and the Corvus the Crow Constellation on her neck and Stone of Gelel embedded in her left hand.

Suddenly, Starlight Glimmer's massive Starlight Glimmer's Nebula Greatsword of Magical Undead Empathy and Starlight Magic Empathy and The Undead Empathy Alicorn Greatsword of The Undead Skylanders and all the swords she'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of purple and cyan blue energy, stars, nebulae, bones, magic, and Alicorns, and when it emerged, it was transformed into Starlight Glimmer's Undead Empathy Nebula Star Greatsword of Magical Undead Empathy and Starlight Undead Magic Empathy, it's a brand-new large greatsword with embedded dark purple gems and her cutie mark, stars, nebulae, and bones etched on the 7'0" massive, wide, double-edged gold blade, large purple alicorn heads for the crossguard, large purple and cyan blue gem embedded in the rainguard, longer black handle, large purple alicorn heads with cyan blue gems for eyes and a large purple gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with purple gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle with purple gems for the eyes and a large cyan blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip, Eater of Sins revolver holstered on her left hip, and purple Crystal Saber holstered on her left hip. Starlight Glimmer has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA STARLIGHT MAGIC UNDEAD NEBULA ALICORN ANGEL OF DIVINE UNDEAD EMPATHY AND DIVINE COSMIC EMPATHY REDEMPTION!

We were amazed by Starlight Glimmer's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Feral Lynn saw it, she roared again and beat her chest like a gorilla and she charged at Starlight Glimmer to attack her, but Starlight Glimmer fired a powerful purple and cyan blue energy blast with stars, nebulae, bones, magic, and Alicorns, and it hit Feral Lynn and she went flying back, she got up, but now, she was foaming in the mouth, and she's now gone even more crazy.

Starlight Glimmer: (Divine Echoing Cosmic Voice of The Elemental Harmony Empathy Undead Alicorn and Divine Undead Empathy Love) **Now, it's time to put you down, you feral animal.**

Lincoln: Hold on, Starlight, you're not doing this alone.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Starlight Glimmer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You don't deserve to be running amok ever again, you wild animal, now it's payback time for all the Packing Day nightmares that you've put us through!**

Starlight Glimmer and Lincoln went after Feral Lynn, who just kept throwing snowballs and roaring like a wild animal, but they dodged them, and they fired extremely powerful blasts of rainbow energy, purple and cyan blue energy, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, apples, bones, gears, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises,

Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Feral Lynn and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her, along with scratches from Lincoln's claws, and they were angering her even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Starlight Glimmer, her hand-cannon Blaster is known as Starlight Glimmer's Empathy Undead Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's purple with cyan blue accents and bones on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by bones etched on the sides, and a pink gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Starlight Glimmer fired blasts of rainbow energy, purple and cyan blue energy, and elemental forces at Feral Lynn, and they exploded as they hit her, knocking her down.

Then, Lincoln grabbed Feral Lynn and he sucked out and absorbed her really immense superhuman strength and he made her completely weak, and then, he tossed her into the air, and he, his sisters, and his parents fired Black Gate-infused snowballs at that feral animal and they exploded and she was sent to The Black Gates. We cheered as Lincoln and Starlight Glimmer holstered their massive greatswords on their backs and powered down, and Starlight Glimmer's new body, clothes, weapons, jewelry, Third Eye, longer purple and cyan blue streak tail, and massive light purple angel wings are permanent.

Starlight Glimmer: That'll teach you, you wild animal. Thanks for helping me put that wild animal version of Lynn down, Linky.

Lincoln: (Smiles Warmly) You're welcome, Starlight.

Suddenly, Starlight Glimmer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Starlight Glimmer's face, they kissed passionately as Starlight Glimmer's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Starlight Glimmer came back to us as the display vanished.

Lori: Finally, it's literally over!

Luna: All the Packing Day nightmares we've had to endure for years all because of that animal have finally been brought to an end.

Lincoln: You said it, Luna, and another dark part of the past and my trauma has finally been brought to an end for good. (To Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur) And it's so good to see you again, Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur.

Evelyn Nicholas reverted back to normal, and she's a beautiful girl with long flowing white hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, and she reigned in the power of Yool, and she's dressed in a long-sleeved red coat, red sleeveless top, red pants, midnight black high-heeled knee-high boots, and long white sleeveless trenchcoat with darkness and fiends on the coattails and Yool on the back and holstered on her back is a massive Yool-themed greatsword with Yool etched etched on the 7'0" massive, wide, double-edged red blade, large angel heads for the crossguard, large red-green gem embedded in the rainguard, longer midnight black handle, four large angel heads and large red-green gem on the bottom of the large angel heads for the pommel.

Evelyn Nicholas: You too, Lincoln.

Angelina Kalā: (Hawaiian Accent) Indeed, it's been a long time.

Elsa Snjóstormur: (Icelandic Accent) Six and a half years, that sure is long.

Lincoln went up to Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur and he hugged them, and Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Evelyn Nicholas: Indeed, you have, but you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Angelina Kalā: (Hawaiian Accent) You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs.

Elsa Snjóstormur: (Icelandic Accent) And there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these three?

Lincoln: Indeed I do, Nico, the Yool Gene-Slammer is Evelyn Nicholas, she's my Guardian Angel from The North Pole and his classmate in Art, but she's also a beautiful fashionista, but she also hates naughty people notably the jerks, such as NO MA'AM, Billy McLean, Lila Rossi, Flip, Lewis Travolta, Pablo, Anderson, Amy, and even Scoots. The reason why, because she's the great granddaughter of Saint Nicholas A.K.A. Santa Claus himself.

CLANG!

Our jaws dropped and we put them back up..

Nico: Whoa, she's the great-granddaughter of Santa himself?! That's really incredible.

Lincoln: I was stunned myself when she told me, and she, like her great-grandfather, makes a list of who's naughty or nice.

Evelyn Nicholas: That's right, and Lincoln is one of the nicest people I've met, in fact, when we first met, I suddenly fell in love with him, so it was love at first sight, and I even loathed the Dark Sides of Lori, Luan, Lynn, Lola, and Lisa, and I even made the jerks part of the Permanently Naughty List, and Lincoln and I would do Christmas activities together, and during our Christmas Caroling, I kissed Lincoln on the lips while we were under the mistletoe, and I hate the jerks with a burning passion, hence her Permanently Naughty List.

Me: Whoa, so when you guys first met, it was love at first sight. Just how many girls have fallen in love when they first saw you, Lincoln?!

Lincoln: To be honest, I've lost count, J.D., and the Fire Hand Gene-Slammer is Angelina Kalā, she's my Guardian Angel from Hawaii and classmate in Math, and her last name, Kalā, means Sunshine in Hawaiian, she's also the cousin of Batch, and elder twin sister of Elsa Snjóstormur, and like Lola and Lana, while Elsa prefers to wear pants, Angelina wears dresses, but thankfully unlike the original Snow Miser and Heat Miser, Angelina and Elsa never fought each other, but they do have disputes, but luckily, I was there to diffuse them. Angelina and I would often help Leni with with fashion, and whenever I was busy, Angelina and Elsa would also help out the Loud Sisters. To show thanks, Lori, Leni, Luna, Luan, and Lynn took me and Angelina to a hot spa, where while relaxing, Angelina kissed me on the lips. Plus, both she and Elsa really hated the jerks with an extreme passion, and she, Elsa, and I love to sing together.

Nico: That's really awesome.

Lincoln: Yep. And the Ice Hand-Gene Slammer is Elsa Snjóstormur, she's my Guardian Angel from Iceland and classmate in Math, her last name, Snjóstormur, means Blizzard in Icelandic. She's also the cousin of Gluko and younger twin sister of Angelina Kalā, and like Lola and Lana, while Angelina wears dresses, Elsa prefers to wear pants, but thankfully unlike the original Snow Miser and Heat Miser, Elsa and Angelina never fought each other, but they do have disputes, but luckily, I was there to diffuse them. Elsa and I often helped Luan with coming up with new pranks, and whenever I was busy, Elsa and Angelina would also help out the Loud Sisters. To show thanks, Lucy, Lola, Lana, Lisa, and Lily took me and Elsa to an ice skating rink, where while skating, Elsa kissed me on the lips. Plus, both she and Angelina really hated the jerks with an extreme passion, and she, Angelina, and I love to sing together.

Nico: Whoa, that's incredible.

Evelyn Nicholas: That's right. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Evelyn, Angelina, Elsa, are you absolutely sure about this?

Evelyn Nicholas: (Smiles) Yes, more than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur, and he saw that they're really serious, and he smiled as he walks over to Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Evelyn Nicholas' neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he also did the same with Angelina Kalā and Elsa Snjóstormur.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Angelina Kalā: (Hawaiian Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you, Evelyn, and Elsa are now part of my harem and my many future wives, Angelina.

Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur had a smile on their face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waists and they wrapped their left and right arms around Lincoln's massive, wider, and muscular back, and he leans down to their faces and kissed the two of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Haruki Azuma, Natsuki Kitamura, Aki Minami, and Touko Saionji from Harem Camp.

Lincoln: Oh wow, it's Haruki Azuma, Natsuki Kitamura, Aki Minami, and Touko Saionji from Harem Camp.

Nicole: Awesome.

Lincoln: Are you girls okay?

Haruki Azuma: Yes, we're okay, thanks to you.

Then, when Haruki Azuma and the other three girls saw who it was that saved them from Feral Lynn, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of

Haruki Azuma: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Haruki Azuma: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruki Azuma, Natsuki Kitamura, Aki Minami, and Touko Saionji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Starlight Glimmer has gotten The Undead Empathy Alicorn Greatsword of The Undead Skylanders, and they were shocked when they found out the villain we went after was a feral version of Lynn, the animal she turned into when Packing Day is declared.

But, when Lincoln showed what happened such as Starlight

Glimmer transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she and Lincoln brutally beat that psycho down and sent her to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur have a lot of catching up to do, now that they're back in town.

Maria: Oh damn, I certainly wasn't expecting to find out that a feral version of Lynn was there.

Lincoln: And it's the very beast that's tormented us every year when a Packing Day is declared. But, we at long last got well-deserved payback on that snow monster.

Lynn: And Lincoln and all of us pummeled her with snowballs infused with Black Gate energy, right after he sucked out and absorbed her immense superhuman strength and made her really weak.

Lori: And thanks to everyone, we've brought an end to those nightmares and this time for good.

After finally getting rid of Feral Lynn and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Evelyn Nicholas, Angelina Kalā, and Elsa Snjóstormur saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Evelyn Nicholas: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Angelina Kalā: (Hawaiian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public.

Elsa Snjóstormur: (Icelandic Accent) And he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Evelyn Nicholas: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Evelyn, Angelina, Elsa, what memories did you each have with Lincoln?

Evelyn Nicholas: Oh, I remembered this one time at Christmas Eve, Lincoln and I were baking some Christmas cookies, but of course, Lori put a mistletoe under both of us, and when we saw it, we had to kiss under the mistletoe, while Lori smiled and took a picture of us.

Me: Yep, you guys knew the rules: if you're under the mistletoe, you got to kiss.

Angelina Kalā: (Hawaiian Accent) That's right. Okay, for me, I remembered this one time, Lincoln and I were in Leni's room and we were helping her make some awesome dresses, but we also had to be very careful, since she shares her room with Lori, and we knew she was nothing but a control freak when it came to people in the room. But, as we continued making dresses, we heard a loud shriek and we saw Lori, and when she saw us in her room with Leni, she went ballistic and she tried to kick us out violently, but I used some Judo moves on her and tossed her out and she landed in a trashcan Luna had outside. We told Mr. and Mrs. Loud about what Lori tried to do, and she got her phone taken for three weeks, along with being grounded at the same time for three weeks.

Nico: This was due to Dark Lori again. Ugh, she really is a control freak!

Elsa Snjóstormur: (Icelandic Accent) She had to be stopped before she did something bad to both my sister and Lincoln, along with Leni, and now for me, this one time, I was with Lincoln and we were in Luna and Luan's room and we were helping Luan with some ideas for new pranks, now that her Dark Side is gone for good, but then, the door was kicked open and it almost hit Lincoln if I didn't grab him in time, and we saw who it was that kicked the door open: it was Lynn, and she was out to kill Linky yet again. I grabbed Lynn and put her in a choke-hold until she got knocked out. We then tied her up in nylon rope, and told Mr. and Mrs. Loud of what that animal tried to do to him, and Lynn got in big trouble yet again: grounded for eighteen weeks, and thrown into a cage like the animal that she was.

Eli: Sheesh, so Lynn was just on another rampage again?!

Nico: Same with Lori.

Lincoln: Yep, but Angelina taught Lori a painful lesson, and the same went with Elsa teaching Lynn a painful lesson.

We got a shower, and we headed for The Uranus Prison, and we also called The Masters of Evil along, because today's the day that Audrey Madison, the old enemy of Nico, Qin, Lincoln, and his Guardian Angels finally dies from the Earthbound Immortal

Vengeance Curse Lincoln put on her.

Myotismon: So, today's the day Audrey Madison finally dies.

Nico: That's right. This is going to be so awesome.

Lincoln: After all the trouble she's caused all of us and all for revenge on Nico, there's only one fate a monster like her deserves: death.

Me: You said it.

Qin: That slut's been asking for it for a very long time, and now, Judgement Day has arrived.

We arrived at Audrey Madison's cell in the Super-Maximum Security Solitary Confinement Wing, and we see she's still chained to the walls of her cell with Neutronium Chains lined with rainbow energy, and when she saw Nico, Qin, Lincoln, and Lincoln's Guardian Angels, she was beyond pissed off, and we still see the glowing seventeen Nazca Lines and corresponding Earthbound Immortals right on her stomach, and the Dragon Nazca Line and corresponding Earthbound Immortal Xolotl were about to come.

Audrey Madison: YOU… !

Nico: Looks like we've arrived just in time to witness the end of you, Audrey Madison. Your revenge scheme against me, Qin, Lincoln, and his Guardian Angels failed, and your scheme to get Lincoln kicked out so you can kill him also failed, and Kurumu removed that stupid Rebellion Chip from his butt.

Qin: And Nico called the FBI, and they already issued a manhunt for your equally evil parents who gave you those Rebellion Chips in the first place. (Smirks) Plus, when we catch your parents, they're going to get the same sentence that we gave a lot of criminals, but you, you're going to die. How do you like them apples, you murderous, good-for-nothing slut?!

Audrey Madison: WHEN I GET OUT OF THIS, I WILL HAVE MY REVENGE ON ALL OF YOU AND ALL OF HUMANITY! ALL WILL BE DESTROYED, AND I WILL BE THE QUEEN OF THE WORLD!

Lincoln: As if, you heartless monster. (Checks the timer) You're not going to get your revenge or hurt another person ever again, Audrey, because your time's finally up!

Suddenly, we saw that the Dragon Nazca Line and Earthbound Immortal Xolotl on Lincoln's right large gold cuff Bracelet of The Champion of the Universe were now glowing, and the Dragon Nazca Line and Earthbound Immortal Xolotl on Audrey Madison's stomach were also now glowing: which meant that the curse has reached its 18th day. Then, we saw the sclera of Audrey Madison's eyes turn black and she screamed as the 18 Nazca Lines and Earthbound Immortals glowed even more, and then, the Judgement Kanji appeared on Audrey Madison's forehead, and she was found guilty by those she had hurt, and she was fading away!

Audrey Madison: NO! NO! THIS ISN'T OVER, YOU IMBECILES! I WILL HAVE MY REVENGE ON ALL OF YOU AND ALL OF HUMANITY!

Lincoln: No, Audrey, you've harmed far too many people for the last time.

Nico: Your cold-blooded revenge against me, Qin, Lincoln, and his Guardian Angels is finally over!

Everyone: NOW, DISAPPEAR FOREVER!

Audrey Madison: (SCREAMS IN PURE RAGE AND INSANITY) DAMN YOU, NICO CHAN, QIN CHEN, LINCOLN LOUD, AND GUARDIAN ANGELS OF LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! DAMN YOU ALL! (FADES AWAY)

Those were the last words Audrey Madison would ever speak, as she was erased forever by The Black Gates: THE HEARTLESS REVENGE OF AUDREY MADISON HAS BEEN BROUGHT TO AN END FOR GOOD AND SHE'S NEVER COMING BACK!

Nico: Audrey Madison, you have failed this entire world!

Lincoln: And your heartless parents are next when we get after

them.

Eli: Speaking of, look what we found.

Eli took out a sack and in them were the Rebellion Chips Audrey Madison's parents developed, and we destroyed them all one by one: to erase any trace of Audrey Madison for good, and then, we headed back home.

* * *

We were getting ready for our Christmas Activity.

Me: Boy that was awesome doing all that.

Nico: And Audrey Madison is now a forgotten memory.

Qin: Yep.

Nico: Evelyn, I swear to you we'll see Kazuma again.

Evelyn: I know Nico. I got all the time in the world.

Twilight Sparkle: That's awesome. I got a story we can do while we wait for our activity. It's called A Hearthswarming Tale.

Me: You'll like this one guys. It's Equestria's version of A Christmas Carol. Twilight read this to us before we had that huge play on Christmas Eve two years ago.

Nico: Yep.

Twilight Sparkle: Yep.

Lola: Awesome.

Poromon: I wanna hear it!

Twilight Sparkle: Now all of you will get to hear it.

Camie: This is gonna be fun.

Lola: Yep.

Poliwag: Let's hear the beginning!

Me: This is gonna be awesome for you all.

**Twilight Sparkle** : It sure is. It's like A Christmas Carol. This is the story of a powerful unicorn named Snowfall Frost, who hated Hearth's Warming Eve. It all began many moons ago in Canterlot…

The story began in Canterlot long ago and it showed everything decorated all over for Christmas and it was so beautiful.

**Twilight Sparkle** : [narrating] Every home in Canterlot was filled with holiday spirit. Every home… except one.

That home belonged to Snowfall Frost. It was NOT decorated with one light or decoration and it was depressing. Starlight Glimmer was playing as Snowfall Frost.

Twilight Sparkle: It was said of Snowfall that she was almost as studied as Star Swirl the Bearded. *Almost*, since everypony knows that Star Swirl was an expert at everything from transfiguration, dimensional calibration, teleportation-

**Spike** : [narrating] We get it. Star Swirl's awesome.

**Twilight Sparkle** : [narrating] Right. The point is, Snowfall was also a powerful unicorn. She wanted to be perfect. Anything that got in the way of that was a waste of time.

[bells ringing]

Bells Rang outside and she had her spell disrupted.

**Starlight Glimmer** : [gasp] Well, that batch is ruined. Snowdash!

**Twilight Sparkle** : [narrating] Snowdash was Snowfall's loyal assistant.

Rainbow Dash was playing as Snowdash.

**Rainbow Dash** : What do you need?

**Starlight Glimmer** : Get this mess cleaned up. (Hands her a broom) Those foolish ponies were ringing those blasted bells outside the window and I lost my concentration!

**Rainbow Dash** : [under her breath] Whoa, ponies actually enjoying Hearth's Warming Eve. Where did they get *that* crazy idea?

**Starlight Glimmer** : Today is nothing to celebrate. Hearth's Warming Eve is a menace. A dangerous day for all of Equestria.

**Rainbow Dash** : Dangerous?! It's awesome! It's the day we remember how unicorns, Pegasi, and Earth ponies came together in friendship to defeat the windigos!

**Starlight Glimmer** : That silly legend is the problem! Telling everypony that "singing songs and being nice" will solve anything? I've spent years studying magic, and that's not how it works.

**Rainbow Dash** : I think you might be missing the point.

[magic zap]

She teleported in front of her.

**Starlight Glimmer** : Work hard, learn, and use your skills to better Equestria. That's a worthy goal for any pony. [sarcastically] But, by all means, if you want to go home early, ignore all of the work you have, and spend the rest-

**Rainbow Dash** : Sweet!

She left for her home.

**Starlight Glimmer** : Ugh!

She looked out the window and saw everyone having fun.

[crowd chattering]

**Starlight Glimmer** : I *hate* Hearth's Warming Eve! All of Equestria would be better off if we just skipped the day altogether.

She hated that holiday with a vengeance.

**[Starlight Glimmer]**

Happy Hearth's Warming, they say in the street

Happy Hearth's Warming, they think they're so sweet

Words said so often that they lack any meaning

Why should I join in when I could be intervening?

(She got two potions out)

Everypony loves this cursed holiday

But would they be better off with it out of the way?

(She was making a potion and it rumbled and bursted out smoke.)

Well, okay

Say goodbye to the holiday

With my magic, I'll erase it

(She takes down decorations)

The greatest gift that I give today

And everypony will have to face it

(She took a pony's toy)

No more little games for you to play

After you say goodbye to the holiday

(She went back into the house)

Goodbye, Hearth's Warming, you had a good run

Goodbye, Hearth's Warming, it's over, you're done

(She put the stuff in the brew)

Finally set free from your forced celebrations

No need to reply to your trite invitations

Calendar shorter by a single day

Is my magic up to the test?

Time to see, I can't delay

(She was forming a potion that would erase all of Hearths Warming forever.)

Say goodbye to the holiday

Prepare the spell, no hesitation

All memory shall fade away

See Equestria's new transformation

(She poured in potions and smoke ponies formed above)

No more shall anypony say

Happy Hearth's Warming…

[sinister laughter]

… after today!

After today…

UH OH!

**Starlight Glimmer** : Once the spell is cast, all of Equestria will be better off, and they'll have *me* to thank for it!

UH NO THEY WON'T!

**Starlight Glimmer** : Wait a minute. Snowfall doesn't like Hearth's

Warming Eve so she decides to cast a spell to get rid of it altogether? That seems a little extreme.

Me: Yeah I agree.

Laney: That's going way overboard.

Applejack: I agree with y'all on that one.

**Spike** : [muttering] Says the pony who tried to make everypony the same by replacing their cutie marks with equal signs. [sips cocoa]

Me: You made your point Spike.

**Twilight Sparkle** : I think what Spike is trying to say is that everypony has their reasons for doing things. Even Snowfall. And if I could continue the story, we might just find out what they are.

**Spike** : Proceed.

**Twilight Sparkle** : Snowfall was all set to cast her spell that would erase Hearth's Warming Eve for all time…

She was about to cast her spell.

**Twilight Sparkle** : [narrating]… when a voice from the hearth caught her attention.

**Applejack** : You sure you wanna go through with this?

**Starlight Glimmer** : Huh?! Who's there?!

A bubble came out of the brew.

[bubbling]

A ghost appeared and it was Applejack as the Ghost of Hearth's Warming Past.

**Applejack** : The Spirit of Hearth's Warmin' Past, that's who. And you and me have got to have us a little chat.

**Starlight Glimmer** : A spirit?! [suspiciously] I didn't cast any spirit summoning spell. What are *you* doing here?

**Applejack** : You don't think a spell like that would get by without some powerful forces noticin'? You've got our attention, Snowfall Frost, and we've got some pretty strong opinions on this spell of yours.

**Starlight Glimmer** : "We"?

**Applejack** : They'll be along in a bit. For now, it's just you and me. Let's get a move on. We got a ton to see and barely any time to see it.

The spirit opened a window.

**Starlight Glimmer** : I'm not going anywhere. I've got a spell to cast, and I *don't* need a history lesson about Hearth's Warming Eve.

**Applejack** : We aren't goin' to the past to learn about the holiday. We're goin' to learn about *you* .

She used her lasso and grabbed Snowfall Frost.

**Starlight Glimmer** : [yelps] [wailing]

They were off and flying through the air.

**[Applejack]**

As a young thing, life sure is somethin'

You go makin' choices large and small

(They arrived into the past in Snowfall's old village)

Always growin' like a seedlin'

And playin' is like dreamin'

And before you know it, big and tall

And every little bitty choice you make

Sends you down a path to who you are today

So let's take a little trip down memory lane

And see just what the past has to say

(They saw Snowfall Frost when she was younger and she was a well liked and spirited young girl with a love for Hearths Warming like everyone else.)

Aw, look how cute you were. Looks like you're not too upset it's Hearth's Warming Eve either.

The seeds of the past

They grow pretty fast

Just look at who you were back then

The seeds, as they grow

Look what they can show

Reveal the truth time and again

Young Snowfall came back into her school and she was starting to decorate the school

**Professor Flintheart** : Just what do you think you're doing, Snowfall?

**Young Starlight Glimmer** : Decorating the classroom for Hearth's Warming Eve, Professor Flintheart!

**Professor Flintheart** : You said you wanted to learn to be a powerful unicorn, did you not?

**Young Starlight Glimmer** : I do!

**Professor Flintheart** : And what is the way that one *becomes* a powerful unicorn?

**Young Starlight Glimmer** : [clears throat] Work hard, learn, and use your skills to better Equestria.

**Professor Flintheart** : And how do these help you to learn magic?

**Young Starlight Glimmer** : I want to be strong enough to stop windigos and help ponies!

**Professor Flintheart** : That's just a story we tell little ponies. *Real* magic takes time to learn.

[ornament shattering]

Professor Flintheart crushed an ornament.

WHAT A JERK!

Professor Flintheart : It's your choice. Spend your time learning to become a powerful unicorn or play with your toys and make nothing of yourself.

**[Applejack]**

Then some distress, words so careless

Standin' there, you don't know what to do

Feelin' helpless, you can't make it hurt less

So you go and change your point of view

(Snowfall Frost then became bitter and hated Hearths Warming with a vengeance)

And in that moment, though you didn't know it

Your defenses set up walls you built to last

Leading to the pony you've become today

And the spell you're about to cast

It all comes from your past

**[Starlight Glimmer]**

The seeds of the past

We grow up so fast

Some hurts never go away

**[Applejack]**

The seeds, as they grow

This we can't let go

All tied to this one holiday

She woke up back in her house.

[bubbling]

**Starlight Glimmer** : [gasps] Spirit? What am I supposed to-

She saw a huge present in her room and it opened.

[sound of confetti launching]

Out of the present with confetti blasting was Pinkie Pie as the Ghost of Hearth's Warming Present.

**Pinkie Pie** : [reverberating] Snowfall Frost! It is I, the Spirit of Hearth's Warming Presents!

**Starlight Glimmer** : Um, don't you mean "Present", like the time?

**Pinkie Pie** : No! Toys, Hearth's Warming doll… Here, want a cupcake?

She gave her all that.

**Starlight Glimmer** : Fine, "Presents". All of the pointless things ponies waste their time on.

**Pinkie Pie** : Oh, Snowfall, it's not what the gift *is* that matters, it's what the gift *means* !

**Starlight Glimmer** : It doesn't *mean* anything. It's just stuff!

**Pinkie Pie** : Exactly! Sometimes a cupcake means "I love you!" Or a toy means "Hi, how're you doing?" Sometimes a book means "Your mane looks amazing!" And sometimes a scarf means… Well, a scarf *usually* means you look cold. That one's easy.

**Starlight Glimmer** : I don't understand anything you're saying.

**Pinkie Pie** : Whoa! Whoa! [trembles]

She was shaking like a leaf.

**Starlight Glimmer** : What's happening to you?!

**Pinkie Pie** : My Spirit of Hearth's Warming Presents Sense is going off! That means a song is coming on!

**[Pinkie Pie]**

Take a look at everything around you

All the smells that surely will astound you

Open up your heart, it will surround you

In the magic of Hearth's Warming Eve

(She put a wreath around Snowfall)

(A pony gave a poor pony some cocoa)

The little things that make it better

(Little kids were singing carols for a nice old pony)

Little ponies spreading cheer

Give a toy, a hug, a sweater

Memories that last all year

The present's always filled with presents

Large, medium, and small

Sometimes the most important things

Aren't very big at all

[tap-dancing solo]

What a party, there's so much to see here

Can't believe you didn't want to be here

You'd have had a blast, I guarantee here

This is the spirit of Hearth's Warming Eve

(Snowdash and the versions of Rarity and Fluttershy were having fun)

Cider's flowing, this is living

(They clinked glasses and drank)

Come on and feel the beat

Life is better when you're giving

Each time you do it feels so sweet

The present's always filled with presents

So come on, open your eyes

Spend time with ponies just like you

And watch your spirits rise

The present's always filled with presents

Take a look around

The reason for the holiday

Is quite easily found

Yes, the reason for the holiday

Is quite easily found

And the reason is to be with your friends!

**Twilight Sparkle** : [singsong, as Pinkie Pie] And the reason is to be with your friends! [normal] What?

**Starlight Glimmer** : You know you're doing your Pinkie Pie voice, right?

**Twilight Sparkle** : I was not!

Me: I thought that was really cute.

Nico: Me too.

Lincoln: It was adorable.

Lola: Yeah it was.

**Spike** : [laughing]

**Starlight Glimmer** : So, what happens next?

**Twilight Sparkle** : Well, the party was-

**Spike** : Wait! Can we take a quick break? I need to refill my cocoa.

Me: All right. I needed to get some hot cocoa anyway.

**Twilight Sparkle** : [groans] Fine. But hurry up! We're almost to the best part!

We went to get some more cocoa and we had it.

**Spike** : [blows] Okay, I'm ready.

Me: We all are.

**Twilight Sparkle** : The party was in full swing.

**Rarity** : Snowdash!

**Rainbow Dash** : Hey, Merry.

**Rarity** : Why, whatever is the matter, darling?

**Fluttershy** : Was it the eggnog? Oh, I knew I put in too much cinnamon!

**Rainbow Dash** : Oh, no, the eggnog was awesome, Flutterholly, I'm just mad at somepony who was complaining about how awful Hearth's Warming Eve is.

**Rarity** : I don't suppose that pony's name starts with "Snow"?

**Fluttershy** : And ends with "Frost"?

**Rainbow Dash** : She said Hearth's Warming Eve is just an excuse to party, and we would all be better off spending time working to make Equestria a better place.

**Crowd** : [booing]

WHOO! They got that right.

**Rarity** : What does Snowfall think a better Equestria looks like?

**Rainbow Dash** : Ponies working hard, learning, and using their abilities for the benefit of Equestria.

**Fluttershy** and **Rarity** : [giggling]

[thunk]

A snowball hit the window.

[foals laughing]

Kids were building a snow pony that looked like Snowfall Frost.

**Rarity** : [muffled] It looks like we've got everything on Snowfall's list right here.

**Fluttershy** : I think a perfect Equestria looks a lot like a Hearth's Warming Eve party.

**Pinkie Pie** : Me too! Too bad it's going to be the last one ever! Ever! Ever! Ever! [echoes out]

An ominous fog rolled in.

**Starlight Glimmer** : Spirit? What do you mean? What's going to happen?!

[wind blowing]

Snowfall then met a hooded figure and it was Princess Luna as the Ghost of Hearth's Warming Yet To Come.

**Starlight Glimmer** : Who are you?

**Princess Luna** : I am the Spirit of Hearth's Warming Yet to Come.

**Starlight Glimmer** : Are you here to show me what future Hearth's Warming Eves are like?

**Princess Luna** : No, for there are no more Hearth's Warming Eves for me to show.

**Starlight Glimmer** : Why not?

**Princess Luna** : You will succeed in erasing the holiday, as you wished.

**Starlight Glimmer** : And what happens?

**[Princess Luna]**

I see a cold wind blowing through

(She showed her the future and it showed all of Equestria buried in snow and turned into a Frozen Hell)

I see days neither fun nor free

(No one was outside as they were all trapped in an ice age)

I see a future caused by you

I see a path not meant to be

(Snowfall backed up and a black wind blocked her path as she approached a cliff edge)

The future should be filled with magic

Dreams and wishes brought to life

(The spirit used her magic to make a Pony and a girl dancing)

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Snowfall Frost

Now the future is a cold nightmare

Two terrifying ice creatures called Windigos appeared.

**Starlight Glimmer** : Windigos?! They aren't real! It's just a little filly's story!

**Princess Luna** : They are all too real, Snowfall, and your actions will allow them to return. The future of Equestria shall be bathed in a blanket of eternal snow!

Because of Snowfall's spell she would turn all of Equestria into Hell on Earth! I was shivering with fright as we were hearing this part and ice was forming down my back.

**Starlight Glimmer** : No! I never meant for this to happen! I didn't understand! I didn't see how important Hearth's Warming Eve was! Please, spirit! I haven't cast the spell yet! Is there still time?! I'm sorry! [echoing]

She woke up and saw that she was back in her house.

[window opens]

She looked outside and saw that it was still Hearth's Warming.

[bell ringing]

**Starlight Glimmer** : There's still time!

She got ready and headed to the party.

[party crowd chattering]

[knocking]

[door opens]

They saw that Snowfall Frost was at the door.

**Rarity** : Oh, my.

**Fluttershy** : Snowfall Frost?

**Starlight Glimmer** : I was hoping I wasn't too late for the party? I brought gifts.

[record needle scratch]

**Rainbow Dash** : [spit-take] Boss?!

**Starlight Glimmer** : I was wrong earlier, about Hearth's Warming Eve. It's not all about singing and presents. The singing and presents are all about celebrating the ponies in our lives. The ponies we should listen to more often: our friends.

Snowfall Frost learned a huge lesson and she gave everyone presents.

**Rainbow Dash** : Wow.

[rip]

She was given a potion.

**Rainbow Dash** : Dragon toenail? Uh… thanks?

**Starlight Glimmer** : I was in a hurry. I'll do better next time.

**Rainbow Dash** : Ha. You kidding? No one's ever given me dragon toenail before! It's awesome! Now come get some eggnog!

**Twilight Sparkle** : [narrating] And from then on, it was always said of all the Hearth's Warming Eve celebrations, Snowfall's was the Hearth's Warmingest.

The story was done.

**Twilight Sparkle** : The end.

[book closes]

Me: That was a great story Twilight!

Nico: It sure was.

Horsea: That was a great story!

Me: It sure was. And that part with the Spirit of Hearthswarming Future scared me. It made ice and shivers go down my spine.

Nico: Boy that was scary but cool.

Lola: It sure was.

Xenia: Yep.

Brittney: And that part was also where Lincoln, me and many of us learned that song for our curses.

Nico: That is amazing.

Twilight Sparkle: That sure is amazing. But I'm glad you guys liked this story.

Touma: It sure was awesome.

Nico: Yep. Now it's time for the movie.

We were getting ready to watch The Nutcracker from the year 2010.

May: Nico, which teams have you made this time?

Nico: Wonder Woman's team will include Silica, Estella Skyla, Elaine Wittgenstein, Gem Cavvenport, and Olivia Orrovia. Princess What's Her Name's team will include Asami Sato, Salene Sallamandia, Leona Terra, Shannon Simpson, and Andromeda Buster.

Me: Cool! So the Alchemy Beast Gene-slammers all have a chance.

Andromeda Buster: And it's an honor to be in a team.

Shannon Simpson: And I'm included too. It'll be an honor.

Qin: You girls are gonna love it.

Me: Yep.

Nico: Now lets watch the movie.

We got to watching.

In 1920s Vienna during the Christmas season, Mary lives with her parents and her younger brother Max. She is upset that her parents are going to a party that night, as she wants the whole family to be together for Christmas. Uncle Albert arrives and gives both her and Max a dollhouse and a nutcracker doll nicknamed NC, whom Mary immediately takes a liking to. That night, NC comes to life in front of Mary and grows to human height. He tells her that he must talk to his friends in the doll house, which is in the sitting room by the Christmas tree. They go downstairs and Mary finds that the sitting room has grown to an enormous size so that they appear to be the height of toys. In the dollhouse, Mary meets NCs friends; Gielgud, a gentlemanly chimpanzee; Tinker, a pernickety opera singer and Sticks, a drummer boy.

After climbing the Christmas tree, Mary meets the Snow Fairy, who resembles her mother. The Snow Fairy tells Mary that NC is in fact a prince who had his kingdom taken over by the anthropomorphic Rat King and his cruel mother, The Rat Queen, who was also the one that turned him into a nutcracker. She manages to turn him back into a boy temporarily due to Mary's belief and the two briefly dance before finding his city. Since NC was turned into a nutcracker, the Rat King has been oppressing his people, and forcing them to work in factories where the children's toys are burnt to form dark clouds over the city to block out sunlight, which he is afraid of. Mary suggests that they destroy the factories to scare him away. Unbeknownst to them, two of the Rat Kings spies report back to tell the Rat King that NC is alive and a boy again. The Rat Queen turns NC back into a nutcracker, then sends the Rat Dogs, a pack of robotic Rottweilers, to cut down the Christmas tree. When the tree falls, Mary suddenly wakes up in her own bed and runs downstairs to get NC. Her parents do not believe her when she tells them the events of the night.

The next evening, NC comes to life again and tells Mary that he intends to round up an army to fight against the Rat King. Max wakes up and agrees to join the fight with them. NC goes downstairs ahead of them, to gather his friends but is kidnapped. When Mary and Max go downstairs, they find that NC, Tinker and Sticks are being held captive in the fire place by the Rat King and his minions. After briefly tormenting them, he kidnaps the toys and lures Max back to the city. After they leave, Mary discovers Gielgud, who escaped capture. They find a portal to the city in the house's attic, and after stealing disguises from a rat, search the city for their friends. They find the Rat King and Max in the city centre where toys are being taken from children to be burned. Max is horrified by this and asks to be returned home, but the Rat King imprisons him in his castle. They sneak into one of the smoke factories where they find Sticks, Tinker and an apparently lifeless NC.

Mary rescues him from being burned and tells him that she loves him, which breaks the curse, bringing NC back to life and turning him back into a boy permanently. The factory workers, seeing their prince alive, begin to fight back against the rats while Mary and NC attempt to shut down the factory. The Rat King and Rat Queen decide to escape in a helicopter, kidnapping Mary and Max. Gielgud and NC manage to board the helicopter and fight the Rat King while Max successfully manages to land the aircraft into a pile of toys. The Rat King and Queen escape by returning to their original rat forms and fleeing into the sewers. NC is crowned king and peace is restored in the kingdom as everyone celebrates. The Snow Fairy reappears and tells Mary it is time for her to go back home, though she is reluctant to leave. Before she goes, NC promises that they will meet again.

Mary wakes up in her own room where her parents apologise for their earlier criticisms of her and promise to spend more time with her. She goes downstairs to Uncle Albert who introduces her to his new neighbour: a boy her age, who resembles the Nutcracker Prince and asks to be called NC. They soon become friends and the two go ice-skating together.

When it was done we were amazed and in awe.

Me: That was awesome!

Lola: Yeah it was!

Xenia: That is one of my favorite ballets too.

Nico: Yep.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Dewgong next.

Me: Ooh an underwater one next.

Lola: This will be cool.

Xenia: Yep.

Poromon: Are we gonna sing the songs?

Nico looked at the time and it was 10:13 PM.

Nico: Whoa look at the time. We got to get to bed. We have a big day tomorrow. It's the anniversary of the Battle with Thanos.

Qin: Oh wow that's right.

Nico: But maybe two songs. Me and May will sing the first one.

Poromon: Okay.

Nico: We'll sing The Christmas Song by Nat King Cole.

Me: That's one of my favorites.

(CHRISTMAS SONG BY NAT KING COLE PLAYS)

Nico and May: (SINGING DIVINELY)

Chestnuts roasting on an open fire

Jack Frost nipping at your nose

Yuletide carols being sung by a choir

And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe

Help to make the season bright

Tiny tots with their eyes all aglow

Will find it hard to sleep tonight

They know that Santa's on his way

He's loaded lots of toys and goodies on his sleigh

And every mother's child is gonna spy

To see if reindeers really know how to fly

And so I'm offering this simple phrase

To kids from one to ninety-two

Although it's been said many times, many ways

Merry Christmas to you

And so I'm offering this simple phrase

To kids from one to ninety-two

Although it's been said many times, many ways

Merry Christmas to you

They did great singing it and it was so awesome!

Qin: AWESOME!

Lola: That was great guys!

Nico: And Maria will close it out.

Maria: Okay. I got one. Silent Night.

Nico: Good choice.

She got ready.

(SILENT NIGHT BY JACKIE EVANCHO PLAYS)

Maria: (SINGING DIVINELY)

Silent night! Holy night!

All is calm, all is bright,

Round yon Virgin Mother and Child!

Holy Infant, so tender and mild,

Sleep in heavenly peace!

Sleep in heavenly peace!

Silent night, Holy night,

Wondrous star, lend thy light

With the angels let us sing

Alleluia to our King

Christ the Savior is born,

Christ the Savior is born!

Silent night! Holy night!

All is calm, all is bright,

Round yon Virgin Mother and Child!

Holy Infant, so tender and mild,

Sleep in heavenly peace!

Sleep in heavenly peace!

It was beautiful and awesome.

Qin: That was awesome Maria!

William: Nice job, babe!

Maria: Thanks hon. Also did you have a powerful nosebleed launch when you saw me in a bikini?

William: Yeah and you looked so beautiful in one.

Maria: Oh William.

Nico: Aww. Lets head to bed now guys.

We did so and got ready and went to sleep.

The match-up scene for Chapter 1967 is for Isabella Excelsior, Gene-Slammer of Number 96: Dark Mist, and she and Lincoln are going to destroy a bully from Isabella and Silvia's past: a punk boy named Henry Hansley, who's bullied Isabella and Silvia Excelsior for a long time and has tried to kill them more than once, only to be caught by them, expelled from school, and sent to prison, but we're also going to find out he's literally killed a lot of people in the past, along with committing a ton of crimes in Michigan. Plus, she'd also known of what Ebonwu Lincoln did in ending the eons-long war that's raged in Elementa. She came to Earth six and a half years ago, and she swore to protect Lincoln with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. One time, while out on the beach and Diana was lying on Lincoln's body and in his arms, she and Lincoln kissed each other on the lips, and like Selene Emperyous, she hates all of Lincoln's enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead. The anniversary of the Battle With Thanos is next and we're going to recap what the most devastating battle we've ever had on December 26th, 2019 was like and that is gonna be a really awesome and fun.

Skyla, Elaine Wittgenstein, Gem Cavvenport and Olivia Orrovia and Kite Man, Yost Vulture, Doktor Frogg, Bubbles, Batty And Count Fang and we were there for another awesome rescue but also we were heading there to see Misty perform as the Magical Mermaid. It's an awesome underwater Pokemon adventure story that Misty and her sisters put on to entertain people. Ash, Serena, Brock, Lucy, and Dawn and friends were all with us.

Me: I heard that Ash and friends battled Team Rocket who were after Pikachu when Misty did this. I heard it was really awesome.

Nico: I heard so much about this though. It's really an enchanting story.

Eli: It sure is. It's just like Ariel and her adventures.

Lola: I'm really looking forward to this one.

Xenia: Me too.

Camie: This will be so cool to see Misty perform as a mermaid.

Himiko: It sure will.

Ash: You guys will love it though.

Pikachu: Pika!

Qin: I'm excited to see what this is like.

Me: And with all the villain teams destroyed maybe it will go unimpeded.

Nico: Yeah one can hope.

Varie: Yeah.

Nico: Wonder Woman, I want to thank you, Kite Man, and your teams for coming.

Wonder Woman: I'm really looking forward to this Nico.

Estella Skyla: Me too Diana. It will be so awesome to see what this is gonna be like.

Kite Man: It sure will be awesome.

Gem Cavvenport: It sure will be fun.

Nico: Silica, what do you like to do in your free time?

Silica: Haven't really thought about it. I have been thinking about wanting to teach swordmastery to many people that want to learn how to use swords to defend themselves.

Me: That's an awesome idea Silica.

Estella Skyla: I agree there.

Wonder Woman: I think it's a great idea too. Perfect for helping people.

Nico: I agree there.

Me: Me too.

Nico: Like the mascots when they're ready

Me: That's right. It will be fun.

Qin: Yep.

Nico: By the way I do have an idea for one of the teammates for a future team and it will be Emila Magica.

Twilight Sparkle: The champion of the Magic of Friendship to be put on a team. I like it Nico.

Nico: Thanks Twilight.

Xenia: Yeah that's an awesome idea. More of Lincoln's Guardian Angels and more members of Nico's harem should be put in groups.

Nico: Who loved the Nutcracker yesterday?

Me: We all did Nico.

Qin: Yeah that was a great movie.

Rarity: Oh it sure was darlings.

Xenia: Yeah it sure was fun.

Nico: Yeah.

Lucy (Pokemon): I had fun with that kind of movie though.

Me: We all did.

Maria: King Kai, what did you get for Christmas?

King Kai: I got an awesome new planet and it was perfect for me because Goku blew my old one up.

Nico: I remember that. That was crazy of Kakarot to do that. But I guess he had no other option. I would have taken Cell to a planet I hate if it were up to me.

King Kai: That is true. But thank you guys for the awesome new planet too.

Me: You're welcome King Kai.

King Kai: And just so you know you should all be ready for the battle ahead. Team Skull is coming to crash the party at Cerulean City. So be ready for them.

Me: Boy don't those peabrained morons ever take a hint. But we'll be ready for them.

Juran: Is Misty really a mermaid?

Nico: We'll find out. She does really awesome as one.

Brock: You should see how she does in this play.

Qin: We can't wait.

Me: I heard they are doing the play outside in a huge tank that can turn into an underwater arena this time.

Nico: Perfect. It will be awesome.

Me: But we'll have to see if we can give Misty the power to be a mermaid at will.

Juran: That will be cool.

Varie: Yep. She'll make an awesome member of the Neptune Crusaders.

Sirius: I agree there.

Nico: And this is gonna be perfect because the next Gene-slammer is a Dewgong here. And I'm also hoping to meet one for a Muk on the Cutie Mark Crusaders final mission.

Me: Whew! That one is gonna be stinky.

Camie: Yep.

We got to the arena.

Maria: The show's starting!

We got our seats and on a diving board we saw Misty and she was dressed up in a beautiful mermaid outfit and she looked radiant.

Me: Wow! Misty looks great.

Misty Tredwell: She sure does.

There was also a Goldeen, Seel, Dewgong, Seaking, Shellder, Cloyster in the tank. Misty dove in and she was dancing in the water with them.

Maria: Horsea would've wanted to see this!

May: So would Manaphy!

Nico: Yeah they would love this!

Dawn: Piplup would love this too.

Piplup: Piplup.

Nico: All the Neptune Crusaders and their Pokemon would.

Misty was having an awesome fun time in the tank.

Me: Wow it's amazing she can hold her breath for that long.

Nico: It sure is.

Touma: That is so cool.

Rintaro Shindo: I think it's magnificent.

Fluttershy: Oh it sure is and I think it's all very magical.

Qin: It sure is Fluttershy.

Zocks: Team Skull can still attack us out here.

Me: It's an outdoor stage/arena Zocks.

Then Misty's sisters saw numerous figures coming and they saw us and they gave us the thumbs up.

Me: That's the signal!

The tank turned into an arena and then we landed onto the water and I fired an energy blast and it hit a wall and blasted numerous Team Skull Members and flushed them out!

Me: Right on cue!

Maria: Showtime!

They came at us and had lots of Salazzle with them!

Me: Lets get them guys!

We went at them!

I fired waves of energy and elements and blasted the members of Team Skull all over and kicked them in their faces.

Misty dove and slapped one with her tail!

Misty: Dewgong use Aurora Beam!

Dewgong: (In a girls voice) You got it Misty!

She fired waves of Aurora Energy and blasted the Salazzle all over!

Me: Whoa!

Nico: Wait that voice! Aqua Eridanus Marion!

Me: Boy Right off the bat we found the next gene-slammer!

Misty: Wow! The next gene-slammer with me in the show.

Me: No kidding Misty.

Dewgong: Awesome to see you Nico and you too Qin. We can talk later. Right now we got to deal with these guys and face the next Undead Zodiarts and Another M.O.E. Member.

Me: Okay!

I fired waves of lightning and electrocuted the Team Skull Members all over.

Ash: Pikachu Electro Ball!

Pikachu: PIKA! CHU!

He fired a ball of lightning and blasted a Salazzle down in a powerful explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju armor!

Misty: Gyarados Hyper Beam!

Misty's Gyarados fired a powerful Hyper beam Blast and it hit a bunch of Salazzle and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Elaine Wittgenstein: Taste this H2O!

She fired a powerful blast of water and smashed numerous Skull members down!

Maria: Who else wants some?!

They just kept on coming!

Gem Cavvenport: Taste these moon blades!

She fired numerous moonlight blades and they slashed numerous members of Team Skull all over and I fired waves of fire and burned them.

Qin: YEAH!

Skull Member: LETS GET OUT OF HERE! RETREAT!

Nico: YEAH YOU BETTER RUN!

Me: Or better yet… (ACTIVATES HECTOR CON CARNE'S RIDEWATCH) NO ONE RETREATS FROM HECTOR CON CARNE!

I pointed my butt at them and then fired a rocket blast and just as they reached the forest…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

They were blasted into oblivion!

Qin: WHOA! Those rockets were powerful!

Me: No kidding! Major Dr. Ghastly did a great job on them for the ridewatch.

Nico: Is that it for them?

Eli: Yes that's it for them. They are all destroyed. Bro's rocket blast destroyed them all in one fell swoop.

Their pokeballs flew and landed in our hands.

Me: And as a trophy we get their Pokemon.

Nico: I like it.

Lola: Yep. Hopefully Team Skull won't be bothering us for the rest of the year.

Nico: Yeah.

Dewgong: But that was so much fun!

Nico: Glad you liked it Aqua.

Then the Hydra Kyutama started glowing.

Me: The Hydra the Sea Serpent Kyutama is glowing.

Nico: Can you stay in that form for a little while longer?

Dewgong: I can't revert back anyway.

Qin: Okay. But I think Dewgong is awesome.

Me: And Misty you did great as a mermaid.

Misty: Thanks guys. It was fun.

Me: You would make an awesome member of the Neptune Crusaders.

Varie: How would you like to have the power to turn into a mermaid at will and join the Neptune Crusaders?

Misty: I would be honored Varie.

Varie: Awesome.

Estella Skyla: But the fun part about all this is that we got to use our gene-slammer powers for this one.

Nico: You sure did Estella.

Lola: That was awesome.

Nico: But we're not done yet.

Eli: Here it comes.

We saw a figure come out and it was ANOTHER HYDRA UNDEAD ZODIARTS! It looked more like MANDA! It was the biggest one of them all!

Nico: WHOA!

Me: WHOA! That one looks more like Manda from Godzilla back in 1963!

Eli: Wow! A Kaiju Size Undead Zodiarts! This is amazing!

Maria: And you are?

Another Hydra Undead Zodiarts: (In a girls voice) I believe I am someone J.D. knows.

She reverted back and it was a Sailor Soldier that had aqua blue hair and green eyes and green clothes. It was Rhonda Ralltiir A.K.A. Sailor Ralltiir!

Me: (GASP) Rhonda Ralltiir A.K.A. Sailor Ralltiir!

Sailor Ralltiir: It's awesome to see you again J.D.

Me: Same to you.

Varie: Wow! Ralltiir's Sailor Soldier! That is cool!

Eli: That planet was known for Lord Tion's bombardment and subsequent invasion of the planet, coupled with a blockade of the Ralltiir system that choked off the Perlemian Trade Route.

Me: Whoa!

Qin: That was brutal.

Sailor Ralltiir: It sure was.

Me: Rhonda is one of my friends from Science Class and she was sent into the future from the planet Ralltiir during the war for protection. And we busted lots of bad guys together.

Nico: You're probably one of the bigger ones.

Me: Yeah. And Hydra the Sea Serpent is the largest constellation in the Southern Sky.

Sailor Ralltiir: It's awesome and cool and I did look like Manda there didn't I?

Me: You sure did. Manda is from Godzilla back in 1963. A Sea Dragon Kaiju.

Sailor Ralltiir: That's right.

Nico: That is so cool. So who gets to volunteer?

Elaine Wittgenstein: I will go.

Elaine went up to her.

Elaine Wittgenstein: By the way are there any other opponents that we need to be aware of in this vicinity?

Sailor Ralltiir: Yes there are. Another version of him.

She pointed to Kite Man.

Kite Man: Another version of me!? Whoa!

Me: Hostile or friendly?

Sailor Ralltiir: Friendly. Don't worry.

Me: Good.

Nico: Thank God!

Sailor Ralltiir: Yeah. I saw the battle and you guys were awesome and the show was so fun.

Misty: Glad you liked it.

Sailor Ralltiir: Yeah. Shall we dance?

Elaine Wittgenstein: We shall get this party started.

Sailor Ralltiir turned back into ANOTHER HYDRA UNDEAD ZODIARTS! Elaine fired a massive blast of water and smashed her down and then…

INTENSE MASSIVE FIERY EXPLOSION!

The explosion was powerful and massively strong! When it faded, Sailor Ralltiir was back to normal and I caught the Ridewatch and Rouse Card and purified them and the Rouse Card had the stars and symbol for Hydra the Sea Serpent on it and a Sea Dragon on it.

Me: Cool!

The Zodiarts switch glowed and turned into armbands for those marked with Hydra the Sea Serpent.

Me: Awesome!

I went and picked Sailor Ralltiir up and brought her over.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Kite Man: Just to be a great angel and fly far and amazingly like my ancestor.

Qin: Boy we can easily do that.

Me: Yeah we all are angels ourselves and we can do that for you.

Another Kite Man: I knew that Swartz was lying to me but I love all your wings.

Estella Skyla: I'm glad you like them. They all came with our powers.

Me: In a sense we are all angels and it's awesome.

Another Kite Man: It sure is.

Me: Sorry we have to fight like this.

Another Kite Man: No worries. Come at me and don't hold back.

Me: With pleasure. First time we faced one like this that flies in the sky.

Another Kite Man: First of many.

Nico: (gets out Kite Man's Ridewatch) Let's fly!

He activated it and flew fast and blasted Another Kite Man all over.

Qin: OH YEAH!

Nico: YEAH!

Me: I have a feeling the next Embodiment of the Saber Team is coming. Rintaro do you mind?

Rintaro: Not at all. Go for it.

I pulled out the Lion Senki Wonder Ride Book.

Me: (Reads Verse) "The prowl of the mighty blue lion was on as it stalked its prey with the courage and stealth of a warrior of the jungle. As it stalked its prey it had no idea that it was being stalked by the mighty king of the jungle. Then with one powerful pounce it knocked its prey to the ground and pinned it to the ground with powerful ice paws and froze it in place."

Then a lion made of ice jumped and pounced on Another Kite Man and pinned her down!

Qin: WHOA!

Xenia: That was cool!

Rintaro: It sure was!

Nico: (gets out Yost Vulture's Ridewatch) Let's keep up the aerial action!

Estella Skyla: You don't have to tell me twice Nico!

Nico activated Yost Vulture's ridewatch and he grew his wings and we flew after Another Kite Man.

Then a tornado of ice flew in and blew Another Kite Man and froze her glider and knocked her into the water arena.

Me: WHOA! Who did that?

Then a girl with blue hair and blue clothes and blue angel wings and a tiara with the symbol of Kamen Rider Blades appeared and she had her own version of The Holy Sword of Water and her own Lion Senki Wonder Ride Book.

Me: Whoa!

Qin: Wow!

Lydia Blades: Sorry to drop in like this. My name is Lydia Blades and I'm the Embodiment of Kamen Rider Blades.

Qin: Wow it's awesome to meet you.

Lola: Yeah that was awesome!

Lydia Blades: Thanks.

Me: You are the fifth embodiment of the Saber team that we met.

Lydia Blades: I can tell you guys met my fellow embodiments.

May: (gets out Doktor Frogg's Ridewatch) My turn!

She activated it and fired waves of energy and blasted Another Kite Man all over and then Another Kite Man flew into the air.

Estella Skyla: I haven't had my fun yet. (ACTIVATES KAZARINA'S RIDEWATCH)

She fired waves of light and blasted Another Kite Man all over the place.

Qin: Yeah!

May: (gets out Bubbles' Ridewatch) Now, for this! Hope you can handle the cuteness.

She activated it and May did a really cute face.

May: Aww do I look really cute?

Fluttershy: And me? (Does a cute face)

Rarity: My goodness, they are both trying to out-adorable her!

Mane Six sans Fluttershy: Go, Fluttershy!

May: (Does a lot of cute faces)

Rainbow Dash: It's almost too cute! [faints]

THEY DID ALL SORTS OF ADORABLE AND CUTE FACES!

Pinkie Pie: I can't handle the cuteness!

Another Kite Man: (SQUEALS) SO ADORABLE AND CUTE!

Me: (LAUGHS) That was awesome! Save that one for the humiliations.

Nico: That was too cute.

May: (LAUGHS) It was cute.

Fluttershy: Aww yes it sure was cute.

Maria: (gets out Batty's Ridewatch) This won't be cute!

She activated it and fired a swarm of bats and they hit Another Kite Man and smashed her down.

Maria: (gets out Count Fang's Ridewatch) Now, for this one!

She activated it and fired waves of bats and smashed her all over.

Qin: Take that!

Xenia: Yeah!

Silica: Time for some awesome flying fun! (ACTIVATES YOST VULTURE'S RIDEWATCH)

She got Yost Vulture's wings and flew and she punched and kicked Another Kite Man all over and smashed her down.

Qin: YEAH!

Dr. Destiny and his team came and he had Owl, Miriam, Vampire Twilight Sparkle, Quint and Pie King!

Qin: Cool!

Nico: Nice team, Dr. Destiny!

Dr. Destiny: Thanks Nico.

Me: It's really cool and Twilight Sparkle looks cool as a vampire!

Vampire Twilight: Thanks J.D.

Me: You would not like my blood.

Nico: The Gene Slammer's already with us.

Dewgong: Yep and I got this.

She fired a blast of Aurora energy and blasted down Another Kite Man and I caught the Ridewatch and purified it and went over to Carmella and she was a girl with brown hair and had an aviator outfit on and had a blue scarf around her neck and I picked her up.

Carmella Earhart: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Dewgong: That was awesome and cool!

Nico: Nice job!

Dewgong: Thanks.

Me: Now we can get down to helping out.

Silica: What's your favorite memory of Nico?

Dewgong: I have a lot of them but my favorite is when me and Qin went down to the Ocean Vents. Qin was in a submersible and I was in my mermaid form and she and I did all sorts of fun down there.

Me: That is awesome.

Dewgong: Yep. Also if I ever see that bitch Lila Rossi I'm going to put her into a tank of piranhas and have them eat her alive.

Me: Nice.

Nico: Wait until you meet Horsea and Manaphy.

Dewgong: Looking forward to it.

Me: First lets get you back to normal.

Nicole: And I know you're naked. NO PEAKING OR YOU ARE GOING TO WISH YOU WERE NEVER BORN!

I put on my blind man glasses and everyone covered their eyes and I snapped my fingers and she was reverting back.

Aqua's tail split into legs.

And she was back to normal and she was a girl with blue hair and Varie got her out and the fashion brigade gave her new blue clothes and she looked great. Aqua tried to stand up.

Aqua Eridanus Marion: Whoa!

She almost fell down And Rarity and Marion caught her.

Aqua Eridanus Marion: Thanks guys. Man its been a while since I was human. But man I look good.

Nico and Qin then hugged her.

Nico: We missed you Aqua.

Aqua Eridanus Marion: Me too guys. Me too.

Nico: Need help standing up?

Aqua Eridanus Marion: I sure do. Thanks.

Nico: No problem.

Me: But the show and the battle was really fun.

Misty: Boy it sure was. Glad you guys all loved it.

Me: You were awesome Misty.

Xenia: I agree there.

We later went back home.

But, we also got bad news: Audrey Madison's parents are here and they want revenge for the death of their daughter, but without the Rebellion Chips, they're nothing, and we're going to send them straight to prison for helping their evil daughter in her twisted revenge scheme.

Lincoln: Wow, we're here in The Sensei Light Realm, and I know what I'm going to do here, not only am I going to rescue the three girls here, but Princess Celestia is going to get a powerful treasure here: a powerful greatsword known as The Celestial Solar Sun Alicorn Greatsword of The Light Skylanders.

Nico: You got that right, but we also got bad news: Audrey Madison's parents are here and they want revenge on us for the death of their daughter, but without the Rebellion Chips, they're nothing, and we're going to send them straight to prison for helping their evil daughter in her twisted revenge scheme.

Me: So, they're just as bad as their heartless daughter?! What a bunch of monsters!

Qin: It's no surprise that Audrey Madison had gotten that same kind of evil from them, and you're right, they're just as bad as that slut, but you're going to wish that they were killed when you hear about this. Nico, if you would?

Nico: Gladly. See, after Audrey got expelled and arrested long ago, I dug up some info on them long ago, and he found out her parents were criminals who were enemies of the world, and not only did they create the Rebellion Chips, they planned on using them to turn innocent people into heartless killers, so that they can kill us all and take over the world, and any who dared to get in their way would be brutally murdered.

We gasped, and when Lincoln heard it, he was now really pissed off!

Me: They're fucking insane, just like Audrey!

Nico: Yep, and it proved us right that their daughter inherited their brand of evil and insanity.

Lincoln: Those worthless… heartless… bastards!

Eli: Is anybody getting a sense of Deja Vu?

Goku: I'm going to have to agree, Eli, in fact, those were the same words that I said about Frieza when he murdered Piccolo and Krillin back on Planet Namek, and now, after what Qin just told us, Lincoln's going to tear them to shreds, and I won't be surprised if he turns into Lincoln the Nocturnal.

Me: (Gulps) Then, things are really going to get bloody.

Lincoln: They're about to be.

Nico: UH OH!

Lincoln let out a growl as white fur began growing on his abnormally massive and powerful muscular body with white fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips and his eleven massive and long and powerful white wolf tails with markings, and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Beastly Voice) They're not getting away with their schemes ever again. What they've done just proves what kind of monsters they truly are: they're just like Audrey Madison, and I refuse to let them go unpunished for their sins, and I want to thank you and your team for joining us, Princess What's-Her-Name.

Princess What's-Her-Name: You're welcome, Lincoln. So, where are they exactly?

Lincoln: (Beastly Voice) (Sniffs) Judging from their energy signals and scent, they're 45 meters west, and there's no doubt they're heading for the shrine to kill us, so let's head there first, so that Princess Celestia can grab The Celestial Solar Sun Alicorn Greatsword of The Light Skylanders, and then, we can rip them to shreds.

Isabella Lupa was still blushing when she saw Lincoln transform into Lincoln the Nocturnal, and as he turned his head, he saw it for himself. He then walked up to Isabella Lupa and he cupped the left side of her face with his large left hand, and he had a smile on his muzzle.

Isabella Lupa: I know what everyone's going to say, but can you really blame me, Lincoln?

Lincoln: (Beastly Voice) (Chuckles) No, I can't, Isabella.

We ran fast, and we arrived at a purple-colored shrine with the symbol of The Light Skylanders on it, and then, the Light symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Celestial Solar Sun Alicorn Greatsword of The Light Skylanders, a powerful massive greatsword with golden yellow gems representing the Light Skylanders embedded in the 7'0" massive, wide, double-edged gold blade, large alicorn heads for the crossguard, large golden yellow gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large white gem on the bottom of the alicorn heads for the pommel.

Princess Celestia: Amazing, so that's The Celestial Solar Sun Alicorn Greatsword of The Light Skylanders.

Crash Bandicoot: That's right, and it's a weapon made for you, Princess Celestia, since you're the Alicorn Princess of The Day and The Light Skylanders.

Suddenly, we saw a beautiful girl with long flowing rainbow hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful rainbow angel wings, and she's dressed in a Sailor Soldier outfit and the Cygnus the Swan constellation on her right arm, and long white sleeveless trenchcoat with elemental forces on the coattails and on the back is the planet Elementa and holstered on her back is a massive greatsword with embedded colored gems and the planet Elementa etched etched on the 7'0" massive, wide, double-edged rainbow blade, large angel heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large angel heads and large rainbow gem on the bottom of the large angel heads for the pommel, and with her are the three girls.

Nico: Whoa, a Sailor Soldier, and she's got the three girls away from Audrey's psycho parents, nice.

Lincoln: (Beastly Voice) (Gasps) Oh, no way, Diana Elementa, it's you!

Me: No way, Lincoln, you know her?!

Lincoln 2: (Through The Rainbow Thunderbird and Third Eye Rainbow Iris) He's not the only one, I do too, but we'll talk later, we've got to deal with those two-faced evil parents of Audrey Madison.

?: YOU FUCKING ASSHOLES WILL PAY FOR WHAT YOU DID TO OUR PRECIOUS DAUGHTER!

Qin: Ugh, I knew there's no mistaking those voices from anywhere.

Nico: Same here, get out here right now, Mr. and Mrs. Madison, there's nowhere left for you to run!

We then saw our targets, Mr. and Mrs. Madison, and man, were they extremely pissed off.

Mr. Madison: I HATE YOU ALL SO MUCH, TEAM LOUD PHOENIX STORM! IT'S NOT ENOUGH TO KNOW THAT YOU ALL ARE STILL ALIVE!

Mrs. Madison: BUT TO FIND OUT YOU ALL DESTROYED OUR DAUGHTER AND RUINED OUR REVENGE ON YOU ALL, WE WILL HAVE YOUR HEADS!

Princess Celestia: That's never going to happen, and now, you will both be punished for your crimes.

Princess Celestia went up and she grabbed The Celestial Solar Sun Alicorn Greatsword of The Light Skylanders. Suddenly, Princess Celestia's purple eyes turned neon purple and she was surrounded by a white and golden yellow energy aura with Suns, sunlight, Alicorns, and magic, she unholstered her massive Princess Celestia's Sunlight Alicorn Greatsword of Magical Equestrian Love and Solar Justice from her back, and as she approached Mr. and Mrs. Madison, she left white and golden yellow energy aura with Suns, Alicorns, sunlight, and magic with every step.

Princess Celestia: I will never forgive you two for the crimes that you've committed against the world and what your daughter did to Nico, Qin, Lincoln, and his Guardian Angels, along with all those who'd gotten in her way. You two are nothing more than harbingers of chaos and mayhem, and now, I will see to it that the both of you receive your rightful punishment.

Suddenly, Princess Celestia was surrounded by a massive vortex of white and golden yellow energy with Suns, sunlight, and magic surrounding it, there's an Alicorn flying around the vortex, and the Sun was shining down, and in the vortex is a purple phoenix. Then, as the vortex faded, Princess Celestia emerged, but she was changed forever.

(CHILDREN OF THE SUN BY THOMAS BERGERSEN PLAYS)

Suddenly, Princess Celestia felt a sharp pain on her back, and then, her massive white angel wings with purple tips on the large white feathers and light falling from the tips grew much bigger for her new body and her aurora-colored tail also grew longer. Princess Celestia has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Lincoln had his claws and massive greatsword at the ready and he charged at Mr. and Mrs. Madison and he literally tore them to shreds as his claws and massive greatsword rend and tear their flesh and their body parts are severed and absorbed into his body, along with their blood. Then, their spirits appeared and Lincoln sent them to The Black Gates. We cheered as we holstered our weapons and powered down, and Princess Celestia's new body, clothes, weapons, jewelry, Third Eye, massive white angel wings, and longer aurora-colored tail are permanent.

Princess Celestia: That's it for another batch of bad parents.

Nico: They were just as bad as their evil daughter, and now, they've paid the price.

Lincoln: (Beastly Voice) You got that right, Nico. (To Diana Elementa) And it's so good to see you again, Diana Elementa.

Diana Elementa: You too, Lincoln, it's been a long time.

Lincoln went up to Diana Elementa and he hugged her, and Diana Elementa is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you in six and a half years, and as you can see, I really grew since then.

Diana Elementa: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps, and even as Lincoln the Nocturnal, there's no mistaking the white hair and deep blue sapphire eyes from anywhere.

Lincoln: (Beastly Voice) Thanks, Diana, and to answer your question from before, J.D., yes, I know her, this is Diana Elementa, she's my Guardian Angel and classmate in Gym, and you're also going to like this part: she's the Sailor Soldier of Elementa, and she has omnipotent elemental powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts.

Nico: Whoa, so she's the Sailor Soldier of Elementa, that's really awesome!

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Plus, she'd also known of what I did in ending the eons-long war that's raged in Elementa.

Diana Elementa: That's right, and I came to Earth six and a half years ago, and as a promise I made to myself, I'd sworn to protect Lincoln with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. Plus, this one time, while out on the beach and I was lying on top of Lincoln's body and in his arms, we kissed each other on the lips.

Me: So, it was also love at first sight, just like with your fellow

Guardian Angels.

Diana Elementa: Yep, and just like Selene Emperyous, I've hated all of Lincoln's enemies and all your enemies with an intensely infinite hatred and I wanted nothing more than to see them all dead.

Lincoln: (Beastly Voice) She really hated them that much, even more than Selene Emperyous, and she even kicked Flip, Hawk, Hank, Chandler, his goons, Lewis Travolta, Pablo, and Anderson hard in the crotch and she almost destroyed their reproductive systems.

Nicole: Damn, now that's brutal, you sure are a powerful Guardian Angel of Lincoln.

Diana Elementa: And I'm not the only Sailor Soldier from one of the planets that Ebonwu Lincoln had gone too eons ago, but I'll show you later. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: (Beastly Voice) Diana, are you absolutely sure about this?

Diana Elementa: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you, and I don't mind if you do it as Lincoln the Nocturnal.

Lincoln looked into the eyes of Diana Elementa, and he saw that they're really serious, and he smiled as he walks over to Diana Elementa, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on the crook of Diana Elementa's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on Diana Elementa's with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Diana Elementa: (Surprised) Lincoln, are these…?

Lincoln: (Beastly Voice) Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Diana.

Diana Elementa had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Yume Irido, Akatsuki Minami, and Isana Higashira from My Stepmom's Daughter Is My Ex.

Lincoln: (Beastly Voice) Oh wow, it's Yume Irido, Akatsuki Minami, and Isana Higashira from My Stepmom's Daughter Is My Ex.

Nicole: Awesome.

Lincoln: (Beastly Voice) Are you girls okay?

Yume Irido: Yes, we're okay, thanks to you.

Yume Irido: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm, and you're in your Lincoln the Nocturnal form.

Lincoln: (Beastly Voice) That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yume Irido: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yume Irido, Akatsuki Minami, and Isana Higashira with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Princess Celestia had gotten The Celestial Solar Sun Alicorn

Greatsword of The Light Skylanders, and they were shocked when they found out the villains we went after were Audrey Madison's equally evil parents, and they were out for revenge for what happened to Audrey Madison.

But, when Lincoln showed what happened such as Princess Celestia transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she, Lincoln, and all of us brutally beat those psycho down and Lincoln as Lincoln the Nocturnal ripped them apart and he sent their spirits to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Diana Elementa have a lot of catching up to do, now that she's back in town.

Maria: Oh damn, I certainly wasn't expecting to find out that Audrey Madison's evil parents were in the Sensei Light Realm.

Lincoln: (Beastly Voice) Same here, but we took care of them, and Master Goku was right that I was going to rip them to shreds as Lincoln the Nocturnal.

Nico: He sure did, it was gruesome and he absorbed their severed body parts and blood into his body, just like what he did to Ted Harrison's werewolf form.

Me: That's what happens when you literally anger the beast inside Lincoln.

Lincoln: (Beastly Voice) You got that right.

Isabella Lupa: Yeah, you anger him and he'll flatten you into a pancake, or rip you in two.

---

After finally getting rid of Audrey Madison's evil parents and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Diana Elementa saw Lincoln in his Lincoln the Nocturnal form doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Diana Elementa: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Diana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Diana Elementa: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Diana, what memories did you have with Lincoln?

Diana Elementa: Oh man, I remembered this one time we were heading back to The Loud House after a day of shopping at the supermarket, but then, we heard the sound of a yell in the air and the smell of an unwashed cheapskate, and we saw who it was coming after us: it was Flip, and he was still out to kill Lincoln, but when I heard Lincoln let out a growl, I then saw him transform into his werewolf form and he kicked and punched Flip really hard, and he even left claw marks on that fat belly of Flip's. Then, he knocked Flip out and tied him up, and the cops came and took Flip away. I was really stunned at first, but then, I ran up to Lincoln and we hugged and we kissed muzzle to lip. After we put the groceries away, we told everyone what Flip tried to do, but Lincoln stopped him as he transformed into his werewolf form, and everyone cheered for him.

Nico: Whoa, now that was really awesome! Flip must've been scared out of his mustache when he saw Lincoln turn into his werewolf form.

Me: He sure was, and I also saw the whole muzzle to lip kiss between those two, and it was romantic.

Lincoln: (Beastly Voice) This also wasn't the first time I kissed my Guardian Angels or the girls in my harem in my werewolf form.

Girl Jordan: Yeah, he's done it with all of us, and it really was romantic. Plus, we were really safe in those fur-covered massive and muscular arms.

Mollie: And with our really big and really strong handsome alpha male hybrid man protecting us, any who try to get any funny ideas will get flattened to a pulpy pancake.

Isabella Lupa: And in case all of you were asking why Lincoln hasn't changed back yet, I also intend to get in a little… love-making session with him while he's in his Lincoln the Nocturnal form, after he comes back from his date. Plus, I've not shown you guys my werewolf form.

Isabella Lupa growled as as lighter brown fur began growing all over her body with tan fur covering her muzzle, chest, and stomach, her large brown pointed wolf ears and brown wolf tail remained the same, her nails grew into claws, and her yellow eyes had slit pupils, and she let out a howl.

Isabella Lupa: (Beastly Voice) So, what do you guys think of my werewolf form?

Me: Awesome!

Lincoln: (Beastly Voice) I really missed seeing you transform into your werewolf form, Isabella. Don't worry, we'll have our little session after my date.

Isabella Lupa: (Beastly Voice) (Seductively) Don't be long, you big, strong, manly Alpha male.

Lincoln had a blush on his muzzle and face.

Lincoln: (Beastly Voice)(Thinking) Just like Rudina, you still know how to get me blushing like crazy, Isabella.

We got a shower afterwards, and then, Lincoln, Starfire (DC Superhero Girls 2015) and Spitfire are heading to Dolphin Shoals, and Isabella Excelsior is also joining in as well.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Starfire (DC Superhero Girls 2015), Spitfire, and Isabella Excelsior were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Starfire (DC Superhero Girls 2015) and

Spitfire each have feelings for Lincoln, and he also had feelings for them as well, plus, he saved them when Amy broke out to kill them, but Lincoln saved them, and he smashed that rage-crazy psycho into the dirt before he tied her up again.

And there's a reason why Isabella Excelsior is also here: we also found out from Lincoln that an old bully from Isabella and Silvia's past has escaped from prison and is coming to get revenge on them: his name is Henry Hansley, a heartless and ruthless punk boy who's known as The Nightmare of Michigan, and he's bullied Isabella and Silvia Excelsior for a long time and has tried to kill them more than once, but they defeated him, and after that, he was expelled from school and sent to prison in San Quentin for life.

But, we also found out from Isabella and Silvia that he literally killed a lot of people in the past, along with committing a ton of crimes in Michigan: ranging from burglaries to assaults and destruction of property. Plus, when news of his crimes were sent to the judge in California, and because he was 19 at the time of his crimes, he was ultimately sentenced from Life in Prison without parole to death. But, two weeks ago, he broke out of prison and he was heading to get revenge.

Starfire (DC Superhero Girls 2015): Wow, so this is Dolphin Shoals.

Spitfire: It truly is amazing.

Lincoln: (Beastly Voice) It sure is, girls. But, we also got to watch ourselves here. Henry Hansley is no doubt coming to kill us, and he's already wanting to kill Isabella, before he gets after Silvia.

Isabella Excelsior: Like I'm going to let that piece of shit kill me and Silvia, we'll be doing San Quentin a favor and carry out his death sentence for his crimes. But, for now, let's enjoy our beach date.

Lincoln, Starfire (DC Superhero Girls 2015), Spitfire, and Isabella Excelsior dive into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Starfire (DC Superhero Girls 2015), Spitfire, and Isabella Excelsior got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch. But, their beach date was about to be rudely interrupted.

?: I'm going to fucking kill you and Silvia if it's the last thing I ever do, Isabella, you bitch!

Suddenly, the nine large multi-colored orbs orbiting around Lincoln's legs, along with the large orange gems on his large gold cuff Bracelets of The Champions of the Universe and the Stone of Gelel that was embedded in the back of his left hand were glowing, and that means big trouble was incoming.

Isabella Excelsior: Oh great, I knew there was no mistaking that voice from anywhere, get out here right now, Henry Hansley, or I will put a curse on you that'll condemn you to Hell forever.

A figure came out, and it was none other than Silvia and Isabella Excelsior's old bully and enemy: Henry Hansley, he was a punk kid with black hair and was dressed in a red prison jumpsuit, but he'd also bulked up a lot in muscle mass from going to the prison yard and using the weights.

Isabella Excelsior: You heartless, good-for-nothing bastard, I should've known you'd one day break out to get revenge on me and Silvia for sending your ass to prison.

Henry Hansley: You ruined everything for me, I could've finally caused a bloodbath in Michigan and killed every single person there, but you and your stupid sister ruined it. Now that I've also bulked up immensely in muscle mass, I'm going to fucking rip you to shreds!

Lincoln: (Beastly Voice) The only one who's going to get ripped to fucking shreds here is you.

Isabella Excelsior: That's right, Linky, and we're finally going to carry out your death sentence.

Suddenly, Isabella Excelsior's dark purple eyes turned neon dark purple and she was surrounded by a black and dark purple energy aura with darkness, dark magic, dark fire, dark mists, and creatures of the night, she unholstered her massive Number 96: Dark Mist-themed greatsword from her back, and as she approached Henry Hansley, she left black and dark purple energy, darkness, dark magic, dark fire, dark mists, and creatures of the night with every step.

Isabella Excelsior: I've had it up to hear with you for the very last time, Henry Hansley. You know, it's bad enough that you've really caused me and Silvia more than enough trouble for us back in school when you've bullied us and you've tried on more than one occasion to kill us, but to find out that you murdered hundreds of innocent people and went on a massive crime spree in Michigan by robbing and assaulting people and destroying property there as well, you really are a monster with no soul or conscience, and for that, we'll do San Quentin a favor and carry out your death sentence here and now.

Suddenly, Isabella Excelsior was surrounded by a massive vortex of black and dark purple energy with darkness, dark magic, dark fire, and dark mist surrounding it, there are the creatures of the night and Number 96: Dark Mist flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Isabella Excelsior emerged, but she was changed forever.

Isabella Excelsior has transformed into SUPER ANGEL-DEMON MIST-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS NUMBER 96: DARK MIST DEMON GOTH ANGEL OF DIVINE DARK MAGIC DARK MIST JUSTICE AND DIVINE DARK MAGIC DARK MIST LOVE!

Starfire (DC Superhero Girls 2015) and Spitfire were amazed by Isabella Excelsior's Super Angel-Demon Mist-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and muzzle, hearts in his eyes, and his wolf nose was bleeding, but when Henry Hansley saw it, he went mad and the muscle-bound criminal ran at her to kill her with a punch, but Isabella Excelsior took to the air and dodged it, and she fired a powerful black and dark purple energy blast with darkness, dark magic, dark fire, dark mists, and creatures of the night at Henry Hansley, and he went back a bit, but it really angered and pissed him off now.

Lincoln: (Beastly Voice) You made a big mistake in trying to attack her, Henry, you may have had a big advantage in size and muscle, but Isabella relied on everything she'd learned from us, and now, you're going to pay for your crimes, dumbass, and Isabella, you look beautiful, how do you feel?

Isabella Excelsior: (Divine Echoing Cosmic Voice of The Darkness Dark Mist Demon Phoenix Angel and Divine Darkness Dark Mist Demon Love) **I feel incredible, Linky. Now, shall we put this dumbass down for good?**

Lincoln: (Beastly Voice)(Smiles) With pleasure, Isabella.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Isabella Excelsior.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've had this coming for a very long time, Henry Hansley, and now, you're going to get the ass-kicking of a lifetime!**

Isabella Excelsior and Lincoln went after Henry Hansley, who tried to punch them again, but they dodge his punches, and they fired extremely powerful blasts of rainbow energy, black and dark purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels,

Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Henry Hansley and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Isabella Excelsior, her hand-cannon Blaster is known as Number 96: Dark Mist's Dark Mist Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black and dark purple darkness on the blaster and with a Phoenix, Angel, and Number 97: Dark Mist surrounded by darkness etched on the sides, and a dark purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Isabella Excelsior fired blasts of rainbow energy, black and dark purple energy, and elemental forces at Henry Hansley and as they hit him, they exploded with incredible power, and he was knocked down, but he got up again.

Henry Hansley: I'M GOING TO CRUSH YOUR HEADS!

Henry Hansley ran at them again, but Lincoln ran at him with superhuman speed, and he leapt up in the air with superhuman agility and got behind Henry Hansley, and he put the musclebound thug in a brutal bear hug, and then, Lincoln began draining Henry Hansley of his massive muscle mass and he absorbed his muscle mass and his abnormally massive and powerful upper and lower body muscles had bulged even more with power and veins protruded, and as soon as Lincoln was done, Henry Hansley was now completely weak and he was now thin as a rake.

Henry Hansley: W-what did you do to me?!

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Made you completely weak after I drained and absorbed your muscle**

**mass.**

Then, Lincoln punched Henry Hansley real hard in the stomach and it also caused him to belch out massive amounts of blood, and then, Lincoln pierced Henry Hansley's skull with his left pointer finger claw and he began sucking out every last drop of the thug's blood and organs, and he was left as an empty husk, and Lincoln then sent his soul to The Black Gates. Isabella Excelsior and Lincoln holster their massive greatswords on their backs and powered down, and Isabella Excelsior's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, and massive purple angel wings are permanent.

Isabella Excelsior: That'll teach you, you miserable thug. Thanks for helping me destroy that thug, Linky.

Lincoln: (Beastly Voice) (Smiles Warmly) You're welcome, Isabella.

Suddenly, Isabella Excelsior wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Isabella Excelsior's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Number 96: Dark Mist flying in the air, and a herd of Buffalo and many animals running across the field, along with elemental forces and darkness around them and the girls cheered wildly. Then, Lincoln and Isabella Excelsior absorbed the darkness and they came back to the girls as the display and Number 96: Dark Mist vanished.

And then, as the sun was about to set, Lincoln made three clones of himself and he and his clones went up to Starfire (DC Superhero Girls 2015), Spitfire, and Isabella Excelsior and they hugged the girls in their abnormally massive and powerful muscular arms and Starfire (DC Superhero Girls 2015), Spitfire, and Isabella Excelsior placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (Beastly Voice) (In Heaven) It was awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Starfire (DC Superhero Girls 2015) and Spitfire with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rainbow Dash: And we got two new members to Linky's harem, awesome!

Lincoln: (Beastly Voice) And Isabella transformed and she and I dealt with Henry Hansley, who broke out to get revenge on you and your sister for long ago, Silvia.

Silvia Excelsior: I guessed it, and I can guessed you used your muscle mass draining and absorption technique on him, right?

Lincoln: (Beastly Voice) Yep.

Isabella Lupa: He deserved it. (To Lincoln) And now that you're back, Linky, you know what time it is, right?

Lincoln: (Beastly Voice) Our love-making session, I haven't forgotten, Isabella. (Smirks) But, you're not the only one who's going to participate.

Twilight Sparkle: Uh oh, looks like he's including all of us.

Lincoln: (Beastly Voice) You guessed it, Twilight.

Lincoln and the girls in his harem went in his room.

Nicole: Uh oh, now things are really about to get wild. NO PEEKING!

Nicole set up the shields in Lincoln's room, and we left out of the World Tree Estate and headed for Lynn's Table.

Nico: And it's a good thing we also left the Estate, because after that little love-making session he and Kurumu did, we don't want a repeat of what happened.

Me: You got that right.

Five hours had passed, and we came back, and Nicole dropped the shields. Then, Lincoln and his harem came out, and Lincoln changed back, but he was covered in lipstick marks all over his face, massive and muscular upper body, and eight-pack abs, and his harem were covered in kiss marks and their clothes were a mess.

Nico: Whoa, you guys really had a lot of fun.

Lincoln: (In Heaven) It was really awesome!

Isabella Lupa: (In Heaven) I never knew just how dominant and romantic our man can truly be, but wow! What a hunk!

Girl Jordan: (In Heaven) Same here.

Lily the Mermaid: (In Heaven) You got that right, our man sure can get wild when it comes to making out.

---

Later it was time for the Cutie Mark Crusaders final ambassador mission.

William: Anyone else want to go with the Cutie Mark Crusaders? Besides Tyson and Eli Shane?

Jen: Me and Betty will go!

Me: Anyone?

Looks like no one else wants to go.

Qin: Well no one else then.

Xenia: Okay then.

Nico: Lets head out then!

Cutie Mark Crusaders: CUTIE MARK CRUSADERS FINAL AMBASSADOR MISSION! YAY!

We were off.

---

We arrived and saw Natsumi, Miyuki, Ayeka, Nadeshiko and Aoi facing a mad arsonist that was torching cars with a flamethrower.

Mad Arsonist: (LAUGHING INSANELY) BURN! BURN! BURN!

Natsuki: You're under arrest bub!

But then the cutie mark crusaders Cutie Marks appeared and swirled around and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Cutie Mark Crusaders: CUTIE MARK CRUSADERS HOOOOO!

We jumped out of the explosion and then pounced onto the arsonist and smashed him down and wrapped him in a straitjacket!

Qin: Take that you firebug!

Natsumi: Nice job guys!

Me: Thanks.

Camie: That was cool!

Sweetie Belle: Natsumi, meet Tyson and Eli Shane.

Tyson: Awesome to meet you.

Eli Shane: Same here.

Me: And meet Jen Walters and Betty Ross.

Jen Walters: Awesome to meet you.

Aoi: Same here.

Betty Ross: You'll like what we can do later on.

Nico: Tyson here is a Beyblader.

Natsumi: I thought he looked familiar. And I know this kid named Gingka and he is a great champion and friend too.

Me: Awesome that you know Gingka.

Ellie Singh: How has he been?

Natsumi: Really awesome. He told me to give you this. Didn't get the chance to do so last time. Late Christmas present.

She gave Ellie a present and it was a Beyblade Blaster!

Ellie Singh: Awesome! I'll be sure to tell him thanks.

Natsumi: Cool.

Me: Looks like we stopped an incredibly bad arson spree.

Natsumi: We sure did.

Nico: And Eli Shane comes from underground.

Me: Long story on that.

Eli Shane: Yeah it's cool.

Natsumi: Boy I'll have to hear about it later.

But then we smelled something REALLY FOUL!

Me: (Sniffs) EW! NICO DID YOU SOIL YOUR PANTS!?

Nico: Wasn't me!

Nadeshiko: EW!

Me: Wait. This smell is familiar.

Scootaloo: (Quivering) GUYS! It's from this!

We saw a Muk cuddling Scootaloo!

Me: A Muk! I knew that smell was familiar.

Albedo: The Gene Slammer already?!

Muk: (In a girls voice) Yes it's me.

Nico: (GASP) Daphne Lorrington!

Muk: Good to see you again Nico.

Me: Boy just like earlier this morning.

Natsumi: Wow that one smells awful.

Me: Muk is a Sludge Pokemon. What did you expect?

Miyuki: Don't revert her back just yet!

Me: I know. We got work to do here first.

Nico: What is the situation?

Miyuki gave us a newspaper. It had a picture of soldiers planning to blow up a bridge.

Me: I know those guys! That's Hector Con Carne's dimwitted soldier army. We fought them when we battled Hector Con Carne the first time and they got REALLY Mangled up by us easily. These guys were easy pickings.

Natsumi: That's interesting that you know these guys.

Albedo just got off the phone with Hector.

Albedo: Hector said he had nothing to do with this.

Me: Hmm. When he was defeated the first time his soldiers must have gone rogue and went into hiding and decided to finish some of his work from the shadows.

Qin: Very strange.

Nico: We defeated him over 3 and a half years ago.

Me: Yep.

Natsumi: Wow.

Miyuki: Who is Hector Con Carne?

Me: He was a billionaire playboy and he was turned into a disembodied brain and stomach after he was blown up in a huge explosion. He was put in a jar that was put on a Circus Bear named Boskov.

I pulled out a picture of him.

Aoi: Geez!

Nadeshiko: That is crazy!

Me: Yeah but he is now in our frenemies in the Masters of Evil.

Nico: Joe said something similar happened in Quahog.

Me: Yep.

Nadeshiko: Boy that is coincidental.

Me: He also was on the United Nations criminal watch list.

Ayeka: Wow that is crazy that he did all that.

Nico: I agree there too.

Me: What does Hector's army plan to do?

Natsumi: They are going to blow up a bunch of bridges all over the world.

Me: So that's it.

Nico: Not gonna happen!

Me: Not on our watch!

Eli: Yeah that won't happen!

Me: And it looks like they are going after Tokyo Bay Bridge.

Natsumi: Yep.

Me: Then we got to stop them. Luckily these guys are more like dimwitted minions and comic relief fun.

Albedo: Yep.

Muk: This will be a fun battle for us.

Tsuyu: It sure will.

Rainbow Dash: And awesome and fun.

Me: Yep.

Natsumi: Wow. Also I heard that today is also the anniversary of the battle you all had with Thanos right?

Me: That's right. 3 years ago today.

Nico: One of the most devastating battles we've ever had.

Miyuki: Wow!

Nico: If we beat them there, we can disarm their explosives!

Me: Yep. They may be soldiers but they are definitely not very smart.

Eli: Yeah these guys are dumber than a sack of diapers.

Georgina: And they smell like farts and urine from being around Boskov's farts and Hector's Brain Juice that smells like farts and urine.

We laughed at that one!

Sydney Burlington: (LAUGHS) That was funny!

Me: (LAUGHS) That was funny and awesome!

Nico: Natsumi, here are your Legend Items.

Me: In fact. Miyuki and Aoi get Legend Items too.

We gave them their legend items.

Me: They are for members of the Jokerz that Batman 2039 faced on a daily basis.

Aoi: Wow!

Nadeshiko: What about me and Ayeka?

Me: We'll think of something for you two later on. Plenty of villains out there for you all.

Nadeshiko: Okay.

Natsumi: We'll put on leotards this time.

Me: Okay. Please excuse us.

We had our backs turned while they changed.

Natsumi's was purple, Ayeka's was purple too and Nadeshiko and Miyuki's was blue.

Betty: Me and Jen will reveal our leotards too.

Jen's was purple and Betty's was black.

Me: You'll see why shortly.

Camie: Yep.

Nicole: But are we all ready?

Natsumi: We sure are.

Me: Lets go kick some Evil Con Carne Soldier butt!

Natsumi: We taking the car?

Me: Yep. But I have an awesome transport.

I pulled out a Dyna Cap and pressed the button and threw it and then…

BOOOOOOOOOOOOMMMM!

It revealed an awesome transforming armored van for all of us.

Me: Tadah.

Natsumi: Cool!

Eli: Awesome bro.

Me: And we're going to give them an awesome surprise attack.

It turned into an ice cream van.

Ayeka: Is there real ice cream?

Me: No sorry.

Ayeka: Darn.

We went to the bridge.

Me: Get ready guys.

Nico: Ice cream trucks are commonly used disguises.

Me: Nobody ever suspects an ice cream truck of being a booby trap.

Eli: Nope.

Qin: But this is gonna be good.

The soldiers were unloading explosives.

Soldier: Man it's not the same without the chief.

Soldier 2: But at least we're avenging him by doing this.

Soldier 3: Yeah.

Then Ice Cream Truck music came.

Soldier 4: Oh boy Ice Cream!

Soldier 5: Hey lets get something to cool down.

The truck pulled up. What they didn't know however is that inside it was us.

It opened and Nico was disguised as a clerk.

Nico: (smiles at them) Hi! What will you guys have?

Soldier 1: Chocolate Astro Punch Pop please?

Nico: Sure!

POW!

Nico punched him in the face.

Then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion that blasted out of the back of the van and a phoenix cry was heard and we came out!

Me: ALL RIGHT TEAM LOUD PHOENIX STORM! LETS ROOOOOOOCCCCCCKKKK!

We came out and we were beating and smashing and pulverizing the soldiers all over with intense brutality!

POW! BLAM! SOCK!

Eli bashed and kicked numerous soldiers all over!

Tyson: Beyblade, let em rip!

He launched his Beyblade and it smashed and bashed them all over.

POW BLAM BIFF WHAM!

Nico then smashed a soldier with a chair!

WHAM! WHAM!

Eli punched a soldier in his face numerous times!

Jen and Betty: LETS HULK OUT!

They turned into RED SHE-HULK AND SHE-HULK! The officers turned into their gene-slammer forms!

Surprisingly, their leotards fit their changing bodies.

Me: Awesome!

Camie: Oh yeah!

We smashed and pulverized the soldiers!

The soldiers had cannonball blasters and they fired at us and then we ducked and the balls hit them in their faces!

WHAM! BLANG CLANG! WHAM SMASH BLANG!

Me: Watch this one.

I took three guns and then fired them all over and bashed and smashed them all over the place!

Tyson: (gets out Animated Kingpin's Ridewatch) Now, for this!

He activated it and rolled and smashed numerous soldiers down!

Me: Now watch this one. (ACTIVATES THE JOKERZ RIDEWATCHES)

I threw pie bombs and they hit numerous Soldiers and exploded!

MASSIVE FIERY EXPLOSIONS!

Sirius: OH YEAH!

Tyson: (gets out Animated Kingpin's Gaia Memory) Almost forgot our Gaia Memories!

ANIMATED KINGPIN!

He grew in size and bashed them down like a bowling ball.

Me: YEAH!

Muk: Sniff on this!

She fired globs of sludge and drenched them in sewage.

Eli Shane: (gets out Slug's Gaia Memory) My turn!

SLUG!

He fired a huge whale size slug and bashed down the soldiers!

Me: YEAH!

Apple Bloom: Ready Crusaders?

Sweetie Belle: Lets close this out with a bang!

Scootaloo: Yeah lets do it!

Natsumi: Time to test this out!

She activated the Jokerz Ridewatch and fired waves of explosive pies and they hit the soldiers and exploded in their faces.

Me: YEAH!

Natsumi: And this too!

JOKERZ!

She fired more explosive pies and blasted them down in fiery explosions!

Apple Bloom: Time for this!

FROZEN FRIGHT! THUNDER TERROR! MAGMA GLOOM! TOXIC HORROR! LOUIE POISONSEA!

They fired waves of elements and blasted the rest of the soldiers down!

But then a black version of a Buglizard came and mauled the rest of the soldiers! It was ANOTHER BUGLIZARD!

Me: Whoa Another Buglizard!

Nico: And you are?

Another Buglizard: (In a girls voice) I believe J.D. knows me.

Me: (GASP) Lizzie Thornton!

Another Buglizard: Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: I sure do. She is a race car driver.

Nico: Cool!

Me: Yep.

Albedo turned into Negative Buglizard.

Negative Buglizard: Did Swartz promise you anything?

Another Buglizard: Just to be a great race car driver like my hero

Bobbie Fletcher.

Me: Believe it or not we know Bobbie Fletcher. She sponsored many of the races we were in.

Another Buglizard: Wow!

Me: Yeah it's true.

Camie: But lets get you back to normal.

Nico: (takes out Puppetmon's Ridewatch) Hope you like puppets!

He activated it and got his hammer.

Nico: (Echoing) PUPPET PUMMEL!

He smashed the ground and blasted her with a blast of fire and smashed her down!

Me: Awesome!

Nico: Now for the finale.

Muk: Leave that to me.

She fired a wave of sludge and smashed her down and I caught the ridewatch and purified it and then I went over to Lizzie and she was a girl with black hair and had a purple race uniform.

I picked her up.

Lizzie Thornton: (GROANS) What a headache.

Me: But you'll be fine.

Vypra and the Masters of Evil came and rounded up all the soldiers.

Vypra: The soldiers of Hector Con Carne will make awesome members of the M.O.E.

Me: Awesome Vypra.

Camie: Yep.

Natsumi: Girls, ever since I met you 3, I've seen you as little sisters.

Apple Bloom: Really? Oh Natsumi!

They went and hugged her and so did Ayeka and Nadeshiko, Miyuki and Aoi.

Me: Aww. So adorable!

Qin: Yeah!

Me: Now to revert Daphne back to normal.

Nico: Okay.

I put on my blind man glasses and everyone covered their eyes and I snapped my fingers.

Daphne's body became solid

And she had purple hair and purple eyes and was naked.

Rarity gave her awesome purple clothes.

Daphne Lorrington: (Groans) Man that was rough. But it's good to have skin instead of poop.

Nico: I agree.

They hugged.

Nico: I've missed you.

Daphne Lorrington: Me too Nico. Me too.

* * *

We later came back.

Laney: How did it go guys?

Me: Boy it was awesome!

We told everyone everything and it was awesome.

Laney: Whoa its been a long time since we faced Hector's soldiers.

Lana: I'll say! But Daphne you look great as a Muk.

Daphne Lorrington: Thanks Lana.

May: Kita, for your first mission, Tsukasa and 4 Rabbids. Should go With you.

Kita: Awesome!

Me: We're looking forward to this one. The Revice Riders are really cool.

Qin: They sure are.

---

We later arrived at Lindsey's house.

Nico: So, this is where you live, Lindsey?

Lindsey: Yep.

We saw that she lived in an amazing and beautiful multi-million dollar mansion!

Me: WHOA! Lindsey we didn't know your family was filthy rich.

Lindsey: No one ever asked that because they would frolic all over the place to me wanting to hang out with me. So I lied by saying I was poor.

Me: Oh. I understand that.

We went up to the door and Lindsey knocked on it and answering it was Lindsey's dad.

Lindsey's dad: Oh Lindsey! Welcome home sweetie.

Lindsey: Hey dad.

Me: Hello sir.

Lindsey's dad: Team Loud Phoenix Storm what a great surprise.

May: Hi, Lindsey's Dad!

Lindsey's Dad: It's truly an honor to meet you all.

Me: Same here. Sorry to drop in like this sir. But we would like to have a little talk with you about Lindsey. She's not iin trouble or anything.

Nico: We found out some things about Lindsey that you should hear. Mind if we come in and talk?

Lindsey's Dad: Sure.

We came in and sat down.

Me: Boy your house is really nice.

Lindsey's mom: Thank you very much.

Me: You're welcome.

Lindsey: Mom, dad, Paula, there's a reason why I was such an airheaded idiot.

Paula (Total Drama): Why sis? If this has anything to do with you telling everyone I had diarrhea.

Lindsey: No no sis it's not that. I was bullied by jealous girls.

Lindsey told everyone what we found out from her usual battle with Ushari.

William: Also, we did NOT need to know about the diarrhea part.

Me: That was was mentioned when she first started out on Total Drama by accident.

William: Sorry.

Lindsey's mom: Oh sweetie why didn't you tell anyone this?

Lindsey: (Crying) Because I was afraid with how you would react.

Paula (Total Drama): Oh sis.

She went over and hugged Lindsey.

Lindsey's Dad: Oh Lindsey we had no idea.

Ushari: I'm sorry this all happened to Lindsey.

Paula (Total drama): I just can't believe all this happened.

Me: Yeah. Blame Heather for that.

Maria: And yeah. Your daughter's archenemy is a snake.

Me: Yeah.

Lindsey: (Crying) I'm sorry I hid this from you guys.

Me: But you guys don't have to worry about Heather anymore. She is gone for good. A forgotten memory.

Maria: Nico, which teams have you made this time?

Nico: Nokama's team will include Penelope "Stinky" Florington, Kelly Orimoto, Hilary Thestalos, Nina Nefertiti, and Emilia Magica. Levi's team will include Carapace, Rosa Laurence, Lucy Xi, Celina McPherson, and Tammy Rosalinda.

Me: About time one of the Champions of Harmony gets a shot.

Kelly Orimoto: Yeah same here.

Hilary Thestalos: I agree here too.

Nina Nefertiti: I agree there too.

Me: Lindsey do you feel better now?

Lindsey: I do but the pain still hurts.

Me: I know Lindsey: But you should not let those jerks tell you anything. Ignore them.

Duncan: Or beat them up.

Me: Leave that to us Duncan.

Duncan: Yeah.

Lindsey's dad: But thank you all for telling us this. We had no idea.

Me: We were just looking out for Lindsey. We love her like she is a member of the family.

Nico: And she's already an important part of the team now more then ever.

Me: That's right. Also She dishes out awesome punishments on the jerks of Lynn's Table.

I showed videos of them.

Her family was laughing their socks off.

Nico: Yeah it was all funny.

Me: Especially to those jerks Amy and Billy McLean.

Nico: And she's a Neo Core member.

Ushari: Yeah and it's fun.

Me: Ushari is an Egyptian Cobra. He's a really cool snake.

Lana: I'll say. All animals are awesome.

Ushari: I'm glad you think that Lana.

Maria: Now, we should probably get ready.

Lindsey's Dad: But thank you all for telling us this. We'll be sure to tell everyone what happened with Lindsey.

Me: Good. I'm glad we were all able to tell you all this.

Lindsey's Mom: Thank you guys.

We later left and went to Lynn's Table.

---

At Lynn's Table we were getting ready.

May: Nico, which Gene Slammer do you think you'll meet next?

Nico: Cloyster and Gengar next.

Me: Ooh those are gonna be good.

Tyra: I agree there too.

Lola: Yep.

Maria: In 2019 on this day, we had a big battle.

Me: That's right December 26th, 2019 we went into battle with The Mad Titan, Thanos and saved the entire universe from total destruction.

Nico: To combat Thanos, we gathered the Infinity Stones.

Me: Yep. We found them all in 6 sources. The first one was the Reality Stone and Danny's enemy Freakshow had that one.

Laney: Ronan the Accuser had the Purple Stone for Power.

Lola: The Space Stone was in the Cosmic Cube.

Me: Dr. Strange's necklace had the Time Stone.

Eli: Loki's staff had the Yellow Mind Stone.

Me: And the Orange Soul Stone we had to make a sacrifice for.

Nico: To combat Thanos, we gathered the Infinity Stones.

Me: Yep. We found them all in 6 sources. The first one was the Reality Stone and Danny's enemy Freakshow had that one.

Laney: Ronan the Accuser had the Purple Stone for Power.

Lola: The Space Stone was in the Cosmic Cube.

Me: Dr. Strange's necklace had the Time Stone.

Eli: Loki's staff had the Yellow Mind Stone.

Me: And the Orange Soul Stone we had to make a sacrifice for.

Maria: And after a long time, we finally got to fighting Thanos.

Me: Yep. But when we fought Supergiant that came with a terrible cost. Ra's sacrificed his life to save Talia.

Ra's Al Ghul: Yes I did.

Nico: I remember that.

Eli: Oh man.

Camie: That's terrible.

Me: Yep. Ra's made me promise to take care of Talia and that's just what I am going to do.

Xenia: Wow.

Me: Yep.

Varie: And we went off into space and battled him on his ship in the middle of the Asteroid Belt.

Rojo: And before that, I killed Supergiant.

Me: You sure did Rojo.

Qin: Yeah.

Goku: I remember killing Corvus Glaive.

Me: You sure did Master Goku.

Vince: I killed Proxima Midnight

Nico: I killed Cull Obsidian.

Me: And we all obliterated all of his followers into dust.

Tommy Oliver: Me and all the Power Rangers were able to destroy Ebony Maw.

Me: And all the Super Sentai Teams from over the course of 43 years all helped us out back then. It was one last job for them.

Yamato: That was awesome. Sorry we weren't with you guys.

Ryo: That's right I remember that.

Lola: That was so awesome.

Nico: That only left Thanos.

Me: And we hit him hard with everything we got and I almost made a terrible mistake of using the Infinity Stones all at once to destroy him forever.

Nico: Yeah. J.D. was going to sacrifice himself.

Me: But Bowser saved me that day.

Bowser: Boy I sure did.

Nico: You think one day, all the other Sentai teams before Zyuranger will be recruited?

Me: It's highly likely.

Qin: Yep.

Xenia: It will be awesome having them all with us.

Lola: I agree there.

Camie: Yep.

Vypra: It was still an amazing battle though.

Me: Now that Universe 666 is all with you guys we'll have Thanos and his followers all from that universe with you guys.

Nico: Yep.

Vypra: Yep.

King Kai informed us that an Aparoid Zombie was there and it was someone from my past that I remember back when I was five.

Me: Whew! Walking through the volcanic world of Mustafar always makes me sweat big time.

Camie: Me too. But it's cool coming here too.

Qin: It sure is. I loved the race we had here though.

Xenia: That was so much fun.

Applejack: I agree there. That was really amazing.

Nico: It sure was and seeing the entire volcanic landscape of Mustafar was a really infernal one.

Anakin: This planet was also where me and Master Obi-Wan battled it out.

Obi-Wan: That was a brutal battle.

Me: It sure was. And you guys were both evenly matched. That was so epic.

Laney: It sure was.

Lana: But I can't help but wonder who it is that King Kai said that J.D. knows here.

Me: We'll find out soon.

Nico: Anakin, I want to thank you, Dr. Destiny and your teams for coming.

Anakin: It's my pleasure Nico. I'm glad we were able to help you out.

Aayla Secura: (French Accent) It'll be an amazing honor to help you all out.

Mace Windu: I agree there too.

Yoda: An honor to help you all out it is.

Nico: Beatrice, what do you like to do in your free time?

Beatrice: I haven't had time to think about it.

Me: Its been almost 900 years since she did anything fun. But it's mostly with Dante.

Nico: Oh right.

Camie: What do you mean by that?

Me: We went into Hell to rescue Beatrice from the Devil and stopped him from corrupting her. Also that was a scary nightmare.

Laney: Yeah it sure was. Beatrice was Dante Alighieri's love back then. During the Third Crusade in 1192 A.D., Dante was ordered by King Richard I to watch over 3,000 prisoners. But he slaughtered them all. It was awful.

Me: Yeah it sure was.

I went over what happened in those adventures and it was horrible and more.

Camie: Oh my god.

Beatrice: I know. But I'm back with Dante now thanks to all of you guys.

Me: I'm glad you are. But we'll think of something for you.

Beatrice: Yeah. I have always wanted to be a great teacher and teach first grade kids.

Me: That's an awesome idea Beatrice. You can teach the light of life to many good kids.

Qin: Yeah.

Maria: You really went through Hell.

Beatrice: We all did.

Me: Literally. Going to hell is a nightmare no one should EVER have to go through. Dead OR Alive.

Eli: No kidding there.

Qin: It's horrible that there are so many people that are that evil and irredeemable that are there.

Nico: No kidding there. It's just absolutely inconceivable.

Me: And so many of History's worst figures are there too.

Xenia: Yeah that was awful.

Camie: No kidding.

Beatrice: Indeed. But I'm glad we saved many people there and they were forgiven.

Me: Well some of them.

Qin: Yeah. But yesterday's anniversary was amazing.

Nico: We'll never forget the battle against Thanos.

Me: No we sure won't.

Lola: That was a really amazing and scary battle.

Camie: That was unbelievable that you guys did that back then.

Me: I know. That was a powerful battle that not only saved the entire universe from total destruction but also cemented our place as the most powerful force in the entire universe. When we defeated Thanos, we became that strong and powerful.

Nico: We sure did. We literally defied the impossible and killed a monster that had the power of a god.

Qin: That is incredible.

Nico: Imagine if Thanos had won!

Me: Don't even talk about that man. I don't even want to think about that.

Qin: Yeah that would not be good.

Xenia: Yeah no kidding.

Me: What's important is that we will never see him again. The Super Hero Squad Version of Thanos is one I can live with. That one is funny!

Qin: (LAUGHS) Yeah he sure is.

Varie: That one is awesome and funny.

Eli: Yeah.

Girl Jordan: Just like the SHS Version of Carnage. I'm cool with that one too.

Me: That world is both funny and awesome.

Nico: I honestly love all versions of Crimson Dynamo.

Me: You sure do Nico. They are all great.

Qin: Yeah they sure are. Also to be honest, I have a favorite supervillain and that is Rainbow Raider.

Nico: That one is awesome Qin.

Lola: Yeah Catherine Lancaster will love having you in her group to battle him if that's all right.

Qin: I'm sure she would like that.

Lola: Yeah.

Nico: Yep.

Me: But the Battle with Thanos will forever go down in our history as the most devastating battle we have ever had.

Xenia: That is for sure.

Camie: Yeah it sure will. Wow. But at least Ra's and Bowser came back to you all.

Me: They did.

Qin: Yeah.

Me: And also we've had LOTS of massively huge major battles these last few years. They were all super epic.

Nico: They sure were.

King Kai: (Telepathically to us) Nico! Everyone! Can you hear me?

Nico: I hear you loud and clear King Kai. What's wrong?

King Kai: Nico, you have a situation. I just detected a Deadman close to you.

We gasped!

Me: Wait I think I see it!

We saw that it was one that was unconscious.

Me: Wait a second. Is that? (GASP) It's Vice!

---

Vice is a demon bonded with Ikki Igarashi and one of the two main protagonists of Kamen Rider Revice. Through Ikki using the Revice Driver, Vice can become Kamen Rider Vice in conjunction with Ikki becoming Kamen Rider Revi, with the two being known as Kamen Rider Revice.

Though Ikki's ally in fighting the Deadmans, Vice does not share his heroic intentions and simply seeks to satiate his appetite. When let loose, Vice will attack other humans and try to eat them if Ikki does not reign him in.

He later becomes the final antagonist of the series after Ikki loses all his memories related to his family.

He is voiced by Subaru Kimura. His suit actor is Eitoku.

Vice manifested within Ikki Igarashi when he was a child and his father was possessed by Vail into burning down the family bathhouse. Vice offered to protect Ikki's family, and in exchange he would erase Ikki's memories of him, a deal which the young Ikki accepted. With Vice's strength, Ikki was able to defeat Vail and free his father.

Ikki immediately forgot about Vice however and grew up not knowing about him. After Ikki became an adult however, Vice began appearing before him again. Because only Ikki could see him, Vice would often whisper temptations into Ikki's ear, making it hard for him to do his job. After his brother Daiji Igarashi was promoted to Captain at Fenix, Ikki and the rest of his family went to attend the promotion ceremony, only for it to be crashed by the demon-worshipping Deadmans. In wake of the attack, Daiji tried to use the Revice Driver to transform, but his own insecurities kept him from using it. As the Deadman monsters terrorized people, Vice told Ikki he could fend them off if he made a contract with him, to which Ikki agreed and set Vice free. However, Vice's appetite quickly led him to turn his attention to Ikki's mom Yukimi and attack her instead, trying to eat her. George Karizaki then offered the Revice Driver to Ikki, telling him he could use it to control Vice, and Ikki used it to transform into Kamen Rider Revi, while Vice became Kamen Rider Vice. Together, the two Kamen Riders fended off the inner demons the Deadmans had released and destroyed them. Afterwards, George christened Ikki and Vice "Kamen Rider Revi" and "Kamen Rider Vice" respectively. Vice, who had up until that point not had a name, happily took "Vice" to be his name. Ikki however refused the Driver, citing the fact that he needed to work as his family bathhouse as reason why he couldn't use it.

While Ikki went to visit his mom in the hospital, Vice kept trying to annoy him, leading Ikki to lash out at him in front of his family. When Ikki was approached by Daiji, asking him to sign a contract to become Revice for Fenix again, Vice attempted to persuade Ikki to sign the contract but Ikki refused, fearing what would happen if Vice was let out again. However, after hearing that another Deadmans attack was happening, Ikki reluctantly agreed and got on his bike to go fight the new Deadman. Vice then took control of the bike to speed Ikki to the Deadmans location super fast. After arriving, Ikki used the Revice Driver to transform himself and Vice into Kamen Rider Revice. The two initially fought the Kamakiri Deadman until Vice noticed the hot-headed professional golfer Araki and lunged at him, proclaiming he looked delicious. However, Vice secretly did not intend to eat Araki but to tell him where the Deadmans Base was, so he would go and create another demon. After Vice passed this information on, Revi used the W Vistamp to transform himself and Vice using the Eagle Genome, reigning Vice in again. Together, the two destroyed the Kamakiri Deadman before returning to the bathhouse.

It was then that Vice told Ikki what he had told Araki, leading a furious Ikki to transform into Revi and tussle with Vice in the bathhouse. Their fight was soon interrupted however by Daiji, who told Ikki that another Deadman was attacking. Ikki and Vice arrived as Fenix was battling it but, rather than become Revice, Ikki instead charged into the horde of Giff Juniors surrounding it hoping they would kill him so he could drag Vice down with him with his death. As Ikki was being beat down, Vice attempted convince Ikki he would stop attacking humans and only fight Deadmans. Ikki at first didn't believe Vice but Vice told him demons never lie, leading Ikki to reluctantly accept Vice's deal and transform them both into Revi and Vice to battle the Megalodon Deadman. Together, the two were able to destroy it.

Vice would continue to fight alongside Ikki and against the Deadmen summoned by the Deadmans. However, as a side effect of the deal Ikki had made with him when he was a child, Ikki's memories began to gradually disappear.

## Last Battle

Together with Ikki, Daiji and Sakura, Vice was able to defeat Giff.

Although they believed Ikki would not have to fight any more, after George Karizaki became Kamen Rider Juuga and went on a rampage, Vice and Ikki used up Ikki's remaining memories of his family to stop him.

As Ikki had forgotten everything to do with his family, he moved out of Happy Spa and into his own residence with Vice. However, Vice and Karizaki deduced that the reason the contract was still ongoing was because Ikki considered Vice his family, and that it would become null when Ikki no longer saw Vice as such. Vice thus "betrayed" Ikki and went on a rampage in public, in order to goad Ikki into fighting him. Genta showed up and became Kamen Rider Destream to stop him, but Vice defeated him before Ikki confronted him. Vice then told Ikki that everything up to now had been a lie and he had always been waiting for Ikki's memories of his family to vanish so he could go free on his own. A furious Ikki pulled out his Driver to transform into Ultimate Revi, as Vice likewise transformed into Ultimate Vice, and the two did battle.

Vice and Ikki knocked each other out of their transformations, at which point Ikki noticed Lovekov hiding behind a corner and realized the whole thing had been set up. Vice then admitted he had only pretended to be evil to get Ikki to defeat him so he would regain his memories. Hearing this, Ikki resolved to fight Vice one last time and the two had fun battling each other before Ikki fatally wounded Vice. Vice then bid farewell to Ikki as he dissolved and returned to being dormant within Ikki. As a result, Ikki regained all his memories of his family, but lost all his memories of Vice. The other members of the Igarashi family would later paint a duck's head to look like Vice in tribute to the demon and had the demon duck serve as their bathhouse's guardian.

Nico: What's he doing here!?

Me: He must've been teleported here after the final battle he had with Ikki.

Qin: Oh man!

We went over to him.

Vice: I don't want to ride the pony.

Me: I think that's the concussion talking.

Qin: (Giggles) He's funny.

Me: He's Kamen Rider Revice's version of Deadpool.

Nico: Yeah he is funny.

Camie: Will he be all right?

Nico: Yeah he will.

Tsuyu: Boy that battle really did a number on him.

Xenia: Yeah.

Vice: (touches Qin's body) Now, where's that pizza?

Qin: That's not pizza buddy. That's my stomach.

Vice: Huh?

He saw us.

Vice: Who?

He saw us.

Vice: Wait. You're?

Me: Team Loud Phoenix Storm.

Vice: I must be hallucinating.

Me: Nope. We're real.

Vice: Wait. Are you muggers dressed up like Team Loud Phoenix Storm to take my money?!

Me: No we are really real.

I fired a wave of energy and blasted a rock and blew it to smithereens.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Vice: WHOA! You guys are the real thing!

Xenia: Of course we are. Who were you expecting?

Nico: Yep and we met your fellow Kamen Riders from over the course of 20 years.

Me: 21 years now.

Vice: Sorry. A bit groggy from waking up here.

Me: No worries. You're on the planet Mustafar. It's a volcano planet that was where Anakin and Obi-Wan battled with everything they had.

Obi-Wan: It's true.

Anakin: That was an epic battle we had.

Me: And all because of Anakin being turned to the dark side of the Force.

Eli: Yeah it sure was.

Xenia: But Ikki will be so happy to see you when Kita starts her ambassador missions shortly.

Me: Yeah and we are going to destroy Giff and his followers give them the Black Gates. We're projecting February 28th to meet them for the big day.

Vice: Can I hang out with you guys in the meantime?

Nico: You certainly can. It's a darn shame that you and the Revice team didn't help us out during the 20 Days of Darkness.

Vice: Yeah but we were too busy doing our own adventures at that time.

Touma: But it's awesome to have you with us for the time being.

Vice: It sure is. And wait aren't you Touma of the Saber team?

Touma: I sure am. Good to see you again Vice.

Vice: Same here. Ikki will be happy to see you again.

Touma: Yeah he sure will.

Me: I remember that you met Ikki back then. That is amazing.

Vice: You've been busy since we last saw one another

Touma: Yeah and then some.

Me: We killed Storious and banished him to the Black Gates.

Qin: Really epic story.

Lola: August 1st thru 14th were known as the 13 Days of Kamen Riders and we met the Kamen Rider Teams from Decade to Saber and destroyed all their major enemies.

Nico: Yeah those were all awesome and fun.

Vice: Wow. That explains what those huge explosions were that we have been seeing all over the city were.

Me: Yeah sorry about all the commotion. 5 months ago we were really tearing apart all of the enemies of the Kamen Riders from Decade to Saber.

Nico: They formed a group called Dai Shocker.

Me: Yeah and we were really busy taking down all their enemies and we were banishing them to the Black Gates. But Gentaro's enemy the Sagittarius Zodiarts is now in our frenemies in the Masters of Evil.

Dr. Destiny: It's true.

Vice: Wow I heard all about that. I have a good archenemy for you guys.

Me: Who do you have in mind?

Vice: Hana's demon form. She will be perfect for it.

Nico: We suggested the same thing.

Maria: We'll talk more on the way.

Vice: Okay.

Me: Can you walk on your own?

Vice: I can try.

He got up and tried walking but he was really dizzy. Laney and Varie caught him.

Laney: Whoa!

Varie: That battle really took it out of you.

Vice: Yeah it sure did.

Nico: We still need all the help we can get here.

Me: Yeah.

Vice: I'll do what I can.

Me: Wait look.

We saw a figure walking toward us and it was a cloaked figure.

Nico: Who is that?

Eli: It looks like…

We saw that it was a dark version of ANAKIN SKYWALKER!

Anakin: Is that me!?

Me: It sure is and it's what he was like when he was corrupted by the dark side of the Force.

Anakin: It's like facing my own demons.

Nico: Yeah.

Dark Anakin: Have you come to say you forgive me?

Me: No we came here to kill you. (Ignites lightsaber)

Dark Anakin: (to Vice) You're an unusual one. Palpatine will know what to do with you.

Me: Too late for that. Palpatine is dead. You're looking at his killer: ME!

Dark Anakin: WHAT!? Palpatine is dead!?

Me: He's gone for good. Just like you soon will be.

Dark Anakin: You ruined everything!

Obi Wan: Your anger and your lust for power have already done that. You have allowed Palpatine to twist your mind until now you have become the very thing you've sworn to destroy.

Me: You've become a monster Anakin!

Dark Anakin: Don't lecture me Obi Wan. I see through the lies of the Jedi. I do not fear the Dark Side like you do. I have brought peace, freedom, justice and security to my new empire.

Me: By killing innocent lives? I don't think so.

Nico: You even killed Innocent children! Where is the honor in that!?

Obi Wan: And what do you mean your new empire?

Dark Anakin: Don't make me kill you all.

Obi Wan: Anakin my allegiance is to the Republic. To democracy!

Me: Palpatine has filled your head with lies and poisoned your mind with wrong ideas. I made sure he paid for his crimes.

Dark Anakin: You're lying! I won't let you.

Me: Only a Sith deals in Absolute. I will do what I must.

Dark Anakin: You will try.

Me: Bring it on.

He ignited his red bladed lightsaber and we clashed powerfully!

We got into a savage lightsaber fight.

I kicked him in the face and punch him in the stomach and he went flying down a hall into the Mustafarian control room.

I ran after him and fired Force Lightning and he deflects it and it hits the controls for the heat blocking system and destroys them.

I ran out onto a blocker and we fight over the lava and Dark Anakin was on a blocker as it melted and fell into the lava and we were on it. I spread my wings and fly onto the land by the lava river. I sensed Anakin coming and he was not going to stop until he killed me.

I jumped onto a hover platform on the lava and Dark Anakin was on the head of a robot and we clashed some more.

We stopped for a bit.

Me: I don't understand you Anakin. How can you believe all of Palpatine's lies so easily? Are you really that gullible?

Nico: Yeah! That's a crock of bullshit!

Dark Anakin: He told me that the Jedi were trying to take over.

Eli: That's a lie!

Me: That is a crock of lies. Palpatine is evil in its purest form. He's the Devil Incarnate.

Dark Anakin: From my point of view the Jedi are evil!

Me: Then you are lost!

Vice: Unusual, am I?!

He kicked Anakin in his face.

Me: Anakin that is a load of bullshit that you believed from that asshole Palpatine!

Eli: Yeah you don't know for a fact that he poisoned your mind with lies!

Dark Anakin: We'll see about that!

We were really going at it!

Dark Anakin: This is the end for you my friend.

Me: It's just beginning.

Dark Anakin and I were fighting some more. I jumped away as he tried to slash me and landed back on the land by the river.

Me: It's over Dark Anakin. I have the high ground.

Dark Anakin: You underestimate my power.

Me: Your overconfidence will be your undoing.

Dark Anakin jumped over to me and I slashed his legs and left arm off and he rolled down the hill and was close to the lava river edge.

Me: How can you be that stupid Dark Anakin? How can you fall for the lies of an evil man like Palpatine? Don't you see that he's using you and when he's done with you he will toss you aside like yesterdays garbage? You're a pawn in all his diabolical plans and ambitions.

Nico: Yeah! You are nothing but a pawn in all this. Besides. You need to realize that the war is over. Palpatine is gone and dead.

Vypra and Dark appeared.

Vypra: And you deserve a nicer and better leader.

Vice: Who's the bat lady? Did she come from a comic convention?

Me: No. That's Vypra. She's one of the bad guys from the Lightspeed Rescue Rangers.

Vypra: Vice from Kamen Rider Revice? What's he doing here?

Me: We were wondering the same thing. Apparently he got teleported here somehow after his battle with Ikki.

Nico: Yeah.

Anakin: Yeah no kidding.

Vypra: And No I am not from a comic convention.

Qin: Long story about that. But Vice is in every way like Deadpool.

Vice: Yeah. Funny too.

Nico: Wait what's that?

King Kai: You better be ready for this one Nico.

We saw a figure and it was a girl that I remember. It was GINA GREEN from Lost River! But she had ugly purple blotches on her and her right arm was now a skeletal arm and she had horrible wounds all over her.

Me: (GASP) It can't be! Gina Green?

Nico: Oh my god. What happened to her?

Eli: Those wounds are awful!

Aylene C.: What in the world would cause that kind of mutilation?

Me: Piranhas that's what.

Nico: Piranhas!?

Me: I know what you're thinking. How in the world can a South American fish do this to someone? Well she was a bully counselor that I saved from being turned into fish food. But she died from her injuries after she thanked me. 17 years ago I saved her from a voracious school of piranha that was about to eat her. She died after that unfortunately. She was a counselor from Lost River Lake Resort in Northern California.

Nico: Geez! But how did?

Me: I know what you're thinking there. How did piranhas get there? Well it was all a government weapon project for the Cold War that was forgotten. The Government was making genetically enhanced piranhas as a weapon to attack Russia. But they were released by accident and they attacked numerous people there. Ugly story. I helped destroy the piranhas. Half of them at least. The other half got to the ocean and were killed there. Since fresh water fish die in salt water.

Nico: Geez!

Vice: Do you need to go to a hospital?

Me: She's dead Vice. See those ugly purple spots on her? That means she is infected by the Aparoids. They are a parasitic insectoid race of aliens that have incredible psychic powers and they want to enslave everything in the entire universe and make it theirs. Like how the Borg want to do so in Star Trek.

Dark Spicer: Yeah it's an ugly story.

Vice: Oh boy.

Me: Gina listen you are not yourself.

Gina Green: Join us J.D.

Me: I don't want to. But I will save you.

I fired a beam if light and it destroyed the Aparoids. I caught her and she was in really bad pain!

I had my hand glow and I put it on the stub of her arm and she screamed in pain as her wounds healed and Varie and Laney held on to her.

Me: Hang on Gina! I failed you once and I will not do so again!

I healed her up and healed her wounds and she was all better.

Me: There.

Varie put a blanket on her because she was only in her bikini.

I saw a piranha tooth on her leg and pulled it out.

Me: Geez.

Nico: (Whistles) Those were some nasty fish that did this to her.

Gina opened her eyes and she saw me.

Gina Green: (Groans) J.D.?

Me: Yeah Gina. It's me. I've had a huge grown spurt. But you're back to normal.

She then hugged me and cried hard.

Me: (Soothing voice) It's okay it's okay.

Qin: Man she went through a nightmare.

Me: No kidding.

Zuria: Just like how I went through with the Blood Beach Plant Monster.

Qin: Yeah.

Nico: But at least she is better now.

Me: No kidding. But the camp that she worked at is gone because of legal trouble.

Qin: Oh boy.

Nico: That town must be permanently scarred by the attack of all those fish.

Camie: I can't believe that those piranhas did all that.

Sirius: No kidding. What the hell was the government thinking using piranhas like that?

Me: No fucking idea. But I did tell the president about it back then and he disbanded the project.

Lola: Good.

Vice: Seriously, do you need to go to a hospital?

Nico: We have an infirmary back at home.

Vice: Oh.

Varie: She'll need lots of psychiatric therapy from Ino. And lots of rest and food.

Me: We're not done here yet though. But yeah she has been dead for 17 years.

Nico: Poor girl.

Varie: I'll take her back to the estate.

Varie did so and teleported with her to the Infirmary and she, Robo Lori and Maria Santiago got to helping her.

Varie later teleported back.

Varie: Okay she's in good hands.

Me: Good.

Then a rumble was heard.

Anakin: I sense something coming!

Lola: Look!

We saw a huge rolling ball coming right at us!

Me: DIVE ASIDE!

We dove aside and it came at us and went passed us and we saw that it was a black version of an Evolved Arburian Pelorota! It was ANOTHER ULTIMATE CANNONBOLT!

Me: Whoa Another Ultimate Cannonbolt!

Vice: Ultimate Cannonbolt?

Me: ANOTHER Ultimate Cannonbolt. Ugly story on that.

Sougo: Yeah it's not pretty.

Nico: Yeah.

Another Ultimate Cannonbolt: (In a girls voice) But J.D. knows me.

Me: (GASP) That voice! Felicia Yamaguchi!?

Another Ultimate Cannonbolt: Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: Yep. She is a business girl. She is an insurance business agent for a top dog insurance company.

Nico: I see.

Camie: What did Swartz Promise you?

Another Ultimate Cannonbolt: To help bring my company and clients lots of good money.

Me: Well we can easily do that.

Nico: Yeah.

Another Ultimate Cannonbolt: I knew Swartz was lying to me.

Me: He lied to everyone.

Nico: (gets out Kaos' Ridewatch) Feel the power of Kaos!

Twilight Sparkle laughed at that one.

Twilight Sparkle: Good one Nico.

Me: Kaos would love hearing you talk like him.

Nico: Thanks.

Nico activated it and used an Undead Element Spell and fired waves of skulls and smashed her all over.

Vice: Boy you guys have lots of awesome gadgets.

Me: Also this.

I activated Kaos's Vistamp.

KAOS!

I fired a beam of light with Light Element Magic and smashed Another Ultimate Cannonbolt all over.

Albedo turned into Negative Ultimate Cannonbolt.

Negative Ultimate Cannonbolt: Time to roll out!

Me: Lets do this circus style!

I got on Negative Ultimate Cannonbolt and ran like a Ball Rider and smashed down Another Ultimate Cannonbolt and she was back to normal and I caught the ridewatch and purified it and I jumped off and everyone cheered for me.

Lincoln: Nice one J.D.!

Nico: Yeah! If this were a circus you would have fun on that.

Me: Yep.

I went over to Felicia and she was a black hair girl dressed in a business woman outfit like Ash's friend Cynthia.

Felicia Yamaguchi: (GROANS) What a headache.

Me: But you're okay.

I brought her over.

Varie: We're not done yet.

Me: Nope.

Then my Kyutama for Fornax the Furnace started glowing.

Me: Fornax the Furnace this time.

Qin: Whoa!

Vice: This is interesting.

Qin: Yeah.

Vice: Fuck. What the Hell was Swartz playing at?!

Me: TONS of crazy things! During one of Nico's rescues we battled Another Version of Revice and Vice and got legend Items for all the riders and rangers. We got all kinds of items from rangers and riders from over the course of 51+ years and they all are imbued with all the core, neo core and non-core members of the M.O.E. Many rescues Nico and us went on had all that.

Fiona Hernandez: It's true. And they all have been amazingly useful to us all.

Qin: And really fun and cool too.

Aylene C.: Yeah. We have all of the powers that all the M.O.E. Members all have.

Dark Spicer: It's true and it's really amazing.

Camie: We all think it's awesome.

May: Who's next?

Me: I think that one!

We saw a figure come out and it was ANOTHER FORNAX UNDEAD ZODIARTS! It looked like a mixture of Trifire, Ghouligan, Magmavore and Doomwing!

Me: WHOA! This one looks infernal!

Nico: Yeah!

Xenia: Too hot to handle!

Vypra: But I like the mixture of it.

Maria: And you are?

Another Fornax Undead Zodiarts: (In a girls voice) I believe J.D. knows me.

Me: (GASP) That voice.

It reverted back and it was a girl with orange hair and had a red Sailor Soldier outfit.

Me: (GASP) Rebecca Alhmacan A.K.A. Sailor Alhmacan!

Nico: Whoa! Alhmacan's Sailor Soldier!

Qin: Wow that one is intensely hot!

Me: Yep.

Sailor Alhmacan: But it's good to see you again J.D.

Me: Same here Rebecca.

Vice: You know her?

Me: I sure do Vice. You would be amazed at how many people I know from all over the universe. Rebecca was born on the planet Alhmacan, and she has amazingly strong and powerful fire powers and can live even on the hottest of planets no matter how inhospitable they are. And she is my friend from science class and she can even swim in molten lava.

Everyone gasped.

Nico: That's impossible!

Eli: You would have to be insane to do that!

Qin: Yeah you would melt into nothing because of that!

Sailor Alhmacan: Normally yes but not me.

Me: It's true. We were over at Nyiragongo in Zaire and in the lava lake in the volcanic crater she proved she can do that. It was amazing.

Nico: Wow! I got to see this to believe it.

She then dove into the lava river and swam in it like a fish in the ocean.

Qin: WHOA!

Vice: That's crazy!

Me: It was crazy but believe me she can do it.

Qin: Wow! This is amazing!

Camie: We've never seen anyone do this before.

Lola: No kidding! That is amazing!

She got out and man was that intense.

Me: Wow!

Eli: No kidding! That is amazing.

Me: Rebecca is a girl that is one of the most hottest forces of nature ever. One time she even thought about testing her power with diving into the lava of the sun but I told her don't do it.

Nico: Wise idea.

Me: Yeah.

Sailor Alhmacan: Yeah that was not a smart idea.

Me: But she also loves spicy food like me.

Qin: Wow.

Me: I know.

Lincoln: I have just the volunteer for this one.

Lincoln teleported and then came back with Salene Sallamandia.

Salene Sallamandia: Lincoln told me all about what happened and I gladly volunteered for this.

Nico: Go for it Salene.

Me: By the way Rebecca are there anymore opponents with you?

Sailor Alhmacan: Yes there are. Another version of him.

She pointed to Dr. Destiny.

Dr. Destiny: Another version of me? Wow!

Me: Friendly or hostile?

Sailor Alhmacan: Hostile and this one does not like you at all J.D.

Me: Uh oh!

Nico: Let's just hope there are no hostile ones tomorrow.

Sailor Alhmacan: Me too.

Salene Sallamandia: Same here. Shall we dance?

Sailor Alhmacan: We shall.

She turned into Another Fornax Undead Zodiarts and Salene fired a massive blast of fire and it hit her and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and I caught the Rouse Card and Zodiarts Switch and purified them. The rouse card had a picture of the stars and symbol of Fornax the Furnace in the Southern Hemisphere and a picture of a fire furnace.

Me: Cool.

The Zodiarts Switch glowed and Salene got an armband and those marked with the symbol of Fornax got one too.

Salene Sallamandia: Cool!

I picked up Sailor Alhmacan and brought her over.

Varie: She'll be okay.

Nico: One left.

Me: Now comes the Another Dr. Destiny.

Qin: Yep.

Then out came a dark version of Dr. Destiny! It was ANOTHER DR. DESTINY!

Nico: There he is!

Dr. Destiny: Yep. Looking good.

Another Dr. Destiny: (In a boys voice) And I'm here for revenge on

J.D.

Me: (GASP) I didn't expect it to be you Xavier Valence!

Another Dr. Destiny: I'm flattered that you remember me J.D.

He used his powers and changed into a punk kid that had black punky clothes with a skull on them and he had black tattoos with skulls and dragons on them and he had dark blue punky hair.

Me: You haven't changed a bit Xavier and I thought I was rid of you after I sent you to reform school!

Vice: Who's this douche?

Me: The meanest jerk douchebag of them all. His name is Xavier Valence but we called him by his nickname Dr. Boogeyman! He was the meanest bully in my middle school. He had this really creepy power that enabled him to haunt peoples dreams only at night and it's how we gave him his nasty nickname. He tormented people in their sleep.

Dr. Destiny: Wow! Exactly like me.

Me: Exactly like you John. But he wasn't a scientist. He was a grade A Thug!

Nico: Whoa! This guy is a total asshole!

Me: Yep. But thanks to a one of the inventions of my friends and with her help I was able to help beat him at his own game. I became a temporary dreamwalker thanks to that and smashed his face in and convince his parents that he was doing really bad things to people in their dreams like Freddy Krueger and get him sent to a maximum security reform school.

Qin: Whoa! That is rough.

Lola: Yeah!

Xavier Valence: Yeah those were fun times though. But I am still pissed at you for that!

Me: You brought it all on yourself Jerkwad!

Eli: Yeah!

Vypra: How many enemies do you have J.D.?

Me: Too many to count Vypra. But now that I'm a real dreamwalker like Princess Luna and my daughter Natilee, I can do things the likes of which he can't.

Sougo: (gets out Grand Zi O Ridewatch) Normally, we'd ask what Swartz promised you.

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) But I think we know already.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: And that's revenge on me.

Xavier Valence: That's right! You ruined my life!

Me: You brought all that on yourself jerkwad!

I used my powers and made a dream energy sword!

Xavier did the same and we jumped and clashed at each other and I kicked him in his face. I sent him crashing into a rock.

Me: I'm not the same "little wimp" you faced back in middle school. I'm more powerful than ever before.

He turned into Another Dr. Destiny!

Anakin: In the name of the Galactic Senate of the Republic, (Ignites Lightsaber) You're under arrest!

The Jedi ignited their lightsabers!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Nico: And this too.

Nico activated Dr. Destiny's ridewatch and got Kylo Ren's lightsaber.

Qin: YEAH!

Another Dr. Destiny did the same and they clashed ferociously and Nico kicked him down and Anakin fired Force Lightning and electrocuted Another Dr. Destiny.

Nico: (gets out Owl (One Night At Humpty's) Ridewatch) As long as I'm awake, your powers can't hurt me!

Nico activated it and fired waves of moonlight and smashed him all over.

Qin: YEAH!

Me: Take this!

I fired waves of lightning and electrocuted Xavier all over.

May: (gets out Miriam's Ridewatch) My turn! I hope Grim lets me do this.

She activated it and fired waves of energy and smashed him all over the place.

Qin: Nice one!

Xenia: Taste this one!

She fired arrows and smashed him all over.

May: (gets out Vampire Twilight Sparkle's Ridewatch) I'm gonna suck blood out of you!

May activated it and grew vampire fangs!

Nico: OH YEAH!

May jumped and then bit Another Dr. Destiny on his neck and he screamed and she was sucking his blood!

OUCH!

May jumped back and spit it out.

May: YUCK! Your blood tastes like rotten salami and bat guano mixed with urinal cakes!

Nico: BLECH!

May: (gets out Quint's Ridewatch) So maybe don't suck out anymore blood.

She activated the ridewatch and jumped and smashed him all over with intense jumps.

Qin: YEAH!

Nico: Nice one.

Lola: Yeah!

Maria: (gets out Pie King's Ridewatch) It's always a good day for pie!

She activated it and threw pies and they hit him in his face.

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Nico: Nice one!

Xavier Valence: (SPITS) YUCK! I HATE PIES!

Then Black Adam came and he had his team consisting of Madame

Woe, Seraphina The Fallen Angel, Cookatiel, Obelisk And Sagat.

Nico: Nice team, Black Adam!

Black Adam: Thanks Nico.

Nicole: Wow! Cookatiel from Super Mario Odyssey! Awesome addition.

Black Adam: Thanks.

We fired waves of energy and elements and blasted him all over.

Beatrice: My turn!

She activated Owl's ridewatch and fired moonlight blasts and smashed down Another Dr. Destiny.

Nico: YEAH!

Then a Cloyster appeared!

Me: Whoa a Cloyster!

Xenia: Wow!

It opened.

Cloyster: (In a girls voice) (Russian Accent) Looks like the fun started comrades.

Nico: Connie Trevalyon! Wow!

Cloyster: Good to see you again Comrade Nico and you too Comradess Qin.

Qin: You too Connie.

Cloyster: I got this.

She fired a wave of water and blasted down Another Dr. Destiny and I caught the ridewatch and purified it and I tied up Xavier and gagged him. He actually had an orange prison jumpsuit on.

Me: Back to the stony lonesome for you bub.

Dr. Destiny: There will be plenty of nightmares that await you there!

Nico: Yep.

Nico put the Nightmare Demon's Vengeance Curse on Xavier.

Cloyster: Good riddance.

Beatrice: What's your favorite memory of Nico?

Cloyster: My favorite is when me and Nico took down a terrorist organization in Moscow and we brought them all to justice.

Me: That is cool.

Qin: Yep.

Me: Lets get you back to normal.

Cloyster: Okay but I'm naked.

Nicole: Oh boy. No peeking guys!

I put on my blind man glasses and I snapped my fingers and everyone covered their eyes.

Connie came out of her shell.

She was back to normal and was naked and had blue hair and blue eyes.

The fashion brigade moved in and gave her blue clothes and she looked great.

Connie Trevalyon: (Groans) That was crazy. Wow I look great.

Rarity: You look great darling.

Nico and Connie hugged.

Nico: I've missed you.

Qin hugged her too.

Qin: Me too.

Connie Trevalyon: Same here comrades.

Maria: You okay now?

Connie Trevalyon: I sure am.

Nico: Lets head home.

We arrived back home.

We were stunned.

Me: Holy cow!

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I was stunned myself that the Sailor Soldiers of the planets that I travelled to long ago had heard about me.

Diana Elementa: And we owed you a debt for what you've done in helping us all those eons ago, and from what we saw, you were really brave, courageous, cunning, intelligent, and very strong when it came to fighting off the villains on those planets, and all of a sudden, something was implanted in us, a flower of love, and it would spread to your descendant, Lincoln Loud.

Eli: A love that blossomed eons ago, whoa.

Lincoln: And Diana and the other Sailor Soldiers told me about my Ebonwu counterpart/ancestor and what he did those eons ago when he travelled to their planets, and those heroic acts led to a flower of love blossoming in them, and it would soon be directed to me since I'm his descendant.

Diana Elementa: And now, we're going to be married to you in the future, Linky.

Lily the Mermaid: And you girls made that promise eons ago, right? It's like the promise that Linky and I made six and a half years ago, that one day, we'll be married.

Lincoln: That's right, and that promise will soon be made a reality, and I want to thank you and Balto for joining us, Sabrina.

Sabrina: You're welcome, Lincoln.

Balto: And it also makes sense since Sabrina's team also included Sailor Mercury, who's in Clyde's harem, Lizzie Strong and Yumi Davenport, who're in Nico's harem, and Spitfire who's in your harem since yesterday, Lincoln.

Me: That's right. Now, to go find The Sensei Dark Realm's shrine and then, we get after The Beast King.

We arrived at a midnight blue-colored shrine with the symbol of The Dark Skylanders on it, and then, the Dark symbol on Crash Bandicoot's massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery glowed and opened the doors to the shrine and we entered, and we saw a massive and very powerful greatsword floating in the center and light shining down on it: The Lunar Moon Dark Alicorn Greatsword of The Dark Skylanders, a powerful massive greatsword with midnight blue gems representing the Dark Skylanders embedded in the 7'0" massive, wide, double-edged gold blade, large alicorn heads for the crossguard, large midnight blue gem embedded in the rainguard, longer midnight black handle, four large alicorn heads and a large midnight blue gem on the bottom of the alicorn heads for the pommel.

Princess Luna: Wow, so that's The Darkness Lunar Moon Alicorn Greatsword of The Dark Skylanders.

Crash Bandicoot: That's right, and it's a weapon made for you, Princess Luna, since you're the Alicorn Princess of The Night and The Dark Skylanders.

Suddenly, we saw a beautiful girl with long flowing sky blue hair, sky blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful sky blue angel wings, and she's dressed in a Sailor Soldier outfit and the Cygnus the Swan constellation on her right arm, and long white sleeveless trenchcoat with wind gusts, gravity, and stars on the coattails and on the back is the planet Elementa and holstered on her back is a massive greatsword with embedded sky blue and purple gems and the planet Thelea etched etched on the 7'0" massive, wide, double-edged sky blue blade, large angel heads for the crossguard, large sky blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and large sky blue gem on the bottom of the large angel heads for the pommel, and with her are the three girls.

Nico: Whoa, another Sailor Soldier, and she's got the three girls away from The Beast King, nice.

Lincoln: (Gasps) Oh, no way, Anna Thelea, it's you, but, we'll have to talk later, we still got The Beast King to deal with.

?: I will have my revenge on you for what you did to me, Team Loud Phoenix Storm!

Lincoln: Yep, there's no mistaking that voice, you can come out now, Beast King.

We then saw our target, The Beast King, and man, was he mad.

Princess Luna: We always knew we'd run into you again, but now, we'll make sure this is the last time we ever have to deal with you.

Princess Luna went up and grabbed The Darkness Lunar Moon Alicorn Greatsword of The Dark Skylanders. Suddenly, Princess Luna's eyes turned neon midnight blue and she was surrounded by a midnight blue energy aura with crescent moons, stars, moonlight, and magic, she unholstered her Princess Luna's Alicorn Greatsword of Magical Dreams and Moonlight Justice, and as she approached Beast King, she left midnight blue energy, crescent moons, stars, moonlight, and magic with every step.

Princess Luna: I cannot forgive a vile creature such as yourself for the crimes that you committed against mankind, Beast King, and for what you've done throughout your rampage, you are hereby sentenced to death.

Suddenly, Princess Luna was surrounded by a massive vortex of midnight blue energy with crescent moons, stars, moonlight, and magic surrounding it, there's an Alicorn flying around the vortex, and the moon was shining down, and in the vortex is a blue phoenix. Then, as the vortex faded, Princess Luna emerged, but she was changed forever.

Princess Luna grew from 6'11" to 7'4" in height, she has the body of a goddess, she has navy blue highlights in the bangs of her midnight blue hair with stars, she has neon midnight blue eyes and a midnight blue energy aura with crescent moons, stars, moonlight, and magic surrounding her, she has an Alicorn with the Full Moon on its horn emblazoned on her forehead and Third Eye with midnight blue iris, she has on Alicorn earrings with midnight blue gems for eyes and the Moon and Eternity Kanji in its hooves, she has on her Crystal Necklace of the Buddha with midnight blue gems embedded on the gold crescent moons and midnight blue crystals and her Element of Harmony in the center and on the bottom of the Element of Harmony is an Alicorn with midnight blue gems for eyes and holding the Moon and Eternity Kanjis in its hooves for the pendant. Princess Luna has on a long sleeveless midnight blue dress with her cutie mark, stars of the night sky, and midnight blue phoenix on it, midnight blue shoes with her cutie mark for shoe buckles, and sleeveless long white trenchcoat with stars of the night sky, crescent moons, and darkness on the coattails, and on the back is an Alicorn on the back surrounded by stars of the night sky and right on top of its horn is the crescent moon, the symbol of the Dark Skylanders. Suddenly, Princess Luna felt a sharp pain on her back, and then, her massive midnight blue angel wings with blue tips on the large midnight blue feathers with stars and moonlight falling from the tips grew much bigger for her new body, along with her midnight blue tail. Princess Luna has on her Ring of the Phoenix with large midnight blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Princess Luna's massive Princess Luna's Alicorn Greatsword of Magical Dreams and Moonlight Justice and The Lunar Moon Dark Alicorn Greatsword of The Dark Skylanders and all the swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of midnight blue energy, crescent moons, moonlight, and magic, and when it emerged, it was transformed into Princess Luna's Midnight Dark Moon Alicorn Greatsword of Magical Midnight Dark Moon Dreams and Darkness Moonlight Justice, it's a brand-new greatsword with embedded midnight blue gems and her cutie mark, stars, and crescent moons etched on the 7'0" massive, wide, double-edged gold blade, large midnight blue Alicorn heads for the crossguard, large midnight blue gem embedded in the rainguard, longer black handle, four large midnight Alicorn heads with midnight blue gems for eyes and a large midnight blue gem on the bottom of the Alicorn heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with midnight blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and blue gems for the eyes and a large midnight blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Princess Luna has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS MOONLIGHT DREAM DARK NIGHT ALICORN ANGEL OF DIVINE MOONLIGHT DREAM DARK NIGHT JUSTICE AND DIVINE DARK MOONLIGHT DREAM LOVE!

We were amazed by Princess Luna's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, but when The Beast King saw it, he went roared with rage and he grew larger in muscle mass and his fur tunic ripped off and he ran at her to kill her, but Princess Luna fired a powerful midnight blue energy blast with stars, magic, moonlight, and Alicorns, and it hit him and he flew out of the shrine and we followed, he got back up, but now, he was beyond pissed off.

Princess Luna: (Divine Echoing Cosmic Voice of The Moonlight Lunar Skylander Alicorn and Divine Lunar Moonlight Alicorn Justice) Now, to finally put you down for good.

Beast King: Bring it on!

Princess Luna went after Beast King, and she fired powerful blasts of midnight blue energy, moons, Alicorns, darkness, and magic at Beast King, and they exploded with incredible power as they hit him, and she attacked him with her massive greatsword leaving scars on them, and really pissing him off now, and the angrier he got, the larger and stronger he was getting.

Lincoln: Whoa, Princess Luna's really let that beast have it, but the angrier she's getting him, the larger and stronger he's getting. Let's give her a hand.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Princess Luna fired blasts of rainbow energy, midnight blue energy, and elemental forces at Beast King, and they exploded as they hit him, knocking him down.

Then, Lincoln got behind The Beast King, and he put the musclebound thug in a brutal bear hug, and as Lincoln sank his fangs into him, Lincoln began draining The Beast King of his blood and he also began absorbing his massive muscle mass and absorbing The Beast King into his body and he was also assimilating his powers and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more with power and veins protruded, and as soon as Lincoln was done with feeding on and absorbing The Beast King into his body, an energy card shot out from his massive greatsword with The Beast King's soul inside it, and Lincoln sent him to The Black Gates. We cheered as we holstered our weapons and powered down, and Princess Luna's new body, clothes, weapons, jewelry, Third Eye, massive midnight blue angel wings, and longer midnight blue tail are permanent.

Princess Luna: That's it for that savage beast, and we've completed The Skylands Treasure Hunt.

Lincoln: That beast really was asking for it, and now, he's gone forever. (To Anna Thelea) And it's so good to see you again, Anna Thelea.

Anna Thelea: You too, Lincoln, it's been a long time, and it's so good to see you again, Diana.

Diana Elementa: You too, Anna.

Lincoln went up to Anna Thelea and he hugged her, and Anna Thelea is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you in six and a half years, and as you can see, I really grew since then.

Anna Thelea: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, so this is…?

Lincoln: Yep, Nico, this is Anna Thelea, she's my Lincoln's Guardian Angel and classmate in Gym, she's the Sailor Soldier of Thelea and she has omnipotent wind and gravity powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she'd also known of what Ebonwu Lincoln's travel to Thelea. She came to Earth six and a half years ago, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. One time, while out on the beach, we kissed each other on the lips, and like Selene Emperyous, she hates all of the enemies of the other Guardian Angels with a blazing passion and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Me: Just like with Diana.

Lincoln: That's right.

Anna Thelea: And just like Diana, I even kicked Flip, Hawk, Hank, Chandler, his goons, Lewis Travolta, Pablo, and Anderson hard in the crotch and almost destroyed their reproductive systems. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Anna, are you absolutely sure about this?

Anna Thelea: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Anna Thelea, and he saw that she's really serious, and he smiled as he walks over to Anna Thelea, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down on the crook of Anna Thelea's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Anna Thelea's with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Anna Thelea: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Anna.

Anna Thelea had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Miriam the Elf, Qwydion the Qunari, and Hira from Dragon Age.

Lincoln: Oh wow, it's Miriam the Elf, Qwydion the Qunari, and Hira from Dragon Age.

Nicole: Awesome.

Lincoln: Are you girls okay?

Miriam the Elf: Yes, we're okay, thanks to you.

Then, when Miriam the Elf and the other two girls saw who it was that saved them from The Beast King, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic

colored tips on the large white feathers and eleven massive and long powerful white wolf tails with rainbow marks, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the center in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, claws on his fingers and toes, he had nine large multi-colored orbs orbiting around his legs and ten multi-colored smaller orbs orbiting behind his back and circling around his feet on the floor are nine golden crosses with angelic runes.

Miriam the Elf: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm, and you're in your Lincoln the Nocturnal form.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Miriam the Elf: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miriam the Elf, Qwydion the Qunari, and Hira with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Princess Luna has gotten The Darkness Lunar Moon Alicorn Greatsword of The Dark Skylanders, and they were shocked when they found out the villain we went after was The Beast King, who came back from the dead wanting revenge on Lincoln for killing him.

But, when Lincoln showed what happened such as Princess Luna transforming into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form and she, Lincoln, and all of us brutally beat that wild beast down and Lincoln putting Beast King into a brutal bear hug, and he bit and sucked out all of Beast King's blood along with absorbing and assimilating his muscle mass, powers, and abilities and absorbing him into his body and sending his spirit to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Anna Thelea have a lot of catching up to do, now that she's back in town.

Maria: Oh damn, I certainly wasn't expecting to find out that The Beast King had come back from the dead to get revenge.

Lincoln: Same here, but I was ready for that beast once again, and after we brutally beat him down, I absorbed him into my body and assimilated his powers and abilities.

Nicholette Torrington: Along with his muscle mass, just like what you did to Henry Hansley, and you'd gained yet another increase in muscle mass. You keep this up and you could outmuscle some of the world's top bodybuilders, Lincoln.

Nico: Yeah, she's right, you know, and many of the males on the team are also on the same route as you.

Me: Along with you, me, and Eli, dude.

Girl Jordan: That may be true, but then again, to see our man continue to grow big and strong, that's something we've always grown accustomed to seeing.

Lincoln scooped Girl Jordan up in his abnormally massive and powerful muscular arms and kissed her on the lips and she returned it as she placed her hands on his massive pecs and her stomach pressed against his eight-pack abs. When Lincoln was done, Girl Jordan was blushing like crazy, and she was already in Heaven.

Helena McTroy: Girl Jordan, didn't you already know of what happens when you say those kinds of compliments around Lincoln?

Lincoln: She knew it, and it also came from her heart as well, and all of you had done the same as well.

Emma Langley: He's right about that one.

---

After finally getting rid of The Beast King and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Anna Thelea saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Anna Thelea: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Anna Thelea: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Anna, what memories did you have with Lincoln?

Anna Thelea: Oh man, I remembered this one time we were heading back to The Loud House after three hours of working out at the gym me and the other Sailor Scout Guardian Angels had set up, but then, we heard the sound of a yell in the air and the smell of an unwashed cheapskate, and we saw who it was coming after us: it was Flip, and he was still out to kill Lincoln, but Lincoln punched Flip really hard in his fat hairy belly and he went down like a sack of bricks, that was just how much stronger Lincoln had gotten. Then, he knocked Flip out and tied him up, and the cops came and took Flip away. I was really stunned at first, but then, I ran up to Lincoln and we hugged and we kissed. After we came to The Loud House, we told everyone what Flip tried to do, but Lincoln stopped him as I showed everyone the video of his fight against Flip, and everyone cheered for him.

Nico: Whoa, now that was really awesome! Flip had no chance against Lincoln that day.

Me: He sure didn't. Besides, Flip was really lazy and stupid, he had no chance against Lincoln.

Lynn: And that was one really hard punch he delivered onto Flip's fat hairy belly.

Luna: And make no mistake, dude, all that working out and training in the gyms that his Guardian Angels set up at their homes really produced really incredible results, Lincoln was much taller and he was also much bigger in muscle mass and much stronger, and all that training and working out that we've been doing for the past six and a half years is really working even more on him.

We got a shower afterwards, and then, Lincoln, Lotus, Aloe, Roseluck, Daisy, and Lily Valley are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Lotus, Aloe, Roseluck, Daisy, and Lily Valley were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lotus, Aloe, Roseluck, Daisy, and Lily Valley each have feelings for Lincoln, and he also had feelings for them as well, plus, he saved them when Trina Riffins broke out to kill them for revenge again, but Lincoln saved them, and he smashed that rage-crazy psycho into the dirt before he tied her up again.

Aloe: Wow, so this is Seaside Hill.

Lincoln: Yep, and it's perfect for our first beach date, Aloe. Shall we?

Lincoln, Lotus, Aloe, Roseluck, Daisy, and Lily Valley dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Lotus, Aloe, Roseluck, Daisy, and Lily Valley got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made three clones of himself and he and his clones went up to Lotus, Aloe, Roseluck, Daisy, and Lily Valley and they hugged the girls in their abnormally massive and powerful muscular arms and Lotus, Aloe, Roseluck, Daisy, and Lily Valley placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lotus, Aloe, Roseluck, Daisy, and Lily Valley with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rainbow Dash: And we got five new members to Linky's harem, awesome.

Fluttershy: And we guessed that Lotus, Aloe, Roseluck, Daisy, and Lily Valley each had feelings for Lincoln, and he also had those same feelings for them as well.

Rarity: And he also saved them from that rage-crazy monster, Trina Riffins.

Courtney: That selfish brat's just asking to get beaten up, she's a Satanic monster and a miserable glutton for punishment.

Lincoln: She sure is, just like the other jerks chained up at the restaurant. I'm surprised no one has thrown rotten tomatoes at them.

Me: Throwing rotten tomatoes at them, that's not a bad idea for the humiliations, but I'd go with a little something bigger like stink bombs.

Nico: Especially the El Mongo Stink Bomb.

Lincoln: And instead of using Ed's stinky socks, why don't we use Lynn's stinky socks?

Lincoln's siblings gasped in horror.

Luna: Dude, using Lynn's stinky socks in the El Mongo Stink Bomb, that's a really crazy idea!

Lori: Especially when you also literally know that Lynn's stunk up her feet numerous times during her sports competition, there's no telling how many socks she'd stunk up.

Loki: Same with Lynn Jr.

Lynn Jr.: But, we've made it a habit of always keeping clean, right, Lynn?

Lynn: (Chuckles) Yeah, you got that right.

Nicholette Torrington: Good, 'cause my nostrils couldn't take another whiff of the overwhelming stink of your unwashed clothes and your unwashed socks, Lynn.

Jackie Wren: Do you even know how many times the water wielding Guardian Angels have sprayed you with water?! Too many times to count!

Lincoln: It's okay, Jackie, Lynn's made it a habit of keeping clean after her games and work-outs, so we won't have that same problem again.

Hailey Timaeus: Good to hear.

Lincoln was busy with some work-outs, but then, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed and it showed that something bad has happened in Sector V. Lola saw it immediately, and so did the rest of us.

Lola: Lincoln, what's wrong?

Lincoln: Something bad's happened with Sector V, and I don't know what it is.

Suddenly, Numbuh 5 came running to the Estate, and she was literally in a panic.

Nico: Numbuh 5, what's wrong?

Numbuh 5: Guys, we got trouble: it's the Ankle Biters again.

Lola: (Gasps) You mean that group of evil babies that were born in the Memorial Hospital, and who want to band together to stop older kids, which they consider to be adults, from treating them like babies, and that they're able to talk by stealing teeth from older kids?!

Numbuh 5: That's them, Lola.

Lincoln: Oh no, I remembered Lola telling me about them, did they…?

Nico: If they did, we need to get on over to the Treehouse and save the others, and put that group of evil babies in time-out!

Me: Yeah!

---

Later in FernGully we were escorting Kita and Noah to a picnic spot for their secret date.

Kita: Boy I can't wait to see the surprise.

Varie: You'll love it Kita.

Me: We're almost there Noah.

Noah Carver: This is gonna be awesome.

Nico: It sure is.

Chandler: Nico, you know Kita and Noah are gonna kill you for this, right?

Nico: I know. Let them try.

Qin: Oh boy.

We arrived at the picnic spot.

Road Rovers Hunter: Here we are!

Crysta: It's a beautiful spot for a picnic.

Laney: It sure is Crysta.

Camie: I think it's amazing.

Fluttershy: Oh it's all so magical and beautiful.

We took off their blindfolds.

Kita: Wow!

Noah: FernGully. Wow.

Noah and Kita saw each other and gasped.

Kita: Noah?

Noah: Kita?

Both: YOU'RE MY SECRET DATE!?

Nico: I set all this up for you.

Me: We noticed you were having feelings for one another. So we figured why not have your date here.

Kita: It's really sweet of you guys.

Noah: Thanks. By the way J.D. how is Gina doing?

Me: Still hurt. But I'm helping her out as best as I can.

---

In the infirmary I had a book with me on fish and I was visiting Gina.

Gina Green: J.D. I am forever grateful to having you save me.

Me: It was no problem Gina.

Gina Green: I don't remember anything that happened. All I remember was being in the water and then I was mauled by these fish. My blood was everywhere and I don't even know what they were.

Me: Those were piranhas.

I showed a picture of one in the book.

Me: Those were voracious piranha fish.

Gina Green: Those were what killed me? But they usually live down in South America don't they?

Me: Yeah they do and they are freshwater fish. But these were made as a cold war weapon project that was forgotten.

Gina Green: Oh man.

Me: Yeah. They ripped you apart.

Gina Green: Oh man. But I was such a bitch to all those kids and I guess it's what I deserve for being so mean.

Me: You were just having some problems Gina.

Gina Green: I know.

FLASHBACK ENDS

Nico: Wow.

Blitzwing: I think they look cute together.

Nico: They sure do.

Me: Yep.

Laney: They sure are awesome.

Eli: I'm happy for them too.

Qin: Yep.

Me: So what do you two think of FernGully?

Kita: It's magnificent and so beautiful.

Laney: I came here a while back and helped save it many times before.

Crysta: It's true. It's my home. I love all nature.

Fluttershy: Oh it's amazing and so magical.

Qin: It sure is.

Kita: Noah lets give Nico a little "Thank You" gift.

Me: Uh oh.

Sky Lynx: Nico, if I were you, I would start running!

Nico: See ya!

ZOOM!

Nico ran fast and Kita and Noah ran after him. Laney then grew a vine and tripped Nico and then Kita and Noah jumped Nico and tickled him all over.

Nico: (LAUGHING HYSTERICALLY) HAHAHAHAHAHAAHAHAHAHAHAHAHAHAA! OKAY OKAY OKAY! HAHAHAHAHAHAHAHAHAHAHA!

They stopped and Nico calmed down.

Me: That was funny.

Alice Gehabich: Nico, which teams have you made?

Alpha Hydranoid: I want to know that too.

Nico: Superman's team will include Shizuka of Nadeshiko, Shifu, Alita (Panzer Dragoon OVA), Kyle (Panzer Dragoon OVA), and Blau (Panzer Dragoon). Batman's team will include Suriko the Titania, Helen Anderson, Tirion Fordring, Alexstrasza, and Ysera.

Me: Cool!

Qin: Boy that is gonna be awesome!

Helen Anderson: YEEHAW! I'm honored to be in a team with y'all.

Shifu: It will be a most fun adventure.

Nico: It sure will.

---

Back at the estate we all arrived home. But then we saw Numbuh 5 sitting on the sofa crying.

Maria: Something wrong, Numbuh 5?

Me: Numbuh 5 what's wrong?

She looked at us and we saw that she had blood dripping from her mouth!

Qin: Oh my god!

Nico: Numbuh 5 are you alright!?

Numbuh 1: What happened Numbuh 5!?

She opened her mouth and we saw that HER TEETH ARE GONE! ALL THAT WAS LEFT WERE HER GUMS!

WE GASPED!

Me: Her teeth are gone!

Nico: What happened!?

Xenia: Oh man!

Rita and Varie looked at her mouth.

Rita: Yeah her teeth were stolen right out of her mouth!

Zarya: This isn't Knightbrace's work but this has to be the work of someone else.

Nico: Numbuh 5 who did this?

Numbuh 5: (Mumbling incoherently)

Nico: Huh?

Lola: I can't understand her.

Nico: First, let's fix this!

Nico's hand glowed and he grew new teeth for her.

Numbuh 5: Ahh. Thanks guys. Now I said it was Baby Jackson.

Numbuh 1: The Ankle-Biters! I should have known!

Me: The Ankle-Biters? Who are they?

Numbuh 1: They are a group of evil babies that want to kill all older kids.

He went over their history

---

The Ankle-Biters are a group of evil babies that were born in the Memorial Hospital. According to their leader, they want to band together to stop older kids, which they consider to be adults, from treating them like babies. They are able to talk by stealing teeth from older kids. They formed a huge caterpillar-like robot that attacked Sector V when they wanted to take their teeth. Their only appearance was in Operation: D.I.A.P.E.R..

---

When he was done we were shocked and horrified!

Me: Oh man! She they are babies that want to kill us!? No way are we gonna let them get away with this! But we are NOT GOING TO EVER kill babies. That is a huge and MASSIVELY BIG THING that goes against our code.

Nico: Yeah.

Vice: I agree there. I would never hurt babies. I would also never kill them either. They are so adorable.

Qin: All babies are adorable.

Pinkie Pie: Mr. And Mrs. Cake's babies were adorable back then too.

Qin: They sure were. So was Princess Cadance's kids and Amber Morning. Also all our kids are adorable.

Nico: Yes they sure are.

Then the previous group came.

Trapster: Can me, Dr. Destiny, Top, Gearhead, Abra Kadabra, Ragdoll, Grizzly, Batroc the Leaper, Shade, and Dark Turtles go with you guys?

Yost X 23: Me, Owl (One Night At Humpty's), Lord Stratosfear, Frictor, Queen of the Black Puddle, Indigestible Wad, Grizzaka, Cyborg Rangers, Owl (Stellaluna), and Flotsam & Jetsam will come too.

Nico: Yes you all can come.

Dark Raph: And I can tell that this was one of the embarrassing missions for you guys.

Numbuh One: It was the darkest day in KND history.

Nico: How so?

Me: Does it have something to do with how you defeated them before?

Numbuh 1: Yes.

He went over what happened last time.

---

The KND go to rescue babies from the hospital to protect them from becoming automatic adults. Numbuh 5 thinks the others are insane and tries to bring them back, but the babies themselves have other plans.

Numbuhs 1-4 are on a mission to save the babies from being transformed into adults at the hospital. After they return to the treehouse, the try to care for the babies, with little success. Numbuh 5 then comes in and yells at them for taking the babies, saying they were born there. She then asked Numbuh 1 if he even knows where babies come from, he replies "Of course I do, they come from baby eggs," Numbuh 5 then attempts to tell them were babies come from, but the babies start crying. Numbuh 1 blames Numbuh 5 and she leaves.

After they try to calm the babies, Numbuh 5 returns and sings them to sleep. The others then leave to avoid being scolded, and Numbuh 5 starts thinking of a way to return the babies. Later, the others return to find Numbuh 5 and the babies gone. The babies elsewhere and Numbuh 1 calls Numbuh 5 a traitor. They then find Numbuh 5 is stuck to the roof, toothless; Baby Jackson then sits up and tells Sector V his plan for him and the other babies to steal teeth so they can talk and don't have to listen to baby talk, from adults like them.

Sector V begin fighting the Ankle-Biters. Numbuh 3 tries to help one of the Ankle-Biters and successfully does so, but the Ankle-Biter knocks her out cold with a rattle. Numbuhs 1 and 5 end up cornered and alone because Numbuhs 2, 3, & 4 are captured and toothless by the infant gang and Numbuh 5 tells him to sing them to sleep. His singing is so bad it causes the Ankle-Biters to faint. They then take the babies back to the hospital, and Numbuh 1 asks Numbuh 5 where babies come from. She begins by saying "babies come from-", then the transmission ends.

Numbuh 1 is frozen in shock. Numbuh 2 is disgusted and says "ugh". Numbuh 3 is running in circles, yelling "Ew, ew, ew, ew," Numbuh 4 is also frozen and freaked out with his hair standing up on end like he's been electrocuted. Numbuh 5 is nodding seriously to them. It cuts back to Numbuh 1, who, after a minute, says "Wait a second, that's preposterous, babies don't come from New Jersey!… They come from Philadelphia!"

---

When he was done we were shocked.

Me: Whoa! So you guys had the old birds and the bees talk.

Nico: Oh boy.

Eli: Not good.

Numbuh 1: Yeah I didn't know that my singing was that bad.

Me: Boy you guys are never gonna live that day down are you?

Numbuh 1: No we aren't.

Numbuh 362: It'll be all right Nigel.

Nico: Yeah.

Commander Mars: Nico, which Gene Slammer do you think you'll meet next?

Dark Don: We should consider giving each one leotards or jumpsuits after each one's reversion.

Nico: Good idea. And Gengar will be next.

Lola: Ooh a spooky one.

Maria: Yep.

Me: Yeah. Hmm.

I got to thinking and I have a feeling that there was a force at work that was making the babies do this.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Khârn the Betrayer, a powerful follower of Khorne from Warhammer 40,000, and he's coming here to continue his killing spree and collecting skulls in the name of Khorne. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're so not liking this one bit: the dark energy signal we just sensed belongs to Khârn the Betrayer, a powerful follower of Khorne from Warhammer 40,000, and he's coming here to continue his killing spree and collecting skulls in the name of Khorne.

Hunter: (German-Hungarian Accent) Not that homicidal barbarian, he just doesn't know when to quit, does he?

Lincoln: He sure doesn't, that barbarian needs to be destroyed once and for all.

Riley Mackenzie: That's exactly what we're going to do to him, Linky. But, first, we got to deal with the Ankle Biters.

Nico: Yeah, those evil babies need to be put in a time-out. Alright, gang, let's go, we got to put a stop to those Ankle Biters.

Lincoln: And save Sector V from them, and once we get done putting them in time-out, you're next, Khârn the Betrayer.

Top: To be fair, none of it would've happened if you guys didn't do that mission in the hospital to begin with.

Numbuh One: You think I don't know that!

Lord Stratosfear: We're just saying.

Me: Guys like it or not, babies are kids too.

Nico: He's right. Lets get moving!

We were off to the Sector V Memorial Hospital.

* * *

We were flying to the hospital.

Morton Koopa: I thought after Bertram, we wouldn't encounter evil babies.

Dark Mikey: (to Stewie) No offense.

Stewie: None taken. But yeah.

Qin: What do you think is causing these babies to rebel against kids like this?

Me: It's definitely not the Terrible Twos.

Xenia: No it's not that.

Me: Hmm. We'll have to see what it is later on.

Jesse Glenn: You think someone is making them do these acts behind the scenes?

Plitheon: J.D., they chose to commit crimes. That pretty much screams evil to me.

Nico: Plitheon J.D. might be right and observing all this from crime documentaries he might be on to something. But lets wait and see.

Plitheon: Okay.

We arrived at the hospital.

Me: Okay we're here.

Guard: Visiting hours is 10 to 2 Monday thru Friday.

Me: Team Loud Phoenix Storm business sir.

Guard: Oh of course. Head on in.

We went in.

Batroc: Noah, congrats on getting yourself a girlfriend.

Cyborg Ranger leader: Now, all that's left is Orion.

Me: Yeah we'll think of something for him.

Noah: Hey thanks guys. And it'll be awesome having her with me.

Xenia: Same here.

Camie: Yeah.

Cybertron Menasor: (Irish Accent) You should never let her go, lad.

Noah: I won't.

Me: Good.

Nico: Yeah. We should be getting close.

We looked around and saw the nursery.

Me: Nursery ahead.

Xenia: Oh boy.

Flotsam: You think they caused any damage here today?

Dark Leo: Only one way to find out.

Nico: Shh.

We went over to the window and looked in and saw that it was quiet. Too Quiet.

Me: Hmm.

Camie: (Whispers) Looks like they are sleeping.

Me: (Whispers) Wait look.

We saw Baby Jackson stand up and inside his mouth was Numbuh 5's teeth.

Baby Jackson: Rise up my brothers and sisters we are going to destroy all adults and make them pay.

I saw something on the back of Baby Jackson's neck. It was too small to make out but it looked like a little chip.

Me: Hmm. (In my head) Maybe that's a chip that's doing this to

Lync: (whispers) Joke's on him. Numbuh 5 already has her teeth back!

Nico: (Whispers) Yeah. Lets regroup and form a plan.

We went to the lobby and formulated a plan.

Me: I think mind control chips are responsible for all this.

Nico: What makes you say that?

Me: Call it a hunch. But I think I know what's causing this.

Owl (Stellaluna): You know who's behind this?

Shade: Who is it then?

Me: I saw what looked like a chip on the back of Baby Jackson's little neck and from the looks of things it has to be mind control.

Nico: Hmm.

Me: I couldn't see what the chip was for or from.

Nico: Weird.

Xenia: Wonder which villain has mind control technology.

Mr. Tick: I know who's responsible for this!

Ravage: You do?

Mr. Tick: Mr. Mental!

Me: One of your enemies!? WHOA! What can you tell us about him?

Mr. Tick: He is not a pretty sight.

He total us about him.

---

Mr. Mental is a recurring villain in the 1994 animated rendition of The Tick. He is a power hungry mentalist who uses his powers of hypnosis and mind control to force his victims to carry out crimes for him. He has a henchwoman, his beautiful magician's assistant and lover, Mynda, though she seems to be reluctant to participate in his life of crime, and eventually leaves his employ and abandons her criminal career after he is incarcerated the first time.

Mr. Mental has twice opposed the Tick and Arthur. In his first appearence, Mr. Mental annonymously invites the Tick and Arthur to watch his psychic act so that he can hypnotize and control Tick's mind. He later wakes the Tick in the middle of the night and forces him to go to Pendecker laboratory and procure a device for him called the Thinking Cap. He orders the Tick to destroy anything in his way, which leads to the Tick assaulting the Crusading Chameleon, Arthur, and other heroes. The Tick snaps to his senses temporarily, and Mr. Mental is forced to send Tick into his worst nightmare, a 9 to 5 desk job, to regain control. Mr. Mental finally obtains the Thinking Cap, which grants him godly powers. Mr. Mental is nearly invulnerable in this form, however the Thinking Cap is gas powered, and has a choke chord which Arthur pulls to flood the engine and cause Mr. Mental to suffer a psychic overload, incapacitating the villain and allowing him to be detained.

Mr. Mental is imprisoned by the victim of his theft, Dr. Julius Pendecker, who uses him and his unique abilities as a guinea pig to create a new, more powerful mentally controled device which allows its user to animate their thoughts with a substance called mental-plasm. Mr. Mental manages to escape and steal the device, but loses it in a taxi cab, and has to go into hiding. Mr. Mental hypnotizes the Tick and Arthur into thinking that he is a baby so that they will protect him while he waits for the device to be brought back to him. He calls Mynda while Tick and Arthur are not looking, and convinces her to bring him the machine, even though she has given up her life of crime.

Meanwhile, Dr. Pendecker realizes that he has been robbed by Mr. Mental, and discovers that Mr Mental has been dmasquerading as a baby to gain the Tick's protection. He creates holographic belts to conceal the identity of his associates and himself, in order to take back his device. First he sends one of his underlings disguised as a dingo to capture the baby, but Tick defeats him, causing Pendecker to take matters into his own hands. Pendecker disguises himself as another baby, and attempts to take the device back from Mr. Mental, but by now, Mr. Mental has it assembled and is ready to use it. He uses the device on the Tick's apartment rooftop, finally bringing Tick to the realization that he is not a baby. Mr. Mental tries to escape with the device in use, but arthur severs the link between his mind and the device (which resembles an umbilicle chord) breaking Mr. Mental's power and allowing him to be captured by the Tick. The

Tick expresses that his greatest grievance with Mr. Mental was for playing with his and Arthur's emotions and breaking their hearts as "parents".

---

When he was done we were shocked!

Me: Oh man!

Nico: Not good!

Grizzly: Considering one of his schemes, it makes sense that he would do this.

Grizzaka: I agree.

Me: Well he is definitely getting the black gates for this. No one is using little kids like this.

Qin: I agree.

Me: His mind control powers are too dangerous. So no prison will be able to hold him.

Nico: I agree. After we're done here we'll go after him next.

Qin: 2 for one deal.

Me: Yep. He'll come to us after we free his pawns.

Donna Diego: What about his assistant, Mynda?

Me: She'll be put in the M.O.E.

Qin: Good idea.

Me: Yeah.

Eli: They will ro the day they messed with us.

Nico: They sure will.

Frictor: (singing) Rock a bye baby, on the tree top, When the wind blows the cradle will-

CRUNCH!

Baby Jackson stepped on his foot, making him scream in pain.

Gearhead: That's it. Give me a vehicle to us so I can kick his butt!

Me: Stand down Gearhead!

But Frictor has the right idea.

Xenia: I agree there.

Azula: (takes out mind control chip innocently) Oh, what's this? (Crushes it with a smirk) Oops!

One of the minor babies was freed and the she cried and Lori hugged her and cradled her.

Lori: Oh it's okay little one.

Azula: Wait. I swore to grab Baby Jackson's chip!

Me: I already got that one.

I crushed it.

Azula: Oh never mind then.

Me: Now for the coup de gras.

Then out came MR. MENTAL!

Me: Mr. Mental!

Nico: Now you will pay.

Me: Your powers won't work on us.

Mr. Mental: You just couldn't me leave well enough alone, could you?

Owl (One Night At Humpty's): It's part of our charm!

Dr. Destiny: And now, you're gonna get it!

Me: No one messes with babies on our watch!

And we fired waces of energy and obliterated Mr. Mental and sent him to the black gates.

Lincoln: That should do it.

Nico: Phew, that was a close one, awesome job, gang, but we're not done yet, there's still the matter of Khârn the Betrayer to deal with, and that homicidal barbarian should be arriving… right now!

Hunter: (German-Hungarian Accent) I always knew there's no mistaking that voice from anywhere, you can come out now, Khârn the Betrayer.

A figure came out, and it was the devoted fanatical follower of Khorne, Khârn the Betrayer.

Hunter: (German-Hungarian Accent) Khârn the Betrayer. Even though you're known as a formidable opponent, what you've been doing in ruthlessly slaughtering thousands of innocent souls can never be forgiven.

Riley Mackenzie: And I've already had it with you, you homicidal barbarian.

Suddenly, Riley Mackenzie's ruby red eyes turned neon ruby red and she was surrounded by a ruby red energy aura with red rubies, ruby red fire, and carbuncles, she unholstered her massive Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle-themed greatsword from her back, and as she approached Khârn the Betrayer, she left ruby red energy, red rubies, ruby red fire, and carbuncles with every step.

Riley Mackenzie: I will never ever forgive you for the countless innocent people that you and your followers have slaughtered in the name of Khorne the Chaos God of Blood, Khârn the Betrayer, the blood of so many innocent people is already on your hands, and for that, I will avenge every last one of their lives once and for all!

Suddenly, Riley Mackenzie was surrounded by a massive vortex of ruby red energy with red rubies and ruby red fire surrounding the vortex, there are carbuncles and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Riley Mackenzie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Riley Mackenzie grew from 6'5" to 7'4" in height, she has the body of a goddess, she has crimson red highlights in the bangs of her long flowing ruby red hair, she has neon ruby red eyes and a ruby red energy aura with red rubies, ruby red fire, and carbuncles surrounding her, she has both Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle surrounding the embedded ruby on her forehead emblazoned on her forehead and Third Eye with ruby red iris, she has on carbuncle earrings with ruby gems for eyes and holding the Fire and Eternity Kanjis in its paws, she also has Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle with ruby gems for the eyes and holding the Fire and Eternity Kanjis in their paws on the bottom of her ruby red carbuncle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with ruby red crystal links from her merged Crystal Necklace of the Buddha and ruby red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Riley Mackenzie has on a sleeveless open ruby red blouse, sleeveless ruby red midriff top, long ruby red skirt, ruby red pants, ruby red legwarmers, ruby red sneakers, and long white sleeveless trenchcoat with red rubies, ruby red fire, and carbuncles on the coattails, and on the back is Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle and they're surrounded by rubies. Suddenly, Riley Mackenzie felt a sharp pain on her back, and then, her massive ruby red angel wings with rubies in the feathers and red tips on the feathers grew much bigger for her new body, and she now has eleven massive and long ruby red wolf tails, she has on a Ring of The Phoenix with ruby red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Riley Mackenzie's massive Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of ruby red energy, red rubies, ruby red fire, and carbuncles, and when it emerged, it was transformed into Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle's Red Ruby Greatsword of Red Ruby Firestorm Justice, it's a brand-new massive greatsword with embedded rubies and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle etched on the 7'0" massive, wide, double-edged ruby red blade, large carbuncle heads for the crossguard, large ruby gem embedded in the rainguard, longer midnight black handle, four large carbuncle heads with red gems for eyes and a large ruby below the carbuncle heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with rubies on her wrists, new large gold Belt of Elemental Bravery with a gold version of Crystal Beast Ruby Carbuncle's with red gems for eyes and a large ruby inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Riley Mackenzie has transformed into SUPER ANGEL-RUBY CARBUNCLE-HARMONY CELESTIAL ETERNAL XELNAGA RED RUBY FIRESTORM CARBUNCLE ANGEL OF DIVINE RED RUBY FIRESTORM JUSTICE AND DIVINE RED RUBY FIRESTORM LOVE!

We were amazed by Riley Mackenzie's Super Angel-Ruby Carbuncle-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Khârn the Betrayer saw it, he rushed at her to kill her, but Riley Mackenzie fired a powerful ruby red energy blast with red rubies, ruby red fire, and carbuncles at the homicidal barbarian and it sent him flying out of the Treehouse and into the streets and we followed out, he got back up, but now, he was beyond enraged.

Serenity Lexington: Wow, Riley's transformed, so awesome!

Lincoln: And because of what she did, now she's really riled up Khârn the Betrayer even more, and Riley, you look beautiful, how do you feel?

Riley Mackenzie: (Divine Echoing Cosmic Voice of The Red Ruby Firestorm Carbuncle and Divine Red Ruby Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this homicidal barbarian once and for all?

Lincoln: (Smiles) With pleasure, Riley.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Riley Mackenzie.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to run free after everything that you've done, you ruthless homicidal barbarian, and now, we shall destroy you once and for all!

Riley Mackenzie and Lincoln went after Khârn the Betrayer, who tried to attack them with his chain-axe Gorechild, but they dodged it, and they fired extremely powerful blasts of rainbow energy, ruby red energy, ruby red fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Khârn the Betrayer and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Riley Mackenzie and Lincoln fired two powerful ruby red fire blasts which melted his weapons into nothing but molten metal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Riley Mackenzie, her hand-cannon Blaster is known as Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle's Ruby Red Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's ruby red with red flames on the blaster and with a Phoenix, Angel, and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle surrounded by red fire etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Riley Mackenzie fired blasts of rainbow energy, ruby red energy, and elemental forces at Khârn the Betrayer and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln turned one of the tips of his tails into a mosquito proboscis, and as he stabbed it into Khârn the Betrayer's chest, Lincoln began sucking out all of his blood and organs and assimilating all of his immense powers and abilities. Then, as soon as Lincoln was done and the proboscis left its victim and changed back, Khârn the Betrayer was left as a withered lifeless husk, and then, an energy card shot out from his massive greatsword with Khârn the Betrayer's soul inside it, and Lincoln sent him to The Black Gates. We cheered as Riley Mackenzie and Lincoln holstered their massive greatswords on their backs and powered down, and Riley Mackenzie's new body, clothes, weapons, jewelry, Third Eye, eleven massive ruby red wolf tails, and massive ruby red angel wings are permanent.

Riley Mackenzie: Reap what you have sown, betrayer. Thanks for helping me get rid of that homicidal barbarian, Linky.

Lincoln: (Smiles Warmly) You're welcome, Riley.

Suddenly, Riley Mackenzie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Riley Mackenzie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, rubies falling, and ruby red fire raging around them and we cheered wildly. Then, Lincoln and Riley Mackenzie absorbed the fire and they came back to us as the display and Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle vanished.

Nico: Phew, now that was really a close one!

Hunter: (German-Hungarian Accent) Indeed, but that homicidal barbarian has finally met his end once and for all.

Lincoln: He sure has, Hunter. What he'd done in Khorne's name can never be forgiven, so many lives had been lost due to his fanatical devotion to him, and he needed to be stopped.

Me: You said it, that guy was a ruthless monster.

Nico: That's mainly the one thing that can describe him.

Ironclad: I think we all learend something from this.

Numbuh One: Never try to mess with babies.

X Ray: That applies to good and evil.

Golden Glider: Damn right it does!

Me: That's for sure!

Evil Green Ranger: What do we do the Anklebiters?

Hank Scorpio: We can give them archenemies.

Larxene: Good idea!

Me: I agree.

Nico: Yep but great job today everyone.

Me: Are you still not living what happened before down Numbuh 1?

Numbuh 1: Not really. Sorry about that.

Me: No worries.

Princess Celestia: (To the viewers) Never mess with babies or else.

Me: That's for sure.

Nico: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Qin: Wow! So this is Green River, Utah.

Me: Yep. One of the smallest towns in the state. Boy the last time we were here was back when we were still collecting the Clow Cards.

Nico: Boy feels like forever since we did that.

Danica Metrois: Boy Green River is a small town too. Only 900 people in our time.

Xenia: Yeah and it's what we call a one-horse town.

Misty Tredwell: That is amazing.

Me: Yeah we were here to help Fievel and his family take down Cat R. Waul and his gang and stop them from turning the mice into lunch.

Camie: Jeez! That is amazing!

Batman: It sure is. But it looks like we are going to have fun here.

Varie: We sure are Bruce.

Nico: Batman, I want to thank you, Black Adam, and your teams for coming.

Batman: It's not a problem Nico. I'm looking forward to this one.

Helen Anderson: YEEHAW! Me too! This is gonna be as fun as a rodeo!

Applejack: Yeah!

Camie: What was it like for you all to battle Cat R. Waul the first time and what was that adventure like?

Me: It was really epic.

Qin: I was there when it happened. It was cool.

I went over what happened during the events of chapter 806 as well as the history of Cat R. Waul.

---

At the estate I was monitoring the Earth and then the computer detected some seismic activity brewing over in Isla Nublar.

Me: Uh oh. We have seismic activity near Isla Nublar.

I looked up some models on the island and it showed that the volcano of Isla Nublar, Mount Siba, was going to erupt with much greater explosive power than that of Mount Tambora when it erupted back in 1815 and it was gonna destroy the whole island and sink it into the ocean!

Me: Holy shit!

I immediately called John Hammond.

Me: We got to get those dinosaurs out of there!

John H.: Hello? John Hammond?

Me: John it's J.D. We got big problems! The volcano on Isla Nublar is going to erupt and destroy the whole island!

John H.: How big are we talking?

Me: Mount Tambora 1815 eruption strength. It will cause the whole island to sink into the sea!

John H.: How much time do we have?

Me: Projections say about 48 to 72 hours. The volcanic pressure is 2,000 times greater than that of Mount Tambora when it erupted back in 1815. But not only that. When Isla Nublar sinks because of the eruption, It's going to create a massive 3,000 foot high megatsunami that will slam into Central America, western South America, and the Pacific Coastline!

John H.: That's a catastrophic travesty!

Me: It is. But I have an awesome solution. We're going to create a manmade island in Lake Huron protected by a giant greenhouse dome to keep the Ecosystem of Jurassic Park at tropical prehistoric climates.

John H.: That works perfectly J.D.! But what about the volcanic aftermath?

Me: The global temperatures are going to drop by 3˚ Celcius for the next 3 years.

John H.: Almost ice age weather.

Me: Yeah. We got to get moving fast. Millions of lives are hanging in the balance!

John H.: I wish you all luck J.D.

Me: Not that we'll need it but thanks John.

I hung up and pressed the Prime Omega Emergency button. The alarms sounded and pulled out a microphone.

Me: ATTENTION ALL OF TEAM LOUD PHOENIX STORM, THIS IS J.D. KNUDSON ISSUING A PRIME OMEGA EMERGENCY ALERT! THIS IS NOT A DRILL! I REPEAT, THIS IS NOT A DRILL!

Everyone came down and we were ready.

Nico: What's the problem J.D.?

Me: We got huge problems.

I revealed everything and everyone gasped in sheer horror!

Lori: This is gonna be a catastrophe!

Lola: We got to get those Dinosaurs out of there!

Me: And not just that but when Isla Nublar sinks into the ocean it will cause a massive 3,000 foot Megatsunami that will destroy this area.

I showed on a holographic globe where the Megatsunami will destroy.

Lincoln: That's a huge area!

Lisa: A massive megatsunami like that will ravage a 7,447 square kilometer radius.

Qin: That's awful!

Me: More than that. Millions of people will die. But I have an idea. We're going to put up force field barriers around the Central America, the Pacific Coastline and the entirety of western South America.

Lana: That just might work!

Lisa: It sure will. But for it to work we'll have to have the barriers to be at 5,280 feet high.

Quicksilver: Me, Breach and Flash can help get the dinosaurs out of there.

Me: Okay. Lynn, you and Earth will make an island in the middle of Lake Huron that is as big as twice the size of Isla Nublar. Laney, you, Sam Manson and Riley will make the plants and vegetation for the island. Luna, you and Lily and Maria will get make the lakes, rivers, streams and waterfalls for the island.

Laney: Roger that!

Lynn: You got it J.D.!

Luna: Roger that dude!

Me: Lets get moving guys!

We set out to relocate the entirety of Jurassic Park. Lynn and Earth made a big island in the middle of Lake Huron and after it cooled down, Gaara made sandy beaches and Laney, Sam M. and Riley made prehistoric palm trees and more as well as prehistoric trees from before the age of dinosaurs and Luna, Lily and Maria made lakes, rivers, streams, waterfalls and more. The dome was done.

On Isla Nublar, Breach formed portals leading to the new Jurassic Park Island in Lake Huron.

Killer Frost: What if I freeze the volcano with ice?

Nicole: No Louise! That's insane! It will cause the pressure to build up more and destroy the whole planet!

Polar Claw: There's nothing we can do about the volcano now. Just focus on getting the dinosaurs out of here!

We got all the dinosaurs and creatures out of there. We decided to expand all of Jurassic Park and have it include creatures from all over prehistoric times. 2 days later it was eruption time. We placed barriers all over the area that was gonna be destroyed. Bobby made 5,280 foot high indestructible Diamond Crystal Wall.

Me: Here it comes!

My seismographs then showed a massive earthquake registered at 9.7 on the Richter Scale and then we saw the volcano explode with incredible force!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We saw the entire volcano explode with incredible power and it sent a massive explosion of lava, ash, fire and rock billowing high into the sky. The ash clouds went miles into the air and the ash ejecta ratio was massive! The volcano eruption registered at level 7 on the Volcanic Explosivity Index and just as the projections predicted we saw the whole island sink right into the sea! We saw the whole island disappear and it was an incredibly horrifying sight to see! Then we saw a massive megatsunami form! It was 3,000 feet high and it was heading for the Pacific Coastline and we saw the wave slam into the wall with devastating force!

KRASSSSSPPPPPPPLLLLLLLLAAAAAAAAAAAAAAAAAAAAAAA

But luckily the whole Crystal Wall held and it saved millions of people from certain death!

Everyone all over cheered for us and we cheered ourselves knowing that we saved a lot of people. We later made the entirety of Jurassic Park even better. We resurrect prehistoric creatures from the Cambrian, Ordovician, Silurian, Devonian, Carboniferous and Permian periods. The park had sections for each period. We also included an ice age area for creatures from the Tertiary period and of the Ice ages. The park also had sections for each of the Tertiary Epochs. We changed it to Paleozoic World. It was a much bigger success and John Hammond was one of our partners. During the rescue Nico caught a Beartic and a Cryogonal.

Later after saving much of the world from doom we were watching one of my favorite movies from 1991: An American Tail: Fievel Goes West.

A few years after immigrating to the United States in 1885, in the year 1890, the impoverished Mousekewitz family discovers that conditions are not as ideal as they had hoped, as they find themselves still struggling against the attacks of mouse-hungry cats. Fievel spends his days thinking about the Wild West sheriff dog Wylie Burp, while his older sister, Tanya, dreams of becoming a singer. Meanwhile, Tiger's girlfriend, Miss Kitty, leaves him to find a new life out west, remarking that perhaps she is looking for "a cat that's more like a dog."

Soon after, Cat R. Waul, (a British-accented aristocratic cat) forces the mice into the sewers, including the Mousekewitzes. Using a mouse marionette, Cat R. Waul entices the mice into moving yet again to a better life out west. Tiger chases the train, trying to catch up with his friends, but is thrown off course by a pack of angry dogs. While on the train, Fievel wanders into the livestock car, where he overhears the cats revealing their plot to turn them into "mouse burgers." After being discovered, he is thrown from the train by Cat R.'s hench-spider, T.R. Chula, landing him in the middle of the desert. His family is devastated once again over his loss and arrive in Green River, Utah with heavy hearts, though this time they are hopeful that Fievel will still be alive.

Upon arrival at Green River, Chula blocks up the water tower, drying up the river. Cat R. approaches the mice and proposes to build a new saloon together, although intending to trick the mice into doing the bulk of the work and then eat them afterwards. Meanwhile, Fievel is wandering aimlessly through the desert, as is Tiger, who has found his way out west as well, and they pass each other. However, they each figure that the other is a mirage and continue on their separate ways. Tiger is captured by mouse Indians and hailed as a god. Fievel is picked up by a hawk, dropped over the Indian mouse village and reunites with Tiger. Tiger chooses to stay in while Fievel catches a passing tumbleweed, which takes him to Green River. As soon as he makes his arrival, he quickly reunites with his family but is unable to convince them of Cat R.'s plans to kill them. However, Cat R. hears Tanya singing and is enchanted by her voice.

He sends Tanya to Miss Kitty, who is now a saloon-girl cat, and she reveals that she came at Cat R.'s request. He tells Miss Kitty to put her on stage. With a little encouragement from Miss Kitty, she pulls off a performance for the cats. Meanwhile, Fievel is chased by Chula and briefly taken prisoner, but flees.

While walking out of town, Fievel stops to talk with an elderly bloodhound sleeping outside the jail, discovering that he is actually Wylie Burp. Fievel convinces him to help and train Tiger as a lawman and a dog. Tiger is reluctant at first, but relents at the suggestion that a new persona might win back Miss Kitty. They go back to Green River to fight the cats, who attempt to kill the mice at sunset during the opening of Cat R.'s saloon using a giant mouse trap. Tiger, Wylie and Fievel intervene and fight the cats. When Chula threatens to kill Miss Kitty, Tiger rescues her and uses a pitchfork and Chula's web as a lasso with him trapped on it to hurtle Cat R. and his underlings out of town by having them piled on part of the trap, which the heroes use as a catapult. The cats fly into the air and land into a mailbag, which a passing train picks up and leaves.

Enamored by his new personality, Miss Kitty and Tiger are reunited. Tanya becomes a famous singer and the tower flows with 1,000 gallons of water again, making Green River bloom with thousands of flowers. Fievel finds Wylie away from the party who hands him his sheriff badge. Fievel is unsure about taking it, but realizes that his journey is not over.

Natilee loves movies like this and she loves the Old West like all of the Celtic World.

When the movie was done we cheered wildly!

Me: That was so awesome!

Nico: Boy Fievel you were awesome there.

Fievel: I sure was Nico.

Tanya: That's my brother.

Me: This was also James Stewart's last movie he did in his entire career. He did this movie before he retired.

Lola: James Stewart was awesome! He starred in the movie It's a Wonderful Life.

Me: From 1946. My dad knows that movie all too well. That movie was the best film he was ever known for.

Lincoln: That is so cool!

Lana: It sure is.

Laney: I love western movies. But I hate that cat Cat R. Waul.

Me: Me too. He was the worst cat ever.

---

Waul is an evil, greedy, devious, conceited, manipulative but ingenious feline criminal, who pretended to be the champion of a "brave new world" where cats and mice would peacefully coexist in harmony while actually secretly plotting to turn all the mice of Green River into "mouse burgers" once they had outlived their usefulness to him in building a town in the Old West, and a giant mousetrap that he intended for killing them all. Like the villainous Warren T. Rat before him, Waul was defeated by an older Fievel, who teamed up with his old friend, Tiger, and the reluctant former Sheriff Wily Burp in order to stop his evil plan, and drive Waul and his band of outlaws out of town for good.

Waul is a polite, classy, cultured and persuasive gentleman by nature, yet underneath his civilized exterior lay a violent streak and the natural predatory instincts of a feline - he had a way with words and refrained from violence (unless it was in his favor), but would deal with any threats to his plans with ruthless efficiency. He held the law in little regard and saw himself as superior to almost everyone, making him rather arrogant as a result. He also has an extreme dislike of humans, especially those who treat him as a pet, such as his buxom owner.

Waul also has a softer side to his nature, however, as he was genuinely fascinated with Tanya and her singing voice to the point of putting her on stage, despite the initial hostility of the other patrons over having a mouse performing. He also planned to spare Tanya the fate of the other mice.

Waul was served by a number of feline thugs who lacked his "level of sophistication", yet helped him in their own ways, such as when he ordered them to attack the mice sector of New York in order to drive the mice underground and (via the use of a puppet) trick them into buying tickets out West to a "safer world". He also had a henchman in the form of T.R. Chula, the tarantula, who had a sadistic streak even for a spider.

Waul's genius was shown in the way he designed a giant mouse-trap with the intent of gathering all the mice who had helped build the town onto it in the guise of a stage only to kill them; however, Fievel, Wylie Burp and Tiger showed up and foiled his evil plan. In the resulting battle, Cat R. Waul and his entire gang were catapulted (literally) out of the town via this mouse-trap device. Unfortunately, Waul is instantly spotted by a heavy-set, cat-fancying woman on a train (presumably his owner), who immediately grabs him and puts a bow on him promising to take care of him "for ever, and ever and ever!".

---

Lucy Loud: I can't believe he was that evil.

Two hands came from behind and covered Nico's eyes.

?: Guess who!

Nico: (humorously) Hmm… Is it Maria?

?: No. Guess again.

Nico: Qin?

?" No. Come on, Nico! Is it really that hard?

Nico: (grins) Maybe. Can you give me a hint?

?" Okay, here's your hint: It's someone that you care about, and if you don't guess right this time, you'll be in a world of hurt.

Nico: (chuckles) Good morning, May.

May: You got it Nico.

We laughed.

Me: Lets not forget that the movie takes place in Green River, Utah and my mom has a terrible history with that town.

Natilee: Yeah. Grandma got a speeding ticket there.

Nico: That stinks.

Me: Yeah. But with only 952 people it really is what I would call a true one horse town.

Vince: That really is a small town.

Natilee: Lets show what happens when you mess with our animal friends. Green River is a bad town for Fievel and his family. We're gonna face Cat R. Waul and take him down.

Lincoln: Lets do it.

We went to the simulator for this.

---

Natilee, Qin, Nico, Poromon, Sydney, Lincoln, Laney, Lola, Polar Claw, Steeljaw, The Penguins, Odd, Wendy, Ravage, Killer Frost, and Fievel were getting ready.

Blaster: Steeljaw, if you ever get in trouble, just transform into your cassette mode.

Steeljaw: Thanks Blaster.

G1 Soundwave: Please take good care of Ravage.

Natilee: Thanks Soundwave. I will.

Wendy: (to Odd) Would this count as our first date?

Odd: Let's just call it a mission date.

Wendy then kissed Odd passionately.

Private (sees Odd and Wendy kissing): Isn't it romantic? And they've only been a couple for a week.

Poromon: Qin, what kind of sensations do you feel whenever you start to transform?

Qin: My blood and body temperature would turn cold.

Nico: That's cold.

Skipper: Kowalski, give me options on how to deal with Waul.

Kowalski: We'll think of something during the adventure.

Nico: Okay.

Natilee: Check me out.

We saw Natilee and she was wearing an awesome old west outfit. She was dressed up like famous outlaw Calamity Jane. She also had a Winchester Rifle and a 50 caliber pistol.

Me: Wow! You look like Calamity Jane.

Natilee: Calamity Jane is one of my favorite western Outlaws.

The Simulator activated and they found themselves in the small western town of Green River, Utah in 1890.

Natilee: Green River, Utah 1890. Small town but very western like.

Lola: This town is very small and amazing.

Nico: Lets find Cat R. Waul and see what he's doing.

Qin: Okay.

They saw a cat go into a saloon and they saw a lot of cats drinking and smoking and gambling like an ordinary western saloon.

Doctor: (Austrian Accent) What's your problem?

Cat 1: Being nice to these mices, it's driving me nuts!

Cat R. Waul slammed a magnifying glass onto his head and shattered it.

Cat R. Waul: Oh, get on with it, you morons!

They heard their plan.

Doctor: After ze saloon is finished tomorrow, we announce that we are going to have a special ceremony.

He unveiled his plan with a flip book.

Doctor: We invite all of ze mice und seat zem in ze stands und when the sun goes down, snappo, (Draws a bun on mice) Mouseburgers.

Everyone: MOUSEBURGERS!

Cat R. Waul: Let me hear that again!

Everyone: MOUSEBURGERS!

Cat R. Waul: LET THE SALIVA FLOW!

Everyone: MOUSEBURGERS!

Natilee: Not if we have anything to say about it.

Fievel then grabbed a fork and stabbed Cat R. Waul in the butt and sent him crashing through the ceiling and he landed back down seconds later and he heard a record play and saw Fievel.

Cat R. Waul: Well, if it isn't my diminutive friend from the train!

Fievel: Cat R. Waul! I heard what you said about the Mouseburgers, and I'm gonna tell everyone. I'm gonna get Wylie Burp. Cause he's the law.

Cat R. Waul: The Wylie Burp? [The saloon erupts in laughter] That quaint historical figure? [he picks Fievel up on a fork] Put simply put, mouseling: I am the law here, and you're a mere hors d'oeuvre.

Qin: Not for long! (drops to the ground in pain)

Qin then transformed. Her skin turned into scales and her eyes turned green and slit, her black hair fell out and her mouth turned wider and had razor sharp teeth and her hands turned into claws and she grew her tail and her tongue turned into that of a snakes and she had become Scalebreath! She breathed a blast of fire and it provided a distraction and they got Fievel and Tanya out of there.

Qin reverted back.

The blast of fire hit the wall and exploded and blew a huge hole in the wall.

Natilee: Lets formulate a plan. But we have to hurry. We have until sunset tomorrow afternoon.

Qin: I know. Sydney, if I had been mutated at the same time as you and your friends, I would have definitely be classified as an Underground Monster.

Sydney: How so?

Qin: Well I was slammed the same time as you were mutated by the Shredder and that qualifies me as part of the Underground City people.

Sydney: I guess that would make sense.

Nico then saw Qin with tears in her eyes.

Nico: What's wrong Qin?

Qin (tears in her eyes): I'm glad that I'm like a sister to you, Nico. Especially since my family is dead!

Nico and Qin hugged and Nico whispered comforting words for her.

Later they settled down until they could formulate a plan. They met the famous sheriff dog Wylie Burp and he was Fievel's hero. He may have been old but he was more than willing to help them. Luckily Fievel knew just the person to help them. He went and got Tiger and told him everything. It was not gonna be easy. Tiger was gonna be turned into a dog and a brave cat for his girlfriend Ms. Kitty. They had to save all the mice. They trained Tiger and when it was done he was a dog ready for action. They were all ready to shoot some cats and end their 9 lives.

At sundown they were ready. They walked like in the Old West movies towards the saloon. All the animals were shaking in fear.

Cat R. Waul: Jolly good. Now, pay attention. Cats and gentle mice, lend me your ears. It is my distinguished pleasure to invite all of you to share our dinner-triumph! Triumph, to share our triumph. Today we herald in a momentous new feast-ival. Feastival-festival. To mark this brilliant and illustrious snac-occasion, I will with these golden scissors hereby cut the red ribbon.

The red ribbon was tied to a giant mouse trap that will trap all the mice all at once. He began cutting it and just as it was about to be cut, Tiger shot the scissors out of his hands with a slingshot.

Wylie Burp: Hey, Cat R. Waul, we've come to close you down.

Lincoln: And end your nine lives!

Laney: (Cowboy Accent) Permanently friend!

Cat R. Waul: And who are all of you?

Natilee: (Cowboy Accent) The name's Natilee. Golden Oldies Natilee.

Suddenly the area was enveloped in a light and a massive green maze appeared out of nowhere. But it was unlike any kind of maze. It was a giant three-dimensional maze that looked very similar to M.C. Escher's Relativity.

Laney: Wow!

Qin: What a maze!

Natilee: This is the Maze Card. 迷

Lincoln: Mazes are more Laney's thing. But I have a feeling it trapped us in here to fight like some kind of a game.

Natilee: That's what I'm thinking.

Cat R. Waul: Okay, chaps, it's become necessary to put these dogs through obedience school. Kill them.

They were ready for them. On a wall of the maze was 2 cats with slingshots ready.

Wylie Burp: Oh, look out behind you, kid.

Tiger fired a rock from his slingshot and it hit the first cat and Lincoln fired his six shooter at the 2nd cat and blew his head off. The cats fell off the wall and they crashed onto the maze floor.

More cats fired rocks from their slingshots and Laney and Qin fired their guns and blew their heads off and Tiger fired two rocks and they bounced off the walls and flew through their hats and destroyed them.

A cat with a red bandana covering his mouth came out and Tiger had his slingshot pointed at him. But the cat had a bigger slingshot with multiple rubber bands on it and Tiger's Slingshot went limp.

Natilee pulled out her rifle and fired it and blew the cats head off.

Qin: You have really good shots Natilee.

Natilee: Much obliged partner. Lets give them the Lazy Eye!

They had their eyes bug out and they did all kinds of crazy faces.

Cats: RUN FOR YOUR LIVES!

The cats ran and a bullet fired from a gun.

BANG!

It blasted a hole through Tiger's hat.

Cat R. Waul: Morons. Trigger the mousetrap!

Ms. Kitty gasped.

Ms. Kitty: It's a giant mousetrap!

Natilee: Go get the mice out of there Tanya!

Natilee fired a bullet and it blew Cat R. Waul's hat to pieces.

Tanya: Run! Run! Run everybody! Run for your lives!

Cat R. Waul: Freeze you miserable vermin!

He fired his gun at the mice!

BANG!

Natilee fired her 50 Caliber pistol and blew the whole gun to pieces in a fiery explosion.

BOOM!

Nico: Cat R. Waul you have failed this world and universe!

Laney: Warren T. Rat tried this kind of thing before, Waul. What makes you think you're any different?

Cat R. Waul: We never wanted to help these mice! You are a little girl!

Natilee: Lets show them some teamwork!

Killer Frost: You got it Natilee! EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Killer Frost's arm and it enhanced her ice powers 100-fold.

G1 Ravage: Lets do it! CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and it enhanced his missiles 100-fold.

Killer Frost and G1 Ravage: SUBZERO MISSILESTORM BARRAGE!

Killer Frost fired a massive blast of ice energy and Ravage fired his heat seeking missiles and they hit the cats and exploded.

KRABBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Polar Claw: Time for action. Polar Claw MAXIMIZE!

Polar Claw turned into his robot form.

Polar Claw: Lets get them! CYBER KEY POWER!

The Animatron Cyber Planet Key went into Polar Claw's back and it enhanced his strength and power 100-fold and it caused claws to pop out of his hands.

Steeljaw: Lets do it! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and it enhanced his Solar Pellet Gun Blaster 100-fold.

Steeljaw and Polar Claw: SOLAR CLAW BURSTSLASH!

Polar Claw slashed numerous cats and Steeljaw fired numerous Solar Pellets and they them and exploded.

Natilee: Time for final smashes! Lets do it Fievel!

Fievel: You got it Natilee! CHEDDAR BOMB BOMBARDMENT!

Fievel fired numerous bombs of cheddar cheese and they slammed into Cat R. Waul and exploded!

Laney: Time for some shooting Annie Oakley Style! SHARPSHOOTER GUN BARRAGE!

Laney fired a massive barrage of bullets and they hit Cat R. Waul all only and pumped him full of lead.

Natilee: This is for your crimes against the world of mice! CELTIC BULLETSTORM EXPLOSION!

Natilee fired a massive barrage of bullets that were energized with green energy and they hit Cat R. Waul and exploded and killed him. Natilee sent Cat R. Waul's evil spirit into the dimension of the Book of Vile Darkness.

Nico: Yeah!

Natilee: Never mess with the rights of mice.

Fievel: That's right. (To the viewers) You can help both mice and save them from the evil of cats like Cat R. Waul.

Natilee: Now to capture the Maze Card! RETURN TO YOUR POWER CONFINED!

Natilee held out her hand and formed an energy card and it sucked in the Maze Card. It turned back into a Clow Card.

Later they were celebrated as heroes. Natilee and Fievel saw Wylie Burp heading out somewhere as the sun was sitting. They followed him and sat with him on a rock.

Wylie Burp: Here you two. I want you two to have these.

Wylie Burp handed them two Sheriff Stars.

Fievel: I can't. I'm not a hero like you. Well, not really.

Wylie Burp: Maybe not. Maybe a real hero is the last one to hear about it, but you two pulled me out of a gutter and for that I owe you two some thanks. Just remember, Fievel and Natilee, One man's sunset is another man's dawn.

He looked out over Monument Valley as the sun was setting.

Wylie Burp: I don't know what's out there beyond those hills… but if you ride yonder, head up, eyes steady, heart open, I think one day you'll find that you're the hero you've been looking for.

Natilee: Thanks Wylie Burp. We'll remember that.

It was an awesome honor to fight along side Wylie Burp.

They went back and we cheered wildly for them. We built a statue of Wylie Burp in his honor in our backyard. We put the quote Natilee told us on a plaque.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: WHOA! That was amazing!

Xenia: Wow! That was cool!

Black Adam: I remember hearing about that. That was awesome.

Me: It sure was.

Nico: Suriko, what do you like to do in your free time?

Suriko: Haven't really thought about it. But I mostly like spending my time with J.D.

Me: Yeah she likes doing all kinds of fun stuff with me.

Nicole: Don't ask. You wouldn't believe what goes on in dad's room.

Nico: Oh. (Blushes in Embarrassment) Sorry.

Nicole: No worries.

Nico: You should get a job though.

Suriko: I'll think of something. But I have always wanted to be a flower show worker.

Me: I think Ino might be willing to help with that. Her family owns an amazing flower shop and I buy great flowers from there in my spare time after I file my reports to Lady Hokage. I pay my respects to numerous fallen Shinobi as well as give flowers to people who like them.

Nico: That's thoughtful of you J.D. I think it's awesome.

Qin: Yeah it sure is.

Nico: Yesterday was all about babies.

Me: I know. But it was also a day that Numbuh 1 and his team are never going to live down.

Eli: I know. That is crazy that happened to them.

Qin: Yeah no kidding. Kids shouldn't be told about the Birds and The Bees talk until they are in their teens.

Nico: Yeah no kidding there.

Qin: But it was good we saved those babies. I did not expect one of The Tick's enemies to be behind all this. I was expecting it to be either Mad Hatter or one of the Kids Next Door's enemies that uses mind control.

Nico: Me too. But I guess fate has different plans for Mad Hatter.

Me: Yeah.

Nico: Poor Sector V don't like being reminded of it though

Me: Boy no kidding. That day was just too much for them.

Toru: Yeah it sure was.

Qin: I don't think they ever want to be reminded of that day again.

Xenia: Who wouldn't even after all that.

Lola: Yeah.

Nico: But at least the Ankle Biters are okay now.

Me: Thank goodness.

Aylene C.: Yeah we don't want to hurt babies.

Qin: That is one thing that our code MASSIVELY prohibits.

Xenia: Yeah we don't want to do that.

Camie: No way. But at least they weren't evil to begin with.

Varie: That's for sure.

Nico: Remember when we were first here?

Qin: I sure do. That was so much fun.

Lola: Yeah it sure was.

Me: And it looks like the fight has begun.

Nico: Yep.

Me: Time for action!

I spun around and I was ready!

Wiley Burp: Oh look out behind you kid!

BANG!

A bullet hit a cat from on top of the chapel and sent him plummeting into a water barrel.

BANG BANG!

More bullets were fired at the cats and they blasted their slingshots out of their hands.

Cat R. Waul: WHAT THE! Who did that!?

(THE GOOD THE BAD AND THE UGLY THEME PLAYS)

I spun my guns around and holstered them and then I puffed a peppermint stick cigarette.

Me: (Cowboy talk) Name's Knudson, (Puffs cigarette) James Knudson!

WHIP CRACKS!

Cat R. Waul: Okay chaps its become necessary to put these foolish humans through manner and education. Kill them!

Black Adam: Go ahead, Waul. Shoot at us. You won't do much!

BANG!

I blasted Cat R. Waul's hat clear off the top of his head.

Fluttershy activated Pizza the Kid's Ridewatch.

Fluttershy: Go ahead. Make My Day!

They had their slingshots pointed at her and she fired her cactus guns.

BANG BANG BANG BANG!

The cactus balls hit their butts and they hurt like a son of a bitch and they were yowling in pain!

BANG!

Cat R. Waul fired a pistol and blasted Black Adam but it didn't even hurt him or make him flinch!

Black Adam: (sarcastically) Ouch.

He fired a blast of lightning and electrocuted him all over.

Nico: Top this one. (ACTIVATES TIME SQUADS MAN WITH NO NAME'S RIDEWATCH)

BANG BANG BANG BANG BANG BANG!

Nico fired numerous bullets and blasted the cats hats off their heads and blasted their slingshots.

Helen Anderson: YEEHAW! Mighty fine shooting Nico.

Nico: Thanks Helen.

Me: Clint Eastwood would be proud pardner.

Nico: Thanks cowpoke.

Black Adam: My turn!

He fired waves of lightning and electrocuted the cats all over the place.

Me: Time for some assbranding!

Chula: DON'T PULL IT KID! Or you will see the last of May!

May: LET ME GO YOU BAD SPIDER! HELP HELP!

Nico: (INFURIATED GROWLING) NO ONE DOES THAT TO MAY!

NICO ROARED AND BARKED LIKE A MAD DOG!

Nico then kicked and pulverized the cats all over the place and threw them onto the mouse trap and really let them have it! He had them smashed into pulp! Then he faced Chula!

Nico: You harm one patch of hair on her and I'll rip you apart limb from limb!

He spat a web.

Nico grabbed it and pulled it.

Nico: One leg at a time!

He spun it around and threw Chula onto the trap.

Nico caught May!

Nico: Yeah!

May: My hero!

Me: Time to send these varmints packing to boot hill!

BANG!

I blasted the ribbon and catapulted the cats high into the air and then teleported them through a portal into the Masters of Evil Prison!

Maria: Is that it for them?

Me: Yep. That be the last of them. (Blows smoke from my gun)

Nico: Good. They will love the Masters of Evil.

May: Thank goodness.

I reverted back.

Me: (Normal talk) That was an awesome shootout.

Nico: It sure was.

Laney: Boy we haven't used our guns like that in ages.

Camie: That was awesome though.

Albedo: Boy it sure was cool!

Albedo's Omnitrix: Corrupted Basalt DNA Detected nearby.

Then a black version of Rocks appeared! It was ANOTHER ROCKS!

Me: WHOA! Another Rocks!

Nico: Another Version of a Basalt. How wild.

May: That is awesome.

Qin: It sure is.

May: Who are you?

Another Rocks: (In a girls voice) I knew you were going to say that.

Me: (GASP) Shirley McLaney. I knew it was going to be you next.

Another Rocks: Yes indeed and J.D. knows me yes. I'm a psychic that he knows.

Me: Shirley is a really powerful psychic and she can literally see into the future and even does things with her mind the likes of which no one even can.

Nico: Wow! That is amazing!

Albedo turned into Negative Rocks.

Negative Rocks: Did Swartz promise you anything?

Another Rocks: I knew you were going to ask that. I want to be a great psychic and master of the power. But I knew he was lying so I played along and left.

Me: Not even the power of Swartz's lies is a match for one of the most powerful psychic minds.

Nico: Yep.

Eli: That is very crafty.

Another Rocks: It sure is.

Me: Sorry we have to do this to you.

Another Rocks: No worries guys.

Nico: (gets out Steam Smythe's Ridewatch) Time for Steam Power!

Me: Steampunk power was widely used during the time of the Old West.

Nico: Yep. (ACTIVATES IT)

(EL DORADO BY GEORGE ALEXANDER PLAYS)

Nico: (SINGING DIVINELY AS GEARS SWIRLED AROUND HIM)

In sunshine and shadow, from darkness till noon

Over mountains that reach from the sky to the moon.

A man with a dream that will never let go

Keeps searching to find El Dorado.

So ride, boldly ride, to the end of the rainbow.

Ride, boldly ride, till you find El Dorado.

The wind becomes bitter, the sky turns to gray.

His body grows weary, he can't find his way.

But he'll never turn back though he's lost in the snow…

For he has to find El Dorado.

My daddy once told me what a man ought to be.

There's much more to life than the things we can see.

And the godliest mortal you ever will know

Is the one with the dream of El Dorado.

Nico fired waves of gears and smashed her down and I caught the ridewatch and purified it and I went over and picked her up. Shirley was a girl that had a purple dress and a head bandana on and had a third eye in the middle of her forehead and also had a purple dress.

I brought her over.

Varie: She'll be okay.

Me: Good.

Fu: Yeah but that was awesome. (WINCES)

Then her mark for Orion the Hunter started glowing.

Fu: My mark is glowing.

Me: That means the next Undead Zodiarts is for Orion the Hunter.

Maria: Get ready!

Then a figure came out and it was ANOTHER ORION UNDEAD ZODIARTS! It looked like a black version of Lucky's Orion Kyuranger form and it also had a mixture of the Orion Zodiarts and Zen-Aku!

Me: Whoa! What a combination. But we never saw a black version of Lucky's Orion Kyuranger form.

Nico: Yeah normally it's all white.

Xenia: Yep.

Another Orion Undead Zodiarts: (In a girls voice) It's like that normally but this came with the form.

Me: (GASP) That voice.

All the symbols of the 88 constellations and the stars of Orion the

Hunter appeared and she reverted back and it was a girl that had orange hair and purple clothes.

Me: (GASP) Janelle Jedha A.K.A. Sailor Jedha!

Nico: Whoa! Planet Jedha's Sailor Soldier!

Sailor Jedha: That's right guys.

Eli: Wow! Planet Jedha was the planet that the Death Star was over and it blew part of that entire planet to space dust!

Me: Yeah.

Sailor Jedha: I know.

Me: Look what happened to it.

I showed a hologram of the planet and it showed that 25% of the entire planet was blown to space dust because of the Death Star's superlaser.

Nico: At least it wasn't part of it.

Me: Yeah. But 25% of the planet is still a very good portion of it.

Nico: True.

Sailor Jedha: I know.

Me: And all that was just with a low-power blast. At least the entire planet wasn't blown completely to smithereens.

Xenia: That's true.

Sailor Jedha: I know that. But what the empire did was horrible to my planet.

Me: No kidding.

Nico: But how do you know her J.D.

Me: Well Janelle came from the planet Jedha and she was sent into the future to Earth just as the Death Star test fired its superlaser and blew part of the planet to space dust. She and I became great friends in science class and Earth Science and she knows all about rocks and minerals. She is also a very powerful and skilled martial artist and she and I busted lots of dirtbag criminals.

Nico: Cool! She dodged a massive bullet on that one.

Me: No shit.

Sailor Jedha: I know and I'm glad I did.

May: Thank goodness.

Nico: Yeah.

Sailor Jedha: I know. But I heard that you guys destroyed the entire empire.

Me: Yeah we sure did. They are gone for good.

Xenia: Yeah.

Camie: Thank goodness.

Me: And we know who will volunteer to face you. First are there any other opponents with you?

Sailor Jedha: Just 1 and that's Another version of him.

She pointed to Black Adam.

Black Adam: Another version of me!? Whoa!

Me: Hostile or Friendly?

Sailor Jedha: Friendly.

Me: Awesome.

Sailor Jedha: This one knows you very well J.D.

Me: I see.

Fu: Well lets do it then.

She flared up her aura.

Sailor Jedha turned back into Another Orion Undead Zodiarts and Fu fired an energy blast and it hit her and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the rouse card and Zodiarts Switch and purified them. The rouse card had the symbol and stars of Orion the Hunter in the Northern Hemisphere on it and Orion the Hunter on it.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those marked with Orion the Hunter.

Fu: Cool!

I went over and picked her up and brought her over.

Me: Get ready guys.

Nico: I wonder what this one will be like!

THUNDERCLAP! THUNDERCLAP!

We saw streaks of black lightning shoot across the sky!

Me: WOW!

Black Adam: Closer than we think.

Me: Yeah.

Then a figure came out and it was a dark version of Black Adam. It was ANOTHER BLACK ADAM!

Me: Whoa! Another Black Adam!

Black Adam: This one is just as powerful as me.

Me: No kidding!

Maria: Who are you?!

Another Black Adam: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) Abigail Gabija!

Nico: Wait is she…

Me: Yep. She is the daughter of Gabija, the Goddess of Fire in Lithuanian Myth.

Lola: Whoa!

Another Black Adam: It's great to see you J.D.

Me: Same here Abigail.

Lola went over to her.

Lola: I was actually chosen by the fire of Gabija myself. I'm the champion of Gabija, the Goddess of Fire in Lithuanian Myth.

Another Black Adam: That is amazing. So you are my mothers champion. I am truly honored to meet you Lola.

Lola: Same here Abigail. Sorry we have to fight like this.

Another Black Adam: No worries.

Nico: How do you know her J.D.?

Me: Abigail came to my school on a Foreign Exchange Program and she shared with us many incredible things about her country and also made really awesome food that all my class loved. Also her powers of fire is omnipotent just like her mother.

Nico: Wow!

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim Gear) Because we can grant it instead.

Another Black Adam: No he didn't promise me anything. I punched him in the face and sent him crashing into the wall and took off after he put this ridewatch in me.

Me: Wow that was a clever suckerpunch.

Another Black Adam: Yep.

Me: Sorry we have to fight like this Abigail.

Another Black Adam: No worries. Come at me and don't hold back.

Me: You got it.

Kaito got a Wizard Sword and Zocks got a Gaim Plant Sword.

Sougo: (gets out Wizard Ridewatch) I wish I could've seen you punch Swartz!

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (gets out Gaim Ridewatch) Too bad you didn't kill him early.

Armor Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Sougo got WizardArmor while Geiz got GaimArmor.

Me: But it would have been awesome to see that. But it was best if all of us did him in.

Another Black Adam: I know.

I fired waves of fire and Another Black Adam fired waves of black lightning and I smashed her down.

Me: YEAH!

Nico: (gets out Black Adam's Ridewatch) Time to take you on with equal strength!

He activated it and fired waves of lightning and smashed her down!

Me: YEAH!

Qin: Take that!

Nico: Yeah! Now for this one. (ACTIVATES MADAME WOE'S RIDEWATCH)

Nico fired waves of energy and smashed her down!

Qin: OH YEAH!

May: (gets out Seraphina's Ridewatch) My turn!

She activated it and fired waves of light and darkness and smashed her down!

Qin: Take that!

May: Now for this one. Hope you like your soup hot. (ACTIVATES COOKATIELS RIDEWATCH)

She fired waves of soup and blasted her all over.

Maria: (Gets out Obelisk's Ridewatch) Let's see what this does.

She activated it and fired a laser blast from the middle of her forehead and smashed her down!

Qin: WHOA!

Maria: That was awesome but weird.

Nico: But cool.

Maria: Now for this.

She activated Sagat's ridewatch!

Maria: TIGER PUNCH!

She punched Another Black Adam with incredible force.

Kaos and his team came! He had Shaman Apsu, Scab Fairy, UA Molten Man, Fission Metroids and Garluch with him!

Kaos: KAOS and team are here!

Nico: Nice team, Kaos!

Twilight Sparkle: I agree there.

Kaos: It's a really good team for me.

Qin: It sure is.

We fired waves of energy and elements.

Suriko: My turn!

She activated her ridewatch and fired waves of energy with Madame Woe's powers and smashed her down!

Qin: Oh yeah!

Me: Nice one!

Xenia: Yeah!

Nico: She isn't going down that easily!

?: Not without proper help!

A Gengar then appeared!

Me: Whoa a Gengar!

Qin: Awesome!

Gengar: (In a girls voice) Hope you don't mind me dropping in like this.

Nico: Selena Vega! Wow!

Qin: Wow I had a feeling this one would be up your alley.

Gengar: I know. I got this.

She fired a Shadow Ball and it hit Another Black Adam and

exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Abigail was back to normal and I caught the ridewatch and purified it and I went over to her and she was a girl with red hair and had blue and green clothes and I picked her up.

Abigail Gabija: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Nico: You're still very powerful.

Abigail Gabija: I know.

Gengar: But that was still fun. I saw your battle and you guys were awesome.

Qin: Yeah no kidding.

Suriko: What's your favorite memory of Nico?

Gengar: Me and Nico were over in France and we battled the ghost of Attila the Hun. He was terrorizing a castle and we caught him. Turns out he was a lowly criminal that was after the fortune of a dead billionaire whose fortune was all in jewels. He got 50 years in prison.

Me: Whoa!

Qin: That is cool!

Nico: Yep.

Brittney: Just like with Mystery Inc.

Gengar: Yep. I would like to be reverted back please but I'm naked.

Nicole: Oh boy. No peeking guys!

I put on my blind my glasses and snapped my fingers and everyone covered their eyes. Selena was reverting back.

Selena's forced smile decreased.

She was back to normal and naked and had purple hair and purple eyes and the fashion brigade gave her black clothes and she looked amazing.

Selena Vega: Wow. I look awesome and I am a goth girl.

Brittney: You are an awesome addition to the Goths of Darkness.

Selena Vega: I won't let you down my empress.

Brittney smiled.

Nico and Selena hugged.

Nico: I've really missed you.

Selena Vega: Me too Nico. Me too.

Nico: How do you feel?

Selena Vega: Better than ever before.

Nico: Awesome. Lets head home.

We went back home.

Lincoln: Wow, we're here in the world of the 1997 horror movie, Wishmaster, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're going to put an end to The Djinn and end his wish-granting mayhem.

Me: Oh man, this is going to be one wild battle against that evil Djinn.

Nico: You said it, this guy's wish-granting mayhem is about to be brought to an end here and now.

Lincoln: And I've got the perfect weapon to use on that demon.

Lincoln took out a large red opal, but here's the thing: it's a more powerful version of The Stone of The Secret Fire, the very gem that was used to imprison The Djinn centuries ago.

Rarity: Is that…?

Lincoln: It may look like The Stone of The Secret Fire, but, the original one in The Djinn's possession is the doorway between the worlds. The one I created is different: this is a more powerful version of The Stone of The Sacred Fire, and this one has a very special power that'll ensure The Djinn never returns to hurt anyone ever

again.

Aisha Arian: (Arabic Accent) And I'm very familiar with the tales of The Djinn, and the story about this creature. Once in a time before time, God breathed life into the universe, and The Light gave birth to Angels, and The Earth gave birth to Man, and The Fire gave birth to The Djinn, creatures condemned to wander in the void between the worlds. One who wakes a Djinn shall be given three wishes, upon the granting of the third and final wish, it will allow The Djinn to open the gateway between the worlds and unleash his unholy legions upon the Earth.

Nico: It's one of the darkest tales from ancient times in The Middle East and Persia, and Alexandra accidentally awakened The Djinn when she found The Stone of The Sacred Fire inside the statue of Ahura Mazda.

Lincoln: It was purposefully put in there by the court sorcerer 900 years ago, because the statue of Ahura Mazda is a vessel of light, and it's meant to contain The Djinn and trap him in the void between the worlds. Plus, a wish won't kill him, because he's an immortal, but not for much longer. So far, Alexandra after reading up on what happened 900 years ago has used two wishes: one to find out who she's dealing with, and the other to be back in her apartment alone, and now, she has only one wish left, and The Djinn's already claimed the souls of those who made their wishes and restored The Stone of The Sacred Fire, if Alexandra makes her wish like back in the movie, it'll undo all the wishes The Djinn has granted, but instead of getting imprisoned in the original Stone of The Sacred Fire again, he'll be imprisoned in my new and more powerful version of it, and I won't reveal the special power it has.

Nico: That's good, no one likes spoilers, and through every wish made by The Djinn, Alexandra has felt the psychic pain of those affected by The Djinn's power.

Lincoln: This only occurs to those who awakened him, along with having nightmares. Ino's going to give Alexandra a lot of help after we get through with The Djinn, and I want to thank you and your team for joining us, Clark.

Superman: You're welcome, Lincoln. Now, where do we go to find Alexandra before The Djinn does?

Lincoln: Raymond Beaumont's mansion. He's having a party there, and if Alexandra shows up there, so will The Djinn, but he'll be in the guise of Nathaniel Demerest, and the one thing that'll mark him as The Djinn is the undeniable evil around him.

Suddenly, we heard screams coming from inside the mansion of Raymond Beaumont, and we rushed inside to see that the party's turned into complete chaos: many of the guests have been slaughtered and there's nothing more than bodies and death.

Me: My God, this place is now a slaughterhouse.

Lincoln: Raymond accidentally made his wish, and it's a repeat of the chaos that occurred in Persia in the movie 900 years ago. We got to get to Alexandra before he does.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of five girls calling for help along with the sound of malevolent and wicked laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the five girls, but they, along with Alexandra, have been cornered by The Djinn in the room with statues from ancient cultures.

Lincoln: (Gasps) Let's get over there at once, guys, I found five girls, but they, along with Alexandra, have been cornered by The Djinn in the room with statues from ancient cultures.

?: That demonic wish-granting fiend, let's get him!

Suddenly, we saw a beautiful girl with long flowing aqua blue hair, sky blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful aqua blue angel wings, and she's dressed in a Sailor Soldier outfit and the Cygnus the Swan constellation on her right arm, and long white sleeveless trenchcoat with ocean waves and lights on the coattails and on the back is the planet Titania and holstered on her back is a massive greatsword with embedded aqua blue and gold gems and the planet Titania etched etched on the 7'0" massive, wide, double-edged aqua blue blade, large angel heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and large aqua blue gem on the bottom of the large angel heads for the pommel.

Lincoln: (Gasps) Evelyn Titania, I knew it was you, but we'll talk later, we got an evil Djinn to stop.

We rushed on over, and before The Djinn could do anything to the five girls and Alexandra, Lincoln fired blasts of blood red fire at the army of statues and destroyed them, and we got in between the five girls and Alexandra.

Djinn: Ah, so you've arrived, Team Loud Phoenix Storm.

Lincoln: To undo the damage that your "wishes" have caused. You've twisted the desires of many and turned them into nightmares, that's just absolutely sickening.

Lincoln took out his more powerful version of The Stone of The Sacred Fire, and it reacted with the original one in The Djinn's hand and it was given to Alexandra.

Lincoln: We already know of what'll happen if one last wish is granted, but make it specific and it'll undo the damage done.

Alexandra Amberson: Right. (To The Djinn) I shall make my final wish.

This brought an evil grin upon The Djinn's face, and suddenly, we saw the room turn red, and we saw figures coming out, and we knew they were the other Djinn.

Alexandra Amberson: I wish that all the damage that was caused by those wishes you granted were undone.

This shocked The Djinn, Lincoln had a smirk on his face, as his more powerful version of The Stone of The Sacred Fire began glowing, and it was already pulling The Djinn inside.

Djinn: No… ! Impossible!

Then, The Djinn was sucked into Lincoln's more powerful version of The Stone of The Sacred Fire, and as a result, all those who died as a result of The Djinn's wishes and those who sold their souls for the wishes were brought back to life, along with those killed at the party, and the original Stone of The Sacred Fire was purified. Then, Lincoln's more powerful version of The Stone of The Sacred Fire lands in his hand, and he absorbed and assimilated all of The Djinn's immense powers and abilities and so did the rest of us, and his spirit was eventually sent to The Black Gates forever.

Nico: Whoa, that was really intense.

Lincoln: You said it, and thanks to Alexandra's wish, all those who died because of The Djinn's wishes along with the people who sold their souls thanks to their wishes and those at the party have all been brought back to life.

Me: You said it, and after The Djinn was imprisoned in your more powerful version of The Stone of The Sacred Fire, you absorbed and assimilated all of his immense powers and abilities.

Lincoln: And he was sent to The Black Gates, plus, when I was creating the more powerful version of The Stone of The Sacred Fire, I added a drop of my poisonous blood to the mixture, and as we know, our blood is poisonous to evil immortals, so he was already dead.

Eli: Whoa!

Nico: Whoa is right, Eli, and really impressive. Awesome job, Lincoln.

Lincoln: Thanks, Nico. (To Evelyn Titania) And it's so good to see you again, Evelyn Titania.

Evelyn Titania: You too, Lincoln, it's been a long time, and it's so good to see you again, Diana and Anna.

Diana Elementa and Evelyn Thelea: You too, Evelyn.

Lincoln went up to Evelyn Titania and he hugged her, and Evelyn Titania is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you in six and a half years, and as you can see, I really grew since then.

Evelyn Titania: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, so this is…?

Lincoln: Yep, Nico, this is Evelyn Titania A.K.A. Sailor Titania, she's my Guardian Angel and classmate in Gym, and she has omnipotent water and light powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she also knew of what Ebonwu Lincoln's travel to Titania. She came to Earth six and a half years ago, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and

Luan at home. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Nico: Wow. That's quite a brutal hatred, and something you and the other Sailor Soldiers have in common with Selene Emperyous.

Evelyn Titania: She really hated those assholes, and we don't blame her for a bit after hearing all of the crap they put Lincoln through. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Evelyn,, are you absolutely sure about this?

Evelyn Titania: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Evelyn Titania, and he saw that she's really serious, and he smiled as he walks over to Evelyn Titania, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on the trapezius of Evelyn Titania's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Evelyn Titania's with aqua blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Evelyn Titania: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Evelyn.

Evelyn Titania had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Ayumi Nonokura, Eira Kishida, Mion Minami, Makoto Kitamichi, and Reika Miyanokoji from Island of The Dead.

Lincoln: Oh wow, it's Ayumi Nonokura, Eira Kishida, Mion Minami, Makoto Kitamichi, and Reika Miyanokoji from Island of The Dead.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ayumi Nonokura: Yes, we're okay, thanks to you.

Then, when Ayumi Nonokura and the other four girls saw who it was that saved them from The Djinn, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ayumi Nonokura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ayumi Nonokura: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayumi Nonokura, Eira Kishida, Mion Minami, Makoto Kitamichi, and Reika Miyanokoji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was The Djinn from the 1997 movie, Wishmaster.

But, when Lincoln showed everyone what happened such as Alexandra making the wish that all those wishes that The Djinn had granted be undone and all those affected were restored and brought back to life and The Djinn getting sucked into Lincoln's more powerful version of The Stone of The Sacred Fire and purifying the original stone of The Djinn's presence and Lincoln absorbing and assimilating all of The Djinn's immense powers and abilities and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Evelyn Titania have a lot of catching up to do, now that she's back in town.

Maria: Oh damn, I certainly wasn't expecting the villain to be that malevolent Djinn from Wishmaster.

May: This was really a surprise, but we stopped him for good.

Lincoln: And Alexandra's final wish led to the cancellation of the wishes The Djinn granted to others and they were all brought back to life. (Hands the original Stone of The Sacred Fire to Rarity) Here, Rarity.

Rarity: Aw, thank you, Linky. Now that The Djinn is gone, The Stone of The Sacred Fire is now a jewel that has no evil influences.

Rarity kissed Lincoln on the lips and he returned it.

Maria: That's good to hear. So, what about the one you created, Lincoln?

Lincoln: This one I can use for anything, Maria. Plus, I also added a drop of my blood into it when I was creating my version of The Stone of The Sacred Fire.

Nico: That's actually the special power that he mentioned, and since our blood is a killer poison to evil immortals, it was perfect. Plus, whatever Lincoln has planned with using The Djinn's powers, I can at least expect it to not be pretty for villains who are on death row.

---

After getting rid of The Djinn and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Evelyn Titania saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Evelyn Titania: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Evelyn, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Evelyn Titania: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Evelyn, what memories did you have with Lincoln?

Evelyn Titania: Oh man, I remembered this one time we were heading back to The Loud House after three hours of working out at the gym we set up, but then, we heard the sound of enraged bellows in the air and the smell of an unwashed cheapskate, and we saw who it was coming after us: it was Flip, Pablo, Anderson, and Chandler's goons, and they were still out to kill Lincoln for revenge, but when I heard Lincoln let out a growl, I saw him transform into his werewolf form and he kicked and punched Flip, Pablo, Anderson, and Chandler's goons really hard, and he even left claw marks on Flip, Pablo, and Anderson. Then, he knocked those assholes down, and the cops came and took those asswipes away. I was really stunned at first, but then, I ran up to Lincoln and we hugged and we kissed muzzle to lip. After we came back, we told everyone what Flip, Pablo, Anderson, and Chandler's goons tried to do, but Lincoln stopped them when he transformed into his werewolf form, and everyone cheered for him.

Nico: Whoa, so that's the third time Lincoln's transformed into his werewolf form to defend his Guardian Angels?!

Lincoln: Yep.

Riley Mackenzie: We knew he'd transform again into his werewolf form. Plus, Evelyn was blushing like crazy when she saw him in his werewolf form, and when she and Lincoln hugged and kissed muzzle to lip.

Me: How many times did you and your Guardian Angels kiss muzzle to lip when you were in your werewolf form?

Lincoln: I've lost count to tell you the truth, J.D.

Luna: It's true, dude. He's lost count so many times when he made out with them when he's in his werewolf form, and thank goodness Rudina also taught him to keep his urges under control.

Rudina Adalwulf: You got that right. Plus, he's also trained himself on how to control his urges when he's in his werewolf form, and he's transformed into his werewolf form to defend us whenever trouble rises, and that always ended with us kissing muzzle to lip.

Nico: Whoa. But, you better watch it, Lincoln, you don't want to attract any unwanted attention from other girls.

Helena McTroy: They actually know he's been taken by all of us, and if any evil bitches try to mess with him and us, it's not going to end well, and our reputation for kicking the asses of Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, Lewis Travolta, Ophelia Shroud, Lori, Lynn, Lola, Lisa, and Luan is well-known and we don't take that kind of crap from them.

Me: Now, you're speaking my language.

We got a shower afterwards, and then, Clyde and his harem are heading to Seaside Hill.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", and extremely muscular man was dressed in large blue swim trunks with the phoenix and a clock surrounded by stars on them and silver flames coming off the swim trunks, blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

Syd Chang: Ah, we're here in Seaside Hill, awesome.

Clyde: It's always awesome coming here to Seaside Hill. Shall we?

Clyde and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: (Snickers) Looks like someone had a good time at Seaside Hill, eh, Clyde?

Clyde: (In Heaven) It was awesome!

Ronnie Anne: We're glad you guys had fun, Syd.

Syd Chang: You know it.

Later it was time for Kita's first ever ambassador mission and it was gonna be for the latest installment of the Kamen Rider franchise: Revice.

Me: This is gonna be so awesome! I can't wait to meet the Revice team!

Vice: It'll be awesome to see Ikki and team again.

Qin: It's gonna be so cool!

Laney: Boy it sure is!

William: Anyone else want to go with Kita? Besides Tsukasa and 4 Rabbids?

Gali: Me and all the Ambassadors for the Heisei-Reiwa Era will go.

Nico: Cool!

Touma: This is gonna be awesome.

Lola: Yep.

Cassidy: And I'm gonna go too since Faiz is my missions.

Evelyn: Me too since Blade is mine.

Qin: All right then.

Nico: This is gonna be awesome.

Nuju: It sure is.

Nico: Yep. Lets head out.

We were off to Japan.

---

We arrived and we saw the Revice Team fighting the Brachio Deadman!

Me: Whoa that's the Brachio Deadman! I remember him.

Vice: Looks like the fun is beginning.

Nico: Lets get him!

We went at him.

Ikki: It's not the same without Vice!

But then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and a phoenix cry was heard.

Will Vandom: (SINGING) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Then we came out and blasted Brachio Deadman all over.

Me: Looks like the fun is just beginning!

Ikki: Wow Team Loud Phoenix Storm!

Me: Awesome to finally meet you Ikki.

Tsukasa: Same here.

Ikki: (to Tsukasa) I know you. You're Kamen Rider Decade, right?

Tsukasa: That's right. Along with many others.

Vice: Including me!

Ikki: Vice!

Vice: We can catch up later. Right now we got a Deadman to defeat.

They transformed.

Ikki and Vice: HENSHIN!

They transformed and were ready.

Me: Lets get him!

I fired waves of fire and blasted him all over and Ikki and Vice blasted him and smashed him down and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded and I caught the Vistamp and purified it.

Nico: Brachio Deadman you have failed this city!

Vice: Did you miss me, Ikki?

Ikki: I sure did Vice!

Me: Glad we found him for you guys.

Ikki: It's an honor to meet you J.D. I've heard so much about you all.

Me: I'm honored that you guys heard about me. We have a lot to tell you.

Nico: Yeah first we should introduce everyone.

Me: Meet your fellow riders and their ambassadors.

Gali: It's awesome to meet you all.

They introduced themselves.

Me: And I believe you know Touma of the Saber team.

Touma: It's great to see you again Ikki.

Ikki: Been a long time Touma.

Touma: Looking good.

Kita: But it's awesome to meet you guys. My name is Kita Birmingham and I am the Ambassador for you guys.

Ikki: It's awesome to meet you.

Me: Can we talk at your base?

Ikki: Sure. Right this way.

We followed him.

We arrived at the Happy Spa.

Ikki: Here we are!

Me: The Happy Spa. Nice place.

Ikki: Yep.

Sakura Igarashi: Ikki! Team Loud Phoenix Storm! Wow!

Me: Sakura Igarashi and Daiji Igarashi. It's awesome to meet you guys.

Daiji Igarashi: It's a true honor.

Eli: Same here.

Vice: Miss me guys?

Sakura Igarashi: You're back Vice!

Vice: Yes I sure am.

Ikki: But it's awesome having you guys here.

Eli: Same here too.

Ikki: And these are Go Tamaki, Hana Natsuki, and George Karizaki.

Karizaki: (excited) So, you guys know Kamen Rider Decade and several of the other Kamen Riders?!

Go Tamaki: (chuckles) Kaizaki's a super fan of Kamen Riders.

Me: (LAUGHS) I remember that. Also yes we met NUMEROUS Riders. These are all the riders from 2002 to 2021. And their ambassadors are with them. It's part of a special diplomatic mission program we made earlier.

Nico: Yeah it's a long story.

Touma: Team Loud Phoenix Storm has helped us deal with all our major enemies this year and it was so awesome and epic.

Eli: It sure was.

Me: We have so much to talk to you guys about.

Ikki: Boy I can tell.

We got to sitting down.

Me: So first you should know that we have been very busy this year and during one of Nico's rescues we got all these.

I pulled out a bag and in it was the Vistamps we got.

Me: These are Vistamps we got for the Core, Neo Core and Non-Core members of the Masters of Evil.

Eli: We got them from defeating Another Version of Ikki and Vice.

Sougo: Our enemy Swartz did that.

Sakura Igarashi: What happened?

Me: Ugly story.

I told them what happened and when I was finished they were shocked beyond all words!

Ikki: Swartz did this!?

Me: Yeah. But he is gone. We gave him the black gates and you don't have to worry about him.

Sakura Igarashi: Wow! You guys have been busy.

Me: I know. But it's not just Vistamps we got. We got all sorts of legend items from Another Riders and Rangers from over the course of the last 51+ Years.

Eli: Yeah it's amazing.

Touma: It sure is. They are all very amazing tools.

Nico: Yep.

Karizaki: Vice, I owe you an apology. You wouldn't have disappeared from Ikki if it weren't for my actions.

Vice: It's fine. I know you were just lashing out because you needed to mourn your daddy's death. All water under the bridge.

Me: You have our condolences for that guys.

Daiji: Thank you.

Hana Natsuki: I'm glad you made up for that.

Me: Yeah we all are.

Ikki: Me too. But I'm glad Vice is back now. Where did you guys find him?

Me: On the planet Mustafar.

Will Vandom: Yeah it was really amazing to see him there.

Elyon Brown: It sure was.

The Rabbids gibbered.

Tsukasa: (sighs) And these are Rabbids.

Me: Rabbids are funny creatures but they are not the brightest light bulbs in the closet if you know what I mean.

Sakura Igarashi: Oh yeah I know these little guys. They are funny.

Me: Yeah but they are idiots and they are really funny. They are used for comedy and laughter purposes.

Eddy: They sure are. We get a good laugh out of them.

Kevin: Yeah we sure do.

Me: Yep. Oh and just a forewarning that Eddy has a dark side that is at large now. He's in the Book of Vile Darkness dimension but he is going to be coming after you all to kill you.

Ikki: Oh I get it.

Nico: Yeah but I put a curse on him that will destroy him soon.

One of the Rabbids tried to eat the Brachio Genome.

Daiji: No! That is not fror eating. (the Rabbids bites his hand)

CHOMP!

Daiji: OW!

Eddy: Hey stop that!.

Rabbid: (Sighs)

Me: See they are idiots. They are not very smart.

Daiji: Oh I get it.

Rabbid: (Raspberries him)

Daiji: Did you just raspberried me!?

We laughed.

Me: That's gonna be the line of the day whenever we have our first mission.

Kita: Yeah it's funny.

Me: Before we do anything what can you guys tell us about Giff? We know he is the main bad guy for you but we don't know anything about him.

Ikki: Well he is the monster we have to destroy.

He went over his history.

---

Giff is the overarching antagonist of Kamen Rider Revice, the third installment of Reiwa Era's Kamen Rider series, and its summer movie Kamen Rider Revice: Battle Familia.

He is the ruler of all demons and the most powerful of their kind. Believing Giff to be the ancestor of all demons, his revival is the goal of the Deadmans. Aguilera is said to be his fiancée. He is also the namesake of the Giff Junior footsoldiers.

He is voiced by Kazuhiko Inoue, who also voiced Ginis in Doubutsu Sentai Zyuohger, Emperor in Cyborg 009: Call of Justice, as well as Kars in JoJo's Bizarre Adventure: Battle Tendency. Past

Giff first arrived on Earth to make peace with humankind as their inner darkness can provide him nourishment, but was labeled a "demon" as more either exploit his power for their ends or openly oppose him. After wiping out Akaishi's civilization for their continued defiance, Giff was talked out of killing every other human by Akaishi and Azuma pledging their loyalty to the demon and are granted immortality to serve as his emissaries to make humanity more subservient to him. Giff then entered a dormant state, leaving Akaishi and Azuma to their tasks of influencing humanity for him while he was in slumber.

His sealed body was excavated in South America and fell into the possession of a government research organization called "NOAH", which sought to weaponize demons. As part of this research, they injected Giff's cells into a man named Junpei Shiranami, resulting in the demon Vail being born and granting Junpei the power to use the Vail Driver. His overuse of the Driver and forced extraction of Vail caused him to forget his name, taking on "Genta" as his name after falling in love with Yukimi with their children inheriting Giff's cells.

## Reawakening

After NOAH was disbanded, Akashi led a group of former members to steal Giff's casket and establish the Deadmans cult who seek to revive Giff by creating Deadmen to terrorize humans to produce six Gifftex Deadmen for a ritual sacrifice involving their figurehead leader Aguilera. At the time of the series star, the Deadmens have three active Gifftex in their true leader Olteca, Aguilera's bodyguard Julio, and the Chameleon Deadman who infilrated Fenix. Around the same time, Genta married Yukimi and had three children with her, who all inherited Giff's cells. After Amahiko Haitani and Yasushi Kudo become Gifftex Deadmen, Olteca proceeds with the ritual to sacrifice Aguilera, only for Fenix and Igarashi siblings to raid the Deadmans Base in the battle that ends with Amahiko and Yasushi absorbed into Giff's Casket as it survives the Deadmans Base being destroyed by Revi Barid Rex. Giff's Casket was subsequently taken into custody by Fenix with Hideo Akaishi using his rank as Fenix director to observe it, revealed to be active as it feeds on the various Deadmen that include the Chameleon Deadman, Gifftarian Deadmen, and the residual energy of Julio's Deadman after being separated from it

In one instance, Giff took control of Ikki and Vice while they were transformed as Jack Revice and made them attack Sakura and Daiji. Now able to act with a degree of autonomy, Giff began absorbing humans directly and devoured the Fenix members sent to monitor it. After teleporting out of Fenix'sGiff traveled to where Olteca had gathered a number of humans as sacrifices to devour them, but Daiji and Sakura showed up to stop him. When Daiji attempted to attack Olteca however, Giff blocked him and took control of Ikki again, forcing him to become Jack Revice and making him attack Daiji and Sakura.

Giff reawakens after absorbing Olteca's life essence and body.

After the two siblings incapacitated Jack Revice with help from George as Demons, Aguilera attempted to offer herself to Giff but is slapped away. Olteca then walked up to the casket of Giff and stamped it with the Anomalocaris Vistamp before stamping it again with the Giff Stamp, causing Giff to fuse with him and transform him into the Anomalocaris Deadman. Having achieved a Phase 4 Deadman form, Olteca laid waste to the three Riders while Ikki lay unresponsive. However, Ikki was able to resist Giff's influence and use the Thunder Gale Vistamp that George had developed to become Kamen Rider Revice Thunder Gale. Olteca then battled Revice Thunder Gale but was defeated by it, prompting Giff to exit his body and revert him to normal. Giff stretched a tentacle out towards Olteca and absorb him into his pocket dimension, fully awakening before teleporting away.

Advent on Humanity

Taking refuge in his pocket dimension, a metaphysical representation of his stomach, Giff communicated with Akaishi through a portal. Akaishi gave Giff a presentation on the events that had transpired up to his reawakening.

When the Kamen Riders went to confront Akaishi, Akaishi created a portal to Giff, who summoned several True Gifftarians to attack them. Giff would also mutate Akemi Mikoshiba into another demonic servant, the Giffdemos.

Soon after, Akaishi gave a press conference, where he announced that Fenix had found no way to stop Giff and that the only way for humanity to survive would be to submit themselves to him. When Daiji interrupted the speech, Akaishi then opened a portal to Giff, who vaporized the Fenix soldiers standing guard and destroyed Fenix's entire Skybase fleet, in order to demonstrate how it was hopeless to oppose him. It was then that the other Kamen Riders appeared to assist Daiji, but Vail and several True Gifftarians appeared in front of them to do battle.

Giff would later fuse several Gifftarians together to create the Hell Gifftarian, which Akaishi used to attack Daiji.

After Revi and Vice immobilized Giffdemos with the Barid Rex Vistamp's ice powers, Akaishi opened a portal to Giff, who killed her.

After Vail was defeated by Kamen Rider Destream and Akaishi was killed by Ultimate Revi and Vice, Giff finally set foot in the human world when he personally intervened in the conflict. Blasting everyone away, Giff resurrected Akaishi and restored his body so he could continue his role, upgrading his demon form into Gigademos. When the Weekend Kamen Riders showed up to battle Gigademos, Giff attacked them from his dimension, but was dragged to Earth by Ultimate Revi and Vice. Battling the two Riders personally, Giff was able to overpower both of them with his tremendous might, particularly after Revi broke off from the battle to assist the other Riders in fighting Gigademos. After Akaishi was killed by Daiji Igarashi, Daiji turned to Giff and asked to make a contract with him.

Giff was about to give a contract to Daiji but this was averted by Ikki who tried to knock sense into his delusional brother. Giff was still overtly mighty, therefore he managed to hold of the heroes. While the chaos transpired he managed to absorb Vice into his hell dimension where he revealed his plan. Which was to wipe out humanity whom after Akaishi's death he had no confidence in. Instead he would rule a new world populated by demons alongside the powerful Igarashi family. So he once again confronted the Igarashi siblings excluding Daiji who still aimed for a contract. Although hearing what Giff told Daiji through Vice, he at once knew Daiji shouldn't succumb to that monster, hence throwing him aside. Daiji was brought to his senses by Hiromi and finally was in tune with Kagero. Using this Daiji sent Giff back into his dimension, temporarily imprisoning him.

The result of this released cocoons that Giff was storing and one of them contained Olteca who soon was freed and imprisoned again by Weekend.

Giff escaped easily enough and continued his advent on the human race by now spreading parasites onto humans turning them into Giffterians. This caused commotion through the internet and caused the Weekend to ward of Giff's forces for the time being. A while later Vice heard the voice of Giff in his mind telling him to arise hinting at an attempt to brainwash him. Soon Daiji and Ikki got into a fight with Giff who still was a formidable opponent who brought mindless clones of previous Deadman generals to fight them, constantly regenerating them as they fell. As the siblings grew tired he used Vice who was now his puppet to introduce his proposal to them - Join him to rule the new Earth of demons.

Unable to hold their own against Giff, the two Igarashi siblings retreated and returned to Happy Spa. Although Giff seemed invincible, the two brothers figured out from the way they had sealed Giff the last time that Giff's dimension must also be a part of him and that it contained his weak spot. During their next confrontation with Giff, Ikki and Daiji, soon joined by Hana as Kamen Rider Aguilera, held off Giff and his army of Gifftarians and Giff Juniors while Vice went inside Giff's dimension to find a way to destroy him. Vice found Giff's casket inside and was able to weaken Giff by performing a Rider Kick on it, while Tamaki and then Sakura arrived to assist the other Kamen Riders as Over Demons and Invincible Jeanne respectively. With Vice having weakened Giff from the inside, the three Igarashi siblings and Vice performed a combined Rider Kick together to knock Giff into the sky and destroy him. But Giff's explosive destruction leaves two eyes that George takes in his possession, one used to perfect the Chimera Driver and other utilized in the creation of Juuga Drive.

---

When he was done we were shocked and horrified!

Me: He is pure evil!

Hana Natsuki: I don't know what I was thinking wanting to marry him.

Me: At least Sakura saved you from yourself.

Eli: Yeah.

Elyon Brown: Your demon persona will make an awesome addition to the Masters of Evil.

Me: Yep and you will also make an amazing addition to the Redemption Squad.

Hana Natsumi: Thanks.

Karizaki: But now, we have more immediate problem.

Karizaki then showed the monitors to Olteca's cell, which was empty and broken out of.

Me: Oh man! Olteca escaped! The team was hoping he would. Now he can be the first of your enemies that we destroy and send to the Black Gates.

Sakura Igarashi: The Black Gates?

Me: The deadliest technique we have in our arsenal.

Nico: Yep. But lets get him.

We went out to face him.

Me: Boy this guys is bad news.

Nico: Yeah he sure is.

---

Olteca, real name Makoto Hatsushiba, is a leading executive of the Deadmans and a major antagonist in Kamen Rider Revice, serving as the main antagonist of the first half. He serves as second-in-command and advisor to the cult's figurehead Aguilera while planning to use her as the sixth sacrifice to revive Giff, the pagan god of the Deadmans.

As the cult's chief executive, Olteca hands out Vistamps on behalf of

Aguilera for the purpose finding ideal candidates to become Gifftexes. Secretly, Olteca was just using Aguilera as a figurehead to gather people behind and intended to use her as the final sacrifice to reawaken Giff while keeping the true nature of the wedding ritual a secret from her. He would later obtain the Giff Stamp thanks to the actions of the Chameleon Deadman.

After the Deadmans Base was stormed by Fenix, Olteca was able to reform the Deadmans and rally them behind the Giff Stamp. He would begin using the Giff Stamp to create Gifftarians to replace humanity as a form of natural selection.

Using the Daiouika Proto Vistamp, Olteca can transform into the Daiouika Deadman. He later obtains the Demons Driver and uses it to transform into Kamen Rider Demons. He briefly fuses with Giff to become the Phase 4 Anomalocaris Deadman.

He is portrayed by Hayata Seki.

Makoto Hatsushiba was originally a child progidy whose genius led to him being bored in school. To stimulate himself, Olteca began doing equations that were far more complex than what his teachers and father knew. However, Makoto's father believed his son was trying to make a fool of him and began abusing him, leading him to develop a cold personality.

As a young adult, Makoto was personally scouted by the founder of the Deadmans to join the cult and brought before the idol of Giff. At some point after joining the cult, Makoto took on the name "Olteca" and fused with his inner demon to become a Gifftex. He would later state he became a Deadman to achieve his goal of ruling the world.

Olteca is first seen holding a rally alongside Julio in the Deadmans Base while Aguilera creates Giff Juniorsfrom the Deadmans' human followers. After Julio kidnapped convict Harada, he and Julio presented him to Aguilera for her to create a special Deadman from. Pleased with the offering, Aguilera used Harada to summon the Mammoth Deadman. Olteca would then take part in the Deadmans' assault on Fenix, in which they unleashed the Mammoth Deadman to wreak havoc. While the Mammoth Deadman terrorized people, Aguilera used a news camera to announce the Deadmans' goals to the world before leaving with Olteca and Julio.

Olteca would later approach the caddy of professional golfer Araki, after Araki fired him in a fit of rage. Olteca asked him about Araki's temper and offered him his sympathy, before showing him the Kamakiri Vistamp and persuading him to use it. Desiring revenge against Araki for firing him, the caddy accepted the Vistamp and used it to call forth his inner demon, which took shape as the Kamakiri Deadman. Though the Deadman was destroyed by Revice, the Deadmans were approached soon after by Araki himself, who had been told about the Deadmans' base by Vice and desired his own Vistamp. Olteca gave him the Megalodon Vistamp, which he used to call forth the Megalodon Deadman.

Olteca came upon Aguilera as she was visiting the idol of Giff and commenting that she wanted to meet him soon. He jokingly told her that he didn't see any tears coming from her for her to be sad about her fiancee, prompting her to likewise retort "meanie!". Olteca then informed his boss that once they created strong-enough sacrificial Deadmen they would be able to revive Giff. It was at that point that Julio walked to inform that another volunteer had come to them asking to receive a Vistamp, proclaiming that they would soon be able to take Revice's Vistamps. Olteca replied that Julio's plan sounded interesting.

When Aguilera questioned how they were doing on the 6 sacrifices to use to revive Giff, Olteca responded that they were still taking time, and that not everyone had the potential to become a Giftex Deadmen like he and Julio. Julio then commented that a human being able to produce a Deadman was expressive enough and that most could only manage a Giff Junior, and Olteca stated that once a human had summoned a Deadman from within them, they would need to merge with it to become a Phase 2 Deadman and be eligible for the sacrifice.

Olteca at some point convinced a young man named Junpei to use the Batta Proto Vistamp to summon from within him the Batta Deadman, which promptly attacked Junpei's two childhood friends. However, the Batta Deadman was destroyed by Kamen Riders Saber and Espada with the help of Revi and Vice.

After someone broke into Fenix's lab and gave the Lion Vistamp to Masao Honda, a social media influencer who went by the moniker "Bon", Aguilera questioned her two subordinates who had given a Vistamp to someone so unworthy, but both Olteca and Julio denied doing so. After Masao was caught and the Lion Deadman was defeated, Aguilera took note of how quickly he had been beaten and how that was a sign of him being unworthy. Julio then accused Olteca of giving him the Vistamp but Olteca denied doing so. Olteca then brought up Revice and how he had been a nuisance to their plans, and Aguilera expressed that they should deal with him soon. Olteca then proposed they target his "Achilles heel" while reaching his arm towards Giff, only for Aguilera to grab his arm to stop him before expressing interest in the plan. After Masao staged a video where he would destroy the Lion Vistamp as atonement for his actions with it, Olteca and Julio appeared to retrieve the Vistamp. Olteca picked up the Vistamp, only to realize it was a fake set by Ikki and toss it away before he and Julio assumed their Deadman forms to fight him and Vice. The pair initially beat Revi and Vice down until Ikki used the Lion Vistamp to become Revi Lion Genome. After Revi and Vice combined together to become Revice Lion, they were able to overpower Olteca and toss him away. It was at that point however that Kamen Rider Evil showed up and interrupted the fight. Expressing that things were about to get interested, Olteca got up and walked over to Julio before the two teleported away from the scene.

Olteca handed the Kangaroo Vistamp to the Deadmans' next contract holder, corrupt lawyer Yasushi Kudo. As he did so, Olteca promised Kudo the Deadman would help him win all his court cases. Later, following the Kangaroo Deadman's defeat and Kudo's capture, Aguilera asked Olteca how his plan to target Revice's "Achilles' heel" was going and Olteca informed her that Julio was closing in on Sakura as they spoke. He then told Aguilera that they had a guest and presented Kagero, the inner demon who had possessed Daiji Igarashi, to her. Aguilera was pleased to see the Deadmans now had two "Achilles' heels" to work with.

Olteca and the other Deadmans later operated a hotel that the Igarashi family were staying at to celebrate Yukimi's recovery. After Aguilera's attempt to poison Ikki was thwarted by Kagero, Olteca confronted her about it and pointed out that it went against the deal they had made with Kagero. It was at that point that Evil appeared and grabbed Aguilera by the neck before warning her not to make a move like that on Ikki again, as Ikki was his to kill. Aguilera then ran off, followed by her two subordinates. It was then that Olteca suggested that they watch tomorrow's proceedings from afar. The next day, Aguilera and her two henchmen were present when Kagero made his move. After Kagero hit Ikki to the ground, the three revealed themselves as the Deadmans and watched as Kagero became Evil to fight Ikki as Revi. When Hiromi became Demons and tried to intervene, Olteca and Julio assumed their Deadmen forms to hold him off and give Revi and Evil a chance to fight.

Olteca later approached Amahiko Haitani, a man who had made a video expressing support for the Deadmans' cause and rallying people to support them, and invited him to come and join the Deadmans. Olteca gave him the Planaria Vistamp, which Haitani could duplicate to create dummy Vistamps to pass out to people. He gave one Vistamp to Seiko Omori and pushed her to summon the Planarian Deadman and use it to steal money for her ill son's treatment. Olteca was present with Aguilera when Seiko attempted to use her Deadman to steal money from a bank, only for it to be fought off by Kamen Riders Revice and Live.

Olteca later returned to the Deadmans Base and talked with Amahiko Haitani about their plans to duplicate the Planaria Proto Vistamp and use it to mass produce Phase 2 Deadmen.

As Aguilera complained that it was taking too long to revive Giff, Olteca walked in, followed by a second Olteca, and told her it wouldn't be much longer. The second Olteca then revealed itself as the Chameleon Deadman and revealed it was in the process of transitioning into a Giftex. Aguilera however complained that even with him and Amahiko they only had four, but the Chameleon Deadman assured her that they would have others soon, and that a longstanding plan they had would be coming into play shortly. Olteca then revealed to her that they planned to free the lawyer, Yasushi Kudo, who still displayed a high aptitude for demons despite undergoing rehab. Aguilera then left with the other Deadmans to attack Skybase. While spawned a number of Giff

Juniors to distract the Fenix Riders, Olteca and Julio led an attack on Skybase as it was landed. However, Ikki, Daiji and Sakura quickly figured out what the Deadmans' target was and went to protect Skybase. They were met by Olteca and Julio in their Deadmans forms, who held them off while Haitani snuck inside Skybase and freed Kudo. The Daiouika and Wolf Deadmen fought back the Riders and beat down Live, causing Kagero to reemerge and take control of Daiji to become Kamen Rider Evil again. However, after Ikki unlocked the Barid Rex Vistamp, he used it to become Kamen Rider Revi Barid Rex and beat back the two Deadmans executives. Aguilera then approached the pair and told them they had freed Kudo and could leave now.

With Kudo freed and Haitani having obtained a Phase 2 form for his Vistamp, Aguilera told Olteca and Julio to filter them through Giff so they could be approved as sacrifices. This prompted Kudo to ask what "filtering" meant, to which Olteca revealed that Giff would have to deem him and Haitani worthy for them to become Giftex, and that if he found them not worthy they would be disintegrated. While Haitani was unnerved to hear this, Kudo stated he was fine being a sacrifice but that he had a score to settle first. Olteca then tossed Kudo the Sabertiger Vistamp that he could use to become a Phase 2 Deadman and go after Ikki. Aguilera told Kudo and the others that they were permitted to do whatever they wanted until the wedding ceremony was ready and went behind a changing wall to change into her wedding dress. Julio then also spoke up and pushed Haitani to go after Sakura as well. Aguilera then stated she hoped Sakura would be the next sacrifice to revive Giff, but Olteca told her that he already had someone in mind and that he was currently working on retrieving a crucial item. After Kudo was beaten by Revi Barid Rex, Olteca picked up his body and brought him back to the Deadmans base. The three Giftex candidates were all put through Giff, who confirmed them all as Giftex. Aguilera then stated that they only had to find one more to sacrifice to Giff, but Olteca revealed to her that they already had a sixth sacrifice - Aguilera herself.

Upon learning this revelation, Julio immediately tried to attack Olteca, but was blocked by Haitani and Kudo in their Deadman forms. Chameleon then knocked Aguilera out so she could be tied to a chair in preparation for her sacrifice. When she awoke however, she willingly agreed to go along with the ritual if it meant reviving Giff. Hearing this, Julio reluctantly agreed to go along with the ritual and joined the other Gifftex Deadman in assuming their Deadman forms and circling around Aguilera. As the ritual began however, the Deadmans Base was stormed by Fenix who attempted to stop the ritual. Julio then took the chance to try and free Aguilera from the chair, but Olteca swiftly knocked him out of his Deadman form with the Daiouika Deadman's tentacles before joining his fellow Gifftex in engaging the Kamen Riders in battle. Olteca was beaten back by Kamen Rider Live, who went on to join his siblings and Vice in fighting the Planarian and Sabertiger Deadman. The Kamen Riders destroyed the two Deadmen, but Olteca was unperturbed by this as they both were absorbed into Giff to complete the ritual. As Giff's return drew near, the Deadmans base rose up with Aguilera and Julio still inside it and began attacking the city while Revi and Vice went to go rescue Aguilera and stop the ritual. Revi and Vice undid Aguilera's restraints, with Vice carrying her and an unconscious Julio out of the base while Revi Barid Rex destroyed the base with his finisher. While Aguilera became hysterical over the loss of her lover and Julio tried to comfort her, Olteca simply stood back and observed the scene.

With Giff seemingly destroyed, Hiromi told Olteca and Chameleon to surrender, but both stayed adament in their beliefs. When Vice stated that their "boss" Aguilera was bawling, Olteca mocked her and revealed that she wasn't their "boss" but a puppet they had used to rally people. This caused Julio to become enraged and attack Olteca, but Chameleon assumed his Deadman form and pushed Julio out of the way. Olteca then became the Daiouika Deadman and impaled Julio, forcing him out of his Wolf Deadman form, before exiting the scene with Chameleon. Olteca and the Chameleon Deadman later met on a rooftop to discuss their next move. Olteca commented that Chameleon had taken a liking to Wakabayashi's face, to which Chameleon replied that he preferred to his own, which he saw as ugly, and that that was his reason for joining the Deadmans. Chameleon then asked Olteca why he had joined the Deadmans, to which Olteca cryptically replied that he had done so because he wanted to "rule the world". Chameleon then stated that they might be able to do that with just the two of them, to which Olteca agreed. He then sent the Chameleon Deadman to steal the Revice Driver, but Chameleon was defeated by Kamen Riders Revi and Vice and absorbed into Giff right after.

In civilian clothes, Olteca met with Deadmans cultist Kanae Motomura in a cafe and enlisted her eager assistance in gathering the scattered Deadmans members. Once the Deadmans followers gathered in a secret hideout, Olteca asked the crowd of worshippers how they felt returning to their normal lives, to which they all expressed they were much happier within the Deadmans. Olteca then held up the Giff Stamp and used it to rally them. He led them in an attack on the city and called forth one of the worshippers, a middle-aged woman, to the front. Olteca then used the Giff Stamp on her, causing her inner demon to manifest and fully consume her, transforming her into a Gifftarian Deadman. Daiji and Sakura then showed up and assumed their Rider forms to battle the Deadmans, causing Olteca to assume his Deadman form in turn to battle them. It was then that Julio intervened and attacked Olteca, seeking revenge on him for "betraying" Aguilera, but the Daiouika Deadman swatted him away. Not long after, Ikki and Vice arrived, having received a new powerup, and used it to assume Revice Volcano Rex to battle Olteca and the Gifftarian he had summoned. Revi and Vice destroyed the Gifftarian demon, but found that doing so had caused its host to be killed instead of freed. Olteca then revealed that once a human became a Gifftarian they were fully consumed by it and mocked Revi for being unable to save someone, causing Ikki to angrily charge at him.

Olteca drew his Vistamp to transform, but before he did Ikki overheated and collapsed, causing Olteca to decide to exit the scene instead. He later came upon Julio as he was reconciling with his former friend Yosuke. As the two former friends made up, Olteca crept up on Yosuke and shot Julio a gleeful smirk before using the Giff Stamp on him to turn him into a Gifftarian. This in turn caused Julio to fall into despair and be fully subsumed by his inner demon, becoming the Wolf Deadman Riot Form. The new Riot Form Deadman furiously attacked Olteca, who transformed into the Deadman and quickly retreated to the sidelines, leading the Riot Wolf Deadman to aimlessly rampage. After Julio was purified by Revi Volcano Rex, the Daiouika Deadman made another attempt to attack him, but Aguilera suddenly appeared as the Queen Bee

Deadman and created a shield around Julio, prompting Olteca to retreat.

At some point after Chigusa Yamagiri infiltrated the Deadmans, Olteca revealed to her Fenix's true goals and persuaded her to defect to their side sincerely. Olteca had Chigusa feed Fenix faulty information to draw them into a Giff Junior ambush and used her to lure Hiromi out so he could steal the Demons Driver. When Chigusa pointed a pistol in each hand at Hiromi and Tabuchi, revealing herself as a "double spy", Olteca stepped in and transformed into the Daiouika Deadman to steal the Demons Driver from Hiromi. Hiromi did his best to resist Olteca, but the Phase 3 Deadman was able to overpower him while Chigusa took Tabuchi hostage. Olteca attempted to use the Giff Stamp to turn Tabuchi into a Gifftarian, but Ikki suddenly appeared and knocked the Giff Stamp out of the Daiouika Deadman's hand, having figured out that Chigusa was a traitor. Ikki then transformed into Kamen Rider Revi Volcano Rex to battle Olteca, who called forth another Gifftarian to take on Vice while he fought Revi.

While the Gifftarian was dealt with, Olteca was beaten back by Revi and decided to exit the scene. In an isolated area, Olteca met with Chigusa, who inquired about what the Deadmans' goals were. Olteca proclaimed that the Deadmans goals was to use the statue of Giff to evolve humanity and revealed how he came to join the Deadmans. After Hiromi called Chigusa and asked to meet with her, Olteca accompanied Chigusa to confronted Hiromi. Hiromi told Chigusa that he was aware that Fenix had given him a driver with a demon that trained his life force, but Chigusa stated he was still unaware of what Fenix's true goals were. Before she could say anything else, Olteca used the Giff Stamp on her to transform her into a Gifftarian and sent her to attack Hiromi, who transformed into Kamen Rider Demons to do battle. As the two fought, Olteca stamped the ground with a Giff Junior stamp to summon a wave of Giff Juniors to flank the Gifftarian in its attack and used his Daiouika Vistamp to become the Daiouika Deadman. At the same time, the three Igarashi siblings showed up to assist Hiromi and assumed their Kamen Rider forms to battle Olteca and his minions. While Olteca sat back and observed the fight, Aguilera appeared as the Queen Bee Deadman to battle Olteca and attacked him to get the

Giff Stamp from him, soon being joined by Revi and Vice. Together, the two Riders and the Phase 3 Deadman were able to beat back Olteca and knock the Giff Stamp from his hands, which Aguilera picked up before exiting the scene with Julio. Demons then came up behind the Daiouika Deadman and held him in place so Revi and Vice could defeat him. Revi and Vice performed their finisher to defeat Olteca, voiding his contract with his demon and knocking Hiromi out of his transformation in the process. Olteca would then be arrested by Fenix soldiers, only for him to flash a sly smirk as he was led away.

Olteca was brought onto Skybase and imprisoned in a room guarded by two soldiers. Hideo Akaishi later stepped into the room to speak to him personally and dismissed the guards. Olteca remarked that it had been a while since they spoke and handed him the Giff Stamp as part of their deal. Hiromi then stepped in and revealed he had been spying on them, only for the Skybase to suddenly veer off course. Olteca then summoned Giff Juniors to attack Hiromi and made his escape. He was confronted by Daiji and revealed to him that he had stolen the Demons Driver before equipping it. The Demons Driver acknowledged Olteca as a fellow demon as Olteca used it to transform into Kamen Rider Demons, prompting Daiji to transform into Kamen Rider Live to fight him. The two attacked each other and fell off of Skybase, resuming their fight as they hit the ground. Olteca defeated Daiji and knocked him out of his transformation, at which point Ikki and Sakura showed up. Vice detected that the new Demons was Olteca and not Hiromi, and Ikki and Sakura transformed to do battle against it. Olteca then revealed that he was capable of bringing out the true power of the Demons Driver before equipping the Mogura Genomix and using it to defeat Revi, Vice and Jeanne all at once. Satisfied, Olteca opted to leave the scene for the time being.

Olteca later returned to his hideout with the Demons Driver. The Demons Driver would then ask him what it was he desired, to which he stated he would rule the world. Not long after, Aguilera went there to meet with him and propose they team up. Olteca then questioned why she would want to ally with him after he betrayed her, but Aguilera stated that the two of them shared the same goal, that being to usher in Giff's return.

Kanae Motomura notified Olteca that Ikki and Vice had traded places as a result of using the Rolling Vistamp. Olteca then turned to Aguilera and told her that with the two of them out of the way, they had a perfect opportunity to eliminate both Live and Jeanne. The two of them attacked a city to lure out the sibling Riders before sitting in some lawn chairs to wait for them to arrive. After Daiji and Sakura showed up, Olteca and Aguilera got up and transformed into Kamen Rider Demons and the Queen Bee Deadman respectively, while the two siblings assumed their Kamen Rider forms to do battle. With the power of Demons, Olteca was able to beat down Daiji and force him out of his transformation while Aguilera fought Sakura. When Olteca attempted to finish Daiji off, Jeanne attacked him to save Daiji, but Olteca and Aguilera were able to defeat her as well and knock her out of her transformation. Olteca then asked if Aguilera wanted to finish Sakura off, but Aguilera refused and said she didn't take orders from anyone before teleporting away. Olteca opted to kill Sakura himself, but Kagero reawoke from within Daiji and became Kamen Rider Evil to protect Sakura. Demons and Evil fought and exchanged finishing blows, resulting Kagero being knocked out of his transformation and Demons being beaten back to the point where he decided to exit the scene instead of continuing the fight.

Back at his hideout, Olteca examined the Demons Driver and noted that it not shown the full extent of its power. He then asked Aguilera to fetch Karizaki for him, but Aguilera refused and said she didn't take orders from him, believing they were equals. Olteca then scoffed at her and pointed out that she was the one who came to him. He then turned to his subordinate Kanae Motomura and asked her to give him her life. Kanae happily offered her body to Olteca, who used the Giff Stamp to create a Gifftarian from her. With the Gifftarian, Olteca went to kidnap George Karizaki so he could force him to unlock the secrets of the Driver for him. While having the Gifftarian fight Jack Revice and Jeanne, Olteca accosted Karizaki and used a Vistamp to teleport the both of them two his hideout, where he chained up Karizaki's hands to interrogate him. When Olteca revealed he knew of the secret of the Demons Driver's power, Karizaki was surprised to hear he was aware of it and asked where he had heard it from, to which Olteca responded he had learned of it from someone Karizaki knew. Karizaki then expressed that his scientific curiousity had been piqued and agreed to help Olteca unlock its secrets. Olteca unchained Karizaki so he could contact Sakura and lure the Riders to his hideout for him to fight. Once the Riders arrived, Olteca transformed into Demons to fight Sakura as Jeanne while Vice sorted out his distrust of Karizaki. After Vice used the Rolling Vistamp to swap places with Ikki, Ikki joined the fight as Jack Revice. During the fight, Olteca attempted to use three Remixes but was blocked by the Driver. After being struck by Sakura's Rider Kick, Jack Revice performed his finisher on Olteca and defeated him. His transformation canceled, Olteca exited the scene with the Demons Driver. Olteca angrily demanded to know why the Demons Driver hadn't let him use three Remixes, believing Karizaki had tricked him. However, the demon within the Demons Driver then spoke to him and revealed it was the one who had blocked him, before leaving the Driver to "return home".

Hideo Akaishi then approached Olteca to inform him that Giff's revival was almost upon them and told him not to succumb. Olteca responded that that went without saying, prompting Akaishi to comment that anxiety and hesitation must be behind him before turning around and laughing as he walked away. Olteca later began using the Giff Stamp to turn more people into Gifftarians, only for Aguilera to rush in and plead with him to stop. Olteca agreed not to create any more on the condition Aguilera serve him, to which she reluctantly agreed. Remarking that they had a deal, Olteca told Aguilera to bring him Karizaki before walking away. Later, Olteca, Aguilera and two Gifftarians went to go capture Karizaki, but the Igarashi siblings got in the way. Olteca stood back as Aguilera became the Queen Bee Deadman and joined the two Gifftarians in battling the Igarashi siblings, who assumed their Kamen Rider forms. While Sakura fought Aguilera, the two Gifftarians were destroyed by Revice and Live. Giff then absorbed the energies of the two Gifftarians and grew closer to reawakening, causing the demons of the Igarashi siblings to all react in unusual ways and give the Queen Bee Deadman a chance to finish them all off. After the Igarashi siblings were knocked out of their transformations, Olteca demanded Karizaki return the demon that was in the Demons Driver to him, but Karizaki stated he didn't know what Olteca was talking about. It was then that Genta Igarashi suddenly showed up with a new Driver and used it to transform into Kamen Rider Vail. The new

Kamen Rider easily swatted the Queen Bee Deadman aside and knocked Aguilera out of her transformation, awing Olteca and prompting him to send more Gifftarians after him. Aguilera then confronted Olteca about breaking their deal and creating more Gifftarians, but Olteca nonchalantly responded that deals are meant to be broken. After Vail destroyed both the Gifftarians, Olteca departed from the scene, followed reluctantly by Aguilera.

After being rejected by Genta, Vail went back to inhabiting the Demons Driver, leading Olteca to sarcastically welcomed him back. Olteca stated he had expected him to return, to which Vail responded he thought lending him his power again would be fun. With the Demons Driver in hand, Olteca went to confront Ikki as he was watching Daiji's battle with Kagero. Ikki told Olteca not to interfere, but Olteca revealed he had come for him instead before using the Demons Driver to transform into Kamen Rider Demons once again. Ikki and Vice then became Kamen Rider Jack Revice to battle Olteca, but, now wielding more of Vail's power, Olteca was able to overpower Jack Revice and defeat Ikki. Before he could kill the untransformed Ikki however, Daiji defeated Kagero and became Kamen Rider Holy Live, using his newfound powers to blow back Demons.

Holy Live was able to overpower Demons, countering everything Olteca threw at it and defeating Olteca and knocking the Demons Driver off of him. Frustrated, Olteca exited the scene and left the Demons Driver behind. Returning to his hideout, Olteca was met by Hideo Akaishi again. Akaishi congratulated Olteca on bringing Giff closer to revival and called him a genius, causing Olteca to remember his own childhood and how his genius led to him being ostracized. He then declared that if the world couldn't understand him, he would simply remake it. Later, as Giff's awakening drew near, Olteca took a group of civilians hostage to sacrifice to further Giff's revival. Declaring he would cull the undeserving, Olteca used one as a host to create a Gifftarian. As Daiji and Sakura showed up and transformed into their Kamen Rider forms, Olteca created a second Gifftarian and sent both out to attack them. As the two fought the Gifftarians, Olteca mocked them and proclaimed that destroying the Gifftarians wouldn't save the victims and would only help Giff. After the two siblings destroyed the Gifftarians, Daiji attempted to attack Olteca but Giff blocked him. Olteca declared to Daiji that they both were the same as both sacrificed others for their own gain, but Daiji responded that Kagero had given his power to him willingly. Olteca however simply stated that true happiness could only be attained by sacrificing others. Daiji then told Sakura to hold off Giff while he dealt with Olteca, but before he could get to Olteca Jack Revice (who was under Giff's control) appeared and attacked him and Jeanne.

After Aguilera was swatted away and rejected by Giff, Olteca came upon her and mocked her for having become a tainted soul by transforming into a Deadman. He then walked up to the casket of Giff and stamped himself with the Anomalocaris Vistamp before stamping Giff with the Giff Stamp, causing the demon to fuse with him and transform him into the Anomalocaris Deadman. Having achieved a Phase 4 Deadman form, Olteca laid waste to the three Riders while Ikki lay unresponsive. However, Ikki was able to resist Giff's influence and use the Thunder Gale Vistamp that George had developed to become Kamen Rider Revice Thunder Gale. Olteca then battled Revice Thunder Gale but was defeated by it, prompting Giff to exit his body and revert him to normal. Giff stretched a tentacle out towards Olteca and grabbed him to absorb him. In his final moments, Olteca questioned whether the world was his before becoming the final sacrifice to complete Giff's revival.

## Advent of Giff

When Vice was pulled into Giff's dimension, he noticed Orteca was one of the people trapped in bubbles, among others who'd been absorbed by Giff. After Revi and Live sealed Giff inside of his dimension, Orteca's bubble was among the bubbles carrying people that floated out while the portal to Giff's world stayed open.

Weekend noticed his bubble exiting Giff's dimension and went to go capture Orteca after it landed. Soon after getting up, Orteca was confronted by his two former fellow Deadmans executives, Go Tamaki and Hana Natsuki, who had now become members of Weekend. A furious Tamaki attempted to attack Orteca, but was stopped by Hana. Orteca then mocked Hana for trying to play the hero now and thinking she could be forgiven, but Hana responded that once the battle with Giff was all over she'd be joining Orteca in jail. Hiromi and Daiji then showed up and handcuffed Orteca before taking him into custody. Orteca was later sentenced to 666 years in jail.

Post-Giff's Defeat

Olteca was visited in prison by George Karizaki and mockingly offered to help him.

They fired a blast of energy and it hit Olteca and smashed him all over the place.

Me: **Time to finish this.**

Revice Kamakiri hops a short distance into into the air before delivering two simultaneous blue energy slashes to Olteca using both arm blades upon landing. Revice peforms two more double slashes, followed by an upward slash that launches Olteca into the air. Revice jumps into the air to meet Olteca and delivers a downward double slash, producing energy of the same color that radiates outward, then finally performs a X-shaped slash that results in an explosion with the Kamakiri Vistamp's seal.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and back to normal and I caught the Kraken Vistamp and purified it and then I went over to Olteca and put the Judgement Kanji on him.

Me: **UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!**

He was judged by all those he hurt and found guilty and was fading away.

Olteca: NO! YOU CAN'T DO THIS TO ME!

Me: **Too late for that Olteca. Say hi to Swartz and everyone we killed for me.**

Olteca: I HATE ALL OF YOU! (FADES)

He was gone forever!

Ikki and Vice unmerged.

Vice: That's just one of our fusion forms.

Me: Can't wait to see more of them soon.

Nico: Yeah that was awesome!

Me: Yep.

Kita Birmingham: And I didn't even have to go gene-slammer for this one.

Nazz: Kita, it was the first mission. Going Gene Slammer is usually never needed.

Kita Birmingham: I know. But it was still fun.

Kita Yuan: It sure was.

Me: So Kita what is your story?

Kita Yuan: You will be amazed about this one.

She revealed her story and it was incredible!

Born in China over 2,000 years ago and blessed with incredible elemental powers and immortality, she was chosen to be the protector of the lands and she is also one of the biological daughters of Emperor Han the Dragon Emperor and for eons she made it her mission to destroy the very monster that gave her life! She vowed to make Emperor Han pay for everything he did and it will be an eternal battle of fire as she battles the very monster that destroyed countless lives eons ago in China. She is also one of Qin's best friends and has been like a guardian angel for her and has protected her from all kinds of threats from the shadows even after joining the team.

When she was done we were shocked!

Me: WHOA!

Nico: That is incredible!

Eli: I'll say!

Ikki: Wow!

Ikki: (to Kita Birmingham) What about you, Kita? What's your background story?

Kita Birmingham: Oh right.

She went over her story. Kita is the 9th girl of the Underground Girls and she is the protector of the ocean. She is from London and she has a big love for all creatures for the ocean. She is a marine biologist and knows everything about fish. She came from a rich family. But her family made a huge number of enemies and even mafia men. But thankfully INTERPOL and Team Loud Phoenix Storm brought them to justice.

Ikki: Wow!

Sakura Igarashi: That is intense.

Me: It sure is.

Kita Birmingham: And of course, I was Gene Slammed.

Nico: She can turn into a creature called a Flekmornikan Merfolk.

I showed what it looked like and it was amazing.

Ikki: That is cool!

Hana Natsuki: Wow it sure is!

Me: Yep.

---

Later we came back.

May: Hey guys. How did it go?

Me: REALLY EPIC!

We told everyone everything and it was amazing and cool.

Lola: WOW! That is awesome!

Laney: Boy I'll say!

May: Next time, Fairy Leviathan and Noah should go with you.

Kita Birmingham: Good idea!

Me: Yeah!

Nico: And we got rid of the leader of the Deadman Cult.

Xenia: Thank goodness.

---

Later in the greenhouse, Laney was seeing how far her powers have come.

Laney: Lets see here.

She touched some soil in a flower pot and then a small plant grew and then it grew a whole loaf of bread from the tree!

Laney: Cool! Whole loaf of bread grown.

Alister and us came in.

Alister: What are you doing, Laney?

Laney: Oh I'm trying to see how far my powers have come. I grew a whole loaf of bread from a tree in a flower pot.

Nico: That is cool!

Me: Boy I'll say! And bread is made from wheat.

Lola: Yep.

Laney: That's not all. Look.

We saw NUMEROUS plants and they had fish chops, minga melons and more.

Niddler: Minga Melons! Oh boy!

He grabbed some andate them.

Niddler: Mmm! They taste just like the ones back home!

Nico: That is cool Laney! Your powers have evolved.

Jasmine: Look at all these.

Aladdin: Boy this is amazing. Laney you did all this?

Laney: I sure did. My powers have evolved tremendously. I even grew caviar trees.

Iago: Boy this is amazing Laney! Caviar on trees is amazing.

Lola: It sure is! And Pizza trees and Banana Parfait trees are awesome.

Abu loved the trees.

Varie: I think this is amazing.

Me: I'll say. Good work Laney.

Laney: Thanksk guys.

Crysta: It's really amazing.

Lugnut: You should be proud of yourself, Laney.

Laney: I am. But I'm not going to let it go to my head.

Elita One: Good for you Laney.

Camie: But this is awesome though.

Lana: I'll say. Nice job sis.

Laney: Thanks guys.

Lugnut: You should be proud of yourself, Laney.

Laney: I am. But I'm not going to let it go to my head.

Elita One: Good for you Laney.

Camie: But this is awesome though.

Lana: I'll say. Nice job sis.

Laney: Thanks guys.

Elita One: Too bad there are no plants on Cybertron.

Me: If you count Technorganic plants those would qualify as plants.

Elita One: That's true.

Xenia: Yeah but that was awesome.

Me: So Kita how did you like meeting the Revice team?

Kita Birmingham: It was really fun! I thought it was so cool battling one of their enemies.

Nico: It sure was awesome and we sent the Deadman Cult leader to the Black Gates for good.

Lana: Good riddance.

Lincoln: Yeah Olteca had it coming for his crimes.

Me: Yeah he sure did.

Camie: Yeah but it was awesome helping them out too.

Touma: It sure was. And we got to meet the embodiment of Saber too.

Kita Yuan: And it's awesome that I'm with the team now. Qin and I have a lot of catching up to do.

Qin: We sure do don't we sister.

Kita Yuan: Yeah we sure do.

Me: Boy that is a powerful bond there.

Lola: Yep.

Illia: Nico, which teams have you made this time?

Nico: Kevin Reynold's team will include Blossom, Fire Kraken, Jade Fire Kraken, Jade Flashwing, and Smolderdash. Arkayna's team will include X-Squad Lila Rossi, Chill, Golden Queen, Dreamcatcher, and Chef Pepperjack.

Chef Pepperjack: Ooowee! This is gonna be so fun.

Golden Queen: It will be supremely awesome being on a team.

Dreamcatcher: It sure will.

Chill: (Russian Accent) I'm looking forward to this comrades.

Fire Kraken: And a team like that for me is perfect because of the Chinese New Year coming.

Me: That's right the Moon Festival is next year next month.

Jade Flashwing: Yeah but I'm truly honored to be on a team too.

Nico: Yep.

Me: Now you guys are going to love the next mission.

Nico: What is it?

Me: We're going to a planet that I saw in a dream at one time. It's called Planet Lilly.

Rachel Lilly: Whoa you saw my home planet in a dream?

Me: I sure did Rachel and it was amazing.

Rachel Lilly: I'm going home. I bet all my people were sad when I died in that fire.

Nico: I can tell they were sad like that Rach.

Lola: Yeah.

Me: Also I got word that Kirby is there. We're going to have an adventure with him.

Lola: Boy I can't remember the last time we had an adventure with Kirby.

Then the previous group of M.O.E. Members came.

Black Adam: Can me, Demyx, Killer Croc, Kite Man, Kangor, U-Foes, Golden Glider, Evil Green Ranger, Hank Scorpio, and Larxene go with you guys?

Madame Woe: Me, Bell Org, Ghost of Dr. Coffin, Yost Vulture, Evil Star Man, Bunnie and Clyde, Pink Ranger Slayer, Mandragora, Evil Heat Man, and Megavolt.

Vapor: Nice plants by the way.

Laney: Thanks guys.

Nico: And yes you guys can come with. We're going to a planet that J.D. saw in a dream and it's also Rachel Lilly's home planet.

Rachel Lilly: Yeah it's my planet.

Vapor: Wow!

Qin: Yeah this will be fun.

Zillius Zox: Nico, which Gene Slammer do you think you'll meet next?

X Ray: Maybe two should start appearing a day at least starting from the day of the Ghostbusters mission.

Nico: Good idea. Lets do one for Onix and Hypno next.

Me: Ooh this will be cool.

Qin: Yeah.

Brock: Onix is one that's perfect for me.

Qin: Yep you are a Rock Pokemon master.

Me: Yep. And Hypno is one that I know because I used my hypnotic glare on one.

Xenia: Wow.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Arthas Menethil, The Lich King, and he's come back from the dead for one thing: revenge on us for destroying him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're so not liking this one bit: the dark energy signal we just sensed belongs to our old enemy, Arthas Menethil, The Lich King, and he's come back from the dead for one thing: revenge on us for destroying him.

We gasped.

Me: That son of a bitch just doesn't even know when to fucking quit, does he?

Nico: He sure doesn't, well, this time, he's going straight to The Black Gates, and this time, he's never ever coming back.

Emily Lane: Leave him to me and Linky, we'll see to it that The Lich King is destroyed for good.

Lincoln: Plus, I'll purify his weapon, Frostmourne, and my greatsword will absorb it and its powers will be made mine.

Nico: Nice, Mizore already had purified Frostmourne when we went after him for the first time years ago, and now, it's your turn, Lincoln. Alright, gang, let's go, we've got a brand-new planet that's been discovered.

Lincoln: Whoa, a brand-new planet, this should be something to see.

King Kai: (Telepathically) Lincoln, can you hear me?

Lincoln: Yeah, I hear you, King Kai, what's wrong?

King Kai: (Telepathically) I got bad news: Queen Sectonia's come back from the dead, and that queen bee wants revenge on you and Jessica Shannon for killing her last year, and she's on the new planet that's been discovered.

We gasped.

Jessica Shannon: Can't that queen bee take the hint?! Oh, I'm so going to get a gigantic flyswatter and hit her hard!

Lincoln: Save seconds for me too, Shannon.

Nico: Same with us, I've had just about enough of that Queen Bee monster.

Lincoln: Looks like not only are going to explore this new planet, but we also got another old enemy back to get revenge. But once we get done with Queen Sectonia, you're next, Arthas Menethil, and this time, we're going to see to it that you are dead and gone forever!

TLPS Mr. Wolf: You're going straight to Hell and this time for good!

Nico: Actually, Mr. Wolf, Hell's too good for him, there's only one punishment for him: The Black Gates.

Lola: He's right, Arthas Menethil is a danger to everyone both living and dead, and he needs to be destroyed and erased from existence for good.

Killer Croc: Let's get going.

Ghost of Dr. Coffin: Right behind you.

Ironclad: I can't wait to crack some skulls!

Nico: Lets roll!

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7182.6: The U.S.S. Valorous Phoenix is en route to the planet Lilly, Rachel Lilly's home planet and a planet that J.D. saw in one of his dreams. Our mission is to see what this planet is like, reunite Rachel Lilly with her people and bring down the evil terror of Queen Sectonia, one of Kirby's most dangerous enemies.

Eli: Boy this is gonna be a big battle.

Camie: Yep. What can you tell me about her?

Nicole: You would not like this monster Camie. She is a malevolent tyrant.

She told us all about her.

Queen Sectonia (in Japanese: クィン・セクトニア, Ku~in Sekutonia) is the tyrannical leader of the Sectra Clan and the main antagonist of Kirby: Triple Deluxe, the secondary antagonist of Dededetour (behind Dark Meta Knight), as well as a posthumous antagonist in Kirby: Planet Robobot. Sectonia was once a kind and loving friend to Taranza in her youth, but she was corrupted by the power and darkness of the Dimensional Mirror and became so powerful and obsessed with beauty that she turned into an abusive and oppressive ruler over Floralia and brainwashed her former friend into becoming nothing more than her servant.

She is voiced by Makiko Õmoto.

Queen Sectonia was once a just and kind ruler of Floralia and a close friend of her right-hand man Taranza. Taranza, in his attempt to find something which she would like, eventually came across the Dimensional Mirror, which he then presented to her. Due to excessive gazing into the Dimensional Mirror, she slowly became corrupted by its influence, developing obsessions with beauty and power. She eventually used her newfound dark magic (presumably obtained through the Dimensional Mirror) to transform herself into a giant wasp, seeing her new form as true beauty. The more evil she became with the mirror, the worse she became towards Taranza and her citizens. She eventually tried to rule over Floralia's inhabitants as their goddess and began imprisoning them to serve her. As a last resort to save their world, the People of the Sky sent the Dreamstalk seed down to Dream Land in the hopes that it would reach its hero to rescue them. Sectonia became aware of this plan and sent Taranza to intervene, however, he mistakenly captured Dream Land's self-proclaimed king, Dedede, while Kirby, its true hero, pursued the two throughout Floralia.

Sectonia is not present for most of the story, and is shown in the end of the game, though her prevalence is evident by various tapestries and statues in her image found throughout the Royal Road levels.

Kirby finally catches up to Taranza, and finally confronts him, only for the mage to sic a mind-controlled Dedede on him. Kirby's victory over Dedede causes Taranza to realize the champion of Dream Land is actually Kirby, and, out of fear, he beckons for Sectonia to come and save him. The moment she appears, Sectonia blasts Taranza with one of her scepters, which sends him across the horizon. She then confronts Kirby until he triumphs over her and rejoices with Dedede, who's free will has returned. Not finished yet, Sectonia summons her last bit of strength, merges her body with the Dreamstalk. She then declares she will rule Floralia, Dream Land, and all of Popstar to Kirby and the horrified Dedede, adding that all the lands' inhabitants will be her sustenance. She then summons a wall of vines to prevent the two from approaching her. Fortunately, six People of the Sky come to the rescue with a cannon, which Dedede mans and fires Kirby towards the direction of Sectonia.

Kirby lands on a group of platforms, prepares to battle Sectonia in her new form and defeats her for a second time. He celebrates prematurely as Sectonia takes him by surprise and constricts him with her vine. At that moment, a reformed Taranza flies in with Dedede, who rescues Kirby by smashing Sectonia's vine with his hammer, releasing him from her grasp (while also knocking Kirby unconscious in the process). Taranza, with a Miracle Fruit, beckons Dedede, who tosses the unconscious Kirby towards him and the fruit, causing him to transform into his Hypernova state. Kirby fights Sectonia for a final battle, and she utilizes several attacks including a barrage of small and large seed missiles. When none of these attacks manage to faze Kirby, Sectonia, with her health dwindling, tries a desperate last-ditch attempt to destroy her pink opponent by firing a large energy beam. Kirby retaliates by sucking up the energy beam, the platforms in front of him, several of Sectonia's petals and (breaking the fourth wall) her energy bar. With a brief and intense stare, Kirby fires the energy beam back at Sectonia, vaporizing her. With Sectonia's undoing, the People of the Sky and Floralia are free from her reign of tyranny and the Dreamstalk is cleansed of her influence and the vines covering Popstar are disintegrated.

Queen Sectonia appears in the form "Soul of Sectonia" as the final boss of the True Arena.

Four Miracle Fruits floating in the air were quickly eaten by Sectonia's flower pods, resurrecting her. Newly revived, she attacks Kirby with some new and improved attacks. Though she put up a formidable fight, Kirby still wound soundly defeating her. This last defeat had pushed Sectonia, drained of her remaining sanity, over the edge, and she ripped herself from the rest of her flower body and proceeded to engage the pink fluff in yet another final battle. She gained some new attacks including thorn vines which lock onto Kirby to strike his position, along with some borrowed abilities, such as Drawcia's paint rain attack and Marx's cutter attack. Kirby finally puts an end to the tyrannical queen in a brilliant explosion of indigo petals.

These events may be non-canon to the main story; some believe they are canon and that Sectonia had barely clung to life after her fight in the game, and thus, her true demise is in the True Arena.

When she was done we were shocked!

Nico: Boy she is really full of herself.

Xenia: Yeah no kidding. But no way are we going to let her get away with all this.

X-Ray: That is for damn sure!

Tso Lan: I'll miss having Vice with us.

Me: It's not forever.

Qin: Yeah. But that was so awesome.

Me: It sure was.

Poromon: Yeah no kidding.

Me: Yep.

Nico: Yeah.

Me: Oh Poromon, just a forewarning that there are a group of insane fruit cake nutcase conspiracy theorists out there that are trying to prove that aliens exist and they may try to kidnap you to prove that you are aliens.

Manaphy: Oh boy. Thanks J.D.

May: I'll rip those dirtbags apart if they touch Manaphy!

Kangor: (Jamaican Accent) How long has it been since we did a Kirby adventure, mon?

Evil Star Man: I've lost count.

Me: Boy me too. We all lost count.

Camie: It has been a while.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at the planet and it was a Powerpuff Girl color planet with aurora borealis blanketing the planet all over.

Leslie Gesneria: We're here.

Rachel Lilly: Home. It's so beautiful.

Me: Wow!

Nico: It's amazing

Eli: Wow!

Xenia: It's amazing to see from up here too.

Varie: Wow I'll say.

Nico: Lets get to landing. At least it's not a food planet this time.

Eli: Yep.

We got to landing and we landed and we got out and we saw that it was a beautiful flower planet and flowers covered everything and the lakes, rivers and more were beautiful.

Rachel Lilly: I'm home.

Laney: It's beautiful.

Golden Glider: Rachel, your home planet is beautiful.

Pink Ranger Slayer: Home sweet home, huh?

Rachel Lilly: I've missed so much about this place.

Qin: Wow! It's so amazing.

Me: It's just like everything I dreamt about.

Eli: What is this planet home to?

Me: Believe it or not, Lillymon.

We saw a Lillymon coming.

Rachel Lilly: Wow.

Lillymon: Wow. (GASP) Rachel? Is that you?

Rachel Lilly: LILLYMON!

They went and hugged and flew in the air.

Lillymon: I've missed you so much Rachel! We all were crying when we heard you died.

Rachel Lilly: I'm back now thanks to J.D. and Nico here.

Nico: It's awesome to see you again Lillymon.

Lillymon: Wow Nico it's awesome to see you too. And Team Loud Phoenix Storm it's an honor to meet you all. How did you find this planet?

Me: I told them about it in a dream I had.

Fisticuffs: Do you remember Poromon?

Lillymon: No this is the first time we saw one.

Poromon: It's all right. But I didn't know that there was a planet of Digimon.

Lillymon: There are lots of planets of Digimon.

Me: It's true.

Qin: Wow! But this is amazing that your home planet is this beautiful Rachel.

Rachel Lilly: It sure is.

Me: And the Aurora Borealis that blankets the planet is amazingly beautiful.

Zhuqiaomon: Boy it sure is awesome.

Laney: I'll say.

Hank Scorpio: Have you seen Kirby?

Evil Heat Man: If you do, don't confuse him for Poromon.

Kirby: I'm right here.

We saw Kirby by Lillymon's feet.

Me: There you are.

Kirby: Thank goodness you guys are here. Sectonia is back.

Me: We got the word from King Kai.

Rachel Lilly: But it's amazing that you are here on my home planet.

Laney: It sure is.

Kirby: Yep. The Dreamstalk is right there.

We saw the Dreamstalk and it was A MASSIVE AND HUGE FLOWER BEANSTALK PLANT! THAT WENT ALL THE WAY UP

INTO THE SKY! IT WAS MASSIVELY HUGE! We were in awe and amazement!

Me: WOW! That's the Dreamstalk!? It's MASSIVE!

Nico: It's magnificent! Look how high up it goes!

Nicole: Wow! It's just as amazing as seeing it in the video games!

Nico: Yeah I'll say!

Rafael: (pats Kirby's head) Hope you weren't waiting too long, Kirby.

Kirby: Nope you arrived just in time. I did a lot while waiting for you guys. I was freeing the People of The Sky.

Me: What can you tell us about this Dreamstalk and the People of the Sky?

Kirby: I'll tell you all I know.

He did so.

---

The Dreamstalk

The Dreamstalk is a magical plant that serves a pivotal role in the storyline of Kirby: Triple Deluxe. It resembles a fairy-tale beanstalk, and extends high into the skies of Popstar to connect the various floating islands that make up Floralia.

The Dreamstalk is initially sent down as a seed by the People of the Sky in order to bring them a hero to save their kingdom. It germinates in Dream Land, lifting up both Kirby's House and Castle Dedede. After Taranza heads down the stalk to capture Dedede, Kirby makes chase into Floralia using the Dreamstalk as a walkway.

After clearing an island, Kirby obtains a Grand Sun Stone from each Boss, which allows him to grow the Dreamstalk further, and travel to the next land. Eventually, it reaches the top of the kingdom, the Royal Road, where Kirby confronts Taranza, then Queen Sectonia.

After Kirby proves to be too much for Sectonia to handle, she uses her power to merge with the Dreamstalk and cover the land in its roots and vines, threatening not only Floralia, but Popstar below as well. Kirby then has to fight her again, this time with the help of both Taranza and Dedede. Kirby uses the Hypernova ability to destroy Flowered Sectonia, removing her influence on the Dreamstalk, and allowing it to bloom. From then on, the Dreamstalk remains a permanent fixture of Dream Land.

## Floralia

Floralia is a kingdom featured in Kirby: Triple Deluxe, and apparently a part of Popstar. It consists of six floating islands, each higher up in the sky than the last, with the highest being the seat of power in the kingdom. It is the home of the People of the Sky, as well as the arthropod wizards Taranza and Queen Sectonia. During the events of Triple Deluxe, it became connected to Dream Land via the Dreamstalk, a giant beanstalk-like plant that serves as Kirby's means of travelling to and through the kingdom.

Floralia consists of six distinct islands, each with their own climate, relics, and inhabitants. True to its name, most every island has excessive vegetation, with numerous flowering plants. Before the Dreamstalk grew, the islands were entirely separate from each-other, though this was not an issue for the People of the Sky, who could all fly freely between them.

Floralia is also home to a large array of insectoid creatures, who served under Queen Sectonia during the events of Triple Deluxe. They primarily occupied the last island, Royal Road. Apart from them, most of the islands' denizens are the same as the ones below in Dream Land and Pop Star at large, including a healthy population of Waddle Dees as always.

Just prior to the events of Triple Deluxe, Queen Sectonia gained enough power to take over the entire kingdom of Floralia and subsequently imprisoned all of the People of the Sky. In a last-ditch effort to save themselves, they devised the Dreamstalk seed and tossed it down to Dream Land to bring up a hero to save them.

When the Dreamstalk took root in Dream Land's soil, it brought up not one, but two objects from the countryside; Kirby's house and Castle Dedede. In a pre-emptive attempt to stop the hero and under orders from the queen, Taranza flew down to the rising dwellings, targeting the more-important-looking castle and kidnapped King Dedede with his magic, leaving Kirby to give chase. From there, Kirby pursues them throughout all six of Floralia's islands, defeating Taranza's traps and freeing the People of the Sky in the process. Once Kirby finally catches up with the arachnid mage and his hostage, he battles a possessed Masked Dedede, then proceeds to fight Queen Sectonia directly, defeating her with the help of Dedede, the People of the Sky, and even Taranza, who had a change of heart after Sectonia dismissed him for his failure to subdue the real hero.

Once Queen Sectonia was defeated, the Dreamstalk, having momentarily been possessed by her, enters full bloom, remaining as a permanent fixture of Dream Land, and as a bridge between the two kingdoms.

## People of the Sky

The People of the Sky are the flower-like beings native to the Kingdom of Floralia. They debuted in Kirby: Triple Deluxe, and one appears as a sticker in Kirby: Planet Robobot.

The People of the Sky resemble fairies. They are distinguished by their leaf skirts and flower-like headdresses, which are styled after different types of flowers on each individual. All of them are capable of hovering about, much like Taranza, and can use magic power to unlock certain gates, or carry large objects. Also like Taranza, they possess disembodied hands, and no feet.

Prior to the events of Kirby: Triple Deluxe, the People of the Sky lived happily, but their kingdom is taken over by Queen Sectonia, who subsequently imprisons them in small honeycomb cages as she does so. As this is happening, the People of the Sky devise the Dreamstalk seed, and send it tumbling down to Dream Land as a last resort to save themselves. This calls up both Kirby and King Dedede, the former of who eventually saves them.

During Royal Road - Stage 5, Kirby (or King Dedede, in

Dededetour!) rescues a multitude of People of the Sky; specifically, one that opens a small gate, five that open a bigger gate, and a handful of "generic" ones who provide 3D Warp Stars. The appearances of the People of the Sky are as follows:

A pink one, whose headdress resembles a petunia, and is always the first one saved.

A purple one, whose headdress covers their eyes and resembles a tulip.

A blue one, whose headdress resembles a hibiscus.

A yellow one, whose headdress resembles a sunflower.

A red one, whose headdress covers one of their eyes and resembles an amaryllis.

A white one, whose headdress resembles a lily, and is always the last one saved.

The generic ones have yellow-pink headdresses that resemble simple buds.

The People of the Sky then aid Kirby and Dedede during the battle with Flowered Sectonia by bringing them a Cannon to use against her. After she is defeated, the People of the Sky catch Kirby when he is flung off of the Dreamstalk and carry him back to safety (while Taranza carries Dedede). They also carry his house and Castle Dedede back to their proper places in Dream Land.

---

When he was done we were amazed and incredibly in awe.

Me: Wow! That is incredible!

Lillymon: Wow! That is so cool!

Nico: Boy it sure is!

Larxene: The Dreamstalk is pretty big.

Megavolt: Like Godzilla big?

Me: More like Kami's Lookout Tower big. It goes all the way up into the sky.

Nico: Wow!

Camie: Boy that is incredibly high up.

Rachel Lilly: Boy it sure is.

Varie: But the view from up there must be absolutely amazing.

Nebula: I can't wait to stab Sectonia with my sword!

Me: We can all use Kirby's Copy Abilities to do that.

Nico: Uhh we don't have that kind of power.

Nicole: Actually you all do. As the Goddess of Video Gaming, I can bestow upon you any kind of power that any video game has. Watch.

Nicole used her powers and gave us all the power to use Kirby's copy abilities!

Qin: COOL!

She concentrated and used LEAF KIRBY'S POWERS!

Qin formed a LEAF SWIRL AND SLASHED a bunch of Leaf enemies!

Nico: COOL!

Mandragora: This just got a lot easier.

Evil Green Ranger: It sure did!

Me: Yeah!

Nico: Lets fly up the Dreamstalk!

We flew up.

Me: This is gonna be a long flight up.

Lana: But wow look how high up we're going.

Camie: It's like flying in an airplane.

Varie: But it's amazing that we're flying up this high.

Overbite: I bet I can beat you guys there!

Nico: Overbite this isn't a race. Lets just enjoy the flight up there. It's going to be a while.

Overbite: Okay.

Qin: Wow. Look at the view.

Laney: It's amazing. But look at the view of the planets Aurora.

We saw the beautiful pink, aqua blue and spring green curtains of the planets aurora shimmering all over the planet and the Lillymon were all flying all over the planet in them.

Me: Wow! It's just like how I saw in my dream.

Nico: It's magnificent!

Rachel Lilly: Just like what I did here.

Vector: Really?

Bunnie: Good for you then.

Rachel Lilly: It's everything we did here and it's one of the most fun things we did.

Lillymon: It's true guys. Rachel had lots of fun here before she went to Earth.

Me: Wow.

Camie: That is so awesome.

Carol: Wow. Nico you are so lucky to know someone from such a magnificent and beautiful planet.

Nico: Thanks Carol. I think it's so cool.

Lola: Yeah it sure is.

RD Sam Sharp: Are we almost to the top?

Nico: Just about there.

We saw Sectonia's castle!

Me: Target sighted!

Xenia: Sectonia's castle dead ahead.

Nicole: The Goddess of Video Games is going to bring her judgement unto you.

Kite Man: She doesn't even see us.

Yost Vulture: How foolish.

Me: She will when we do our entrance.

Lola: Yeah.

Rachel Lilly: This is my home planet and she is not welcome here.

Kirby: Yeah! We won't let her do anything here.

Android 21: Entrance time!

Nicole: I got just the theme for it. Follow my lead.

Nico: Go for it.

We flew into the castle.

Sectonia was looking at the Dream Flower.

Sectonia: Soon the power of the Dreamstalk will be mine.

Then the spirits of the friends that Kirby made as well as the powers of all his enemies from over the course of 30 years appeared and they swirled around her and then converged and then…

A GOLDEN STATUE OF KIRBY AND ALL THE FRIENDS AND ACHIEVEMENTS HE DID OVER THE COURSE OF 30 YEARS CAME OUT AND THEN A FLOWER OPENED UP ON TOP OF IT AND THEN OUT CAME US!

Me: SURPRISE!

Nico: 30 years of Kirby Entrance! I love it!

Nicole: Thanks.

Demyx: Bitch, you're going down!

Nebula then stabbed Sectonia in the shoulder with her sword.

Nebula: I told you I would stab you with my sword.

Bell Org: And you weren't kidding!

Kin: Don't forget this one too!

She used the Bell Ability and blasted and smashed Sectonia with bells.

Me: Awesome Kin!

Lola: Top this! MONSTER FLAME!

She fired a dragon made of pure fire and burned Sectonia all over!

Then Dr. Viktor, Demyx, Heatwave, Dai Gui, Vulture, Yenaldooshi, Merman, Whiger, Biowulf, Ice Demon, Juggernaut, Frankenstein, Evil Fire Man, Mudslide, Evil Aero Man, Boss Wolf, Genbu, Goldar, Ludo, Coldsnap, and Yost Rhino appeared.

Nico: Dr. Viktor, Demyx, Heatwave, Dai Gui, Vulture, Yenaldooshi, Merman, Whiger, Biowulf, Ice Demon, Juggernaut, Frankenstein, Evil Fire Man, Mudslide, Evil Aero Man, Boss Wolf, Genbu, Goldar, Ludo, Coldsnap, and Yost Rhino. But Demyx you already had your turn.

Demyx: I know. But I wanted to complete the original group.

Me: Oh I get it.

Heatwave: But J.D. this is so cool that you saw this planet in your dream.

Me: I know. I was amazed when I saw it.

Eli: We all were amazed.

Dr. Viktor: So, Vice went back to his team.

Maria: He did.

Me: Yeah.

Heat Wave: Damn, I'll miss the guy.

Dai Gui: But it won't be forever.

Me: Just until February 28th.

Vulture: (to Nico) Nice job against Waul.

Nico: Thanks.

Yenaldoshi: He'll make an excellent addition.

Me: Yeah he sure will. All of his gang will.

Qin: Yep.

Bluefur came out.

Bluefur: Up for another round?

Me: Always am.

Bluefur: Kinda far above the ground, don't you think?

Emily Lane has transformed into SUPER ANGEL-TOPAZ TIGER-HARMONY CELESTIAL ETERNAL XELNAGA YELLOW TOPAZ FIRESTORM TIGER ANGEL OF DIVINE YELLOW TOPAZ FIRESTORM JUSTICE AND DIVINE YELLOW TOPAZ FIRESTORM LOVE!

We were amazed by Emily Lane's Super Angel-Topaz Tiger-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Arthas Menethil saw it, he rushed at her to kill her, but Emily Lane fired a powerful topaz yellow energy blast with yellow topaz gems, yellow fire, and tigers at the undead lich and it sent him flying onto the ground, he got back up, but now, he was pissed off.

Serenity Lexington: Wow, Emily's transformed, so awesome!

Lincoln: And because of what she did, now she's really riled up Arthas Menethil even more, and Emily, you look beautiful, how do you feel?

Emily Lane: (Divine Echoing Cosmic Voice of The Yellow Topaz Firestorm Tiger and Divine Yellow Topaz Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this undead lich once and for all?

Lincoln: (Smiles) With pleasure, Emily.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Emily Lane.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to run free after everything that you've done, Arthas Menethil, this is the last time we ever have to deal with you!

Emily Lane and Lincoln went after Arthas Menethil, who tried to attack them with Frostmourne, but they dodged the cursed blade, and they fired extremely powerful blasts of rainbow energy, yellow energy, yellow fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Arthas Menethil and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, along with scratches from Lincoln's claws, and they were angering him even more.

Then, Emily Lane and Lincoln fired two powerful topaz yellow fire blasts which knocked Frostmourne out of Arthas Menethil's hand. Lincoln caught it and he purified it and freed all the souls that Arthas had slain with it, and he'd merged it with his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and it gained new powers, and it angered Arthas Menethil.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Emily Lane, her hand-cannon Blaster is known as Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger's Topaz Yellow Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's topaz yellow with yellow flames on the blaster and with a Phoenix, Angel, and Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger surrounded by red fire etched on the sides, and a yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Emily Lane fired blasts of rainbow energy, topaz yellow energy, and elemental forces at Arthas Menethil and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln sent the souls of those slain by Arthas Menethil at the undead lich king, and they took their revenge on him as they tore him to shreds, and Lincoln fired a bolt of pitch black lightning, and as it hit Arthas Menethil's black heart, he was killed in a split second and his spirit was sent to The Black Gates and all the souls of his victims were sent to the afterlife. We cheered as Emily Lane and Lincoln holstered their massive greatswords on their backs and powered down, and Emily Lane's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, and massive topaz yellow angel wings are permanent.

Emily Lane: Your days of trying to destroy all life are finally over, traitor to mankind. Thanks for helping me destroy Arthas Menethil for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily Lane wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Emily Lane's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, topaz gems falling, and yellow fire raging around them and we cheered wildly. Then, Lincoln and Emily Lane absorbed the fire and they came back to us as the display and Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger vanished.

Nico: That was one awesome job you guys did, I never thought we'd have to deal with Arthas Menethil for the third time.

Lincoln: I know, he just doesn't know when to stay dead. But, this time, we made sure he paid the price for his crimes, and plus, I also purified his weapon, Frostmourne, and not only did it free all the souls that he'd slain with it, it merged with my massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and it gained new powers.

Me: Mizore's did the same when she transformed to fight her mother, and yours did the same during the fight against that undead bastard, awesome, and I can't wait to see what those new powers your greatsword has gained.

Lincoln: Along with me using The Djinn's powers to cause havoc on any villains we go after, and I'm so hoping the villain we get after on my rescue tomorrow is Einon. I know you have a history with that bastard, J.D., but allow me to put a permanent end to him if he dares to come back.

Me: I've gotten a lot of shots on Einon in the past. Alright, Lincoln, if Einon dares to come back, then, you have the pleasure of killing him for good and sending him to The Black Gates.

Lincoln: You got it, J.D.

Nico: If he also has his men with him, then, this'll be the perfect opportunity for you to test out The Djinn's powers and the new powers your massive greatsword has gained from the merging of the purified Frostmourne, Linc.

Lincoln: This is going to be one awesome action-packed rescue tomorrow.

Merman: Looks like Sectonia just bit the dust.

Whiger: Damn straight.

Me: That's for sure.

Biowulf: She'll never terrorize Kirby ever again.

Me: Or the planet Lilly or the dream world.

Ice Demon: Now, just one question.

Juggernaut: How the Hell do we get down?!

Me: Uhh just fly down.

We flew down.

We landed.

Me: There. So Rachel how did it feel to be back home?

Rachel Lilly: It was amazing. I missed my home planet.

Nico: But it was great seeing it.

Lola: It sure was Rachel. Your home planet is so amazing and beautiful.

Rainbow Dash: It's so awesome!

Xenia: Yeah it sure is.

Rachel Lilly: I'm glad you guys like my planet. But Earth is also my home too. I will still be part of Planet Lilly at birth but I will always be part of Earth too.

Me: I think I can make Lilly part of the world too.

I snapped my fingers and merged both our planets together and Earth and Lilly became one. It was awesome.

Nico: Wow! Just like when Mewni merged with Earth too.

Nico: Yep.

Lillymon: Wow! This is amazing! Awesome idea!

Me: Now Lillymon and all of us can coexist.

Natilee: They sure can dad.

Kirby: I agree. (To the viewers) Hope you loved this adventure as much as all of us did. It was fun.

Me: Boy it sure was.

Nico: Yep. Great job today everyone. Lets head home.

We went back home and enjoyed the rest of the day and we went to sleep. The Dreamstalk was as tall as the World Tree Estate and the view it had was amazing.

THE END.

Qin: Boy this is gonna be so fun!

Me: It sure is. I can't wait to kick some bad guy butt.

Lola: Me too. This will be so fun.

Phillip: I have a feeling it's going to be a bunch of bad guys we faced before.

Qin: Yeah no kidding.

Camie: But whatever it is it will be so fun.

Twilight Sparkle: I'm always up for anything guys.

Nico: Twilight, I want to thank you, Kaos, and your teams for coming today.

Twilight Sparkle: No problem Nico. I'm always excited to help you guys on a great rescue like always.

Kaos: Same with I, KAOS! We are always ready for some good fun on this.

Xenia: We sure are.

Carol Ferris: I think it's so much fun that you guys do all this.

Nico: We get that all the time Carol.

Lola: I love it.

Nico: Carol, has there been a male Star Sapphire?

Carol Ferris: No there never has been one Nico. The Star Sapphire Corps is an Amazon Lantern Corps.

Me: That does make sense. Carol you remember when Girl Jordan saved you from yourself when she was sick?

Carol Ferris: Boy I sure do. Girl Jordan was so brave and strong willed back then to do that when she was sick.

Camie: When did that happen?

Me: That was a great adventure.

I went over what happened during the events of chapter 498.

FLASHBACK - CHAPTER 498

---

It starts in the Estate. We were getting ready for breakfast.

We were having Belgian Waffles and Pancakes for breakfast.

Lori: These pancakes look delicious J.D.

Me: Yep. Me and Lincoln made them.

Lincoln: We made blueberry pancakes and chocolate chip Belgian Waffles.

Lola: Oh boy my favorites.

Laney: Mine too. You both make awesome breakfasts.

Lisa: Affirmative. It's all very scrumptious.

Lily: It sure is.

Linka: Yep.

We saw that one chair was empty.

Linka: Where's Girl Jordan?

Me: She must be sleeping in.

Lincoln: I'll go get her.

Lincoln went up to her room and opened the door. He found her in bed.

Lincoln: Girl Jordan it's time for breakfast.

She got up and Lincoln found that she was pale, had a red runny nose, red puffy eyes, and was coughing and sneezing.

Girl Jordan: (Weakly) Coming Lincoln.

Lincoln: Girl Jordan you don't look so good! GUYS WE GOT A CODE GREEN!

Me: Uh oh!

We go upstairs and into Girl Jordan's room. We saw that she was really sick.

Me: Oh man. Girl Jordan you look horrible.

We go over.

Girl Jordan: I'm fine guys. Really.

Lori: No you aren't.

Lana brought the thermometer.

She tested her.

Lana: 102.4. That's a nasty fever guys.

Edd came in came in with his medical bag and he had a flu mask on.

Edd: Pardon me everyone. Step aside please.

He then tested her. First was her pulse.

Edd: Your pulse is running fast. The immune system is doing its job.

He felt her head and it was hot.

Edd: Your temperature is high. I'll need to get a culture sample.

Girl Jordan: Okay.

He took a swab out and took a sample from her mouth. Lisa studied it and came back with the results.

Lisa: It appears that Girl Jordan is suffering the onslaught of the Influenza Virus; Street name: the Flu.

Eddy: The flu!?

Me: It's not the zombie flu we had that one time is it?

Lisa: Negative. This is just the common flu.

Varie: Well that's a relief.

Me: Yeah. Girl Jordan you need to stay in bed and let the virus run its course. I'll be right back.

I go into the bathroom and come back with a box of tissues and a bottle of liquid medicine.

Me: Here Girl Jordan.

I pour a cup full of grape flavor medicine into a cup and I hand it to her.

Me: It's grape flavor.

Girl Jordan: Okay.

She drank it all down and gagged.

Girl Jordan: Yuck! That stuff tastes like I swallowed an old shoe.

Laney: I know. It tastes terrible. But you're gonna be better in a few days.

Edd: Agreed. Now there's cough drops and tissues here on your nightstand. There's chicken soup and crackers in the pantry and Orange Juice in the fridge for you.

Lola came in with something urgent to report.

Lola: Guys! We got big trouble! Star Sapphire is going on a rampage in Metropolis!

Me: Uh oh. Lets roll out.

Girl Jordan: Wait. I want to come too.

Me: No Girl Jordan. You can't. If you come with us you're gonna get pneumonia. We can't risk it. You're way too sick.

Girl Jordan: But I have to go. I was tasked with this by the people of Zamaron. (Coughing)

Me: I know Girl Jordan. I know you were given this task but you have to stay in bed. You can't go out like this.

Girl Jordan: Okay.

We left her room.

Me: Get some rest. We'll be back.

Edd: Sarah, you and Jimmy make sure that Girl Jordan stays in bed at all costs.

Sarah: Not to worry, Double D. Nurses Sarah and Jimmy are on the job!

Jimmy salutes.

Edd: I mean it! We can't let Girl Jordan face Star Sapphire in her current condition.

Jimmy: Relax, Double D. We'll keep on eye on her at all times.

Edd: Excellent. Good luck.

They salute her.

Nico: So what are we gonna do J.D.?

Me: I know what to do. Nico, you, Starfire, Lily, Bai Tza, Mindy and Varie will go to the planet Zamaron and get the Star Sapphire Corps to help us.

Nico: Oh I see what you're gonna do. Have them betray her.

Me: Bingo. They may govern love but they either fight for good or evil.

Lola: We better hurry.

Me: Lets go!

We set out for Metropolis.

---

Girl Jordan was not gonna sit there while we fight her big battle for her. She got up and went to the window.

Jimmy: Where do you think you're going?

Girl Jordan: Jimmy I have to go fight Star Sapphire. I was given this task.

Sarah: We know Girl Jordan. But in your condition you can't.

Girl Jordan: I know Sarah. But this task is important to me. I was tasked with putting a stop to the evil Star Sapphire and the Zamaron's gave me this task. I have to stop her regardless of me being sick. It's my burden and my duty. I have to fight. If it were Ed he would've gladly done the same thing. (Coughing) I wouldn't want to be in bed all day.

Sarah and Jimmy were touched by her determination and her strength to fight.

Sarah (opens the window): If anyone asks, we'll say that you left the house through the window.

Girl Jordan: Thank you Sarah. I'll be back and get back in bed.

Sarah: Be careful.

Girl Jordan spread her wings and flew to the battle.

---

The battle with Star Sapphire was proving to be a difficult one. We were firing lasers and energy blasts at eachother. Star Sapphire was a very formidable adversary.

Sinestro, Bleez and Hal Jordan arrived.

Me: Hal Jordan!

Green Lantern (Hal): That's right. It's an honor to meet you J.D. We heard so many big things about you on the planet Oa.

Me: We get that a lot Hal. But it's an honor to finally meet you.

Green Lantern (Hal): Same here.

Suddenly a powerful dragon of pure water flew towards Star Sapphire and it hit her and she was sent flying. She crashed into a water tower and it exploded.

KABOOM!

Girl Jordan landed and she was that strong spirited.

Me: Are you nuts, Girl Jordan?! Going into a battle while you're sick?!

Star Sapphire flew to us again.

Star Sapphire: Aw, looks like one of you is under the weather. Bad news for you but good news for me!

---

Nico, Starfire, Mindy, Lily, Bai Tza and Varie were on the planet Zamaron. They were talking to the Star Sapphire Corps.

Nico: We need your help. Girl Jordan is under the weather and she is incapacitated for the moment. We're fighting Star Sapphire as we speak and we need your help to see if we can stop her.

Miri: You called the right people Nico. Star Sapphire Corps, lets move out!

Nico: Lets go!

---

We were fighting Star Sapphire.

Sinestro: Lets use our combo Gale.

Gale: You got it Sinestro.

Gale formed a cloud of black matter and Sinestro fired a blast of Yellow Lantern energy.

Sinestro and Gale: SHADOW OF FEAR!

They entombed her in a ball of darkness and it brought her worst fears to life. But Star Sapphire got over it quickly and blew it all away.

Gale: She's really tough.

Sinestro: Indeed.

Me and Hal punched her in the face.

Green Lantern (Hal): Carol I know you're in there. You've got to come back to us.

Star Sapphire: There is no Carol.

Girl Jordan: Let her go Star Sapphire. Carol I know you're in there somewhere and you are better than this. You are a great leader for the Star Sapphire Corps. You would never abuse the power of love for this evil manner.

Carol was starting to come through.

Carol: Please. Help me. I can't break free.

Star Sapphire: You keep your mouth shut! Carol no longer exists.

Girl Jordan: No! I refuse to believe that. Carol needs our help. (Coughing) And I will get through to her or die trying!

Me: (In my head) I've never seen her so determined. Even though she's under the weather she's using every ounce of her strength to help her.

Star Sapphire: I know you're waiting for your friends to come J.D.

Me: You knew all along?

Star Sapphire: Yes. You've made a very grave error, Knudson. Zamaron is home to all Star Sapphires!

Me (smirks): Actually, that's what we were counting on!

Nico, Varie, Lily, Bai Tza, and Mindy came back and they had numerous Star Sapphire's and Zamaron's with them.

Nico: The cavalry has arrived!

Mindy: Lets get her guys!

They fired violet energy lasers and Star Sapphire was dodging them.

Star Sapphire: How dare you all betray me!? I'm your leader!

Miri: You are not our leader. The Carol Ferris that I know is my best friend and a great teacher and leader! You have none of those qualities Star Sapphire!

Bai Tza: That's right.

Bai Tza fired a blast of water and it hit her.

Me: I have an idea but it's gonna be risky.

I pull out my Blue Lantern Ring and put it on my finger and say the oath.

Me: IN FEARFUL DAY, IN RAGING NIGHT; WITH STRONG HEARTS FULL OUR SOULS IGNITE; WHEN ALL SEEMS LOST IN THE WAR OF LIGHT, LOOK TO THE STARS - FOR HOPE BURNS BRIGHT!

I became a Blue Lantern.

Green Lantern (Hal): I didn't know you were a Blue Lantern, J.D.

Me: That's right. I joined almost a year ago. I have an idea. I'm gonna have Girl Jordan go into Carol's mind and have her destroy the Star Sapphire entity.

Green Lantern (Hal): How are you going to do that?

Me: I'm going to infuse Girl Jordan with my Blue Lantern energy and have her go into Carol.

Green Lantern (Hal): Very genius method.

Me: Don't worry Hal. All will be well. Girl Jordan, I'm sending you into Carol and you're going to fight the Star Sapphire Entity.

Girl Jordan: (Sneezes) Okay.

I fire a beam of energy at Girl Jordan and she phased into her. Inside Carol's body Girl Jordan was now inside her subconscious.

Girl Jordan: I'm in. (Coughing)

She was inside her brain and she saw in the darkest recesses of her mind a bunch of crystals and they were holding Carol Ferris in a prison ball of pure energy. Standing guard over it was the Entity of Star Sapphire herself. She was like an evil version of Carol Ferris.

Star Sapphire: So you've come in my domain.

Girl Jordan: Let Carol go you witch! (Coughing)

Star Sapphire: Your determination to rescue Carol in your condition is quite an admirable feat. I commend you. But you will never get to her.

Girl Jordan: No but I can try.

She teleported and punched Star Sapphire in the face and she vanished. Girl Jordan smashed the crystals holding Carol's prison. She was freed.

Carol: Girl Jordan thank you so much.

Girl Jordan: You're welcome Carol. I'll see you on the outside.

Carol: Okay.

Girl Jordan left Carol's body.

Girl Jordan was back.

Carol was back to normal as the Leader of the Star Sapphire Corps.

Carol: (Gasps) I'm back.

Green Lantern (Hal): Carol.

Carol: Hal!

They hugged.

Star Sapphire came out of Carol and she was angry.

Bleez: Nico lets finish this monster off.

Nico: Right!

Nico fired Xiao Fung's wing and Bleez fired a Red Lantern blast.

Bleez and Nico: RAGING CRIMSON BLOODWIND!

The blasts combined and became a blood red windstorm. It enveloped the Star Sapphire entity and destroyed her completely.

Me: Awesome job guys!

Nico: Thanks J.D.

Girl Jordan collapsed and she was exhausted. I caught her.

Me: Lets get you back to bed.

Girl Jordan: Is it over?

Me: Yes. It's over.

We went back to the estate.

* * *

We took turns helping Girl Jordan and she got better over time. Her determination to see the task she was given through was one that was incredible.

Carol came and she was forever indebted to Girl Jordan for helping her and restoring the rightful reputation of the Star Sapphire Corps. But in the end Jimmy and Sarah got struck down with Girl Jordan's flu and Ed and Eddy were watching them and taking care of them with Hazmat Suits on.

* * *

When I was done everyone was amazed.

Camie: Wow! Girl Jordan that took a lot of guts for you to do that and save Carol.

Girl Jordan: I know.

Nico: We could've saved you ourselves.

Carol Ferris: I know but Girl Jordan vowed to save me no matter what.

Girl Jordan: It was a huge task I was burdened with Nico and I had to do it no matter what.

Eli: That was still very courageous of you to do that.

Fire Lori: I agree there. That is amazing though.

Bridget Branley: I agree. But well done G.J.

Lincoln: It was a dangerous thing to do but she really showed lots of guts back then.

Laney: She sure did and we're proud of her too.

Camie: Yep that took lots of guts.

Tsuyu: It sure did.

Girl Jordan: I know.

Laney: But that was still a courageous deed you did back then.

Tsuyu: Yeah.

Me: But enough about that. Yesterday's adventure was really awesome.

Nico: Who enjoyed our adventure with Kirby yesterday?

All of us: We all did!

Nico: That was one of the most fun we've ever had. And it was really cool seeing Rachel's home planet.

Laney: I'm amazed you had a dream that showed us what it was like J.D.

Me: I know. That is so awesome though.

Varie: We all had a great time on that one though.

Carol Ferris: We sure did. That was one of the most fun ever. And seeing how high up the Dreamstalk went was incredible.

Carol Pusateri: Yeah that was amazing it went up so high.

Nico: And Sectonia got what she deserved.

Nicole: You bet she did. And the awesome bonus of that adventure is now we all can use Kirby's awesome Copy Abilities.

Eli: That is so awesome and amazing. I like the Spark power.

Varie: Water for me.

Me: All the powers Kirby has are awesome.

Fu: I like the Ninja Kirby power. Because it fits me as a ninja.

Camie: That is so awesome.

Touma: Boy that was so awesome and cool.

Lola: Yeah it sure was.

Lana: I'll say.

Nico: I can't decide which power I like.

Me: They ALL are so awesome. It's hard to decide which one is a good favorite.

Xenia: Yeah they all are amazing.

Lola: They sure are.

Lincoln: I can't decide which one is my favorite. All of them are awesome.

Camie: All of them are really awesome.

Sirius: They sure are cool. Too bad Kirby can't use some of them when he is swimming underwater.

Me: Only the weapons abilities are good for that one.

Nico: Yep.

Lisa Loud: I have always been a good onset user of the Laser Ability. It's quite versatile.

Nico: It sure is.

Aylene C.: The U.F.O. Ability is cool. It made Kirby look like a flying saucer.

Nicole: Boy it sure did. Too bad it can only be used once per level.

Eli: Wait guys I sense a powerful force here.

Nico: Whoever's here must be close.

Eli: I'm sensing 6 signals. All of them powerful and evil.

Me: They are close. There!

I fired an energy blast and it hit an alley and exploded and out came 6 figures! They were EVIL VERSIONS OF THE NEVER GROUP!

---

The Special Mercenary Force "NEVER" are a group composed of humans who have been revived from death and turned into super soldiers called Necro-Overs and the main antagonists of Kamen Rider W Forever: A to Z/The Gaia Memories of Fate as well as the protagonists of the V-Cinema Kamen Rider W Returns: Kamen Rider Eternal.

NEVER was initially a project initiated by Foundation X researcher Maria Daido attempting to resurrected her son who died from a traffic accident by duplicating the conditions that revived Raito Sonozaki (Philip) after his demise in the source of the true Gaia Memory. The result was the Necro-Over, an undead super-soldier with enhanced strength and endurance. However, they are required to regular injections of a bio-stabilizer to keep their bodies intact. Leaving Foundation X after being rejected in favor of Gaia Memory research for the latter far greater diversity in abilities, NEVER became mercenaries, leaving a path of destruction in their wake to convince the Foundation that they are better than the Museum's "toys".

However, an encounter with Doctor Prospect drove their leader insane and they decided to destroy the Museum by obtaining the T2 Gaia Memories in order to power the X Bicker and convert the residents of Futo into Necro-Overs. Though much stronger, faster and more durable than normal humans, as well as exceptionally compatible with certain Memories, Necro-Overs use Gaia Memories at even greater risk than normal humans, for being struck with a Maximum Drive will cause them to disintegrate. A Scanning Charge, Kamen Rider OOO's finisher, can also cause a Necro-Over struck by it to disintegrate, and they can become destabilized if injected with a bio-stabilizer blocker fluid. This is reversible only if the Necro-Over can be treated with an antidote quickly. NEVER primarily appears in Kamen Rider W Forever: A to Z/The Gaia Memories of Fate, but their origins are revealed in Kamen Rider Eternal.

We gasped!

Nico: Evil versions of NEVER!

Xenia: Not good!

Lola: Oh boy!

Bridget Branley: This is gonna be awesome and fun!

Brooke Hudson: Yeah it sure is!

Philip: You know what to do, Shotaro.

Shotaro: Right.

Shotaro and Philip: Henshin!

They turned into W! Philip fell down and Varie caught him and held on to his body.

Varie: We need to figure out a way to fix that so Philip and Shotaro don't have to worry about Philip's body getting hurt like this.

Nico: Yeah.

Ryu Terui: Hen… shin!

He turned into ACCEL!

Qin: Time to burn rubber!

Lola: The need for speed!

Me: This is gonna be epic! First this.

I snapped my fingers and took us to the planet Glaren. Didn't want people to get caught in the crossfire.

Ryu Terui: Despair awaits you at the finish line.

Nico: That is for sure!

We fired energy blasts and blasted NEVER all over the place!

Xenia: Take that!

Bridget Branley: Let us handle the evil versions of NEVER, guys, time to unleash Elemental Hell on those bastards.

Air Lincoln: Yeah!

Suddenly, The Elemental Angels' and The L-Ementals' colored eyes turned neon, and they were surrounded by colored energy auras, elemental forces, and mythological animals, they unholstered their massive greatswords from their backs, and as they approached the evil versions of NEVER, they left colored energy, elemental forces, and mythological animals with every step.

Bridget Branley: You evil versions of NEVER are nothing more than remnants of their dead past, and now, we're going to eliminate you all once and for all.

Fire Lori: And this time, you all are never coming back.

Suddenly, The Elemental Angels and The L-Ementals were surrounded by massive vortex of colored energy with elemental forces surrounding the vortexes, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Air Lincoln transformed into SUPER ANGEL-GRIFFIN-HARPY-HARMONY CELESTIAL ETERNAL XELNAGA HURRICANE WIND STORM GRIFFIN ANGEL OF DIVINE WIND HURRICANE GRIFFIN HARPY JUSTICE AND DIVINE HURRICANE WIND GRIFFIN HARPY HOPE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of The Elemental Angels and The L-Ementals, and when Lincoln saw Bridget Branley and her friends, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when the evil versions of NEVER saw it, they went berserk with rage, but The Elemental Angels and L-Ementals fired powerful colored energy, elemental forces, and mythological animals at them, and they exploded as they hit them.

Air Lincoln: (Divine Echoing Cosmic Voice of The Hurricane Wind Griffin and Divine Hurricane Wind Hope) **Whoa, we've transformed, awesome!**

Lincoln: That's right, now, let those bastards have it, Elemental

Angels and L-Ementals.

Bridget Branley: (Divine Echoing Cosmic Voice of The Draconic Phoenix Firestorm Elemental Angel and Divine Firestorm Angel Love) **You got it, Linky. Alright, Elemental Angels.**

Fire Lori: (Divine Echoing Cosmic Voice of The Draconic Phoenix Firestorm Elemental Angel and Divine Firestorm Angel Love) **And L-Ementals.**

Elemental Angels and L-Ementals: **LET'S ROCK!**

The Elemental Angels and L-Ementals went after the evil versions of NEVER, and they fired powerful blasts of colored energy, elemental forces, and mythological animals, and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords and they left very nasty scars on them, and it was angering them.

Shotaro and Philip: Now, count up your sins!

Me: With eternal damnation in the black gates!

Dark Katsumi: NO! I WILL DESTROY YOU!

But it would be too late as the Elemental Angels and L-Ementals fired massive energy beams at them, and they exploded as they hit them, and they were obliterated and given the Black Gates. We cheered as they holstered their massive greatswords on their backs and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long wolf tails, and massive angel wings of The Elemental Angels and The L-Ementals are permanent.

Nico: YEAH!

Qin: WHEW!

Liquid Leni: O-M-Gosh, that was amazing!

Air Lincoln: You said it, and we got rid of the evil versions of NEVER in the process, and we also got new transformations and new bodies as well.

Light Lily: That's really cool. (Gasps) And now, I'm also grown up and I can talk in complete sentences, awesome!

Then, Lincoln went up to The Elemental Angels, and he hugged and kissed them all over, and they also hugged and kissed Lincoln all over, and Lincoln had lipstick marks all over his massive muscular body, face, and eight-pack abs.

Fire Lori: I literally knew that was about to happen.

Lori: Yep.

Shotaro and Philip: Now, count up your sins!

Me: With eternal damnation in the black gates!

I blasted them and obliterated all of NEVER and banished their evil selves to the Black Gates.

Nico: YEAH!

Qin: WHEW!

Me: That's it for that. WHEW! This MORE Than makes up for it with me wanting to banish Katsumi to the Black Gates. An evil version of him is the next best thing.

Nico: That is for sure.

Qin: Yep.

Maria: Let's head back to Earth now.

Me: But at least that made up for it on the W mission.

We were back on Earth.

Me: Now lets see which Undead Zodiarts will appear next.

Then my Kyutama for Cetus the Sea Monster started glowing.

Me: Cetus the Sea Monster next.

Camie: Wow this one will be interesting.

Nico: Who's up next?

Carol Ferris: I'll go next.

Nico: Okay.

Then a figure came out and it was ANOTHER CETUS UNDEAD ZODIARTS! It looked like a mixture of the Zyuoh Whale, Megalodor and Pirantishead!

Nico: Whoa awesome.

Me: Yep.

Maria: And you are?

Another Cetus Undead Zodiarts: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with aqua blue hair and had an aqua blue sailor soldier uniform on.

Me: (GASP) Cassie Cascareau A.K.A. Sailor Cascareau!

Nico: Whoa! Cascareau's Sailor Soldier!

Rarity: So you're from the Andromeda Galaxy.

Sailor Cascareau: That is right.

Me: That's also Overflow's home planet.

Eli: Yeah.

Nico: Why can't all planets of Ben's aliens have Sailor Soldiers?

Maria: They actually might have them.

Me: And we're looking at one.

Sailor Cascareau: Yeah it's awesome though.

Me: Boy it sure is. You're one of the first Sailor Soldiers of the planets of Ben's Aliens that we have encountered.

Sailor Cascareau: I know.

Nico: But how do you know her J.D.?

Me: She was my friend in swimming class and she loves swimming as much as Ami and Michelle do. Also she can do all sorts of moves and stunts underwater the likes of which were never possible.

Nico: Wow! We'll have to see them later on.

Me: Yep.

Carol Ferris: That is cool.

Me: Are there any other opponents with you?

Sailor Cascareau: Just one and it's another version of him.

She pointed to Kaos.

Kaos: Another version of I, Kaos!?

Sailor Cascareau: Yep.

Me: Hostile of friendly?

Sailor Cascareau: Friendly. Knows you really well J.D.

Me: Cool. We don't want to face a hostile one before the year closes out.

Nico: Yeah.

Carol Ferris: Yep. Lets do it.

Sailor Cascareau: You got it.

She turned into Another Cetus Undead Zodiarts and Carol blasted her and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

She was down and I caught the Rouse Card and Zodiarts switch and purified them. The Rouse Card had a picture of the stars and symbol of Cetus on it and a Sea Monster too.

Me: Cool.

The Zodiarts Switch glowed and formed into armbands for those marked with Cetus the Sea Monster and I went over to Sailor Cascareau and picked her up and brought her over.

Nico: One down.

Me: Yep.

Nico: And here it comes.

We saw a dark figure come out and it was ANOTHER KAOS!

Me: Another Kaos!

Nico: Wow!

Lola: Yeah!

Kaos: Another version of me, KAOS!

Nico: Yep.

Qin: So awesome.

Nico: And you are?

Another Kaos: (In a girls voice) I believe J.D. knows the answer to that one.

Me: (Gasp) I had a feeling it was you Yolanda Erickkson.

Another Kaos: That's right. Good to see you again J.D.

Me: Same here.

Nico: You know her?

Me: Yep. Yolanda is one of my friends from Science Class. She is also a very powerful master of elemental and light and dark magic. She knows all the powers of the 10 Elements as well as knows all of the powers of the forces of dark magic.

Nico: Wow!

Me: Yeah. She is a powerful mage that knows all about ancient underworld and otherworldly artifacts.

Nico: That is incredible.

Kaito: (gets out Revice Gear) Did Swartz promise you anything?

Zocks: (Gets out Saber Gear) Because we can grant it instead.

Another Kaos: No he didn't promise me anything. I used my powerful magic to put him into a deep sleep after I was given this ridewatch and then I left while he was out cold.

Me: Very crafty and sneaky.

Nico: I'll say.

Qin: Yep.

Another Kaos: It sure was awesome.

Me: Sorry we have to fight like this.

Another Kaos: I know. Come at me and don't hold back.

Kaito got a Revice Sword and Zocks got a Saber Sword!

Qin: YEAH!

Sougo: (gets out Revice Ridewatch) Nice job putting Swartz to sleep!

Geiz: (gets out Blades Ridewatch) You couldn't do that to the rest of Dai Shocker?

Sougo got ReviceArmor while Geiz got BladesArmor.

Another Kaos: I figured it would be wise to let you guys face them.

Me: Very good thinking. Let the most powerful force in the entire universe handle it.

Nico: Yep.

Qin: Lets do it.

Nico: (ACTIVATES KAOS'S RIDEWATCH) HERE COMES KAOS!

Nico fired waves of water and fire and blasted her all over.

Kaos: (LAUGHS)

Nico: (gets out Shaman Apsu's Ridewatch) Now, get a load of this!

Nico activated it and fired waves of energy and blasted her all over the place!

Qin: YEAH!

Me: Uh oh.

Nico: What is it?

LOUD FART TOOT!

I farted like Garby!

Lana: Awesome!

Me: Pardon me.

Nico: Geez!

Me: That's the last time I have Pad Thai and Raspberry Yogurt for dinner.

FART!

Maria: (LAUGHS) Funny.

May: (gets out Scab Fairy's Ridewatch) Hope you don't have scabs!

Me: If she did she would show you.

May activated it and fired waves of energy and smashed her down.

Qin: YEAH!

May: Time to feel the burn! (ACTIVATES U.A. MOLTEN MAN'S RIDEWATCH)

May fired waves of fire and smashed her all over the place!

Nico: YEAH!

Maria: (gets out Fission Metroids' Ridewatch) My turn!

She activated it and had 4 copies of herself appear! One each for Energy, lightning, ice and fire!

Me: WHOA!

Maria: Cool! This is amazing!

They fired waves of water, ice, fire, lightning and energy and smashed her down!

Lola: Wow! Talk about multitasking!

Maria: Now for this. (ACTIVATES GARLUCH'S RIDEWATCH)

She fired waves of fire and blasted her down!

Me: OH YEAH!

Another Kaos: Wow! Those were awesome!

Me: Yep.

Then Zzzax and his team consisting of Dragon Jellyfish, Yokubabanger of The Electric Shock, Piranha Plant, Universe 666 Thunderclap And Hoya Makihara came.

Nico: Nice team, Zzzax!

Zzzax: Thanks Nico.

Me: Very electrifying.

Zzzax: That is for sure.

Me: Yep.

Carol Ferris: Time for some action. (ACTIVATES SHAMAN APSU'S RIDEWATCH)

She fired waves of energy and smashed Another Kaos all over.

Qin: Oh yeah!

Ryu Terui turned into his motorcycle form and ran at Another Kaos.

He ran her down!

Me: ROADKILL!

Qin: YEAH!

Maria: I have a feeling the next Gene-slammer is coming.

Then a rumble was felt and then an ONIX CAME!

Me: WHOA! An Onix!

Camie: Wow!

Onix: (In a girls voice) Looks like the fun has started.

Nico: Cecilia Lola! Awesome!

Onix: Yep. I got this.

She fired an energy blast and knocked down Another Kaos and I caught the ridewatch and purified it.

I went over to Yolanda and she was back to normal. She was a girl dressed in all black clothes and she had blue hair and blue eyes.

Yolanda Erickkson: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Juran: You're a big one!

Me: Onix is the largest Pokemon in the Kanto Region.

Onix: Yep.

Nico: But it's awesome to see you again Cecilia.

Onix: Same here Nico.

Carol Ferris: What's your favorite memory of Nico?

Onix: I have a lot of them. But my favorite is when me and Nico went digging in a cave and we found a strange glowing blue mineral and it was actually a glowing blue version of Cuprosklodowskite.

Nicole: Wow you found a plutonium infused version of that one. That one produces more gamma radiation that regular green Cuprosklodowskite does.

Qin: Wow!

Onix: That's right.

Me: Wow! That is potent.

Girl Jordan: Yikes.

Me: Lets get you back to normal.

Onix: Okay but I'm naked.

Me: Oh boy. We know the drill.

Nicole: Yep. No peeking or else!

I put on my blind man glasses and snapped my fingers and she reverted back and everyone covered their eyes.

She was back to normal and had orange hair and orange eyes and the fashion brigade moved in and gave her new clothes. She had black and orange clothes.

Cecilia Lola: Wow. That was tough.

She tried to get up but she almost fell down and Nico caught her.

Cecilia Lola: Wow. Still haven't gotten used to this.

Nico: But you're back now.

Nico and Cecilia hugged.

Nico: I've really missed you.

Cecilia Lola: Me too Nico. Me too.

Maria: You gonna be okay?

Cecilia Lola: Yeah I'll be fine. Just need to get used to walking again.

Nico: Good.

Me: But this was fun.

Nico: Yep.

We went back home.

Well, that is going to be brought to an end here and now, and Lincoln's going to be the one to kill him and send him to The Black Gates for eternity, and this time, he's never ever coming back.

Lincoln: Wow, we're here in Loch Loud, and I know what we're going to do here, not only am I going to rescue the twenty girls here, but our old enemy, Einon, has come back yet again, and he still wants revenge on you, J.D. Well, that is going to be brought to an end here and now, and I'm going to be the one to kill him and send him to The Black Gates for eternity, and this time, he's never ever coming back.

Me: I knew he'd come back, that bastard's hatred for me is way too deep, and he doesn't even know when to quit.

Nico: All that rage and hatred has already destroyed his brain, so we have to put him down for good like the mad dog that he is.

Lincoln: Exactly, Nico. But, he's also not alone, he's also got an army of 1,000 men with him, and they're causing havoc here.

Duke Lincoln: (Scottish Accent) That bastard has a lot of nerve to dare to cause havoc here in Loch Loud, he's going to pay for this.

Lincoln: And he will, Duke Lincoln, plus, Angus got everyone to safety when he saw Einon here, and I'm also going to try out The Djinn's powers and the new powers that my massive greatsword has gained after I purified and merged Frostmourne with it, and I want to thank you and your team for joining us, Arkayna.

Arkayna: You're welcome, Lincoln. So, what do we do first?

Lincoln: First things first, we take down the army of 1,000 men causing havoc in Loch Loud, and after we get through with them, we go after Einon before he does something really bad.

We advanced through Loch Loud, and we saw the streets were abandoned. Suddenly, we saw a large cloud of dust in the distance, and we saw who they were: the army of Einon's 1,000 men, and they were all out for revenge on me.

Lincoln: Just as expected. Now, to use The Djinn's powers and cause some havoc.

Suddenly, Lincoln's deep sapphire blue eyes and rainbow iris of his Third Eye turned demonic red, and we knew he was going to use The Djinn's powers.

Lincoln: What would all of you desire, instead of following Einon's orders?

The soldiers tried to fight it, but Lincoln got the better of them as he relied on their desires and their greed.

Soldier: Wealth beyond all of our imaginings.

Lincoln: (Smirks) As you wish.

Suddenly, the army of 1,000 soldiers began vomiting massive amounts of blood-covered gold, and they were also convulsing in pain, and they dropped their weapons, and we also collected them as bounties. Lincoln's demonic red eyes changed back to deep sapphire blue and the demonic red iris of his Third Eye changed back to rainbow colors.

Nico: Whoa!

Lincoln: That's what happens whenever The Djinn grants the person their wish, and it ends in chaos. Now, to get after that murderous bastard, Einon.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of twenty girls calling for help along with the sound of psychopathic and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the twenty girls, but they've been cornered by Einon, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the twenty girls, but they've been cornered by Einon, and he's going to kill them.

?: That heartless, sadistic, murderous tyrant, let's make him they've been cornered by Einon, and he's going to kill them.

Suddenly, we saw a beautiful girl with long flowing neon red hair, neon red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful neon red angel wings, and she's dressed in a Sailor Soldier outfit and the Cygnus the Swan constellation on her right arm, and long white sleeveless trenchcoat with lava and plants on the coattails and on the back is the planet Thehabos and holstered on her back is a massive greatsword with embedded neon red and green gems and the planet Thehabos etched etched on the 7'0" massive, wide, double-edged neon red blade, large angel heads for the crossguard, large neon red gem embedded in the rainguard, longer midnight black handle, four large angel heads and large neon red gem on the bottom of the large angel heads for the pommel.

Lincoln: (Gasps) Grace Thehabos, I knew it was you, but we'll talk later, time to go put an end to that bastard, Einon, once and for all.

We rushed on over, and before Einon could kill the girls to slake his bloodlust, Lincoln fired powerful rainbow energy blasts at the psychopathic sadistic tyrant, and that allowed the twenty girls to get away and into a rainbow energy field to protect them from Einon, and when he saw me again, he was beyond pissed off, and before he could get after me, Lincoln punched him hard in the face and he went flying back, and that really pissed him off big time.

Einon: I don't care how many of you stand in my way, I will kill J.D. Knudson and I will have my revenge!

Lincoln: You are not laying one filthy hand on my brother, Einon, and now, it's time for you to die, and this time, stay dead!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Arkayna, X-Squad Lila Rossi, Chill, Golden Queen, Dreamcatcher, and Chef Pepperjack, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Einon, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln fired a beam of life-draining energy from his massive greatsword which hits Einon and Lincoln drained Einon of every last bit of his life-force and Lincoln absorbed the drained life-force, and as soon as he was done, Einon was nothing more than a desiccated corpse, and he gave Einon The Black Gates. We cheered as we holstered our weapons and powered down.

Nico: Whoa, so one of those new powers your greatsword had gained was the ability to fire life-draining energy blasts and waves.

Lincoln: Yep, and when it hits them, I immediately drain and absorb all the life-force and energy from the victim and they become nothing more than a desiccated corpse, and I also absorb and assimilate their powers, if the villain I face is someone with powers.

Me: Awesome. So, what do we do with Einon's army of 1,000 men who are still puking gold?

Lincoln: Leave that one to me.

Lincoln took out his Stone of The Secret Fire and it was already glowing red, and the skies turned red like seas of blood.

Lincoln: I claim that which is owed.

Suddenly, Einon's army of 1,000 men convulsed even more in pain, and then, their souls were pulled out of their bodies and Lincoln's Stone of The Sacred Fire absorbed them into the stone, and as soon as Lincoln was done, he absorbed all of the energy from the army of soldiers and he sent their souls to The Black Gates forever.

Lincoln: And that was another power that The Djinn had, as soon as the requisite of wishes were all granted to random people, he says those very words and he collects their souls, but for me, when I say those words, not only do I collect their souls, but I also absorb their energy and if they're truly irredeemable, then, they shall be sent to The Black Gates.

Lucy Loud: That was quite genius that you'd used their own greedy desires against them, and turned their dreams into nightmares that've condemned them forever, Lincoln.

Me: Yeah, turning their greed against them and turning them into nightmares, that was awesome!

Lincoln: Thanks, but this probably won't be the last time though, greed is a dangerous plague, and it winds up twisting their minds and they lose all sense of right and wrong, along with their sanity. (To Grace Thehabos) And it's so good to see you again, Grace Thehabos.

Grace Thehabos: You too, Lincoln, it's been a long time, and it's also good to see you again, Diana, Anna, and Evelyn.

Diana Elementa, Anna Thelea, and Evelyn Titania: You too, Grace.

Lincoln went up to Grace Thehabos and he hugged her, and Grace Thehabos is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you in six and a half years, and as you can see, I really grew since then.

Grace Thehabos: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, so this is…?

Lincoln: Yep, Nico, this is Grace Thehabos A.K.A. Sailor Thehabos, she's my Guardian Angel and classmate in Gym, and she has omnipotent lava and plant powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she'd also known of what Ebonwu Lincoln's travels to Thehabos. She came to Earth six and a half years ago, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and

Lori, Lynn, Lola, Lisa, and Luan at home. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Eli: Brutal.

Lincoln: Plus, there's something she has in common with Rebecca Alhmacan: like Rebecca Alhmacan, Grace can live even on the hottest of planets no matter how inhospitable they are, and she can also swim in molten hot lava, and she also has immense body heat and an internal body core temperature as hot as 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,00,00 Suns.

CLANG!

My jaw dropped and Rebecca Alhmacan set it back in, and so did everyone else's jaws.

Rebecca Alhmacan: That's really awesome, and does she also like nuclear hot spicy food like you?

Lincoln: She once ate 900,000,000,000,000,000,000,000,000,000,000 bushels of the hottest peppers only known in Thehabos: The Diablo's Bane Pepper, an insanely hot and spicy pepper said to only be grown on Thehabos' intense environment.

Grace Thehabos: That's right. Plus, I got you a little something from my planet, Lincoln.

Grace Thehabos got out a massive Diablo's Bane Pepper as big as ten thousand mountains.

Grace Thehabos: Go ahead, Lincoln, it's all yours.

Lincoln: Wow, thanks, Grace.

Lincoln went up to the massively large Diablo's Bane Pepper, and as he opened his mouth, he sank his fangs into the pepper and he began draining it of all the super spicy juice, and as soon as Lincoln was done, the pepper was completely drained. Suddenly, a massive rainbow fire aura then flared up around Lincoln and it exploded into a massive rainbow fire tornado with millions of nuclear explosions as hot as a million white hot suns as he gained an astronomically massive power boost, and his spicy tattoo leaked out spicy blood. Lincoln absorbed all of the rainbow flames and explosions, and he still has the massive rainbow fire aura around him.

Lincoln: WHOA! Now, that's what I call spicy!

Grace Thehabos: I knew you'd love it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Grace, are you absolutely sure about this?

Grace Thehabos: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Grace Thehabos, and he saw that she's really serious, and he smiled as he walks over to Grace Thehabos, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Grace Thehabos' neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Grace Thehabos' with neon red gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Grace Thehabos: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Grace.

Grace Thehabos had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist and she wrapped her arms around Lincoln's massive, wider, and muscular back, and he leans down to her faces and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twenty girls, and when Lincoln saw them, he recognized them immediately. The twenty girls are Iruka Sakimiya, Tomo Kukuri, Helly Lewis, Schnee Weisberg, Michiru Tojo, Kanna Kirahoshi, Minami Kurose, Anri Harunami, Selena Lewis, Kiri Izumi, Utae Ayato, Yume Yamaba, Otsuki Hagane, Hayate Souma, Kana Urami, Yuri Kurenashi, Ellen Kazami, Mashio Murahaya, Shion Suminoe, and Hiori Nayuki from Dolphin Wave.

Nicole: Awesome.

Lincoln: Are you girls okay?

Iruka Sakimiya: Yes, we're okay, thanks to you.

Then, when Iruka Sakimiya and the other nineteen girls saw who it was that saved them from Einon, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above

Iruka Sakimiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nineteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Iruka Sakimiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Iruka Sakimiya, Tomo Kukuri, Helly Lewis, Schnee Weisberg, Michiru Tojo, Kanna Kirahoshi, Minami Kurose, Anri Harunami, Selena Lewis, Kiri Izumi, Utae Ayato, Yume Yamaba, Otsuki Hagane, Hayate Souma, Kana Urami, Yuri Kurenashi, Ellen Kazami, Mashio Murahaya, Shion Suminoe, and Hiori Nayuki with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was Einon, who came back again for the third time for revenge on me.

But, when Lincoln showed what happened such as him using The Djinn's powers to turn the greed of Einon's army of 1,000 men against them by making their wish come true of unimaginable wealth, but turned them into nightmares as they barfed it out, and Lincoln firing a blast of life-draining energy from his massive greatsword which hit Einon and he sucked out all of Einon's life-force and sent him to The Black Gates forever, and sending Einon's men to The Black Gates when he used The Djinn's powers to collect their souls into his Stone of The Sacred Fire and absorbing all of their energy, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Grace Thehabos have a lot of catching up to do, now that she's back in town.

Maria: That better be the last time we ever have to run into that bastard, Einon.

Me: Lincoln made sure of that, and Einon made the big mistake in attacking Loch Loud.

Lincoln: Yeah, attacking our ancestral home with not caring about the consequences, Einon signed his own death wish, and now, he's finally gone forever.

Me: You got that right.

---

After finally getting rid of Einon and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Grace Thehabos saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Grace Thehabos: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Grace, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Grace Thehabos: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Grace, what memories did you have with Lincoln?

Grace Thehabos: I remembered this one time, we were heading back to The Loud House after three hours of working out at the gym me and the other Sailor Scout Guardian Angels had set up, but then, we heard the sound of a yell in the air and the smell of a sewer rat, and we saw who it was coming after us: it was Chandler and his goons, and he was still out to kill Lincoln, but Lincoln punched Chandler really hard in his stomach and he went down like a sack of bricks, that was just how much stronger Lincoln had gotten, and then, he lifted Chandler up and tossed him at his goons, and that knocked them out and Lincoln tied him and his goons up, and the cops came and took Chandler and his goons away. I was really stunned at first, but then, I ran up to Lincoln and we hugged and we kissed. After we came to The Loud House, we told everyone what Chandler and his goons tried to do, but Lincoln stopped him as I showed everyone the video of his fight against Chandler and his goons, and everyone cheered for him.

Me: Oh man, I remembered that day all too well, he really gave Chandler and his goons what for.

Nico: He badly underestimated his opponent, and he was still driven mad by bloodlust.

Lincoln: And I showed him that I'm no longer the same "weakling and wimp" that he's bullied, but he wouldn't listen, that Dark Side still wanted my blood spilled, but I warned him if he ever came after me or my family, along with my Guardian Angels and my friends, I would crush him like the pathetic little worm that he is.

Chandler: Those words still haunted me even to that day.

Nico: But, your Dark Side really pissed him off too many times to count, Chandler, and it wasn't long before karma would in full force.

Chandler: And end with me getting sent to Hell, because of him, now I'm glad he's finally gone for all eternity, and same with my dad who's in prison for good, and Artie and Trent in reform school.

We got a shower afterwards, and then, Lincoln, Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash each have feelings for Lincoln, and he also had feelings for them as well, plus, he saved them when Amy broke out to kill them for revenge again, but Lincoln saved them, and he smashed that rage-crazy psycho bitch into the dirt before he tied her up again.

Rara: Wow, so this is Aquatic Ruin Zone.

Lincoln: Yep, and it's perfect for our first beach date, Rara. Shall we?

Lincoln, Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made five clones of himself and he and his clones went up to Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash and they hugged the girls in their abnormally massive and powerful muscular arms and Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Aquatic Ruin Zone, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rainbow Dash: And we got six new members to Linky's harem, awesome.

Fluttershy: And we guessed that Rara, Sweet Leaf, Rose Heart, Aqua Blossom, Paisley, and Cherry Crash each had feelings for Lincoln, and he also had those same feelings for them as well.

Rarity: And he also saved them from that rage-crazy psycho monster, Amy,

Nico: That bitch's just asking to get beaten up, she's a Satanic monster and a miserable glutton for punishment.

Lincoln: She sure is, just like the other jerks chained up at the restaurant. In fact.

Lincoln fired a powerful neon rainbow energy blast with rainbow fire surrounding it, and it hits Amy and she got burned badly and her hair was burned off, and when she saw it in the mirror, she really shrieked like a banshee.

Nico: Whoa, was that an effect of The Diablo's Bane Pepper?

Lincoln: Yep, not only did that astronomically massive power boost, but I can also fire neon rainbow energy blasts with rainbow fire surrounding them, and I also got an increase in body heat and body core temperature, and my ability to survive on the hottest and inhospitable of planets has increased infinitely more and I can also now swim in molten hot lava.

Lisa Loud: That's correct, and when I measured it, Lincoln's core temperature is now infinite, and he can also generate infinite and immense amounts of body heat to warm everyone up, and he can also increase it even more.

Girl Jordan: In other words, if any villain attacks him, he'll be too hot to handle.

Me: Took the words right out of my mouth, and you can also swim in hot lava, awesome!

Grace Thehabos: And he can also drink some molten hot magma, I did that once, and it tasted good.

Nico: (Whistles) Lincoln, how many other incredible things have the Sailor Soldier Guardian Angels done?

Lincoln: They've done a lot of incredible things in the time I've known them, Nico, and I've seen what they can do with their powers, and it's really awesome.

---

We were watching TV and then we heard the sounds of fighting coming from the surface.

Me: Uh oh!

Poromon: YOU STAY AWAY FROM US YOU BULLSHIT SPOUTING FILTHBUCKETS!

Me: The Mascots are in trouble!

We went down to the surface!

We got to the surface.

Puss in Boots: Poromon? Amigo? You there?

We saw them fighting a bunch of men!

Me: Wait a second. I know those men! That's Terrance Cammeron, one of the worst conspiracy theorists ever.

Nico: What's he doing here!?

We went and checked it out.

Me: What's going on here!?

Poromon: These dirtbags were trying to kidnap us so he could put us on display to show that aliens are real!

The inmates in the Saturn Asylum were watching the TV news as this was going on. Officer X was cheering wildly.

Officer X: (shakes a fellow inmate) It's the mascots! The mascots! (does a victory dance) I told you fools they were real! (picks up his phone) Mama! Turn on the TV. Your baby boy isn't crazy!

BAM SMASH WHAM BLAM!

Poromon: (On TV) YOU WILL NEVER TAKE US! (ECHOING) LIGHTNING JAVELIN!

Poromon fired a blast of lightning from his crest and electrocuted a man.

Me: WHOA!

Eli: Wow look at them go.

LOUD FART TOOT!

I farted.

Me: Oops pardon me. I had Chief Wiggum's beans for lunch.

Nico: (GAGS AND COUGHS) Oh man that is nasty!

Pharaoh Atem: Think we should help them?

Eli: I think that's probably a very good idea father.

We went at them!

Me: Hey Terrance! Special Delivery!

LOUD LONG FART TOOT!

I released a nasty fart in the conspiracy theorists faces and they screamed as they were coughing and gagging and throwing up!

Poromon: YEAH! And this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and then it ignited the fart gas and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It burned the Conspiracy Theorists all over in a massive and powerful fiery explosion!

They were burned to a crisp.

Poromon: YEAH! Take that!

Fellbat: You guys okay?

Poromon: We're fine.

Manaphy: Yeah those self defense classes really came in handy.

Me: Boy they sure did.

LOUD FART TOOT!

I farted!

Me: Sorry.

Poromon: Nice one.

Me: Sorry. Chief Wiggum's beans for lunch.

Matt Olson: Your farts sound like Garby's.

Me: (LAUGHS) They sure do.

Chromia: These guys are going to jail for a long time.

Me: Yep.

We got them arrested.

Me: No bullshit-spouting buttfaces will make conspiracies about anyone.

LOUD FART HONK!

Laney: (GAGS AND COUGHS) Jeez J.D.!

Me: Sorry.

Lana: Nice one.

Me: You should smell the Rabbids farts. They sound like Bagpipes.

They farted and sounded like bagpipe songs.

Officer X watched this and fell to his knees.

Officer X: (cries in despair) NO! WHY, MAMA?!

SHEESH BUDDY GET A LIFE!

Power Girl: Nico, which teamshave you made this time?

Nico: Raiden's team will include Nudge, Cod Commando, Ayame Ichiraku, Water Princess, and Jungle Princess. Mollie's team will include Seira Amagi the Princess of the Indian Ocean, Celine Giachi Lorres - Champion of Generosity, Oceanbird Astronomonov, Fievel Mousekewitz, and Tanya Mousekewitz.

Me: Awesome choices.

Naruto: All right! Ayame will be so happy to know that she is on a team.

Qin: She sure will.

Lola: And Hector is not going to like that Cod Commando is gonna be on a team. You know how much those two hate each other.

Olga Astronomonov: That is gonna be a most amazing sight.

Nico: It sure is Olga.

Mollie: I'm really excited for this one.

Me: Yep.

LOUD FART TOOT!

Me: Oops.

Lori coughed and gagged!

Lori: Is this literally how bad my farts smell when I do it!?

Me: Sorry.

Then the previous group came.

Yenaldoshi: Can me, Dr. Viktor, Heatwave, Dai Gui, Vulture, Merman, Whiger, Biowulf, Ice Demon, and Juggernaut go with you guys?

Boss Wolf: Me, Frankenstein, Evil Fire Man, Mudslide, Evil Aero Man, Genbu, Goldar, Ludo, Coldsnap, and Yost Rhino will come too.

Nico: Yes you guys can go with us.

LOUD FART TOOT!

Me: Sorry.

Nico: (COUGHS) As long as you can put up with J.D. farting the entire time!

Genbu: He sure likes Chief Wiggum's beans doesn't he?

Me: Yeah sorry.

Pam: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Hypno next.

Me: Hypnotically awesome.

Qin: Yep.

Camie: Looking forward to this one.

Varie: Yeah.

Nicole came.

Nicole: Guys I got a call from Nick and all of H.E.A.T. Manda is under attack by three hunters named Hank, Dale and Bill. They are three stupid Kaiju hunters that want to kill Godzilla and all the Kaiju.

Qin: Oh man! Sounds like these guys are trouble.

Nico: What can you tell us about them?

Nicole: Well they are stupid.

She went over their history.

---

Dale, Bill, and Hank (voiced by Ronny Cox, Tom Kenny, and Bob Joles) are three game hunters who came to New York to hunt Godzilla. Dale is the leader of the group, Hank is the middleman, and Bill is the idiot of the group. The three of them would usually try to hunt Godzilla, which usually ends with them either being thwarted by H.E.A.T. or ending up in legal trouble. Their names are a parody of the characters from King of the Hill.

---

When she was done we were shocked.

Lola: Boy these guys are dumb!

LOUD FART TOOT!

Me: Sorry. But yeah they sure are.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Baran, the Dragon Knight, and he's coming here to cause havoc. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Jade, you and your friends aren't going to like this one bit: the dark energy signal we sensed belongs to Baran, the Dragon Knight, and he's coming here to cause havoc.

The Dragon Quest girls in Lincoln's harem gasped.

Jade (Dragon Quest): That's not good. Once, Baran was a brave hero and ready to protect those he'd held dear to his heart, but when he lost his wife, he was driven over the edge. Now, he's consumed by hatred, resenting humanity's ungratefulness and pettiness, becoming blind to its better aspects, and he wants to destroy humanity.

Michelle (Dragon Quest): But, be careful, he's an extremely powerful hybrid created by the God of Humans, the God of Dragons and the God of Darklings, or demons.

Stella Monroe: An extremely powerful hybrid with the Heart of a Human, the Magic of a Darkling and the Might of a Dragon, this'll no doubt be a tough battle.

Lincoln: I know, Stella. But, I'm also an extremely powerful vampire-werewolf-cyborg hybrid as well, and I've fed on the blood of powerful human villains, evil vampires, evil werewolves, and other evil mythological creatures. Plus, Baran's also an expert swordsman, and his Dragon Knight's Sword was forged by the gods from the unbreakable metal, Orichalcos, and it can cut through anything, and the only one that can bear a Dragon Knight's might without breaking.

Nicole: Same with our weapons since Lisa and I infused them with the molecular structures of Stellar Cometite and Venusite from the meteor we encountered years ago.

Lincoln: That's right, Nicole, and to tell you guys the truth, I'm actually excited to face someone like him, and I'll show him exactly what I'm really capable of.

Nico: (Gasps) Wait a second, you're planning on unleashing your full power on him?!

Lincoln: That's right, Nico, I intend to face him at my full power and give it everything I got to show him that humanity is still capable of truly great things, and he deserves no mercy for everything he tried to do in destroying humanity.

Nico: That's the spirit, Lincoln, that's what I'm talking about.

Me: Oh man, he's really planning on going through with this.

Nico: We have to let him do this, J.D., you, Eli, myself, and many members of the team have done it before, and now, it's Lincoln's turn, but Lincoln, let me say this to you and Stella: show that fallen Dragon Knight absolutely no mercy.

Lincoln: (Smiles) I won't show him any mercy, Nico, he's going to pay for everything he's done.

Nico: That's the spirit. Alright, gang, let's go, we got word from Nick that Hank, Dale, and Bill have broken out of prison again, and they want revenge on Nick and his friends for stopping their plans to kill Godzilla and getting them sent to jail again.

Lincoln: Those three convicts are heading for a more secure prison in space and far from Earth, and as soon as we get done with taking those three convicts down, you're next, Baran, the Dragon Knight

Dr. Viktor: Let's go find them.

Frankenstein: My pleasure!

Nicole: Well they are on an island in French Polynesia.

Nico: Lets go!

We were off.

## BIKINI ATOLL, FRENCH POLYNESIA

We landed on the island.

Me: The Bikini Atoll in French Polynesia.

Nico: Wow. One of the most famous Nuclear Bomb testing sights in the world.

Me: Yep.

We then saw Manda and it was trapped in a huge net!

Me: There's Manda!

Carol Pusateri: I got this!

She unsheathed her sword and slashed the net and shredded it.

Manda: Ahh! Thank you guys.

Carol Pusateri: No problem.

Papillon: Let's get them to back off for a while!

Me: Good idea!

I fired energy blasts and they hit the trees and exploded and created walls of fire.

Me: There.

Eli: I sense that they backed off.

Me: Good.

Manda: That was a close one.

Giant Hummingbird: Boy those Lizard Slayers are dangerous.

Qin: Yeah they sure are.

Dr. Nick and everyone came.

Dai Gui: Dr. Nick, we got your message.

Mudslide: Everyone alright?

Dr. Nick: Yeah we're fine thanks to you guys.

Me: No way are we going to let those Lizard Hunters get any of the Kaiju on our watch.

Lola: That's for sure!

Xenia: Yep.

Charmcaster: Is Godzilla okay?!

Dr. Nick: Yes he is fine.

Me: Good. We don't want those lizard brained hunters taking him down.

Qin: Yeah no kidding.

Whiger: Come to think of it, we never DID fight any of your enemies before today.

Goldar: When we first met you guys, we fought Megatron.

Nico: No we sure haven't.

Qin: Yeah.

Me: Only the Giant Hummingbird and that was it.

Lola: Strange.

Qin: Yeah.

Jewel Man: Those 3 idiots shouldn't be too hard to deal with.

Dr. Nick: They are not very smart to tell you the truth.

Me: Good. We're up against dimwitted hunters.

Xenia: So they are gonna go to jail forever.

Lola: Yep. They are not worth killing.

LOUD FART TOOT!

I farted and in the trees it hit the Lizard Slayers and made them cough and gag and throw up!

Me: Sorry.

Dr. Nick: Are you okay J.D.?

Me: Just really bad gas from Chief Wiggum's beans I had for lunch.

Xenia: Yeah but he's okay.

Dr. Nick: Good.

Dr. Elsie Chapman: But you really hit the Lizard Slayers.

Me: Nice.

Coldsnap: And they're not your main bad guys, right?

Dr. Nick: No, my main bad guy is far worse.

Ice Demon: And that is?

Dr. Nick: Cameron Winter.

Nicole: Oh man! I know Cameron Winter.

Me: Who was he?

Nicole: He's a former colleague of mine and he is a doctor that grew mad with greed and power and turned to terrorism.

Nicole went over his history.

---

Cameron Winter is the main antagonist of the animated TV series Godzilla: The Series, based on the 1998 film Godzilla. He is a technological mogul who happens to be the former colleague and arch-nemesis of Dr. Nick Tatapoulos, bent on destroying Godzilla and enriching himself.

He was voiced by David Newsom.

Godzilla: The Series

Cameron Winter is the most recurring villain of the show, despite appearing only in three episodes.

He first appeared in the episode The Winter of Our Discontent, where he plotted to collect insurance money by having Zilla to destroy his cilents' properties. To do so, he creates a neuro-transmitter to control Godzilla into causing a lot of damage. He then pretends to side up with Nick and H.E.A.T., even offering to help Randy Hernandez with his poor academic records by having him to implant the transmitter inside Godzilla's ear. When Nick finally catches on to Cameron's true colors, he confronted him in his lair but is captured along with Monique Dupre. Cameron then reveals his true intentions to create a army of Godzilla clones to attack his cilents' properties in order to collect more insurance money to expand his fortune. Fortunately, Randy (who has a change of heart) manage to hack into the transmitter, allowing Nick to destroy the transmitter and free Godzilla from Cameron's control. Randy then produces out the evidence behind Cameron's plot, leaving Cameron to be arrested by the military for his crimes. Cameron then vows revenge on Nick saying "Be seeing you soon, Nickles. You can bet on it!"

Cameron returns in the episode An Early Frost, where he managed to file for parole. Determined to get back at H.E.A.T. and Zilla for ruining his plans, Cameron managed to obtain cells he harvested from Godzilla to create a giant monster called the Chameleon, which he used to frame Godzilla for various attacks. He then sets a trap for Nick by tricking him into entering his old headquarters and forcing him to watch the Chameleon destroy Godzilla. However, Nick eventually escaped and found that Cameron is broadcasting a mind control signal to the Chameleon from nearby H.E.A.T. headquarters. After the Chameleon is destroyed with a powerful bazooka fired by Phillipe Renaldi (a friend of Nick's), Nick confronted Winter at the H.E.A.T. headquarters, but Winter detonated several explosive charges in the building to escape. Though Nick escaped the explosion unscathed and exposed Winter's activities to the military, Cameron was nowhere to be found.

Cameron returns again in the episode Lizard Season, where he created giant robots called Lizard Slayers to destroy Godzilla. He broke three hunters out of prison to have them control the robots to attack Godzilla. He then gets H.E.A.T. involved by hacking their ship to attack Godzilla, though this was unsuccessful. When the hunters are caught by the military, Cameron betrays them by claiming that they stole the machines. Despite the Lizard Slayers' failure to destroy Godzilla and the hunters sent back to jail, the government was very impressed by the Lizard Slayers' capabilities and put in a hefty order for Cameron to make models for the military. Cameron sends up a message to Nick, taunting him of his success, much to Nick's anger.

---

When she was done we were shocked!

Me: Just what the universe needs, another fucked up mad doctor running amok.

Lola: Not good!

Qin: Yeah! So we're going to kill him.

Notacon: But not today. But in the near future.

Me: I have a feeling fate has different plans for him.

Nico: Yeah. But no way in hell are we going to let him get away with everything he did.

Lola: Yeah.

LOUD FART TOOT!

Leni: EW!

Biowulf: Are the farts gone?

Ludo: If not, we're getting a rolling pin!

Me: I think so.

LOUD FART TOOT!

Me: Nope I still got bad gas.

Nico: And no we are NOT using a rolling pin. Lets just focus on the mission and then get J.D. to the bathroom later. Besides he made the Lizard Slayers throw up.

Dusk: Where did the rolling pin idea come from?

Starfire: I use it whenever Silkie has the gas.

Me: It's true. I've seen how she does it. It's amazing.

Qin: Yeah.

Sunset Shimmer: That's an interesting method of helping her little… What do you call Silkie?

Starfire: My little Bumgorf.

Sunset Shimmer: That's right. Thanks Starfire.

We then saw Silkie.

Merman: Your little Bumgorf seems to have followed us.

Genbu: Hey there, Silkie!

Starfire: Oh Silkie!

She picked him up.

Me: Sorry I think my farts brought him over here. (BLUSHES)

LOUD FART TOOT!

Manda: Oops.

Lola: That is funny though.

Qin: Oh boy. I hope he doesn't put laxatives in those beans.

We waited and Vulture came back and told us that they were in a clearing 500 meters to the west.

Khybon: Entrance time!

Nico: Lets go.

We went to the clearing.

The Lizard Slayers were still throwing up from me farting in their faces.

Dale: OH MAN! (VOMITS) That is so disgusting!

Hank: YEAH! (VOMITS) GROSS!

Lincoln fired three rainbow energy blasts at Hank, Dale, and Bill, which transformed into three rainbow energy straitjackets and rainbow energy chains, which wrapped around the three convicts, and Lincoln beamed them to The Uranus Prison's Maximum Security Solitary Confinement wing, where they were put in three separate cells and chained to the walls of their separate cells with rainbow energy chains.

Lincoln: You three don't deserve to see the outside of a prison cell ever again.

Nico: This time, you three are staying in prison for the rest of your lives. Awesome job, gang, but we're not done yet, there's still the matter of Baran, the Dragon Knight, to deal with, and he should be arriving… right now!

?: I will destroy every last despicable human in this pathetic world!

Aurora (Dragon Quest): I knew there's no mistaking that voice from anywhere, you can come out now, Baran.

A figure came out, and it was none other than the fallen Dragon Knight, Baran.

Michelle (Dragon Quest): Baran. I knew you would come back one of these days. The hatred you still harbored for humanity has made it impossible for you to stay dead.

Stella Monroe: But, this time, we'll make sure that you stay dead and gone for good.

Suddenly, Stella Monroe's amber orange eyes turned neon amber orange and she was surrounded by an amber orange energy aura with amber orange gems, amber orange fire, and mammoths, she unholstered her massive Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth-themed greatsword from her back, and as she approached Baran, she left amber orange energy, amber orange gems, amber orange fire, and mammoths with every step.

Stella Monroe: I can't believe how far that you've fallen, once, you were a brave and powerful hero who fought for the sake of others, but when you tragically lost your wife, you allowed yourself to be consumed by hatred, resenting humanity's ungratefulness and pettiness, becoming blind to its better aspects, and you now seek to eradicate humanity and anyone siding with them, this can't go on any further. Baran, I will see to it that you pay the ultimate price for your crimes against mankind.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Suddenly, Stella Monroe was surrounded by a massive vortex of amber orange energy with amber orange gems and amber orange fire surrounding the vortex, there are mammoths and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Stella Monroe emerged, but she was changed forever.

Stella Monroe grew from 6'5" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long amber orange hair, she has neon amber orange eyes and an amber orange energy aura with amber orange gems, amber orange fire, and mammoths surrounding her, she has both Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth surrounding the embedded amber orange gem on her forehead emblazoned on her forehead and Third Eye with orange iris, she has on mammoth earrings with amber gems for eyes and holding the Fire and Eternity Kanjis in its paws, she also has Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth with amber gems for the eyes and holding the Fire and Eternity Kanjis in their paws on the bottom of her orange mammoth-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with amber orange crystal links from her merged Crystal Necklace of the Buddha and amber gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Stella Monroe felt a sharp pain on her back, and then, her massive orange angel wings with amber orange gems in the feathers and orange tips on the feathers grew much bigger for her new body, and she now has eleven massive and long orange wolf tails, she has on a Ring of The Phoenix with amber orange gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Stella Monroe's massive Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of amber orange energy, amber orange gems, amber orange fire, and mammoths, and when it emerged, it was transformed into Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth's Amber Orange Greatsword of Amber Orange Firestorm Justice, it's a brand-new massive greatsword with embedded amber orange gems and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth etched on the 7'0" massive, wide, double-edged amber orange blade, large mammoth heads for the crossguard, large amber orange gem embedded in the rainguard, longer midnight black handle, four large mammoth heads with orange gems for eyes and a large amber gem below the mammoth heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with amber gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Crystal Beast Amber Mammoth's head with red gems for eyes and a large amber gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Stella Monroe has transformed into SUPER ANGEL-AMBER MAMMOTH-HARMONY CELESTIAL ETERNAL XELNAGA ORANGE AMBER FIRESTORM MAMMOTH ANGEL OF DIVINE ORANGE AMBER FIRESTORM JUSTICE AND DIVINE ORANGE AMBER FIRESTORM LOVE!

We were amazed by Stella Monroe's Super Angel-Topaz Tiger-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Baran saw it, he flared up his Draconic Aura and it was really powerful, but Stella Monroe charged at him, and she punched him really hard in the stomach and she sent him flying back, he felt the force from her punch, and he knew she wasn't going to back down.

Serenity Lexington: Whoa, Stella Monroe's transformed, awesome.

Lincoln: And I knew Baran would flare up his Draconic Aura, and that aura made his body stronger and immune to most physical attacks or spells, but a strong physical attack like that, that was a good call, and Stella, you look beautiful, how do you feel?

Stella Monroe: (Divine Echoing Cosmic Voice of The Orange Amber Firestorm Mammoth and Divine Orange Amber Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this genocidal fallen hero once and for all?

Lincoln: (Smiles) With pleasure, Stella.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Stella Monroe.

Suddenly, Lincoln made the gold metal bracers on his massive biceps and thighs vanish, and then, he manifested the Spirit Cuffs, and then, he broke them, and then, we saw his rainbow energy aura with elemental forces and mythological animals flare up even more as he gained an extremely massive, astronomical, and infinite power boost.

Me: WHOA!

Nico: Oh damn, so this is what Lincoln meant by unleashing his full power, he made the gold metal bracers on his massive biceps and thighs vanish, and then, he manifested the Spirit Cuffs, and then, he broke them, incredible!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to run free after everything that you've done, Baran, now, prepare to die, fallen Dragon Knight.

Stella Monroe and Lincoln went after Baran, who then unholstered his Dragon Knight's unbreakable Orichalcos sword and he tried to attack them, but they dodged the attacks, and they fired extremely powerful blasts of rainbow energy, orange energy, orange fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Baran and they exploded with incredible power as they hit him, and they attacked him with powerful physical punches and kicks, because he still had his Draconic Aura flared up, and their physical attacks really dealt some devastating hits.

Baran: You're indeed that strong, it looks like I have to resort to more extreme measures.

Suddenly, Baran prickled himself with the Dragon Fang ornament he wears on his left eye, and then, he transformed into his Dragonoid form, which had fully unleashed his human, dragon and darkling natures, making him even more powerful. He then rushed out at full speed, but so did Lincoln, as he took off at really fast superhuman speed, which caused a sonic boom, and they brutally dealt punch after punch and kick after kick, and Lincoln's physical attacks overwhelmed Baran's and he was really harmed even more, and Lincoln flew back to Stella Monroe.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Stella Monroe, her hand-cannon Blaster is known as Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth's Amber Orange Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's amber orange with orange flames on the blaster and with a Phoenix, Angel, and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth surrounded by orange fire etched on the sides, and a yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Baran fired blasts of rainbow energy, amber orange energy, and elemental forces at Baran and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Baran tried to attack them with his Dragon Knight's Orichalcos sword, but Lincoln disarmed his sword, and it then merged with his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds, and it gained new powers, then, he grabs Baran by the neck, and he choke-slams him hard onto the ground, leaving cracks on the ground, and Lincoln lets go of his neck.

Baran: (Coughs) What power… , it rivals that of my own. I… accept my defeat, and I… now recognize the merits of the human heart that I forsook. You can do away with me now, Lincoln Loud and Stella Monroe. Strike me down, and end my life.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Baran. Very well, I'll make your death a quick one.

Lincoln walked up to Baran, and as he opened his mouth and bared his fangs, he sank his fangs into Baran's neck, and he began sucking out every last bit of his dragon blood and assimilating all of his immense and extremely powerful powers and abilities, as we saw Lincoln's rainbow energy aura with elemental forces and mythological animals flare up as he gained an extremely massive power boost. Then, as soon as Lincoln was done, Baran was now completely drained of every last drop of his blood and all of his immense and extremely powerful powers and abilities, and Lincoln sent his soul straight to The Black Gates. We cheered as Stella Monroe and Lincoln holstered their massive greatswords on their backs and powered down, and Stella Monroe's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

And Lincoln's gold metal bracers appeared on his massive biceps and thighs once again after he had powered down.

Stella Monroe: We've proven to you the true strength of humanity, and you've paid for your crimes in full, fallen one. Thanks for helping me destroy Baran once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Stella.

Suddenly, Stella Monroe wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Stella Monroe's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber mammoth flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, amber gems falling, and orange fire raging around them and we cheered wildly. Then, Lincoln and Stella Monroe absorbed the fire and they came back to us as the display and Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth vanished.

Nico: Oh man, I… , what I just witnessed, that was literally AWESOME! Lincoln, you really showed him no mercy, and you weren't joking when you said you were unleashed your full power, incredible!

Me: Just like what I did with Swartz.

Lincoln: Thanks, guys, and I wasn't kidding, Baran was one tough warrior, but he really gave me one heck of a challenge.

Stella Monroe: Yeah, and Lincoln fought Baran with everything he got, and he triumphed, and he also fed on Baran's dragon blood and he also absorbed and assimilated all of his immense and extremely powerful powers and abilities.

Eli: Just like what happened with Malcho.

Lincoln: And his sword's merged with my massive greatsword and has also gained new powers.

Nicole: And it also has the molecular structure of the Orichalcos metal added to the Stellar Cometite and Venusite molecular structures, awesome.

Suddenly, all of our massive greatswords glowed, and they also had the molecular structure of the Orichalcos metal added in, along with the Stellar Cometite and Venusite molecular structures.

Nico: And the same thing's happened to our massive greatswords as well, awesome!

Me: Nice.

Pete: That's it for those jerks.

Metal Sonic: They're lucky they're not dead.

Seadramon: I know!

Boomer: Let's celebrate at home!

Wiggum: (to me) Next time, go easy on my chili.

Me: I'll try to remember that chief. But man It's just so delicious. Right now I got to go to the bathroom bad.

Nico: Lets get you home.

We teleported back to the estate and I went into the toilet. I ran into the bathroom. We hear me groan, then the toilet flushes, then I comes out.

Me: Phew! Man that feels so much better! I wouldn't go in there for a couple days. Or weeks.

My's toilet comes out of his bathroom groaning.

My toilet: Please, please, somebody put me out of my misery! [toilet jumps into Nico's hands, coughing] Have mercy on my soul… ! [toilet dies]

Nico: Another toilet down the drain. But still great job today everyone.

Me: Thanks Nico.

Carol Pusateri: (To the viewers) Never mess with the kaiju or you mess with us.

Me: You got that right. Sorry I made such a mess with my farts.

Nico: No worries J.D.

We enjoyed the rest of the day and went to sleep and Lana installed a new spare toilet for me.

Me: I hope Billy isn't causing trouble.

Nico: I have a feeling he isn't this time.

Qin: But whatever the rescue is it will be fun.

Carly Atlas: I'm always excited for a fun rescue like always.

Xenia: Me too. It's gonna be fun.

Camie: Yep.

Zzzax: I'm really excited too.

Mollie: Boy same with me. I'm excited too.

Nico: Mollie, I want to thank you, Zzzax, and your teams for coming.

Mollie: No problem Nico. I'm excited for all this.

Seira Amagi: Boy this is gonna be so awesome and cool.

Varie: It sure is. The Water balls I made for all the mermaids are really awesome.

Nico: They sure are.

Lola: Yep.

Nico: Seira, what do you like to do in your free time?

Seira: I haven't thought about it. But I've always wanted to open up a really fun Indian Food Restaurant.

Me: Apu would love working with you on that one.

Xenia: He sure would.

Camie: Yeah. Mrs. Astronomonov, are you still upset that Mandark turned out to be evil?

Oceanbird: I do have some feelings of hostility towards Susan for his deeds.

Me: Uhh not to further open the wound and rub salt in it but don't you think it's kind of weird and unusual that you would name your own son Susan? That's a girls name.

Oceanbird: It does sound unusual yes. But it was all Windbear's idea.

Nico: Yeah.

Brittney: I'm so sorry about how Mandark turned out. But he is now an awesome frenemy in the Masters of Evil.

Nico: Yeah he sure is.

Laney: Yeah.

Camie: And Mandark was born in an amazing place called Flowertopia? What's that?

Me: A beautiful island paradise utopia located on Lake Superior. It's a Woodstock 1969 Era Style Groovy Utopia Paradise.

Nico: Wow.

Camie: Boy that sounds like a perfect place to call home for many.

Me: Yeah. But those were awesome times back during those days in the Woodstock 1969 Era.

Eli: Yeah they sure were awesome.

Nico: Yep.

Maria: And how do you like Bikini Bottom, Seira?

Seira: It's magnificent. SpongeBob and everyone live in an amazing place and the Krabby Pattie's are all amazing.

Qin: They sure are delicious.

Lily: Working at the Krusty Krab is so awesome and great.

Zzzax: Yeah and the food is awesome.

Celine Giachi Lorres: But I still think it's most amazing and great.

Lola: It sure is Celine.

Fievel: I agree there too.

Tanya Mousekewitz: I do too.

Camie: Tanya I heard that you have one of the most divine singing voices anyone knows.

Tanya Mousekewitz: I sure do. Would you like to hear a song?

Nico: We sure would.

She sang one of my favorites.

Tanya: (SINGING DIVINELY)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me that always come true

Inside you and me that always come true

She sang it like the voice of an angel and it was beautiful.

Me: Wow!

Nico: That was so beautiful.

Camie: Wow your voice is amazing Tanya.

Qin: We always have known about it and she has the voice of an angel.

Tanya Mousekewitz: Thanks guys.

Nico: That was the first of Dr. Nick's enemies that we fought.

Me: First of many actually.

Nicole: Yeah I know. But I'm glad that the Lizard Slayers are behind bars.

Qin: Me too. But it was awesome facing them.

Me: Except it would have been better if I didn't have a really nasty case of gas.

Camie: No kidding. Matt said you were farting like Garby.

Eli: Boy that was the most farts I've ever seen you do bro.

Me: No kidding and Garby's farts smelled just as terrible. I can't believe I killed my own toilet though!

Nico: Now, what have we learned?

Me: Not to eat too much of Chief Wiggum's chili for lunch or you will have a really nasty case of Garby Fart Syndrome.

We laughed at the name of that disease I made up.

Nico: (LAUGHS) Garby Fart Syndrome. I like that. But yeah that's right.

Me: Sorry guys.

Nico: No worries.

Zzzax: Chief Wiggum does make good chili though. Just be careful with how much you eat next time.

Me: I will.

May: At the most, eat one bowl.

Me: Yeah. I had 5 bowls. Guilty as charged. I'm a pig.

Qin: Yeah but next time one bowl is plenty.

Me: Yeah.

Nicole: But we did get the mission done regardless.

Eli: We sure did.

Brittney: Yeah. Wait. I sense a supernatural disturbance at the school.

Nico: Lets get over there then.

Maria: For some reason, I feel we won't meet the next Undead Zodiarts here.

Me: I wonder way.

Nico: Hmm.

We went into the school and we were were shocked to see that it was covered in graffiti and vandalism and hip hop music was playing and more.

Me: Whoa it looks like street gang central. Wait. Oh no. Oh shit on my face and call me a Hostess Cream Cake.

Nico: Not him again.

We went to the cafeteria.

I looked at my Kyutamas.

Me: Weird my Kyutamas are not reacting to anything. Guys are any of your constellation marks glowing at all?

They all looked. Nothing.

Eli: Nope.

Varie: Not here.

Nico: Nope.

Laney: Mine's not.

Lola: No not at all.

Me: Hmm. That is unusual.

Nico: Fine then, Eli, sense of the next Another MOE member is hostile or friendly.

Eli used the force and sensed for it.

Eli: Oh man. It's Another Version of Zzzax and this one is hostile,

Me: Uh oh.

Eli: I sense that this one hates you with a vengeance bro.

Me: Uh oh. Not good.

Nico lit my fart on fire like a flamethrower and I burned Goodbling and melted him into slop!

Qin: Nice!

Me: Don't worry guys, I didn't have any chili for breakfast. I still had a trace amount of gas still in me.

Nico: Oh.

Eli: That takes care of Goodbling though.

Me: Boy we REALLY let him have it though.

Qin: We sure did.

Nico: We only have one more thing left now.

Me: Yep.

But then…

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPP!

I got hit by a blast of lightning and electrocuted all over the plae.

Me: (BLUBBERING)

I was down and I had lightning surging all over me.

Me: (BLUBBERING) Geez!

Lincoln: That wasn't from me!

Qin: But that really shocked you!

Me: OUCH! No kidding! Man that was intense! OKAY WHO IS THE FUCKING WISEASS!?

Laney: I think it was that guy!

A figure came out and it was a dark version of Zzzax! It was ANOTHER ZZZAX!

Me: Whoa Another Zzzax!

Zzzax: Wow and this one is made of pure black lightning!

Sirius: Wow. Shocking!

Nico: No need to hide it from us. We know you're bad.

Qin: Question is who are you!?

Another Zzzax: (In a girls voice) I think it's obvious because I'm here for J.D.!

Me: (GASP) I didn't expect it to be you Ines Londstrom!

She reverted back and it was a woman with black hair and was in a red prison jumpsuit!

Nico: Wait a second. I thought you looked familiar! You're the nasty serial killer that was responsible for killing 16 kids in 4 different schools!

Me: That's right! And I am also the one that busted her. I thought I was rid of you after I sent you to death row!

Ines Londstrom: That's right! You ruined my life Knudson!

Me: You brought all that on yourself!

Nico: How do you know her?

Me: She was an electrical power plant worker and an electrical engineer. But also SHE HATES AND DESPISES AND LOATHES ALL KIDS! And she is a pathological liar! She lied 24/7 and even falsely got kids all expelled for crimes they didn't commit and even had Child Protection services take kids away from parents falsely. She also used to be a teacher that hates my guts to the Nth Degree! She called me a worthless weak nobody and hurt many of my friends by beating their heads in with a hammer!

Everyone gasped!

Eli: YOU ARE A FUCKING PSYCHO!

Me: Yep. I was on to all her lies and I got her exposed and arrested and convicted of capital murder for the murders of 16 kids and the attempted murder of numerous kids in 17 states and sentenced her to death. She swore to get revenge on me.

Ines Londstrom: That's right! I HATE YOU MORE THAN LIFE ITSELF J.D. KNUDSON!

My aura flared up explosively!

Me: You can hate me all you want but you are just a heartless little psychopathic bitch!

Aylene C.: Wasn't she also scheduled to be executed 3 years ago?

Me: That's right.

Nico: But she busted out of prison and went on the run and in hiding.

Me: But she also was hellbent on revenge.

Kaito: (gets out Abaranger gear) Normally, we'd ask what Swartz promised you.

Zocks: (takes out Dekaranger gear) But I think said promise is painfully obvious.

Kaito got a Dino Thunder Sword and Zocks got an SPD Blaster.

Qin: You want revenge on J.D. don't you.

Me: Obviously. But I will not let you hurt ANYONE else! I'm going to kill you myself and save the country the trouble.

Ines Londstrom: I will kill you if it's the last thing I EVER DO!

She turned back into ANOTHER ZZZAX!

I fired waves of lightning and electrocuted her all over the place!

Me: You are nothing but a malignant cancerous freak that deserves to be destroyed!

Qin: That is putting it mildly!

Xenia: Yeah!

Xenia fired an arrow and it skewered her legs.

Sougo: (gets out Dino Thunder Ridewatch) You don't deserve Zzzax's powers!

Geiz: (gets out SPD Ridewatch) But maybe we can sentence her to the electric chair.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

They fired waves of energy and blasted her all over.

Nico: (gets out Zzzax's Ridewatch) You're in for a shock!

Nico activated it and me and Nico fired intense lightning and electrocuted her all over.

Qin: Hope that one made you feel charged!

Nico: And this one too! (ACTIVATES DRAGON JELLYFISH'S RIDEWATCH)

He fired a more powerful blast of red lightning and electrocuted her more!

May: Top this charge! (Activate's Yokubabanger of The Electric Shock's Ridewatch)

May fired more lightning and electrocuted her all over.

May: (gets out Piranha Plant's Ridewatch) Piranha Plant time!

Me: And these plants bite! But first…

I fired a blast of energy and it hit her and knocked her down and I caught the ridewatch and purified it And she was back to normal. She activated it and then her teeth turned into razors and then as Ines got up May bit her hands off!

INES SCREAMED IN EXCRUCIATING PAIN AS HER HANDS WERE CHOMPED OFF! OUCH!

Me: OUCH! That has got to hurt! May is gonna be tasting that.

Eli: Geez! May is gonna be tasting blood for a while!

Lola: Yeah.

May spit out the hands and spit out blood.

Lucy took the hands and sucked up the blood in them.

Lucy: (Slurps) Ahh. Her blood may be evil but it's still tasty.

Maria: (gets out Universe 666 Thunderclap's Ridewatch) The next Gene Slammer is just gonna have to deal the finishing blow!

Nico: That's fine with me.

Maria activated it and she used her water powers and turned into a pterodactyl and flew and grabbed Ines and flew into the air and dropped her and smashed her onto the floor.

Nico: OUCH!

Universe 666 Thunderclap: Nice one Maria!

Maria: Thanks. Now for this one. (ACTIVATES HOYO MAKIHARA'S RIDEWATCH)

She fired a wave of bandages and wrapped Ines in bandages like a mummy.

Nico: Awesome!

Me: Wow! Mummy would be proud.

Control Freak and his team came out and he had Wolvertoon, 9-Tailed Kitsune (Kakuranger), Negatron, Lepidopterra Queen (OC Villain) And King Hippo.

Control Freak: Hey guys!

Nico: Nice team, Control Freak!

Control Freak: Thanks.

Nicole: Fits you perfectly.

Control Freak: So we have an escaped Death Row Inmate to destroy.

Me: Yep.

Seira: Let me add some fun. (ACTIVATES DRAGON JELLYFISH'S RIDEWATCH)

She fired waves of lightning and electrocuted her all over.

Negatron: Dammit, I can't believe I missed the whole Yo Mama smackdown!

Luan: Don't worry. I filmed the whole thing.

Negatron: Cool! Awesome!

Nico: Yep.

Then a Hypno came!

Me: Whoa! A Hypno!

Lola: Yeah!

Hypno: (In a girls voice) Looks like the magic is on.

Nico: Demise Wendoll!? Whoa!

Me: Wait THE Denise Wendoll as in Denise Wendoll the Mystical?

Hypno: The very same one.

Me: Cool! Boy you are like an amazing female version of Dr. Strange.

Hypno: Yep. Now lets take care of this bitch.

Me: Lets give her the worst electrocution ever. But first I have something to say.

Nico: Okay.

I went over to her.

I looked at her with incredible hatred like I was an angel of justice and an angel of death sent to give her eternal damnation.

Me: You have done so many horrible things Ines. All throughout your life you have done nothing but see people suffer and throughout your life you made it your mission to destroy the lives of countless families and make sure that NO ONE has children ever. You killed them, lied and tortured numerous innocent families all for your own hatred towards all life and all families everywhere. You have no right to live another second after everything you did. But I want you to remember this.

I bent down and talked into her ear.

Me: Remember this when you are in the Black Gates. You called me a worthless little nobody but I proved to you that you are wrong. I am a strong and worthwhile somebody. I am a good father, love many children and love everyone I care about. But you will NEVER have the three good things that I have that you lack above all others and they are love, a soul and a heart. This "worthless weak nobody" turned out to be your undoing.

I threw her own evil words right back at her and she was shocked to hear them coming from MY Mouth!

I jumped back.

Me: Kill her!

We fired waves of black lightning and the Hypno fired a Psybeam blast and we obliterated her and banished her to the Black Gates.

Geiz: I still think we should've killed her with the electric chair.

Nico: She got what she deserved nonetheless.

Me: Besides, the Electric Chair would have released a smoke that would smell worse than shit.

Xenia: He's right on that one.

Nico: Yeah.

Hypno: That was still fun though.

Nico: It sure was.

Seira: What's your favorite memory of Nico?

Hypno: I have a lot of them. But my favorite is when me and Nico went and took down an evil cult of Werewolves over in Germany.

Me: Wait that was you guys? That cult was called Orden des Fangzahns des Mondes. That was German for The Order of The Moon's Fang. They were a dangerous evil werewolf cult that was going to kill all the people in Berlin.

Nico: Yep and we killed ALL of them.

Eli: Good riddance.

Hypno: Yep.

Me: That was awesome. Lets get you back to normal.

Hypno: Okay but I'm naked.

Nicole: Oh boy. No peeking kids.

I put on my blind man glasses and everyone covered their eyes and I snapped my fingers and she was reverting back to normal.

Denise lost her pendulum.

She reverted back and was a purple hair girl and had yellow eyes and a third eye in the middle of her forehead and the fashion brigade moved in and gave her an all yellow ensemble. She had a yellow midriff shirt and yellow pants and a black skirt and a black vest.

Denise Wendoll: Wow. (Gets up) Wow that was rough but I look amazing.

Rarity: Oh indeed you do darling.

Me: You sure do.

Nico and Denise hugged.

Nico: I've really missed you.

Denise Wendoll: Me too Nico. Me too.

May: I hope the one tomorrow isn't hostile.

Me: Me too. But I wonder why the next Undead Zodiarts didn't show

up.

Nico: That is a good question.

Me: Maybe we'll find out on our mission later today.

Nico: Yep. Lets head home.

We went home.

But, we got bad news: the TLPS Bad Guys' old enemy, Professor Rupert Marmalade IV, has broken out of prison and he went into hiding, and even more bad news: with five Dark Orbs he found, he'd brought Frieza, Cell, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead, and he'd used The Dark Orbs to put them under his control.

Lincoln also brought X-Squad Cell, Captain Ginyu, Burter, Recoome, Guldo, Jeice, and Bonyu with us.

Lincoln: Wow, we're here in Los Angeles for a new series of treasure hunts as five new shrines have been discovered there, and I know what we're going to do here, not only am I going to rescue the seven girls here, but TLPS Mr. Wolf is going to get a powerful treasure there: a powerful greatsword known as The Nordic Eternal Full Moon Greatsword of Fenrir.

TLPS Mr. Wolf: Five new shrines here in Los Angeles, heh, this should be good. But, I'm also curious, Lincoln, you also called X-Squad Cell, Captain Ginyu, Burter, Recoome, Guldo, Jeice, and Bonyu with us, why is that?

King Kai: I think I can answer that question for you, TLPS Mr. Wolf, and it's not good: your old enemy, Professor Rupert Marmalade IV, has broken out of prison and he went into hiding, and even more bad news: with the five Dark Orbs he found, he'd brought Frieza, Cell, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead, and he's used The Dark Orbs to put them under his control.

We gasped, and this pissed off TLPS Mr. Wolf big time.

TLPS Mr. Wolf: Why, that little pouchy-cheeked rat! You know, it's bad enough we've had to deal with the fact that he was nothing more than an egotistic criminal mastermind who's used his good image to cause evil, but now that he's broken out of prison, he also had the nerve to bring Frieza, Cell, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead! I will make him pay for this.

Captain Ginyu: Jeez, I never knew you to blow your top like that, Mr. Wolf.

Lincoln: This hadn't been the first time, the first time this happened: he exploded with rage when he faced off against Dark Chandler for his attack against the Kingdom of Wu and the second was when he faced off against Marius, the leader of The Lycans.

X-Squad Cell: And in those two times, he transformed and ripped those fuckers apart. And now, to find out the Cell from your universe has also been brought back, now Marmalade's gone too far.

TLPS Ms. Tarantula: You bet he has. (To TLPS Mr. Wolf) But, boss, you know this also means that Diane's in big time danger if any of those bastards come after her.

TLPS Mr. Wolf: That's one thing I want to avoid, but just in case, King Kai, who's coming after us today?

King Kai: It's Frieza, and he wants revenge on the team for destroying him last year.

TLPS Mr. Snake: And if he sees you guys here, he's going to be pissed off big time.

TLPS Mr. Piranha: And from what we know about him, he'll be wanting your heads for this.

Guldo: At this point, we don't care about him anymore.

Captain Ginyu: So, you know what this means?

TLPS Mr. Wolf: (Smirks) Frieza, you better say your prayers, 'cause we're coming for you, and this'll be your last day alive.

Lincoln: For what he's done, he deserves nothing more than to be erased from existence, and I want to thank you and your team for joining us, Lord Raiden.

Raiden: You're welcome, Lincoln.

Suddenly, we saw a figure heading for us, it was Diane Foxington, popular Governor of Los Angeles and formerly the legendary mysterious master thief Crimson Paw.

TLPS Mr. Wolf: Diane. Oh, thank God you're okay.

Diane Foxington: Hey, don't worry, Mr. Wolf, I'm alright, and I see you brought the rest of your gang with you. (Sees us) And you've brought Team Loud Phoenix Storm and The Masters of Evil with you, it's an honor to meet you.

Lincoln: You too, Diane. Now, we got to get to the shrine, and then, we get after Frieza.

We arrived at a midnight blue-colored shrine with wolf statues, and we entered the shrine, and we all saw a powerful greatsword with beautiful moonlight shining down on it: The Nordic Eternal Full Moon Greatsword of Fenrir, a massive greatsword with embedded midnight blue gems on the 7'0" massive, wide, double-edged blade, large wolf heads for the crossguard, large midnight blue gem embedded in the rainguard, longer midnight black handle, and four large wolf heads for the pommel.

TLPS Mr. Wolf: The Nordic Eternal Full Moon Greatsword of Fenrir, to think it and the shrine itself had arisen here in Los Angeles.

TLPS Mr. Wolf went up and grabbed The Nordic Eternal Full Moon Greatsword of Fenrir, and then, we saw four girls heading for us, and they had hair, massive angel wings, and eyes matching the colors of Esomia, Leron, Oceanu, and Adoni, they're tall at 6'5" in height, they had the Cygnus the Swam constellations on their right arms, they're dressed in Sailor Scout uniforms, and with them are the seven girls.

Lincoln: (Gasps) Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni, I knew it was you four, it's good to see you again, but we'll talk later.

TLPS Mr. Wolf: He's right, the time has arrived to hunt down Frieza and finish him off.

We exited the shrine, but then, we sensed a massive energy signal heading straight for us, and we all knew who it was: it was Frieza, and he was indeed pissed off.

TLPS Mr. Wolf: Right on time, Frieza.

Then, Lincoln snapped his fingers, and we took the battle to Glaren, so that no one would get hurt by Frieza.

TLPS Mr. Wolf: I should've known you'd show up here, Frieza. I always knew that Marmalade was really a lowlife, but for him to bring you, Cell, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead, now, he's really gone and crossed a big line, and I hope you've said your goodbyes, 'cause this is the last time you'll ever run free again.

Frieza: We'll see how long that big mouth of yours lasts when I destroy every last one of you, along with the entire Earth!

Suddenly, something within TLPS Mr. Wolf's mind snapped as memories of every last cruel act that Frieza had committed throughout the years rushed through his head, as his dark red eyes turned neon dark red, and he was surrounded by a rainbow and midnight blue energy aura with wolves and moonlight, he unholstered his massive Fenrir's Lunar Nordic Wolf Sword of The Eternal Moon from his back, and as he approached Frieza, he left rainbow and midnight blue energy, moonlight, darkness, and wolves with every step.

TLPS Mr. Wolf: I will never ever forgive you for everything that you'd done over the years, Frieza, you callously took the lives of so many innocent people just because they "got in your way", and on top of that, you had nothing more than an utter disregard for life. (SUDDENLY GETTING EXTREMELY AND REALLY PISSED OFF) But, what you also did in destroying Planet Vegeta and causing the genocide of The Saiyans after you lied and manipulated them and turned them into being ruthless and evil, and all for your dirty work…, YOU'VE CROSSED ONE DAMN LINE TOO MANY, YOU WORTHLESS, EVIL, CONNIVING, SELF-SERVING BASTARD, AND FOR ALL THOSE LIVES THAT YOU AND YOUR MINIONS HAVE TAKEN OVER THE YEARS, I WILL MAKE YOU SUFFER ALL OF THE CONSEQUENCES FOR EVERY LAST ONE OF YOUR BLOODSTAINED MISDEEDS IN FULL BEFORE I PUT A PERMANENT END TO YOUR WORTHLESS MISERABLE LIFE!

We gasped at the sheer and unimaginable extent of TLPS Mr. Wolf's rage, and payback and retribution was now coming fast for Frieza.

Nico: Tell me that I didn't just hear what I think I heard?!

Me: We all heard it, his rage has been unleashed.

TLPS Mr. Snake: And that rage has now been aimed right at Frieza for everything that he's done in the past. THE BOSS IS GOING TO BLOW! STAND YOUR GROUND!

We stood our ground as TLPS Mr. Wolf screamed like a madman and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was an enormously massive and powerful explosion of energy and he let out a really loud howl, and he was suddenly surrounded by a massive vortex of rainbow and midnight blue energy with moonlight and moonlight fire surrounding it, there's a pack of wolves running around the vortex, and in the vortex is a midnight blue phoenix. Then, as the vortex faded, TLPS Mr. Wolf emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

TLPS Mr. Wolf grew from 7'4" to 7'5" in height, he still retained his abnormally massive and powerful upper and lower body muscles and eight pack abs, the yellow sclera of his eyes remained the same, he has neon dark red eyes and a rainbow and midnight blue energy aura with moonlight, moonlight fire, and wolves surrounding him, he has a wolf howling at the full moon emblazoned on his forehead and Third Eye with midnight blue iris, his tail's gotten longer for his new body, he has on a Crystal Necklace of the Buddha with midnight blue gems on the crescent moon links and midnight blue crystal links and midnight blue wolf-shaped Element of Harmony and below the Element of Harmony is a wolf with midnight blue gems for eyes and holding the Moon and Eternity Kanjis in its paws for the pendant, he now has on large gold metal bands on his massive biceps and thighs, and he now has nine large midnight blue orbs orbiting around his legs. TLPS Mr. Wolf has on a long midnight black shirt that outlines his eight-pack abs and massive pecs and it has a midnight blue phoenix on it and a howling wolf on it, white vest, long black leather pants with wolves on them, black leather knee-high combat boots with wolf heads for the buckles, and a long white long-sleeved trenchcoat with wolves and moonlight fire on the coattails and on the back is a wolf howling at the full moon and a phoenix flying in the skies. Suddenly, TLPS Mr. Wolf felt a pain on his now wider and more muscular back, and then, his massive gray angel wings with midnight blue tips on the large gray feathers grew bigger for his new body, he has on his Ring of The Phoenix with large midnight blue gem on the gold ring on his left ring finger and a White Lantern Corps ring on his right ring finger and Stone of Gelel embedded in his left hand.

Suddenly, TLPS Mr. Wolf's massive Fenrir's Lunar Nordic Wolf Sword of The Eternal Moon and The Nordic Eternal Full Moon Greatsword of Fenrir and all the swords he'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow and midnight blue energy, moonlight, moonlight fire, darkness, and wolves, and when it emerged, it was transformed into Fenrir's Nordic Lunar Eternal Full Moon Wolf Greatsword of Lunar Moon Justice, it's a brand-new massive greatsword with embedded midnight blue gems and the Wolf Norse God, Fenrir, etched on the 7'0" massive, wide, double-edged midnight blue blade, large midnight blue wolf heads for the crossguard, large midnight blue gem for the rainguard, longer midnight black handle, four large midnight blue wolf heads with white gems for eyes and a large midnight blue gem on the bottom of the wolf heads for the pommel, TLPS Mr. Wolf has on his large gold cuff Bracelets of the Champions of The Universe with midnight gems on his wrists, gold Belt of Elemental Bravery with gold wolf head with midnight blue gems for eyes and a large midnight blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver. There's a midnight blue kanji below the wolf that said, "Team Loud Phoenix Storm Mr. Wolf, Awesome Skilled Leader and Boss of The Bad Guys Gang, Loving Boyfriend of Diane Foxington, Friend of Mr. Snake, Mr. Shark, Mr. Piranha, and Ms. Tarantula, Former Pick Pocket and Criminal Now Turned Hero, Awesome and Hilarious Member of Team Loud Phoenix Storm, Foiler of Professor Marmalade's Schemes, Destroyer of Marius and The Lycans, Ender of The Vampire-Lycan War, Archenemy of Captain Ginyu, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Wolves and Warrior of the Full Moon, Emissary of Fenrir, and Master of Moonlight and Wolves"

TLPS Mr. Wolf has transformed into SUPER ANGEL-WOLF-HARMONY CELESTIAL ETERNAL XELNAGA NORDIC MIDNIGHT MOONLIGHT FIRESTORM WOLF MOON ANGEL OF DIVINE NORDIC LUNAR WOLF MOON JUSTICE AND DIVINE NORDIC LUNAR WOLF MOON LIFE!

We were amazed by TLPS Mr. Wolf's Super Angel-Wolf-Harmony Celestial Eternal Xelnaga transformation, but when Frieza saw it, his paranoia and fear kicked in again, and he tried to fire a Death Beam at him to kill him, but TLPS Mr. Wolf fired a powerful rainbow and midnight blue energy blast with moonlight, darkness, and wolves at Frieza, and it exploded with incredible power as it hits him, and it removed The Dark Orb, which Lincoln sent to The Black Gates, Frieza got up, but now, he was beyond enraged.

TLPS Mr. Wolf: (Divine Echoing Cosmic Voice of The Nordic Midnight Moonlight Wolf Moon and Divine Nordic Wolf Moon Justice) Don't you dare glare at me like that, Frieza, you've had this coming for a very long time! Now, it's time for you to pay!

TLPS Mr. Wolf went after Frieza, who tried to blast him with more Death Beams, but he deflected all of them, and he fired powerful blasts of rainbow and midnight blue energy, moonlight, moonlight fire, darkness, and wolves at Frieza, and they exploded with incredible power as they hit him, and he also attacked Frieza with his massive greatsword, leaving scars and spilling his blood all over the planet.

Nico: He's really tearing Frieza to shreds!

Lincoln: We shouldn't be left out though, come on, gang, let's give TLPS Mr. Wolf a hand and tear Frieza down for good.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-

Then, TLPS Mr. Wolf broke Frieza's left arm with a brutal kick and he sent him flying with another, and that allowed Lincoln to turn the tip of one of his eleven massive and long white wolf tails into Cell's stinger, and as he stabbed it into Frieza, Lincoln began absorbing Frieza and he was also assimilating his powers and abilities. Then, as soon as he was done absorbing Frieza, the stinger changed back, and he gave Frieza The Black Gates as an energy card with his soul appeared from a blast fired by Lincoln's massive greatsword. We cheered as we holstered our weapons and powered down, and TLPS Mr. Wolf's new body, clothes, weapons, jewelry, Third Eye, and massive grey angel wings are permanent, and we were also back on Earth.

TLPS Mr. Wolf: Good riddance, you heartless self-serving bastard, and don't you dare come back.

Lincoln: The Black Gates made sure of that, TLPS Mr. Wolf, and now, we're finally rid of Frieza once and for all. (To Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni) And it's so good to see you again, Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni.

Emma Esomia: You too, Lincoln.

Sophia Leron: Yeah, it's been such a long time since we last met.

Penelope Oceanu: Not seeing each other in six and a half years, that's way too long.

Maria Adoni: But, we're finally reunited once again, and it's also so good to see you again, Diana Elementa, Anna Thelea, Evelyn Titania, and Grace Thehabos.

Diana Elementa, Anna Thelea, Evelyn Titania, and Grace Thehabos: You too, Emma, Sophia, Penelope, and Maria.

Lincoln went up to Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni and he hugged them, and Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you four in six and a half years, and as you can see, I really grew since then.

Emma Esomia: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new.

Sophia Leron: Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs.

Penelope Oceanu: And there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Maria Adoni: But, we've really helped out a lot in helping you to grow bigger and stronger.

Nico: Wow, Lincoln, so these are…

Lincoln: Yep, this is Emma Esomia A.K.A. Sailor Esomia, she's my Guardian Angel and classmate in Gym, and she has omnipotent dark and ice powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she'd also known of what Ebonwu Lincoln's travel to Esomia. She came to Earth six and a half years ago, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

That's Sophia Leron A.K.A. Sailor Leron, she's my Guardian Angel and classmate in Gym, and she has omnipotent fire and lightning powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Luan at home. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Penelope Oceanu A.K.A. Sailor Oceanu, she's my Guardian Angel and classmate in Gym, and she has omnipotent glowing water powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she'd also known of what Ebonwu Lincoln's travel to Oceanu. She came to Earth six and a half years ago, and she swore to protect me with everything she's got from Chandler, his goons, Pablo, and Anderson and the other bullies at school and Flip, Scoots, Lewis Travolta, Hawk and Hank out in Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

And Maria Adoni A.K.A. Sailor Adoni, she's my Guardian Angel and classmate in Gym, and she has omnipotent nature and lightning powers and her power is just as strong as ours and she's also really strong and powerful and skilled in martial arts. Plus, she'd also known of what Ebonwu Lincoln's travel to Adoni. One time, while out on the beach, she and I kissed each other on the lips, and like Selene Emperyous, she hates all of my enemies and all our enemies with an intensely infinite hatred and wants nothing more than to see them all dead.

Nico: (Whistles) And now, you're finally reunited with your Sailor Soldier Guardian Angels.

Lincoln: Yep, all of them are here and reunited after all this time apart. Plus, the first part of the Los Angeles Treasure Hunt is a success.

TLPS Mr. Wolf: Yeah, I got The Nordic Eternal Full Moon

Greatsword of Fenrir, and I also transformed and we destroyed Frieza once and for all. Now, all that's left are Cell from our universe, King Cold, Dr. Wrecker, and Garlic Jr. to deal with, and Professor Marmalade will no doubt get really pissed off at us as soon as word of Frieza's death hits him.

Emma Esomia: Let him, he deserves it for his crimes. (To Lincoln) And Lincoln, there's something we wish to give you, we wish to give you our blood.

We gasped at their request, including Lincoln.

Lincoln: Emma, Sophia, Penelope, Maria, are you absolutely sure about this?

Sophia Leron: (Smiles) Yes, more than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni, and he saw that they're really serious, and he smiled as he walks over to Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni, and he hugged them in his abnormally massive and powerful muscular arms, he slowly leaned his head down first on Emma Esomia's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and he did the same with Sophia Leron, Penelope Oceanu, and Maria Adoni.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on her neck.

Emma Esomia: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you, Sophia, Penelope, and Maria are now part of my harem and my many future wives, Emma.

Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around their waist, and he leans down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Buchi and Shiro from Honey X Bunny, and Aya Houjuuin, Sakyou Date, Sana Chidori, Shinobu Kobayakawa, and Suzuka Kirimiya from Moe-Moe Ryoujoku Idol Ikusei Project.

Lincoln: Oh wow, it's Buchi and Shiro from Honey X Bunny, and Aya Houjuuin, Sakyou Date, Sana Chidori, Shinobu Kobayakawa, and Suzuka Kirimiya from Moe-Moe Ryoujoku Idol Ikusei Project.

Nicole: Awesome.

Lincoln: Are you girls okay?

Buchi: Yes, we're okay, thanks to you.

Then, when Buchi and the other six girls saw who it was that saved them from Frieza, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle

Buchi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Buchi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Buchi, Shiro, Aya Houjuuin, Sakyou Date, Sana Chidori, Shinobu Kobayakawa, and Suzuka Kirimiya with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told them that TLPS Mr. Wolf had gotten The Nordic Eternal Full Moon Greatsword of Fenrir, and they were shocked when they found out the villain we went after was Frieza, who came back again for revenge on us for destroying him last year, and that Professor Marmalade, the old foe of The TLPS Bad Guys Gang was the one who brought him, Cell from our universe, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead.

But, when Lincoln showed what happened such as TLPS Mr. Wolf transforming into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and he and all of us laying a brutal beatdown on him and Lincoln finishing Frieza off by using Cell's absorption technique and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni have a lot of catching up to do, now that they're back in town. Plus, we put Diane Foxington under our protection, now that Cell of our universe, King Cold, Dr. Wrecker, and Garlic Jr. are still running loose, but we got rid of Frieza for good, and he's never coming back.

Maria: Oh man, I can't believe that pouchy-faced, lying, egotistic criminal was the one who brought back Frieza, Cell from our universe, King Cold, Dr. Wrecker, and Garlic Jr. back, he's so done for when we get after him in the future.

Lincoln: We'll make him pay for what he's done, but first, we got to get rid of Cell of our universe, King Cold, Dr. Wrecker, and Garlic Jr. who are still running loose in Los Angeles, then, we can get after Professor Marmalade.

Nico: That's a good idea, but we'll make sure that pouchy-faced little rat pays for what he's done.

Me: And more for that little stunt he pulled.

After finally getting rid of Frieza and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Emma Esomia, Sophia Leron, Penelope Oceanu, and Maria Adoni saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Emma Esomia: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Sophia Leron: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public.

Penelope Oceanu: And he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Maria Adoni: And we're glad those rotten Dark Sides are gone for good.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophia Leron: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, girls, what memories did you have with Lincoln?

Emma Esomia: I remembered this one time, Lincoln, Sophia, Penelope, Maria, and I were heading back to The Loud House after three hours of working out at the gym me and the other Sailor Scout Guardian Angels had set up, but then, we heard the sound of a yell in the air and the smell of a sewer rat, and we saw who it was coming after us: it was Chandler and his goons, and he was still out to kill Lincoln, but Lincoln punched Chandler really hard in his stomach and he went down like a sack of bricks, that was just how much stronger Lincoln had gotten, and then, he lifted Chandler up and tossed him at his goons, and that knocked them out and Lincoln tied him and his goons up, and the cops came and took Chandler and his goons away. We were really stunned at first, but then, we all ran up to Lincoln and we each hugged and kissed each other. After we came to The Loud House, we told everyone what Chandler and his goons tried to do, but Lincoln stopped him as we then showed everyone the video of his fight against Chandler and his goons, and everyone cheered for him.

Nico: Wow, that's what I call two times in a row that Lincoln kicked Chandler's ass whenever that asshole of a Dark Side took over him.

Nicholette Torrington: Actually, we've kept a list of how many times Lincoln's kicked Chandler's ass whenever that asshole of a Dark Side took him over, and he's kicked Chandler's ass at least 750,000 times.

Me: (Whistles) That's really awesome.

Lynn: He's also kicked the butts of Flip, Lewis Travolta, Pablo, Anderson, and the other enemies from his past 950,000,000,000 times.

Nico: Sheesh, they're just asking to get their asses kicked.

Lincoln: Big time, they continued to threaten not only my life, but the lives of all those around me, and I will show them no mercy.

Me: And that's a Loud's promise, and I've seen what happens to those who threaten Lincoln's life and the lives of all those around him, Nico, it always ends with them getting their asses kicked by Lincoln.

Nico: So, Royal Woods already had a hero long before any of us met, that's really awesome.

We got a shower afterwards, and then, Lincoln, Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint each have feelings for Lincoln, and he also had feelings for them as well, plus, he saved them when Amy broke out to kill them for revenge again, but Lincoln saved them, and he smashed that rage-crazy psycho bitch into the dirt before he tied her up again.

Supernova Zap: Wow, so this is Jolly Roger Bay.

Lincoln: Yep, and it's perfect for our date, Supernova Zap. Shall we?

Lincoln, Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they also found treasure there, and they went back to the shore and they also had a game of volleyball, and Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made five clones of himself and he and his clones went up to Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint and they hugged the girls in their abnormally massive and powerful muscular arms and Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rarity: And we got six new members to Linky's harem, amazing

Vinyl Scratch: And we guessed that Kiwi Lollipop, Supernova Zap, Golden Hazel, Tennis Match, Watermelody, Cloudy Kicks, and Mystery Mint each had feelings for Lincoln, and he also had those same feelings for them as well.

Rarity: And he also saved them from that rage-crazy psycho monster, Amy,

Nico: That bitch's just asking to get beaten up, she's a Satanic monster and a miserable glutton for punishment.

Lincoln: She sure is, but she knows very well her humiliations are just going to get a lot worse for her, but she doesn't care at all.

Me: Nope. But, that makes it a lot more easier for us to humiliate her.

---

Later it was time for Kita's 2nd Ambassador Mission and it was going to be an awesome and epic one.

Nico: I have a feeling we're going to really kick some Deadman butt.

Me: You got that right!

Xenia: Yeah!

William: Anyone else want to go with Kita? Besides Noah, Fairy Leviathan, and Cheese?

Shiro: Me and Ganta will go with.

Me: Good idea guys. They don't know what a TRUE Deadman can do.

Bridget Branley: Me, Fire Lori and Reika can come with too.

Nico: Cool cool. Good idea.

Eli: Yep. Are we ready?

Nico: Lets head out guys.

We were off to Japan.

---

TOKYO, JAPAN

---

We arrived and we saw them fighting the Killer Bee Deadman!

Me: Whoa! That's Hana's Deadman form the Killer Bee Deadman!

Bridget Branley: This is gonna be a doozy!

Me: Yep. Lets go!

We flew at them!

Killer Bee Deadman: I WILL KILL YOU ALL FOR KILLING OLTECA!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and then a phoenix cry was heard and we came out.

Me: The Revice team didn't kill Olteca! I did!

I fired waves of energy and blasted her and sent her flying.

Me: That will hold her off for a few minutes.

Kita: Guys, meet my boyfriend and archenemy.

Noah: Awesome to meet you all. I'm Noah Carver from the Super Megaforce Team.

Me: He's the Blue Ranger.

Fairy Leviathan: And I'm Fairy Leviathan.

Sakura Igarashi: Wow it's awesome to meet you guys.

Ikki: Same here.

Ganta: It's awesome to meet you all. I'm Ganta Igarashi.

Shiro: And I'm Shiro.

Sakura Igarashi: Wait you two are the survivors of the destruction of that awful prison Deadman Wonderland.

Ganta Igarashi: That's right.

Daiji: Oh man I've heard about what happened there! That was horrible!

Me: It was. That prison was considered a North Korean Hellhole Nightmare on Earth. We blew that entire prison to kingdom come.

Nico: We sure did.

Hana Natsuki: Oh man.

Me: Yeah.

Bridget: Oh my name is Bridget Branley and I'm a Fire Elemental.

Fire Lori: I'm Fire Lori and yes I'm called that because I'm literally made of Pure Fire.

Reika: And my name is Reika Hanehara and I'm the Heat Dopant of NEVER.

Bridget Branley: Reika is my archenemy and she is both in the Redemption Squad and in the Masters of Evil.

Ikki: Oh wow it's truly an honor to meet you guys.

Reika Hanehara: Same here.

Cheese: Hello.

Me: Oh and this little guy is Cheese.

Cheese: Yes a.

Then the Killer Bee Deadman came back.

Nico: We'll talk more after finishing this.

Me: I got this!

I fired an energy blast and it hit her and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

She was down and in her demon form.

Me: We did say that she would make an awesome addition to the

Masters of Evil.

I picked up the Bee Vistamp and purified it and I teleported her to the M.O.E. Headquarters.

Me: That was too easy.

Nico: Yep. But many more are coming.

Ikki: Let's talk more back at base.

Me: Good idea.

We went to the Happy Spa.

We arrived and sat down.

Me: That was intense.

Shiro: It sure was.

Ikki: Yeah.

Sakura Igarashi: But I'm glad that Hana's demon form is in the M.O.E. Now.

Me: Yep.

Ikki had a man come out.

Ikki: Guys, this is my dad.

Genta Igarashi: It's an honor to meet you all Team Loud Phoenix Storm.

Me: (Bows) You too Genta. I'm sorry you did all those terrible things because of Kamen Rider Vail.

Genta Igarashi: I know. But thank you.

Me: Vail is a monster and he deserves the Black Gates.

Eli: That is for sure.

Bridget Branley: Yeah he needs to be destroyed.

Cheese came in with lipstick.

Cheese: I'm a lady. (Kisses Ikki) Now we're BROTHER ladies!

Ikki: Ew!

I pulled him off.

Me: Cheese cut that out. Sorry guys. Cheese is an idiot. He has a brain the size of an amoeba and he is a great annoyance and comedy tool.

Eli: Yeah he's silly.

Bridget Branley: Yeah.

Ikki: I see.

I gave him a washcloth.

Sakura Igarashi: (giggles) I think you look cute with that lipstick on.

Ikki: I'm sorry. But I'm washing this off!

Me: That was stupid of Cheese but he can't help it. He is an idiot.

Daiji: Yeah.

Sakura Igarashi: So Fire Lori how did you turn into pure fire like that?

Fire Lori: It was an accidental experiment that literally turned me and my siblings into the Elemental Forces.

Me: They each turned into the elemental forces in their purest form. They turned into a hero team called the L-Ementals.

Ikki: Oh I get it! The Loud Siblings of the Elements or L-Ementals. That is cool.

Reika Hanehara: I thought it was cool too.

Shiro: We all thought so.

Nico: Her mind started to deteriorate to the point where she almost forgot her human self.

Me: But we saved them from that.

Fire Lori: Yeah but it's literally still awesome being made of pure fire.

Nico: Yep.

Me: Yeah.

Bridget Branley: By the way I hope Kamen Rider Vail isn't part of the secondary targets when we face Giff on February 28th.

Karizaki: Luckily, I developed something for you after you guys left.

Kita: What is it?

Karizaki gave Kita an awesome new version of a Revice Belt and it was a belt that was both a fusion of a Saber and Revice Belt.

Karizaki: This is the Holy Lucia belt.

Me: Named after Saint Lucia of Syracuse, the 3rd Century Christian Martyr.

Karizaki: That's right.

He gave Kita a Holy Angel Vistamp as well as the belt.

Karizaki: It's really powerful though. Far More powerful than Giff.

Me: We got to see what this will be like.

Eli: And I think we will get our shot! Look what's going on!

We saw on the TV, a bunch of Deadmen! They were the Mammoth, Rex, Kamakiri, Megalodon and Kong Deadmen!

Me: Whoa! The Mammoth, Rex, Kamakiri, Megalodon and Kong Deadmen!

Nico: This is gonna be interesting.

Fire Lori: (kicks off her shoes) Should I put on a leotard or a jumpsuit?

Me: You'll burn them both off Lori. Luckily I have an alternative.

I snapped my fingers and gave Fire Lori and the L-Emental's the power to transform into their elemental forms at will but change back into their clothes too.

Nico: I have a feeling this will be good.

Me: Yep.

Nico: Lets get them!

We were off.

We went to face them at the Park.

We arrived and I fired energy blasts and blasted the Deadmen down and they got up and saw us!

Me: Okay you Deadmen Doo Doo Dunderhead Buttfaces! There's new sheriffs in town!

Kita, Ikki, Hana, and Vice: Henshin!

Noah: Super Mega Mode!

They transformed and were ready!

Me: And this!

I went SUPER ANGEL WOLF MOON XELNAGA!

Nico: YEAH!

Me: (DIVINE WOLF MOON VOICE) **Now for some pain.**

Kita: And for this too. (ACTIVATES HER VISTAMP)

SAINT LUCIA!

Kita: HENSHIN!

She transformed and grew glowing blue angel wings and then she donned awesome new aqua blue armor and had an awesome blue scythe and she had white eye plates! She turned into her Kamen Rider form called KAMEN RIDER LUCIA!

Me: **WHOA!**

Nico: WOW!

Kita: Wow this is awesome!

Me: **It sure is! Kamen Rider Lucia.**

Nico: Lets kick some butt!

Nico punched the Mammoth Deadman and kicked him in the face.

Me: **Try this on!** (ACTIVATES DAYBREAKER'S VISTAMP)

DAYBREAKER!

I got wings made of pure fire.

Me: **Time to burn with the Eternal Flames of the Sun!**

I fired waves of intense fire and blasted down Rex Deadman all over and the fireballs hit the ground and exploded all over.

KRABBBBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

Fire Lori: Yeah! And this!

She turned into an intense fireball and smashed Kamakiri Deadman down with a powerful fire explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Awesome!

Nico: Wow! That was hot!

Noah: Legendary Ranger Mode: Dino Thunder!

He turned into the Blue Dino Thunder Ranger!

Ganta: Yeah!

Bridget Branley: (FLARES UP FIRE AURA) Time to burn!

She fired waves of fireballs and smashed all 5 Deadmen down.

Ikki: Let's go at once!

Fire Lori: Oh yeah!

Ikki and Fire Lori blasted the Mammoth Deadman with intense fire and smashed him down.

Me: **Chew on this one!** (ACTIVATES UNIVERSE 666 LORD TIREK'S VISTAMP)

UNIVERSE 666 LORD TIREK!

I fired a powerful ball of orange energy and it hit Mammoth Deadman and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was obliterated in an instant in a massive fiery explosion!

I caught the Mammoth Vistamp and purified it.

Nico: YEAH! One down!

Me: **Take that you fucking son of a bitch!**

Vice: Now to bring out the big guns!

Remix! Buddy Up! Hissatsu! Kuridasu! Max! Rex!

He turned into an awesome FUSION CREATURE!

Eli: AWESOME!

Fire Lori: That is literally cool!

Eli: How about this too? (ACTIVATES COUNT DOOKU'S RIDEWATCH)

Eli fired a massive blast of lightning and electrocuted Rex Deadman all over!

Me: **Hey Rex, hungry for some Mud?**

I used Earthbending and sent numerous rocks and smashed him into pulp and he exploded!

I caught the Vistamp and purified it!

Nico: Guys, you know that when using the Rex Vistamp's Remix function, Ikki and Vice's fusion form is a T Rex, right?

Me: **I do. But these Deadmen are nothing but a bunch of pathetic, disgraceful and fucking moronic douchebags.**

Kamikiri Deadman: WHY YOU FUCKING LITTLE!?

Me: **Giff's days are numbered!**

I used Firebending and blasted him down and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Kamikiri Vistamp and purified it.

Revice Rex roared at the nearest Deadman.

He went at the Kong Deadman and smashed him down.

Fire Lori blasted him and blasted Kong Deadman down.

Kita: Save some for me guys! LUCIA HOLY JUDGEMENT!

She jumped and slashed Kong Deadman with her scythe and he exploded!

I caught the Kong Vistamp and purified it.

Me: **WHOA That was awesome!**

Noah: Nice, Kita!

Kita: Thanks.

Me: **Well done. One left.**

We were facing the Megalodon Deadman!

Nico: Leave him to all of us.

Revice Rex chomped on him.

CHOMP!

He bit him bad.

Fairy Leviathan: I got this.

She fired waves of water and smashed and blasted and drenched Megalodon Deadman all over.

Nico: Time to finish this one.

Vice: Go for it Nico.

Nico: KAAA MEEE HAAA MEEE HAAAAAAAA!

Nico fired a Kamehameha Wave and it hit the Megalodon Deadman and obliterated him in an instant and I caught the Megalodon Vistamp and purified it.

Nico: These Deadman have failed this city.

Me: **Yes they sure have!**

---

We later came back.

May: Hey guys. How did it go?

Me: REALLY Awesome!

Nico: Yep.

We told everyone everything and it was awesome.

May: Whoa that is amazing!

Lola: Wow! Kita that is so cool!

Kita: It sure is.

May: Next time, Randy and Jayden should go with you guys.

Me: Good idea guys!

Nico: Yep.

Me: But man that was awesome. Kita you did a great job as Kamen Rider Lucia. Well done.

Kita: Thanks. It was fun.

* * *

We were outside a warehouse and we found out that there was a massive flour smuggling operation.

Me: So we got a flour smuggling operation.

Demolishor: A flour operation?

Nico: Yeah. Wonder what they are gonna do with all that flour?

Laney: Good question.

We listened in and found out that they were going to use tons and tons and tons of flour and bake lots of bread spiked with cocaine and then they were gonna sell it and poison people!

We gasped!

Me: Those fiends.

2003 Leo: Cocaine alone is one thing. But mixing it with flour?!

Me: Lets get them.

Qin: Yeah.

Nico: No way are we going to let them do that.

We went at the warehouse.

Inside was the gangsters.

Thug 1: Here you are monsieur.

Thug 2: (Opens a bag with a knife) I can assure you that it's 100% pure.

Gangster leader: Excellent. Gentlemen we're going to make lots of cocaine spiked bread.

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted through the wall of the warehouse and we busted in and smashed the thugs and smashed them all over.

Thunderblast: Fucking give us this cocaine. NOW!

Gangster Leader: NEVER!

We blasted them all over and I kicked them down and we tied them up.

Me: You have a lot answer for you dirtbags.

We got the drugs and flour seized.

G1 Firestar: Let's make sure none of it's mixed with the flour!

Lisa Loud: I'm already conducting that test.

Lisa analyzed it and saw that NONE of the flour was laced with the flour.

Lisa Loud: There are no bags of flour contaminated with Cocaine.

Qin: Good.

Lola: That's a relief.

We went back to the estate.

Tricoloid: Nico, which teams have you made today?

Nico: Nicole's team will include Red Tornado, Tarra Taiyou - Champion of Forgiveness, Cassie Excelsion - Champion of Kindness, Athena Wendolla - Champion of Loyalty, and Laura Diane Pyenington - Champion of Laughter. Shanan's team will include Fu, Emily Yumiko - Champion of Empathy, Gloria Tricksenstein - Champion of Humility, Abigail Minuette - Champion of Patience, and Kiya Schroedinger - Champion of Creativity.

Me: Cool!

Fu: I'm looking forward to being on a team with Shanan.

Shanan: Same here.

Me: I'm proud of you girls.

Nicole: Thanks dad.
